Blindness of a boy due to negligence of Doctor at Nalgonda

292—B

S. N. Q. No 8038—O—Sri Sultan Salabuddin Owaisi:—Will the Minister of Medical and Health be pleased to state:

(a) Whether it is a fact that an application dated 6-3-1981 has been received from Sri Sultan Salabuddin Owaisi, MLA, regarding the blindness of a boy due to the negligence of treating doctors at Nalgonda;

(b) If so, action taken on the application;

(c) Whether any enquiry has been conducted into the wrong operation of Gore Jam's left eye by Dr. Lakshman Dass of Nalgonda District and as a result of which he lost his eyesight;

(d) The remedy suggested to the victim; and

(e) The action taken against the doctor whose negligence caused blindness to a poor boy?

Sir A. Madan Mohan:—(a) Yes Sir.

(b) A report has been called for from Director of Health and Family Welfare.

(c) Preliminary report indicates the Gore Jam's was admitted in hospital on 21-7-78 for treatment of complicated traumatic cataract in his left eye. Needling operation was performed by Dr. Lakshman Dass on 22-7-78. Due to infective complications on 3rd day tetra cyclic antibiotics were stopped and broad spectrum antibiotics injection was started with Sanganil for five days. The patient was discharged on 5-8-78. He was however readmitted on 14-8-78 for pain in the same left eye. Evisceration of abscess was performed on 17-8-78 and the patient got discharged at request on 17-8-78.
(d) & (e) The Director of Health and Family Welfare has been instructed to enquire into all details and send his report on receipt of the same it will be considered.

Sri A. Madan Mohan:—This case relates to 1978. We are in 1981. Very recently I received a letter from the Hon'ble Legislator on the receipt of the letter by the Hon'ble Legislator, immediately that was referred to the Director of Family Welfare and Health. He has taken prompt action not only asking for the report of the D.M. and H.O. The Hospital Superintendent of Nāgonda, he has also appointed Dr. Hanumantha Reddy who is said to be a super specialist, to conduct an enquiry and have a report. This letter was received on 6th March 1981. Unless we get the enquiry report, anything at this junction for a Minister to say either on this side or that side would be Presumptuous.

Sri A. Madan Mohan:—We have no such information Sir. In fact, it is the Hon'ble Legislator, when he brought this to my notice, immediately the Government took prompt action.
Short Notice Question and Answers 27th March, 1981. 163

Sri A. Madan Mohan:—Sir I share the anxiety of the Hon'ble Member. In fact, the Government is equally sympathetic about what has happened, whether it has happened due to the negligence of the Doctor or whether it was in the course of the process it becomes incorrigible for the Doctor to do with the best of his capacity to save a particular patient, we do not know. That is who I said my expression from my side would prejudice the enquiry and so I shall not say. But as far as taking action is concerned we have already issued instructions. The Director has gone round hospitals and the Director of Health and Family Welfare—they have been coming to us in my tour also. I have convened the meetings of the Doctors and said that a single bad incident would make the efficiency of the entire Department. Thousands of people get themselves cured and go. When we conduct Eye Camp, thousands of people get the eye sight back. Unfortunately due to the negligence of it may be in the nature of the situation that he cannot help it, these things do happen. I do understand the anxiety of the members. Government has never been indifferent to this. The Government is further more interested to . . . .

Mr. Speaker:—A drop of poison is enough.

Sri A. Madan Mohan:—A stinking fish will spoil the whole pond. Sarojini Devi Eye Hospital which is one of the premier Institutions in the entire South India, which has enjoyed the reputation for the last two to three decades, foreign expert came and appreciated, it is very unfortunate that an incident of this nature has happened. We are not going back. Suppose a doctor or a staff nurse or a person concurring the Health and Medical Department does anything and it has been established that they have been negligent in discharging their duties, the Government has no intention whatsoever to shield them. On the contrary, the Government would take stringent action to see that the confidence which is shaky here and there would be restored.

Mr. Speaker:—The point of Mr. Venkaiah Naidu is not the action taken after the incident, but he wants to know what action you are going to take to prevent such situation. Dismissing a particular doctor would not restore the eye back.

Sri A. Madan Mohan:—Immediately after the incident of Naseem Bana, our Directors have been going round all the hospitals
and in my tours also I have been convening meetings to see that such situation do not mar the dignity of the profession. In furtherance of that we will try to have the utmost control and if anything happens we are not going to spare. That is all Government or any person in my position can do.

Sri A. Madan Mohan:— It has to be really examined, you know Sir, being a lawyer that the Law of Torts is in existence in America but in our country there is no Law of Torts.

Sri A Madan Mohan:— It has to be pushed upon in consultation with the Law Department.

Mr Speaker:— You can think in terms of insurance for the patient.

Sri A Madan Mohan:— I will certainly examine Sir.

Sir A Madan Mohan:— Unfortunately, our members and some time back including myself suffering under the erroneous impression that once you lose eye, we can graft it. My latter enquiries with the Medical Experts revealed that once the eye it lost, it cannot be grafted again. Only in the special circumstances if the eye sight is still visible and the eye suffers from certain infection, grafting can be done. Subject to correction again, under these circumstances, it is just not possible. However if it is possible, we will examine.

Sri K. Venkataramaih:— Hon'ble Minister has said that there is no Law of Torts in this country.
Calling Attention to Matters of Urgent Public Importance:

re: Cheating activities of the Commission Agent at Nizamabad Gunj.

This is a sheer unpardonable negligence on the part of the Doctors.

Sri A-Madhan Mohan:—Let us wait for the enquiry report.

Mr. Speaker—Meanwhile, can you do anything for his subsistence.

Sri A-Madhan Mohan:—I would be transgressing my limitations, if I say, you know my limitations.

Non-availability of life saving medicines round the clock.

Sri A. Madan Mohan:—In the twin cities of Hyderabad and Secunderabad there are 200 Medical Shops, situated in various localities. The Drugs Controller and Food Health Authority persuaded 41 Medical Shops to keep open on Sundays also in various localities to cater to the needs of the public. Further, sale of life saving drugs round the clock including Sundays has been arranged by the Chemists and Druggists Association at the instance of the Drugs Controller and Food Health Authority at the following 5 Medical Shops who are connected with telephone and whose shops are located in their residential houses:

27th March, 1981

Sri A. Madan Mohan ;——Sir, I have submitted that there are already five shops which are opened round the clock. They have been instructed to do so. In addition to that, on Sundays there are 41 shops in the twin cities which are open. The difficulty that they have represented to us is in view of the insecurity, 24 hours keeping open of all shops is not possible. So, by rotation they have made the arrangement and these five shops have been kept opened for 24 hours. If the Hon'ble Member can suggest any particular locality where he is

Due publicity has also been given by the Chemists and Drugs Association for these five shops, in particular among the Members of the Medical profession on whose prescription, emergency and life saving drugs will be sold.

Statement by the Minister for Medical and Health.

re: Withdrawal of the case filed against Simhapuri Mahila Super Bazar, Nellore.

Mr. Speaker:—The Minister for Health and Medical would like to make a statement.

Sri A. Mohan.—Sir, with your permission I would like to make a statement.

After answering the S.N.Q. 8029, I for one, taking into consideration various points raised by the Hon’ble Members have gone deep into the matter and make the following statement:

While answering the supplementary questions to Shortnotice Question No. 5767-K tabled by Sarvasri M. Venkaiah Naidu V. Sohran Reddaru Rao. E. Subba Rao, V. Ranga Rao and Pooja Subbarao on 28-3-1981, it is admitted that an assurance was given on the Floor of the House that the case filed against Simhapuri Mahila Super Bazar, Nellore would not be allowed to be withdrawn. It was also mentioned then that the Government had no intention whatsoever to forgive anybody whether it is an individual or a Co-operative Society. The representation of the President, and the Directors of the Simhapuri Mahila Co-operative Society Limited, was under the examination of the Government.

Governments have examined the same in consultation with the Law Department. Among other reasons in the public interest and in view of the weakness in the case of prosecution, the Government has withdrawn the prosecution. Accordingly the Government Home Department has issued orders. I am thankful to Sarvasri M. Venkaiah Naidu, Jaipal Reddy and others who have provoked me to go into the details in the matter and thus helping me in issuing this statement of my own. I may submit further that the early reply in the House denoting such assurance was never meant to mislead the House.
let the Minister give an assurance that he will take up with the Home Minister and express the sentiments of the members to the Home Minister and see that case is not witheld any further.

10-10 a.m.

Sri A Madan Mohan.—I may be permitted to do it either way. I can certainly bring to the notice of the Home Minister the sentiments expressed by members and request him to review the position.

Sri A Madan Mohan :— I have understood the sentiments. Beyond that I cannot say. I have also understood the seriousness with which this debate went on. I will pass on this to my colleague to review the position.

10.20 a.m. Mr. Speaker:—Cut motions moved.

Smt. B. Sarojini Pulla Reddy:—I only want to say that in 1980-81 an outlay of Rs. 23,51,79,000 was approved comprising plan, and non-plan allocation as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Plan</td>
<td>Rs. 12,15,50,000</td>
</tr>
<tr>
<td>Non-Plan</td>
<td>Rs. 11,36,290,000</td>
</tr>
</tbody>
</table>

The outlays proposed and demand now presented for 81.82 are for an amount of Rs. 31,14,70,000 comprising, Plan and Non-Plan allocation as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Plan</td>
<td>Rs. 18,17,67,000</td>
</tr>
<tr>
<td>Non-Plan</td>
<td>Rs. 12,97,03,000</td>
</tr>
</tbody>
</table>

The outlays, for the year 1981-82 is thus more than the previous year by about 32% reflecting greater effort on the part of the Government. The provisions made are only supplemental to the funds raised by the Municipalities and the Municipal Corporations and the efforts being put in by them on their own.
Annual Financial Statement (Budget) for 1981-82:

Voting of Demands for Grants.

For the year 1981-82 the Plan provision proposed is Rs. 15,176 lakhs. This is for the following purposes:

1. Grant in aid towards charges for executing the Water Supply Schemes. Rs. 35 lakhs
2. For salaries of staff of Public Health and Sanitation and Water Supply. Rs. 31 lakhs
3. Grant to M.C.H. for twin cities development. Rs. 134 lakhs
4. Environmental Improvement Scheme. Rs. 30 lakhs
5. Grant to U.D. As., Rs. 207.5 lakhs
6. Execution of Capital works for water supply schemes. Rs. 1004.00 lakhs
7. Small and Medium towns. Rs. 63.00 lakhs.

The non-plan Budget provision proposed is about Rs. 12.97 crores. I would not trouble the Members with the details of non-plan expenditure which are mainly non-developmental and staff oriented in nature.

I thought of making a specific mention about a few things that we propose to do during the year 1981-82.

1. Government have decided to hold elections to Municipal bodies in June, 1981.

2. We want to bring in Legislation to enable the Government to create Municipal Corporations as and when it becomes necessary to upgrade Municipalities into Corporations.

3. We have proposed a provision of Rs. 300 lakhs for starting Manjira Phase III which will give us 60 Million Gallon of water. This scheme would cost about Rs. 75 crores in all and we have made a provision of Rs. 34.23 crores during VIth Plan. We propose to complete stage I of the phase III by 1985 which would supply 20 Million gallons.

4. We are proposing to construct an Auditorium for old city at a cost of Rs. 40 lakhs and another auditorium for Secunderabad at a cost of Rs. 40 lakhs. These two Auditoria will be completed by June, 1982.

5. MCH is also taking up construction of 8000 houses for slum dwellers at a cost of Rs. 7,000/- for each house. The total cost of the
schem for the year 1981-82 would be Rs. 5.6 crores and this amount is proposed to be raised from HUDCO.

6. Similarly, MCH is also proposing to take up Intensive Slum Improvement work in 212 slums by MCH funds and Government grants.

7. MCH will also be spending about Rs. 25 crores to widen roads to improve traffic conditions.

8. Another useful programme that will be implemented during 1981-82 is construction of 7 commercial complexes in MCH lands. To meet the cost of construction of these complexes it is proposed to obtain loans from the financial institution and work is expected to be completed by September, 1982. This will considerably improve the revenues of MCH.

9. MCH is also undertaking a programme to modernise and extend the drainage and sewerage scheme at a cost of Rs. 10 crores by taking loan from LIC.

10. MCH would also be developing a park in old city at a cost of Rs. 15 lakhs and another park in Masab tank at a cost of Rs. 15 lakhs during 1981-82.

11. Similar efforts are in progress in Visakhapatnam Municipal Corporation. So far 20 slums at a cost of Rs. 72.16 lakhs have been provided with drains, latrines, water supply facilities etc. As certain slums are on private lands, action is also being taken up to acquire the sites. Efforts are also being put up by this Corporation to construct pucca houses for the slum dwellers by availing the assistance of HUDCO and nationalised banks. So far 2953 pucca houses have been built. They have a programme to construct 7215 dwelling houses in 1981-82 at a cost of Rs. 441.41 lakhs.

Similar schemes are being implemented in the Municipalities, by providing water supply, storm water drain, community latrines, street lighting etc. An amount of Rs. 300.00 lakhs is proposed for 1981-82 against the provision of Rs. 275.00 lakhs provided in 1980-81.

Urban Development—Town Planning

The Urban Development is sought to be achieved through the Town Planning. So far Master Plans for 17 towns have been prepared including two Corporations. The Plans for the 46 Municipalities are being taken up in a phased manner.

Urban Development Authorities have been constituted for Hyderabad, Visakhapatnam and Vijayawada, under A.P. Urban...
Annual Financial Statement (Budget) for 1981-82: Voting of Demands for Grants

Areas Act, with a view to promoting orderly development of metropolitan areas.

Hyderabad Development Authority has taken up traffic management plans, road development plans, construction of housing complexes, commercial and industrial complexes etc. The HUDCO which is financing the schemes, has cleared schemes worth Rs. 11.63 crores and released Rs. 3.76 crores so far. HUDA is also proposing to take up a township near Kattedan Industrial Estate at a cost of Rs. 6 crores, loan assistance from HUDCO. The township is mainly of a residential nature providing 2000 houses.

Amaravathi Urban Development Authority comprises of Vijayawada, Guntur, Tenali and Mangalagiri. The schemes taken up by it include weaker section housing scheme for rehabilitation of slum dwellers.

Vizakhapatnam Urban Development has to ensure rapid but planned development, in view of growing needs of Visakhapatnam city, its environs, the harbour, a big Steel Plant being set-up and the rapid industrialisation. It has also taken up Housing programmes, Commercial complexes.

INTEGRATED DEVELOPMENT OF SMALL AND MEDIUM TOWNS

The G.O.I. have introduced the scheme for development of small and medium towns during 6th Five Year Plan with a view to develop District Head-quarters, Taluk headquarters, towns etc. The G.O.I. advance loans to the extent of 50 percent of the cost on specific projects. In 1980-81 a sum of Rs. 84.00 lakhs has become available for this purpose, of which Rs. 42.00 lakhs constitute central loans. Rs. 21.00 lakhs is grant from the state Government. Anakapally, Ramachandrapuram Tenali and Vizianagaram, Khammam and Tirupathi are proposed to be covered during the year 1981-82. For this purpose an equal amount of Rs 84.00 lakhs is proposed for 1981-82.

Municipalities are spending lot of money for electricity changes in connection with pumping of water at various stages. Municipalities are at present charged at the rate of Rs. 43 ps. per unit. To give relief to the Municipalities on this item of work Government proposes to reduce the rate of 25 ps. per unit.

Government have also decided to supply steel and cement on priority basis for water supply scheme and housing for slum dwellers on par with the Irrigation projects.
Government have also decided to give exemption from Urban Ceiling to the Municipalities, Municipal Corporations and Urban Development Authorities for taking up houses for the slum dwellers.

Government is consider a proposal to constitute some more Urban Development Authorities for important towns like Warangal, Tirupathi, Tirumala and Chittoor complex. Government is also considering a representation for constitution of a separate HUDA for Guntur deleting it from the existing Amaravati Urban Development Authority. I am grateful to the House, Sir.

Re: Need for legislation regarding trial and taking action against those who misappropriate public funds.

Mr. Speaker,

There is an urgent need for legislation to ensure that those who misappropriate public funds are held accountable. In the past, we have seen cases where guilty individuals have escaped punishment, and innocent individuals have been punished unfairly. This is unjust and goes against the principles of justice.

It is imperative that we legislate to ensure that reasonable doubt is always taken into account when trying individuals. The burden of proof should always lie with the prosecution to prove their case beyond a reasonable doubt.

I, therefore, request that we enact legislation that will ensure fair trials and justice for all.

Thank you.

Yours sincerely,

Sri A. Madan Mohan:—Mr. Speaker, Sir, I have known Sr Easwar Reddy for well over 11 years. We started our legislative career from the Opposition Benches and we used to sit on the same bench. Apart from the political issues that used to come up for discussion in this House from time to time I had occasion to understand him and his greater comprehension of men and matters. He is one of the few sober legislators this House has ever produced. Even from the benches of Opposition his criticism used to be with a sense of responsibility; probably he had anticipated that even in the coming years he would have to hold greater political positions with greater responsibility. His way of attack on the Treasury benches of those days used to be a constructive attack, not a destructive attack. He used to visualise himself as to what he would have done in case he assumed responsibility on the other side and make his criticism only to that extent. That speaks of his greater wisdom and maturity. Ever now we see some of the Opposition members have that sense of responsibility. This House has a long history and in spite of the fact that it has had political tremors time and again when emotions were...
highly charged, both Opposition as well as Treasury Benches have conducted themselves in a very dignified and mature fashion. Mr. Speaker, sir, for the office you have assumed the is a legacy behind and our beloved Chief Minister has very rightly chosen you as well as Mr. Easwar Reddy to these August offices. In your absence, the void that would otherwise be created would be appropriately filled by Sri Easwar Reddy who, I am sure would conduct himself with the same dignity poise and maturity as you did. I congratulate him on this occasion.
