Oral Answers to Questions

19th March, 1981.

Mr. Speaker:-—You have not followed the contention of the Minister for Social Welfare. "

Mr. Speaker:—I am neither happy with the answer that is given nor with the question that you put.

Sri S. Jaipal Reddy:—Sir, I have not bargained for happiness. It is a request to make an enquiry into a thing which is apparently, in your own words obviously scandalous.

Mr. Speaker:—No, no; I have not used that expression. We are also taking this as a serious problem. We will decide and appoint an officer to enquire into these matters. If there is any fault or mistake committed by any officer, we will pursue this matter.

Sri S. Jaipal Reddy:—Sir, the Minister is wasting the time of the House.
Sri S. Jaipal Reddy :—The Minister is wasting the time of the House.

Sri K. Ranga Rao :—I cannot believe my officer has done a mistake.

Sri B. Ayyapu Reddy (Minister for Law) :—We will come to the Speaker's chamber and discuss this matter with the Opposition.
Elections to Syndicates and Senates of Universities

Conversion of Part-time Hindi Pandits in Upper Primary Schools as Full-Time Pandits

199—

#6383-Q. Sri Poolla Subbaiah (Markapur) :— Will the Minister for Education be pleased to state:

(a) whether there is any proposal with the Government to convert the Part-time Hindi Pandits in Upper Primary Schools as full-time Pandits in view of the importance of Hindi as a National language.

(b) if so, when the orders will be issued?

Sri B Venkatram Reddy:—Sir, I will secure a copy of the order and inform the hon. Member, because I have knowledge that the order are passed, but I don't have a copy with me.

Sri B. Venkatram Reddy:—Of course, we take the suggestion. Keeping in mind the funds we have, we will certainly examine that. Rs. 50, as I have observed, is a meagre amount which needs to be revised.

Sri B Venkatram Reddy—I have already stated that the need of the economically backward areas are kept in mind and there will not be any difficulty for anybody.
Sri Ashok Gajapathi Raju (Vijanagaram—Sri, Article 45 of our constitution is very clear that education up to the age of 14 years should be free and compulsory. These orders are going to be contradictory.

Sri B Venkatram Reddy—Sir they are not contrary and we are not collecting any fee from the students.

Sri Ashok Gajapathi Raju Sir educational facilities should be provided by the Government and if the Government is going to collect fee that is against the constitution.

Sri B Venkatram Reddy Sir, the article referred to by the Hon.ble Minister relates to Elementary Education up to the age of 14 years.

Sri P Ashok Gajapathi Raju—Sir it includes 9th class also.

Sri B Venkatram Reddy—Sir, the mood of the House is well noted and I hope that there will not be any further Questions.

Short Notice Questions and Answers. 19th March, 1981.

Make the information from the Hon’ble Member. I do not say either ‘No’ or ‘Yes’ for it. First I will take the information and we will very carefully enquire into the aspects and enquire whether there is collusion on the side of the City D.E.O or not. If he is found to be in the wrong, we will certainly take action against him, provided it is proved that he is in collusion. About the Government Pleader’s attitude, we have already informed the concerned authorities about this default and we are trying to trace whether there is fault on our side i.e. on the department’s side for not giving the counter in time, or whether we have given in time or not. If we have given and if he has failed, necessary action will be taken on those who were responsible.

Sri B. Venkatram Reddy:—Sir, we are very carefully watching this and the Government will make all the necessary endeavours to see that the interest of the school is protected. The site is taken and we are trying to take all possible steps on the legal side to see that the interests of the school are protected.

People are terribly agitated because that is the only Government High School in that area.

In land acquisition proceedings, there are three aspects. Acquisition proceedings are already on the angle but the High Court has stayed. The only step to be taken is...
to see that the matter is expeditiously heard and to see that it is resolved. That step will be taken, to fight out the legal battle on behalf of the Institution so that the interests of the Institution may be protected. Thirdly we are ready with our land acquisition proceedings also. All the people’s support is there. The support of all Hon’ble Members from both the sides is there and we will certainly see that the interest of the school is protected.

Mr. Speaker:—Is the Advocate of both cases the same?

Sri B. Venkaram Reddy:—No Sir, he is different and we are cautious about it. About the question put by Sri L. Narayana, I have to inform you that this is a question of Law. We will see what all have to be done, we will see that it will be done.

Mr. Speaker:—You have not answered his question, i.e. why should the arrears accumulate?

Sri S. Jaipal Reddy:—Sir, the point is—he has been appointed by the Government for a specific period. If his services are to be terminated before the expiry of the period, some Show cause notice has to be given to him.

Mr. Speaker:—By that time, everything will be finished.
Sri S. Jaipal Reddy:—Sir, Government is the least defended client in the Court.

Mr. Speaker:—Most vulnerable.

Sri S. Jaipal Reddy:—Sir, that is the reason why we are loosing most of the cases. In most of the cases we cannot catch him red-handed. In this instance we caught the Government Pleader red-handed— if I use unparliamentary language “with his pants down”—if we cannot take action now, when will we take?

Sri B. Venkatram Reddy:—Sir, the Government is equally worried about the situation and the department of Education has already written to the concerned and necessary action is being taken and this fact I have already submitted.

Mr. Speaker:—Who is the petitioner?

Sri L. Narayana:—Sir, the petitioner is a Land Lord and 12-2-813 7 e=awa 21-2-81R 3=3^30-^ But the Counsels are absent. In the absence order pronounced—Petitioner allowed with costs. The Respondents I & III are directed to vacate and handover vacant possession of the suit premises to the Petitioners within 2 months from the date of this order. But the Counsels are absent. Matters under Rule 329:

1c: Felling of Reserved Forest in East and West Godavari Districts.

It is painful to bring it to your kind notice to stop immediately for the welfare of the people. Our Government is going to take up deforestation instead of aforestation.
Matteis under Rule 329

19th March, 1981.

re: Felling of Reserved Forest in East and West Godavari Districts

(Sri A. Eswar Reddy in the Chair)

M.A. Aziz (Minister for Forests):— Sir, At the instance of the Government of India, the Managing Director, Andhra Pradesh Forests Development Corporation Ltd., prepared a cashew plantation project for being taken up in the Districts of Chittoor, Nellore, Prakasham, Krishna, East Godavari, West Godavari, and Khammam, in the State over an area of 8,000 hectares over a period of 5 years commencing from 1979-80, under the multi State Cashew Project, with the assistance of the World Bank. The Government have accepted the project and accordingly directed the Chief Conservator of Forests in G-O.Ms.No. 116/Forests-Rural Development) Department dated: 18.3.1980, to transfer 10,100 hectares of forest land to the Corporation, so that after elimination of unsuitable patches, 8000 hectares might become available for taking up the project. This area includes 200 hectares in Divancheruvu Reserve Forest of East Godavari District. The Chief Conservator of Forests was also requested to transfer the land to the Corporation only to the extent required by it from time to time. The Divancheruvu Reserve Forest, Korukonda Taluka, East Godavari District, is under the administrative control of Kakinada Division under logging project circle, RoJahmundry. The area of Divancheruvu-I is 534 hectares and Divancheruvu-II is 310.80 hectares. The Forest Department has already raised 175.15 hectares with Eucalyptus and 48.94 hectares with Cashew in this block. A portion of this area is also given for research works of Forest Department and also for the Research centre of Andhra Pradesh Paper Mills. Besides, the Corporation has also allocated the Sale Depot in this block. The Corporation has grounded multi State Cashew project with the aid of World Bank during 1980 season. No plantation has been undertaken in this block during the current year. The future years' programme up to 1984-1985 will cover these 200 hectares area also. The mere 200 hectares planting programme in Divancheru Reserve block under Multi State Cashew project, with the World Bank Aid, is not going to affect the farmers and the villagers.

The balance area of the block including old plantation will be still available for grazing and pasture purpose. The existing growth when cleared for planting with cashew will continue to supply the available timber for wooden ploughs and fire-wood. Collection of sale of fuel wood by either head loads or Kavadi loads is not permissible in the Reserve Forests. Government has already opened the consumer centres for selling fuel, wood and timber require for ploughs, poles etc. at reasonable rates.
In these circumstances there is neither hard ship nor deadlock of their profession and there is no need to stop clearing of existing shrub growth of divan Chera Forest proposed to be included in future year Programmes of Cashew Development under World Bank Aid. It is also not out of place to mention that implementing of Cashew plantation project and raising up nurseries and plantation with cashew and collection of cashew nuts and their processing will create employment to the weaker sections, villagers, labourers of adjoining villages in perpetuity.

Calling Attention to Matter of Urgent Public Importance:

re: Strike by the Employees of Co-op. Central Banks and Paid Secretaries of the Primary Agricultural Co-operative Societies.

Sir, Madam,

I am glad to call your attention to a matter of urgent public importance. I refer to the strike by the employees of Co-op. Central Banks and the paid secretaries of the primary agricultural co-operative societies. They are not employees of Central Bank. It comes under Cadre Committee.

I have seized the opportunity to bring this matter to your notice. The strike has broken out due to grievances of the employees. They have been demanding the implementation of the recommendations of the pay commission. The strike has been called by the employees of the primary agricultural co-operative societies.

I urge you to take immediate steps to resolve this issue and prevent any further disruption in the functioning of the co-operative societies. The strike is causing a lot of inconvenience to the public and it is important to find a solution as soon as possible.

What is the solution to the strike?
Calling Attention to Matter of Urgent Public Importance:

re: Strike by the Employees of Co-op. Central Banks and Paid Secretaries of the Primary Agricultural Co-operative Societies

Sri N. Amarnath Reddy:—The Government is not going to discuss with anybody. I appointed a Committee, the Registrar of Co-operative Societies and the Managing Director Sri Kumareshwamy Reddy will be appointed to negotiate all the matters with the paid secretaries.

I will appoint Three Members Committee. I will show their financial resources. They can solve the problem.

Chairman:—You know the modes of conciliation, settlement and all that.

Let the Minister give a firm reply.

Statements by the Ministers on Calling Attention Matters placed on the Table.

re: (1) Strike by the Students of Govt. Institute of Printing Technology,

(Notice given by Sri Ch. Vithal Reddy and others)

Statement of the Minister For Technical Education And Indian Medicine.

The Institute of Printing Technology was established during the year 1977-78. This is the first of its kind in the Andhra Pradesh State, to impart Sandwich Diploma Course in Printing Technology of 3 1/2 year duration (7 Semesters), in the branches of Letter Press and Lithography, with an annual intake of 30 in each branch. The minimum education qualification for entry into this course is a pass in S.S.C.

2. The Institute is located in the premises of the Government Technical High School, Maredpally, Secunderabad where pucca buildings are available with workshop facilities. Students have been accommodated in the Hostel Buildings of J. N. Government polytechnic, Ramanthapur, Hyderabad pending construction of permanent building for the hostel. The following are demands put forth by the Students union on which they had also gone on hunger strike for a week which has been called off on 7-3-1981.

1. Appointment of Principal with Printing Qualification with extra experience.
2. A permanent building for the Institute with workshop, with modern equipment, machinery and material and required number of class rooms.
3. Hostel accommodation must be provided near the Institution.
4. Industrial Training period-stipend be raised to Rs. 350 per month.
5. Efficient and experienced staff be posted immediately.
6. Job reservation in all presses and printing concerns of Andhra Pradesh by fixing a ratio. For example, for every 6 skilled and unskilled workers one Printing Technologist be taken.
7. Students of Sandwich Diploma for Printing Technology to get the facility of direct promotion up to 7th Semester as it is implemented in the Institute of Printing Technology, Madras.
8. S.C., S.T., and B.C., students should get full mess charges for Hostelers and some amount for Day-scholars-F.B.C. Scholarships to be renewed immediately.
Attention Matters Placed on the Table:

Demand by the students of Govt.
Institute of Printing Technology.

9. Department scholarships may be given to all the students who are not getting any scholarships.
10. Library Fund be raised and library be provided immediately.
11. Games and Sports Fund be raised with appointment of Physical Director.

The action taken by the Government on each of the above demands is as follows:

Demand No. 1

Adhoc Rules governing the post of Principal of the Printing Technology have been prepared and sent to the Andhra Pradesh Public Service Commission for its approval. If its approval is still awaited, pending issue of Adhoc Rules, the post of Principal has been filled up by appointing an Head of Section in Electrical Engineering Faculty temporarily pending appointment of a qualified person possessing the Printing qualifications and experience for which the Director of Printing, Stationery and Stores Purchases Department has been addressed on 8-8-1980 and again on 6-3-1981.

Demand No. 2

It has been decided by the Government to construct buildings for the Institute of Printing Technology in the premises of Technical High School, Secunderabad with workshop, etc. Plans and estimates for construction of buildings including the hostel are being prepared.

Demand No. 3:

As already stated, Plans Estimates are being prepared for construction of hostel buildings in the premises of Technical High School, Secunderabad. However, the students have been provided accommodation temporarily at the Jawaharlal Nehru Government Polytechnic, Ramanathapur, Hyderabad.

Demand No. 4:

The students of Printing Technology are already being paid an amount of Rs. 130 per month while they are under practical Industrial Training. The entire amount is being met by the Government of India. The Government of India is being addressed by the Director of Technical Education to enhance this amount to Rs. 360 per month.

Demand No. 5:

Steps are being taken by the Director, Technical Education to post experience and efficient staff against all the posts sanctioned in the Institute of Printing Technology. Further, recently 23 more teaching posts have also been sanctioned by the Government in order to provide better coaching to the students.
Demand No. 6:

In G. O. Ms. No 111, Labour, Environment, Nutrition and Technical Education, dated 26-8-1981, orders were issued recognising the Diploma in Printing Technology for the purpose of recruitment to the appropriate posts in the State and Subordinates Services. With regard to reservation of posts in this service and prescription of ratio, the matter is being examined by the Director of Technical Education.

Demand No. 7:

This is purely an academic matter and to be decided by the Syllabus Review Committee basing on the position prevailing in other Southern States. The matter is now under consideration of the Syllabus Review Committee.

Demand No. 8:

This demand will have repercussions in respect of the institutions in the entire State and has to be examined by Social Welfare Department for applicability in general in respect of all Government Institutions.

Demand No. 9:

The Department is already sanctioning scholarships under the following 3 schemes. It is not possible to grant scholarships to all the students who are not in receipt of any scholarships.

1. Normal (two scholarships in each class at the rate of Rs. 40 per month for 12 months in an academic year)

2. Additional (one scholarship in 1st year class and 2 scholarships in II and III year classes at the rate of Rs. 40 per month for 10 months).

3. Additional (Four scholarships in 1st, II and III year classes at the rate of Rs. 40 per month for 10 months).

Demand No. 10:

During the current year 1980-81, additional books worth Rs. 3,530 were purchased and added to the Library. The main difficulty in procuring Printing Technology books is that the publishers of the books are mostly of foreign companies. Since there was no demand for these books till the Institute was established, these books were not available in the local firms. However, efforts are being made to procure the books required by the Institute.

Demand No. 11:

As per the pattern of All India Council for Technical Education the post of Physical Director is also included.
Since the staff for the two branches of printing technology is to be sanctioned in a phased manner, the question of sanction of a post of Physical Director will be taken up when its turn comes up i.e., in the last phase of staff component to be created later during 1981-82.

re; (2) Sanction of Grant-in-Aid to Andhra Bhashabhivardhini Degree College Jangaon.

(Notice given by Sri N. Yethiraj Rao).

Statement of the Minister for Education:

Orders were issued in G.O.Ms. No. 725 Edn., dated 7.7.1977 to admit to grant-in-aid all the un-aided educational institutions existing as on 1.4.1977 which have been started with the required approval and in accordance with rules after they complete the stipulated period of existence i.e., the conditions prescribed, in a phased programme of 3 years commencing from 1977-78. Accordingly, Government have admitted to grant-in-aid 84 Junior Colleges, 51 Degree Colleges, 4 Oriental Colleges, 3 Professional Colleges, Un-aided sections in 67 degree colleges and P.G courses in 9 degree colleges during the past 3 years, as per the policy decision in the G.O. referred to above. On the representation of some management requesting for admission of their colleges to grant-in-aid this year also, the Director of Higher Education has submitted proposals to Government to admit certain Colleges to grant-in-aid and the Andhra Pradesh Bhashabhivardhini Degree College, Jangaon is also one among them. The proposals of the Director are under examination.

re; (3) Prevalance of two kinds of Text Books in Primary Schools in Twin Cities.

(Notice given by Sri M. Omkar and others).

Statement of the Minister for Education:

In G.O.Ms- No. 1205, Education dt.26-12.78 orders were issued to introduce text books with new curriculum in a phased manner for Classes I to V. Based on these orders, new language textbooks were introduced for Classes I and II in all schools during 1979-80 and in all subjects in classes III to V in Abhyudaya Pradhika Vidya Samstha Schools during 1979-80. New Textbooks were introduced for Classes III to V during the year 1980-81, in schools other than Abhyudaya Pradhika Vidya Samstha Schools.

2. The Director of School Education after consulting the District Educational Officer, Hyderabad and the director of Social Welfare has reported that the primary schools in twin cities (except in a few
cases), are following the text books prescribed by the Government for all classes of students in Classes III to V. The Director of Social Welfare has stated further that his department has not purchased any non-nationalised textbooks from Sri Rama Book Depot, Hyderabad nor supplied them to S.C. S.T. and B.C. students. Instructions were also given by the Director of Social Welfare to all the District Social Welfare Officers in the State, not to supply any Non-Nationalised Text Books to the S.C., S.T. and B.C., students studying in Classes I to V.

3. Except in a few isolated schools, where the old syllabus text books are being used, students in all other Primary Schools in twin-cities of Hyderabad and Secunderabad are using nationalised Textbooks printed by Government which are being supplied. In fact in June, 1980 Government ordered the District Educational Officers in the State to supply the copies of the new syllabus and revised handbooks for Classes I to V to the aided managements after deducting their cost from the respective contributions payable to the Managements and remit amounts to the Andhra Pradesh Government Text Book Press in order to facilitate quick purchase and supply.

4. Further there will be no difficulty during the examinations for such of the students who are taught from different text books in some of the schools mentioned earlier because there is no question of failing anybody for poor performance in these annual examinations up to and inclusive of Class V.

5. The Director of School Education has been asked to take action according to Andhra Pradesh Educational Rules against erring managements where non-nationalised textbooks which are not prescribed are being purchased and used in Classes III to V.

BUSINESS OF THE HOUSE

1. M. Gandhi (Hyderabad):—This being the last day of the session, we have a short item. It is a question of the new syllabus textbooks and revised handbooks. The Text Book Press has been supplying them to State Government.

2. S. V. S. (Hyderabad):—I have a short item on a similar subject. The Text Book Press has been supplying them to the State Government. The supply is being made to the State Government only. It is a question of the new syllabus textbooks and revised handbooks. The Text Book Press is supplying only to the State Government.

ABSTRACT

MEDICAL AND HEALTH ADMINISTRATION PILFERAGE OF MEDICINES AND DRUGS FROM THE GOVERNMENT HOSPITALS AND MEDICAL INSTITUTIONS AVOIDANCEOF—FURTHER INSTRUCTIONS—ISSUED.

Medical and Health Department

G.O.Ms.No. 597 M & H (G2) Dated 15th April, 1980

Read the following:

1) From the Drugs Controlling Authority & Food (Health) Authority, express Memo.No. 90b/71.12A/63, dated 29-8-63 addressed to all superintendents of the Hospitals, District Medical & Health Officers, Heads of Medical Institutions.

2) From the Drugs Controlling Authority & Director of Medical Services, A.P Express Memo.No. 1098.29.DLA/15 dt. 1.12.68 addressed to all Superintendents of Hospitals, District Medical & Health Officers, Drugs Inspectors etc.

ORDER

In the references 1st & 2nd read above, instructions were issued in the past to the Superintendents of Hospitals, District Medical & Health Officers, Drugs Inspectors etc, in the State to devise measures to prevent pilferage of medicines and drugs from the Government Hospitals and Medical Institutions.

2. There have been complaints in the recent past from the suppliers that medicines and rugs were being smuggled.
large scale from the Government hospitals and other medical institutions to places of private practice, medical shops, firms etc. Therefore, the need is felt to take further steps to tighten the procedure and prevent pilferage of drugs and medicines from the Government hospitals and medical institutions and the following instructions are issued:

1. All public undertakings, private firms, supplying medicines, drugs etc., registered and approved in the rate contract orders are requested to mark the following label on all the outer and inner packages of Drugs, Foils, bottles, injections and the like supplied to all Government Hospitals. "Supplied to Government of Andhra Pradesh 1980-81" The year should be changed from time to time, depending upon the year of the supply.

Till the above procedure is implemented the Superintendents of all Hospitals (including Teaching District Headquarters and Taluk Hospitals), Medical Officers in charge of Primary Health Centres, District Medical and Health Officers, Deputy District Medical & Health Officers should take action to prepare rubber stamps and mark all the drugs, medicines etc., both in the outer and inner packets bottles etc., with the Special Mark "Government Supply".

2. The Medical Officers, Heads of Medical Institutions, Civil Surgeons, Deputy Civil Surgeons etc., on no account, should keep the Government medicines and drugs in their residences and their private consulting rooms.

3. The Drugs Inspectors working under the control of Drugs Controlling Authority Food (Health) Authority are requested to check up, while inspecting the private drugs companies, firms etc., to find out whether medicines, drugs and other stocks intended for use in Government Hospitals, have been brought to these firms, companies etc., for resale to public. Such goods, if found, should be seized immediately under due panchayama: the deposition and statements of shop owners and their employees, should be recorded and the source from which these drugs and medicines have leaked out into the private market should be ascertained and full facts and statement etc., recorded during such inspections, should be sent in name cover to the Regional Director of Medical and Health Services concerned with copy to Director of Medical Education for taking necessary immediate action.

4. The members of the Hospital Advisory Committees should discuss this subject in every one of the meetings and if the drugs, medicines etc., of any Government Institutions are flowing into the private market, they should exercise greater vigilance, enforce surprise checks and inspections of stores and see that the stock position as per stock registers and the actual quantities available, are compared and the defects, if any are brought to the notice of the Heads of the Institutions and the Regional Director and the Director of Health & Family Welfare and the Director of Medical Education and Administration for taking immediate action.
3. The Director of Medical Education and the Director of Health and Family Welfare are requested to incorporate the clause in the rate-contracts with the supplying firms, that they would mark all the supplies with the inscription.

for 1981-82:

Demands for Grants.

The text contains a financial statement for the year 1981-82, detailing various financial demands and grants. The document is written in a formal style, typical of financial reports, and includes specific figures and details related to the budget of the year.
Annual Financial Statement (Budget) for 1981 - 82.

Demands for Grants.

19th March, 1981.

It is adding insult to injury to demand 100 lakhs on top of 10 lakhs already sanctioned for a project. The answer is simple. It is a classic example of the state's fiscal irresponsibility.

While demands for grants are being made, the state's financial situation is rapidly deteriorating. The state is in dire need of austerity measures.

Sri H. Satyanarayana (Adoni) :- Mr. Speaker, Sir while supporting the Budget Demands made by my friend, Mr. Kondaiah Choudary and also Mr. Rosaiah, I would like to make a few points for their very kind consideration. No doubt there has been some improvement in the national and other highways but unfortunately the Government seem to have forgotten the roads which are in the ayacut area. Some time back there was a rule that ayacut roads must be taken by the R & B Department but unfortunately though they have taken- I am certain that they will be taken by the R&B—nothing has been done to see either to improve or to strengthen them. At any rate, I have got one instance where an important Road in my constituency from Haldi to Kothavaram, 10 to 12 K.M. road has been laid but there's a small kanka and unless a calvert is constructed the entire 10 to 12 K.M. road will be useless. I have made a representation to the Hon'ble Minister also. I hope he will take it up. If that is done these two villages which are about 13 K.M apart will be connected. As it is, if you want to go to Haldi from Kowthavaram you have to take a detour of about 30 to 40 miles. Though the Transport Department has got a fairly very good revenue the entire revenue is spent on the R.T.C. which has become a concern. I am afraid I cannot agree with all that has been said by losing Mr. Rajeshwar Rao.

With regard to Transport Department I would like to make one suggestion. There are a number of vans- of 1900-make and 1927-make most of them will be filled to capacity in a small van there will be 50 to 60 people. It is a very dangerous thing to carry passengers like that without proper brakes for the vehicles. I would urge that the Department take necessary action to see that these vehicles at least have brakes, leave alone horns and other things.

Coming to R.T.C. much has been said about the R.T.C.. I have got all my sympathy for my friend, Sri Srinivasul Reddy: this grinding stone has been put round his neck. No doubt he has announced certain very good things for curtailing cost. He wanted to dispose of the posh cars and maintain only smaller cars. Even in the best of the companies like Messrs. T.V.S. the ratio of the personnel is 1:5. Unfortunately in our R.T.C. it is 1:11.2. The Point which I want to make is— even in spite of the fact that we have got 1:11.2 the buses are not running either on time or properly. If the work force is more we expect the performance will be better but unfortunately it is in the reverse direction. The Hon'ble Minister and also my friend Sri Srinivasul Reddy must sit together and see that something is done. In other
industrial concerns there is what is called rationalisation which Rajeshwar Rao knows. If some rationalisation is done with regard pay structure and also time and the work-load and all those things, I hope that the cost of maintenance will come down and we can give good service.

With regard to cargo buses, lot of cargo is taken in buses without payment of any charges. It is common knowledge. Why should we have a cargo bus at all then; straightaway you can scrap it which is giving losses to the department. I wish the department also takes the Legislators into confidence and sit together and see that something is done to bring down the losses in the department. Thank you.

(Mr. Speaker in the Chair)

Mr Speaker:—We have to close the Demands today by 2.00 P.M.
There are now eight members from Congress-I and three Members from the opposition. Three Ministers have to give their reply. What shall we do?

Sri C. Narayan Reddy:—These are all important Departments or Corporations or Institutions in the service of people. We want definitely to speak about the functioning and if we are not given an opportunity, it would amount that we are not doing service to the people. I request the Hon. Speaker that the time may kindly be extended.

Mr. Speaker:—I have two objections. Firstly, every department does work for the people not only these three. Secondly.......

Sri C. Narayan Reddy:—It has the name 'Public'.

Mr. Speaker:—We have got two Bills in the afternoon.

Sri C.N. Reddy (Manthani):—Sir, firstly I take the important institution, the Road Transport Corporation. I am only feeling...
sorry that at this stage when it is about to be liquidated that my friend Shrimvasul Reddy should preside over it. However, one submission to you is Sir, that Godavari Khani Depot is supposed to be biggest in Telengana region. But it is functioning and working in a deplorable way, especially the buses which play from Godavari Khani to Manthani, I may tell you, that they do not have even seats—I am not speaking of cushions. People, especially the labourers who work in Singareni Collieries are hustled into it like cattle; they have no respect and no courtesy is shown to them. When this is the sort of service that is being rendered to the people, I am really sorry that I cannot agree with it.

Secondly, with regard to cry of big losses, I may submit, probably, they are only on paper. Really it may not be so. Every bus that plies takes in it not less than 50 or 70 passengers. Yet, I do not know, why losses are shown by the Corporation. This wonderful system of one man bus also is not understandable. I will give an example. At Siddipet, he gets down; he goes into the Depot. There will be some seats. The people get into it. Then they are directed to go and get the tickets at the counter. By the time they come back, the bus goes.

My hon'ble friend Mr. Satyanarayana has said that the ratio is 11:2. Then why don't we have a conductor also in the same bus. One man service is not at all good. So, the lofty ideals of R.T.C. is narrowed in providing efficiency, adequate economical and prompt coordinated system of transport. But I may tell you, it is found inefficiency, inadequacy and most un economical. This is, I attribute, due to the most inefficient management and nothing else. If this is the bus which they sell for Rs. 35,000 is purchased by a private individual and convert it into 'Apsara or Darlin' or My Fair Lady' and earn profits. When an individual who is purchasing a bus which we have sold as an obsolete one could earn profits, where is the wrong that such a big Institution with such lofty ideal should fair in rendering services to the people.

At Hyderabad we have Regional Transport Authority Office. There is heavy rush. It is desirable that it is immediately divided into three or four and scatter them one here and one at Secunderabad. They are only eager to make some money causing inconvenience to the people and they never properly scrutinise. The district People are coming here for registration. In that you can see implication.

With regard to public work or road transport, may I remind to the dictum of Rajaji who said that it is one of the enemy No. 3. Probably it still stands. They say it is too technical. They have no determinacies to see that the roads are completed. I have been
constantly representing about the completion of a road by name Mahaboobnagar Kalvakurthi for the last four years. It is not good condition. Ultimately they say that we are sorry. We are not getting yet. With these few words I am resuming my seat.

As on the 15th March 1981, the Bridge, as mentioned in the
Annual Financial Statement for the year 1980-81, was
launched. However, as per the Budget of the year 1981-82,
the bridge was not included in the list of demands for
grants. This is due to the fact that the implementation
of the project has not yet been completed. The projected
cost of the bridge is Rs. 100 million. The bridge is
expected to be completed by the end of this year.

Till now, nothing has been done to widen that Bridge.

Sri Ch. Venkata Rao:—I am responsible for it because I was the Minister then. The MLA and local representation have been taken. Basing on the recommendation of the MLA and local representation they have been taken. to that extent there is a proposal that Z.P. should take over and reduce the burden on the Samithis. Government had the good intention of giving more grants from year to year but that was not done. Basing on the recommendation only they have taken.

Demands for Grants

(Translation of Telugu text)

The budget for 1981-82 includes the following demands for grants:

1. Education:
   - Increase in teaching staff
   - Improvement in educational infrastructure

2. Health:
   - Expansion of hospital facilities
   - Health awareness campaigns

3. Social Welfare:
   - Assistance to senior citizens
   - Youth development programs

4. Infrastructure:
   - Road construction
   - Water supply improvements

5. Environmental Protection:
   - Tree plantation drives
   - Waste management initiatives

At least he will not allow you to
think twice. To cut a long story short, the demands for grants for a bridge will last for 50 to 60 years. Therefore we cannot build them the whole procedure and get things done. Ours is a democracy where the rule of law prevails here. Therefore we cannot build them the whole procedure and get things done. Ours is a democracy where the rule of law prevails here.
