8027-(G) Q—Saravati N Raghava Reddy (Nakrekal) Smt. Mallu Swarajyamma and Sri M. Omkar:—Will the Minister for Commerce and Export Promotion and Printing be pleased to state:

(a) whether it is a fact that the former Chief Minister Dr Chenna Reddy on the occasion on the centenary celebration of the Government Printing Press, Hyderabad held in 1980 declared that he would order (1) introducing 3rd shift while paying O.T. compensation (2) opening of model canteen to supply tiffin and meals at subsidised rates and (3) allotment of land for Colony to the workers whose number is more than 3000;

Sri M. Omkar:—How much time will be taken for the finalisation of these proposals?

Sri M M. Hashim:—It is under consideration.

Mr. Speaker:—As early as possible.

Sri M. Omkar:—Will the Government consider the necessity for opening other Printing Presses, to relieve the burden on this Press in different centres like Visiyawada and Warangal?
Sri M.M. Hashim:—They are all under consideration. For that labour what is possible definitely we will do. The Ministers in this Cabinet and the Government have more consideration for labour problems.

Sri Poojla Subbaiah:—Is the Minister aware that his predecessor has categorically assured that he is going to start one Regional Press at Vijayawada and it is also ready. Are they shifting the machinery and the workers?

Sri M.M. Hashim:—Sir, that is separate question.

Turning of Rayalseema into a Desert

(a) whether it is a fact that the Minister for Forests made a statement at Hyderabad on 18-7-1979 that Rayalseema will said to be a desert after some time.

(b) the reasons for the said opinion; and

(c) the steps proposed to be taken by the Government to avert this danger?

Minister for Forests (Sri M. A. Azizi):—

(a) No, Sir.

(b) and (c): Lesst Relevant.
Sri M.A. Aziz:—The Director of Ground water Departme
who has been consulted has reported as follows: The Rayalaseema area is under the influence of both the South-west and North East monsoons. The analysis of rainfall in the area indicated it highly variability and intractability. An analysis of rainfall across areas sown and total crop production also indicate that the area sown and crop produce were affected during the years of low rainfall but from the rainfall data record during the last 76 years, it is observed that there was no continuous decreasing trend in the rainfall received. Hence the possibility of Rayalaseema area becoming a desert in the foreseeable future is very remote. That is what the Director has said.
Sri M. A. Aziz:— I have already informed that we have taken up forestry. I think, it is common plant. There is no special plant.

Sri Ch. Rajeswara Rao:—There are certain plants which can grow low in rainfall areas.

Sri M.A. Aziz,—I will examine it and if there is any special plant I will see that those plants are also planted in these areas.

Sri M.A. Aziz:—We will certainly undertake it. We have already taken up avenue forestry, social forestry, river bank plantations, canal bank plantations. We will certainly take this into consideration.

PAPERS PLACED ON THE TABLE

re: Decisions of B.A.C. taken at its meeting held on 24-3 981.

Sri E. Ayyapu Reddy:— Sir, I beg to place on the Table a copy of the Report on the decision of the Business Advisory Committee taken at its meeting held on 24th March, 1981.

Chairman:— Paper placed.

Sri Sree Ashok Gajapathiraju:— Under which rule.

Sri E. Ayyapu Reddy:— There is the rule.
Sri Sri Ashok Gajapathi raju:—I want to know under which rule it is possible.

Chairman:—He can nominate anybody. ‘Leader of the House’ means the Chief Minister if he is a member of the House or a Minister who is a member of the House and is nominated by the Chief Minister to function as Leader of the House.

Chairman:—Still Sri Ayvapu Reddy is continuing.

Sri M. Venkaiah Naidu:—It is a collective responsibility.

Sri K. Rosaiah:—That does not mean he is undermining the importance of the Legislature at all. I never meant it.

I request the Leader of the House to intimate the sentiments of the opposition members to the Chief Minister and kindly bring him atleast once in a week.
Sri Ch. Parasurama Naidu:— I bring to the notice of the House, the definition of the ‘Leader of the House’ in which it is said that the Chief Minister can still nominate anybody else or a Minister who is a Member of the House. He has to be nominated by the Chief Minister to function as the Leader of the House. Technically and legally there is absolutely no difficulty.

Sri M. Venkaiah Naidu:— We thank Sri Parasurama Naidu for his clarification.

1-50 p.m

Sri D. Dorairajan:— "The Prime Minister or the Leader of the Opposition 6 months after the commencement of the session, in case he is not elected, has to be elected as the Leader of the House." There is absolutely no difficulty.
ANNOUNCEMENT

re: Messages from the Chairman, Legislative Council.

Mr. Chairman:—We had already enough discussion.

ANNOUNCEMENT

re: Messages From the Chairman, Legislative Council

Chairman:—I have received two messages from the Chairman, A.P Legislative Council and they are as follows.
In accordance with Rule 145 (5) of the rules of procedure and Conduct of Business in Andhra Pradesh Legislative Council, I return here with a copy of the Andhra Pradesh Land Revenue (Ephemera) Amendment Bill, 1981 (L.A. Bill No. 1 of 1981) which was passed by the Andhra Pradesh Legislative Assembly at its sitting held on Thursday, the 19th March, 1981 and transmitted to Andhra Pradesh Legislative Council for its recommendation, duly signed by me and state that this House has no recommendation to make to the Andhra Pradesh Legislative Assembly in regard to the said Bill.

The other message is as follows:

In accordance with rule 147 of the rules of Procedure and Conduct of Business in Andhra Pradesh Legislative Council, I transmit a copy of the Andhra Pradesh (Agricultural Produce and Livestock) Market (Amendment) Bill, 1981 (L. A. Bill No. 4 of 1981) as passed and agreed to by the Andhra Pradesh Legislative Council on the 24th March, 1981 without any Amendment and signed by me.

BUSINESS OF THE HOUSE

Chairman:—Now we will go to the next item of the agenda. Mr. C. N. Reddy will continue the discussion.

(Sri C. N. Reddy rose to speak. As there were continued interruptions he could not speak)

(Mr. Speaker in the Chair)

Mr. Speaker:—All that is happening now is out of record. Nothing will go on record.

11-00 a.m. Sri S. Jaipal Reddy:—I am on a point of order.

Smt. T. Lakshmikantham:—Whenever they raise a point of order they should quote the rule under which they is raising it?

Sri S. Jaipal Reddy:—It is under Rule 327.

Sri E. Ayyapu Reddy:—What is that Rule? Kindly read it. It should relate to the procedure under which it can be raised. You can raise it but you must also quote the rule under which you are raising it.

Sri S. Jaipal Reddy:—It is not for the Leader of the House to ask us to under which rule I should quote. It is for the Speaker to ask. I will assert my right.
Sri M. Venkatiah Naidu:—I would like to enlighten the Leader of the House the rule. A point of order shall relate to the interpretation or enforcement of these rules or such articles of the Constitution as regulate the business of the House and shall raise a question which is within the cognizance of the Speaker. We are raising the point order regarding the business before us, i.e., those five demands.

Sri E Ayyapu Reddy.—A point of order must certainly be in relation to the procedure that has to be followed. What is the procedural mistake? What is the error in procedure?

Sri M. Venkatiah Naidu.—While the demands are under discussion the concerned Ministers should be present in the House.

Sri E Ayyapu Reddy.—If there is any rule you must quote.

Sri S. Jaipal Reddy:—Mr. Ayyapu Reddy is a lawyer. He knows certain conventions. Today certain demands are under discussion. It was agreed to both in the B A C. and on the floor of the House that Ministers should make it a point to be present in the House when their Bills are tabled or when their demands come up for discussion. Now the Minister for Finance is not present, the Minister for Civil Supplies is not present, the Minister for Revenue also is not present. The Minister for Commercial Taxes is only guilty of delay.

Sri E Ayyapu Reddy:—About the Revenue Minister, he was present here all the while. Now he was gone to Council to answer a calling attention.

Sri S. Jaipal Reddy:—I don’t think the Leader of the House has any greater right than any of the Member of the House. These three Ministers are absent now. It was agreed that they should be present in the House when their demands are under discussion. There is the need to explain as to why they are not present. This is my point of order. I have another point of order. Mr. Ayyapu Reddy, I was told raised this point yesterday and is repeating that point today. He knows that the presents of opposition members is as obligatory as the presence of the concerned Ministers. While the opposition members deals with all the portfolios, the Ministers deal only with their particular portfolios.

Mr. Speaker:—I would like to be enlightened by the Member. What is the provision under which I can compel the Ministers to be present in the House?
Mr. Speaker:—The point is I have also been a Member of this Assembly from 1967. What happened earlier, I don’t know. From 1967 there were a number of occasions when the Ministers were not there. Only one Minister used to sit when the Demand was under discussion. He was not even the concerned Minister. Somebody was taking notes and passing on to the Minister concerned. So it was like that. Why waste our time? Why don’t you use this time for discussion on hand?

Sri S. Jaipal Reddy:—I protest against this tendency.

(Interruptions)

Mr. Speaker:—Let me be plain to you. In Lok Sabha only the person who puts the question should be there. But here we are allowing others.

Sri S. Jaipal Reddy:—I am quoting the Rule No. 155. ‘The Minister shall furnish to the House an explanatory note regarding the working of the department during the year at least one day before the day on which he moves the demand for that grant and he may make a statement explaining the policy underlying the demand while moving the demand for a grant.’ There can be no constitution in the world where every situation is covered through a written provision. The two inevitable implications of the rule are 1) he should submit an explanatory note a day in advance and 2) he should move the demand. Why is he compelled to perform these two duties? It is done so that he would be able to enlighten the members to listen to them and given reply to them. If the Minister concerned does not listen how does he reply?

Mr. Speaker:—Even with relation to this particular Rule which you have quoted now, it does not mean that the Ministers should be present when the Debate is going on. It would be better “if possible” or “whenever it is possible” and “it is not otherwise impossible” – the Ministers should follow the Debates....

Voting of Demands for Grants.

Sri S. Jaipal Reddy:—Sir, it was agreed to in the Business Advisory Committee that the Ministers are compelled to be present in the House.

Mr. Speaker:—No

Sri M. Venkaiah Naidu:—Sir, otherwise why should conduct the Assembly and do all these things and waste money?

(BELL)

Mr. Speaker:—I am going to the next programme.

Sri Ch. Rajeswara Rao:—Sir, it is improper to the Ministers concerned to be absent during the Debates.

Mr. Speaker:—I have already observed alike-unless it is otherwise impossible, he should be present.

The meeting of the budget committee was held in the usual manner. The chairman, Mr. Johnson, opened the meeting with a brief introduction. He welcomed all the members present and reminded them of the importance of the budget in ensuring the smooth functioning of the organization.

The first item on the agenda was the voting of demands for grants. Mr. Thompson raised a point regarding the allocation of funds for the upcoming year. He suggested that a certain amount be allocated for the development of new projects.

Mrs. Brown, on the other hand, expressed concern about the existing budget allocation for maintenance. She argued that the funds were insufficient to cover all the necessary repairs.

Mr. Johnson acknowledged both points and assured the members that the committee would consider their suggestions and make necessary adjustments.

The meeting continued with the discussion of various other items on the agenda. The members agreed unanimously on all the decisions made.

The chairman thanked the members for their participation and asked for a vote of confidence in the committee's decisions. The members voted in favor of the committee's actions, and the meeting adjourned.

Mr. Johnson reminded everyone of their next meeting date and time, which was scheduled for the 22nd of April. He wished everyone a good day and hoped to see them all again soon.

The meeting concluded withıcı an appreciation of the members' contributions and dedication to the organization.

There will be a remote change of affecting fishing.
Voting of Demands for Grants.

As regards leasing of about 13,000 acres for salt production, the area will be conformed, the brackish waters will be stored in reservoirs and feeder channels and passed on to facilitate the waters in increasing their salinity and all the surface of area will have high chloride salt deposited and the salinity of the neighbouring waters will still increase due to drainage into lake waters, during rains or floods, which will naturally affect the productivity of the lake.

The direct income derived by Government by way of leases of land and factory purposes will not be commensurate with the value of the produce, i.e., the salt and fishery in the area, the direct and indirect income derived by hundreds of people by fishery in addition to their employment for about three months and the nutritive food supply to public. Hence in view of humanitarian considerations, the salt manufacturing at this area may be discouraged and some other site either in Gudur taluk or Nellore taluk may be shown to the party for the salt manufacturing purpose where fishermen population is not depending on those waters. This lease was given in favour of A.P.I.D.C. in 1980. What all I say is a fact.
