According to the regulation they had to make, the shift dated and arrangement. So, when they failed to do that, they, therefore, paid the compensation to us and went off.

The latest deal into which we have entered, they have not lifted and they are going to lift at the price which is fixed by our Food Corporation. At different prices they are taking the fine and coarse rice. For the open market also they were doing it for which there is also a price. For the consignment which we have sent to Dubai, the total amount is Rs. 28, 50,000. Separately I do not have the figures about the earning of interest. I will furnish Sir.

Sri M.M. Hashim:—The details are not readily available. I will inform the Hon'ble Members.

Sri V. Sobhanadreeswara Rao (Vuyyur):—Will the Hon'ble Minister examine a proposal in respect of purchasing rice from F.C.I and supplying to the foreign countries by purchasing the paddy directly from the producers and also evolve or encourage a strain which is more suitable to export—just like Haryana and Panjab which are growing scented rice for export and which are preferred in other countries also which are also more suitable to the conditions in Andhra Pradesh, in consultation with the Agriculture Department, thereby the State will be benefitted? Financial Assistance to Co-operative Sugar Factories

*6778S—Q.—Sarvasri V. Sobhanadreeswara Rao, and E. Subba Rao (Kuchinapudi):—Will the Minister for Sugar Industries be pleased to state:

(a) whether the Industrial Finance Corporation of India at New Delhi has agreed to give financial assistance to the Co-operative Sugar Factories in the State which are under construction; and

(b) if so, the amount allotted to the Humnan Co-operative Sugar Factory?

(1) Vadda Co-operative Sugar Factory... 124.00

(2) Vadda Co-operative Sugar Factory... 124.00

Sri S. Jaipal Reddy:—The Hon'ble Member need not put his construction in it. When he is able to give figures in regard to one he will be able to give figures in regard to others.

Mr. Speaker:—You please give figures relating to all factories.

Sri S. Jaipal Reddy:—Hanuman Junction Factory is one among the many such factories. When he has figures in regard to Hanuman Junction Factory, it is but natural to assume that the State Government has figures in respect of other factories also. Figures in respect of other factories become a natural
supplementary question. When the Minister is not able to supply, the question deserves to be postponed.

Mr. Speaker:—Second time we are postponing your question.

Enquiry Committee into Charges of Misappropriation in APCO.

(a) whether the Government have decided to appoint an Enquiry Committee into the charges of misappropriation in A.P.C.O.; and

(b) if so, the terms of enquiry and the officer appointed to enquiry?
Mr. Speaker: —We are not concerned with Chenna Reddy's 9-40 a. Government, Vengal Rao's Government or Anjaiah's Government but we are concerned with the Government of Andhra Pradesh.

Sri G. Nageswara Rao —The Government has not yet decided.

Sri S. Jaipal Reddy: —The Minister says that he is not totally aware.

Sri V. Sobhanadreeswara Rao: —The officials are misleading him and he himself is misleading the House, you should come to our rescue.

Mr. Speaker: —Whether the Government have decided to appoint an Enquiry Committee as Mr. K. Sathyanarayana has put it, there seems to be some assurances by the Chief minister that the allegations will be enquired into. Where did it take place?
Mr. Speaker:—Now, I want the protection of the House.

Mr. Speaker:—Now, I want the protection of the House.

Mr. Speaker:—Now, I want the protection of the House.

Mr. Speaker:—Now, I want the protection of the House.
Sri S. Jaipal Reddy:—We also say that the Minister is the Hon'ble gentleman; he has nothing to do with allegations.

Mr. Speaker:—I am putting a question to Mr. Jaipal Reddy. Are there two types of gentlemen, one Hon'ble and another dis-hon'ble?

Sri S. Jaipal Reddy:—Sir, there used to be only type of gentlemen during Shakespuaran time. Now there are gentlemen of two kinds....
Sri E. Ayyapu Reddy:— Sir, the question itself is very vague. It is said 'charges of misappropriation in APCO'—then against whom? and against what department, we don't know. APCO is an organisation and it has got various sales emporium. It has also got various branches. Therefore it has got number of officials. Against whom and against which particular branch the charges are made?

Sri S. Jaipal Reddy:— Sir, you kindly come to our rescue as the concerned Minister can not find out as to what are the charges. Let them make a clean conviction to that effect and we will take a great pride.

Smt. T. Lakshmikanthamma (Himayatnagar):— Sir, They are confusing the Minister. Actually they are asking something and the question is about something else.

Sri S. Jaipal Reddy:— Sir, we don't mind receiving the replies from the displaced Ministers.

Smt. T. Lakshmikanthamma:— They are confusing the House. It is the duty of the Government to enquire whether there is any prima-facie case.

We have no objection.

L.A.Q. No. 144 (46609) Postponed from 11-3-81, for further Supplementaries.

Dues by the Managements of Co-op. Sugar Industries and Sugar Mills.

Now therefore in exercise of the power conferred by section 18-A of the Industrial Development and Regulation Act, the Central Government hereby authorise the Nizam Sugar Factory Ltd., an undertaking of the Government of Andhra Pradesh, to take over the management of the said industrial undertaking subject to the following terms and conditions, viz., The authorised Controller shall comply
with all directions issued from time to time by Central Government.

2. With directions issued from time to time by Central Government.

3. What is the purpose of these directions?

4. Who issues these directions?

5. How can these directions be accessed?
Sri S. Jaipal Reddy:—Sir, as you have rightly stated, it has been postponed already once, but the Minister is not able to supply the requisite information even now. What are we to do? The question is attachment of properties of ryots is being made. Will he at least get the attachments stopped?

M. Venkaiah :—This matter will be taken care of. We have already put it in suspension. 

M. Venkaiah :—Sir, the question was about the attachment of properties of the ryots. It is kept in suspension. When once again it is taken over by the factory or some body else, then the question of previous arrears will be there. Till such time—one year or two years—the factory will be run through the agents of N.S. That is how it is happening. But, the present question is when once you have declared moratorium on the arrears, the ryot is prevented from proceeding against the sugar factory for the collection of money due.
Oral Answers to Questions

17th March, 1981.

him, but for the money which was spent for raising the crop by taking loans from the Banks, you are proceeding against the ryots. This is the latest problem which we have presented. On that, I request the Minister to give the information, if he has got it.

Mr. Speaker:—The N.S.F. for having run the factory, should pay the factory owners some amount. At least that amount should be fixed and should be given to the ryots. All the Members are interested in seeing that the ryots should not suffer. At present, it is necessary to ensure that the money which was spent for raising the crop by taking loans from the Banks, is given to the ryots.

Mr. Speaker:—The Factory has not given the money to the cane growers, he could not repay to the Bank. Factory is responsible, not the cane grower.

Mr. Speaker:—He says he is not in a position to do anything.

(b) If so, what action has been taken?

Minister for Forests (Sri M.A. Aziz):—

(a) No, Sir

(b) Does not arise.

Minister for Forests (Sri M.A. Aziz):—Sir, in the villages of Beeruwada and Veminuru a dispute is going on between the Forest Department and Mr. Jannareddy Manmohan Reddy and the matter is before the Court. It is sub-judice. During the pendency of the matter before the Court, probably, as suggested by the Hon. Member of which I am not aware, the landholder is trying to alienate that portion of the disputed land. The matter is sub-judice. About the other two villages, there is no dispute and those two villages are adjoining the first two villages, i.e. Beeruwada and Veminuru, but the villages have not been very clearly demarcated. We have requested the Collector and the Director of Survey and Settlement to survey and demarcate those villages.

Sri M.A. Aziz:—I have no information.
Sri M A. Aziz:—If there is any evidence or if the Hon. Member is aware of any collusion between the Forest Department and the landholder, I shall certainly get it enquired.

Sri M. A. Aziz:—Because it is sub-judice, probably it may not be possible.

Otherwise, why are you...

Sri M. A. Aziz:—It is sought to be included the reserve forest. He went on appeal. The formalities are yet to be completed. Ijara land means, it was burdened with a service that he should clear the forest and cultivate the land. Later on, 1966, we got the enactment. The contention of the Forest Department is that since it is for forest purpose, no patta has to be given; on that, he went on appeal to the High Court. The matter is pending in the High Court.

10-40 a.m.

...why did you become a party in the court in this matter?

Sri M. A. Aziz:—Admittedly it is an Ijara land.

Sri M. A. Aziz:—When the Ijara Abolition Act came in 1966, said that this land has to be got included in the reserve forest,
therefore, no patta should be granted to the land holder. That was our contention. Formalities were being complied.

Sri M. A. Aziz:—That is in the High Court.

Sri S. Jaipal Reddy:—What objection can you have to depute an I.A.S. Officer to look into it?

Sri M. A. Aziz:—The matter is before the High Court.

Sri S. Jaipal Reddy:—To see if there is collusion between the Forest Department and the landlords.

Mr. Speaker:—You please enquire how far there is truth in it.

Sri S. Jaipal Reddy:—You kindly depute an I. A. S. Officer to look into the matter.

re: Communal riots in Nirmal Town

Sri S. Jaipal Reddy:—This is the first disaster of its kind. There are no adequate rules to cover a disaster of this kind. Therefore there is need to view the entire problem in a new perspective with a new emphasis. That is why we asked for a meeting.

Chairman:—Three persons died in Chittoor district; I am also interested in this.

Sri S. Jaipal Reddy:—There are no funds. Let the Minister tell us what funds the Collectors have. I am afraid he has no information.

Home Minister (Sri K. Prabhakar Reddy):—On 20-2-81 one Satyanarayana a student of the Junior College riding a bicycle dashed against a Muslim fruit sellers and this sparked off a series of minor incidents and assaults of communal nature in Nirmal town. Due to the timely action taken by the police the tension was defused. Prohibitory orders were issued under Section 142 Cr, P. All these measures and the intensive police patrolling had the desired effect and the situation is completely under control. The local educational institutions are closed for 3 days as a precautionary
Ten people and a police constable were injured in stone pelting. 18 cases were booked and 61 persons were arrested; they were later released on furnishing security. Sri. P. Ganga Reddy: - I am the representative of the constituency. I may be permitted to speak now the facts.

Sri K. Prabhakar Reddy: - There is no involvement of any political party including our party in these incidents. I request that there be no further expansion of discussion on this.
Statement by the Minister for Education

re: Concessions to Students from Drought Affected Areas

Minister for Finance (Sri G. Rajaram);—Sir, it is a fact that in the advertisement in the English newspapers, the second prize has been advertised as Rs. 10,000 and in Telugu papers it has been advertised as Rs. 20,000. The correct figure is Rs. 10,000 only. The advertisements are routed through the advertising agency with the necessary art work in English which will be approved by the Director of Small Savings and State Lotteries. In the instant case also it was done on similar lines and the art work in English has been approved. The mistake was in translation into Telugu. The translation into other language like Tamil, Canarese, Urdu, Gujarathi, Bengali, etc. will be done by the advertising agency based upon the approved English art work. Since the mistake has been detected, a corrigendum has been advertised by the advertising agency and it has already appeared to-day.

354 17th March, 1981.
Calling Attention to Matters of Urgent Public Importance

re: (1) Alleged wrongful confinement of an Attender of I.T.I. Sangareddy.

Sri K Prabhakar Reddy:—On a complaint made by Sri P.R. Mohan Rao, Principal, I.T.I., Sangareddy, about missing of micrometers, etc., all worth about Rs. 1500— from the mechanical workshop, a case in Cr. No. 8/81 u/s. 409 IPC was registered on 16-1-1981 by the Sangareddy Police. During the course of investigation, it was revealed that there was no possibility of outsiders committing theft and that it was the handiwork of the staff. The Principal expressed that this act was aimed at bringing disrepute to him. According to the statement of Sri Asifuddin, Instructor, I.T.I., in charge of the bay from which the tools were found missing, the watchman B. Papaiah was on duty on 9-1-1981 and had closed the shutters at about 3-30 p.m. and went in search of him to obtain the seals barring the premises against the standing instructors. At 4.00 p.m. Asifuddin gave the seals to Papaiah without opening the bay and checking the contents. Papaiah accordingly affixed the seals on the locks. At about 9.30 a.m. on 12-1-1981 the shutters of bay were opened by Papaiah in the presence of Asifuddin. It is said that after lifting the shutters half-way, Papaiah peeped into the bay and informed Asifuddin that his almirah and Almirahs of Gulam Mohiuddin and Sambasiva Rao, Instructors were open. It has been stated that the almirahs cannot be seen unless the shutters are fully opened. This led the Sub Inspector of Police and the Circle Inspector of Police of Sangareddy to suspect Papaiah. Accordingly Papaiah was summoned to the Police Station for interrogation. The Principal was kept informed of this. Papaiah went over to the Police Station at about 9.00 a.m. on 10-2-81. As during the course of interrogation nothing useful came out, Papaiah was let off at 1.00 p.m. the same day. Papaiah attended to his duties at I.T.I. on 11-2-1981. The same day at about 7.45 p.m. information was received from the Government Hospital, Sangareddy about the admission of Papaiah into the hospital with a self-inflicted injury on the throat. With reference to this report, a case in Cr. No. 20/81 u/s. 409 IPC was registered. Papaiah was shifted to Gandhi Medical Hospital for further treatment.

Papaiah was not arrested by the police but was summoned to the Police Station at 9.00 a.m. on 10-2-1981 only for interrogation and let off at about 1-02 p.m. the same day. He attended to his duties at the I.T.I. on 11-2-1981 and the same evening made an attempt to commit suicide for the reasons best known to him. It is not true that Principal leaders of the Class IV Employees Union got him released. No representation was made to the District authorities about any ill-treatment of Papaiah by the Police. The Doctor who examined Papaiah on
his admission into the Headquarters Hospital, Sangareddy did not find any injury except a self inflicted injury on his throat. It is, therefore, not correct to say Papaiah was tortured by Police.

Annual Financial Statement (Budget) for 1981-82:

Demands for Grants.

Government should be transferred to the Forest Department and they should be taken up for plantation.
Statement by the Minister for Transport re: Rates for Fares of Auto Rickshaws and Taxis.

Chairman:—Sri K. Rosi:b;i will make a statement.

Sri K. Rosi:b;i:— Sir, for this statement, no Telugu translation is available because of lack of inr. Therefore, I request that I may be permitted to read in English.

The Government of India, while increasing the prices of the petroleum products with effect from 12-1-1981 suggested to all state Governments to suitably increase the rates of fares of Autorickshaws and Taxis.

Consequently, the Transport Commissioner was asked to send necessary proposals to Government. The Transport Commissioner has accordingly submitted proposals for revision of existing fares of Autos and Taxis. According to Transport Commissioner, the prices of petroleum products to increase and after increase are as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Prior to increase</th>
<th>After increase</th>
<th>Extent of increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Petrol per litre</td>
<td>Rs. 5.43</td>
<td>Rs. 5.85</td>
<td>Rs. 0.42</td>
</tr>
<tr>
<td>2. Diesel per litre</td>
<td>Rs. 2.38</td>
<td>Rs. 2.80</td>
<td>Rs. 0.42</td>
</tr>
<tr>
<td>3. Engine oil</td>
<td>Rs. 10.04</td>
<td>Rs. 11.00</td>
<td>Rs. 0.96</td>
</tr>
</tbody>
</table>
Statement by the Minister for Transport: 17th March, 1981.

re: Rates for Fares of Auto Rickshaws and Taxis.

On the basis that a litre of petrol with 50 ml of engine oil will run an autorickshaw for a distance of 20 Kms., the relative cost of the petrol and oil mixture prior to and after increase in prices is as follows:

<table>
<thead>
<tr>
<th></th>
<th>Prior to increase</th>
<th>After increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Cost of one litre petrol</td>
<td>Rs. 5.43</td>
<td>Rs. 5.85</td>
</tr>
<tr>
<td>2. Cost of 50 ml of engine oil</td>
<td>Rs. 0.50</td>
<td>Rs. 0.55</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>Rs. 5.93</strong></td>
<td><strong>Rs. 6.40</strong></td>
</tr>
</tbody>
</table>

The impact on the cost of operation due to hike in prices works out to Rs. 0.47 ps. for operating a distance of 20 Kms., which ultimately works out to 2.3 ps. per K.M. The Transport Commissioner has suggested that the existing rate of Rs. 0.70 ps. per K.M may be increased to Rs. 0.75 ps. per K.M, keeping in view the factor that unless the fare is in multiples of 5 paisa, the calibration in the fare meters which indicate the fares payable in multiples of 10 paisa only, will not be practicable. Moreover, this 5 paisa raise per K.M. is also intended to cover any future marginal increase in the cost of petrol and other inputs. The Transport Commissioner has also suggested that the existing minimum fare of Rs. 1.20 may be increased to Rs. 1.30 without any increase in the detention charges, for the same reasons indicated above.

The rates now existing as per G.O.M.S.No. 297, T.R&D (Tr.1) Department, dated 11-9-1980 and the rates now proposed by the Transport Commissioner are as follows:

<table>
<thead>
<tr>
<th>Type of vehicle</th>
<th>Rates as existing as per G.O. Ms.No.297 TR&amp;D, dt. 11-9-1980</th>
<th>Rates now proposed to be revised as per T.C's proposal</th>

The City Autorickshaw Drivers Union has also represented to Government, among others, for revision of fares of Autorickshaws. The Union has requested that the rates of fares to Autorickshaws may be increased as follows:

1. For each K.M. Rs. 0.50
2. Minimum fare Rs. 50
3. Detention charges Rs. 0.10 (for every minute)

The Secretary to Government, Transport, Roads and Buildings Department, has held discussions in this regard on 26-2-1981 with the representatives of City Autorickshaw Drivers Union, when the Transport Commissioner and the official representing Labour Department, Commissioner of Labour, Deputy Commissioner of Police (Traffic), Hyderabad, were present. In the meeting the representatives of Autorickshaws Union particularly mentioned about the inadequacy of the waiting charges as they were made to wait for long hours. Their request was that the rates for waiting should be reasonable and may be on a slab system. They also referred to the Maharashtra system in this regard. The request of the City Autorickshaw Drivers' Union appears to be reasonable. There will have to be a reasonable charge for waiting as otherwise the Autorickshaw Drivers will be put to a financial loss. On an enquiry from the Maharashtra Government it is seen that there is no slab system for the levy of waiting charges. The system there is similar to ours. In Maharashtra the waiting charges are 10 paise for every four minutes. In事实上 this works out to less than what is allowed here. Our waiting charges are 15 paise for every five minutes. Apart from this, there is merit in what the Union representatives have stated. It is therefore, proposed that these charges may be increased to 20 paise for every five minutes. As regards the request of the Union that the fare per K.M. may be raised from 70 paise to 80 paise per K.M. it does not appear to be reasonable. When the impact of increases is only 2.3 paise per K.M. it will be unreasonable to raise it to 10 paise per K.M. The Proposal of the Transport Commissioner to raise the fare by 5

per K.M. is reasonable and has been accepted. The waiting charge will now be 20 paise for every 5 minutes or part thereof.

Transport Commissioner has also proposed increases in the fare rates of Taxi Cars. They are reasonable and have been accepted.

A draft of a direction proposed to be issued to the State Transport Authority in exercise of the powers conferred by clause (i) of sub-section (1) of section 43 of Motor Vehicles Act, 1939 will be published in an extraordinary issue of the Gazette for the information of all persons likely to be affected thereby as required by the proviso to the said sub-section. A period of one month is allowed for the filing of objections or suggestions. Finally, after due consideration of these objections and suggestions, a direction will be issued to the State Transport Authority.

Chairman:—The Minister for Panchayat Raj will make a Statement now.
STATEMENT BY THE MINISTER FOR PANCHAYAT RAJ
re: Holding Election to Panchayat Raj Bodies in August 1981.

In recent past, the Government have expressed the keen desire to hold elections to Local bodies in order to receive the activities. At one time the Government had almost decided to hold the elections to Panchayathi Raj bodies in February 1981. But in view of the request made by the Central Government not to hold elections in February as they would interfere with the Census operations. The State Government decided to take up the matter in March 1981.

While the Government is however keen to hold elections to Panchayat Raj Institutions as quickly as possible, it has been represented that in view of the unprecedented situation in the State, it would be harsh on the People if the funds of the Government in other direction during the crucial summer months. Mobilisation of men and materials would be necessary up to the onset of the monsoon in order to alleviate the sufferings of the People during the climatic summer months and in this out of People need, the Government would be failing in its duty if it runs any thing to interfere, and should do all out to combat the severe drought situation.

In view of this, I am pleased to announce the decision of the Government to hold elections to Panchayat Raj Bodies in the first week of August 1981, preferably on the historic day of 9th August 1981. As the extended term of the Samiti President and the Members of Gram Panchayats is going to end by this month, the Government have further decided to give another extension to their term till the elections are completed, so that they may continue to participate in the developmental activities in villages.

I am further pleased to announce the decision of the Government to appoint M.L.As. and M.L.Cs. and other non-officials as special officers of the Panchayat Samithis so that the Samithis may have the benefit of their direction and guidance till the time the elections are completed.
