4681 Q.—Sri K.B Siddaiah (Puttoor) :—Will the Minister for Commerce and Export Promotion be pleased to state:

(a) whether it is a fact that the Government have taken a decision that the Exports and Imports of the Departments of the Government and Public Undertakings should be organised through the State Trading Corporation.

(b) if, so, the particulars of various goods proposed to be exported and to whom they will be exported,
(c) the particulars of goods to be imported and the place from which they will be imported; and

(d) the facilities that have been extended to the S.T.C. for organising the same?

Minister for Industries and Commerce (Sri M M Hashim)

(a) Yes Sir, The Andhra Pradesh State Trading Corporation Ltd has been nominated as Agency for all imports and exports on behalf of the Government of Andhra Pradesh and its agencies and orders were accordingly issued in G.O.Ms No. 401, Industries and Commerce dated 11-5-1979. But agencies like Andhra Pradesh Textile Development Corporation and Andhra Pradesh State Handloom Co-operative Society Ltd., Andhra Pradesh Mining Corporation Ltd., and Girijau Co-operative Corporation which were exporting their products even before issue of the orders of the Government have been continuing to do their exports as they are having experience in this regard. Recently, the Andhra Pradesh Agro Industries Corporation Ltd. has been permitted to handle imported urea as per the directions of the Government of India by exempting them from the purview of G.O.Ms. No 401, Industries and Commerce dated 11-5-1979.

(b) (c) and (d) A Statement is placed on the Table of the House.

STATEMENT

(b) Rice, Vegetables, Red Sanders Wood, Cotton, Spices, Handicrafts, Gum Karaya etc., for export to U.K., Middle East, Japan, Singapore, West Germany, U.S.A.

(c) Printing Machines, Automobile equipments and parts, Medical and Research equipment, Spares, Chemicals, Cement, Industrial Raw Materials, etc., Importing from U.S.A., U.K., Japan, North Korea, Holland, Denmark, Spain West Germany, Italy.

(d) Facilities offered to the Andhra Pradesh State Trading Corporation Ltd., on the export side.

The concerned supplying departments/agencies of the Government offer the following facilities—

(i) providing of samples required to be sent to the prospective buyers abroad,

(ii) furnishing the technical information concerning the items sought to be exported.

(iii) Processing of the materials meant for exporting.

(iv) Offering the materials for pre-shipment inspection wherever necessary; and
Answet to Questions. 11th March, 1981.

(v) Helping in the matter of export packing.

Facilities offered to the Andhra Pradesh State Trading Corporation on the imports side by the indenting Departments/Agencies:

(i) furnishing to the Corporation the contracts, if any concluded with the foreign suppliers wherever available;

(ii) providing the documents such as import licences, C.C.P. N.M.I. Certificates, duty exempt certificates; and

(iii) deputing the technical officers wherever necessary to answer the objections, if any, raised by the Customs authorities at the time of the clearance of the consignments.

Sri V. Shobanadreeswara Rao:—Rice is one of the items which are to be exported by S.T.C. We hope the Government and the Minister is aware of the fact that the paddy producers in the State are feeling it very difficult to sell away their paddy. Has the S.T.C. acquired any order for export of rice from Andhra Pradesh to other countries to earn foreign exchange and also to provide better price to the farmers of the State? Let the Minister clarify.

Sri M. M. H. Sham:—The Commerce Department did not go to the market to purchase. For the quota allotted to them, they go to F.C.I. The F.C.I. has let down the price.

Sri V. Shobanadreeswara Rao:—F.C.I. purchases Paddy from all over the country. Andhra Pradesh has reached a stage as far as rice production is concerned. Our State is surplus in rice production. The northern States like Haryana and Punjab have become surplus. Naturally we can't expect justice from the F.C.I. Andhra Pradesh Government should take more interest to earn foreign exchange and also to provide better price to the farmers by exporting rice from our State to gulf countries.

Sri M. M. Hashim:—It is a good suggestion by the Member. I will make efforts. I will go more in details and see that point is achieved by the department.

Increase of Support Price of Paddy

*7749 O.—Sri G. Mallikarjuna Rao (Gurjala):—Will the Minister for Agriculture be pleased to state:

(a) whether it is a fact that our State has announced the increase in the support price of paddy by ten rupees; and

(b) if so, why it is not implemented so far?

SHORT NOTICE QUESTIONS AND ANSWERS

Theft of Type Material at Government Printing Press, Hyderabad.

144—A

S N. Q. No. 8027—(D): Sarvasri M. Yerraiah Reddy (Bhadra-chalam), A. Lakshminarayana and M. Omkar.—Will the Minister for Ports, Commerce, Export Promotion and Printing be pleased to state:

(a) whether it is a fact that about Rs. 60,000 worth type material was stolen from the Government Printing Press at Hyderabad in the month of December, 1980;

(b) whether it is a fact that again in the third week of February 1981 about Rs. 40,000 worth type material was stolen in the same Press?

(c) whether it is also a fact that action has not been taken in this regard; and

(d) if so, the reasons thereof?

Sri M. M. Hashim:

(a) A theft involving about 100 Kgs. of type material worth Rs. 4,000 occurred in Government Central Press, Hyderabad on the night of 14/15-11-1980. No theft had taken place in the month of December 1980.

(b) Yes, Sir. A Small box of pie metal worth about Rs. 1,000 was stolen from the same Press on 14/15-2-1981.

(c) & (d) The matter is under investigation by the Police.

Sri M. Omkar:—Sir, instead of Rs. 60,000 worth of material our Hon. Minister says only 4,000 worth of material was stolen.
Similarly for question (b), instead of Rs. 40,000 worth of material only Rs. 1,000 worth of material was stolen. Here two pertinent points arise. Firstly, the theft, though it has not taken place in the month of December exactly, somewhere during 1980, theft of material worth more than Rs. 60,000 had taken place. Similarly, in the month of February, 1981 a theft valued at Rs. 40,000 had taken place. The Minister wants, I am prepared to furnish the details. I do not know what action has been taken.

Sri M. M. Hashim:—Sir, police investigations are going on. I am supplied with information, I will have a complete and thorough enquiry.

Mr Speaker:—Certain material has been stolen. What are you taking to recover that material?

Sri M. M. Hashim:—Investigations are going on. In the investigation, police will recover all this.

Sri N. S. N. Reddy:—How long the investigation will go on?

Sri M. Omkar:—According to the Minister's statement...

Mr Speaker:—You furnish the information you have got, will get it enquired further.

Sri M. Omkar:—According to the Minister's statement, question (a) Rs. 4,000 worth of property was stolen and for question (b) Rs. 1,000 worth of property was stolen. In these two items, what action has been taken?

Sri M. M. Hashim:—It is only in the investigation stage.

re: Displacement of 6000 families at Steel Plant site, Visakhapatnam and lapse of funds provided for 1980-81.

Minister for Major Industries (Sri M. Baga Reddy) :—Sir, the Government of India have provided Rs. 70 crores for the year 1980-81 for a Steel Plant at Visakhapatnam. Work on site, levelling and grading at the site of the Steel Plant has been going on for quite some time. Civil works construction work, water construction, power main approach road construction of rail link to plant site construction at Gajuwanka Balu cheruvu and construction of storage sheds, site office project office and boundary wall are in progress. It is ascertained from the Steel Authority of India that the provision made in the Central Budget for a Steel Plant at Visakhapatnam would be spent by them before the end of March 1981.

I have taken up this matter with Sri Pranab Mukherjee, Union Minister for Steel and Mines impressing on him the need to ensure the full utilisation of the funds allotted for this year and to provide adequate funds for the completion of the project as per schedule.

Mr. Speaker :—Please place the statement on the Table of the House.

CALLING ATTENTION TO THE MATTERS OF URGENT PUBLIC IMPORTANCE

re: Forcible collection of arrears by Co-operative Rural Banks in drought affected areas.

1979 and 1980 were drought years with severe mineral deficiencies in food grains, and the situation was exacerbated by the fact that the drought affected areas were mostly rural and had insufficient means to transport food grains to other parts of the country. The situation was made worse by the fact that the drought affected areas were also the areas with the highest population density in the country.

1981 was a particularly difficult year for the drought affected areas. The food grain production was severely affected, and the situation was made worse by the fact that the drought affected areas were also the areas with the highest population density in the country.

The situation was further compounded by the fact that the drought affected areas were also the areas with the highest unemployment rate in the country. The unemployment rate was particularly high in the rural areas, and the situation was made worse by the fact that the drought affected areas were also the areas with the highest poverty rate in the country.

In conclusion, the situation in the drought affected areas was particularly difficult, and the government should take urgent steps to address the situation. The government should provide financial assistance to the affected areas, and should also take steps to ensure that food grains are transported to other parts of the country.

Calling Attention to Matters of Urgent Public Importance:
re: Adament and anti-labour attitude of Sarvaraya Textile Mills at Vizianagaram.

As mentioned in the report dated 2 (8) March 1980, there is a serious and persistent labour problem at Sarvaraya Textile Mills at Vizianagaram. The management has been一味地 rejecting various union proposals, including a demand for a higher minimum wage of Rs. 90. To address this, the management has taken steps to reduce the workforce to 20% of the original level. The situation is dire, and the workers are left without any means of livelihood. A delegation led by Mr. P. V. Reddy visited the mill on 19-2-1981 and met the management to discuss the workers' demands.
