Shifting of Temple from Sangameswaram

13—

*6502 Q-Sri Pothina Chinna (Vijayawada):— Will the Minister for Endowments be pleased to state:
   (a) whether there is any proposal to shift the Temple from Sangameswaram (Kurnool District) in as it will get submerged after the completion of Saisailam Dam; and
   (b) if so, to which place the said temple will be shifted?

Mr. Speaker.—On the request of the Member, the next question No. 14 is postponed.

*An asterisk before the name indicates confirmation by the Member.
You are aware of the unfortunate accident that has happened in Warangal. The Ministers for Health, Technical Education and Roads and Buildings have gone there. The questions standing in the name of those Ministers will be postponed.

Sri M. Venkaiah Naidu (Udayagiri):—The accident occurred yesterday evening and the Minister was there in the morning.

Mr. Speaker:—Any way, from Warangal, he has sent a letter through his Private Secretary.

(Question Nos. 15 and 16: Postponed.)

Enquiry into Allegations on Direct Payment of Salaries

17—

*4766—Q.—Sri M. Omkar (Natarasampet) and Smt. M. Swara-rajyam (Thungathurthy):— Will the Minister for Education be pleased to state:

(a) whether it is a fact that the then Dy. Director of School Education Smt. Sarojni Dasaratha Ram conducted an enquiry into the allegations on some direct payment made to schools in Twin Cities from 19th September 1975 onwards in the capacity of Special Officer;

(b) if so, the findings thereof; and

(c) whether a copy of the report on the matter will be placed on the Table of the House?

2. Pranavananda Rashtreeya Vidyalaya High School, Domalguda, Hyderabad.

The Correspondent is paying only consolidated salary to the staff, but not full salary as per Govt. scales. There are no approved rules and regulations on the part of the management to govern the school. It was proved at the enquiry that the Correspondent, beat the Headmaster, on 8-2-1978 in the presence of several staff members, while he was on duty. The Enquiry Officer recommended the taking over the school by the Govt.

The Ex. Correspondent Sri Anthony Joseph mis-appropriated Govt. funds and also school funds to the tune of Rs. 2 lakhs. The Enquiry Officer recommended for the continuation of the direct payment till the decision is taken to takeover the school by the Govt.

4. B. K.B. High School, Malakpet. Institution not running on sound lines. The management is closing the sections one by one without prior approval of the Department. The management has not offered any remarks on the allegations of the staff that they are being harrassed and there is no discipline. There are several surplus teachers on account of the unauthorised closure of the sections. The enquiry Officer recommended to either close down the school and absorb the staff in other needy schools or to explore the possibility to run the institution by forming an association of the teachers.

12. Primary School, Bazare Ghansi, Hyderabad. The Enquiry Officer recommend-
ed the taking over of the school by the Government as there is no management now.

13. Hussamia Girls U. P. School, Panja-shah Hyderabad. The Enquiry Officer recommen-
ded the taking over of the school by the Government.

14. Wesley Co-Education High School, Tarnaka; Secunder-
bad. The Enquiry Officer recommen-
ded for the continuance of the direct payment, as there is no management now.

Sri Poola Subbaiah.—The observation for item 2 is: The Correspondent is paying only consolidated salary to the teachers of the school. The consolidated salary is Rs. 500 to Rs. 800 per month. In item No. 10 it is said that the enquiry officer has recommended the taking over of the schools by the Government as there is no manage-
ment. Why the teachers' salaries are not increased?
Oral Answers to Questions.

1. A. Siddaramaiah:—One hundred and forty-five police stations have been upgraded and are in the executive order stage. In the last one month, the department has taken up 1,100 police stations for this purpose from different divisions.

2. R. Vidyasagar Reddy:—With regard to the Code of conduct through the executive order, it is in the final stages we are expediting the matter.

3. B. J. S. Prabhakar Reddy:—The schools which are under direct payment now. These are schools which are under direct payment now.
Oral Answers to Questions.

25th February, 1981.

1. G. R. R. S. :—(a) Yes. (b) Yes.

2. G. R. S. :—(a) If there is direct payment, there must be effective functioning of the schools.

3. G. R. S. :—If 14th February it is not true, I will inform the House what is the particular state of each respective school.

4. G. R. S. :—(a) Yes. (b) Yes.

5. G. R. S. :—If it is in the final stage, it is in the process of being issued and it is to be issued.

6. G. R. S. :—Decision is taken to take over the school by the Government.
Mr. Speaker:— The procedure is already there. When once a question is admitted and sent for information, 21 days time is given. Within 21 days the answer should be submitted. But, it is not happening...
Oriial Answers to Questions. 25th February, 1981.

like that. What the Legislature Department is doing is whether
the answer is received or not, they are included in the agenda and it is
intimated. So, before the actual date, the answer is somehow got. As
you have rightly observed, why should there be such a delay? It is a
matter which we will discuss in the Business Advisory Committee and
find out a way to get over this difficulty.

Mr. Speaker:—We can thrash it out at the next time.

Mr. Pooj Subbaiah:—The matter is very simple. Why is it
postponed?

Mr. Speaker:—Certain things which are apparently simple,
may not be so simple.

Mr. Speaker:—Yesterday I enquired about that. We shall
find out a way as to how to get prompt answers.

Sri M. Venkaiah Naidu:—Serious view has to be taken.

Starting of Post Graduate Courses in Chittoor Govt. College

*5835-Q.—Sri N.P. Venkateswara Chowdary (Chittoor):—Will
the Minister for Education be pleased to state:

62-2
(b) whether there is any proposal with the Government to start post-graduate courses in Chittoor Govt. College;

(b) whether it is a fact that the Rayalaseema development board has passed a resolution requesting the Govt. to start post-graduate courses in Chittoor; and

(c) if so, when the proposals will be materialised?

In the Rayalaseema region there are post-graduate courses at Cuddapah and Kurnool and a post-graduate centre is located in Ananthapur. Chittoor is the only district headquarters left without post-graduate courses. Hence, the Committee resolved to request the Government to start post-graduate courses in Madanapally. As the oldest cultural centre, it was decided to request the Government to start post-graduate centre at Madanapally also.

Oral Answers to Questions.

26th February, 1981.

1. The Minister of State for Railways (Mr. Singh) stated that the new rail route to be constructed between Bangalore and Hubli would be 450 km long. The project is expected to cost Rs. 120 crores. The Minister also mentioned that the construction work would start soon and that the project would be completed within 3 years. What are the estimated costs and timelines for the construction of the new rail route?

Mr. Speaker:—What is the examination? It is a legal obligation.

Sri K. Satyanarayana:—We can ask the Government to give compensation.

Mr. Speaker:—Can the Assembly pass a decree for that?

Sri P. Subbaiah:—Consideration is totally different from payment.

Mr. Speaker:—Can you give the assurance?

Sri P. Subbaiah:—Consideration is totally different from payment.

Mr. Speaker:—Can you give the assurance?
Mr. Speaker:—The situation is very clean. This is legally bounded
and can be utilized. These lands are not waste lands. If any
objection is raised, it should be explained. The situation is very
clean. It is an open space.
Mr. Speaker:—May I suggest to the House that the Minister for Sugar Industries will sit with the knowledgeable Members here and trace out the problem and decide within a week.

All The Opposition Members:—Sir, we accept this very good suggestion.

Mr. Speaker:—That is why all the parties will be called for by him and they will discuss.

About the matter under Rule 329, regarding collapse of a Bridge, 8 members have given notice. Sarvasri M. Venkaiah Naidu, Ch. Vittal Reddy, D. Chinna Malliah; Poola Subbaiah, M. Omkar, Koratala Satyanarayana; P. Janardhan Reddy and Smt. Mallu Swarajyam These persons have already gone there and within half an hour, they will get the latest information and the Government will make a statement at 12-30.

Sri M. Venkaiah Naidu:—Sir, which Minister will make a statement on behalf of the Government?

Mr. Speaker:—Whoever is available, on behalf of the Government, he will make a statement.

2. D.O.Lr.No. 23201/C10/A/78, dt. 30-7-78 of the Director of Medical & Health Services, A. P. Hyderabad.

Sri Sadu Sambamurthy, M. A., L.L.B., B.E.D., Advocate, Sattenpalli has been requested to attend the enquiry in support of his allegations against certain medical officers for issuing wrong medical certificates both at Government General Hospital, Guntur and Rajahmundry in this office references Rc. No. 2696/B4/Regj./78, dt.31-1-1979, 27-2-1979 & 2-4-1979. For one letter on 31-1-1979, he replied on 9-2-79 in which he stated he did not remember in what context and the subject for which he was called for the enquiry and he wanted me to send the copies of letters of D. O. Lr. No.3474–B2/77–11, Health, dated 21-11-1978 of Joint Secretary to Government, Medical and Health Department and D.O.Rc.No.186525/E2A/76, dt. 4-12-'78 of Director of Medical and Health Services. Accordingly he was furnished in this office letter Rc.No.2695-B4/Regj./78, dt. 27-2-79 all the records which he wanted. Even then he did not attend the last enquiry which was posted on 17-4-1979. I do not think any useful propose will be served in prolonging this enquiry. The following doctors who are involved in the case were enquired and their statements were recorded.

1. Dr. N. Venkateswar Rao, M.S., Additional Professor of Surgery, Guntur General Hospital, now Professor of Surgery, Guntur General Hospital, stated that Sri Veluguri Venkateswarlu the prisoner, was admitted on 18-8-1970 by his, the then Unit Assistant Dr. C. Muni Reddy for some abdominal complaint, and sensation of vomiting, and hiccup. Dr. N. Venkateswararao denied personal knowledge of the circumstances under which Sri Veluguri Venkateswarlu was admitted. The patient was admitted in a routig way when he was referred by the Jail Medical Officer and investigations were carried out. The patient was discharged on 31-8-1970 after 12 days in the Hospital. He denied that he admitted the case and he did not keep the patient in the hospital with any corrupt conscience or ulterior motive, by his assistants or himself:—The Ex.Prisoner was treated as human being not as a prisoner.
2. I recorded statement from Dr. P. Kanniahpanthulu who was Ex Jail Medical Officer and presently working as Deputy Civil Surgeon & Resident Medical Officer, Government General Hospital, Guntur. He stated in his statement that at the time of admission of prisoners into Government General Hospital, Guntur he was working as Civil Assistant Surgeon and Blood Bank Medical Officer, Government Hospital, Guntur and during that period he was also incharge Superintendent, Sub-Jail, Guntur. He stated in his statement that as incharge Superintendent of the Sub-Jail he had no authority to admit any patient in the Government Hospital. He used to refer the cases to the Government General Hospital to the various departments and the concerned medical officers on examinations were competent to admit the cases into the hospital if patient deserve admission. On 18th August, he referred 14 prisoners to the hospital under escort. Sri Veluguri Venkateswarlu and Ch. Krishnabrahmam were among the 14. One was admitted by the Surgeon and the other by Cardiologist respectively. In conclusion he stated that he performed the duties of Superintendent of Sub-Jail and not beyond, and the prisoners whenever fall sick had to be referred to the Government General Hospital, Guntur for treatment as there were no in-patient facilities in the Sub-Jail at that time.

3. Dr. Y. Veerabhadrasara, Ex. Superintendent, Headquarters Hospital, Rajahmundry presently working at Elur Government Headquarters Hospital as Superintendent. He stated in his statement on 4-2-1979 at Guntur, that a patient Sri Veluguri Venkateswarlu was referred by the Jail Medical Officer on 3-9-1970 at 5-45 p.m. to the Government Headquarters Hospital, Rajahmundry. The then Duty Medical Officer admitted the case in the prisoners ward and on the next day when he went for rounds he was shown the patient. He referred the patient to the then Assistant Physician Dr. K. L. Kanth, who ordered for certain investigations and the investigations were carried out as per the Assistant Physician's instructions. Later the prisoner was also referred to the Surgical Assistant who advised some more investigations which were also carried out and the patient was discharged on 21-9-1970 after 18 days in the hospital. He stated that he was completely guided by the Assistants—one on medical and another on surgical side, who were working under control at that time, and he was not at all responsible for the admission of the case.

4. I could not hold enquiry against Dr. P. Lakshman Rao, Superintendent of General Hospital, Guntur who was also involved in the case as he is now holding the rank of Addl. Director. As to the loss of records, I requested the present Superintendent Dr. Lakshman Rao, Government General Hospital, Guntur to send the file No. 148380/M/70. He gave a reply in his D.O. No. 1826-B/79, dt. 17-2-1979 in which he stated that responsibility cannot be

fixed on anybody at this stage since it is the subject concerning to the year 1970.

5. So in view of these explanations given by the doctors and also in view of the fact that Sri Sadu Sambamoorthy son-in-law of the deceased (Cheturvedula Seetharama Sastry) Ex. Surpanch, did not come to the enquiry and helped to prove that these doctors had given false certificates. I am of the opinion that the entire action in the matter can be dropped. Previously also Sri Sadhu Sambamoorthy was invited by the previous enquiry officers and he has not attended enquiry.

For the last two years there is no Government in the State. Dr. Channa reddy's Government was having paralysis for some time. This Anjaiah's Government is under a starting trouble. It has yet started functioning according to me, but the current Governor was having paralysis in 1979.

Is it not his minimum responsibility to go around Rayalaseema, Nellore and Prakasham districts?
Sri A. Veerappa :—What he says is not correct.

Sri M. Venkaiah Naidu :—According to me it is correct and according to Mr. Veerappa it is not correct.

Sri S. Jaipal Reddy :—He went to Delhi more times than any other part of the State.

I am within my limits. I am also from a drought-affected area, I am also having contacts with Ongole which is more drought-affected.

I am appealing to the Chief Minister to search his conscience whether he has gone to all areas which are affected by drought. After all he is like father of a family. Every child expects the father to come and console him. The Chief Minister has miserably failed in his responsibility.

He is more charitable to his colleagues. I am happy, but at the same time Andhra Pradesh cannot afford Super Delux bus.
The Running of the Government involves the interest of millions of people. The team which constitutes the ministry should, therefore, be comprised of ablest persons available in the party which has to form the Government. Great discretion and judgement have to be exercised in the constitution of Councilors Ministers. In view of the group rivalries there is a tendency to accommodate as many partyman as possible without reference to the quality of persons and the needs of administrations. This leads to deterioration in standard and unwieldiness of ministry adversely affects the administration. The Chief Minister should, therefore, accommodate all legitimate interests subject, only to the overall consideration of merit, ability and experience of the persons. According to the Constitution also, he is entitled to appoint people of his choice, but as an Opposition leader I have every right to comment that there are shortfalls and shortcomings in his ministry and I have reason to believe that there are sub-standard or double-standard. The Chief Minister said that he will provide a corrupt-free Government.
You take the follow up action. Institute an inquiry against Dr. Chenna Reddy and his colleagues. They are ruling the State. It is not Mr. Anjaiah who is ruling the State. It is the coterie around Chief Minister that is ruling the State. It is vested interests who are around the Chief Minister they are ruling the State. Let the Chief Minister clarify whether the CO. was issued in consultation with him? If he says yes, he is guilty of corruption; If he says no, it amounts that the Administration is running without his knowledge.

This Government has given instructions not to proceed with the case. People are satisfied. Mr. Amruth Rao announced that he is going on fast if he is not appointed as Minister. Immediately, the Chief Minister announced that he will make him as Chairman of a Corporation.
Discussion on Address by the Governor.

25th February, 1981. 131

Where is the Cabinet? The Chief Minister himself is the Cabinet. We have been made a laughing stock. Let the people draw their own conclusion. Is there any Government? Is there any party discipline? Is there any Cabinet discipline? Is a Minister not subordinate to the Chief Minister? We have been made a laughing stock. There is no Government. Where is the Cabinet? There is no Cabinet. The Chief Minister is the Cabinet. We have been made a laughing stock. Let the people draw their own conclusion. Is there any Government? Is there any party discipline? Is there any Cabinet discipline? Is a Minister not subordinate to the Chief Minister? There are many Ministers who are talking like this. Nobody is controlling them. This is the discipline. Nobody is controlling them. This is the discipline. Is it a good beginning you want to make? Is it the way to provide administration to the people?
It is a very bad tendency more especially for a person like the Chief Minister. I just want to warn the Chief Minister about this particular tendency or intention, which is very bad. It is the same Government which has misused the NASA and arrested the N.G.Os, leader under NASA for two days. Everybody was busy with the formation day. For 25 days in every taluk headquarters and in every district headquarters there was no administration. Everybody was busy with the formation day.

Even in a paper like 'THE HINDU' it appeared.

For the first time in the history of Andhra Pradesh he is the Chief Minister without portfolio. He is not answering in this House. Why this peculiar situation? Why you have given such powers to all the people? Why can't he be the Chief Minister. You were a labour leader and a Central Minister. Why can't he himself deal with all these subjects?

Statement by the Minister for Law and Legislative Affairs: 25th February, 1981.

re: Collapse of Bridge in Warangal District.

Sri E. Ayyapu Reddy: Mr. Speaker, Sir, I regret to inform the House of an accident which occurred at 3.30 P.M. on 24th February, 1981 when a bridge under construction across Munneru river, about four kilometres from Dornakal in Mahaboobnagar taluq of Warangal district gave away. While the labourers were working, one of the spans of the bridge suddenly collapsed resulting in the instantaneous death of two persons and injury to some others. On hearing this, the District Collector, Khammam, along with Police, Fire Services and Medical personnel with ambulance rushed to the spot. 41 injured persons have been removed to the Government Hospital Khammam, out of whom 20 have been admitted as in-patients. Two out of the 20 in-patients who sustained head injuries are reported to be in a serious condition. The remaining 21 who received simple injuries are under observation. The Collector and S.P., Warangal along with the staff are supervising rescue and relief operations.

The Chief Minister has deputed the Minister for Roads & Buildings, the Minister for Medical and Health and the Minister for Technical Education to supervise rescue and relief arrangements. Government have announced payment of an ex-gratia of Rs. 1000 to the next of kin of the deceased and Rs. 500 to those grievously injured. On receipt of full information a detailed statement would be made.
expressed his profound shock and conveyed his heart-felt sympathies to the bereaved families. The Chief Minister announced an ex-gratia payment of Rs. 1000 each to the next of the deceased and Rs. 500 each to those injured in the accident and wished them speedy recovery. Mr. Anjaiah directed the Minister for Roads & Buildings Mr. Divi Kondiah Chodary to proceed to the spot immediately and Mr. Chowdary accompanied by the Chief Engineer, Roads & Buildings Dept. rushed to the scene of the accident. The Medical and Health dept. has been alerted to make all arrangements for the treatment of the injured.

It was announced that 50 people have died on account of this accident. Here the main issue is. The Information Department has dealt with the case, it is astonishing and shameful. We can understand when they commit a mistake, but, this is a thing which is shocking us. The Government has not contradicted it. Afterwards they again telephoned to the Press and there is some correction. I am wondering how the Department is functioning.

Sri M. Venkaiah Naidu:—Information at that time was different.

Sri M. Venkaiah Naidu:—Even tragedy you are politicising. Why should you rush to the Press? They have their own agencies. You are trying to take political advantage of it and you have announce.

to the press even before the Minister start from this place. There are people who have seen the Minister even yesterday night. At the same time a comprehensive enquiry should be conducted and the follow up action which the Chief Minister has taken should be informed to the House.

Sri M Venkaiah Naidu: — That is the greatness which Mahatma Gandhi gave to us. You have a right to disagree.
Statement by the Minister for Law and Legislative Affairs:
re: Collapse of Bridge in Warangal District.

The Chief Minister has rightly done it. The Department should behave?

Mr. I am very sorry to say like this. Our prestige is at stake outside. How can the Government announce withdrawal of judicial enquiry?

Fifty Persons were injured in the accident. Luckily most of them were saved. All of them would have been killed. The magnitude of accident is not to be judged in terms of number of deaths, but in terms of lapse of the Department. How can the Government announce withdrawal of judicial enquiry?
Statement by the Minister for Law and Legislative Affairs.

re: Collapse of Bridge in Warangal District.

Sri M. Venkaiah Naidu:—You have already decided. It has come in the press. Now how can you go back?

To get at the truth of the situation, a judicial enquiry is must.

Sri M. Venkaiah Naidu:—If they are trying to find fault with us, we are sorry. When there is an accident, he has consoled. That's all.

re: Collapse of Bridge in Warangal District.

Sri M. Venkaiah Naidu:—It is a notice under Rule 329. All the people from this side are signatories to it.

Sri P. Janardhan Reddy—According to rules, you cannot permit him to speak, Still you have permitted them and you have not permitted us.

Mr. Speaker:—It is not a question of permitting and not permitting. I will permit both of you. I will permit both of you. I will permit both of you. I will permit both of you. I will permit both of you. I will permit both of you.

We have got enough time to consider whether it is necessary to have a Judicial Enquiry. The Chief Minister has already submitted that he has not ruled out the Judicial Enquiry. What he has done now is he is postponing his decision.
Discussion on Address by the Governor.

This ruling does not apply to 329's and Calling attentions.

Sri M. Venkaiah Naidu:—I am not going into the details of what the Chief Ministers said. What I am trying to bring to your notice is that I have already sent the Information Department notice also. As Mr. Jaipal Reddy has right by put it has gone to the people and said that he will hold a Judicial Enquiry, Now what is the necessity for the Chief Minister to go back.

Sri M. Venkaiah Naidu:—I am not going into the details of what the Chief Ministers said. What I am trying to bring to your notice is that I have already sent the Information Department notice also. DISCUSSION ON ADDRESS BY THE GOVERNOR. (contd)

Sri Ashok Gajapathi Raju (Vijayanagaram):—Mr. Speaker Sir, Regarding the Governor's Address, a lot of hope has been given to the people through his reported Sixth Five Year Plan. It is well known that since 1960-61, the growth average in Andhra Pradesh has been lower than the country's average. In the Sixth Plan the country is projecting a growth rate of 5% and if Andhra Pradesh, over a few successive plans, have to go on par with the country, it will have to have a minimum growth of 5.57%. For such a growth rate, the plan outlay should have been to the tune of Rs 8,837 crores. It is not known why the State Government has submitted to the Planning Commission an outlay of Rs. 4,100 crores and an approved outlay of Rs. 3,100 crores leaving a big deficit of Rs. 5,737 crores. I think it is foolishness to expect or to think that this enormous gap will be bridged by private investment.

Needless to mention that a lot of stress has been taken on infrastructure. An essential ingredient for infrastructure is energy. This energy policy in our State has been very very badly managed. When our installed capacity was about 850 M. Ws, our generation was 650 M.Ws. Now with an installed capacity of 2,300 M.Ws, we are generating 310 M. Ws. Efficiency has come down but we insist on our inefficiency being charged on to the consumers.
Nadu buying electricity from Andhra Pradesh is capable of supplying to its agriculturists at 12 paise, per unit, while we are supplying to our Agriculturists at 16 paise, per unit.

Our Local Bodies, be they Panchayats or Municipalities are in a hollow of financial means and they have to pay a very high price for public utility such as supply of drinking water and street lighting. Stress has been made on drinking water. The Municipalities in Andhra Pradesh are paying 20 paise or above per unit. An average Municipality with a population of one lakh is spending Rs. 4 lakhs a year on electricity. While the Tamil Nadu is paying 16 paise per unit for some reason we do not understand, certain profit making industry is given even upto 8 paise per unit. I cannot understand why this 8 paise per unit should not be charged on the public utilities, supplying drinking water to the people which is an essential thing which you have agreed in the Minimum Needs programme.

Education is one aspect. There are about 71 Junior and degree Colleges, private or Government in our state, forget higher education. Even coming down to the elementary education level, in my constituency, for instance, there have been 650 rejects last year for 8th class which is against the Directive Principles of our Constitution. Article 45 which states: "The state shall endeavour to provide within a period of 10 years from the commencement of this Constitution for free and compulsory for all children until they have completed the age of 14 years. This has been very clearly mentioned in our Constitution. But unfortunately in Panchayat Raj there is a Government Order that even if anyone wants a branch or school he has to offer Rs.52,000 to the Government besides private land, building, equipment etc. The Government is incapable of providing this even after many decades of existence of this Constitution.

Another aspect I would like to tell you or would like to bring to your notice is that Governor's address has mentioned that the law and order in our state is very satisfactory. In reality it should have been far from satisfactory. Over a six month's period, if you take into account from 1.6.1980 to 31.12.1980, the number of murders registered is 763 and 6 murders had been committed by the law and order Department, viz., Police; rape-124, 2 by the Department; kidnapping etc.96; thefts. 10,727; robbery-228; cheating-385 and rioting-1665; decency-191; Police firing-23. If this situation is called satisfactory, then I think, the Government is a big liar—excuse me for the expression but there is no other word to be narrated in which strong thing like this can be explained.

The paradox of the whole thing is that a long time ago Hanumanthiah Committee mentioned that a top heavy Administration was counter-productive and it gave the guidelines that a Minister

should be pruned to 600 of the strength of the Legislature. The Council of Ministers should be compact and the size limited to the actual needs of the Administration. There should be only 2 categories of Ministers namely, the Cabinet and Deputy Ministers. The number of ministers in the State including the deputy Ministers should not exceed 600 of the members of the Legislative Assembly in the State. This should be enforced by appropriate legislation if any. This is the thing that calls the Government to come forward. It would be more meaningful and more sensible to confine our Ministry to probably 18 ministers and it will be a lesser burden on the exchequer and probably more useful work will be done.

In the past Governor’s Address we have seen that there had been a mention of the Local Body elections. Of course, people like me have been even in those days did not believe that was going to take place and time has proved that we are right. Now the present Address has not mentioned anything about these elections at all.

Sri P. Janardhan Reddy; Dictatorship.

Sri Ashok Gajapathi Raju; Of course, this is the way and a step in that direction. But I hope and I appeal to the common-sense of the Government to kindly put this into practice and get these elections going, instead of being long pending. I do not think, you will be able to get it done by June this year, because of Census.

There has been a lot of talk about the public distribution system of essential commodities. The very idea of having this system is to reach this commodity to the people at reasonable rates and also ensure regular supply of all these commodities. Unfortunately this is not being done. Besides these, there are lots of people, where un-officially public donations are being collected on these essential commodities. This requires attention and I hope you will be able to do it.

Another simple thing was that we have about 27,221 villages in our State out of which, according to the Governor’s Address, 17,200 villages have been electrified. That leaves 10,021 villages still to be electrified. At this rate, probably it will take another 20 years, I request the Government to kindly take up the scheme on a war footing because this is necessary infrastructure and very essential for any developing State and to create infrastructure in all our villages is essential. I hope that the Government will take it up seriously, thank you for giving me this opportunity.
