(b) will it be possible to get the reasons and persons responsible for the same?

(c) what steps are proposed to avoid such wastage in future?

(i) 2. Krishna Iyer:—...
Oral Answers to Questions, 27th February, 1981

Sri A. Madan Mohan:—As far as Radiographers are concerned it is a separate question. Regarding Equipment, as I have already stated, there is no equipment kept idle, at the moment.

Sri A. Madan Mohan: —I quite agree that what has been expressed by the Hon’ble Member, there is an element of truth, in what he has said. Once you post a Superintendent to a Hospital, he chooses more interest in the equipment of his interested subject. After his transfer, that particular equipment may not be used. But, Sir, we are taking an over all position and reviewing as to how best these things could be remedied. Unless we go through the inventory we have in the district and teaching hospitals, it is very difficult to say anything now. Certainly, we will make an effort in that direction.

(') Sri N. Venkataratnam: —We 78-79 were in 1979. There are some hospitals where the equipment is unused. Why is that so? In the general hospitals also, is the equipment not used? If we keep the equipment unused, what will happen?

(') Sri T. Annapiraul: —How does the Ministry decide which equipment in hospital is to be used and which is not to be used? Here only one side is mentioned. According to whom?

(') Sri S. Kalluri: —Do the hospitals use the equipment which is given to them? They are not using. How is that?

Re: the non-payment of salaries to Teachers working in the plan posts in Vizianagaram district.

Education Minister (Sri B. Venkataram Reddy):—The approximate number of plan posts allotted to the schools in Vizianagaram District is 70. Out of this, 50 posts are in Panchayat Samithi schools and 11 are in Zilla Parishad High Schools. Three posts are allotted to Municipal schools and six posts are allotted to aided private schools.

The District Collector has not reported any difficulty in regard to the payment of salaries to the teachers working in the plan posts allotted to Zilla Parishad High schools or Panchayat Samithi Primary schools (61). In regard to the remaining 9 posts (3 in Municipal schools and 6 in Aided private schools) the Director of school Education has released the grant-in-aid towards the salaries of the teachers by reallocating funds already allotted to Srikakulam and Visakhapatnam districts. Thus necessary action has been taken to release the salaries of these 9 teachers. Hence salaries are released to all of them.

Sri P. Janardhana Reddy :— The cat has come out of the bag.

Sri M. Venkaiah Naidu :— There is a great T. P. S. leading speaking about integration.

Sri B.T.L.N. Chowdary:— (Interruption)

Sri M. Venkaiah Naidu—What is this nonsense? When I speak they interrupt. Why should they take objections?

I am warning the Chief Minister not to allow these people to talk.
Motion on address by the Governor. 27th February, 1981.

We respect him but respect should come from the other side also.

'I am not going to yield,' he said. When a person is speaking he has got the right to hold the floor.

That is not going to solve the problem.
We take very strong objection to this irresponsible statement. I am sorry to say that it is irresponsible. Dr. R. VenkataRamanaiah:—It is quite true that there is an end to it.

Sri E. Ayyapu Reddy:—Is it again making speeches? He cannot revive the debate. There is no possibility for him to revive the debate. There must be an end to it.

Dr. B. VenkataRamanaiah:—Kangere Nadi Sree, a decisive voice, has been heard. A decisive voice has been heard. A decisive voice has been heard. It is a decisive voice. It is a decisive voice. It is a decisive voice. We will certainly hear him but there are others who also support him.

Mr. Speaker:—The question is:

“But regret that no mention has been made regarding the comprehensive Education Bill.”

Add the following at the end.

“But regret that there is no mention about the Land Ceiling (Amendment) Bill and distribution of available surplus lands to the poor.”

Add the following at the end.

“But regret that the Silver Jubilee Celebrations have failed to fulfill the targeted objected. The said celebrations have ended as an advertisement to the Government but failed to bring about the integrity and cultural Unity of over 5 crore Telugu peoples.”

Add the following at the end.

“But regret that the state Government failed to recommend remunerative prices for the agricultural produce including Commercial Crops to the Central Government.”

మార్గించడం

ఇది ప్రత్యేకంగా విశేషాలపై ఉత్తమంగా మార్గించడం మార్గించడం అంటారు. మార్గించడం అంటారు.
Development Authority have taken up slum improvement schemes on a large scale. Construction of permanent houses for weaker sections living in slum area has also been undertaken with the assistance of HUDCO. A revolving fund has been constituted in 21 out of the 82 municipalities in the State to enable advance of loans to the needy house owners to convert dry latrines into sanitary water seal latrines. The Government have also taken up 4 water supply schemes at Vanasthalipuram, Guntur, Nizamabad and Kakinada at a cost of Rs. 1,233.78 lakhs. The State Government have been providing a sum of Rs. 150 lakhs to the Municipal Corporation of Hyderabad for taking up development activities in and around twin cities.

Any programme is as good as its implementation. A clean, honest and efficient administration is undoubtedly a vital input for any developmental programme. Government propose to introduce the LOKAYUKTA and UPALOKAYUKTA Bill in the current session of the Legislature. This institution, when established, would enquire into allegation of misconduct against specified public men. Along with an upright and efficient executive, a less costly and speedy system of Judicial administration is also necessary. Government have recently launched the LEGAL AID/ADVICE TO THE POOR Scheme providing for free legal aid to people whose income does not exceed Rs. 300 per month and whose property does not exceed a value of Rs. 6,000. Coupled with this, the Government also propose taking up revision of court fees on a rational basis and also exempt persons in need of legal aid from such payment. It is also worthy of mention that to train and equip judicial officers with modern methods of dispensation of justice, the Andhra Pradesh Academy of Judicial Administration would be set up soon.

Before I close, I would like to say that whereas what has been done is impressive, the journey ahead is long and arduous. It is only with the cooperation and involvement of all concerned that the task of building a new society can be accomplished. It is my fervent belief that all of you will address yourselves to this task with all the resources at your command. I wish you Godspeed in your deliberations.
