Oral Answers to Questions

(1) M. V. R. M. R. asked a question about the distribution of cattle under D.P.A.P. and I.R.D.P. which have been insured.

The reply was:

Cattle insurance is there on paper since a long time. But the actual fact is the ryot, the agricultural labourer.

6,781 cattle have been insured under D.P.A.P. and I.R.D.P., which is the number of cattle distributed under these schemes.

(2) M. V. R. M. R. asked another question about the status of cattle insurance. The reply was:

The number of cattle distributed under these schemes may vary over time. The actual number of insured cattle is crucial for the agricultural labourer.
What is the difficulty for the Government in introducing this scheme in respect of sheep also?
Will the Minister tell us the definition of the cattle and what animals will come under this?
There is no proposal with government to start Cattle Insurance Scheme in general. But there is a Company which is doing this work.

(e) Whether the government are contemplating to revise the rate.

Minister for Forests (Sri M. A. Aziz):—

(a) Yes, Sir.

(b) Only to Sirpur Paper Mills Limited.

(c) The supplies are not on the basis of tender but in pursuance of a long term agreement entered with the Mills on 19.7.1976.

(d) A rate for Rs. 60/- per ton was charged upto 1979-80 and from 1980-81 onwards, the revised rates are as follows:—

<table>
<thead>
<tr>
<th>Year</th>

(e) Government have already revised the rate as indicated in clause (d)
Sri M. A. Aziz:– These are based on long term agreements. They were entered into in 1976 and the Government commitment is to supply 70,000 tonnes of bamboo. So, after meeting the requirements to these industries and whatever is available later, it is being distributed for local consumption as well as for the cooperative societies.

Sri M. A. Aziz:– They are also being supplied, though not on the basis of this rate but they are being given several concessions. They are also supplied on that concessional rate and not on market rate.

Sri M. A. Aziz:– It will be considered Mr. Speaker, Sir.
Sri M. A. Aziz :— There is already a condition in the agreement that they should supply the required quantity for paper to the Government and public corporations. That is one of the stipulations in the agreement under which the bamboo is supplied to the industries.

SMUGGLING OF GUM FROM FORESTS OF WARANGAL ET. DISTS.

80—

*8841-Q- Sri Mallikarjuna Rao (Guzala) will the Minister for forests be pleased to state:

(a) Whether it is a fact that gum is being smuggled on a large scale from forests in Warangal, Adilabad, Khammam and Karimnagar districts every day;

(b) the reasons therefor;

(c) the value of the gum being smuggled, and

(d) the steps being taken to check the same?

(Sri M. A. Aziz) :

(a) No, Sir.

(b) Does not arise.

(c) The value of the gum seized by forest officials during 1979-80 in the four districts of Warangal, Adilabad, Karimnagar and Khammam is Rs. 1,13,912/-. 

(d) the forest field staff keep a vigil and seize stock of gum that is attempted to be smuggled.

Sri M. A. Aziz:— The gum is given as a monopoly right to the Girijan Co-operative Corporation as an ameliorative measure for the tribals. Girijan Co-operative Corporation is the monopoly agency. They collect all the gum and pay the rate of 15% of the sale value of the gum as rental to the Government and they also pay the collection charges to the tribals.
All the minor forest produce has been given monopoly to the Giriyan Cooperative Corporation.

Sri M. A. Aziz:—I am sorry the senior Member has not rightly interpreted the question. The question is whether there is smuggling on the large scale. It is denied. It does not say whether there is any smuggling or no smuggling.

Sri G. Latchanna:—Small scale smuggling is accepted.

Sri M. A. Aziz:—Whether there is large scale smuggling is going on in gum is the question. It is denied. When they wanted to know the actual valuation of the gum in smuggling cases, we have given the figures. It is left to the members to decide whether it is small smuggling or big smuggling.

Sri M. A. Aziz:—I don't have that information with me.
S. N. Q. No. 9557: Sarvasri K. Satyanarayana, (Repalle): M. Omkar (Narasampet):- Will the minister for Education be pleased to state:

(a) Whether the government issued any G. O. limiting the mess charges to be paid to the E. B. C. students in University and professional college hostels in the state;

(b) If so, the amount limited and reasons therefor?
Are you not showing discrimination in the question of food?

Sri K. Keshava Rao: The Government is not accepting that.

The principle of reservation is a policy that has to be correctly understood. There is some sort of disparity that is existing because of social stigma; that is a policy enunciated in the Constitution.
The total policy of the Government is to see that everybody is given education.

Sri M. Venukayya Naidu: I am talking about food, not about reservation.

Sri K. Keshava Rao: The principle of reservation applies even in giving scholarships.

This is becoming another problem.
Sri P. Sobhanadreswara Rao : Government is aware of the serious troubles and disturbances and lawlessness arising in the University campuses and in the hostels especially because of this discrimination. We agree and the Hon’ble Minister also agrees that the rule of reservation is not intended to be continued perpetually.

Sri K. Keshava Rao : I am talking of the Universities. S. V. University they are more vehement and I am more and more vehement. It is the social stigma that is attached that has led
the rule of reservation. Very soon I am trying to convince a meeting inviting members of this House also where we want to formulate a policy against the background of what is said now.

Dharna and Relay hunger strike
by the Labour Union of the
Andhra Pradesh
Agricultural University.

In October, 1981, the Andhra Pradesh Agricultural University Labour Union made about 16 demands for consideration by the University authorities. Most of these demands have already been conceded and it was also agreed to Convene Grievances Committee meetings every month with the representatives of the Union, so that problems, if any, could be settled without much loss of time. Subsequently, it was also decided to fill up posts of L. D. Clerks, Typists from among the Casual Labour (Educated) who have put in more than 2 years service against 50% quota. It was also agreed to appoint Hostel workers in alternate posts.

Some of the demands which involve huge financial implications are under examination in consultation with Director of Agriculture etc. While some of the demands are under examination, a notice was received from the Andhra Pradesh Agricultural University Labour Union on 15-3-1982 stating that they have decided to go on dharna and relay fast from 17-3-1982. The Union has since withdrawn the dharna on 19-3-1982.
Dharna and Relay huger strike
by the Labour Union of the
Andhra Pradesh
Agricultural University.

As mentioned above, most of the demands have already been
conceded. But in their latest notice, the following fresh demands
have been made.

1) Repatriation of the transferred employees to Agriculture Department.

2) Implementation of promotion orders.

3) Conversion of contingent posts existing for more than 10 years as Class IV posts as on 1-2-1980.

4) Provision of gratuity scheme to the Casual Labourers and Hotel workers.

5) Non-implementation of employees Provident Fund Scheme at Bapatla, Amaravathi and Rajendranagar Campus.

6) Payment of arrears for the skilled and un-skilled labourers.

7) Payment of equal wages to men and women labour according to Zones i.e., Rs. 8/- to Zone-I, Rs. 6/- to Zone-II, and Rs. 5/- to Zone-III.

The transferred employees cover only Class IV, teaching, non-teaching and ministerial staff etc., and it is not clear how the labour union is concerned with this demand. However, as this problem is having serious repercussions, it is being considered at Government level.

There is no promotion policy applicable to the casual labour even in Government.

The proposals of the A. P. Agril. University are awaited.

The proposals of the A. P. Agril University are awaited.

The defaulters are being pursued whenever the University comes to know about any lapse.

The proposals are under consideration of Government.

Proposals from the A. P. Agril University have been received on 19-3-1982 and are under examination.

They should give reasonable demands to the University and the Government to settle them.

The University has made some recommendations. They have been received by the Government on 19th and they are under consideration of the Government. Whatever is possible the Government is prepared to help them. That is the assurance I can give from the Government.

That is under examination of the Government. Certain recommendations have been made by the University. They have been under the consideration of the Government. As soon as they are finalised I will announce.
