SELLING OF PLOTS TO SMALL INDUSTRIALISTS
AT ABNORMAL RATES BY A. P. INDUSTRIAL INFRASTRUCTURE CORPORATION

23—

6454 Q-Sri V. Sobhandreshwara Rao. (Vuyyur)—Will the Minister for Major Industries be pleased to state:

Whether it is a fact that the A. P. Industrial Infrastructure Corporation has acquired land at a low cost and is selling plots to the small industrialists at abnormally high rates.

THE MINISTER FOR SMALL SCALE INDUSTRIES (Sri V. Venkateswara Rao):

No, Sir. The Corporation is not selling any plots at abnormally high rates.

SRI V. VENKATESWARA RAO: The cost of the land comprises so many other items. It is not only the cost fixed by the Land Acquisition Officer at the time of acquisition but there are many other factors which have to be included, like the cost of development, water supply etc. So, it looks to be high. But, these costs have to be included before the price is fixed and allotted.

SRI M. VENKAIAH NAIDU : So, what is the difference between the cost of acquisition and selling rate?

**CONSTRUCTION OF OVER-BRIDGE AT KARAMCHEDU RAILWAY LEVEL CROSSING IN CHIRALA TOWN**

*SHSN*-Q—Sri S. Chandramouli (Chirala):—Will the Minister for Roads and Buildings be pleased to state:

(a) whether the Government have sponsored a proposal to the Central Government for the construction of an over-bridge at Karamchedu Railway level crossing (Hariprasad Rao Gate) in Chirala Town.

(b) if so, the estimated cost of the same; and

(c) if not, whether the Government would consider to move the Central Government in view of the public interest?
We appreciate the need of the bridge, but there are other priorities like water supply, improvement of slums and better sanitation. Even then as the hon. member has said, certainly we will place it before the Central Government and see what can be done. Suppose if they accept 50%, as their norms permit, we will see as to how we could provide the money.

Smt. B. Sarojini Pulla Reddy: I don’t know whether it comes under the Roads and Buildings Department. All the same, since the hon’ble Member is there, we will get it examined.

(a) whether it is a fact that on 10-12-81, the police at Eluru town in West Godavari district resulting in the death of one student and injuries to many;
(b) If so, the action taken thereon:

(c) whether it is also a fact that memorandum dated 13-12-81 was submitted to the Chief Minister by all party leaders; and

(d) if so, the action taken thereon?

Sri M. Venkaiah Naidu: 20-1-1982 is the date as per your letter. I will find out and let you know.

Sri B. Venkatram: When judicial enquiry is there it will not be proper to take any action. All action will follow after the judicial enquiry report is received. If it is considered they are wrong, necessary action will be taken.

Sri M. Venkaiah Naidu: When the enquiry is going on and if the officers are kept at the same place, how can you expect fair
enquiry. The outgoing Chief Minister had accepted their minimum need.

Whether it is also a fact that memorandum dated 13-12-81 was submitted to the Chief Minister by all party leader?
Sri S. JAIPAL REDDY: Sir, if the previous Government had thought it fit to institute judicial enquiry, it only means that the previous Government had seen a prima-facie case on the plea of the opposition Leaders that the judicial enquiry was warranted and that such local officers of R.D.O., Joint Collector and the S.P., had acted in a prejudicial manner. If that is the case, why they should be kept there at all and why cannot Government give an assurance straight away that they are being shifted.

Sri B. VENKATRAM: Sir, I cannot agree with the view of the Hon'ble Member that even if a judicial enquiry is ordered, there would be offence. It is not proper also to construe like that. It will be just putting the cart before the horse in a Judicial Enquiry. It can go down ways. It is for impartial appraisal of the facts which happened then and for the conclusion of the Judge, whether the official, in his good faith has acted properly or exercised it beyond that was expected that has to be seen. So it is not proper to draw conclusions simply on the fact that we have appointed a judicial enquiry.
19th March, 1982

Oral Answers to Questions.

SRI M. VENKAIAH NAIDU:- Sir, it is true that if it is proved that they are guilty, they will be punished, but.

SRI B. VENKATRAM:- It is only for the appraisal of the fact and to come to correct conclusions. the judicial enquiry is ordered.

SRI M. VENKAIAH NAIDU: So, the Government is not serious about the impartiality of the enquiry. You want all officers to be kept there why?

SRI B. VENKATRAM:-- Because the Government is very serious about it the judicial enquiry is ordered, which will not be ordnarily.

SRI S. JAIPAL REDDY: The Hon'ble Chief Minister is quite good at giving platitudinous orations. The speech which he has delivered now can be part of the documentary that will be produced by this Corporation.

SRI B. VENKATARAM: I want to explain what I have said.

SRI S. JAIPAL REDDY: Does the Chief Minister realise that an evil like the dowry cannot be combated without combating the capitalist system. It is the Congress-I government which is promoting and patronising this in this country.

SRI B. VENKATARAM: For the kind information of the Hon'ble Member, it is not the Congress-I. In fact it is devoted to the ideal of socialism whereas my hon. friend must have an introspection and come back to speak on this dowry system.

CALL - ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE.

Re: Illegal allotment of large quantities of cement to big dealers.

(Sri M. Baga Reddy rose to make a statement)
Calling attention to matter

19th March, 1982

SRI M. VENKAIAH NAIDU: We have made out an issue. We have put the question to the Chief Minister and there are some allegations against the Minister himself. How can the Minister reply when the enquiry is going on.

SRI B VENKATARAM: There is nothing wrong if the Minister concerned replies even if there are allegations against him. Allegations are not made by you or anybody. An enquiry is going on. If you have doubts you can ask; he has got a right of reply.

SRI S. JAIPAL REDDY: The Chief Minister ordered a full-fledged A.C.B. enquiry. That being so, the Minister concerned would not be competent to answer the question fully and justly. Therefore it is for the Chief Minister to intervene and not for the Minister.

I am also not objecting to the right of the Minister in his capacity as member-Minister to reply. The Minister concerned would not be competent to answer the question fully and justly. These questions get complicated, overlapping each other and a new question arises as to what should be done. It is just in the interests of the public that the Chief Minister answers thoroughly.

SRI M. VENKAIAH NAIDU: The Minister has got a right of reply—I agree. But we have raised an issue pertaining to G. A. D. and the Chief Minister must reply and then Mr. Baga Reddy who is the concerned Minister against whom there are allegations can also give his version. That will be in the fitness of things.

SRI B. VENKATARAM: Let us all be open-minded about it.
SRI M. VENKAIAH NAIDU: The Minister has already given a statement that he does not know that an A.C.B. enquiry is going on into the issue.

SRI N. JANARDAN REDDY: The call-attention is clearly about the illegal allotment of large quantities of cement to big dealers. There is no reference to A.C.B. or anything. This is a matter entirely relating to the Minister, Major Industries.

SRI B. VENKATARAM: I am submitting to the House that the Minister may be allowed to speak; he said that he would give a relay of the facts which led to the unfortunate conclusion by some People about this allotment. I am here to assist him or assist the House in coming to proper conclusions. In such a case why should you not bear with the Hon'ble Minister.

Calling attention to matter.
Calling attention matter 19th March, 1982

SRI S. JAIPAL REDDY: Sir I raise an objection of order.

(INTERRUPTIONS)
SRI S. JAIPAL REDDY: Let the Members of the Ruling Party hang their heads in shame; let them not shout. Sir, we did exercise restraint. If the ruling Party members would like to bulldoze the opposition members and silence on this question, I am telling them point blank that it is not possible for them so long as we remain in this House.

(INTERRUPTIONS FROM THE TREASURY BENCHES)

SRI M. VENKAIHAH NAIDU: First the issue must be answered and then the charge. There is no charge in the issue.

SRI M. VENKAIHAH NAIDU: The statement does not connect directly with this issue. He is putting up only the defence.

SRI B. VENKATRAM: If the Hon. Members are really interested in knowing the facts, it is up to them to be open minded and to be cool enough to hear the Hon. Minister would say and then, if the Speaker so pleases, he can give them an opportunity to ask for clarifications. That would be in the propriety of things.
SRI S. JAIPAL REDDY: I am again on a point of order.

MR. DEPUTY SPEAKER: But this is admitted under Rule 74.

SRI S. JAIPAL REDDY: No, No. I don't think the Chair is so naive, as that.

MR. DEPUTY SPEAKER: I have been telling you that you should hear the statement of the Hon. Minister.

SRI S. JAIPAL REDDY: I request the Hon. Minister with all the courtesy that he better resume his seat, listen to our point of view and answer and let the Chief Minister supplement.

MR. DEPUTY SPEAKER: k is our turn. Let him not waste our time.
MR. DEPUTY SPEAKER: We got the call attention notice earlier.

SRI S. JAIPAL REDDY: We have no time. Now we are more conscious of the time than anybody. At 11 O’clock Budget has to be presented.
Calling attention matter 19th March, 1982

SRI D. K. SAMARASIMHA REDDY: Mr. Speaker, Sir I draw your attention to Rule 74. Under this Rule under no Member should be allowed to make a speech. In spite of that, it is being allowed here. I would like the Hon. Speaker to give a ruling. It is provided that no Member shall be allowed to make a speech while calling the attention of the Minister to any matter of public importance. Let them put a supplementary.
Who asked the Vote on Account Budget to be presented?
Why you have not done it yesterday or the day before?

MR. DEPUTY SPEAKER: You cannot question like this?

SRI M. VENKAIAH NAIDU: Can they force us like this?

MR. DEPUTY SPEAKER: You cannot be so harsh to the Chair.

SRI M. VENKAIAH NAIDU: I am harsh to the Government but not to the Chair. It is they who have forced this. Under Rule 74, a Member may, with the previous permission of the Speaker, call the attention of the Minister to any matter of urgent public importance... First the Member has to bring to the notice of the Minister about any matter of urgent public importance. The Chair has not given any opportunity to the Members to bring to the notice of the Minister whereas the Chair has allowed the Minister to make a statement and asking us to put the supplementary.

10-30 a.m.

SRI M. VENKAIAH NAIDU: Our practice is regarding Sri Masala Eranna, we discussed for four hours. When the Hon. Speaker was in the Chair.

MR. DEPUTY SPEAKER: Regarding matters under rule 329, after the speech of the Member, the Minister makes a statement. Under Calling Attention, the Minister concerned makes a statement first, then the members seek clarifications.

SRI M. VENKAIAH NAIDU: Since they are insisting on the rules to prevent us from asking clarifications, I am quoting this.
MR. DEPUTY SPEAKER: So far I only wanted Sri Rajeswara Rao to abridge and ask for clarifications.

MR. DEPUTY SPEAKER: That is the way of an advocate putting things.

Are we at the mercy of the Speaker?

Mr. DEPUTY SPEAKER: When the same issue is raised under different rules, it is clubbed under one.

SRI S. JAIPAL REDDY: That is the beginning of your scandal and it will not end the scandal.

MR. DEPUTY SPEAKER: You are not looking at the clock. You are taking lot of time. You must allow other Members also.

SRI S. JAIPAL REDDY: I am also throwing light though I have taken time.

MR. DEPUTY SPEAKER: My concern is about the time. The Budget has to be presented at 11.00 a.m.

SRI S. JAIPAL REDDY: Sri, we know your problem, we know the problem of the Government and we know the problem of the people also.

MR. DEPUTY SPEAKER: Your time is over.

SRI S. VENKATRAM: At appropriate time, you will be able to know. Do you want full facts or what?

SRI S. JAIPAL REDDY: I want full facts.

When the Minister for Industries...

MR. DEPUTY SPEAKER: Mr. Jaipal Reddy, you can not get up and like this. I am now allowing you.
SRI S. JAIPAL REDDY: When the Minister for Industries defends the order, how can the ACB enquire impartially? I am not going to resume my seat until I exhaust...

MR. DEPUTY SPEAKER: You can not go on like this.

SRI S. JAIPAL REDDY: I have been putting only questions. I put question after question. My point is when the allegations have been levelled against the Minister...

MR. DEPUTY SPEAKER: I want the Minister to give a statement. Please resume your seat.

SRI S. JAIPAL REDDY: Is the A. C. B is competent to look into and comment on the Minister? I have not levelled any single allegation against the Minister. Caesar's wife is not above suspicion.

MR. DEPUTY SPEAKER: Almost all the Opposition leaders what discussion on this issue.

SRI M. VENKAIAH NAIDU: How can he prevent?

MR. DEPUTY SPEAKER: Let the Minister give his reply in five minutes.

This is to bring to your kind notice that the supply of cement to big dealers is being adversely affected due to the prevailing market conditions. The current situation has led to a significant rise in the cost of cement, which is causing a great deal of concern among the dealers.

We appreciate the efforts made by the authorities in addressing this issue. However, it is imperative that measures are taken to ensure a fair and equitable distribution of cement to all dealers. We request that you take appropriate steps to rectify the current situation and ensure that the dealers are not unduly affected.

We look forward to your prompt attention and action on this matter. Thank you.
Addressing the press conference, the Chief Minister Sri B.Venkatarao said that the previous Government has received a preliminary report from the Anti-Corporation Bureau and after examining it, it closed the case. re: Allotment of Cement to big dealers

19th March, 1982

Sir,

I wish to draw your attention to the fact that the Cement Corporation of India Limited (CCI) is the sole supplier of cement in the country. The company has been facing a severe shortage of cement due to the increasing demand and the limited production capacity. This situation has led to a significant increase in the cement prices.

Recently, there have been reports of large-scale black marketing of cement. Dealers are charging exorbitant prices, which is causing hardship to the consumers. The situation is further complicated by the fact that the CCI is unable to supply the required quantity of cement to the regular dealers.

To address this issue, I propose that the government should intervene and take necessary steps to ensure that the cement is supplied to the dealers at a maximum of 10% above the current market price. This will help in controlling the black marketing and ensuring that the cement is available to the consumers at a reasonable price.

I hope that the government will take this matter seriously and act accordingly.

Yours sincerely,

Mr. Ramaswamy,

I have been informed that the cement allotted to the big dealers is not being utilized as per the instructions. It is being sold in the open market at a higher price. The dealers are also being supplied with the cement at a lower price than the market rate.

I have instructed the concerned officials to ensure that the cement is utilized as per the instructions and the dealers are supplied with the cement at the market rate.

I hope there will be no further discussion in this matter. I hope that the hon’ble Members on the Opposite side will appreciate.

SRI V. The information to be submitted to you is what is the total quantity of cement? It is quite relevant. We would like to know this information. What is the quantity utilised and what is done to the remaining balance. We want that information.
