L. A. Q. No. 43 (8901)

Re: Sanction of Ex-gratia to a Ten year old girl who lost her right hand due to wrong injection in Nizamabad govt. Hospital.
SRI A. MADAN MOHAN: (Minister for Health, Medical & Legislature): Sir, I was myself not satisfied with the answer provided by the Secretariat and I asked them to make detailed enquiry. So I request that question may be postponed and taken later.

SRI M. VENKAIYNA NAIDU: Sir, when the Minister is not satisfied with the reply sent to him, he must send for the officials and discuss with them. Otherwise we will be missing the opportunity. Let him call for the Officers. It is not about this particular question but in general. If every Minister says that he would not satisfy with the reply, it will be difficult to get the proper answer.

MR. DY. SPEAKER: I can postpone the question on the request of the Member but not on the request of the Minister.

SRI A. MADAN MOHAN: Sir, I have no objection absolutely. In fact the file came to me yesterday evening. When I was going through the file, I was not satisfied with the type of answer that was put up. But I am prepared to answer even without the file.

SRI V. SHOBHANADRESWARA RAO: What is the use of answering when the Minister said that he himself was not satisfied with it.

MR. DY. SPEAKER: Alright.
SRI M. VENKAIAH NAIDU: The Minister says that he has received the reply...but he was not satisfied. If the question is put for the reply just one day before the sitting of the House, we can understand. But it is a regular question. What has happened to this question? The Minister should probe into this and the C. M., may also kindly take a note about this.

SRI A. MADAN MOHAN: Sir, by the time it has to be answered in the House, much water would have flown and they have to make up to date...

SRI A. MADAN MOHAN: Sir, I said that "much water may flow".

Question 1: What was the significance of the 1959 rebellion in India? Mustafa. The 1959 rebellion in India was significant because it marked a major challenge to the country's sovereignty. The rebellion was led by politicians and activists who sought to assert their rights and demands. It also highlighted the deep-seated political and social issues that were facing the nation at the time. The government responded to the rebellion with a strong military presence, and the rebellion was eventually suppressed.

Question 2: What were the main issues that the 1959 rebellion in India sought to address? It sought to address issues such as language, religion, and statehood. The rebellion was a response to what many believed were unfair policies regarding language and religion, and to the idea of a single, unified state.

Question 3: What were the outcomes of the 1959 rebellion in India? The rebellion was eventually suppressed, but it had a lasting impact on Indian politics and society. It contributed to the growth of regionalism and the rise of India's political parties. It also highlighted the importance of addressing the needs and demands of marginalized groups.
BUSINESS OF THE HOUSE

3. Question 329: Shri B. S. Deo. regarding conversion of Meter gauge into Broad gauge railway line between Guntur and Macherla. The Minister replied that the Minister for Railways had sanctioned the conversion of the line between Guntur and Macherla to Broad gauge.

A.C.B. suspends cement scandal probe: The Hon'ble Minister of State for Home, Shri A. N. R. V. S. Murthy, said that the enquiry into the cement scandal would go ahead and would not be stopped. And the Chief Minister said.
Mr. S. JAIPAL REDDY: Sir, the files might be sent to the Speaker as early as possible and an early date may have to be fixed. Otherwise, the very purpose of sending the files would be lost.

MR. DEPUTY SPEAKER: The Secretary has informed that they are being sent.

Mr. A. MADAN MOHAN: Sir, we would like to know from the Leader of the House and the so-called Law Minister whether he is handling the Law portfolio and if not, in what manner it was taken away and the reasons therefor.

MR. DEPUTY SPEAKER: What has the Leader of the House to say on this?

SRI M. VENKAIH Naidu: Is he the Leader of the House or of the Congress (I) Party? The Leader of the House must be elected by the House. He is only nominated by the Congress (I) Party.

MR. DEPUTY SPEAKER: The major group is the Congress (I) Party and that is the ruling Party.

SRI M. VENKAIH Naidu: The major group is the Congress (I) Party and he is their leader.
SRI S. JAIPAL REDDY: No, he is the Leader of the House and he most explain now.

SRI A. MADAN MOHAN: We all know that it is the prerogative of the Chief Minister and none has any right to question. He exercised that prerogative.

MR. DEPUTY SPEAKER: It is not yet notified in the Gazette or else they could have informed the chair, that is their plea.

SRI S. JAIPAL REDDY: Point of order, Sir Regarding Leader of the House, it is presume that it has been gazetted. Then fact remains that it has not been gazetted, and the change of portfolio has not been brought to the notice of the speaker. If we are to address a question in respect of Law, to whom we have to address? Since the Speaker is seized of this matter, this becomes relevant. I am saying with all the authority at my command that this portfolio was snatched away from Mr. Madan Mohan on the representation of Mr. Baga Reddy, Minister. if that is so what really provoked the Minister to make the complaint? What provoked the Chief Minister to snatch away that portfolio and what made Mr. Madan Mohan to suffer it silently?

MR. DEPUTY SPEAKER: The Leader of the House has been telling that it is a prerogative of the Chief Minister.

SRI S. JAIPAL REDDY: It is true, Sir. In other words the Speaker is seized of the entire issue. The point is that this particular issue has been referred to the Speaker and nobody other than the Speaker is seized of the matter. This sudden illegal, informal, clandestine change in the portfolio has come about in this context. It is nothing but a reflection of the House and the Chair.

MR. DEPUTY SPEAKER: The Chief Minister is not in the House. He is in the other House.
SRI P. SUNDARAIAH : As per Business Advisory Committee decisions, the House may be upto 31st. This should be completed before 31st.

MR. DEPUTY SPEAKER : Let the leader of the House inform the Chief Minister and see that the file is put up in the Chambers of the Speaker.

SRI M VENKAIYAH NAIDU : The charge is that the records are tampered. The Government has not denied it so far.

MR. DEPUTY SPEAKER : I will fix up the date. I thought the Chief Minister would place it immediately.

SRI M VENKAIYAH NAIDU : No, No. It is a fact that the portfolio has been changed.

MR. DEPUTY SPEAKER : That may be a fact.

SRI M VENKAIYAH NAIDU : Why at this particular juncture, when the Cabinet was formed nearly 20 days back and when the portfolios have been distributed) The Chief Minister has taken enough time to distribute the portfolios. He has kept Mr. Prasad for two days in suspense. Even now when the discussion has taken place in the House he has changed the portfolios.
MR. DEPUTY SPEAKER: The Leader of the House may see that the file is sent to my Chambers.

SRI A. MADAN MOHAN: By what time?

MR. DEPUTY SPEAKER: By to-day evening or tomorrow.

SRI A. MADAN MOHAN: I will pass the information on to the Chief Minister.

SRI M. VENKAIAH NAIDU: How can he say that he will pass it on to the Chief Minister. It is an irresponsible reply.

MR. DEPUTY SPEAKER: I will tell to this August House that this Notification has been issued already.

"REALLOCATION OF BUSINESS AMONG MINISTERS."

Under Clause (3) of Article 166 of the Constitution of India read with sub-rule (1) of Rule 5 of the Andhra Pradesh Government Business Rules, the Governor of Andhra Pradesh reallocates the subjects “Legislature Affairs including Legislators’ Hostels and Legislators “Housing” to Sri A. Madan Mohan, Minister for Medical and Health and Law and the subjects “Law and Courts” to Sri B. Venkataram, Chief Minister with immediate effect.

SRI M. VENKAIAH NAIDU: What is the date?

MR. DEPUTY SPEAKER: March 18th.

SRI M. VENKAIAH NAIDU: This Gazette Notification was made on 18th and the House is not informed. The Speaker is not informed of it. The House is not taken into confidence.

MR. DEPUTY SPEAKER: I am very happy at least the Opposition Leaders are interested in the authority of the Speaker and you are upholding my right. You are bringing to my notice, I am happy about it. At the same time, of course it is a trivial matter.
SRI M. VENKAIAH NAIDU: No. It is a serious matter.

SRI S. JAIPAL REDDY: Point of order, Sir.

MR. DEPUTY SPEAKER: How am I to with the business if you go on raising the points of order?

SRI S. JAIPAL REDDY: There is no ceiling on points of order.

May I bring to your notice Sir.

MR. DEPUTY SPEAKER: I can hear number of points of order. Let all the answers be laid on the Table of the House.

SRI S. JAIPAL REDDY: The question hour is over.

MR. DEPUTY SPEAKER: Then how about the Calling Attentions and matters under Rule 329.

What is the solution you are offering?

SRI M. VENKAIAH NAIDU: It is not their right. The speaker has got every right because the Chief Minister agreed to place all the records in the chambers, so the chair can fix up the date.

MR. DEPUTY SPEAKER: I told the Leader of House.

SRI M. VENKAIAH NAIDU: He said he will pass on. He the same phrase.
MR. DEPUTY SPEAKER: Did you say like that?

The Chair has got every right to decide about the time. You fix to-day evening. It is a serious matter. The Chair has got every right to decide about the time. You fix to-day evening. It is a serious matter.

For my own part I don't want to take the responsibility. It is on the Government. They have to come and hand over the file to me.

SRI M. VENKAIAH NAIDU: they may not hand over the file. Then what do you do?

MR. DEPUTY SPEAKER: That is a different issue. I am bound to the House and not to the Government.
SRI M. VENKAIAH NAIDU: Why did not the Chief Minister present?

MR. DEPUTY SPEAKER: As soon as I go to the chambers I will speak to the Chief Minister and see that the file is brought, we will immediately go into that.

SRI S. JAI PAL REDDY: I bring another point to your notice.

SRI M. VENKAIAH NAIDU: It will not affect the case?

MR. DEPUTY SPEAKER: Why should I ask them? It is up to them to send it to me. That is a different issue.

SRI M. VENKAIAH NAIDU: What we are appealing to the Chair is will this not amount to shifting the case? Will this not prejudice the case?

MR. DEPUTY SPEAKER: Why don't you take it like this. The Leader of the House is over-burdened with number of portfolios. So he is given the Legislature apart from Medical and Health.

SRI M. VENKAIAH NAIDU: The Legislature business is more than Law and Courts.

MR. DEPUTY SPEAKER: It is the Chief Minister's prerogative. I cannot question it.
You have got every authority to call for the file immediately.

MR. DEPUTY SPEAKER : But the Chief Minister is not available in the House.

MR. DEPUTY SPEAKER : I will do it in the meantime.

MR. DEPUTY SPEAKER: The Chief Minister has gone to the other House to move a condolence resolution on the demise of Sri J. B. Kripalani.

SRI M. VENKAIAH NAIDU: It was such a serious incident and even the Central Minister has flown from Delhi. Our Chief Minister has not gone to that place. He has gone afterwards. But at least he must be present in the House to-day.

ANNOUNCEMENT

MR. DEPUTY SPEAKER: I have received a letter from Sri M. Adeyya and Sri C. Narayana stating that they have resigned from the Congress-I Party and would like to sit as an independent group.

SRI P. SRIRAMAMURTY: For what reasons have they resigned?

MR. DEPUTY SPEAKER: I do not know.

BUSINESS OF THE HOUSE

SRI V. SOBHANADREESWARA RAO: I made a request to you to see that the Hon’ble Minister makes a statement regarding Guntur—Macherla line.

SRI M. MANIK RAO: This has been discussed with the officers of the south central Railway and one of the Members of the Railway Board along with all the pending cases in Andhra Pradesh I have a complete report. The Government of India and the Planning Commission have decided at the national level and out of Rs. 42 crores allotted by the Planning Commission to the whole construction work of railways throughout the country we are getting Rs. 5 crores. Regarding this Guntur—Macherla line I will bring it to the notice of the concerned railway authorities and I will also take it up at our next meeting with those people.

SRI V. SOBHANADREESWARA RAO: I am thankful; he has given the answer.

MR. DEPUTY SPEAKER: Now we go the next item.

SRI V. SOBHANADREESWARA RAO: Let him clarify certain points.

MR. DEPUTY SPEAKER: No, let there be no further discussion.

SRI V. SOBHANADREESWARA RAO: How can you deny my right to have a clarification from the Minister.

MR. DEPUTY SPEAKER: I have not allowed you.

SRI V. SOBHANADREESWARA RAO: It is our right to ask the Minister. It is for that purpose we are elected and we are sitting here. I want a clarification.

SRI M. VENKAIAH NAIDU: For call-attention notices addressed to the Chief Minister who is dealing with law and
order, he must reply in the ordinary course. The Chair has allowed the Minister for Health to reply on his behalf. During Sri Anjaiah's period also the House was informed that such and such a subject would be dealt with by such and such a Minister.

MR. DEPUTY SPEAKER: I am now interested in finishing the business.

SRI V. SOBHANADREESWARA RAO: Does the Chair think that this matter can be taken lightly.

MR. DEPUTY SPEAKER: You cannot raise an issue as and when you like.

SRI V. SOBHANADREESWARA RAO: Why don't you give me an opportunity.

SRI MR. DEPUTY SPEAKER: I have given you an opportunity. There are so many matters under Rule 329. If you take so much time the ruling party will say that I am allowing only the Opposition members to speak.

SRI V. SOBHANADREESWARA RAO: Sitting in the Opposition we have not prevented the ruling party members from bringing matter under Rule 329 or any other rule. We have not objected to the Hon'ble Speaker giving them an opportunity.

INADEQUATE RELIEF TO VILLAGERS SUBMEGREABLE AREAS UNDER SRISAILAM PROJECT

Sr. M. Anuragji

Sirs,

I am writing to bring to your notice the inadequate relief extended to villagers belonging to submarginal areas under the Srisailam Project. Despite the promises made during land acquisition, villagers have not received the promised relief.

The villagers, who have been displaced due to the project, are still awaiting the promised relief. The government's efforts to compensate them have been insufficient and have failed to meet the needs of the affected villagers.

I request your immediate intervention to ensure that the villagers receive the promised relief as soon as possible.

Yours faithfully,

Sr. M. Anuragji

MR. DEPUTY SPEAKER: I want the Minister to come to my rescue.

SRI K. VENKATESHWAR RAO: Even the Chair gives an assurance, I will be happy.
Re: Non implementation of the assurance in fixing the water meters to the residential quarters by the Hyderabad city Water Works Department.

(i) [Text not clearly visible]

(ii) [Text not clearly visible]

2. [Text not clearly visible]

3. [Text not clearly visible]
The total number of connections in the twin cities, metered and unmetered is about 1,20,000. Out of them only 17,000 have no meters. In that 5,000 are Government quarters. So, about 12,000 are private connections without meters.

Those having meters will have to pay Rs. 10 and according to the usage, water will be charged. We have contacted Bangalore and Lucknow and they are prepared to supply meters. If the Government takes up, it would cost Rs. 50 lakhs and it is impossible for the Public Health Department. I am also requesting some Members from this side and other side to meet in a couple of days. We want to see how fast we can solve this problem. I want you to kindly cooperate and advise us as to what exactly we should do. We are worried about the private meters. We want the cooperation of consumers, Hon. Members and then we will take a decision. We are concerned about the public health. You must be clear in your mind when telling this august House.
But, it would not be fair to insist on an assurance. You want pipe-lines to be laid and the water charges have grown tremendously...

Re: Death of two children at the Nuclear Fuel Complex due to the burning of the accumulated stock of scrap.

Government cannot afford to spend Rs. 50 lakhs on these metres. This is not a lending organisation where we can have all these meters. That is why I do not want to give vague promises. It is not possible. Penalties, whether they are being levied, I will enquire and see why they are doing it. If I give an assurance, it should be kept up. That is why I am very particular when giving an assurance. Otherwise, I am evasive, I never say that we will do it. After saying that I will do it, I cannot go back. I do not think there is even one instance like that. With all the respect to the Hon. Members, I say so, Sir.

SMT. B. SAROJINI PULLA REDDY: The Magisterial enquiry will start from 24th March. The possible causes for present accident: The present accident occurred when the Children were salvaging the waste material from the waste dump in the open land. According to Nuclear Fuel Complex, they are dumping only harmless wastes which are not inflammable.

That cannot be true. Burn of flammable material is certainly there. That is why children were burnt. That is one point. Another thing they have told was that they are making arrangements for disposal of even the harmless wastes presently dumped in unfenced open site, by burial in a fenced area, adjoining the Atomic Burial ground and they are inviting tenders for providing chainlink fencing for this disposal site, until this fencing is completed. They will be storing this material in a shed adjacent to evaporation ponds and at the site where the material is already dumped. NFC has posted a guard and stated that all these dumped material will be collected and shifted to a Burial site in the fenced area.

But the accident has shown that they are certainly reckless. After all science is advancing, it is for the protection of human life. We are terribly unhappy. I want to say we are very very unhappy. They are very negligent. Before the Magisterial enquiry, I wish to say, as a woman, I feel the children died. So we have to take more care about this. I say with all humility at my command, The are testing. There is some Nitrate pollution. We have already moved the Defence Ministry in Delhi. I will certainly meet the Minister. We take all the precautions at our command and see that NFC does not indulge in such activities.
SMT. B. SAROJINI PULLA REDDY: I shall get all these details by to-morrow and place it on the Table of the House.

SRI P. JANARDHAN REDDY: We appreciate the Minister's reply. Kindly get the information on this also. Your own Chief Engineer, Mr. Krishna Rao said that the high nitrate content was due to the release of effluents from NFC. The nitrate levels were as high as 450 to 500 parts per million (PPM) against the permissible 50 PPM (High nitrate levels in water can lead to 'blue baby syndrome' under which the child turns blue due to loss of oxygen in blood). 

SMT. B. SAROJINI PULLA REDDY: I don't know whether it is possible to cancel the licence. We have given some villages the protected water supply from Manjira. We go round again as to how many more villages are affected by this. That information also we will give tomorrow.

PAPERS LAI-dom ON THE TABLE.

DR. Y. S. RAJASEKHARA REDDY: I beg to lay on the Table.

SRI M. VENKAIAH NAIDU: Point of order, Sir. I am not going into merits. Whereas the above decision of the Andhra Pradesh High Court has not been brought to the notice of the Andhra Pradesh Administrative Tribunal either by the Advocate for the petitioner or by the Government Pleader for Revenue Services. It has not been brought to the notice of the Andhra Pradesh Administrative Tribunal either by the Advocate for the petitioner or by the Government Pleader for Revenue Services.

I am using the harsh language. This is not the first time but during the last session also it was brought to your notice. They are placing without signatures on the Table of the House. Now what action has been taken against the Pleader?

He is accusing the petitioner. What action the Government proposes to take against the Government Pleader?
DR. Y. S. RAJSEKHAR REDDY: As laid down in the statute I have placed on the Table, the most responsible Minister. He is he convinced with the Paper?

MR. DEPUTY SPEAKER: Unless you give in writing I cannot go into details.

SRI M. VENKAIAH NAIDU: I am giving the motion.

MR. DEPUTY SPEAKER: You should also have seen that on behalf of the Minister some Secretary will sign.

SRI M. VENKAIAH NAIDU: It is in the Rules. You please see.

MR. DEPUTY SPEAKER: The motion for it will be signed 12-20 p.m. by the Minister and the concerned Secretary will place it. That is the procedure, I hope.

SRI M. VENKAIAH NAIDU: Yes.

MR. DEPUTY SPEAKER: Paper laid.

### Discussion on Budget for 1982–83

(Vote on Account)

1. **Discussion:** The budget for 1982–83 has been presented. It includes various sectors such as Agriculture, Fisheries, Forests, and others, with specific allocations for each. The total budget amounts to Rs. 1125,12,59,200.

2. **Issues:** Some sectors, such as Agriculture, have seen a significant increase in funding. This is aimed at boosting the growth of the agricultural sector. Other important areas like Community Development and Minor Irrigation also received substantial allocations.

3. **Conclusion:** The budget aims to achieve balanced development across various sectors. Further, efforts have been directed towards improving infrastructure and services to enhance the quality of life in rural areas.
He said that discussions between the State and the Planning Commission had been only formal without any discussion having taken place on the objectives and programme of the overall Plan itself, which would have contributed to an integrated approach to planning.

when his Government sought to raise these issues with the Planning Commission, it was told that the Planning Commission was aware of the significance of the issues raised but did not have the mandate to discuss them.

He said that one of the issues raised was that a stable climate of prices was a pre-condition for a stable climate of growth. A proper approach to land reforms was also necessary.

Such problems not having been tackled he said the Plan would result in increasing inequalities of income and assets rising unemployment and a higher dependence on foreign sources of funds.

SHRI A. MADAN MOHAN: Sir, the allegation is not well founded for the mere reason that it was a fact that Dr. Syamala Bhaskaran was transferred on certain representations made. But on re-examination, the Government decided to retain her there only.

"Human methods are vital to meet all the challenges. The police force must have a direction and integrity from Inspector-General down to the ordinary constable. The police must be imbued with a sense of purpose and responsibility. The police must be effective but effectiveness does not mean strong arm methods. The results have to be achieved through means which are democratic and which will be regarded as just and legitimate in a society like ours. We have numerous cases where the worst type of criminals who have indulged in murder, rape, theft and harassment of village people on a very large scale over a long period of time get away scot-free because witnesses do not come forward. Some say there is connivance of police,—I do not know—but they do get away and it remains a fact of life. . . . As I said earlier no organised or civilised society can endorse extra legal methods in the name of effectiveness where it has to contain crime or maintain law and order. Senior officials must bring about a realisation that no action can be really effective unless the methods are legitimate in terms of our social and cultural norms and legal framework of our country."
