L. A. Q. No. 17 postponed from 18-3-82 for further supplementary.
Re: Separation of Primary Schools from High Schools

THE MINISTER FOR EDUCATION (Sri K. Kesava Rao): –
Sri, the question is postponed for further supplementaries. The answer was given for the question and if there is any supplementary let the Members ask and I will answer.

SRI S. JAIPAL REDDY: On a point of order, Sir. When another Minister for Education had occasion to give the answer to this question, we raised objection to the answer given because they were incorrect. Prima facie. The question was deferred so as to enable the Minister to gather further information and to give more correct answer in the hope that discussion on this question could start with fresh answer by the Minister.

SRI K. KESAVA RAO: I have perused the entire file and there is nothing wrong in the answer. To the question whether it is a fact that the Government have separated primary Schools from High Schools, the answer is the Government has not separated, as far as Telangana is concerned. In Andhra area it is separate.

We are in the process of giving approval and I am looking into them administratively. At the same time, they are now existing separately, physically. If they need approval, we will be giving them.
SRI S. JAIPAL REDDY: Sir, the confusion appears to have been worst confounded after has been repeated for answer.

SRI S. JAIPAL REDDY: Sir, we have two Ministers and two sets of answers.

(At this stage, the Minister of State, Sri S. Alwar Das rose to answer)

SRI S. JAIPAL REDDY: Sir, we have two Ministers and two sets of answers.

Short notice questions and answers

SRI S. JAIPAL REDDY: Sir, the purpose of postponing the question is completely defeated.

(Interruptions)

MR. DEPUTY SPEAKER: I have not allowed you. I am going to the next question.

SRI S. JAIPAL Reddy: What is the answer to my question, it was not answered.

SRI K. KESAVA RAO: Sir, I will try to explain. The question was (a) Whether it is a fact that the Government have separated Primary Schools from High Schools. The correct information is 'No'. If it is inadequate, tell me what is inadequate. Secondly, Whether the separated Primary Schools have been provided with building and teaching staff? The answer is 'they are not separated on any administrative ground'. But there could arise a situation where the primary schools are existing under the same administrative control in the same building in which case the buildings are inadequate. None the less we are looking at them. This is the correct position.

SRI S. JAIPAL REDDY: Sir, in the first place, it is not correct to say that the primary schools have not been separated from zilla Parishad High Schools. They have not only been separated out of the administrative control but have also been shifted from zilla Parishad to Panchayat Samithis. Therefore, this separation was total, legal and formal. Therefore the answer given to (a) is wrong.

MR. DEPUTY SPEAKER: If the answer given is wrong, you have got other modes by which you can bring in.

Short notice questions and answers

MR. DEPUTY SPEAKER: He will rectify those things.

The applicant should not be a minor for which a certificate of age should be produced. The applicant should not have a house in the name of his wife or his minor children in the concerned Municipality.
The conditions for such houses to whom they allot, should be there. The criteria should be correctly laid down. This discretion cannot be questioned tomorrow as malafide. Secondly, will the Hon. Minister review the entire functioning of the Housing Board where lot of irregularities are being committed, so that all of them could be rectified?

SRI D. K. SAMARASIMHA REDDY: What the Minister says is that there is discretionary quota at their disposal. Definitely to have discretion, it is their choice. But the discretion should be exercised with some guidelines. They cannot make discrete allotments. It is shocking to find that some one was allotted a house at Banjara Hills. On what ground? Some people have been allotted three houses. On what reason?

MR. DEPUTY SPEAKER: You may bring such cases to his notice.

SRI B. K. SAMARASIMHA REDDY: One, Abid Ali, a famous journalist has been allotted a low income house at Banjara Hills. He is an income-tax payee. On what basis he is allotted?
I never applied for a house. Unfortunately, I am allotted a house. I am passing on this information. How can it be without any application?

MR. DEPUTY SPEAKER: I will allow you half an hour discussion on this, if you want.
SRI S. JAIPAL REDDY: We want cancellation. Let the Minister agree for cancellation of the entire allotment which is indiscreet, immoral and improper. We demand for its whole sale cancellation.

MR. DEPUTY SPEAKER: That is up to him.

(interruptions)

SRI S. JAIPAL REDDY: We want the cancellation.

SRI V. SHOBHANADREESWARA RAO: The Minister during the course of his reply has stated clearly and emphatically that an allotment is made only if a certificate is produced to the effect that he does not have a house site of his own here or elsewhere in the State. When that hard and fast rule is there, now
is it some people who had not applied for houses were given allotment. It is clearly given in the answer placed on the Table of the House. The hon’ble Minister is intentionally misleading the House. I request the entire list should be dropped and a thorough enquiry should be made to see as to how this anomaly has taken in place the allotment.

MR. DEPUTY SPEAKER : You are generalising it.

SRI V. SHOBHANADREESWARA RAO : When the Minister says something in the House we expect that it is authoritative and foolproof. Then, how it has happened? Mr. Venkaiah Naidu is telling that he has not applied but he was allotted.

MR. DEPUTY SPEAKER : You are generating it.

SRI V. SHOBHANADREESWARA RAO : When the Minister says something in the House we expect that it is authoritative and foolproof. Then, how it has happened? Mr. Venkaiah Naidu is telling that he has not applied but he was allotted.
MR. DEPUTY SPEAKER: You give it in writing. I will allow some discussion on this.

SRI S. JAIPAL REDDY: Half an hour discussion will not do.

MR. DEPUTY SPEAKER: Everybody wants to say something on this.

SRI S. JAIPAL REDDY: We demand the scrapping of it.

SRI M. VENKAIAH NAIDU: He said he will consider it.

DR. M. MANOHR: The entire thing is very fishy.

MR. DEPUTY SPEAKER: I have not allowed you.

DR. M. MANOHR: I have every right to say this.

MR. DEPUTY SPEAKER: If at all, Members want to say anything please give it in writing. I will give some time.

SRI S. JAIPAL REDDY: It is a very important issue. The Government has failed to indicate the guidelines under which the allotment was made.

(interruptions)
MR. DEPUTY SPEAKER: You give it in writing.

DR. M. MANOHAR: The entire thing seems to be very fishy. I demand that a House Committee should be appointed and the entire thing should be probed. Anybody who has submitted falsely should be sent to jail. It is a serious matter concerning the weaker sections. People who have accommodation have been given houses. It is a serious matter. I request you to appoint a House Committee and let it examine thoroughly and punish the culprits.

Is it not the prerogative of the Speaker to find out the fact and order for an enquiry?

MR. DEPUTY SPEAKER: There is no point of order. I rule it out.

I appeal to you to see that the Government is pressed upon and it is kept in abeyance.

SRI S. JAIPAL REDDY: What are the guidelines?

MR. DEPUTY SPEAKER: The Deputy Chief Minister has given an assurance.

SRI S. JAIPAL REDDY: What is the deadline by which the Cabinet will take a decision?

MR. DEPUTY SPEAKER: He said that he would consider.

SRI S. JAIPAL REDDY: What is this, Sir.

MR. DEPUTY SPEAKER: I infer it in such a way.

SRI S. JAIPAL REDDY: We want the time to be indicated Otherwise that assurance has no value whatever.

(Interruptions)

MR. DEPUTY SPEAKER: He said that he would consider.

SRI S. JAIPAL REDDY: What is this, Sir.

MR. DEPUTY SPEAKER: I infer it in such a way.
Let Mr. Venkaiah Naidu decide. It is a continuous Government, whether I am in power or Venkaiah Naidu is in power. It has to continue and certain decisions which I have taken or promises made on the floor of the House have to be honoured by the subsequent Government.

(interruptions)

MR. DEPUTY SPEAKER: If it is like this it is difficult for the Chair to conduct.
When the Rules of the Housing Board have not provided any discriminatory powers to any other authority, how could the discriminatory powers be exercised by the Government, especially when the Rules of the Housing Board are not provided?

MR. DEPUTY SPEAKER: No more discussion on this please. In view of the Assurance given by the Dy. C. M., I want all the Members to resume their seats.

We have demanded a House Committee and the list should be kept in abeyance.

INTERUPTIONS

SRI S. JAIPAL REDDY: Let the list be kept in abeyance please.

SRI C. JAGANNATHA RAO: How can you do it without keeping it in abeyance. How could I review it at all? I do not understand the logic of my extreme colleagues. How do they say? Without keeping in abeyance how it would be reviewed at all? Is it necessary that I should say that. I thought they are equally intelligent and will understand my language.

What I want you is - let the Hon'ble Minister put a stop to it and review the same, and you take a decision if it is agree able to you.

MR. DEPUTY SPEAKER: Is the Minister for Housing, agree able for that?

SRI B. SESHA SAYANA REDDY:— Yes.

MR. DEPUTY SPEAKER: In view of the Assurance given by the Minister, no more discussion on this please.

As per the notification dated 3,75,000 workers employed in the Mills in the year 1968 were thrown out of employment. The Mills were forced to close down due to the lockout. The lockout was caused by the workers demanding a minimum wage of Rs. 35. The management was not willing to grant the workers the demanded wage. The issue was taken up by the workers in the court. The court order was not followed by the management. The workers continued their struggle for better wages and working conditions. The lockout continued for almost three months.

(3) STRIKE BY THE STUDENTS OF I. T Is.

Mr. Deputy Speaker: I have received a letter from Sri N. Bhaskar Rao M. L. A., stating that he has resigned from the Congress-I Party and that he wants to sit in the House as an independent member. This is for the information of the House.
CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

(1) Landing of 12 Fishermen from Burma, at the Sea Coast of Repalli, Guntur.

SRI C. JAGANNADHA RAO: The Collector, Guntur has reported to the State Government and also the Government of India that on 17-1-82 four Burmese fishermen were noticed by Indian fishermen of Rajukalva of Guntur district floating on an improvised craft in Bay of Bengal and crying for help. Our fishermen rescued them and brought them to the Repalle Police Station. Another batch of eight Burmese fishermen were washed ashore on 19-1-82 and they were rescued by the villagers and brought to Repalle Police Station. All the 12 fishermen are now under the protection of Repalle Police Station.

Repatriation of these fishermen cannot be done without the orders of the Government of India in consultation with the Burmese Embassy. The State Government have therefore addressed the Government of India in the matter on 11-3-82 for issuing necessary final orders for the repatriation of these fishermen. The personal particulars of these fishermen viz., Name, Place of Residence, Police Station, sub-Division, District to which they belong, date of sailing from Burma, and the address of the owner of the boat etc., which are required by the Government of India, have also been obtained from the Dy. I. G of Police (Intelligence), and they were also sent to the Government of India for issue of final orders for their repatriation. The final orders of the Government of India are awaited. As soon as they are received from the Government of India, these fishermen will be repatriated to the Burmese Embassy. The matter is being pursued with Government of India.

In the circumstances, it is not correct to say that no steps have been taken so far for their repatriation to their mother land.

Calling attention to matters

It is true that the State Government has directed the officials to submit reports on matters referred to them by the Government. However, the officials are not aware of the importance of submitting reports on time. As a result, they are delaying the submission of reports.

In consequence of this, the State Government has decided to issue fresh directives to the officials. The new directives will provide a clear timeline for the submission of reports.

The officials are requested to ensure that they submit their reports on time. Failure to do so will result in disciplinary action against them.

Sincerely yours,

CHAIRMAN: Mr. Venkaiah Naidu, I have just now received a letter. Mr. Hayagrivachary, has expressed his willingness to give his personal explanation. So, that aspect you need not repeat.
