ENHANCEMENT OF WAGES OF BEEDI LEAF COLLECTION WORKERS

196— "9247-(L) Q-Sri Poolla Subbaiah (Markapur) :- Will the Minister for Forests be pleased to state:

(a) whether the Government propose to enhance the wages of beedi leaf collection workers in the State in view of rising prices;

(b) if not, the reasons therefor; and

(c) whether the Government are aware of the fact that different piece rates for each bundle of leaves are being paid to the workers at different places in Khammam District?

Minister for Forests (Sri M.A. Aziz)

(a) No, Sir.

(b) The wages for collection of beedi leaves for 1982 season have been fixed by the Government on the basis of recommendations of a committee constituted under the provisions of section 6 of the Andhra Pradesh Minor Forest Produce (Regulation of Trade) Act, 1972.

(c) Different rates have been fixed for different-groups of units in Khammam District as follows:

1. Units 1 to 29, 32 to 40 = 10 paise per bundle of 100 leaves.
2. Units 30, 31, 44 to 49 = 8 paise per bundle of 100 leaves.
3. Units 41 to 43 = 7 paise bundle of 100 leaves.

a) Whether the Government propose to enhance the wages of beedi leaf collection workers in the State in view of rising prices.
There is a statutory Committee. That Committee is constituted under the Andhra Pradesh Minor Forest Produce (Regulation or Trade) Act, 1971. In that there is a representative of the labourers also. This Committee fixes the rate for the collection of beedi leaves.

In January, 1974, the Regional Transport Authority, Cuddapah, resolved to issue pucca permits to 10 Contract Carriage to ply within the district. Later, on 6-4-1975, the State Transport Authority, issued instructions to all subordinate officers not to proceed with the grant of pucca permits till Government issued rules containing Guiding principles with regard to grant of permits. So much so, no action was taken to implement the above resolution. In the meantime certain operators sought issuance of pucca permits but as they were rejected, the aggrieved parties approached the State Transport Appellate Tribunal. The State Transport Appellate Tribunal by Bit order dated 29-6-1979 directed to fix the quota basing on the need and consider the applications before the Regional Transport Authority. The Regional Transport Officer, Cuddapah issued a notification on 13-11-1981 inviting applications from the Registered operators of the District for issue of 10 pucca permits to contract carriages giving one month's time. The Regional Transport Authority resolved on 9-11-81 that increase in the strength of 10 contract carriage permits would be examined further after the existing strength was exhausted. The Regional Transport Officer, Cuddapah, received 108 applications. The Regional Transport Authority met on 25-2 '82 wherein an item to consider grant of 10 contract carriage permits to candidates from among 108 applicants, in Cuddapah District, except on prohibited roads was included. The Regional Transport Authority after examining the merits of all the applicants either present or absent passed a resolution the gist of which is as follows.
re. (1) Illicit Operation of Private Buses in several routes taken over by the APSRTS in Cuddapah District

"The Regional Transport Authority in its sitting held on 29-1-74 sanctioned 10 contract carriage bus permits for the district. In view of the increase in population and travelling public since January, 1974 and greater need for additional tourist transport facilities, the Regional Transport Authority is of the opinion that the strength of the contract carriage bus permit should be increased and taking into consideration all the relevant factors, this body decides to raise the strength of the contract carriage bus permits from 10 to 20".

The resolution further discussed the merits of the applicants while quoting rule 212 E of the Andhra Pradesh Motor Vehicles Rules 1964 and awarding marks. 20 Permits were granted 19 buses obtained permits. The APSRTC has filed an appeal in the State Transport Appellate Tribunal, against the grant of contract carriage permits by the R T A., Cuddapah

According to the Regional Transport Authority Cuddapah, the permit holders have commenced plying their vehicles on the following routes:

1. Cuddapah-Mydukur-Jammalamadugu (10 vehicles)
2. Cuddapah-Rayachooti (2 vehicles)
3. Cuddapah-Rajampet-Kodur (4 vehicles)
4. Cuddapah-Pulivendala (3 vehicles)

Subsequent to the grant of the above permits, 23 cases involving 16 vehicles were booked. Apart from other irregularities like exhibition of list of passangers carried, maintenance of trip sheets and other records including Driving Licence, it was detected that almost all the 16 vehicles were plying as State carriages. The checking officers have collected the difference of tax. In as much as the permit conditions were violated the cases were referred to the Regional Transport Authority. The matter was discussed inconclusively at the meeting of the Regional Transport Authority on 21-7-1912.

8-7-82, it is alleged that with the plying of contract carriages' APCRTC is incurring losses at Rs. 20 thousand per day. There are

24 Nationalised routes in Cuddapah District. There was also an

agitation by these employees before the Regional Transport Office,

Cuddapah, on 14-6-82 and 12-7-82. Collector, Cuddapah, convened

a meeting of both APSRTC employees and the Contract Carriage

Operators on 16-7-82 and advised the operators to abide by the

conditions of the permit. The Transport Commissioner also has

deputed a special squad to Cuddapah District to watch the op-

erations of these Contract Carriages.

The Hon'ble Central Information Commission,

The Secretariat Complex,

district of New Delhi.

Sir,

We are in receipt of your letter dated 10th August, 1982, regarding the arrest of two Press Correspondents at Kodagandla, Warangal District.

We have been informed that the two Press Correspondents were arrested under Section 144 of the Indian Penal Code on charges of inciting violence and disturbing public peace. The Press Correspondents were detained for 10 days and released on bail.

We request you to provide us with further details of the incident, including the exact nature of the charges and the circumstances under which the arrest was made.

We are looking forward to your early response.

Yours faithfully,

Sri C. Jagannadha Rao:- One Smt Ramadevi, teacher, Balwadi school Kodakandla, accompanied by some local teachers, preferred a written complaint on 13-5-82 that Sri P. Ramachandramurthy son of Sri Surendra trespassed into the Balwadi on 13-5-82 and obstructed her. Another P. Satyanarayana son of Sri Surendra had similarly trespassed into the Balwadi kitchen and obstructed the ayah in
the absence of Smt. Rama Devi. On the complaint, a case in Crime No. 31/82 under Sections 448 and 353 of I.P.C. was registered by the Sub-inspector, Kodakandta. During the course of investigation it was ascertained that Sri P. Ramachandramurthy and Sri Satyanarayana are free lancers contributing to Andhra Prabha and Eenadu newspapers respectively and Sri P. Ramachandramurthy had on an earlier occasion visited the house of Smt. Rama Devi on 17-5-82 at 8 P.M where she lives alone and asked irrelevant questions and threatened her. After investigation a charge-sheet was filed on 16-7-82 and a non-bailable warrant was issued by Court against the accused. The non-bailable warrants were executed on 4-8-82 and both the accused were produced in the Court of J.S.C.M. Janagaon where they were released on bail. It is not true to say that the above accused were arrested on false charges for exposing the corrupt activities of local people and police. There is no agitation among the public in the village or the area on this issue.

(Student) Sri K Keshava Rao:—Sir, I don't know how the Hon Member has brought this issue under rule 329. It is with regard to the All India Students' Federation going on a demonstration. It is on various other demands than capitation fee and donation. It is with regard to admissions, seats, text-books and all that. Let me go on record to say that it is just a demonstration with good intentions but it is not supported by any facts or any concrete thing or bonafide intentions at all. It is wrong to think that Cuddapah has any problem of seats. Cuddapah has got today, as far as Matriculation students are concerned, there are only 9,000 boys who have passed matriculation in Cuddapah while I am having 8,500 seats in Intermediate. If a single boy comes to me and tells me that he has not got a seat in Cuddapah, I am prepared to submit to you about my failure. About Intermediate, it is only 4,000 students who have passed in Cuddapah while I have 4,250 seats in Degree colleges. So to say that they are not getting seats, is absolutely wrong. But, the principles behind that—about donation and capitation fee and I welcome that. The Engineering College in Cuddapah might be charging which I condemn vehemently, and say

that there cannot be greater heinous thing than having a capitation fee in lieu of a seat. At the same time, I tell you that it is a general issue on which I am one with these students in condemning the capitation and also donation thereof. As far as we are concerned, notwithstanding the Act that is now passed, I have also passed a G.O. to state that there will not be donations. Even if donations are to be collected because under the Constitution donation could be given what I have done is, I have made the D.E.O. the collecting authority wherein donation should be paid to the D.E.O. who in turn will give back to the colleges. It is one of the measures, I thought we would like to take. I am not satisfied with that measure at all. What I am now trying to do is that next year I would like to see that there are local committees which will be in charge of admissions so that the very order of merit is followed once the order of merit is given, I do not think the donations will be that much of evil. As I have submitted to you, Mr. Speaker, it is not the issue of Cuddapah students but in the State it could be. It might be taking some shape particularly in towns like Hyderabad, Visakhapatnam or Vijayawada for which also we must take all the measures.

To talk about the other demands of the federation, the boys have been meeting me and my addressing them, they are always welcome. I am not one of those who would always like to address them. It is not the first time that AISF is coming to me. D.S.O. PDSU, RSU people have come to me and I have talked to them. It is all right for the parties to have their own demonstrations and I welcome them because at least it will be helping me to project the issue of which I am also trying to fight the evil and because I am trying to fight the evil and taking the Corporation of the entire society. As far as the Government is concerned I am one with them on all the issues. If they are trying to talk to me, let them come. But let me also clarify through you and through this House that almost all their issues are being solved on a war-footing.

As regards donations, the Chief Minister has said yesterday. As far as I am concerned, it is not only cognizable offence under the new Act, Even under the G.O. no one can be a party to it. If they give me any information, I am not taking even a moment's time to take

the severest action I have even taken action in suspending Principals on this issue. So I am one with them. I assure the Hon. Members that I totally agree with the principles and the Government is alive to their problems and we are taking all measures to solve them.
Students abstaining from Class in Cuddapah demanding abolition of donations for admission into education institutions.

The students of the Cuddapah region, led by their leader Mr. R. V. Reddy, have initiated a series of protests demanding the abolition of donations required for admission into educational institutions. Their main concern is to ensure that the education system is not only accessible to those who can afford these donations but also maintains its integrity and moral standards.

In one of their recent protests, the students, under the leadership of Mr. R. V. Reddy, marched to the district collector's office on 10th August, expressing their dissatisfaction with the current system. Their demands were backed by a group of supporters who have voluntarily decided to withdraw their donations, thereby setting an example for others to follow.

In light of these developments, the government has been urged to reconsider its stance on the issue of donations. The students believe that such practices distort the true spirit of education, which should foster growth and development rather than financial barriers.

In response to their plea, the authorities have promised to review the existing policies and consider the students' demands. A meeting is scheduled between the students and the government officials to discuss the matter further in detail.

It is anticipated that these discussions will lead to a more equitable and fairer system of education, where financial contributions do not undermine the principles of equality and merit-based admission.

I will be the happiest person to talk to them. There is no problem at all. I will go and talk to them. But this issue is not restricted to Cuddapah. As a matter of fact, it does not exist in Cuddapah. But let me hold brief on their behalf, which you are not doing. The Cuddapah boys are doing this for the entire State because this is a problem which is discussed everywhere but are not able really to solve totally.

re: Distribution of Cement

I am writing this letter to clarify some issues regarding the distribution of cement. The recent reports and discussions have raised certain concerns among the beneficiaries. I would like to provide some explanations on these matters.

Firstly, there have been complaints about the allocation process. It appears that certain beneficiaries have not received their share of cement due to mismanagement. Efforts are being made to rectify this situation as soon as possible.

Secondly, there is a need for transparency in the distribution process. It is crucial that information is shared in a timely manner to prevent any further misunderstandings.

Lastly, I would like to address the issue of transport. There have been delays in the delivery of cement due to logistical challenges. Measures are being taken to improve the supply chain.

I hope this information is helpful. If you have any further questions, please do not hesitate to contact me.

Sincerely,

Sri T. Anjaiah

Sri Divi Kondaiah . Point of order

Mr. Deputy Speaker - In the Question Hour there is no point of order.
Sri Divi Kondaiah Chowdary :- Question Hour is over. 329 is not a question hour. Question Hour is already over. Now there are two statements before the House-One by the Hon. Minister for Industries and the other by the Ex-Chief Minister. Either the concerned Minister for Industries must clarify the statement or if he does not agree with it he should deny.

Mr Deputy Speaker :- In the morning in my Chambers Sri Anjaiah and Sri Prabhakara Reddy said that they would give personal explanations and that is why I allowed them. But you know the rule position and it is quite clear. Now I cannot allow any debate on this.

Sri Divi Kondaiah Chowdary :- Sri Anjaiah is here. It is not a debate. There are two Statements. Industries Minister gave a statement before the House. The Ex-finance Minister and the Ex-Chief Minister have denied. Then the House has got a right to know from the concerned Industries Minister. Let him say. When there are two contradictory statements, it is up to the Chair to direct the concerned Minister to clarify the position.

Mr. Deputy Speaker :- No more discussion.

Sri Ch. Rajeswara Rao :- Point of Order. I agree with you. That there should be no debate. But there is a suggestion.

Mr. Deputy Speaker :- It is a clarification on this issue?
Sri Ch. Raieswara Rao :- No, Sir it is not true, I have not said anything to that effect. I have referred to Finance Minister Prabhakara Reddy.

If the Minister comes, I will direct him to give statement.

Sri T. Anjaiah :- I am prepared to retire from politics and I challenge. With my endorsement I have referred to Prabhakara Reddy, Finance Minister.

In this context, considering the development of women's sector, the need for an annual financial statement (Budget) for 1982–83 is crucial. Adequate funding is essential for the effective implementation of programs related to women and child welfare, social welfare, and tribal welfare. The statement highlights the allocation of funds for various projects and initiatives aimed at improving the quality of life for women and children, promoting social welfare, and addressing the challenges faced by tribal communities. The budget outlines the areas where funds have been allocated, emphasizing the importance of sustained investment in these sectors for sustainable development.

This department covers a number of continuing schemes for the welfare of women and children. This department of women and child welfare through these many institutions is providing service for the care of the destitute women and children, where they are provided facilities of education in the case of children, and training and crafts for rehabilitation in the case of women.
A.P. Women Cooperative Finance Corporation was established in 1975 with a share capital of Rs. 10 lakhs. To-day they have grounded self-employment schemes to the value of Rs. 6 crores. This Corporation gives loan assistance of 20% of margin money and the rest 80% of bank assistance of the value for any given scheme for those who are very much below the poverty line.

The most noteworthy feature is the integrated child development service schemes conceived by the Government of India. This scheme provides help, nutrition care of children from zero to 6 years and pregnant women and nursing women also. This is centrally sponsored scheme, introduced in two blocks in the State during the years 75-76. To-day we have 21 centrally sponsored projects and 9 projects in the State sector. These 30 projects are at present in various stages of development. Government of India has sanctioned 23 more projects this year and 26 during 83-84. This brings to a total no. of projects to 79 by the end of 1984. Budget for 81-82 is Rs. 521.30 lakhs. In 82-83 it is Rs. 711.36 lakhs. This is increased by two crores for the women and child welfare programmes. I don't say that is enough. As I said, basically I am a woman. I require as much money. I would be very happy to demand as much money as possible for the women. It is really necessary. But as I put it there are some financial stringencies.

Even during the former Minister's time (Smt. Vijayalakshmi's time) the entire department was devoted.
As far as municipalities are concerned, certainly I would like the municipalities to divert 5% and implement schemes sincerely. 

As a matter of fact I will bring it to your notice. As far as municipality administration is concerned...

This is not the duty of the women welfare department. This is the duty of the local bodies.

These certainly will be looked into. They said priority attention should be given for certain things. There is an urgent need for the consideration of latrines. Health and sanitation form part of the budget of the department of health and medical services.

There are at present 166 Balwadis. At Nalgonda district there are 8 Balwadis. There has been no discrimination in the allotment of Balwadis.
Certainly we will ask them to fill up the vacancies by the end of December.

One of the points that they have made is about nutrition programme. This is a very very important aspect of our Prime Minister's Twenty Point Programme. Each project is co-terminus with Block in a Samithi.

Local involvement is absolutely essential. I would request the Members of this House to take particular care to involve all the local people in these problems.

That is immunisation and health check up, medical aid, supplementary nutrition, non-formal education...

They should have their priorities and also they should have the benefit.
In Chirala there is a necessity.

I will convey to the Chief Minister.

It is a very pertinent point. They should be given to those particular institutions. I will convey it to them and they must implement them.

I want to tell you that we are bringing very very important legislation.

It is worrying the Prime Minister and all of us.

The entire responsibility lies on the men. They must continue and say 'we don't want dowry.'

In the context of the financial year 1977-78, a total of 80 crores were allocated, which subsequently increased to 130 crores. This increment was to cater to various additional needs and requirements. The statement further highlights the increased expenditure on various sectors, indicating a shift in financial priorities.

The statement concludes with an emphasis on the importance of continued budgetary planning and execution to ensure balanced financial health.
