Seventeenth Day of the Twelfth Session of the Andhra Pradesh Legislative Assembly

ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Friday the 6th August, 1982

The House met at Half-past Eight of the Clock
(Mr. Deputy Speaker in the Chair)

BUSINESS OF THE HOUSE

Sri M. Veikiah Naidu (Udayagiri):- Sir, why this three minutes late? It has become a regular practice with the Government that even a single Minister is not present here, in time.

Sri A. Madan Mohan:- Sir, I object to this. To-day I came at 8:21 a.m., itself. By the time you came, you have seen the sitting in the Chambers.

Sri M. Venkaiah Naidu:- I may bring to your notice that at 3 a.m., Smt. B. Sarojini Pulla Reddy, who is not a Member of this House has entered the House and by 8:33 a.m., the Leader of the House has come.

Mr. Deputy Speaker:- Yes, the Leader of the House was there.

Sri A. Madan Mohan:- Sir, unless the Bell is given they cannot expect us to come inside the House.

Sir, is it fair to start this House by late, every day. This is the 4th time I am pointing out and I may go on record and you can verify and take me to task also if I am wrong. This is the 4th time.

*An asterisk before the name indicates confirmation by the member.
Mr. Deputy Speaker:— That is a small thing and you know no two watches agree here (Laughter)

Now let us take question No: 161 and on behalf of the Minister for Technical Education, the Minister for Medical and Health will answer. He has taken my permission and gone to Warangal.

Sri M. Venkaiah Naidu:— Sir, when Assembly is in Session why should he go to Warangal or any place?

(interruptions)

But still we are avoiding all of them.

They have not respected the House, leave alone, respecting the Chair. They have scant respect to the House.

Mr. Deputy Speaker:— I have given permission in the exceptional circumstances.

Sri M. Venkaiah Naidu:— Sir, what is that exceptional circumstance?

Mr. Deputy Speaker:— He wanted to go to Warangal for laying the foundation stone and come back.
Sri M. Venkaiah Naidu:—Sir, it is highly objectionable. That is the programme of laying the foundation-stone. I request the C. M., to clarify the position of the Government as to whether it is a policy of this Government to lay the foundation-stone when the Assembly is in session.

Sri P. Subbaiah (Markapur):—Sir, when the Assembly is in session no Minister should go and attend official functions.

Mr. Dy. Speaker:—It was decided to months back itself......

Sri M. Venkaiah Naidu:—Sir, but Assembly is more important than that. Even the Prime minister said so many times in the Parliament that the Parliament should be given the highest priority than any thing else.
Mr. Deputy Speaker :- I don't know. I told him to
postpone but as it was decided long back he wanted to
goon and attend personally. It is an exceptional circum­
stance for permission. He wrote to me that "I am
going to Jangaon to lay the foundation-stone for a Degree
College at 8.00 a.m.".

Mr. Deputy Speaker :- He wrote to me that "I am
going to Jangaon to lay the foundation-stone for a Degree
College at 8.00 a.m."

Sri, Ch. Rjeswara Rao :- Sir, with all due respects
to you, we abide by your decision but we have to comment
upon this that "What this Minister has taken this occa­
sion - is not proper".

Mr. Deputy Speaker : Now no more discussion please.
Let us go to question No : 161.

Sri A. Madan Mohan:— Sir, the Government has been imposing restrictions from time to time. In fact we have terminated many doctors. I think as many as about 300 doctors have been terminated during my regime as Health Minister. It is not a fact that we just allow them to go. We have put as many restrictions as possible. Yet
if they go on unauthorised leave, naturally under C.C.A. Rules, we have resorted to take disciplinary action against them.

SELLING OF GOVERNMENT QUARTERS AT KURNOOL TO ITS EMPLOYEES

164—

*9395—Q.—Sri Mohd. Ibrahim Khan (Kurnool):- Will the Minister for Roads and Buildings be pleased to state:

(a) Whether there is any proposal with the Government to sell the Government Quarters at Kurnool to its employees who are residing in them on instalment basis; and

(b) if so, when?

Minister for Roads and Buildings, Sri M. Manik Rao,

(a) No Sir

(b) Does not arise.

They have become very old. I understand that the cost of expenditure towards maintenance and the amount paid as taxes etc., have exceeded the rents paid by the employees. So, the employees submitted a representation and requested the Government to sell these houses to them on instalment basis. Is such representation received? If so, what are the orders passed by the Government?

Sri M. Manik Rao. Sir, we have 1053 Government quarters at Kurnool and they were constructed during 1955. Out of this, only 25 houses have been allotted to retired officers on hire basis. It is not the policy of the Government to sell the quarters to employees at Kurnool on hire purchase system.
LOCATION OF LIFE GUARDS TOWERS
AT HUSSAIN SAGAR

165—

*9'62—Q.—Sri B. Machender Rao:— (Secunderabad Conton-
ment):— Will the Minister for Municipal Administration be pleased
to state;

(a) whether there are any proposals to locate life guards
towers at Hussain Sagar (like that of on the beaches of
foreign countries) due to the frequent drownings in the
lake; and

(b) the total number of persons drowned in the year 1981?

Smt. B. Sarojini Pulla Reddy:— Sir, it is so unfortunate in
this great country where women are respected so much, men are
responsible for all these suicides! So, Mr. Machinder Rao must
tell his clan to behave well.

(LAUGHTER)

Mr. Deputy Speaker:— You are very uncharitable towards him.

Smt. B. Sarojini Pulla Reddy:— Sir, but the facts do remain
as facts.
There is no plan. According to the Police Commissioner, during 1981, 23 deaths occurred in Hussain Sagar due to drowning. Usually, life guards are posted along the sea shores and river front where bathing or swimming is permitted on a large scale i.e. at the Pushkaram season in Vijayawada and Rajahmundry, arrangements have been made with life guards and search lights but in Hussain Sagar swimming is prohibited. Any how, it is a good suggestion. It is worth examining.

Sri M. Venkaiah Naidu :- Sir, will the Minister take action to prevent such deaths by not allowing anybody to bring their cattle to the Hussain Sagar for bathing etc?.

Smt. B. Saroji Pulla Reddy :- Sir, it is a fact that children, while they bring the cattle, will just slip down and get drowned. I will certainly have a discussion with my senior colleague, the Home Minister and decide the preventive measures.

(a) whether it is a fact that the Government has constituted a Commission to enquire into the irregularities committed during the Second World Telugu Conference; and

(b) if so, whether a copy of the report will be placed on the Table of the House?

Sri Ch. Kasaiah (Kothagudem) :-

(2) 1981, సింహాసన జాతీయ సమితి సమావేశాలు అహాంకార చింత చెప్పాలని నిర్ధారించారు. కల్పనలో నిర్ధారించారు.
(b) Whether the International Telugu Institute has incurred any financial liability particularly with reference to the Travel and other incidental arrangements made in pursuance of the conference and who is responsible for the purpose of organizing the same?

Secondly what are the grants sanctioned by the Government, the amount incurred and whether there were any irregularities in the arrangements made and also in the expenditure?

Sri S. Jaipal Reddy ((Kalwakurthy)):- What is the Constitutional provision or legal provision under which these appointments were made and what is the head under which these funds are drawn?

Mr. Deputy Speaker:- Re says the appointments are made because of the inherent powers they have.

Sri S. Jaipal Reddy: No Government has inherent right. It is taxpayer’s money. What is the legal provision under which these appointments are made. How are they valid constitutionally?

(No reply)

Sri M. Venkaiah Naidu : What happened to all our questions? Kindly ask the Minister to reply.
Sri S. Jaipal Reddy: Under what authority of law?

Sri M. Venkaiah Naidu: what is the constitutional authority? I doubt about the constitutional authority of the appointments. He says he got the powers. He is forgetting that he is a Minister. He is thinking that he is a king.

Sri C.H. Rajeswara Rao: What is the authority of law. He must abide by the law.

Mr. Deputy Speaker: That legal provision he can tell later.

Sri S. Jaipal Reddy: There are officers sitting to pass on chits. They too appear to be ignorant. That shows the invalidity of their appointments and validity of my question.
Mr. Deputy Speaker: It is the joint responsibility.

Sri S. Jaipal Reddy: The Hon. Minister was not only concerned with the question but he rather gave a totally irrelevant answer. There must be law to sanctify every custom and a custom unsanctified by law, cannot be valid.

Sri A. Madan Mohan: The hon. member does not know the custom. If it is established it is a law, by itself.

Sri S. Jaipal Reddy: He stopped practising law. Now he is not practising law

Let the Chief Minister say

by authority of the Constitution it is endowed with the power, rather sovereign power to the extent of administering and taking the powers of administration the Government is appointing even earlier one poet laureate. Even earlier also the Tamil Nadu Government appointed. It is of course customary on the part of any administration to respect those endowed with a certain quality in any field especially either it be in literature or in any fine arts which appeals the people. So far as this aspect is concerned, I understand the mood of the House. I have similar views as many of the members have. A Cabinet Sub Committee is appointed for this purpose and we will review the whole position and take necessary action.

Sri M. Venkaiah N. du:- I have taken permission of the Chair and I have given notice for that.

Mr. Deputy Speaker:- I don't know whether the Chief Minister is ready with the information.

Sri M. Venkaiah N. du:- In the interest of justice, I request the Chief Minister to take necessary steps to see that the contractors are released and desist the Ministers. If the Chief Minister is having a democratic spirit he will reply.

Sri B. Venkatram:- For the first time the Member is alleging certain facts. I must be given an opportunity to enquire about it. He had mentioned about the hon'ble colleagues. I should enquire whether they have actually gone there or not. I don't know how Venkaiah N. du could get information about the village and all that. Any way let me examine it. I took note of all the facts. I will reply on Monday.
I don't want to enter into all those details. I took note of what you have said. You can even give further details.

Sri M. Venkaiah Naidu:— It is a serious matter.

Mr. Deputy Speaker:— It might be a serious matter, but you are going on taking the time of the House.

Sri M. Venkaiah Naidu:— Kindly bear with me. You instruct the S.P. to go according to law. I have already informed the S.P. that he need not care for anybody on party basis and that he can go ahead with his duties impartially. I have given orders and the S.P., as the hon'ble Member knows, is an honest man. He will act according to the rules and he will act impartially.

Sri B. Venkatram:— So far as this aspect is concerned I had already informed the S.P. that he need not care for anybody on party basis and that he can go ahead with his duties impartially. I understand your anxiety about it. So, I have advised the Chief Engineer to rush to the place immediately to see that repairs are made so far as the breach is concerned.

Mr. Deputy Speaker:— Hereafter I will not allow anybody in the zero hour unless there is a notice of 329.

STATEMENT BY MINISTER FOR MEDICAL & HEALTH AND LEGISLATURE

Re: Strike of the Nurses in the State.

Sri A Madan Mohan: The demands of the Nurses were discussed in the meeting held on 25-5-1982 in my Chambers. The Government were considering the implementation of the demands, which were agreed to. Meanwhile the Nurses have decided to go on strike from 3-8-1982. The Deputy Secretary and the Director, Medical Education have invited the representatives of Nurses Associations for talks and discussions were held on 1-8-1982 and several demands were discussed at length. Inspite of these discussions, they have gone on strike from 3-8-1982.

On 5-8-1982, the representatives of both the Nurses' Association were invited and discussions have been held with them in my Chambers. The Minister (Finance), Chief Secretary, Finance Secretary, Deputy Secretary, Medical and Health and both the Directors, Medical Education and Public Health & Family Welfare, also participated in the discussions. During these discussions, it was agreed to issue orders on the following demands:

S.S. (Sr. Advocate) - 28th Aug., 1982

The facts of the case are as follows:

On 27-7-1982, two workers of the B.J.P. party, namely J.P. and K.P., were working in the Warangal district. During the course of their work, they were attacked by a group of people who were opposing the B.J.P. party. J.P. was killed on the spot, while K.P. was severely injured and later died in hospital.

The police were immediately informed about the incident, and a case was registered under Section 302 of the Indian Penal Code. The investigation revealed that the accused persons were members of the opposition party and were acting under their directives.

The police also found evidence that the accused persons had been planning this attack for a long time.

In view of the above facts, the police have concluded that the accused persons are guilty of murder and should be punished accordingly.

The matter is now being investigated by the police, and the accused persons will be brought to justice.

The resolution is not clearly visible in the image. It appears to be a discussion or a statement related to streamlining the police machinery to meet the objectives of a Welfare State. The text is fragmented and difficult to read, but it seems to be a part of a formal communication or a report.

Why is the Police not advised to attend the Zilla Parishad meetings and take note of these things.

The meeting commenced with a discussion on the grant of old age pension to all eligible persons. The speaker emphasized the importance of this measure for the welfare of senior citizens. The issue was raised with the need to ensure that all eligible persons receive their pensions on time. The speaker advocated for a more efficient system to address the concerns raised by the attendees.

The second point of discussion was the need for a separate cell to handle the pension-related queries. This would help in providing better service to the pensioners. The speaker suggested that this could be achieved by creating a dedicated team to address the specific needs of pensioners.

The meeting concluded with a unanimous agreement to expedite the implementation of the recommendations made. The importance of timely responses to pension-related issues was emphasized, and it was decided to review the progress at the next meeting.

Budget For 1982-83 (General Discussion

...
Sri M. K. V. Reddy (Koilkunta):- Sir, with your permission, I wish to speak in support of the budget proposals presented by our Hon'ble Finance Minister. The opposition has criticized and condemned the budget proposals. We did not feel surprise about their criticism as they feel it is their bounden duty to criticize any proposals, good or bad, that emanated from the Government. For the Finance Minister, it is always a difficult job to frame the budget proposals. There will be innumerable demands with limited resources at his disposal. It is a really difficult job to find resources in the face of mounting economic problems, growing demands and with the expectation from the people for better living and for ending their hardship and miseries. I appreciate the budget proposals of the Finance Minister as they have undertaken re-orientation to meet the demands of the common people and the weaker sections of the society in particular without any additional taxation imposed upon the people.

I appreciate the relevant changes made in the priorities of the Plan to give a fillip for the schemes under the new 20 Point Programme which aims at the upliftment of the weaker and backward sections of the people by providing the amenities for the under-privileged, living in the rural and urban areas. I am glad the Government is taking keen interest in sincere implementation of these proposals. Scholarships for the School attending children of B. C. and weaker
sections. Funds for various schemes such as housing schemes bringing of water in rural areas, Mid-day meals, etc. are some of the welfare features of the Budget.

While supporting the Budget, I would like to make one or two suggestions regarding Rayalaseema.

Rayalaseema is industrially and agriculturally backward and there are recurring droughts and famines. Though little mineral research is made and reserves are there, there are no mineral based industries in the Rayalaseema anywhere. We find concentration of these mineral industries in Visakhapatnam and other places.

Even in regard to communications, ever since the British rule, there is no new railway line added in Rayalaseema. The Busses, transport facilities, Bus Depots and shelters in Rayalaseema are also not adequate if compared with either in Telangana area or Andhra area.

The Educational facilities are also lacking. The Colleges in Rayalaseema are not equivalent to one district of either Krishna or Guntur. The regional imbalances are increasing and that has to be stopped.

Rayalaseema once upon a time was famous for its glory and was called as 'Ratnala Seema'. Gradually, it has become the objective for Droughts and Famines and gradually reduced to what is now being called as "Ralla Seema."

Even the nature seems to be not friendly but hostile with Rayalaseema. Therefore, the rain-fall is very very weaker and there are no water resources worth mentioning. Added to this, none of the previous Governments headed by the Chief Ministers of Rayalaseema also and the successive Government have done any thing to Rayalaseema in prevention of these recurring famines and droughts.

Now, a solution to all these ills is to divert the Krishna River waters to Rayalaseema; and construction of Right Bank and Left Bank. On this issue all the members of this House, the whole of the of the opposition is divided. Therefore, even after the sanction has been obtained from the Centre for the Right Canal, the work has not begun. I urge upon the Government to give top priority
for this Scheme and make a provision in this Budget and without any kind of delay the work should be started.

I once again appeal to the Government to initiate measures for the development of Rayalaseema on a war footing and implement the developmental schemes for Rayalaseema. They are—(1) to bring the Krishna waters to Rayalaseema and (2) to start industries in Rayalaseema for which the raw materials are available in Rayalaseema, such as minerals and forest produce.

I compliment our Finance Minister for his resourceful budget provided with additional funds for various schemes benefitting the common people, without resorting to any additional taxation.

I once again welcome this most re-oriented budget proposal, and I thank you, Sir, for giving me this opportunity.
