asking for some more time. Let the Speaker clarify to the Minister.

Sri. M. Venkaiah Naidu:— Let the question be postponed.

Mr. Deputy Speaker:— Will postpone this question to a later date.

Sri M.Venkaiah Naidu:— Office is in Hyderabad and the Chairman is functioning from Visakhapatnam.

Sri M.A. Aziz:— There have been a number of occasions where a number of Chairmen residing at Kurnool and functioning. It is not necessary that the Chairman should reside within the Corporation limits of Hyderabad and Secunderabad.

Sri M.Venkaiah Naidu:— previously the Chairman used to be the non-official. Here the Chairman is the Deputy Secretary to Government. It shows how the Government is interested in Wakf Board.

Sri M.A. Aziz:— Whether the Chairman is a Government official or non-official, the duties to be performed are the same. When the non-official sitting at Nellore could manage, I don't see why a Government servant posted at Rajahmundry cannot manage.

Mr. Deputy Speaker :— Now let us take Short Notice questions. The Minister for Minor Industries will answer.

Sir S. Jaipal Reddy :— Why Sri, what happened to the Minister for Major Industries?

Mr. Deputy Speaker : He has taken my permission.

Sai S Jaipal Reddy :— Sir, what are the compelling reasons for his absence in the House.

Mr Deputy Speaker :— Suppose there is a genuine reason I have to allow. It is better to know it in time.

Sri M. Venkaiah Naidu :— What is that genuine reason? If there is something wrong with him, we also wanted to pity him, what has happened?

Mr. Dy. Speaker :— He wanted permission....

Sri M Venkaiah Naidu :— What are the reasons Sir?
Mr. Deputy Speaker — I have permitted him in good faith.

Sri M. Venkaiah Naidu: — Why should we keep quiet? The House has got a right, to know the reasons.

Mr. Deputy Speaker: — I have permitted a particular Minister.

Sri M. Venkaiah Naidu: — Sir, we have a right to know the reasons for the absence of the Minister.

(Interruption) (Bell)

Sri S. Jaipal Reddy: — Sir, my point is, as to whether there was a single occasion, on which the Hon'ble Speaker was not kind enough to grant permission.

Mr. Deputy Speaker: — Yes, I did not.
Sri S. Jaipal Reddy:— We are only trying to point out the extreme generosity of the Hon’ble Speaker in these matters. But he (The Hon’ble Speaker) is being exploited. Yesterday the Ministers were absent and we could understand because the Prime Minister has visited a part of the State. But why is he not present today? The other day Golden Jubilee gala was being celebrated! Now what is taking place in Medak?

Dr. R.M. Manohar (Achampet):— Sir, I agree with him. When you have permitted a particular Minister, other Ministers are not in the House. The Ministers are supposed to be here.

Mr. Deputy Speaker:— I am very happy for your observance.

Sri M. Venkaiah Naidu:— Sir, kindly tell us the reasons. Or if you say “The House need not know the reasons for the absence of the Minister or Chief Minister” please tell us. Is it the stand of the Chair?

Mr. Deputy Speaker:— I have permitted him.

Sri M. Venkaiah Naidu:— Sir, but what are the reasons?

Mr. Deputy Speaker:— ... You must co-operate with the Chair.
Sri M. Venkaiah Naidu: — Sir, if the operation is good we will also co-ordinate. But their operation is not good. जब भी हो, हम भी जोड़ने का प्रयास करेंगे?

Mr. Dy. Speaker: — अच्छा है, हम भी जोड़ने का प्रयास करेंगे.

"I may be kindly permitted".... इसे ले लेंगे?

Sri M Venkaiah Naidu: — Sir, that is the thing we wanted to know. That means he has not given any reasons?

Mr. Dy. Speaker: — Yes he has not given any reasons. now let us go for S N. qs please. Now Mr V Venkatesewara Rao to answer S. N Q, 9957-U

Mr. Deputy Speaker:— Anyway you have shown your resentment.

Sri S. Jaipal Reddy:— Our resentment should not be a case of helplessness. We should be able to do something about it.

(vi) M. Narasimha Rao:— He has gone at the expense of the State. He is obliged to state the reasons. I would like to know from the Deputy Chief Minister whether the Chief Minister has gone to Delhi on personal expense. If he has gone at the expense of the State, then he must be able to state the reasons.

M. Narasimha Rao:— I have already stated. I don't want to repeat.

Mr. Amarnath:— Whereas to the Prime Minister he is asked to come to Delhi for finalisation of the list of 40 voters for the 9 candidates contesting the Council elections.

Sir, whereas to the Prime Minister he is asked to come to Delhi for finalisation of the list of 40 voters for the 9 candidates contesting the Council elections.

Mr. K. R. Narayanan:— That is propriety. What is the respect shown to the House?

Let the House be adjourned till 8.30 a.m. tomorrow.

We can go ahead with the other business.
I don’t think there are any reasons why I should adjourn we can do the other business.

Mr Deputy Speaker: Definitely I will bring out this resentment.

You were kind enough to bring to the notice of the Government but they are not bothered.

Mr. Deputy Speaker: We shall hear the Deputy Chief Minister.

My esteemed colleague would like to know many things but it is not possible to divulge all these things.

He himself does not know, how can he divulge, Sir.

Sri C. Jagannatha Rao: My esteemed colleague would like to know many things but it is not possible to divulge all these things.
Mr. Deputy Speaker :— You have raised three points of order to-day.

With all respects to him, only few hours earlier, Mrs. Indira Gandhi, The Prime Minister and the Chief Minister were together for few hours.
Mr. Deputy Speaker:— Mr. Sobhanadreswara Rao, we have heard your point of order, and he has also a point of order. We have to hear him.

(Interruptions)
The Government has to take a categorical and specific position that it is not possible in the interest of the State to disclose the purpose of his visit. It is for the Government to say and only the Government states it in so many words. The purpose has to be disclosed.

Mr. Deputy Speaker:— I agree with you that the Chair is the Custodian. I could have asked some other Minister on behalf of the Chief Minister to answer. But, I wanted to see that justice must be done.
68 21st July 1982 Business of the House

Therefore please uphold the ruling which the Speaker has given.

Sir. M. Venkaiah Naidu and others were seen staging a walk out.

Sri P. Subbaiah: Sir, we go not to return to day.

(So saying, Sri P. Subbaiah and his group staged a walk out)
24. It has become a tradition on the part of the Ministers to pay picnic visits to Delhi, to pay political visits to Delhi at the expense of the State Government.
Mr. Deputy Speaker:— Mr. Goverdhan Reddy, you cannot refrain him like that. If he wants to go out let him go out. That obstruction need not be there.

The Minister for Education (Sri K. Keshava Rao):—

Sir, I am getting up on one thing. Because it has gone on record all these things, we would like to go on record on a few things. Sir, since you are the custodian of the House, they have asked for an adjournment of the House. To say that the Government was not that much interested in bringing out any subject is not a question at all, because it comes on the agenda whenever an issue is given. It is not that you have totally denied a particular subject since you have put it off for another reason. They were particular that it should be answered by the chief Minister because it has all the relevance to this House. Sir, the very
basis of this walk-out or the demand of the opposition for adjournment was not based on any facts for the fact that you have given permission to a particular Minister to absent himself after going through his own reasons, about which they have asked. It is only trying to challenge or doubt the Speaker’s right which is inherent in his own office. That also should not be there. Whatever the Opposition Members tried to attribute to the other side of the party and also to the Government are totally denied. And when we are all agreed in asking for the House to continue, it is only with the intention that the Government is very responsive and accountable to this House we are accountable not only to the party but to the total House.

re: Unlawful detention of harijans and others of Rayanipalem village in police lock-up at Yadapalli police station, Nalgonda district.

The Deputy Chief Minister (Sri C. Jagannadha Rao):—

re: Unlawful detention of harijans and others of Rayanipalem village in police lock-up at Vadapalli Police station, Nalgonda district.

and the cadres of C. P. I. (M). Sri Regireddy Veera Reddy the C. P. I. (M) Youth Leader who was objecting the Kalals tilling the land was murdered by the Kalals and there associates and a Crime No. 32/81 was registered and is pending trial.

2. Taking advantage of the Kalals who were in jail the C. P. I. (M) cadres committed thefts of zinc sheets, door planks, windows, bullocks etc. belonging to the Kalals aforesaid and a Case in Crime No. 50/81 was registered in Wadapalli police Station Again on 20-6-1982, the C. P. I. (M) Cadres set fire to the Hay-ricks belonging to the relatives of the Kalals which is covered by Crime No. 38/82. An Armed Reserve Picket was posted at Rayanipalem Village due to these violent acts.

3. On 29-6-1982 one Dr. Viswanatham of Damaracherla Village Voluntarily produced eight harijans before the S.I. Wadapalli along with other Reddys As they were not concerned in any of these cases, the S.I. sent them away immediately from P.S. The C P I. (M) made allegations of detention and torture of Harijans with a view to tamper the systematic investigation of the case by the Police. In fact the Police did not bring any harijans from Rayanipalem Village to Wadapalli P.S. in these cases and the allegation that Harijans were detained and tortured is not correct.

Re: Denial of seats in Intermediate and Degree Courses to thousands of students and the necessity to provide them seats.
Matter Under Rule 329 21st July 1982 73

re: Denial of seats in Intermediate and Degree course to thousands of students and the necessity to provide them seats.
re: Denial of seats is Intermediate and Degree courses to thousands of students and the necessity to provide them seats.

Sri K Keshav Rao:— Madam Speaker. The issue raised by the members is a little paradoxical. He says that the boys are not getting admission is a fact which cannot be accepted. As a matter of fact I would like you to demand that the issue is alarming. At the outset, let me assure that no single student seeking admission either in high school or in a Junior College or in a degree College will be denied of any seat as far as this academic year is concerned. I know as the members have said that when they needed a seat in a particular college that is not coming. The issue is this. As a matter of fact all the District Educational Officers have been asked to see that not a single boy in 8th or 9th or 10th class is denied admission. If it needs, they can also permit additional sections in the high schools. Besides this, we have sanctioned 100 new schools. In this
re. Denial of seats in Intermediate and Degree courses to thousands of students and the necessity to provide them seats.

Academic year. Besides, I have also asked 43 new sections to be added to the high schools. So as the high schools are concerned, there is no problem, because the boys passing the 7th would be going to the 8th. So, for 8th, 9th and 10th classes, I am also adding new sections for the drop-outs or repeaters.

As far as Junior Colleges are concerned, let me say that this year 2,07,000 have passed the Matriculation. 60 to 70 per cent seek admission into Intermediate. That will amount to 1,33,000 or 1,40,000. As on today, there are 468 Junior Colleges. The intake capacity of these is 1,70,000. This is more than the pupils who had passed. Besides this, I am thinking of adding few more colleges about 80 to 100, which is my expectation. It will add additional intake capacity of 20,000 and in no case there would be a problem at all, as far this is concerned. In the same manner, I have also asked 46 additional new sections to be added to the existing junior colleges now. In the Degree Colleges this year, 95,789 had passed their examinations. About 57,000 to 66,000, based upon 60 to 70 per cent average, would be seeking admission into degree colleges. I had 286 degree colleges today in the State. The intake capacity is 63,000. That means more than the demand. This being the case, I also add to the fact that when the people are going, they are not getting admission. What could be the reason. The reasons could be two. One is that they might be seeking admission in a particular college based on its standard or their own interest, perhaps, their own liking. The second is the rush in the township. Keeping these two in view, I may say that as far as townships are concerned,
new additional sections to new colleges would come up whether there is such a demand. This is my assurance as far as the position is concerned. I want the members to appreciate one point of view. To-day I may be able to meet the entire demand. But in a country like mine, with a scarce economy, it is absolutely impossible for any one to meet the formal education. Because on the universalisation of the scheme, if you want all the people at 6 to 14 year age group to be brought in the educational scheme under the Constitution, what is happening is something like 24% of them are being taken in. You know that 55 lakhs of people are going to the schools to-day. These 55 lakhs constitute only 24%. That means, I must make three-fold increase. Even 55 lakhs of this age group require one lakh class rooms which means Rs. 2000 crores of rupees for the buildings and they also require 20 lakhs teachers, which I cannot give. If I have to include all these, it will be 2400 crores of rupees, and if I have to see 1:30 ratio of teachers. So a new strategy has to be worked out to see to meet the constitutional obligations. Mr. Srinivasa Rao said that I am an educationist and why should we not introduce the shift system. Along with the shift system, we should also think of a scheme like the non-formal education, we should also think of informal education. We should also think of external examinations. On these views only I am trying to give you Open University. We have asked the Universities to allow private appearance in the examinations and also trying to give academic support by starting few higher educational coaching centres, so that they could also go there and appear. This will be fora future strategy of expansion. But as far as this year is concerned let me assure the members that not a single student whether he is seeking admission in secondary education or junior or degree college,

Mere condemnation will not help. From the next year I will be seeing to it. I am also going to appoint the local Committees and non-official committees who shall be in charge of the admission list so that they will look into it whether, we are giving in the order of merit or not.

I am appointing the task force. From the next year I will be seeing to it.
