SRI S. JAIPAL REDDY: Sir, I have two questions to put. One is its cost is said to be Rs. 68 lakhs which could earn an interest of Rs. 1 lakh per month at the lending rate of banks. Secondly, its depreciation cost would be Rs. 50,000 per month. Bearing in mind the expenditure already incurred the Government spent Rs. 1 lakh per month. So the total cost being incurred for its maintenance is Rs. 2,50,000 per month. Whether the activity conducted through helicopter warrants such a huge expenditure, with regard to its best use, abuse or misuse? I, therefore draw the attention of the Minister that it was purchased for the use of Rojiv Gondhi. Was this purchased for this activity?) Will the Chief Minister clarify?
SHORT NOTICE QUESTION AND ANSWER

RABIES (DOGBITE) IN TWIN CITIES

S N O. No. 9957—H: Sri P. JANARCHANA REDDY (Kamalapur):—
Will the Minister for Municipal Administration be pleased to State:

a) Whether it is a fact that Rabies (Dog bites) is on the increase in the Twin cities; and

b) If so, the measures taken to control it?

(i) Will the Minister be pleased to state:

a) Whether it is a fact that Rabies (Dog bites) is on the increase in the Twin cities; and

b) If so, the measures taken to control it?

SMT. B. SAROJINI PULLA REDDY: As far as this question is concerned, I answer the points and give information that he wanted.

All dog bitings do not lead to rabies. The percentage of Rabies is only 0.1%. The success of treatment is Anti-rabies. It all depends on several factors. You have to see the site of bite and how close it is to head, depth of the wound i.e., how deep it is, whether the wound is cleansed, whether it was treated with Anti-septic immediately and vaccination is done in time.

I am not very sure.

SMT. B. SAROJINI PULLA REDDY: I will elicit the answer and tell. Vaccine is available in coonoor.

SRI P. JANARDHAN REDDY: Because we have no laboratories we are sending for testing also.

SMT. B SAROJINI PULLA REDDY: I discuss with the hon. Minister and colleague Mr. Madan Mohan. It is a very pertinent question.
MR. DEPUTY SPEAKER: All the suggestions are noted.

SMT. B. SAROJINI PULLA REDDY: That is exactly what the hon. Member said. It is a very important thing. We will certainly consider. The hon. Minister is also here. The public cooperation is absolutely necessary.

It is a peculiar sense the dogs have. They have a terrific sense and they run away. They have a peculiar noise.

That is why I ask the hon. members to request the public to give cooperation. We are doing our best. I am grateful to the hon. members to put this question.

(OPPOSITION MEMBERS shouted “No. No. No.”)

SRI B. VENKATRAM: Yes. We have done. What happened to you all these years to raise this question? It is this Government which has taken up the issue.

It is this Government which brought Ordinance on the land grabbing. It is this Government which is going to appoint a Tribunal on this issue. So, why do you need all these adjournment motions.

SRI M. VENKAIAH NAIDU: Sir, Mr. Sundarayya and other opposition leaders have given notice and raised the issue.

We have raised the issue under the adjournment motion. It is for the Speaker to decide about its admissibility.
What have you done about this?

It is we who raised the issue.

SRI M. VENKAIAH NAIDU: He was also a Minister all these years. What is that he has done.

MR. DEPUTY SPEAKER: Please resume your seat.

I will decide. Whether I am admitting it or not, it is at the discretion of the Chair.

SRI N. JANARDHANA REDDY: You have heard the point of order of Mr. Sundararamaiah.

SRI N. JANARDHANA REDDY: Mr. Sundararamaiah wants some clarification. He may be heard.

Mr. Deputy Speaker: It was brought to my notice and let me consider that.

Shri G. Sundararamaiah: Sir, Rule 63 is clarified by the Rule 65. I am quoting (vi) of Rule 65 which reads as follows: "(vi) the motion shall not anticipate a matter which has been previously posted for consideration. In determining whether a discussion is out of order on the ground of anticipation regard shall be had by the Speaker to the probability of the matters anticipated being brought before the Assembly within a reasonable time;"

There is no reasonable time

Mr. Deputy Speaker: There is no relevancy in your point of order.

Shri G. Sundararamaiah: Even they cannot participate in the discussion of the motion.

Smt. T. Lakshmikantamma: Sir, nobody is denying the right of the opposition to speak. At the same time, they cannot object the Chief Minister to say what he felt. The Chair has to protect both the sides. The Chief Minister has also got the right to say in this connection.
MR. DEPUTY SPEAKER : You are not allowing me to pro-
tect your rights. At one time, number people are raising of
point of orders and asking for chance to speak. How many
point of orders I can hear at a time?

What is the issue, Sir? Let the Motion be read.

MR. DEPUTY SPEAKER : Under Rule 63 of the A.P. Legis-
lative Assembly Rules, Sarvasri P. Sundaraiah, G. Latchanna,
Ch. Rajeswara Rao, S. Jaipal Reddy, M. Venkaiah Naidu and
M. Omkar have given a notice as follows:

"We are proposing that the business of the House be ad-
journed to discuss the following issue which is of urgent pub-
lic importance:

"The grabbing of land in Hyderabad City and other parts
of the State running in thousands of acres by persons occup-
ying in high positions."

This is the Motion.

Sri K. Venkataramaiah : Sir, point of order.

Sri Ch. Rajeswara Rao : Sir, Mr. Baquer Aga has also sig-
ned the Motion, Sir.

Mr. Deputy Speaker : Yes.

Sri K. Venkataramaiah : Sir, everybody has got a right to
give an adjournment motion. The Speaker has got the right to
admit or reject the motion. There is no question of discussion
on this. Nobody can speak over the merits of the motion.
otherwise, it is a bad precedent.

Mr. Deputy Speaker : Under what rule you are speaking

Sri S. Jaipal Reddy : There is no legal light in his point.

Sri M. Venkaiah Naidu : I take objection to his point of
order, Sir."
Mr. Deputy Speaker: Let him finish the point.

Sri M. Venkaiah Naidu: We are objecting to his point of order. When once the Speaker has given his ruling, he cannot speak. Let the Chair not make any precedent.

Mr. Deputy Speaker: Let Mr. Venkataramaiah complete his speech. I will give my ruling.

It is a healthy precedent and practice also. Whether the motion is admitted or not, the discretion is with the Speaker. The Speaker has to exercise his discretion in this regard.

Mr. Deputy Speaker: On the merits of this, I can decide it now.

Sri M. Venkaiah Naidu: Sir, I am not going into the merits of the case.

They are questioning the right of the Speaker.

Mr. Speaker. My stand is quite clear.

Sri M. Venkaiah Naidu: I also agree with your stand, Sir,

Sri K. Kesava Rao (Minister for Education): Sir, I wish to enlighten the House on this issue, Sir. Rule 63 speaks about the adjournment motion. We have got a right to speak. It is protected by Rule 65 which says about the right to move the Motion. Rule 63 only says what exactly the adjournment is. The restrictions on the right to make motion is defined in Rule 65 in detail. Any issue that has just come before the Speaker cannot be taken up. Rule 65 (vi) Speaks in detail about it.
Adjournment Motion.

MR. DEPUTY SPEAKER: Let me tell you the procedure in Lok Sabha.

SRI K. KESHAVA RAO: If you want to cut me short and give me Lok Sabha practice, please do it and I am prepared to sit down.

(INTERRUPTIONS)

SRI S. JAIPAL REDDY: I request you to give your opinion after hearing me.

MR. DEPUTY SPEAKER: You are telling like that and other member are objecting that I did not give them any chance.

(INTERRUPTION)

SRI S. JAIPAL REDDY: I am going to answer that. Let me answer in terms of rules.

(웃음)

SRI S. JAIPAL REDDY: I am not over estimating the Education Minister. Please hear my submission.

SRI P. JANARDHAN REDDY: He cannot.

SRI K. KESHAVA RAO: If Omkar wants to know, the rule position I would say that a Minister is accountable to the House.

MR. DEPUTY SPEAKER: he has got every right. He can raise the point of order, but in the matter of voting alone he can refrain.

SRI K. KESHAVA RAO: I totally agree that the opposition Members can certainly join in the issue. You wanted to cut short and tell us that there is a practice in Lok Sabha. There is a very thin difference here.
Adjournment Motion. 9th July, 1982.

Sri. K Keshava Rao: It arises out of Rule 65. This has been discussed in the presiding officers meeting as to what had happened in the Lok Sabha. Whether it is a matter of public importance or not? The Speaker does not have all the freedom to say that it is attached by that rule. There is no sanctity attached to the debate that you are going to have. The Speaker also is not within his own right to allow an adjournment motion suo moto at a time when he knew that a particular ordinance is coming before.

Dr. R.M. Manohar (Achampet): You have to take a decision first.

(interruptions)

Mr Deputy Speaker: I will take a decision independently. I don't want you or the opposition to guide me.

Sri S. Jaipal Reddy: I would like to submit that the point of order was raised by the Hon'ble Members in the ruling party including the Education Minister. I regret to note the Education Minister is educated upto rule 65 only. He did not continue his education upto 67. I am also sorry to note that he has been appresiding member of the Upper House.

Sri B. Venkatram: I request him to look at Rule 66 also.
Sri S. Jaipal Reddy: That only means Venkatram is one step above. I am one step above Venkatram.

SRI B. VENKATRAM: Venkatram will always be forward.

Sri S. Jaipal Reddy: It depends on the angle which you view.

Sri B. Venkatram: It is forward and it is background. You will look at the devil's angle, I will look at the angle's view.

Sri S. Jaipal Reddy: I don't believe in devils. I will look at human angle.

(interruptions)

Sri R. M. Manohar: I appeal to the Speaker to take a decision.

Sri S. Jaipal Reddy: Rule 65 relates to limitations upon
the question of allowing the adjournment motion. Now we are at the point of admissibility. I hope our learned members would understand the distinction between allowing and admitting. Under Rule 67 Sub Rule (i) see the first proviso provided that the Speaker may if necessary hear the member concerned before refusing his consent under Rule 63 or holding the motion as not being in order: "You have not expressed the opinion in regard to the admissibility. In regard to the right of the Speaker to hear the Member before he gives ruling on the question of admissibility, his right is absolute, unqualified and unquestioned. I hope our ruling members stands enlightened.

Sri K. Keshava Rao: Unfortunately Jaipal Reddy has been a student of literature only. Let me clear about Rule 67. It is about the mode of asking for leave to move an adjournment motion. After the right is decided it is open to interpretation, whether it is in public interest. Under Rule 67 if the Speaker so chooses it to be necessary "Provided that the Speaker may if necessary hear the members concerned before refusing his consent under Rule 63 or holding the motion as not being in order.

Sri S. Jaipal Reddy: Speaker found it necessary.

Sri K. Keshava Rao: You have a right under 65. It is restricted by point 6.

Mr. Deputy Speaker: You would have been sitting in the lobbies.

Sri M. Venkaiah Naidu: He says ruling has been given.
MR. DEPUTY SPEAKER: I now allow the leaders who have given notice to say just two sentences each. I will take a decision as to whether I should admit or not.

SRI M. VENKAIAH NAIDU: It is in order. That is what we are asking all the time.

(interruptions)

SRI R.M. MANOHAR: We will not allow any discussion on this point.

MR. DEPUTY SPEAKER: I have got a discretionary power.

SRI R.M. MANOHAR: We want you should give ruling. you don't allow the discussion.

MR. DEPUTY SPEAKER: You cannot dictate terms to the Speaker like this. I have got my discretionary power.

SMT. T. LAKSHMIKANTHAMMA: As a Speaker you should be impartial to both sides of the House, The impression should not go that somebody is supporting land grabbing and somebody is not. Everyone in this House is anxious, more anxious than the Opposition.

Sri B. Venkatram:— I will tell you when adjournment motion’s decision is given by the Hon’ble Speaker and when the discussion comes. I told you that upon the information which is mentioned in certain newspapers you are basing. We have appointed a Tribunal. And in the same newspaper on which you have been mentioning — it is written about opposition leaders also, whoever it is. to err on the right side is always preferable for the sake of people.

Not to lose time in this matter, we have passed an Ordinance.

Mr. Deputy Speaker: I will make a detailed study and give my ruling on Monday.

RULING Mr. Deputy Speaker: I give the ruling.

Sarvasri P. Sundarayya, Lachanna, Jaipal Reddy, Ch. Rajeshwar Rao, Venkayya Naidu and Omkar have given notice under Rule 63 proposing that the business of the House be adjourned to discuss "grabbing of land in Hyderabad city and in other parts of the State running into thousands of acres by persons occupying high positions."
It may be stated that the Adjournment Motion to be admitted must be urgent, it must have arisen suddenly in the nature of emergency. A matter which has been continuing for some time cannot be raised through an Adjournment Motion. The matter raised by the Members has not occurred suddenly in the nature of emergency.

No doubt the matter raised by the Members has come into light as alleged by the Members only recently and as such an opportunity for its discussion should be taken up at an early time. But according to the conventions a matter even if it is of very recent occurrence cannot be admitted if an opportunity is given to raise it in the ordinary course of business within a reasonable short time. According to Rule 65 (vi) of Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly the motion shall not anticipate a matter which has been previously posted for consideration. In determining whether a discussion is out of order on the ground of anticipation, regard shall be had by the Speaker to the probability of the matters anticipated being brought by the Assembly within a reasonable time. As already mentioned in the agenda dated 9.7.82 Sri N. Janardana Reddy, Minister for Revenue and Power will be laying on the Table a copy of the Andhra Pradesh Land Grabbing (Prohibition) Ordinance, 1982 as required under sub-clause (a) of clause (2) of Article 213 of the Constitution of India and as such the matter is seized by the House and when the Bill and the Bill replaced by the Ordinance will be taken up within a reasonable time, the matter raised by the Members attracts Rule 65 (6) of the Rules of Procedure and as such I refuse to give consent under Rule 63.
Adjournment Motion.

Mr. Deputy Speaker: What you said will not go into record. You are disobeying the Chair.
Adjournment Motion.  
9th July, 1982.

Mr. Deputy Speaker: I am not allowing, they should have some decency.

SRI B. VENKATRAM: I have got a right to submit, you cannot command.

SRI M. OMKAR: You are commanding.

SRI B. VENKATRAM: I am not commanding, I have not commanded.

Calling Attention Matters.

9th July, 1982.

Dear Sir,

I am writing to bring to your attention a matter that I believe requires immediate attention.

The issue at hand is regarding the recent increase in the price of essential commodities. As you are aware, the prices of food items, clothing, and other necessities have been rising steadily over the past few months. This has put a significant strain on the budgets of many families, especially those living on fixed incomes.

It is important that we address this situation promptly to ensure that the needs of the people are met. I urge you to consider taking immediate action to stabilize the prices and to ensure that the most vulnerable sections of society are not left behind.

I would appreciate it if you could provide me with an update on the steps being taken to address this issue. Your prompt response would be greatly appreciated.

Thank you for your attention to this matter.

Yours sincerely,

[Your Name]

This is a subject matter of enquiry. Let us see what the Magistrate gives the report. After the report comes, we will see what to do.

Sri V. Sobhanadreswara Rao: Let it be conducted in a healthy atmosphere. Those people who are responsible should not vitiate that enquiry.

Sri B. Venkatram: I have already answered that.

SRI B. NIRANJANA RAO: That point of order should not interfere my speech.

SRI P. SUNDARAIYAH: I have got every right to comment
I have got every right to protect the interest of the persons who are not here, if you unnecessarily allege any thing against them.
It may be increased by another 4,000 cusecs. Again, unnecessarily, I am going into the controversy. Still, it is my duty to go into the controversy: because our Hon'ble Member has raised some issues about the Superintending Engineer. It is not correct, sir. They have done their best.

10.5 a.m.  SRI B. NIRANJANA RAO : I am prepared to resign for two months water was let into the sea. Let the Chief Minister appoint a Committee and let them go and enquire.

SRI B. VENKATRAM : I am not ready to do what you have said. I would like to go into the facts. You have stated a particulars fact. Although you met me earlier you did not bring it to my notice, otherwise I would have done.

SRI B. NIRANJANA RAO : I am prepared to resign for two months water was let into the sea. Let the Chief Minister appoint a Committee and let them go and enquire.
The Hon'ble Member: He has anyway gone to a great extent, I will assure you that all necessary steps will be taken. As far as the other points are concerned I will take note of both the appreciation of the engineers and the criticism on the engineers and we will take an objective view of every matter.

SRI B. VENKATRAM: He has anyway gone to a great extent. I will assure you that all necessary steps will be taken. As far as the other points are concerned I will take note of both the appreciation of the engineers and the criticism on the engineers and we will take an objective view of every matter.

POINT OF ORDER

re: Placing of ordinances on the table.
At the time of presentation itself he must explain.

SRI G. SUNDARA RAMAIAH: He has raised the point under presumption. He has raised the point of order presuming that there will not be all these things. How has he come to that conclusion and how he raised the point of order with the presumption as his basis. It is not a correct procedure for the House to take cognizance of.

MR. DEPUTY SPEAKER: He is also equally a Member of the House like you and it is quite relevant.

SRI G. SUNDARA RAMAIAH: It is not relevant. I am not questioning the Chair. We are only submitting that the hon'ble Member has presumed things though there are no such things.

SRI M. VENKAIAH NAIDU: I am not presuming. Because the Minister was about to lay the papers on the Table of the House without explaining the reasons.

SRI N JANARDHANA REDDY: According to the provisions I had to lay on the Table.
We are with open mind. We are going to adopt any suggestion which is going to help this. We are going to adopt, we are not closing.

It is a part of the plot to transact the business behind the back of the House.

SRI S. JAIPAL REDDY: Any Bill which suffers from the infirmity of grave impropriety should not be allowed to place on the Table of the House.

MR. DEPUTY SPEAKER: They say that they had to do it under extraordinary circumstances.
Business Of The House.

Where the Governor can reserve it for the approval of the President ...........

MR. DEPUTY SPEAKER: I am afraid I may have to rule out all the objections.

SRI K. VENKATARAMAIAH: For placing on the Table why so much discussion.

SRI A. MADAN MOHAN: Sir, what has prompted the Government to come out with an Ordinance has been told to this House in this Session by my colleague, the Hon’ble Revenue Minister. Now the only question that remains before this House is whether it has to be placed on the Table or not. It is basically a Constitutional requirement and a Constitutional obligation. Whether the reasons were justifiable in trying to bring an Ordinance especially when the Assembly is meeting is a debatable point. This of course they can discuss at the time when this is introduced in the form of a Bill. But here the Constitutional requirement and obligation is not only an obligation but is mandatory. There is no other alternative. For any ordinance once decision is commenced, it has to be placed on the Table of the House. So, in order to meet the Constitutional requirement of the House, this has been placed on the Table of the House.
Sri S. Jaipal Reddy: Sir, it has become a compulsive habit.

MR. DY. SPEAKER: No, because there is no alternative but to place it on the table of the House.

Sri CH. Rajeswara Rao: It is a black Act to save the culprits.

MR. DY. SPEAKER: Don’t be harsh.

SRI CH. RAJESWARA RAO: I must be harsh with these people. They are never for the point.

SRI A. MADAN MOHAN: Sir, you are allowing them to go into merits. I only tried to explain the Constitutional requirements.

SRI CH. RAJESWARA RAO: Sir, the Constitution is a lively document. It is a living document. It helps the functioning of the democracy but it cannot be misused.

MR. DY. SPEAKER: It is quite relevant. They have placed it and I am allowing them, as the Leader of the House said that there was no other alternative. It is in order.
MR. DY. SPEAKER: Yes, we take the han official business after "Papers laid on the Table of the House."

PAPERS LAID ON THE TABLE.

   SRI N. Janardhan Reddy (Minister for Revenue and power)
   Sir, I beg to lay on the Table of the House, a copy of the Andhra Pradesh Land Grabbing (prohibition) Ordinance, 1982 (Andhra Pradesh Ordinance No. 9 of 1982) as required under sub-clause (a) of clause (2) of Article 213 of the Constitution of India.

   SRI Ch. RamBhupal Reddy (Minister for Panchayati Raj):
   Sir, I beg to lay on the Table of the House, a copy of the Andhra Pradesh Gram Panchayats (Amendment) Ordinance, 1982 (Andhra Pradesh Ordinance No. 10 of 1982) as required under sub-clause (a) of clause (2) of Article 213 of the Constitution of India.

   Sri Ch. Ram Bhupal Reddy: Sir, I also beg to lay on the table of the House, a copy of the Andhra Pradesh Panchayat Sami this and Zilla parishads (Second Amendment) Ordinance, 1982 (Andhra Pradesh Ordinance No. 11 of 1982) as required under sub-clause (a) of clause (2) of Article 213 of the Constitution of India.

   SMT. B. Sarojini Pulla Reddy (Minister for Mun., Adm):
   Sir, I beg to lay on the Table of the House, a copy of the Hyderabad Municipal Corporations (Amendment) Ordinance, 1982 (Andhra Pradesh Ordinance No 8 of 1982) as required under sub-clause (a) of clause (2) of Article 213 of the Constitution of India.

(Interruptions Bell)

Sri V. Sobhanadreeswara Rao : Sir, what about my privilege Motion.

Mr. Dy. Speaker : I have ruled it out as there is no privilege involved. It cannot be taken as a sort of privilege, as there is no privilege involved in it. When my ruling is given, please don't question it. I am not allowing any discussion about it.

Mr. Deputy Speaker : I have already ruled it out as there is no privilege involved in it.
Mr. Deputy Speaker: I have given my Ruling, and hence no discussion on this please. Now let us take up non-official Resolution.

Mr. Deputy Speaker: When the point of order is raised, I cannot say "No" to him.

Mr. Deputy Speaker: Now I am going to take up Non-official Resolution.

Mr. Deputy Speaker: It is over. I have already given my Ruling on that.
Mr. Deputy Speaker: I am not a time grabber. I have not taken your right. I have to regulate the business of the House also.

Mr. Deputy Speaker: Please don’t raise that topic. That is already over.

According to Rule 163, I have moved this.

I beg to move that this House recommends to the Government to take immediate appropriate steps to streamline the entire police machinery in such a way as to meet the objectives of Welfare State.

If the present state of affairs is allowed to continue the Law and Order situation in Narsampet Taluk would become from bad to worse. The joint attacks of the Congress (I) and the so-called extremists would develop into blood bath. The Police would become a mere tool in the hands of unsocial elements acting in the name of Congress (I).

“Noteworthy is that large scale manufacturing of crude bombs is taking place in the so-called joint ventures of Congress (I) and Naxalites. Fire arms licenced and unlicenced are being used in their attacks along with the crude bombs.”

Further it is to be noted that the Congress (I) and Naxalites have been planning and attempting to kill almost all-important workers and leaders of C P I (M) in Narsampet, Warangal, Mahaboobabad, Parkal and Mulug taluks.
