If you permit, I will read the letter, Sir.

Mr. Deputy Speaker : You can send the letter to me.

Sri K. Venkateswara Rao : Yes Sir.

The letter written by Mr. M. Habibullah reads like this:

"Respected, Sir, I would like to bring to your kind notice the following facts for favour of your immediate enquiry and consideration.

I am unjustly implicated in a crime No.80/82 of Rayachoty police Station putting against me some Sections including 302 I.P.C. for the offence said to have been occurred on 10-6-1982 at Trunk Road, Rayachoty. It is nothing but politically motivated to discard me in public life and to ruin me. I am not aware of the facts of any of the incidence that have occurred and though I was not present at the scene of offence, I am falsely implicated in the case.

In this connection, I would like to state that on 10-6-1982 I was in Rayachoty Panchayat Samithi office from 3.30 p.m. to 7 p.m. on the call from Sri M. Siva Reddy, Samithi President. Rayachoty, I went to his office to discuss the drinking water problem facing in many of the villages. At the same time, Sri Jaya Raj, B.D.O., Rayachoty, and Sri Ramaiah Extension Officer (Panchayats) Rayachoty were

also in the office. I have even talked to them also. Both of this officers were sitting in the B.D.O.'s room, and I was in Samithi president's room, just adjoinging to B.D.O.'s room along with Sri M. Siva Reddy, Samithi President, Sri Y. Ravindra Reddy, Sarpanch, T. Sundupalli and with some ryots. Even at about 5.15 p.m., I have talked to Dr. Sesha Reddy, Veterinary Asst. Surgeon, Rayachoty, who was then going from his office.

At about 5.30 p.m., some persons running through Samithi Office informed us that there is a big "Chalata" and rioting going on Trunk Road and near at Bus-stand. We too heard big noises and all of us were afraid and we were watching at the gate of the Samithi President's room.

At about 6.00 P.M. there was a Trunk call to the B.D.O. from Cuddapah. As the phone was at Samithi President's room, I received it and personally informed the B.D.O. about his call from Cuddapah, who came over to Samithi President's room and talked to his call.

I stayed in the Samithi Office upto about 7.00 p.m. and from there, I went to house building colony along with Sri Subbarayudu A.idi. Asst. Engineer, Panchayat Samithi. Rayachoty in his Motor Cycle. Along with us, Sri Narasimha Reddy, V.M. Dudyala village also come to the colony in the same Motor Cycle. There, I had my tiffin in the house of Sri Siva Reddy, Supervisor; Primary Agricultural Development Bank, along with S. Nagabasi Reddy, B.Sc. (Ag.) Agriculture Officer, Rayachoty and some others. And from thereafter 8. p.m., I went to my house along with Sri Narasimha Reddy, V.M. Dudyala.

On 11-6-82, at about 5.p.m., I was brought to the Rayachoty Police Station, from my house, by one sub-inspector of police and few Reserve Constables in the Police van and was detained in their custody. On 14-6-82, I was remanded to the Judicial custody in crime No. 80/82 implicating me falsely and most unjustly, Hence, I request you, Sir, to kindly enquire into the matter, immediately with the officials and non-officials mentioned abve to know the facts, so that justice may be done to me. With kind regards.

Yours faithfully,

Sd. M. Habibullah.

I request the Hon'ble Chief Minister to institute a C.B.C.I.D. enquiry also to bring out all the facts and also the culprits immediately.

That is not a correct understanding of matters. It is not proper for me to state like that.

If I communicated to you differently it may be so.

The government has also appealed to the people to stay indoors and avoid unnecessary movements. They have been advised to keep their homes well-ventilated and to ensure that water does not enter their houses.

Matter Under: Rule 329

re: Eviction of poor cultivators at Sreetamulapalli in Karamnagat District.

Whether the decision arrived by the Revenue authorities will not operate as res judicata against the Deputy Commissioner Endowments and why this matter was not looked into by the Government. Apart from this there is another point also. This Trust Board which has been constituted is it really functioning or just nominal. The complaints are that the money or whatever is collected from these tenants is being misappropriated and unnecessarily these poor tenants who are from Harijan community as well as from Backward classes are subjected to great harassment by the Endowments officials. That is the grievance of the villagers in these circumstances why can’t the Hon’ble Minister initiate action against the Trust Board people Who have not been functioning and not giving proper accounts ?

re: Serving of poisonous food to the students of Social Welfare Hostel at Jugguru in Nandigama taluk on 20-8-82,

Sri A. Veerappa: Mr. Speaker, sir, the Collector Krishna has reported on 28-8-82 that the Tahsildar, Kanchikacherta informed telegraphically that a case of food poisoning had occurred in the Backward Classes hostel at Jugguru village, Kanchikacherla taluk, Krishna District. Soon after receipt of the above information, the District Collector asked the District Social Welfare Officer who was attending a samithi level meeting at Chilkakallu Samithi on 28-8-82 to rush to the hostel and enquire into the incident. The District Social Welfare Officer rushed to the hospital at Kanchikacherta where 19 borders were already admitted by the warden and Sarpanch for treatment. It was reported that only 6 borders were admitted as inpatients and the remaining 13 borders were sent back after rendering first aid. The District Social Welfare Officer along with the Assistant Social Welfare Officer, Kanchikacherla visited the the hostel at Jugguru and found the other borders were safe. The enquiry of the District Officer revealed that out of 69 borders who have taken their morning food with rice, gongura and rasam and butter-milk, 2 children got vomittings in the first instance. After finishing the meals some borders got vomiting sensation. The headmaster of the school asked them to go back to the hostel. After hearing this some of the boys got psychological fear of vomiting sensation. The Sarpanch of the village and the warden of the hostel have admitted 19 borders in a private nursing home at Kanchikacherla. 13 of them were asked to be taken back after rendering first aid.

It is stated that one border Sri Venkateswarlu of 7th class had taken out some unidentifiable insect in Gongura curry and showed it to the warden who in turn asked the borders to avoid that item and take the meal with other items like rasam and butter-milk. This happened due to non-cleaning of gongura leaves properly. 6 borders were admitted as inpatients but none of the victims either suffered motions or became unconscious due to the incident. The District Social Welfare Officer visited the hostel along with the Assistant Social Welfare Officer and found the remaining borders safe and secure.

The above incident had occurred due to non-cleaning of gongura leaves by the daily cook and the regular servant. The former was ousted and the latter kept under suspension as a
punishment. The post of the cook of the hostel which was vacant consequent on the transfer of the Backward Classes hostels, Machilipatnam was reported to have been filled immediately after the above incident. Now the situation is calm and peaceful; there are no complications due to this happening. The warden who was present at the time of the incident failed in the proper discharge of his duty. The Collector is being asked to take severe action against the warden for this lapse.

It is a fact. It is a fact that two women were raped and murdered at Chainupaka in Warangal District. It is a fact. I have kept quiet and sat down.

Chairman: Absolutely not. There was no discrimination. There was a categorical reply that the Government of India expressed their inability and then you sat down. And since it is a murder case and it is another important thing, I said you might seek clarification.

Chairman: Since it is a murder case, I allowed him to seek for clarification.

Sri M. Venkaiah Naidu Have you sent for the Minister?

Sri C. Janga Reddy: To-day. I request the Chair to direct the Minister to send telegrams.

Sri M. Venkaiah Naidu: The Chair can direct to pass on this information. To-day you should issue telegrams, otherwise.

Mr. Deputy Speaker: I will see that the Minister issues a Telegram to-day itself.

Sri K. Govinda Rao: Not only to Warangal Collector, to all the Collectors.

Mr. Deputy Speaker: Yes.

Mr. Deputy Speaker: Now, the Chief Minister will move the Demands.

The Chief Minister (Sri B. Venkatram):

Sir, I beg to move:

Mr. Deputy Speaker: Now, I have to put the Industries Demand to vote.

Sri M. Venkaiah Naidu: I suggest a solution.

Mr. Deputy Speaker: If there is no time, they will be guillotined.

That is better to continue the Industries Demand also.

Mr. Deputy Speaker: The Appropriation Bill has to be published. That is why......
Sri M. Venkaiah Naidu: When it is coming up tomorrow we are not going to object. All the Demands which are passed in the House, they can be.

Mr. Deputy Speaker: We can sit up to 2 or 2-30 and then have the meeting in the evening.

Mr. Deputy Speaker: Yes, we shall continue this and sit up to 2 or 2-30 p.m. In the evening we will have to discuss the drought conditions.
2nd September, 1982

Business of the House

00 P.M.

Let the House sit late and transact the business and finish the items. They are not able to come in time. At the same time let them accept. In the spirit of democracy, let us sit late and finish the business. You cannot take Appropriation Bill other than to-morrow. If there is any possibility of postponing the Appropriation Bill also, I have no objection.
Mr. Deputy Speaker : As far as I know I cannot Postpone.

Sri P. Sundaraiah : Let B.A.C. sit and extend the session for 7th or 8th. No appropriation Bill can be passed to-morrow. Let the Demands be postponed. If no rule constitutionally prevents you in guillotining the Demands by 1-30, the same authority can make the Session prolonged for another two or three days and Appropriation Bill can be passed afterwards. There is time upto September 30th. There is a serious discussion on Industries Department. In half an hour it cannot be done. It is almost doing injustice. Either you call the B.A.C. or adjourn. Then take all the Bills and all that.

Sri A. Madan Mohan : At the last B.A.C. meeting this was discussed at length. Ultimately it was agreed that the Session will be extended upto 7th. As far as extending the time or guillotining I have great respect for Mr. Sundaraiah.

Sri C. Narayana Reddy : There may not be any deviation ordinarily from the parliamentary practice. The rule of position is to guillotin and take up other business. Otherwise we cannot sit nor the Speaker has any power. But the extension of Budget Session is only within the purview of B.A.C.
Mr. Deputy Speaker: It is now agreed and we sit late in the night.

Sri M. Venkaiah Naidu: If you want to extend there is one provision. After passing the grant, within 24 hours Appropriation will be passed. I request the Chief Minister to see that the discussion on the Demands is extended to minimum 2 days. Nothing prevents. See Rule 154.

Six days shall be allotted for the general discussion of the Budget and eighteen days for the voting of demands for grants.

Sri G. Latchanna: Under special circumstances the Speaker has got powers.

Sri B. Venkatram: Let us have discussion from 4-6 P.M.

Mr. Deputy Speaker: We will now sit from 4 to 6 and pass Demands. Thereafter we go to discussion on Drought.

Sri M Omkar: I move:

To reduce the allotment of Rs. 1,31,69,000/- for Governor and Council of Ministers by Rs. 100/-

There is no unity and cohesion and stability in the Cabinet several Ministers whom serious charges of curruptions Nepotism, partiality and inefficiency have been made are continuing in the cabinet. There is neither effective control of the Ministers over their respective administration nor any effective administration is in existance–Frequent trips of the Ministers to Delhi has degraded
the very prestige of the Telugu nationality besides imposing heavy financial burden on the public exchequer. The way in which the Chief Ministers are changed and selected new ones and the selection and appointments of the Ministers are made is undemocratic, unconstitutional and obnoxious.

Sri M Omkar: I move

To reduce the allotment of Rs. 6,03,16,000/- for Elections by Rs. 100/-

Corrupt practices and intimidation and misuse of the state power in all kinds of elections have become order of the day. Thanks to the malpractices of the ruling classes and vested interests the vote has become a commodity to be bought and sold.

Dr. S. Chandramouli: I move

To reduce the allotment of Rs. 6,03,16,000/- for Elections by Rs. 100/-

For misusing the Government machinery in the conduct of elections.

Sri C. Janga Reddy: I move

Sri P. Janardhana Reddy : I move

To reduce the allotment of Rs. 15,26,41,000/- for General Administrative Services by Rs 100/-

Mr. Deputy Speaker: Only Opposition may speak.

Sri P. Sundarayya:
Why? We want the Congress benches also to attack us and the Minister also should reply. Otherwise it means you treat us with contempt.

Is that the way in which a debate should be conducted in the Assembly?

Sri K. Prabhakara Rao: If it is a fact that Hon'ble Speaker committed himself to go up to 8, I don't want that the Speaker should go back. Just now in the chambers when I was asking you, you said from 4 to 6 you committed for Demands.

Mr. Deputy Speaker: You were not aware.

Sri N. Janardhan Reddy: When are you going to discuss about drought? This kind of deviation from the Business Advisory Committee is causing a lot of difficulty.

Sri N. Janardhan Reddy: The member should withdraw; he is making an irresponsible statement.

Mr. Deputy Speaker: You can have it from 8 to 9.

I have no objection.
Sri B T.L.N. Choudary: I request the Chair to give precedence for the drought over everything else because the condition in Rayalaseema is very acute Unfortunately there is none in the opposition to present Rayalaseema: that is why it is being ignored.

I want to say that we want to complete the discussion on drought to take place to-day for the reason that this House has got precedence.

We will be the first to welcome discussion on drought and it should get precedence. And we request the Chief Whip to use his good offices. The Chief Whip says that because there is no body from Rayalaseema, it is being neglected. Shall I remind him that it is the Opposition who raised the issue of diversion of Krishna waters to Rayalaseema?

And then we raised the issue of drinking water. They have been sleeping over it all these days. It is my charge against the Congress people including the Chief Whip. They never bother to come to the House.

Mr. Deputy speaker; Let there be peace in the House.

Mr Deputy Speaker; This is the consensus arrive at. We will have discussion the Demands till 8 p.m. and then from 8 p.m. to 10 p.m. we will sit and discuss the Drought situation. This is agreed to.

Mr. Deputy Speaker; I wanted to draw the attention of the Hon. Minister for Industries. I wanted to draw the attention of the Hon. Minister for Industries.
That happened to a man who had an experience of 13 to 14 years in USA. and after his return here.

Are they doing this with any mercy? They are charging us and collecting betterment charges in the name of betterment. To him Charka was a symbol of all labour intensive enterprises. The disease of the masses is not want of money so much as it is want of Work. Labour is money. He who provides dignified labour for the millions in their cottages, provides food and clothing or which is the same thing, money. The Charka provides such labour. Till a better substitute is found it must therefore hold the field. India has to live. There is no other country in the world where so many millions of people have only partial employment and where in spite of civilisation being predominantly rural, the holdings are barely two acres per head. To manufacture the whole of her cloth requirements through steam or electricity or any means other than the human power behind the wheel is still further to deepen the unemployment of the population.

India must therefore mean utter extinction of many millions

श्री शिवलाल : मान्यता अवधक्ष बहोदय नदन में जो प्रस्ताव उद्धोष के सम्बन्ध में रखा गया है उसका समर्थन करता हुए इंडस्ट्री-यल उद्धोष का रियासत की नेतृत्व एकानमी बढ़ाने में सब से बड़ा स्थान होता है। उसके उपाधान के लिए और उसकी प्रगति के लिए गवर्नमेंट का चाहिए कि जियादा से जियादा अहूलब दे और उसको एक्सरेज करे। लेकिन देखा जाता है कि प्रोसिजर या आवेदित के रूप में और रेखेलशन के कारण इंडस्ट्रीज को डेवलप करने में सीट बयाक हो जाता है। और इस प्रोसिजर और रूपस्थ कि वजह से जो लोग इंडस्ट्रीज लगाना चाहते हैं फिरते फिरते उनके चपल घस जाते हैं और वह लोग बेजार होकर इंडस्ट्रीज लगाने का बियाल ही छोड़ देते हैं। और यहीं वजह है कि आन्ध्रप्रदेश में काफी हेवी इंडस्ट्रीज कि रक्षाफना नहीं होपकी। इसके और बहूत से कारण हो सकते हैं। हलालके हम यहीं बहुत से सर्बिकार एकानमी जमी कि संहृजत दे सकते हैं। बाल्ड बिट में काफी जमीन हम दे सकते हैं। यहाँ पर इससे इस्टेट कि तरह से लेबर का वास्तव में नहीं है इस लिए ध्वंस किया जा तात्कि जि यह आन्ध्रप्रदेश में बड़े पैमाने पर हेवी इंडस्ट्रीज कारण करे जिस तरह कि बेंगलुर या कलकत्ता में बड़े बड़े इंडस्ट्रीज कारण कि मई है। जैसा कि इसमें कह रहा था यहाँ पर प्रोसिजर कि वजह से इंडस्ट्रीज को एक-रेज में ही भित रहा है। रेजिस्ट्रेशन का हाल तक सबाल है वह एक एस प्रोसिजरों में वसा हुआ है कि इसी आवेदित के लिए जो हेवी इंडस्ट्रीज लगाना चाहता है उसको सर्टिफिकेट नहीं मिल सकता। ऐसे सर्टिफिकेट-के टोक पालूका लेबल पर या डिस्ट्रीक्ट लेबल पर विशेषाणा चाहिए ताकि वहाँ के मूलमार इंडस्ट्री आफ फेक्ट्रीज जलद ही इस प्रोसिजरों कि तकमिल करसके। इस बारे में मेरा सुझाव यह है कि इस प्रोसिजर का कट शान करने के लिए मूलमार सर्पंच या डिस्ट्रीक्ट इंडस्ट्रीज के जनरल मेनेजर का यह पावरस सियाए होते हैं। इस से जलद रेजिस्ट्रेशन हो निकलू और स्मॉल स्केल इंडस्ट्रीज को बढ़ाना मिलेगा। इस के साथ
साथ यह सब देखा गया है कि फॉनातियरल कार्यशाला का इंडस्ट्रीज को लेनदेन में बढ़ी दुकानदारीयों का सामना करना पड़ता है। सब से पहले इंडस्ट्रीज हिप्पर्ट्समेंट को फारम्यूलिटिज का उद्देश्य मानना पड़ता है फिर मुख्यालय विभाग कि फारम्यूलिटिज कि तकमील करनी पड़ती है। जब सिल्क वर्गी बदल आता है तो या लोन देने का सबसे आती है तो कई कोईरिज होते हैं कई विख्यात पेश आती है लोन देने के लिए काफी बक्क लगता है। अगर खुद फॉनातियरल कार्यशाला रेखास को खूब हि एकाार्मिनेर बनाने और कारवाई को कमयाद करने का मोड़ दिया जाए तो काफी बक्क बच सकता है। जब में सबसा दोष के बारे में यह कहूँगा कि इंडस्ट्रीज को एकरेज करने के लिए सबसीडिज दिया जाता है उसका सिद्धांत यह है कि सेंट्रल गवर्नमेंट से १५ प्रति शाद और इस्टेट से १० प्रतिशत सबसीडिज दिया जाता है। यह सबसीडिज इस एरिया को दिजातो है जो फाइनकेंद्र डाक्टर किया गया हो। इस में सब से बड़ा सेट कामकाज है कि जिस इंडस्ट्रीज को जियाबा सबसीडिज मिलती है साथ उसी की तरफ जाते है। जिस इंडस्ट्रीज को इस्टेट के जानिय से १० प्रति शाद सबसीडिज मिलती है कोई भी इस कि तरफ ब्लेक नहीं देता। इस में नेरा यह रे है कि जिस तरह सेंट्रल गवर्नमेंट १५ प्रति शाद सबसीडिज देता है उसी तरह इस्टेट गवर्नमेंट के जानिय से भी १५ प्रतिशत सबसीडिज दिनामी बाहिर हुए। जिस एरिया को बायकब्ल्र डिक्टर किया जाता है वहां इस नोटियस किया जाए तो में समझना हूँ कि मजबूत होगा। एक बात और यह है कि इंड- स्ट्रीज बीते के लिए हैद्राबाद में बढ़त सी ऐसी एरिया है जो अभी तक डिक्तर नहीं किया गया आप अब तक तरह जानते हैं कि एक बाल्ड सिटी डेवलपमेंट बायराटरी की खुशपत कि गई है। उसका एरिया फाइनकेंद्र है यहां पर जहां इंडस्ट्रीज काम कि जाए तो हल्के रूप में प्रावधान हूँ होती है। बढ़त सी इंडस्ट्रीज इस बक्क बाल्ड सिटी में है जैसे कि चन्द्रनाल बारा अन्दर में है सिवारामपल्ली में है काटेड्रल में है। "हाँ

This is the reply given by one of the hon. members.

I am not going back on my charge. I am ready to prove it. Not now. But within a few days, I try to get the information and stand by the information. Then I am not making any personal accusations against X.Y.Z or any other person.
Let the Government challenge my contention.

Mr. Deputy Speaker : I have to announce something. We are hour sitting upto 8'0 Clock. We are not having 'Question hour' tomorrow. Tomorrow we are taking discussion on drought in the morning.

Sri M. Venkaiah Naidu : My charge is simple. I want to ask the Chief Minister for straight question. Under what basis you have sent these people under reciprocal basis? Under what basis you have given to the son of the Deputy Chief Minister? Under what basis you have given to the son of the Revenue Minister? Under what basis you have given to the son of the Revenue Secretary? This is my charge. Let the Chief Minister reply to it.

Because simply you are the Chief Minister and because you are in the Government you cannot distribute seats as you like. More particularly you are the Minister answerable to this House and you cannot distribute them among themselves. When a charge is made, let the Chief Minister refute my charge and say that they were denied or not given seats.

Mr. A. V. Ramana Reddy son of Bhaktavatsala Reddy:

Mr. Y. Satyanarayana, A P.S.R T.C. Hyderabad. They were
given seats

That is the first presentation to make to the Chief Minister.
I can only pity him. The second presentation is Singareni

This is my second presentation to the Chief Minister.

"Your letter dated .. complaint has been referred to the
Director of Medical Services for further action."

How fine and beautiful the Cell is working?
Here is a bundle of promises made by our Chief Minister. I just want to pass it on to him for his perusal and for action, if any, of he continues in office for some more time.

There are instances where your officers have kept the files for six months. There are instances where the files are kept up for years together without taking and decision.

You convince yourself. You convince your conscience. What is the special duty and the work that is being done by the Parliamentary Secretaries? Are they getting yes? Are they given any opportunity to go through the affairs of the Department? They were never taken into confidence. Still you are maintaining them.

Chief Whip is ready to quarrel with me everyday in the House. What is the special duty?

Some people want to seek through caste and other considerations. They want to exploit the situation.

Some lobby that so and so is good and, so and so is honest.
There are I.A.S. officers about whom we feel proud. I don’t want to reveal their names. I don’t want to hurt others.

How many times the District Collector of Nellore was transferred? In my 41/2 years legislature period I have seen five Collectors. Mr. Arjun Rao, the other day was posted to Visakhapatnam. If you want to transfer a person think twice before you do so.

You have failed miserably. When we made charges against C.N. Sastay, Managing Director of Singareni Collieries, what happened to him? He was transferred to Medical and Health.

From Medical and Health to Industries. From Industries to Commissioner of Land Revenue. He is the boss of all the Collectors now. Such an important post is given to him. There are 61 charges made by some of the members of this House from both sides, I believe. Are they ruling the State or are we ruling the State? Is it the administration of Mr. Venkatram or somebody else? I cannot understand.
His visit to foreign country and the knowledge he acquired in the department is going waste, because he is not allowed to continue in any post for more than two years.

You are giving scope to the officers to misuse their position.

You expose us, we are finished, the moment we are found fault

Sri C.N. Reddy (Manthani) : I would like to say a few words about the privileges and working of the Members of Legislature. I am not trying to sling mud on anybody. Good words and appreciative words have been said by the other side which deserve to be seriously considered. Very valuable suggestions have been given by
the revered leaders from that side. Along with that an attempt also has been made to blow hot and cold—which ultimately becomes cold. Yesterday we have decided the issue—it was after going into the pros and cons we have decided the issue and again an attempt has been made for character assassination. Our Chief Minister has been taking the right steps in the right direction; he has especially consulted the Chief Secretary in the cement episode and there is real admiration and appreciation by all the members because it is from that end it is admitted also. He has really streamlined all the departments and he has given a good policy; accordingly he is making all efforts. It was clear yesterday Mr. Baga Reddy made an attempt to get some extra quota when our State was starving. After consulting some officers he has passed certain orders that 500 tonnes may be given—which will not probably be sufficient for construction of a 3-room tenement. All that is forgotten and we are still going on attacking and indulging in character assassination. When our revered leaders from that end gave some appreciative words we should equally compliment him for making efforts.

With regard to the Legislature we are happy that with all the power that lies within you, you are protecting our rights and privileges. At time we are made to feel that probably you are munificent in the wrong place and we seek your indulgence.

The watch and ward needs to be headed by an officer not below the rank of additional SP here. What we see in the lobbies of the House is indiscipline. As far as the conduct of business in the House is concerned nobody would say anything and you are very jealous of our rights. Only with regard to watch and ward some special staff must be there; otherwise these poor attends will not be able to enforce discipline. I thank you for giving me this opportunity.

There is no unity and cohesion and stability in the Cabinet. Several Ministers whom serious charges of corruptions, nepotism, partiality and inefficiency have been made are continuing in the cabinet. There is neither effective control of the Ministers over their respective administration nor any effective administration is in existence. Frequent trips of the Ministers to Delhi has degraded the very prestige of the Telugu nationality besides imposing heavy financial burden on the public exchequer. The way in which the Chief Ministers are changed and selected new ones and the selection and appointments of the Ministers are made is undemocratic, unconstitutional and obnoxious.
