You can see, ‘whether it is a fact that the Agriculture Development Banks are collecting compound interest’–

SRI D.K. SAMARA SIMHA REDDY (Gadwal) : There is a rule under law that the interest would never exceed the principal amount. In spite of it the cooperative land mortgage banks and even some other cooperative institutions have been collecting interest which exceeds the principal. Are there any steps taken by Government to see that the rule is strictly followed.

MR. DEPUTY SPEAKER : The rule is not applicable here.

ADMISSION OF S.T. STUDENTS IN VARIOUS DEGREE COLLEGES AND TECHNICAL INSTITUTIONS

*9912-Q—Sri P. Janardhan Reddy :— Will the Minister for Social Welfare be pleased to state :

(a) the number of S.C. students admitted in various Degree Colleges, Medical, Engineering and other Technical institutions during the past five years ; and

(b) the number of Madigas admitted in various institutions ?
Sri M Venkaiah Naidu: Sri, no Member can make a speech during the question hour. The Member is attributing motives to another Member putting the question.

Mr. Deputy Speaker: That has become a practice...

Dr. S. Chandramouli: A Member has every right to extract the truth, Sir.

Sri M. Venkaiah Naidu; Sir, I request that those expressions might be deleted from the records. That is my objection.

326 1st September 1982 Oral Answers to Questions

Mr. Deputy Speaker; Yes, please. I am asking him to put his supplementary.

ప్రపంచం ప్రదేశం ఉష్ణమేడి ఇంటి సంస్థలు ఇందులో ఉన్నాయి. మనుష్యం కొత్తం, మనుష్యం ప్రతి సమయం ఉంది... I am sorry. Why should he attribute motives?

స్త్రీల సర్వనాథ్రి - దండయతన యుగం కాసరాయం ఉదయం, యుగం కాసరం ఉదయం ఇంటి సంస్థలు ఇందులో ఉన్నాయి. మనుష్యం ఉష్ణమేడి, మనుష్యం కూడా ఉన్నాయి... Mr. Deputy Speaker; Are you speaking on half of the Minister?

Sri N. Ganapathi Rao : Yes, at the same time...

Mr. Deputy Speaker : You do not have any supplementary.

ప్రపంచం ప్రదేశం - దండయతన యుగం ఉదయం, యుగం కాసరం ఉదయం ఇంటి సంస్థలు ఇందులో ఉన్నాయి. మనుష్యం ఉష్ణమేడి, మనుష్యం కూడా ఉన్నాయి...
Sri M. Venkaiah Naidu: Why? He is the Minister for the Government and not for Social Welfare Department alone.

MR. DEPUTY SPEAKER: I do not want every body to bring it. I am not allowing any discussion on this.

There is a community called Adi Andhras. May I know the definition of Adi Andhra? Is it not the practice or duty of the Government to know whether a particular S.C. candidate belongs to a particular sub community or not while receiving applications for scholarships or admissions?
We only go into the aspect whether he deserves scholarship since he belongs to S.C. community.

SRI M. VENKAIAH NAIDU : I protest against the attitude of the Minister. The question is not fully answered. It must be postponed, since the Minister is not having fully information. There is a ruling of the previous Speaker, Sri B.V. Subba Reddy that after a question is admitted, it must be answered fully. There in no option left to the Minister. What is the difficulty in giving the figures for five years?

He cannot dictate terms to the House simply because he is a Minister.
Oral Answers to Questions 1st September 1982 329

Sir, I seek the protection of the Chair.

(Interruptions)

I am not going into the merits. I want only an answer to question (a).

SRI M. VENKAIAH NAIDU: I am not advocating for classification of S.Cs. I want an answer to be given for (a).

MR. DEPUTY SPEAKER: He said that the would collect some more material. I will see that he pass on the information to the Hon. Member.

Sri B. Machinder Rao: Sir, why should he divide the community?

(Interruptions)

Mr. Deputy Speaker: why do you think that it is dividing the community.

Sri M. Venkaiah naidu: Sri, I want the answer to question (a) and not for (b).

Sri K. Ranga Rao: Actually it is a separate question. I request the Hon. Member to put a separate question.

Sri M. Venkaiah naidu: It is not a separate question. Sir, please read the question.
THAT is why I am asking the hon. member to put a separate question to Education, Technical Education and Medical Departments. Only those departments can give actual figures to this question.

The question has to be circulated to the Technical and Education and other departments and relevant information had to be collected and placed on the Table of the House. Our intention is not to divide any community or subcaste. Question 'A' the Speaker in his wisdom was admitted. The Minister cannot escape saying that the answer is not with me. He should say, now that the answer to 'A' will be given to the House before it closes its session.
We have also asked the respective departments to get the actual figures. For three years we have got. For remaining two years we could not get. So, I am asking the hon. members to ask the respective departments to get.

That is why I am asking them to place this question to the respective departments.

Mr. Deputy Speaker: He will send to all the members. I say one thing. He will get the information before 7th and place it on the table of the House. Otherwiss it will be given in the next session.

Sri K, Ranga Rao: It is not possible to get the information by 7th as it is not of my Department alone. I may not be able to get it. Therefore, kindly permit me to send the actual information to the hon. members directly after 7th.
10.00 a.m.

According to the Commissioner's Report, the rule of reservation is being observed in this office and all carried forward vacancies of S.Cs. and S.Ts. are notified to the Honourable Public Service.
Commission without their being lapsed after the end of the 3rd recruitment year also. So all the Deputy Commissioners also have reported that it is being followed very strictly. If the hon. member gives any specific instance where it is not followed, we will examine.

Sri P. Janardhan Reddy: I put a direct question. How many Harijans are working in this Department? Let him say.

MINI WATER SUPPLY SCHEME FOR LATCHAGUDEM VILLAGE KOTHAGUDEM TALUK.

S.N.O. No. 9966-A: Sarvasri B. Sitharamaiah (Shujatnager) Nallapareddy Sreenivasul Reddy (Venkatagiri): Will the Minister for Rural Water Rupply be pleased to state:

(iv) 1980
because they are not in a position to answer it.

MR. DEPUTY SPEAKER: I remember that one of those notices was disallowed by me.

SRI M. VENKAIAH Naidu: The question of disallowing does not arise without hearing the member either here or in the Chambers, even according to 168, 169 and 170. The Speaker has to read them in the House and then disallow if at all it is to be disallowed. Here there is a clear-cut case of violation of the procedure of the House. Clearly you have misled the House.

MR. DEPUTY SPEAKER: There is a prima facie case in what you have alleged. We will definitely bring it.

SRI M. VENKAIAH Naidu: I may remind the Chair. The other day, the Chair told me that the notice is forwarded to the Minister for further comments.

(Sri V. Naidu)

SRI M. VENKAIAH Naidu: They have to be placed tomorrow.

MR. DEPUTY SPEAKER: Within a day or two ....

SRI M. VENKAIAH Naidu: The Chief Minister promised to place the paper in regard to Baga Reddy today.
2nd September 1982

Business of the House

You are not able to understand our difficulty.

It went on till 2.00 p.m. There is no motive. It has become a practice. Even in regard to Suppementaries, I have been looking towards the Opposition. I have to give a chance and I have given also.

Mr. Baga Reddy's case:

I am asking about Mr. Baga Reddy's case.

MR. DEPUTY SPEAKER: I am also looking towards opposition and I do not want unnecessary charges. Let there not be any motives attributed.

This is regarding mis-use of cement distribution. Members who have given notice may be called. The Minister will reply and if the Members have any doubts, they will put supplementaries.
I am reiterating to end the controversy. I am reminding the Chair about the assurances given by the Chief Minister.

SRI D.K. SAMARASIMHA REDDY: Point of order, Sir. With regard to certain matters, which the Opposition Members have raised this question on the floor of the House, it is amounting to mis-leading the House, Sir. We have also given a privilege motion and we would like to know what happened to that, Sir?

SRI M. VENKAIAH NAIDU: They may be taken up, Sir, right now and we are ready.

SRI S. JAILPAL REDDY (Kalwa Kurthy): Point of order. Sir. Mr. M. Venkaiah Naidu, myself and few others have tabled privilege motion against the Minister for Major Industries Mr. Baga Reddy and against the Minister for Finance Mr. Prabhakara Reddy. I would like to go into the merits of the privilege motion. As Mr. Venkaiah Naidu pointed out we would like to be heard in the House before you give a ruling......

MR. DEPUTY SPEAKER: There is no prima-facie case.

SRI S. JAILPAL REDDY: If you disallow it, the entire thing would become infructuous. There is no point in discussing it if it has been disallowed.

MR. DEPUTY SPEAKER: You have given notice on the same issue. Some other persons have also given notice. If there is no prima-facie case......

SRI S. JAILPAL REDDY: If you are prepared to hear us......

MR. DEPUTY SPEAKER: I will see that all these things are examined.
Sri D.K. Samarasimha Reddy - Under Rule 171, it need not be put for discussion, it may be disallowed.

Sri M. Venkaiah Naidu - He must read Rule 169 also.

(interruptions)

Sri M. Venkaiah Naidu - Hon. Speaker has decision taken.

Sri M. Venkaiah Naidu No.

Sri P. Sreerama Murthy - Hon'ble Speaker has taken a decision in regard to the privilege motion. We want to represent some thing about the privilege motion. You have given some opportunity. In what way, both the privilege motions are clubbed together?

I can give. It is at the discretion of the Chair. I can even dispose it off. I need not give any opportunity. However, I will look into the procedur of Lok Sabha also and give a ruling.

Appropriate severe action should be taken against the concerned.
The Minister is there to defend.

SRI M. SREENIVASA RAO: Point of order, Sir. Whether any Member of this House can allege falsely against a Member of Parliament who is not a Member of this House? That too he says, he is a Minister. Who is he?

I am making a charge against the Minister and the Minister can defend himself. The Money involved is Rs. 10 lakhs.

What is the action you have taken? Till now, the Registrar is working under the direction of the Minister. What is the enquiry you have conducted. Let the Minister reply, Sir.

SRI S. JAIPAL REDDY: Sir, I have also tabled a notice and I am not pressing for my right to speak. I will only put some supplementaries after Mr. Janardhana Reddy completes his speech.

SRI P. JANARDHANA REDDY: Sir, it is a clear case of misappropriation of funds of the Society. The President has drawn advances as and when he required the cash. It has to be viewed severely.

The Department has openly said that this man has mis-appropriated so much.
Matters Under Rule 329 1st September 1982

It is stated like this: “I will see that this enquiry is completed within 40 to 50 days. There is no question of shielding anybody.”
Sr S. Jaipal Reddy: The Hon'ble Member from the concerned Constituency has stated categorically that so long as the President of the Society continues in the post, it is not proper and on proper enquiry can be held. So, will you take a step to supersede the Society so that the things could be set right?

I will take action against the concerned.

As per the procedure, we will do. 40 days supercession notice should be given by the Dy. Registrar.

I am reiterating again that this Durgaiah who is the President of the Society is a supporter of the Central Minister, who is the friend of the present minister.

Is it the process of Law? So simple - there is a prima facie case according to the CSR's Report and I think the Minister is also convinced with the Report. Let him issue a show-cause notice as per Law; give him time; call for the explanation and take proper action and let the enquiry go ahead.

I will ask the Registrar to proceed according to the provisions of the Co-operative Societies Act and also I will ask them to
examine, whether we can proceed and whether we can give a supersession notice to him and also whether we can proceed under the Civil and Criminal procedural code. I have no objection—but nobody has said about this and nobody has influenced me and nothing is involved. I am very sorry for all the remarks.

You dissolve the Trust. Take over the entire buildings.
Why not the Government do it?

You first institute proceeding for acquisition of the property pending which you may proceed with the assignment of the buildings to Anadhi Vidya Griha.

What will be the fate of all these boys?

The boys need a place to live, and the authorities must find a way to accommodate them. The situation is dire, and immediate action is required to prevent any further harm to these innocent boys. The authorities must ensure their safety and well-being.
It is irrevocable trust. It is now a kind of social property.

It is a social institution.

What steps has the Government taken to protect it? Do you have responsibility or not? That is the real question to which he must address himself.
The Government has larger social responsibility. I want the Government to assign the building to Anadha Vidyardhi Gruham pending acquisition proceedings.

PAPERS LAID ON THE TABLE:

THE MINISTER FOR FORESTS (Sri M.A. Aziz):

Sir, I beg to lay on the Table a copy of the two notifications issued with G.O. Ms. No. 1094, Revenue (Rehb. II) Department, dated 6-8-1982 and published in Part-I Extraordinary of the Andhra Pradesh Gazette dated 9-8-1982, as required under section 6 of the Andhra Pradesh Relief Undertakings (Special Provisions) Act, 1971.

MR. DEPUTY SPEAKER; Paper laid.

ANNUAL FINANCIAL STATEMENT (Budget) FOR 1982-83:

DEMANDS FOR GRANTS

Relief and Rehabilitation.
Community Development.
Urban Development.
Civil Supplies Administration.
Labour and Employment.
Housing.

THE MINISTER FOR MUNICIPAL ADMINISTRATION
(Smt. B. Sarojini Pulla Reddy):

Sir, I am extremely grateful to all the Hon. Members of this august House who have given very, very useful suggestions. As a matter of fact, whenever they raise any issues, I feel we acquire new knowledge also and these problems will be hastened to be solved.

The budget for the Municipal Administration and Rural Development is of the order of Rs 40 crores i.e., Rs. 26 crores for plan and Rs. 14 Crores-non-plan. It is the avowed policy of this Government to better the living conditions of the people—particularly slum dwellers. Sir, as evidenced from the 20-point programme of our beloved Prime Minister Smt. Indira Gandhi, the Government have taken up a massive programme for the improvement of the living conditions of slum dwellers. The total number of 2,000 slums all over the State including...

Sri S. JAIPAL REDDY: On a point of order, Sir. Can the Minister give her reply by reading out from a note?

SMT. B. SAROJINI PULLAREDDY: Sir, this is very unfair. I am not reading. I am not reading. I am giving only statistics. Whenever necessary, I have to read.
MR. DEPUTY SPEAKER: There were number of occasions when Lady Members of occasions when Lady Members were permitted to read.

SMT. B. SAROJINI PULLA REDDY: Out of a total number of 2,005 slums all over State including 470 in Hyderabad city, 756 schemes have been taken up covering a population of 9 lakhs. A sum of Rs. 940.38 lakhs has been spent to develop all these slums so far. This is a great achievement. As against last year’s Rs.3.5 lakhs, this year we have provided Rs. 5 crores for slum improvement. As I said a novel scheme known as habitat scheme was taken up by the Municipal Corporation of Hyderabad, Visakhapatnam and Vijayawada. Our habitat scheme has been seen by many experts from all over the world and they have said that it is the best in Asia itself.

There is a complaint that not much has been done in the old city. Most of the slums have been taken from the old city itself. In this connection, I may recall my party leaders’s committed programme and policy to the weaker sections. I want to quote a sloke from Bhagaved Gita:

"Great people are born to do service to poor sections, to weaker sections, people living in slums is absolute poverty, in conditions..., like sub-human beings. For the solution of such people and to solve their problems, our party avatar comes.

(Interruptions)

This is a fact and this is Geeta. They might say for the sake of saying. But we are all aware that she is one of the rare persons of this world.

SRI M. VENKAIHA NAIDU: Who is she?

SMT. B. SAROJINI PULLA REDDY: Our beloved Prime Minister, I have already quoted.

Some People have born to do service to poorer sections, to weaker sections, people who are living in slums, people who are living in poverty conditions, people who are living like sub-human beings. For the solution of such people and to solve their problems an Avatar comes once in a Yuga, like Lord Krishna. As a matter of fact, still I don’t know. This is not Gita, don’t know they might say just for the sake of
Our beloved Prime Minister is one of those rare persons, about whom I quoted.

No human being has a right to ask another human being to scavenge and this has been shown by no lesser person than Mahatma Gandhi.

We will do our best to provide more money for these wet latrine scheme.

The Government is very much alive for integrated development of small and medium towns. Government of India has so far approved 18 towns under Centrally sponsored schemes and released about Rs. 192.75 lakhs. The State Government has released Rs.298.25 lakhs and proposed to release another Rs. 81.97 lakhs making a total of Rs. 386 lakhs. We have to get some more towns of this scheme, from Government of India.

As the lady member, Smt. G. Dhanasuryavati said it is disgracing that after so many years, we are not able to provide toilet organism for women.
I am requesting all the hon. members, when they are in their constituencies, to request to provide some places. The Government is prepared to pay them and we will take up public toilets.

My endeavor would be to take Mr. Jaipal Reddy and Mr. Narasimha Reddy there. But we are not prepared to take them into our party. Whether parting is temporary or permanent, I individually say that politics is such after all.

Sri S. Jaipal Reddy:— People seem to have apprehensions. I don’t know. Unless we have money we don’t take up vague schemes.

Sri B. Sarojini Pullareddy:— There is no dearth for finances. I am grateful to the city M.L.As. and M.L.Cs. particularly in respect of road widening. Without any interference they have given maximum amount of cooperation. I am extremely grateful to the citizens of twin cities. They are very cooperative and I am assuring the hon. members of this House from both sides. Already Rs. 1 crores has been deposited with the Land Acquisition Officer. Rs. 4 crores are in the Municipal Corporation Office. Beg, borrow or steal—we pay them.

We are not going to run away. After all it is our commitment. We will certainly give them compensation.

I don’t know. Accidentally everybody has been so kind, even railways and defence. Otherwise, to get an inch of land of Defence is a difficult problem. We are prepared to pay compensation. In this case I don’t know how to thank them. They are very very considerate and they have already given almost all their land for road widening.
I am sorry, we have done wrong. I must accept.

It is said that this is another brainwave of a madman like Thuglak. The former Chief Minister did it with the best of his intention. Due priority should be given to old city. That is why it is not a brainwave of a mad man.

That is a wrong information which is being given to them.

The authority sanctioned old city street lighting scheme for 23 localities at the cost of Rs. 15 lakhs. Rs. 20 lakhs are provided for water supply connections. There is a provision for Rs. 60 lakhs during the current year. Besides that for roads various programmes Rs. 7 crores are earmarked for old city. I appreciate the anxiety of the hon. members.
As far as water supply is concerned, perhaps, our State may be the first to shoulder the responsibility of pre-payment of all loans for water supply schemes in all the Municipalities and the Corporations. During the severe summer months we have provided Rs. 1 crore for the drinking water to tide over the difficult situation in all the municipalities. The major water supply schemes are:

About Manjira third phase, investigation is over. We are also making investigations to tap Krishna waters to Twin Cities.

Hon Members are aware that we have also created Water Supply and Sewerage Board. It is also a great achievement. We will try to mobilise resources from banking institutions and World Bank also.

I must say something about U.D. also. Five U.D. As have been created in the State. Major projects undertaken by these authorities are:

Hyderabad Urban Development Authority—Budha Purnima Project; Hyderabad Ring Road; Satellite Town; Traffic and Transport Services by the Engineering College, Warangal and also I.A.M. Bangalore. The Vizag VUDA is taking up beautification scheme. Likewise Master Plan is being prepared. It is said that we are not allowing the functioning of the Corporations. I quote an example. We have recently issued instructions to U.D.A. to delegate the powers to develop control and also building regulations to the Corporations and the Municipalities. Permission was given to Vijayawada Corporation to purchase non-levy cement from Civil Supplies Corporation. The Government permitted Vijayawada Corporation to purchase taxies after following the correct procedure. The Conservancy staff should be appointed after preparing the list as per the seniority of the eligible employees in Vijayawada. The Hon. Members have made so many suggestions. I am grateful to them. I also want to pose a problem to them.
After 2½ years struggle we could get Re. 1 crore for these hut grants of Rs. 1000/- . I want to announce to them.

Yesterday Mr. JaiPal Reddy raised about the pre-qualified tenders. Sir, Command Area Development is also being given on the basis of pre-qualified tenders.

Government received proposals from Municipal Corporation on 1.3 and 4 above. Municipal Corporation has recommended the acceptance of tenders of the Indian Hume Pipe Company and Hindustan Co., Ltd., belonging to Walchand Group. Evidently they did not know the High Court decision. When the file came to me I have pointed out that the decision of the High Court should be taken into consideration while processing tenders. Certainly that will be taken into consideration.

As a matter of fact, I pointed out.

We don’t differentiate. We believe in healthy democracy.

Sri S. JaiPal Reddy :- She referred to the point. Because of pre-qualified tenders, the area of competition is getting narrowed down to few contractors. As a consequence, the competitiveness is reduced. Under the pre-qualified tender system, there is no progress at all in three works.

Smt. B. Sarojini Pulla Reddy:- As a matter of fact, number of people have got suspicion on this prequalified tenders. A technical expert from the Municipal Corporation also will be called. They will be able to give all the details. I believe in being frank. Nothing will be heading from you. That is what I believe. I think the hon. members of those benches will be so happy. We are encouraging
the healthy democracy and we have been doing. We are not differentiating other Municipalities and the Corporations.

Smt. B. Sarojini Pulla Reddy:- I did not say. I said healthy democracy. We want to encourage healthy democracy.

All that will be taken note of. In the end I want to say that this Government, our beloved Smt. Indira Gandhi's Government wherever they are ..
We believe our lords and our masters. We want to serve you to the maximum amount.

Sri. S. Jaipal Reddy:-- I don't like to say anything. She quotes because she is a fair lady. But I would like to say that Ministers and Scriptures don't go well together.

Smt. B. Sarojini Pulla Reddy:-- I am grateful to the hon. member. Certainly he and I put together shall make all the efforts.
As a matter of fact, my mother and father come from Mahabobnagar. So, some sort of soft corner would be certainly there.

In fact, my mother and father come from Mahabobnagar. So, some sort of soft corner would be certainly there.
it will be examined and action taken.
Smt. B. Sarojini Pulla Reddy :- We have to examine this.

"Are you frightened"

He said 'No.' So, we are not frightened. We will certainly come forward without any fear.
SRI V. SUBHANADRESWARA RAO: This House can no have such evasive replies from the Minister.

The House cannot have such evasive replies from the Minister.

Madam, the Minister should have been better prepared to answer the questions. The Minister should have been more forthcoming and provided the required information. The Minister should have been more transparent and provided the required information. The Minister should have been more forthcoming and provided the required information.

 identifications in the relevant materials. A typographical error in the agreement by the power of attorney holders with the farmers is here. This has been registered on 13th

SRI S. JAIPAL REDDY: Sir, I am having the relevant material with me and I can provide it to the House. The photo-copy of the agreement of sale entered into by the power of attorney holders with the farmers is here. This has been registered on 13th
day of May, 1982. The Minister may kindly note that it is registered at the Sub Registrar's office of Uppal. According to this agreement of sale, the rate mentioned is Rs. 15,000/- per acre. But this also not correct. This agreement of sale deed shows the corrections made. It is not Rs. 15,000/-; but it is Rs. 12,000/-. It was later rectified as Rs. 15,000/-. I will pass on this photo-copy to you for perusal. The original agreement was entered into on 30th day of January. That day was recorded as 13th day of May, 1982, at the Sub-Registrar's office. The figure was also corrected as Rs. 15,000 instead of Rs. 12,000/-. The amount paid was Rs. 23,000/-. But the real amount passed on to the farmer was Rs. 13,500/-. The Cheque was passed on to the Power of Attorney holders some time in middle of June. After six weeks, this land was registered when Rs. 80 lakhs cheque was given to the power of attorney holders. Actually Rs. 11,500 per acre was given to the farmers and the remaining Rs. 2,000 were paid to the power of attorney holders. I regret to note that inspite of my writing a letter with all the facts to the Chief Minister and the Housing Board, they have proceeded with the registration. The land better than this area will be only Rs. 8,000 per acre which was available readily for purchase. Let him answer all these questions, Sir, I will pass on this material to you, Sir.

Sri S. Jai Pal Reddy: That is what we request you and require.

He might have written a letter to the Chief Minister.
Mr. Jaipal Reddy says that he want to pass the photo-
duplication copy of the agreement.

I am very much thankful to him. I will take necessary action.

I am not sparing anybody. I will not spare anybody. So, ...

Mr. Deputy Speaker: You please enquire into such things.

Sri B. Seshasayana Reddy: It is my duty to place certain
facts before the House.
The Minister for Relief and Rehabilitation (Sri M. A. Aziz): Mr. Speaker, several members made very valuable suggestions in regard to the several Demands presented before the House. Regarding Relief and Rehabilitation, two Hon. Members made some suggestions. Relief and Rehabilitation is concerned with the migrants from former East Pakistan, repatriate from Burma and Sri Lanka who are being rehabilitated for whom loans and grants are being given. The entire expenditure on rehabilitation programme on loans and grants is borne by the Government of India either by way of advance releases or by way of reimbursement. While speaking on the Demand, Sri S. Jaipal Reddy mentioned that an area of about 25,000 acres is being acquired in Visakhapatnam for the Steel Plant. In this connection, I have to submit that on the request of the Visakhapatnam Steel Plant authorities for additional area, they were requested to eliminate as far as possible village sites. On account of this, they have eliminated 9 villages out of 38 villages. They have also said that they kept their requirements to the absolute minimum on technological and other considerations under the revised detailed Project report. The additional requirement is due to adoption of peripheral railway, increase in the balancing reservoir due to modified requirements of water, location of harbour, provision of State Electricity Board Switching Station etc.
Hon. Dr. S. Chandramouli said that the Cooperative Spinning Mill at Chirala should be given some additional funds so that it can expand and absorb more locals in this concern. In this connection, I have to submit that the Government had already contributed a share of Rs. 30 lakhs. Now, a proposal has been submitted by the Cooperative Spinning Mill and that has been approved also. That is with regard to the working capital by the Mills. The Industrial Financial Corporation of India has sanctioned Rs. 120 lakhs and the Mill will be drawing the amount shortly and will be able to have its expansion programme. The State Government are also considering sanction of Rs. 15 lakhs from the State Plan. This way, the Cooperative Spinning Mills at Chirala may not require additional funds. By proper utilisation of these funds, it can have its expansion programmes.

There is one cut motion tabled by Dr. S. Chandramouli which reads like this. "For not providing relief measures for drought affected area people of Prakasam district." With reference to this cut motion, it is submitted that there is a separate grant under No. xxx for Relief Measures in the Drought Affected Areas, which was voted by the Assembly on 25-8-1982. This Demand No. XXXi does not relate to the provision of relief to the drought affected people. Hence, I request the Hon. Member to withdraw this cut-motion and pass the Demand. Thank you, Sir.

SRI B. MACHINDER RAORE: Which are the Districts in Telangana taken up for Cashew Plantation and what are amounts spent on this in Telangana and Andhra regions?

SRI M.A. AZIZ: No cashew plantation is undertaken under this head.
The Minister in-charge of the district is the Chairman of the District Planning Board.

All the Samithi Presidents are invited to take part in the District Board.

That is a new addition.

Sri N. Yathiraja Rao : Are they special invitees or Members?
Sri CH. Rambhupal Reddy : Members.
Sri N. Yathiraja Rao ; Only 15 Members to be nominated.
In some districts there 12, 13, 15. How can all these people fit into?
Mr. Deputy Speaker : The body would be wider.
Sri CH. Ram Bhupal Reddy : All the Samithi President will be Members.

The idea at that time was not be have them in the Board.
I do not know how the subsequent idea has come to you-
It has become a right-rope walking.
We have to constitute them one day.

Any ordinary man has an approach here and get his problem redressed. He has a chance to see that his things are heard.

We pay as early as possible before December 31st. Before the Elections we will try to pay. These Rs. 7 crores is not from NREP. We pay from other sources.
Sri D. Narsaiah (Achaenta): What is the action taken by the Government of Andhra Pradesh to implement and administrate NREP according to Government of India?
Whatever it is, it will be examined certainly.

But certain we will try to rectify this. Even the Zillaparishad has taken more than what is stipulated by the Government of India. Some of them have done nine times also and to bring them back, it has become a very difficult task for the Govt. of A.P.,
we told them "you take up the old works which you have started and then only you can take any works" Further you complete this work which you have already started and then go for new works

So, we have asked all the Zilla Panchayats not to take this extra work and only limit them and complete the old works and then only take up these works

Certainly we will do something Not only that Sir, we are sending them for higher education for B Sc, or so at the rate of one from each district every year Wherever there are promotional avenues, certainly we will accommodate but it will certainly take sometime. But we are doing our best
Finally we are insisting that they should not come back and they should be absorbed in Agriculture Department. That is too being examined. There is Committee and that Committee is examining along with the representatives of the B.D.Os., 1000 people get diverted to that department and got promoted—that scheme is going on. About the duration of the scheme whether it is for 3 or 5 years is being examined.

They are listed in the panchayats like fishery ponds and burial grounds etc., if the Panchyats want to use them for other purposes for which they are intended for, they have to take the permission of the Collector.

It will take sometime but we are reminding them right from 1963-64 and 1965, 1973 and as early as 1981 also we have reminded them.

20,000 people will be absorbed in the Agriculture Department.
It will take sometime. The Revenue department has to do it.

Government of India have prescribed a definite agency for administrative concept of NERP and DRDA for the purpose of uniformity throughout the country. We have not deviated anything. According to the Govt. of India's guidelines only the NREP funds have to be released. Every time we are taking the consent of Govt. of India. We cannot deviate because every month we have to send them the report as to how these funds were being spent. So, there is no question of deviation.

‘but the policy is to have the planning Board for samithies.
we need not be in hurry to constitute these Committees. We have introduced vikas-goshties. We will consider the introduction or constitution of those things at a later date if these Vikas-Goshties do not give the desired results. Actually the Vikas-Goshties give a better scope and better scope for more people to represent and more people can be accommodated. I am not against the Committees.

We will get it examined.

Sri M. Venkaiah Naidu:— Sir, if the Hon'ble Minister for Labour wants, I will take a class to him separately and I will highlight the importance about the Labour Department also to the Chief Minister. It is not that, as if we are not having any interest but we do not have opportunity to speak on every subject.

I do not want to view more than that.

They are attributing motives on the Leaders. My point is simple. If given an opportunity, we are also capable of speaking and make him understand. Not that I want to teach him labour laws. I cannot convince him. I know it. How can I convince him at this stage. But at the same time if the Speaker gives me an opportunity, I am ready here to speak on each and every subject.

Discussion
1st September 1982

In regard to the allotment in question, it appears that no receipt of a telex message from Joint Cement Controller, New Delhi to the Regional Cement Controller, Madras dated: 18-9-1981, Copies to Directorate of Andhra Pradesh Industries Department, it specifically stated that this allotment was in response to a request of Mr. Baga Reddy, Minister, Major Industries. A meeting was held on 19-9-1981 by Minister for Major Industries, Joint Secretary, Industries (Mr. Pratap Karan) and the allocation got decided in that meeting. Among the allocation, was the 500 m tonnes to the Andhra Pradesh Builders Association. It is evidently exception to Government Orders in force and was presumably made because the stock was to be lifted before 30-9-1981. On 9-11-1981, the A P Builders Association applied to the Director of Industries, enclosing the list of Members, showing the details of cement quota released to them during first, second and third quarter, 1981. On this, letter of quota of 7,150 tonnes of cement was issued in December 1981. All investigations by the A C.B., related, to actions arising in the context of...
this letter dated: 9-11-1981. It appears evident that the two applications, (1) made on 18-8-1981 and (2) made on 19-11-1981 by the A.P. Builders Association were independent of each other and allocation of 500 m. tonnes to this Association on 29-8-1981 has no link with the letter of 18-8-1981, published in the Indian Express dated: 27-8 1982. As such there was no malafide intention on either the Minister or the Officers based upon 18-8-1981 letter as is published in the Indian Express.

It is evidently, an exception to the Government Orders.
It is evidently an exception to the Government orders in force and presumably was necessitated by the fact that the stock had to be lifted by 30-9-1981.

Sri S. Jaipal Reddy:—Sir, the statement of the Chief Minister suffers from three important inferences. a) Limited available information—file is missing and other files have not been traced out even to-day.

Sri B. Venkatram: Sir I did not say that the file is missing but the letter is missing.

Sri S. Jaipal Reddy: Sir, along with the letter, how many things are missing? he does not know—we do not know I (b) Among the number of presumptions, the Chief Minister said, “Presumably appears” “Evident” These are in the statement. (c) “Contradictions”
What is the contradiction Sir? A said and he referred to the G.O. No. 250 of 27-2-1981. Mr. Speaker Sir, this was superseded by G.O. Rt. No. 1244, issued in July 1981. He referred to that G.O.Rt. No. 1244 towards the end of the same page of the statement. It is in contradiction with the Standing Orders. When the files were shown to us, we were told that the allotment of 10 thousand tonnes of cement, received in December, was initiated at the instance of the District Collector of Hyderabad District. It was admitted here but here, in this statement of the Chief Minister he says “on 9-11-1981, the A.P. Builders Association applied to the Director of Industries.” This is a glaring contradiction. Therefore it suffers from admittedly limited available information.

Therefore, the statement is totally incorrect, unsatisfactory and I do not have to say anything on Mr. Baga Reddy because I think even my command on English language appears to be exhausted; I can only say that the Chief Minister, to-day, is guilty of the crime of covering up of crime.
My question to the Chief Minister is where is the file which is supposed to be missing—Can he make a statement?

On the name of Shankerlal, with his signation, without any route of Secretary or anybody, it has straight away gone and landed in the hands of Mr. Baga Reddy. How did it happen?

Is he not guilty on that account that something is fishy and that something is wrong with this?

Nothing short of dismissal and judicial enquiry will suffice and will meet the ends of the Justice. Is the Chief Minister ready for an enquiry?
It has revealed that another shocking disclosure of another 500 m. tonnes, being given to the same builders Association, the same bogus Association which is not registered. This is the first point.

I am reminded of Thimma Reddy's episode long time back of 1968.

"You register yourself as a dealer" - "You please give him one thousand tonnes of ammonia"
Why should you take it upon yourself? Why should you allow the same Builders Association? The same bogus association? Have you clarified whether it is registered or not. Sir, it is not registered.

It is nothing but much heard about nothing,
Discussion

1st September 1982

A blind man searched for a black cot in a dark room which is not there and it is nothing to doubt...

Sri C. Narayana Reddy: Sir, according to the existing Parliamentary practice, when a statement is made by the Minister or Chief Minister ordinarily or even otherwise also, no discussion is allowed. However, the Hon'ble Chief Minister has chosen to say "If any clarification is necessary, I am prepared". That is only for purpose of clarification but enough mud-slinging has been done not only on this Party but also on every important person. Since they have no say in the matter they cannot also get clarified. All that should not go in record. Because every time 'Delhi' or something else has been taken or our Prime Minister's name also has been taken directly or otherwise.

Secondly, it has been very clearly stated as to why that 5 thousand tonnes quota has been given. There it has been indicated and that too Mr. Baga Reddy has not given straight away. He has constituted a Committee. After taking the opinion of the Committee an order has been passed wherein the Chief Minister has very clearly stated "In order to avoid the lapses". Therefore it is evident.
Discussion 1st September 1982

Under this perspective and with this background there is absolutely no doubt excepting indulging mud-slinging a word here and an idiom there and using bombastic words will not act for the establishment of truth. It is clear and it has established beyond doubt. We have also examined subsequently and there is absolutely no malafide intention and no motive can be attributed.

Sri Ch. Parasuram Naidu:—Sir, after the Chief minister's statement, under the rules, only clarifications are permitted. what all our friends have spoken throw not even an iota of the character of the clarification. It is condemnation, vilification, attribution and all that – not a bit of clarification. So it is out of order and all these things must have to be expunged. I raise a Point of Order that should be expunged and the Chief Minister need not answer. I request you to kindly give a direction that the Chief Minister need not answer. They have so violated the law and taken the law in their hands. Why have you permitted them for clarification when they have abused that privilege? It should not be permitted to be part of the proceedings of this House and therefore kindly, please expunge and the Chief Minister may not be asked to answer.

Sri M. Srinivas Rao:—Sir, the Hon'ble Chief Minister has very categorically stated that the paper is missing and it is also stated that the paper has been received in the Industries Department and entered in the Register. So, who is responsible person who is the reason for missing of this paper. Could it be investigated and action taken against that person?

Sri Bhavanam Venkatram:—Sir, Mr. Jatpall Reddy had mentioned about one G.O. that G.O. is dated : 16-9-81 — G.O.R.T. No: 1244. Part of the G.O. says that: that particular order shall come into effect on and from the 1st of October 1981. So, that G.O. so far as that allocation is concerned and the direction and guidelines is concerned, will come into operation only on 31-10-81. As such, there are is nothing out of way in that respect.
The 500 m. tonnes of allotment which is referred to by Mr. Govind Rao — i.e., on an application made by the Builders Association dt: 18-9-81 is referred to. I have earlier made it clear that we have started to think on this episode again on the appearance of the photostat copy in the Indian Express on 27-8-81, which, referred to a letter with an endorsement of the Minister for Major Industries on 18-8-1981. This has nothing to do with the allotment made on 18-9-1981 — that is one. Secondly, this ‘18-8-1981’ dated endorsement is not acted upon. It is just in cold storage and nothing has happened.

Sri Nizam Vali:— Sir, can we take cognizance of a matter published in the paper?

Sri B. Venkatram: When it is not disputed that it is not the signature, it can be taken into consideration. So, this is taken into consideration. I wanted to make a proof, whether upon this letter the department has allotted cement or not and if they have allotted whether it was in order or not. No cement was allotted and as such no question of “not being in order” arises.

(SILENCE)

So far as that letter is concerned it is a fact that it is missing in the original. But, when it is a fact that the photostat copy is published in the newspaper and when it is a fact that the photostat copy or copy of the same could be produced by Mr. Nageswara Rao before the Tribunal, that must be somewhere. If it is destroyed it is a different affair but that must be somewhere.

In answering to Mr. Srinivasarao’s query, I would like to submit that the Government is going to make a thorough enquiry into this and we will certainly get that paper-letter, with whomsoever it may be and I will submit it to the august House, about that.

On 18-9-81, about the allotment referred to by Mr. K. Govind Rao, i.e. 500 m. tonnes to Builders Association — this builders association has got, (according to the information I have on hand) 153 members. This may be unregistered. I am not disputing that it is not unregistered. I am not disputing your claim. I am not disputing that it is not unregistered. It is an association supported by the application of 153 people and they have approached the Government with an application on 18-8-81 which was not acted upon. Again on 18-9-81 they have approached the Government and out of the 10,000 m. tonnes allotted as a quota...
Mr. Deputy Speaker:—I have closed that topic.
(At this Sri G. Latchanna ptaged a work out)

MR. DY. SPEAKER :- I have ruled out that point of order.

The House now stands adjourned to meet again at 8.21 p m. 8.30 a.m. to-morrow.

(The House then adjourned at 8.21 p.m till Thursday, the 2nd September, 1982).
