Mr. Deputy Speaker:— The business could be conducted without Venkaiah Naidu or Mr. Keshavarao; the business could continue. Is it wrong on my part to say that there is no quorum in the House.

While the files were shown, it was I who put a specific question as to whether before Mr. Baga Reddy left for America, did he make an endorsement on the application of the Builders’ Association.

Dr. V. Sivaramakrishna Rao :— He is going into the merits of the case.

Sri S. Jaipal Reddy :— The point is whether the endorsement was made before he left for America or not. Mr. Baga Reddy has denied it.

(Interruptions)

Mr. Deputy Speaker :— When the Chief Minister is not here....

Sri S. Jaipal Reddy :— I know it. What can I do....

Mr. Deputy Speaker :— You have to resume.
Sri S. Jaipal Reddy:— The House has been taken by ride by Mr. Baga Reddy and the Chief Minister.

(Interruptions)

Sri A. Veerappa:— Mr. Deputy Speaker, are you allowing any discussion on this? What is this?

Mr. Deputy Speaker:— No.

Mr. A. Veerappa:— When you are allowing 329, what is this type of discussion?

(Interruptions)

Mr. Deputy Speaker:— You cannot raise your voice like this and threaten. You may be a Minister; but you should not raise your voice here. You have to obey the Chair. No threats and attacks.

Sri S. Jaipal Reddy:— Mr. Veerappa should apologize to the Chair for threatening the Chair and for casting aspersions. It is not fair.

(Interruptions)

Sri M. Venkaiah Naidu:— Sir, let me speak.

Sri S. Jaipal Reddy:— Sir, you have not allowed me to complete my speech. Sir, we shall have it answered to-day itself.

(Interruptions)
It is I, who gave the notice first. So far as I am concerned I do not have any partiality to any member.

Sir, Mr. Vicerappa must apologise to the Chair.

Sir, the Congress(I) Minister is not maintaining the dignity of the House....

Mr. Deputy Speaker :— You are trying to provoke all the Members of the House Mr. Jaipal Reddy and I am sorry to say this.

Sir, it is my job to provoke the Congress(I) Ministers to tell the truth.
Sri M. Venkaiah Naidu:— Sir, I am trying to say but they are trying to suppress my voice. By gaining time I am not going to get any cement bags! Last time when we raised the issue inside the meeting wherein the Leaders of the Opposition, Members and the Chief Minister were present, there and here Mr. Baga Reddy emphatically denied any knowledge of the cement scandal....

Mr. Deputy Speaker:— All these things I am not asking you. I don't want you to go into merits.

Sri M. Venkaiah Naidu:— Sir, Let me say. I must be given a chance to complete what I wanted to say.

(Interruptions)

Sir, I may be allowed to have my say.

(Interruptions)
Mr. Deputy Speaker :— Let me read out the notice :

"This is with regard to the photostat copy of the letters addressed by Builders of A.P., and endorsed by the Ministry, Industries—in the Indian Express News Paper. Last time when we were shown by the Hon'ble Minister regarding the alleged cement scandal file, the paper was not there in the file. Mr. Baga Reddy emphatically told in the Assembly that he never knew anything and he only came to know all these things after his visit that is returning from States. Now it is clear through the published letter that it is Sri Baga Reddy who first recommended & allotted the cement to Buildings. This not only amounts to cheating the House also contempt of the House. He has deliberately mislead the House and saved himself from the charges...

Sri M. Venkaiah Naidu :— Sir, I may kindly bring to the notice of the Chair that I have given two notices under Rule 168, 169/170 ..

Mr. Deputy Speaker :— This is under 329 and the other things we will look into it.

Sri D. K. Samarasimha Reddy (Gadwal) :— Sir, unfortunately, a bad precedent is being set up to-day. According to the paper that has been circulated to us there are only four notices under Rule 329. We have been given only four....

(Interruptions)
Mr. Deputy Speaker:— I am bound by the rules. You are telling that only four notices are there. I have allowed them. Let them complete it. Kindly bear with me.

Mr. Deputy Speaker:— Please resume your seats. Yes, Mr. Venkaiah Naidu, what is that you wanted please? Kindly resume your seat.

Dr. R.M. Manohar (Atchampet):— Sir, the question in state is very serious. It affects the very working of the Government and injustice to the entire country as a whole. This is a matter which is pending since a long time. It is not since yesterday or day before yesterday. I have already appealed as a very important Member of the Congress-I and as a man very close to Mrs. Indira Gandhi that Sri Baga Reddy should resign first.

(shame.. shame .. noise from Opposition Benches)

This question has been touching the minds sculls and hearts of every citizen of Andhra Pradesh. Even as a responsible Member,
I was not able to get one bag of cement from control. I have to borrow. This is a deciding point in the history of Andhra Pradesh. You know, in Maharashtra also there are some scandals. Even today because of these bad people the name of Mr. Indira Gandhi has to suffer. If they are not able to manage their affairs properly, let them resign. I demand that he should resign and C.B.I. enquiry should be conducted.

Sri M. Srinava Rao:— Sir, this is all stinking and creating a very bad name to the Government. So, Sri M. Baga Reddy should immediately resign and face judicial enquiry by the High Court.

Sri K. A. N.:— Where is the Central Government?

Sri M. Srinava Rao:— Where is the Central Government?
Mr. D5. Speaker :— I am not allowing any point of order. Now I am going to the next item of the business. You have to cooperate with me. I am not allowing you. Don't try my patience.

Sri S. Jaipal Reddy :— Kindly allow me.

Mr. Deputy Speaker :— There is a time limit for anything. I cannot allow any further.

Sri B. T. L. N. Chudary :— Just now he has raised some communal issues. They are derogatory to the House and they should be expunged.

re: Non-payment of rebate to Primary Handloom Societies in the State

The matter of non-payment of rebate to Primary Handloom Societies in the State under Rule 329 has been raised. The rebate amounts due for the years 1979-80 and 1980-81 were 80 and 100 respectively. However, as per the records, the rebate was not paid even in these years. The concerned authorities have been asked to look into the matter and ensure timely payment of the rebate.
Matter Under Rule 329 27th August 1982 207

re: Non-payment of rebate to Primary Handloom societies in the State

In the year 1979-80, 10% of the claims of the handloom societies were sanctioned under the Rebate on Raw Materials Scheme. In the year 1980-81, the claim of 25% was sanctioned. However, the rebate was not paid to the societies. The trend was continued in 1981-82. The same procedure was followed till 1982-83. In the year 1983-84, the claim was sanctioned but the rebate was not paid. It is a regular practice to pay the rebate to the handloom societies. However, the same is not being done. The societies are facing severe financial difficulties due to this non-payment. It is requested that the procedure be followed as per the rules and the rebate be paid to the societies on time.
27th August 1982

Matter Under Rule 329

re: Non-payment of rebate to Primary Handloom Societies in the State

The matter has been referred to the Finance Department for their observation.

The Finance Department has observed that the rebate for the years 1980-81 and 1981-82 has not been paid to the Primary Handloom Societies in the State.

It has been observed that the rebate is due to the Societies on account of the production and sale of handloom materials. The amount of rebate due to each Society is calculated based on the number of handloom looms owned by them and the extent of their production and sale.

The Finance Department has recommended that the rebate due to the Societies be paid forthwith.

The matter has been referred back to the Finance Department for further action.

Sri C. N. Reddy in the Chair

Chairman:— Mr. Omkar, you are a senior Legislator. There is no point of order in this.

Sri S. Jaipal Reddy:— I want to make a submission to you, not point of order because I thought you would be better pacified with the word "submission" than the "point of order." The basic thing is, certain assurance was given by the Government. Members are saying that it has not been honoured. The whole question is not settled. Under the residuary powers, the Chair should see that proper answers are furnished. We are highly agitated over the issue.

Chairman:— We have to complete the discussion on Demands. We are not doing justice to the Demands.

Sri V. Sobhanadreeswara Rao:— We have agreed to sit in the evening to-day also. We are taking the pressure of the Evening session also. By sitting in the evenings also we are

taking the entire pressure and so, you should be put up with our desire.

Chairman:— About Rs. 1 lakh is due to the society. And you want an answer for this, is it not? That he will answer.

Sri M. Venkaiah Naidu:— To-day is the Assembly day.

That way I am trying to defend. It sometimes happens because there is pressure from the Members that it should be posted tomorrow only. In view of the urgency of the matter it should be dealt with in that way. The Chairman of the Council insisting that it should be posted for tomorrow and the concerned Minister has to reply that tomorrow. I had this experience. As such, this inconvenience caused to the Members may be understood.

Sri M. Venkaiah Naidu:— I am not able to agree with the Deputy Chief Minister. In my understanding, the Minister is saying:

Let somebody say there is business for him in the Council.

To reduce the allotment of Rs. 74,26,95,000/- for Police Administration by Rs. 100/-

The Police Department has been practically converted into a volunteer wing of the Ruling classes and Ruling party. It has miserably failed to maintain law and order owing to its political partiality and corrupt practices. Some of the police personnel and officers themselves are indulging in rapes, deoities and murders even in the Police Stations besides abetting and encouraging the anti-social elements committing such offences. Court orders are being violated by the Police. No recognition to the Police N G Os. Association has been accorded as yet The assurances given by the Chenna Reddy Ministry regarding their grievances have not been implemented. Revengeful steps are taken against those who would and took part in the Police agitation. Ban has not been lifted against the ‘Mareechika’ Novel.

To reduce the allotment of Rs. 74,26,95,000/- for Police Administration by Rs. 100/-

In Nalgonda and Warangal districts especially in Narsampet erstwhile Police circle areas the Congress (I) and Naxallites with the direct help of the Police have been intensifying unprecedented repression against the peoples movement led by the C.P.I. (M) with a view to liquidate it. During the last about 3 years, 35 C.P.I. (M) workers and supporters were killed in that area besides attacking about 200 villages, torturing about 3,000 people, foisting false cases against 3000 people, raping 15 women, looting or damaging the properties worth about Rs. 18 lakhs and driving out hundreds of families from their houses. The death toll in Warangal district rose to 45.

No progressive reforms have been brought forth to change the Jail conditions converting them into reform centres. No minimum needs of the prisoners are met with. Even the meagre ration being given is being largely mis-appropriated by the Jail authorities. No progressive literature is being allowed into Jails. Undertrial prisoners are being kept in jails for years together without trial or release. Jails Jawans demands are not conceded.

Sri Ch. Rajeshwar Rao:— You are against me in my political life.
The word "hold" is not defined in the Act. We have therefore to go by the dictionary meaning of the term. According to Oxford dictionary 'hold' means to possess, to be the owner, holder or tenant, keep on possession, occupy. Thus 'hold' connotes both ownership as possession and in the context of the definition it is not possible to interpret the term "hold" only in the sense of possession. For example if the land is held by an owner and also by a tenant or by a person in possession pursuant to a contract the holding
will be taken to be the holding of all such persons. It obviously means that an owner who is not in actual possession will also be taken to be holder of the land. If there is any doubt in this behalf the same has been dispelled by the explanation for the definition of the term ‘holding’.

Andhra Pradesh Land Reforms
(Ceiling of Agricultural Holdings)
Amendment Bill, 1981

The amended Bill seeks to apply to Scheduled Castes the ceiling of agricultural holdings prescribed under the Ceiling of Agricultural Holdings (Amendment) Act, 1972, and to provide for equitable distribution of land to landless farmers, including Scheduled Castes, on the basis of need and merit.

The Bill also provides for the establishment of a Central Land Reforms Commission to oversee the implementation of the Act and to assist in the equitable distribution of land.

This Bill is an important step towards the realization of the goal of equal access to land for all, particularly those belonging to Scheduled Castes who have been historically excluded from owning land.

The provisions of the Bill are expected to bring about a significant change in the land ownership patterns in Andhra Pradesh, leading to a more equitable distribution of land and improved access to agricultural resources for all.

The Bill is a testament to the commitment of the government to address the issue of landlessness and to promote social justice and equality in the state.

Sri H. Satyanarayana (Adoni) :- Sir, while supporting the budget presented by all our friends, I would like to point one or two important facts for the Ministers to take necessary action.

There is no dispute in the fact that the conditions of the Police, especially in the lower cadre is very bad, if not deplorable. The first and foremost thing is their housing problem. A constable who gets very meagre salary in a place like Adoni or industrial towns, it is extremely difficult to get a house for minimum Rs. 150/200 per month. I am bringing to the notice of the Home Minister that there are about 54-84 police-men for whom there are only 39 buildings. Last year or so, they constructed about 12 houses. All these old 39 buildings have been certified by the P.W.D., that they are not fit for habitation and every time the police-men were telling they are under martyr fear. If there are heavy rains, these houses will fall and there will be tragedy of the first magnitude. No doubt that they have made a mention of the housing programme which they are taking but unfortunately those programmes are going on at a snail’s speed. I only request that there should be quick progress in this scheme.

Another surprising thing is - no way we find the ratio between the Police personnel and the population. For example let us take Adoni which is having 1 20 lakh population over and above but we have got only 97 police-men. That means it is owefully inadequate. (I was told - in foreign countries that by surprise methods they crush the clashes and other things without using any force at all) So, there must be some principle
to evolve the norms that - for so much of population, there must be so much of police-men. Of course we have been hearing so much of hurling criticism against the police, but I am not here to repeat, but I wish to draw the attention of the police people with regard to Kurnool district. For sometime of course, they made some brave efforts to crush out all the country-made bombs. I only request-if they had taken a little more interest, they could have certainly seized all these weapons and bombs etc. I am only pressing these points - because I am myself was a victim to that.

With regard to Law and Courts, I remember very well, that the then Minister incharge of Law & Courts, had given a categorical assurance that an Additional District Court would be sanctioned to Adoni. Adoni - everybody knew that it has got lot of criminal and sessions work. I may bring in here, the famous addage - Justice delayed is justice denied. So much so, it is really very sorry state of affairs that the Session works go on dragging for years and years. During my thirty odd years of practice in the Courts, I never saw such sorry state of affairs and unfortunate things as in Adoni - that cases go on adjourning... and it is not only the Courts that are responsible for this kind of delay but the police is also responsible-because often times, they do not arrest the accused. In some cases they simply say that the accused is not found for arrest. There are cases, when they could not arrest the accused in simple cases, the accused moves here and there-and adding to this, he gets anticipatory bail and indulges in heinous acts and gets away either by getting anticipatory bail or going undergrounds for
several years and just come and present himself before the Judge and ask for Bail. So much so, such people have absolutely no fear of Law or Courts.

So I say it is very very essential that as promised by the former Minister, an Additional District Court at Adoni may kindly be constituted at the earliest, so that the work at Kurnool District may be lessened, because half of the Kurnool District Court work comes from Adoni Division which comprises Pathikonda, Alur and Adoni town etc. I also wanted to tell a word about those Law officers who are functioning in the High Court. Though the Government had taken good lot of progress especially in issuing the pattas and probably it must be the Revenue Department having come to an understanding - immediately after the distribution of pattas, the owner of the land goes and files a writ; and it is very unfortunate that when a writ is filed, the Government Advocates concerned do not even file counter and get the Stay vacated. So much so, whatever good the Government wants to do, it is just nullified by our own officers. I am not having anybody in my view but that has been my experience as a Legislator. They come and ask us అంది స్పష్టంచరించండి. సహాయం చేసిన సమయంలో మరియు సమయంలో మరియు సంపాదన. సంపాదనానికి అంశానికి సంపాదన సంపాదన, and I should not criticise lawyer because as you know it is not defamation if you say that the Judge does not know law - but it is defamation if I say that the Lawyer does not know Law.

I only say that there is some laxity or lapse on behalf of all the Government advocates in handling such cases.
With regard to the Legal Aid to the poor - I am afraid, it has not made any head-way. It was begun with a lot of fanfare but I see that it has not made any impact. So, I very respectfully urge that some more steps be taken, so that the good intentions with which this legal aid concept was taken up, is put to good use.

Coming to the point of Fire-stations - Emmiganur is a very big centre and a big cotton market is there. Lots of cotton would be stocked there. There is no Fire station in Emmiganur. Though I am not concerned and it is not my taluk but it is necessary as the other Hon'ble Member put it - Emmiganur must have a Fire Station, so that it will be of some use to the ryots. At the same time I would urge that Adoni requires another Fire Station in the Adoni Market yard where huge stocks of cotton and ground-nut worth crores of rupees were usually stocked. I am told that the Cotton Market people are prepared to finance the entire project for opening a Fire Station at the Cotton Market area at Adoni.

I hope all the points which I have made out, have been noted down by colleagues of the respective Masters who are not present here.
It must be removed immediately. Mutka should not have its place anywhere either in the villages or in the towns. It must be put down and removed by an iron hand. Whatever it costs, Mutka must be put down and removed by an iron hand. It must be removed immediately. Mutka should not have its place anywhere either in the villages or in the towns.

Village life is our life. 80% population is in the villages. We are neglecting the villages. So, more police-stations or outpost police-stations at least for two to three villages must be located in major panchayats or at least for 2 or 3 villages put together. For the past three years I have been making a representation that a police-station should be sanctioned at Yerrathimmarayacheruvu, where there are more thefts of properties. Of course by our influence crime is reduced but not by influence of the Police. So, a police-station is a must at the place, Yerrathimmarayacheruvu, Gooty Taluk, Anantapur Dist., I am making...

Demands for Grants

this request for the past 3 to 4 years. This is my 4th Budget speech so I hope the authorities will make special note about this and see that a police-station is established so that it will control at least 10 villages.

They are at the mercy of the land-lords and they will borrow the vehicle and go to villages and the justice will suffer. So each police-station must have a diesel jeep otherwise they cannot get on. So, that is a must. I have seen from the Report on the Demands on Police-Administration that vehicles are given. Are they going to implement this? Vehicle is a must to control and detect the crime. It is a very essential thing. Police-strength should also be increased. The Town Police-Station at Kadiri is very essential thing, so that
the offences are reduced. The cases of such cases are to be
registered immediately. As result of this, there is an increase
in the number of cases. Hence, the time is not wasted in
attempting to get them registered. However, the number of
registered cases is now reduced. This is because of the
possibility of tampering them or mis-use for the purpose of
delaying justice. Delayed justice is denied justice. There is
every possibility of tempering them or mis-use for the purpose
delaying justice.
