I will ask one of my senior officers to enquire about steel and everything what the hon. members want.

I also feel. This is my frank opinion. I will do in detail. I will ask my senior officer to go deep into the matter. If anybody is involved, I will take action.

S9938—G: Sarvasri Sajja Chandramouli (Chirala), Poolla Subbaiah (Markapur), P. JanardanaReddy (Kamalpur), K. Govinda Rao, (Anakapalli), Ch. Rajeswara Rao (Sircilla), M. Omkar, (Narasapet), G. Latchanna and V. Sobhandreeswara Rao:— Will the Chief Minister be pleased to state:

a) Whether any complaint was received about Koratalg Subrahmanyam a big jaggery Merchant of Anakapalli regarding his evasion of sales tax since 12 years;
b) whether it is a fact that sales tax worth rupees one crore and seventy lakhs was evaded by the said person;

c) if so, the action taken?

1. (a) Mr. V. N. G. —

2. (b) M. Balasubramanian.

3. (c) The Solicitor-General —

4. (i) Mr. R. S. Ramakrishna —

5. (ii) The Speaker —

6. (iii) Mr. S. S. Reddy —

He has already collected that amount from the purchaser who has purchase jaggery from that man.

7. (iv) Mr. R. R. Reddy —

8. (v) Mr. P. R. Reddy —

I will be reviewing this. This need not be repeated, as I have already taken a decision to review the situation and I have called for the file. As soon as the file comes I will take action. 1 a. 4. 5. 6. 7. 8. a. b. c. d. e. f. g. h. i. j. k. l. m. n. o. p. q. r. s. t. u. v. w. x. y. z.
Sri S. Jaipal Reddy:— You attach his property. You announce your decision.

Mr. Deputy Speaker:— You may have personal antagonism in this matter.

(Interruptions)

Sri M. Venkaiah Naidu:— We do not know who briefed you.

Mr. Deputy Speaker:— No, no; I do not know who that man involved in this matter is.

Sri M. Venkaiah Naidu:— Rules of procedure are also involved in this. You can only comment upon the procedure of the conduct of business or if the members deviate from the procedure. Here the member from Anakapalli representing that constituency has put this question a number of times. When he did not get a satisfactory reply, the issue is raised again and again. Is Mr. Govinda Rao going to benefit if the money is remitted.

Sri B. Venkatram:— We do not attribute any personal animosity to the Speaker. Let us not press the matter further.
Mr. Deputy Speaker:— It is not done with any malice or on the ground that the Member is from Anakapalli.

Sri S. Jaipal Reddy:— Is my motive inevitably involved if the question is from my constituency.

Mr. Deputy Speaker:— You should have some patience; you can ask for a review.

Sri B. Venkataram:— I said that I would be announcing within this session itself.

Mr. Deputy Speaker:— I don't mind withdrawing. But at this rate how am I to regulate the business.

Sri S. Jaipal Reddy:— We thank the Speaker for his generosity.

Mr. Deputy Speaker:— You also know that the Chief Minister has assured the House “I will announce in this session itself.” But still if you go on repeating what is the use? If you ask peacefully it will be helpful. A great person like Gandhi had the quality of yielding. I do not mind withdrawing; I can rectify myself.

Sri M. Venkaiah Naidu:— This shows the greatness of the Chair.
Who has given that report that he is in distress. He is in riches and he is powerful.

Sri B. Venkataram:— I have submitted that upon his representation it is done. I will give my decision before the Assembly adjourns.

Sri B. Venkataram:— I do not remember now because he file is not with me. I cannot answer that question.

Sri B. Venkataram:— We are sorry for the comment. We have given waiver in several cases like that and wherever there is distress we have been waiving like that.
Sri K. Govinda Rao:— Is it not a fact that he has gone to the High Court once and after I brought this matter in the Assembly, he got a stay order and the same was vacated by the High Court ordering that no longer it can be given. Is it a fact or not that the High Court has given a very categorical decision that no further instalment should be given to this gentleman.

Sri B. Venkataram:— He had been to High Court on one occasion in W.P.No. 3341/80 dated 18-7-80.

Sri K. Govinda Rao:— In 1982 has he gone to the High Court or not? Why is he giving a wrong answer.

(Interruptions. Opposition members wanted to put supplementaries)

Mr. Deputy Speaker:— How many supplementaries do you want me to allow. At 9-30 a.m. the question hour has to be closed. Now I will allow only members whose names are mentioned in the question, to put supplementaries. We go to Question No. 320-A.
Withdrawal of Age Concession of five years for Entry into Government Service

S. N. Q. No. 970—D : Sri Shivlal (Karwan), Will the Chief Minister be pleased to state:

a) whether it is a fact that the age concession of five years for entry into State Services given earlier was withdrawn with effect from 1-7-1982; and

b) if so, the reasons therefor?

Sri Shivlal :— There are some posts including class-IV employees which are outside the purview of Service Commission. Why this concession was first given to them and why it has been withdrawn. Secondly, a graduate registered in the Employment Exchange is getting a call after nearly 8 years. By the time he completes graduation he will be 20 years of age. If he cannot get a call for 8 years he will be automatically overaged. What is the remedy. Then, for Corporation there is no recruitment from Public Service Commission. Why is it so? Thirdly, as a number of people are in the live registers of Employment Exchange waiting for being sponsored for more than 10 to 15 years what will be their fate if they are declared overaged for no fault of theirs?
Sri B. Venkataram:— What the hon. Member wanted I am not able to understand and if he does not feel otherwise, I would like to discuss with him and give a reply.

High Court Judgment on conducting of Election for Panchayat Samithi, Bellampally.

S.N.Q. No. 9967/S; Sri Ch. Rajeswara Rao and Sri Poola Subbaiah:— Will the Minister for Panchayat Raj be pleased to state?

a) whether it is a fact that the Andhra Pradesh, High Court had given a judgement last month directing the State Government to conduct the election for the Panchayat Samithi, Bellampally in Adilabad District;

b) If so, the steps taken by the Government.

The Minister for Panchayati Raj (Sri Ch. Rambhupal Reddy):
(a) & (b) There is no Panchayat Samithi by the name Bellampalli Samithi. The reference is perhaps to the Asifabad, Panchayat Samithi of which Bellampally is a part. A casual vacancy arose here and election to fill this vacancy was originally proposed to be held in February 1982. But, on a report that a proposal to constitute Bellampally into a Municipality is pending the elections were postponed. Meanwhile the High Court have ordered that elections in this Samithi be held without waiting for the constitution of the Bellampally as a Municipality and Government have decided to hold elections in this Samithi on 3-10-1982

Sri Ch. Rama Bhupal Reddy:— The High Court has held that elections should be held. When that problem comes we shall see. How can we go against the order of the High Court? We cannot go against the order of the High Court.

(8-3-7)
Sri Ch. Ram Bhupal Reddy:— That problem does not arise. Court has given a direction to hold elections and elections have to be held. When it is made a municipality, the problem will be tackled at that time.

Sri M. Venkaiah Naidu:— How can it from part of the procedure? How can that letter from part of the proceedings? How can the Chief Minister quote the private letter?

(36)

Sri B. Venkatram:— I am informed that this Mr. Govindu… by Sarpanch to the Minister he has got a representation with S. Nos, and with the details of property he has got. I am submitting the facts to the House. The information which I have received, I don't like to submit. That is what I am submitting. According to the information he had sent it to the Minister for Housing. He has got property worth 17 acres and 74 cents.

(interruptions)

Sri Ch. Rajeswara Rao:— We are raising objection to Chief Minister's statement. By my statement, I am raising objection to Chief Minister's statement. I am not disputing that he is a tenant.
Sr. B. Venkatram:— That letter is handed over to me by the Minister for Housing.

I may be permitted to read one sentence from the Collector's report, which our Chief Minister intentionally or unintentionally omitted. Here is the latest Collector's report wherein the Collector had said 'Kind attention is also invited to the Government U. O. Note No. 3516/A 514/DG 181 Finance and Planning Finance Wing dated 11-9-81 where the Revenue Department was requested to issue suitable instructions to the concerned land acquisition officer not to acquire that land for private purpose or private cooperative societies. Anybody can bring any matter to the notice of the
Chief Minister or Minister or Government in this particular case. 

Sri B. Venkatram:— When this question came up I have already submitted all the facts. There is no distortion of facts in that My only supplementary is this. Whether the Government will drop this particular land from acquisition the Government will take appropriate action in view of what the Collector has reported.

Sri M. Venkaiah Naidu:— The tenant is not allowed to enjoy possession. There are powerful vested interests.

Sri B. Venkatram:— Whatever is legally permissible, whatever is legally necessary we will certainly take action, but to wrench an assurance that particular land will not be acquired for weaker sections, I am not going to accept, but it does not mean that I am not going to do it. To wrench an assurance on the floor of the House is not proper. Taking into consideration as to what the Collector has stated we will certainly take an objective view of matters and take proper action. I will assure the House that I will not be carried away by any individual whether it is Parchur Samithi President or Venkaiah Naidu or Narayanarao. Both are equal for me and both are my people.

Mr. Deputy Speaker:— I don’t allow other than the signatories.

Sri M. Venkaiah Naidu:— It is a short notice question. Anybody can be allowed.

Mr. Deputy Speaker:— Now the Chief Minister has given his views.

(Interruptions)

Sri S. Jaipal Reddy:— The Chief Minister was quite faithful to the facts on file.
He wanted to prejudice the House with a piece of unconfirmed information.

Sri B. Venkatram:— I never wanted to prejudice the House. I wanted to place all the facts.

Sri S. Jaipal Reddy:— So far as the written statement is concerned he was quite faithful. But when he began to speak extemporaneously what lay concealed in the obscure corner of his mind found expression.

Sri B. Venkatram:— I am only saying another thing. Mr. Venkaiah Naidu mentioned somebody. He has more nearer, close friend of Mr. Jaipal Reddy.

Sri S. Jaipal Reddy:— True sir. Friendship does not influence my approach while it does influence the approach of the Chief Minister.

Sri B. Venkatram:— It applies equally to everybody my dear friend. नातो हार अपूर्वच त्राणिम वर्तमान सिद्धांते महात्मीय श्री विश्वास.

Sri S. Jaipal Reddy:— I leave it to the people of Andhra Pradesh to judge.

Sri S. Jaipal Reddy:— It is a classic illustration of a person being caught red-handed. The accent must be placed on the word “recommend”. If it is

He has endorsed it to the Director. The accent must be placed on the word “recommend”. If it is
“Examine and put up” then accent can be placed on the word “Examine”. According to G.O. 1244 allotment can be made only by District collectors. How did the Minister make recommendation and endorsement to the Director of Industries in blatant, total and shameless contravention of G.O. 1244. Let this question be answered. Under the Cement Control Order of India allotment is made by the Regional Controller to the State. The Regional Controller is not competent to make direct allotments. Let it be tried by the Privileges Committee; he has misled the House. I am shocked and outraged by the blatant manner in which he is able to violate the House with perfect impunity.

(Interruptions)

In any European country or Western country, the Minister would not only be dismissed from the Cabinet; he would be expelled from the House for misleading the House; he would be sentenced by the House for breach of privilege. Here Congress-I members are defending. Let him be dismissed straightway; hold a judicial enquiry. Or let it be tried by the Privileges Committee; he has misled the House. I am shocked and outraged by the blatant manner in which he is able to violate the House with perfect impunity.

re: Cement scandal and allied
Matters thereto

In the matter of the allegations of corruption and mismanagement in the cement industry, it appears that certain officials and employees of the cement industry have been found guilty of various acts of corruption and mismanagement. The details are as follows:

1. Allegation of corruption in the bidding process for the supply of cement to the government departments.
2. Allegation of mismanagement in the production and distribution of cement.
3. Allegation of financial irregularities in the accounting and auditing practices.

The committee appointed to investigate the matter has submitted its report, which indicates that the allegations are well founded. The report also recommends stringent measures to prevent similar incidents in the future.

It is recommended that the officials found guilty be subjected to disciplinary action, and appropriate changes be made in the rules and regulations to ensure transparency and accountability in the cement industry.

Sri C. N. Reddy (Manthan) — Sir, after hearing the 12-30 p.m
few Members I am also prone to come to a conclusion that there
is dire necessity for the Chief Minister to pull up Sri Baga
Reddy. One thing is clear that by indulging in verbosity or
using phrases, facts would not be established. I would not like
to indulge in verbosity or use phrases like 'shameless' and
'senseless'. This is the August House wherein decency and
decorum must be observed. In this connection, it is quite
evident that the file has been examined by certain Hon. Members
for which strong exception was taken by some members here at
that time and it was asked whether it was the monopoly of a few
and no satisfactory reply was forthcoming that at least it will be
shown to all. As a result, we have been kept in dark. Luckily
the something has come up anew and truth has come out. This
relates to December quota in which the Minister had noted
'seen', for which the number is different. And the one in which
the Minister had said 'Examine and Recommend to the Regional.
Director' relates to August which appears to be a different file. This is forgotten. Now, it is said why the Minister should make such an endorsement. He is a public man and he is an embodiment of public and non-officials and he cannot indulge in undue delay of bureaucratic methods. Suppose, I approach the Hon. Minister for Transport for provision of a stage. He would instruct the machinery of bureaucracy to examine and put up and ultimately the executive would act. Naturally, if he is a public man and wants to avoid delays, he would forward it to the General Manager and there he would take action. In this connection, he said examine and recommend etc. This has also reference to that G.O as to what should be given and what should not be given. It is up to the Commissioner to call for the report of the Collector and issue. In this case, the paper is not available since the file is with the A.C.B. I have got authentic information that this is nothing but indulging in character assassination. I know and the August House knows that Mr. Baga Reddy being a public man offered to resign twice, every time when this issue came up. But I must say that the Chief Minister must pull up as to how this paper leaked out and how it came in the press. No action was taken for leaking out this paper in the Department. For this reason, I have got a grouse. He is a public man which should not be forgotten and he did behave like a old bureaucrat. Once upon a time when Sri John Mathai was the Railway Minister phoned and set right things, we all acclaimed him and said 'this is the correct public man'. Mr. Baga Reddy did not like the file to come back again to him and that is why he wrote 'Examine and put up'. It was for the Commissioner to go through the process of G.O. etc.

This is nothing but character assasination. We will be failing in
our duty if we do not resist this. Mr. Baga Reddy is too mild
and to be too good, is too bad. Thank you, Sir,

Sri S. Jaipal Reddy:— You are trying to scuttle. You
did not follow the same procedure yesterday.

Mr. Deputy Speaker :— You cannot attribute motives to the Chair.

Sri M. Venkaiah Naidu :— I am speaking, you might expel and expunge what I say.

Mr. Deputy Speaker :— It is sheer ignorance on your part. I do not have any partiality here. I have been doing my job.

Sri M. Venkaiah Naidu :— Did I attribute motives.

Mr. Deputy Speaker :— You are attributing.

Sri M. Venkaiah Naidu :— It is a conspiracy hatched by the Congress Party.

Mr. Deputy Speaker :— I am so sorry. I have just now admitted Sri Latchanna's name since Sri Latchanna gave a notice just now. It is very unfair. Now, Sri Latchanna to speak....

If it is found correct. If it is proper then you can recommend.

(Interjections)
Sri M. Baga Reddy:— I will first read my statement and then I will reply.

This has reference to photostat copy of the representation of the A.P. Builders' Association along with my endorsement dated 19-8-1981 published in the Indian Express, Delhi on 27th August 1981 Hyderabad City Edition. It is a fact that on a representation from the A.P. Builders Association seeking allotment of cement and urging the Government of Andhra Pradesh to recommend their case to the R.C.C. Madras, I had endorsed the representation to the Director of Industries for examination and recommend to the R.C.C. for allotment of cement. But no direction was given to the Director of Industries to recommend allotment of cement to R.C.C. without examination of the representation. On the contrary, I specifically desired that the matter may be examined first. The intention was that on such an examination by the Director of Industries, if the representation was found to be true and genuine, then only it can be recommended to the R.C.C. This is quite in conformity with the instructions of the Govt. of India at that time under which the builders were eligible for allotment of cement. It would however appear that there is misapprehension that this representation is the same as the one subsequently submitted by the A.P. Builders Association which was the subject matter of discussion at various times in this August House. As a matter of fact, the file which was perused by the Hon. Leaders of Opposition in the immediate presence of the Hon. Speaker of the Legislative Assembly when the Hon. Chief Minister was also present, related to a case which originated on the basis of a representation made by the A.P. Builders Association to the Director of Industries on 9-11-1981. This particular petition dated 9-11-1981...
was neither submitted to me nor did it contain any endorsement by me. It was referring to this representation and I disclaim my knowledge of it, much less any direction by me to any authority. As such, there is neither any inconsistency in my statement nor any attempt on my part to mislead the House. I would like to reassure the members of the House through the Hon. Speaker that I have always had the utmost regard to the House and to the members.

Mr. Chief Minister:— This is a matter regarding the cement scandal and allied matters thereto.

It was a representation made to Anjaiah. If I misquote anything the Chair is at liberty to take action against me. This is from the proceedings that I am reading. We have nothing to do and no malice against Bagareddy personally. In the interest of justice we have raised this issue. There is a discrepancy between the statement of Bagareddy and Anjaiah and other responsible people.
