ESTABLISHMENT—Andhra Pradesh Ministerial Services—Upgradation of posts of Head Clerks as Superintendents in Division Offices under the Administrative Control of Irrigation, Irrigation (Projects Wing) and Transport Roads and Buildings and Public Health, Municipal Engineering and Panchayati Raj Engineering Departments—Orders—Issued.

READ the following:—

ORDER:

The Andhra Pradesh Non-Gazetted Officers Association and Telangana Non-Gazetted Officers Union have been representing for upgradation of the posts of Division Head Clerks in the Division Offices of Engineering Departments of Government as Superintendents. The demand was considered and recommended by the Board of Chief Engineers. This demand is mainly based on the consideration that there are no promotional avenues for Head Clerks. Since the posts of Head Clerks in Revenue Divisional Offices have been upgraded to that of Deputy Tahsildars and forty-two posts of Superintendents have been sanctioned to the Offices of the Joint Director of Agriculture/Deputy Director of Agriculture in the districts at the rate of two Superintendents for each office, it has been represented that the posts of Head Clerks in Division Offices in Irrigation, Irrigation (Projects Wing) and Roads and Buildings, Public Health, Municipal Engineering and Panchayat Raj Engineering Departments may be upgraded as Superintendents particularly when there is no Ministerial Head after the conversion of Divisional Accountants as Gazetted Officers.

2. The Government after consideration of the proposal direct that the posts of Head Clerks in the Division Offices in all Engineering Departments of Government, i.e., Irrigation, Irrigation (Projects Wing), Roads and Buildings, Public Health, Municipal Engineering and Panchayat Raj Engineering Departments be upgraded as Superintendents in the scale of pay of Rs. 700—30—1,060—35—1,200, with immediate effect.

3. This order issues with the concurrence of Finance and Planning (Finance Wing) Department, vide U.O No. 198/SFP/83, dated 1st January 1983.

ESTABLISHMENT—Co-operative Department—Upgradation of the
post of Senior Inspector/Extension Officer (Co-operation) to that
of Co-operative Sub-Registrar—Orders—Issued.
G.O. Ms. No. 6, Food and Agriculture (Co-op.-II) Department,
dated 10th January 1983.

READ:—
1. G.O. Ms. No. 217, Food and Agriculture Department,
dated 8th February 1967.

2. Representation of Andhra Pradesh Co-operative Non-
Gazetted Officers Association and Telangana Non-
Gazetted Officers Association, dated 10th May 1978.

3. From the R.C.S. Lr. Rc. No. 145040/74-E1 (B), dated
2nd December 1981.

4. D.O. Lr. No. 114/Ser.-Wel/82, dated 29th December 1982
from Sri N. K. Suroya, Secretary to Government, General
Administration (S-W.) Department.

ORDER:

In the G.O. read above, Government issued orders to the effect
that all the Co-operative Sub-Registrars who were holding the posts of
Extension Officers (Co-operation) in the Panchayat Samithis should be
withdrawn from the Samithis forthwith to the Co-operative Depart­
ment and the Panchayat Samithis should be provided with Senior
Inspectors for discharging the functions under 'Co-operation'. It was
also ordered that the Senior Inspectors shall be designated as Extension
Officers (Co-operation).
2. In the representation second read above the Associations have requested the upgradation of the post of Extension Officer (Co-operation) from Senior Inspector to that of Co-operative Sub-Registrar.

3. The Registrar of Co-operative Societies also sent a report to Government in 1974 stating that the Extension Officers (Co-operation) have been attending not only to promotional activities envisaged in the Andhra Pradesh Panchayat Samithis and Zilla Parishad Act, 1959 but also to the statutory and administrative functions playing pivotal role in the shaping of Co-operative Movement at the Panchayat Samithis level. As several types of Co-operatives have sprung up for the amelioration of weaker sections of the community at village and Panchayat Samithi level, the role of Extension Officer (Co-operation) in rendering assistance and guidance has gained added importance. The Registrar of Co-operative Societies therefore suggested that the Senior Inspector working as Extension Officer (Co-operation) might be replaced by Co-operative Sub-Registrar by upgrading the post of Senior Inspector to that of Co-operative Sub-Registrar.

4. The Government have considered the representation of the various service organisations and have decided to upgrade the post of Senior Inspector/Extension Officer (Co-operation) to that of Co-operative Sub-Registrar.

5. In the circumstances, Government accord sanction to the upgradation of the post of Senior Inspector/Extension Officer (Co-operation) to that of Co-operative Sub-Registrar at Samithi level with immediate effect.

6. The Registrar of Co-operative Societies requested to implement the decision of the Government and report compliance immediately.

7. This order issues with the concurrence of Finance and Planning (Finance Wing-Exp. F. & A.) Department, vide their U.O. No. 4602/S (F. & P.) 8/82, dated 6th January 1983.

Supply of Krishna Water to Tamilnadu State.

*14-Q—Sri Vasanta Nageswara Rao:—Will the Minister for Works and Roads and Buildings be pleased to state:

(a) whether it is a fact that Government have agreed to supply Krishna Water to Tamil Nadu State;

(b) whether it is also a fact that Rayalaseema is badly in need of water for drinking purposes; and

(c) if so, whether the Government will reconsider the issue to supply the water from Krishna to Rayalaseema instead of supplying to Tamil Nadu?

Reply by Mr. S. V. Narasimham:

(a) According to the Government, though the Krishna Water is in the list of priorities of the States and has been promised to Tamil Nadu, Rayalaseema is equally in need of water. Therefore the Government has decided to supply Krishna Water to Tamil Nadu only.

(b) The Government has decided to meet the drinking water requirement of Rayalaseema by tapping the water bodies and regulating the inflow of water. Further, the Government will consider the proposal to supply Krishna Water to Rayalaseema if necessary.

3. Babu. (Orthopedics):—In the case of orthopedic injuries, are there any differences in the treatment of adults and children? Are the same surgical procedures used for both age groups? Is there a difference in the healing time and recovery period?
Sri A. Madan Mohan:— We all remember and we have read in newspapers that Mr. N. T. Rama Rao, in his capacity as President of Telugu Desam Party has made drastic observation and was very critical against the previous Government in regard to supply of water to neighbouring State. He was very critical in saying that we are not in a position to give water to Rayalaseema farmers but trying to supply water, drinking water to neighbouring States. It is a shameful thing. This is what actually is mentioned in the newspaper I am prepared to get the paper. It is something unfortunate. Before making such a statement, such a categorical statement, he would have verified the actual position. I request him to have a second look over that statement.
Sri M. Venkaiah Naidu:—There is scope of mis-understanding. There was an agreement reached in 1976. Better, it is clarified.

Sri A. Madan Mohan:—I am one with the other Leaders of Opposition. I would like to go on record that on behalf of my party, since our party when it was in power has initiated the matter of supplying of drinking water to Tamil Nadu, there is no shift in our stand taken. We are not opposing to give water to them.

2. Mr. Jagamallu:—The Government has received representations from the Bar Associations of Wanaparthy, Kollapur, Atmakur, Nagarkurnool, Atchampet and Alampoor recently to establish a Permanent Sub-Court at Wanaparthy, Mahaboobnagar district.

3. Mr. Jagamallu:—The representations have been carefully considered, but as the establishments of Permanent Sub-Courts are of a very big nature, the Government has decided to make arrangements in this regard only after consulting the General Government.

Even in respect of other districts, where there is a dispute, is he prepared to go according to the decision of the High Court? For this, he said, “Yes”. If that is the case has he got any new proposals to start new Sub-Courts in the State?

(q) E. S. L. Narasimha Rao:—According to the orders 1983—84 * * 3

This answer does not come in that way. Now here is a case, where the High Court has reviewed the case twice and no new commitment was involved and only location of the Additional Sub-Court was already sanctioned. Another point is that the former Government has already taken decision on that issue. Why and where is the delay in locating the Additional Sub-Court?

(q) E. S. L. Narasimha Rao:—Some of the matters which were referred to the High Court have been finalized.
