CONSTRUCTION OF DISTRICT HEAD-QUARTERS HOSPITAL
AT VJIAYANAGARAM

151—

*414-(G)-Q.—Srivastri P. Ashok Gujapati Raju (Vijayanagar) and P. Appala Narasimham (Pendurthi) :—Will the Minister for Health and Medical be pleased to state:

(a) whether it is a fact that the Government granted a sum of Rs. 2 lakhs in 1980-81 and Rs. 20 lakhs in 1981-82 for the construction of a District Head-quarters Hospital in Vijayanagaram and that these funds were allowed to lapse as no attempt was made to ground the project; and

(b) the steps taken to rectify the situation and the frame work in which the hospital will be completed?

*An asterisk before the name indicates confirmation by the Member.
Mr. Speaker:—Question No. 152 is withdrawn by the Member concerned.

Sri M. Venkaiah Naidu (Udayagiri) :—Sir, it should not have been listed in the Business of the House.

Mr. Speaker :—It is subsequently withdrawn. According to Rule No: 47, “A member may, by notice given at any time before the meeting for which his question has been placed on the list, withdraw his question with the consent of the Speaker, or postpone it to a later day to be specified in the notice and on such later day the question shall be placed on the list after all questions which have not been so postponed…”

Sri M. Venkaiah Naidu :—Sir, when you say before the meeting, then why has it come in the list? If it is withdrawn this should not have come in the agenda.

Mr. Speaker :—Before the meeting means, before the sitting of the day.

Sri M. Omkar (Narasampet) :—Sir, is it before the sitting of this day?

Mr. Speaker :—Yes, before meeting means before the sitting of the day’s meeting.
Mr. Speaker:—I have told you. Before meeting means, before the sitting.

Sri M. Venkaiah Naidu:—Sir I am not questioning your ruling. If once this matter comes to the notice of the Assembly, it comes to the notice of the public also. Tomorrow it comes in the Press also. This question is about corruption charges.

Mr. Speaker:—The Member who has given the notice, has every right to withdraw.

Sri S. Vijayaramaraju (Nagurru):—Sir, The question is very important.

Mr. Speaker:—I am sorry, I cannot help it. The Agriculture Minister, Dr. R. Venkataramaiyula, and the Finance Minister, Dr. R. Venkataramaiyula, are not present. The Speaker must pull up the Minister concerned.

Sri M. Venkaiah Naidu:—Sir, at this juncture, we have to pass on and there is no other go. But the question is what is the reason for the absence of the Agriculture Minister in the House? time and again we are pointing out about the absence of the Ministers previously. Now the same thing is happening. The Speaker must pull up the Minister concerned.
Sri A. Madan Mohan (Siddipet) :—Sir, I am only trying to bring to your kind notice—I am only saying about the previous Government, even when we came late by half a minute, the Opposition use to make a big show for the whole thing, which we are not doing. We are only trying to say that it should be kept in your mind and see that something should be done and you can pull up the Minister by appropriate time ...

Sri M. Venkaiah Naidu :—Sir, the Leader of the Opposition said that the Opposition use to put up a big show. I do not know what is the meaning of big show. So, he must enlighten us. My only submission to the House and to Sri Madan Mohan is that not only then, even now, it is the same opposition who has raised the issue first.

Sri A. Madan Mohan :—Sir, I expect them to make a “Bigger show” now.

(Laughter) (Bell)

The matter is still pending in the Court.

The matter is sub-Judice.

Once for all I will get out of public and political life and get rid of any adverse criticism by any one.

Mr. Venkaiah Naidu :—Because he made a Statement regarding this particular question also, I would like to go on record that we people who are in the Opposition at that time, we felt at that time that there is some undue favouritism shown to this particular concern. Because he made a Statement regarding this particular question also, I would like to go on record that we people who are in the Opposition at that time, we felt at that time that there is some undue favouritism shown to this particular concern.

8.50 a.m.

Mr. Speaker :—Let there not be a controversy.

Sri M. Venkaiah Naidu :—There is controversy now itself. I am not trying to create any new controversy. I only appeal to the Government that this issue must be enquired into by an Enquiry Committee. Rat&io'A, R)o(j§rr*3b <3-*Rjo =B-*g$aoc^ S^Dg'KSJonr—

Mr. Speaker :—Let there not be a controversy.
Mr. Speaker:—The matter is sub-judice.

Sri S. Jaipal Reddy (Kilwakurty):—What is sub-judice? The only point which is sub-judice in the Court was the order of the Government or the Board in regard to disconnection. Nothing else is in dispute there in the High Court.

Mr. Speaker:—Disconnection will cover all the issues.

Sri S. Jaipal Reddy:—No, it does not. All the points have not been covered by the dispute in the Court. As Mr. Venkaiah Naidu has rightly pointed out and recalled to the House, last time in the House when Mr. Rajasekhar Reddy was a Minister, we happened to bring forward this issue. At that time, all the Opposition parties unanimously demanded for an enquiry by the House Committee or an enquiry by a Judge. At that time, the Government deemed fit
not to agree to it. Sir, as you mentioned earlier in regard to the Barytes, it is necessary for us to point out that the person involved is heading a political organisation which is the premier Opposition party in the State. Therefore, whatever the present Government does or does not do, it will find itself in a quandary. Therefore, there is always a way out. I am happy to note that a way out has been suggested by no other person than Mr. Rajasekhara Reddy himself. Now, what is the difficulty for the House or the Government in trying to take a decision as to whether:

(a) any undue favouritism was shown to the A.P Carbides?
(b) whether this Government had followed any consistent or uniform policy in regard to the concession to be shown to power-based industrials?
(c) if the present government does not have an objection, it can also be found through Judicial enquiry as to whether the present Government had in any way shown prejudice against this firm. Therefore, I am of the considered view that this is an excellent case for judicial enquiry where the accused and the accuser, Mr. Rajasekhara Reddy may I tell you was at one time accused is now the accused. He is himself demanding a judicial enquiry and why the Government should go back? If the Government cannot come forward with a concrete declaration just now, it can take time. But let not the Government negate the demand for judicial enquiry. I can understand the difficulty of the Government in arriving at the conclusion on the spot or in the heat of the moment.

Sri S. Jaipal Reddy:—No, no.

Sri M. Venkaiah Naidu:—We are not in agreement with the Government proposal in this particular matter Sir. The parties involved are on one side the Government and the former Minister. You know the atmosphere prevailing in the Secretariat and outside also. I do not know why the Government is shirking to accept for a judicial,
enquiry moreover when it is demanded by the person who is alleged to be involved in this. As Mr. Jayalal Reddy rightly pointed out, if he is not in a position to take a decision on the spot and immediately, let him take time. Let him come prepared to-morrow to the House and then announce for a judicial enquiry.

Mr. Speaker:—O.K. next.

Sri A. Madan Mohan:—Sir, this matter came up again and 9-00 a.m. again before this House. Last time also two options were given to the Hon. Speaker to exercise his discretion whether he would like to constitute a House Committee or order for a judicial enquiry. In that Mangampet Mining case, and now Mr. Rajasekhara Reddy himself has offered for judicial probe into this also. No, without further giving any scope for unnecessarily casting aspersions against somebody's conduct and the readers in the newspapers trying to be more anxious about the whole thing and drawing their own inferences, which might reflect the reputation of my friend, so since he himself has volunteered for a judicial probe both in this and earlier in the Mangampet mines, these things may be ordered....
Sri A. Madan Mohan:—As far as this is concerned, I am requesting the Finance Minister through you. But as far as the other thing is concerned—Mangampet mines are concerned, I am only requesting you—whatever be the outcome of the House Committee, it is likely to be inferred something adverse and on the other side it is not going to be fair trial. Supposing the House Committee in its wisdom thinks that my friend is guilty, there is a likelihood of people drawing an inference that it is prejudiced since is heavily loaded with the Members of the Treasury Benches. Supposing ultimately in its wisdom it is decided that he is innocent then also it would be inferred that because of the assertion of the opposition, well they were overawed and ultimately they had to take this decision. So, it is a very delicate matter. And in that also I insisted that it should be referred to a judicial probe. Both these things may kindly be ordered to be referred for a judicial probe instead of having a House Committee.

Sri A. Madan Mohan:—It is up to you to take a decision. But nothing prevents me from requesting the Chair to reconsider the whole issue.

Half-an Hour Discussion on Land Grabbing Scandal in Bhagyanagar.

When Half-an-hour discussion is taking place in the House, is it not the responsibility of the Minister at least to enlight the House about the Highlights of Sushil Kumar's report? At that time, the former Chief Minister went on record to say that nearly 10 to 12 thousands people were involved in this land grabbing. He gave a statement to that effect. It is altogether a different matter and on that account you might find fault with the Central Government. Did you identify any land grabber? Are you able to get any land which was grabbed back to the possession of the Government or gave back to the possession of the private people — land owners?

I do not think that we have done any justice to the people who have been affected by this land grabbing scandal.
to the debate. It is very sad that 1,042 people have come in line, pinning their hopes on the land. It is a scandal that is a result of the land grabbing in Bhagyanagar. It is quite unclear how many actions were taken by the government in the last six to eight months. That is the action taken during these 6 to 8 months?

By delaying process, that man is getting advantage. Because of the possession of the land, action can be taken. By delaying the issues, he cannot do it. He has got number of allegations and so much information was collected. We are delaying the issues.

If the State interests are involved you should go into the details. You come out with details. How many cases have come up from 9th January to 2nd September? This is a problem agitating the people. We are talking about the Government lands. No land is having the title.
