*675 Q.—Dr. D. L. Ravindra Reddy (Mydukur) :— Will the Minister for Revenue be pleased to state :

(a) whether it is a fact that silver and gold coins of ancient ages weighing nearly 10 K.Gs. were found during the excavation of a channel in Prabhulaveedu village of Badvel Taluk, Cuddapah district; and

Irregular Selection of Candidates to different Posts by Director of Adult Education

(a) whether it is a fact that the Director of Adult Education irregularly selected hundreds of candidates to different posts during October to December, 1982 and they are yet to be confirmed;

(b) whether it is a fact that the said appointments made by the Director are subsequently cancelled by the Government;

(c) whether it is also a fact that the said Director is misappropriating and misusing huge funds of the department; and

(d) if so, the action taken thereon?

Minister for Education (Sri P. Ananda Gajapathi Raju):—

(a) & (b) Interviews and written tests were conducted by the former Director of Adult Education Sri C.N.V. Subba Reddy for selection of candidates to the posts of Supervisors during the period from October to December, 1982 in certain Districts. When complaints were received that these selections were not being done on proper lines, the Director of Adult Education was asked not to proceed with the further interviews and the examinations are to be conducted on more scientific lines. Government would conduct separate tests for these posts prescribing proper qualifications.

(c) & (d) A regular Anti Corruption Bureau enquiry has been ordered into the allegations levelled against the former Director of Adult Education and suitable action will be taken by the Government on receipt of the enquiry report.
Sri M. Omkar:—Sir, will the Hon’ble Minister place the Report of enquiry Officer on the Table of the House? At what stage the enquiry by the A.C.B. is?

Sri P. Anandagajapathi Raju:—Sir, I have no objection to lay the Report on the Table of the House, when it was completed and that will be done soon.

Sri M. Omkar:—Sir, I have asked two supplementaries. One is about question A and B for which the Hon’ble Minister was pleased to state that the enquiry was conducted. I have asked for the Report of the enquiry to be placed on the Table of the House and the Minister has also accepted and I am grateful to him. When it will be placed? Regarding question C and D, at what stage the enquiry is and when it will be completed?

Sri P. Anandagajapathi Raju:—Sir, the enquiry is going on and it will be finished soon.

Sri P. Anandagajapathi Raju:—Sir, It was referred to the A.C.B., in March 1983 and as soon as the Report is ready, we will expedite it and see that it will be placed on the Table of the House.

Sri P. Anandagajapathi Raju:—Sir, there are some irregularities which are proved prima facie and therefore it was referred.

Sri K. Lakshma Reddy:—Sir, I agree that irregularities might be there. Is it a fact that funds were not given for Adult Education after the new Government has taken over?

Sri P. Anandagajapathi Raju:—Sir, regarding the funds for Adult Education, a separate question be put and I have no answer here.

Sri M. Omkar:—Sir, the Hon’ble minister has agreed that he would place the enquiry Report on the Table of the House and so, we are not putting supplementaries. I request the Hon’ble Speaker to give us time to put some supplementaries when it is placed on the Table of the House.

Mr. Speaker:—Yes.

Collection Of Money For Admission By Management Of B.ED., College At Vakadu In Nellore Dist.

34—

*474-Q.—Sri Nallapareddi Chandrasekhar Reddy (Venkatagiri): Will the Minister for Education be pleased to state:

(a) whether it is a fact that the Honourable Minister for Education has received representations from the Lok Sabha Member, Nellore and other Public personalities since five years, stating that the management of B.ED., College at Vakadu (Vidyanaagar) in Nellore District is collecting money for admissions;

(b) if so, action taken in the matter so far; and

(c) whether the rule of reservations is being followed in the admissions in the said college?

Sri P. Anandagajapathi Raju:—

(a) Yes, Sir.

(b) The matter was got enquired into by the Regional Joint Director of Higher Education, Guntur. The report reveals that there is circumstantial evidence in the matter of collection of donations, but there is no direct evidence to prove that donations ranging from Rs. 5,000/- to Rs. 6,000/- were collected from each student at the time of admissions. However the matter will be further enquired into and necessary action taken.

(c) (The rule of reservation though not strictly followed belonging to S.C. S.C. were taken during these years.

Sri P. Anandagajapathi Raju:—Sir, a report was received from the Regional Joint Director of Higher Education on 12-5-83 and on 12-8-83, the Report was received by the Government and we are definitely going to take action in the matter.
came to the conclusion that there is circumstantial evidence to believe that donations were collected. Then what more is necessary, I just cannot understand the question. What is the action that the Government has already taken in this matter? 2 or 3 or 4 days are sufficient to solve such an important issue. I request the Minister to be specific in his reply. What is the action the Government propose to take on the Management of the College?

Sri P. Anandagajapathi Raju:—Sir, what we received was a preliminary report. After that the Report is processed by Government and definitely necessary action will be taken and that the Government will not hide anybody or will not cover anybody. It will be totally exposed.

Sri S. Jaipal Reddy (Kalwakurthi):—Sir, I am not putting any question on this particular question. But I would like to point out to the Minister that there is an organic connection between the admissions and collections. We recently adopted a piece of Law, whereby all admissions to all colleges including B.Ed. colleges should be regulated on the basis of merit. What steps have this Government taken following this piece of legislation, to see that admissions to atleast B.Ed. colleges are regulated strictly on merit?

Sri P. Anandagajapathi Raju:—Sir, in this particular case, it is a college of education and now you may kindly note that the admissions are made on the basis of an admission test and the list if prepared by the University and then from the University it is sent to the colleges and therefore there cannot be any discretion in colleges in matters of selection of candidates.

Sri P. Anandagajapathi Raju:—Regarding this, I request you to place another question in the House and I will answer it.

Sri P. Anandagajapathi Raju:—Sir, as this information is not available here, a separate question may be put.
Oral Answers to Questions. 18th August, 1983.

Sri P. Anandagajapathi Raju :— Sir, the Act has banned the capitation fee both in the Assembly and Council but what is more important is the Rule under the Act has yet to be framed and when the rules under the Act are framed then, definitely the cases would be harshly dealt with. In the meanwhile, in any case, if there are any specific incidents to the effect that the capitation fee is collected, if they bring to my notice immediate action would be taken.

Sri P. Anandagajapathi Raju :— Sir, as I mentioned earlier, the Rules of the Act are still not framed. Nevertheless, we will definitely take very strict view of this and see that it is implemented.

Mr. Speaker :— Question S. No. 35 is postponed at the request of the concerned Members.

Delicate distinction has to be drawn between the technical merits of the Judgement of the High Court and the consideration to be shown to the farmers who are finding themselves an extraordinary plight.

Mr. Speaker:— Anyway, High Court Judgement is there which is binding on both the parties.

Sri S. Jaipal Reddy:— Sir, I am afraid that the Chair has not followed my question. There are certain pieces of legislation which are struck down by the High Court or Supreme Court. Are we not reconsidering the matter? We are validating with retrospective effect. The High Court Judgement is only about the legalistic aspects of the issue.

Mr. Speaker:— When the matter is settled in the High Court, what can he do?

Sri S. Jaipal Reddy:— Sir, it is not settled. We want the Chief Minister to understand and answer.

Mr. Speaker:— What do you want inspite of the High Court Judgement?

(Interruptions) ...(Bell)...
Mr. Speaker :— What the Government can do now?

Sri M. Venkaiah Naidu :— Sir, only the remedy is - there are two ways. One is that the Government can direct the Bank to write off the loan. Secondly, action can be taken against the Secretary and the Management who have misappropriated the amount. These two things can be done.

Non-Availability of Sreeramulu Enquiry Commission Report To Public

14—

49—Q. Sri Ingrasena Reddy, —Will the Hon'ble Minister for Education be pleased to state:

(a) Whether the previous Government had instructed the Osmania University not to make available to the public of the enquiry report of Sreeramulu Commission (1979 May 31); and

(b) if so, the reasons therefor?

The Minister for Education (Sri P. Ananda Gajapathi Raju)

(a) No, Sir.

(b) Does not arise.
Oral Answers to Questions 18th August, 1983.

Sri P. Ananda Gajapathi Raju:—If the report is placed it may prejudice certain happenings in the university. Therefore I request permission that the report be placed before you and if you want you can see the report.

Sri M. Venkaiah Naidu:—If the enquiry is in progress and the report is placed before the House, we can understand. Now the enquiry is over and the Report was submitted to the University. Because some of the people are exposed, it is not published. When the report was submitted what is the wrong in placing it before the House. No State interest is involved in that.

Sri S. Jaipal Reddy:—Under the Rules of Procedure only a document which according to the Government can endanger the interests of the State, can be withheld from publication or discussion. Can the Minister swear here to say that the disclosure of this document would jeopardise the interests of the State. In so far as the Minister cannot explain that position, it is his duty to expose that. No enquiry further is in progress. Even the Enquiry Report has been submitted. It is submitted for action to be taken and not to keep in cold storage or under lock and key.

Sri D. K. Samara Simha Reddy (Gadwal):—Will the Hon. Minister say whether this report has been filed in W. P. No. 338/71 and it formed part of the record in the High Court. In that case where is the necessity not to place it. Then, as a matter of fact what we understand is that according to this report, it was specifically mentioned, that action must be taken against so and so. On the contrary, it is a fact that more powers are given to more members. Let the Hon. Minister say.
Sri S. Jaipal Reddy :— On a point of order, Sir. In regard to the procedure, I am raising the objection with regard to the procedure. Since this morning, the Chair has been following a different procedure. A very competent or super competent Minister may be able to take note of what every Member says and reply to them. But every Minister cannot do ashtavadhanam, Therefore, I suggest that the Speaker might better stick to the original convention.

Mr. Speaker :— All right. Let the Minister reply.

Sri P. Ananda Gajapathi Raju :— Sir, I do agree to place the report on the Table of the House.

SHORT NOTICE QUESTIONS AND ANSWERS

Filling up of Vacant Primary and Secondary School Teachers' Posts.

S.N.Q.No.2578-P : Sri Indrasena Reddy :— Will the Minister for Education be pleased to state:

The steps taken by the Government to fill up thousands of primary and secondary school teachers' posts that have fallen vacant because of the reduction in retirement age?

Sri P. Ananda Gajapathi Raju :— As per the Government orders, a written test was held on 15-5-83 by all District Collectors to fill up the vacancies of teachers in Government and Panchayati Raj Institutions caused due to the reduction of age from 58 years to 55 years. Interviews were conducted by the District Selection Committees and appointments are being made.

Sri S. Jaipal Reddy :— These vacancies arose from 1st April. Vacancies in respect of administrative offices could be allowed to lie unfilled. But in case of schools, if it is allowed to be done, the cause of education will suffer and irreparable loss. Did the Government realise this? Now the Minister says the Government had already issued orders for the District Selection Committees to interview. Though the District Selection Committee had already held interviews, they have not been able to publish the results thereof. What exactly are the causes that led to this delay?

Sri P. Ananda Gajapathiraju :— Earlier when the Zilla Parishad and Panchayathiraj teachers were provincialised this G.O. was issued to the effect that their age limit should be thirty years. Subsequently, it was found that for four years there was no examination conducted by the Board. Therefore, it was raised to 34 years. All these formalities had to be gone through and we wanted on criticism to come in the way of things done, saying they were badly done. Therefore, it was delayed. By the end of next month all this will be over.
Sri M. Venkaiah Naidu:— Is it not according to the wish and direction of our Finance Minister to postpone things by one or two months and save Rs.2 or 3? Then what for this delay? He can as well communicate to all concerned and ask them to attend the schools which are re-opened and without teachers.

Mr. Speaker:—Please expedite.

Sri P. Ananda Gajapathi Raju:— There is no delay on the part of the Finance Ministry. The only thing is we wanted the procedure that is adopted was proper and done properly. We will definitely finalise it by the end of next month.

Sri M. Omkar:— There are two questions involved in this matter. According to the pupil-teacher ration, already there is a dearth of about 70,000 teachers. That apart, due to the reduction in retirement age, some more thousands of posts are vacant. According to my information in my district the selection was made for a few posts. In order to fill up all posts that have fallen vacant on account of age reduction? I would like to know as to how the Government is contemplating to fill them up? Whether the Minister would be pleased to tell us as to how many posts in the Education department have fallen vacant on account of age reduction in Primary, Upper Primary and High Schools?

Sri P. Ananda Gajapathi Raju:—When the retirement age was reduced about 2,000 and odd teachers retired. But now the Government is contemplating to appoint altogether 16000 teachers with a view to reduce the teacher-student ratio. And as I mentioned earlier, most of the things will be over by the end of next month.
Sri S. Jaipal Reddy:—This is the month of August. The Minister says that he would complete this by the end of September. That means half the academic year will be finished by that time. What the Minister has been promising is that the vacancies will be filled up by the end of next month. When all the interviews are over why can’t you do it by the end of the current month?

Sri P. Ananda Gajapathi Raju:—When I mentioned end of next month, I only mentioned the time limit. If possible, we will definitely do it earlier.

SHORT NOTICE QUESTIONS POSTPONED FROM 16-8-1983.

Non-Admission of Students In VI To X Class And Inter.

20-A

S.N.Q. No.2578; D—Sarvasri M.Omkar, M, Ramakishan Rao, M.Yerraya Reddy:— Will the Minister for Education be pleased to state:

a) Whether the Government is aware of the fact that thousands of Students in the State could not get admissions in 6th, 7th, 8th, 9th, and 10th Classes and also in the 1st year of Intermediate for want of accommodation in the schools and Junior colleges:

b) Whether it is a fact that all Upper Primary and Secondary schools and also the Government Junior Colleges are understaffed to run additional Classes, and

c) If so, the action taken on the said issues?

Sri P. Ananda Gajapathi Raju:—

(a) No, Sir.

(b) and (c). No, Sir.

Sri M. Omkar:—I am sorry to state that our Education Minister is far from reality. I myself addressed some letters to the Education department and also to the Minister stating that there are many schools where on account of dearth of teachers, they are not admitting students for VI, VII, VIII, IX and X Classes and even in the first year of the Intermediate. Recently in my constituency for two High Schools and one Junior College I have approached the competent authorities to have permission for running additional classes without sanctioning additional staff. Similarly in all cases, in all the schools the same thing is happening. Knowing full well, how can the Minister deny the fact, I am not able to understand. It is a fact that even to-day thousands of students were denied admission. They are in their houses. What arrangement this Government is going to make and
whether the Government is prepared to sanction additional staff wherever additional classes are being run?

Sri P. Ananda Gajapathi Raju:—For 1,86,534 students there is capacity in the State to absorb altogether and those who pass is 1,92,241. But let me mention that there is always clamour for seats in certain institutions and therefore, it looks as if the capacity is very low. It is not so. It is because of the clamour in good schools. We have also upgraded number of Upper Primary Schools, this year. I would like to mention that even though there seems to be shortage, it is not so because of the constraints.

Sri M. Omkar:—There are number of students who were denied admissions on account of the non availability of accommodation and dearth of teaching staff. It is fact. In my constituency alone there are about three hundred people who were denied admission. Similarly in schools where they are running classes without Additional staff and also wherever admissions are rejected whether any alternative will be made for them?

Sri P. Ananda Gajapathi Raju:—As I mentioned earlier, we are appointing some more teachers and so that should solve the matter to some extent.

Filling up of Posts of Director Of Higher Education

S.N.Q. No. 2578–J: Sri M. Omkar:—Will the Minister for Education be pleased to state:

a) Whether it is a fact that the posts of Director of Higher Education, Director of Public Libraries and the Director of Adult Education are vacant for a long time;

b) If so, the reasons therefor;

c) whether it is also a fact that the concerned departmental promotion committee also prepared a list of eligible candidates for the said posts; and

d) If so, the reasons for the delay in filling up of these posts;

Sri P. Ananda Gajapathi Raju —

(a to d) Full additional charge arrangements have been made by posting suitable officers from the dates of occurrence of vacancies, to carry on the duties of the posts of Director of Higher Education, Director of Public Libraries and Director of Adult Education, pending selection of candidates by departmental Promotion Committee for regular appointment. Appointments will be notified soon.

Sri M. Omkar:—It is just like administering medicine for malaria fever to a W.B. patient. In my question for part (a), I have...
specifically asked whether it is a fact that the posts of Director of Higher Education, Director of Public Libraries and the Director of Adult Education are vacant for a long time. In (b), if so, the reason thereof and (c), whether it is also a fact that the concerned Departmental Promotion Committee also prepared a list of eligible candidates for the said posts and (d) if so, the reasons for the delay in filling up of these posts? The Minister says that full additional charge was given to certain other officers and they are allowed to work here. How is it a correct reply?

Sri P. Ananda Gajapathi Raju:—As I mentioned earlier appointments will be notified soon.

Sri M. Omkar:—My question in (c) was whether it is a fact that the concerned DPC prepared a list of eligible candidates for the said posts. Is it true or not? Is it also a fact that some of the candidates proposed by the DPC are going to retire in a month or 1 1/2 months? What is the use in keeping those posts vacant?

Sri P. Ananda Gajapathi Raju:—When certain important promotions are made, one has to take steps that they are not done irregularly. Delay is there and I do admit. At the same time, I said that the appointments will be made and notified shortly.

Sri M. Omkar:—This is very irregular. I am submitting that these are important and key posts viz., Director of Higher Education Director of Libraries and Director of Adult Education. How can the department work without heads. Additional charge arrangements will not suffice. In this case who are the persons to be promoted by the DPC and what are the reasons for the delay in promoting them? I may state that Sri M.V. Venkat Reddy, Sri T.V. Reddy, Smt. Sarojini Dasratharam and Sri Krishnamurthy were selected by the Departmental Promotion Committee. Some of them would be retiring shortly. Smt. Sarojini Dasratham is going to retire in September. If she is promoted as Director, she would at least have the satisfaction after retirement that she retired as a Director. What are the reasons for not filling up those posts. Some motives are behind this delay.

Sri P. Ananda Gajapathi Raju:—The Departmental Promotion Committee met and a panel is prepared. Orders will be issued shortly.

Sri. S. Jailpal Reddy:—Are you allowing me to speak or not Sir?

(interruptions)

Sri A. Madan Mohan:—(Siddipet) Sir, yesterday also, we made a fervent plea to this House and the Chief Minister. Yesterday, Mr. Ramachandra Reddy, Hon'ble member of this House made it very clear that unless the Treasury Benches cooperate, it would not be possible for us to conduct the proceedings in a peaceful and dignified manner. In the Business Advisory Committee also, all the Leaders of the opposition had urged upon the Chief Minister to see that the Leaders of the House and the Leader of the Telugu Desam Party would see that their Members would conduct in a dignified manner in the House and cooperate.

(interruptions)

This will not yield any results. Hon'ble Member Mr. Jaipal Reddy is narrating the incident. He is trying to narrate the sequence of the incidents. That is what he has been doing. It is better to cooperate.

Sri N. T. Rama Rao:—It is under Rule 329. Pertaining to that matter only, they should speak. I request all the Members to speak pertaining to the subject only but not to take back all the past history.

Mr. Speaker:—You are a senior Member. If you behave like this

Sri S. Jaipal Reddy:—No, Sir. I am trying to tell the background.
Sri M. Venkaiah Naidu:—Even if you call someboy nobody is to speak.

Sri S. Jaipal Reddy:—I am making it clear.

(interruptions)

Sri S. Jaipal Reddy:—I am charging that the Chair is not conducting this House correctly.
Mr. Speaker:—That is very bad.
Sri S. Jaipal Reddy:—I am not going to allow anybody to speak so long as I am not allowed.
Mr. Speaker:—You cannot speak as you like. What is it?

(Interruptions)

Sri S. Jaipal Reddy:—You are belittling the incident. You kindly withdraw the word, 'after all a small incident', it is an assault on a legislator.
Mr. Speaker:—I did not say that.
Sri S. Jaipal Reddy:—Then it is alright.

re : Alleged Attack on Sri B. Gopal, M.L.A.

You will have to take an impartial attitude. You will have to come to our rescue. You will have to take an impartial attitude. You will have to come to our rescue.

Mr. Speaker:—You confine to the subject.

Sri S. Jaipal Reddy:—Unless you permit me I can never confine.

Mr. Speaker:—You confine to the yesterday's incident only.

Mr. Jaipal Reddy you are not expected to speak as you like.

Sri S. Jaipal Reddy:—No, no.

(interruptions)

Mr. Speaker:—Confine to the subject.

Sri S. Jaipal Reddy:—I will confine myself to the subject but the subject encompasses the entire background of it. I am speaking as I deem right and not as you want me to speak. I will speak my mind. I am not the mouthpiece of somebody.

Mr. Speaker:—Confine to the incident.

Sri S. Jaipal Reddy:—I will not confine to the subject.

Mr. Speaker:—No, no.

(interruptions)

Sri S. Jaipal Reddy:—I would like you to understand the distinction between the incident and the subject. Yesterday's incident is organically inseparable from this.

Mr. Speaker:—That may be so, I can't help it. On this count you can't take the entire time of the House.

Sri S. Jaipal Reddy:—I am going to refer to the background.

Mr. Speaker:—Very bad. Don't say so. Withdraw that word.

Sri C. Janga Reddy:—I am not going to withdraw.

Sri S. Jaipal Reddy:—The next day i.e on 3rd day Gopal went to the house of Dr. Sunku Balaram for having breakfast. 200 Telugu Yuvath volunteers went to the House of Dr. Sunku Balaram and they took him by force to the residence of Dr. Venkateshwara Rao, the President of Telugu Yuvathas and beloved son-in-law of our hon'ble Chief Minister. What transpired there, I will not go into that. I am making it very clear. I have no sympathy with the politics or philosophy or personality of Mr. Gopal. Let me make that abundantly clear.

Sri M. Venkaiah Naidu:—The remark passed by the Speaker is uncharitable. I am sorry to say that with all respect to the Chair.

Mr. Speaker:—You can't go on speaking as you like.

Sri M. Venkaiah Naidu:—I can't speak as you like.

Mr. Speaker:—You people have no respect to the Chair.

here since 20 years. I only request the Speaker not to precipitate the matters. I am making a fervant appeal to the Speaker. Chief Minister said he is prepared to hear. Then why should he come in the way. You are passing an uncharitable remark.

Sri S. Jaipal Reddy :—I am thankful to the Chief Minister for his intervention and for the attempt to throw light on the character background of the incident through reading the application of Mr. Gopal. From the house of Dr. Sunku Balaram Mr. Gopal was taken by physical force to the house of Dr. Venkateshwara Rao, President of Telugu Yuvatha.

(interruptions)

Kum T. Venkataratnam :—Point of order. We will object.

(interruptions)

Let him confine to yesterday’s incident.

Sri S. Jaipal Reddy :—I am prepared to prove the incident. Let the Government for a House Committee to enquire or a Judicial enquiry. I am prepared to prove. If I don’t prove I am prepared to take any punishment that is given. I am also prepared to resign my membership. Are you prepared for a Judicial enquiry of the incident. I will prove to the hilt.

Mr. Speaker :—Let us come to the point. Don’t go to the past history.

Sri S. Jaipal Reddy :—I am on a point Sir.

Sri S. Jaipal Reddy :—We have reached a settlement on that point.

Mr. Speaker :—I know the procedure, I know the rules.

Sri S. Jaipal Reddy :—Mr. Venkataratnam knows the rules. The Speaker has necessary powers and he can amend the rules.

The hon’ble Chief Minister himself has intervened to say that I might be allowed to speak about the entire background.

Mr. Speaker:—You have to follow my advice.

Sri S. Jaipal Reddy:—I do what I think right.

Mr. Speaker:—You confine to the incident.

Sri S. Jaipal Reddy:—In my entire legislative career I have never been untrue to the Chair. I cannot be true to the Chair at the cost of my conscience, at the cost of my understanding of the rules of procedure. Where my conscience and Chair are (interruptions) in conflict my conscience takes precedence.

Mr. Speaker:—It is the Chair’s ruling that takes precedence.

You are a senior member.

S. Jaipal Reddy:—I am prepared to take the punishment that you may award to me.

Sri S. Jaipal Reddy:—I am not referring to the allegations or accusations or charges levelled by Mr. Gopal. Those allegations are a matter of difference, but I am referring to the incident.

Mr. Speaker:—You please convince me. How is the old story related to this?

(interruptions)

Sri S. Jaipal Reddy:—I will tell you Sir. There is one common denominator, one common factor, one common link...

Mr. Speaker:—Then you should have given notice on that incident also.

Sri S. Jaipal Reddy:—One common denominator between that incident and this incident is Mr. Gopal himself and his connection with the Chief Minister.

Mr. Speaker:—Whatever that happens to Gopal you want to narrate the entire thing here?

Sri S. Jaipal Reddy:—This has happened in MLAs quarters. This was done by supporter of Telugu Desam on all occasions.

re : Alleged Attack on Sri B. Gopal, M.L.A.

Though I was in town at that time I made no public comment personally on this incident because I thought it had something to do with the internal affairs of Telugu Desam party with which I never wished ill and even today I do not wish ill with the Government of Telugu Desam. I may refer to another factor-the Police department advised the hon. Member, Sri Gopal, not to stay in M.L.A’s hostel but to stay in some hotel since they would not be able to provide protection for him. That is the law and order situation under the Telugu Desam Government. But what happened yesterday was either organised or motivated by the attitude of the Telugu Desam Government and Telugu Desam party to Mr. Gopal. I may draw your attention to another very notable feature. In spite of public demand the Chief Minister, Mr. N.T. Rama Rao did not take care to condemn the incidents that occurred on those days. Nor did he condemn the incident yesterday. This incident took place in the afternoon. What happened to the Chief Minister. What action did the Chief Minister take? Why did not he condemn this incident publicly. Yesterday some people went to Mr. Gopal and these people went to insult him or assault him because he was wearing saffron clothes. I would like to ask whether it is the sole monopoly of Mr. N. T. Rama Rao to wear saffron. I may tell you many others who had worn saffron robes are asking whether they should continue to wear them after Mr. N.T. Rama Rao started wearing them. Real Sadhus are now developing second thoughts about it. Therefore I want the Chief Minister to come forward to condemn all the incidents this incident and that incident and say categorically that protection shall be given to all the legislators.

Sri A. Madan Mohan—Mr. Speaker, it is a matter of real distress for everybody to observe that an incident of this nature has taken place, not for the first time but for the second or third time. When Mr. Jaipal Reddy was narrating the sequence of events and the origin and development of the whole incident, naturally it was in the fitness of things that he should have been allowed to continue because it is...
re: Alleged Attack on Sri B. Gopal, M.L.A.

relevant to the whole incident. If the Hon'ble Speaker had thought it fit to ask for separate notice, certainly we do not have any objection for moving another motion. Yesterday after the House adjourned and when I was about to get into my car, some people came to me and told me that Mr. Gopal has come to the house running with torn clothes because he was beaten in the precincts of new M.L.A. quarters. Naturally being a fellow legislator I shared the concern and I can say with full responsibility that on earlier occasions when the other two incidents took place I had never met Mr. Gopal nor he met me except that on earlier occasions I found to be vocal and vociferous about Telugu Desam. If anybody suffers from the mistaken notion specially such of those who are adorning the treasury benches - that any political party or parties together who are not able to see with the Telugu Desam party will try to make a political capital of the incident, they are sadly mistaken. Nobody is interested in that. But one is certainly concerned about the whole thing because he is a fellow legislator. We would have shown this concern even if he were to continue as a member of Telugu Desam party. The other day when the other incident took place which was very ugly even to hear, we have shown equal concern. But here an M.L.A. who was until yesterday a member of the ruling party- if he was treated in the way he was treated what is the protection and security to such of those working in public life. Apart from security protection I am now concerned with the honour and privileges of a member working in public life - who represents a lakh of people and if he is to be treated in the shabby way in which he has been treated I do not think any member sitting on either side - in treasury or opposition benches if he is really conscious of the political rights and obligations and responsibilities one has to discharge, would dare to say that what has happened is correct or justified. It is exactly in this light and perspective that I request the Hon. Members sitting in the treasury benches to look at the matter and understand and appreciate the whole episode. It might have happened to Mr. Gopal and probably there may be personal equations between him and the Chief Minister or the Chief Minister’s son-in-law, Mr. Venkatawarao who is said to be the President of Telugu Yuwatha. I am not concerned with those aspects because it might happen to your own and me and we do not know—it might probably happen to your own leader when he is an ordinary M.L.A. Do you think you relish if that happens? At least I sitting in Opposition would not relish if this were to happen to Mr. Rama Rao when he is sitting only as an ordinary M.L.A. Certainly not, with equal vehemence we would have condemned the situation. This is exactly what many of my friends have been saying and trying to appeal to the good conscience of legislators.
sitting on either side. Please understand the incident in the proper perspective and try to appreciate the political wisdom and maturity. This has to be condemned by one and all. I am surprised that the Chief Minister who has shown concern on more than one occasion about public life had to really keep mum on this incident either earlier or now. I hope at least now good conscience will prevail upon him and he would be able to rise to the occasion to condemn this in no uncertain terms and also assure this house that all Protection to the members of Legislature would be given during his government. The way the Police had been silent and helpless spectators on the earlier occasions does not add to the prestige and dignity of the police and they have to really conduct in a most impartial manner and in a most dispassionate way and dignified way. When they have respect they would really be able to safeguard the interests and protect the interest and civilian rights. I do not know what has happened. I think they have got to make introspection of their own behaviour and supposing there has been any political indulgence and interference probably this has to be reviewed and erased. I see that many members on this side are saying—the other members also sitting on the other side will share this concern that it will be better if the Chief Minister comes out with a resolution as he has been coming forward with various resolutions called for and uncalled for—condemning and deprecating this incident.

(Kum. T. Venkataratnam wanted to raise a point of order).

Sri A. Madan Mohan:—No, I am not yielding. She is a novice; her knowledge is more academic than real without exposure to convention of Parliament. When her leader as leader of the House, stands we listen to him. When the Leader of the Opposition is speaking she should know how to respect parliamentary convention. I am only invoking the good conscience of the Telugu Desam members including the Chief minister to rise to the occasion and condemn this incident.
Mr. Speaker :—I am sorry—if you go on like this I have to take the extreme step.

Sri S. Jaipal Reddy :—What is the extreme step that you would take ?

Mr. Speaker :—Please sit down.

Sri S. Jaipal Reddy :—I am extending an invitation. What is the extreme step ? I will take the punishment. You are the 'n' the Seaker I have seen.

Mr. Speaker :—Not that ; please sit down.

Sri M. Venkaiah Naidu :—Even the Supreme Court when it passes death penalty on a person provides according to the laws of the land an opportunity to the person to be hanged. The Hon'ble Speaker is refusing to give an opportunity. Anyway, Mr. Gopal or Mr. Venkaiah Naidu or anybody—they are not at the mercy of anybody; they are not at the mercy of anybody including the Chair. I only humbly request the Speaker to understand the sentiment and feeling of the House and allow him to speak. He is speaking for himself. If he speaks for himself why should they get agitated. After all it is democracy.

Mr. Speaker :—Let him speak on yesterday's incident only and not from what had happened in the past.
Sri A. Madan Mohan:—Time and again with all humility at our command we have been urging upon the other side to please co-operate in the conduct of the proceedings. You do not allow him to speak; he has a right to speak; he is a person on whom this punishment has been inflicted.

Mr. Speaker:—That is why I asked him to confine to yesterday's incident.

Sri A. Madan Mohan:—If you insist on that—in fact it is the opposition with whom you expect cooperation, but when we are conducting in a responsible manner if they continue like this, I am sorry the Opposition will not allow the proceedings to continue—the consequence of which will be reflected on the treasury benches and not on us.

(Interruptions).

Mr. Speaker:—I gave him time; he has to speak on yesterday's incident. If he goes on speaking and wasting time what can I do.

Sri A. Madan Mohan:—He has not been allowed to express his feelings even with regard to earlier incidents because the Assembly was not in session. If a member who is subjected to harassment is not allowed to speak, tell me what is the human psychology.

(Interruption)

Sai A. Madan Mohan:—Is that the way how they do it. I have been asking them and he is not being allowed to speak and they are shouting as though it is nobody's business. This is not the way. We will not allow the House to proceed.
