Oral Answers to Questions. 5th September, 1983.

It must be according to law or according to Government order. That is wrong.

It must be according to law or according to Government order.
Mr. A. Madan Mohan (Siddipet) :—Since my name was referred I have to give personal explanation. First of all, I am very clear that in no way, the previous Government has departed from the rules then existing. Secondly, as per as P.G. seats are concerned, the correspondence was going on with Sister States, we have already arrived with an understanding in respect of B.D.S. seats and certain seats were reserved under National integration. It is not only with the Andhra Pradesh Government. All the Medical Ministers of Southern States i.e., from Tamil Nadu, Karnataka and Andhra Pradesh met and decided this concept of National integration and decided to reserve certain seats on reciprocal basis. Certain names were sent and interviews were conducted and selections made. Incidentally, one are two candidates may be the relatives of the Ministers. So, there have never been the departure from the rules existing then.

Sri N. Venkataratnam:—I must thank the Hon'ble Leader of the opposition. ....... cic.

(a) whether it is a fact that the Municipal Corporation of Hyderabad ordered for the demolition of illegal constructions;

(b) if so, the number of such orders executed since 5th January 1983;

(c) Number of such execution orders stayed by the Government;

and

(d) whether there is any proposal before the Government to take over all such illegal constructions, instead of wasting national resources and man power in such demolitions?

Sri Y. Ramakrishnudu:—(a) Yes Sir,
(b) 146 Sir.
(c) 6, Sir.
(d) No Sir.
Oral Answers to Questions.

5th September, 1983.

Sri Y. Ramakrishnudu:—1. S.R. Nagar, Ameerpet-Stay was given and stay was vacated on 16-4-83.

2. Syed Tolichuk Karm, Stay granted on 26-3-83 and the Matters in the Court

3. M. Sivala, Stay was granted on 25-3-83 and was vacated on 11-4-83.

5. Hanu Yashal Stay, granted on 8-4-83 and the matter is under consideration of the Government.

6. M. A. Nayeem or Norrkhan Begum, Stay orders were given.

Sri A Madan Mohan:—Who has given these stay orders and against whom?

Sri A Madan Mohan:—Who has given these stay orders and against whom?
Sri A. Madan Mohan:—The Government has got every right to grant stay. I would like to know from the Minister that who has granted stay? whether it is the Secretary, Minister or Chief Minister? Who is the specific person responsible in granting the stay?

Sri A. Madan Mohan:—I protest against the callous answers by the Minister. He must say 'yes' or 'No' to my specific question. The specific question is whether the stay was granted either by the Minister or the Chief Minister or any other person. If he does not have the information, he can say that he will furnish the information.

Sri A. Madan Mohan:—Sir, then the question has to be postponed as he has got to give necessary information to the House.

Mr. Speaker:—Is it so very important to know as to who has finally given the Stay, when the Minister is saying that the Government gave it?

Sri A. Madan Mohan:—Sir, a particular thing was raised in the House to-day right now about ten minutes back, wherein he was very generous enough to refer my name on that. I, we a personal explanation, but I have not shirked from the responsibility. I have not taken refuge under the escapism. I stated the realities as they are. So, when he is the Minister in the present Government and says that he does not have the information, it is better to postpone the question or he should be able to read out the answer.

Sri Y. Ramakrishnudu:—Sir, I never told that I do not have the information. I have got the information but at present I do not have with me completely and the same will be placed on the Table of the House. So, there is no need to postpone the question.

Sri A. Madan Mohan:—Sir, I am making it very clear.
Oral Answers to Questions.  
6th September, 1983.

Mr. Speaker: —I am postponing.

Sri S. Jaipal Reddy:—Sir, it is a good thing, the question has been allowed to be postponed but I am anxious to see that the question which is now postponed is not further postponed. Therefore I want to put supplementary now itself, so that the Minister can come prepared with the answer on that day. Whether it is a fact that the Municipal Corporation of Hyderabad has recently discovered 18 multi-storied constructions based on bogus permits? The permissions were not granted by the M.C. H., but the Builders of the multi-storied constructions have forged permission in their possession. Whether it is a fact that the M.C.H., has come to know about this? If so, what is the action taken thereon? Thirdly whether it is a fact that these forged permissions were signed by the erstwhile Chief City Planner Sri Janakiram after relinquishing his post in the Municipal Corporation of Hyderabad. Whether it is a fact also, that Sri Janakiram, in spite of the disclosure, continues to be in service and remains as Joint Director in the Town Planning Department?

Mr. Speaker: —O.K..

PERMISSION TO STATE GOVERNMENT EMPLOYEES TO AVAIL L.T.C. TO TRAVEL ANYWHERE IN INDIA

176—

*1950-Q.—Sri G. Muddu Krishnama Naidu (Puttur):—Will the Minister for Finance be pleased to state:

(a) whether it is a fact that the Government employees are permitted to avail L.T.C. once in two years;

(b) if so, whether there is any proposal to pay employees certain amount for L.T.C. or give them railway coupons fixing certain amount to travel anywhere in India; and

(c) if so, the date from which it will be implemented?
Oral Answers to Questions. 5th September, 1982.

(1) Dr. S. Narayana Reddy:—(1) Emergency.

(2) Is there any extraordinary situation in Amravati district?

(2) Sir (Dr.)—Yes, the Emergency Ordinance has been imposed in Amravati district.

The M.P. (Dr.)—What is the reason for imposing the Emergency Ordinance in Amravati district?

The M.P. (Dr.)—Is there any extraordinary situation in Amravati district?

The M.P. (Dr.)—Is there any extraordinary situation in Amravati district?
Mr. Speaker.—Q. No. 177 is postponed.

Distribution of surplus lands to Harijans and Girijans in
Bhadrachalam and Venkatapuram Taluqs,
Khammam Dist.

178—

*1841 Q.—Sri B. Bhupathi Rao (Palair):—Will the Minister for Revenue be pleased to state:

(a) the extent of surplus land in Bhadrachalam and Venkatapuram taluks in Khammam district;

(b) the extent of land (in acres) distributed to Harijans and Girijans by the Revenue Officials and re entrusted again to the landlords; and

(c) if so, the reasons for the same; and

(d) whether there is any proposal to enquire into such cases and restore the lands once again to Harijans and Girijans?
5th September, 1983.

Mr. Speaker :- The next two questions are postponed at the request of the Members.

(Qn. Nos. 179 & 180 were postponed).
Providing of Permanent School Buildings for Elementary Upper Primary And High Schools.

115—

775-Q. Sri G. Muddu Krishnamra Naidu:—Will the Minister for Education be pleased to state:

(a) the number of Elementary, Upper Primary and High Schools not having permanent buildings;

(b) the steps Government propose to take to provide permanent school buildings to such schools; and

(c) by which year all the schools in the State will get permanent buildings?

The Minister for Education (Sri P. Ananda Gajapathi Raju) :-

(a) The No. of Elementary Upper Primary and High School not having permanent buildings (pucca and partly pucca) as per IVth All India Educational Survey is as follows:

(i) Primary 18,895
(ii) Upper Primary 665
(iii) High Schools 335

(b) A provision of Rs. 810 lakhs has been made in the annual plan budget for the Department of School Education during 1983-84 for construction of buildings for Primary and Upper Primary schools. Further, a sum of Rs. 200 lakhs has also been provided in the current year's plan budget for the purpose of construction of buildings for secondary schools in the state.

(c) The year by which schools in the State will get permanent buildings will depend upon the availability of funds in future years.
Oral Answers to Questions, 5th September, 1983

Sri S. Jaipal Reddy (Kalwakurthi):—The number of school buildings to be constructed in respect of Elementary Schools as mentioned by the Minister is 8,000 and odd which appears to be rather unbelievably low. I do not know according to which survey, the Minister arrived at this figure. Secondly, what is the number of Elementary and Upper Primary and High Schools not having permanent buildings? Will the Minister please read out once again?

Sri P. Ananda Gajapathi Raju:—In my answer I have given the details. Anyway, I shall read out - Primary-18,895; Upper Primary-665 and High Schools - 335.

Sri S. Jaipal Reddy.—18,000 and odd is the number for Primary and it may be 20,000 class rooms.

Sri P. Ananda Gajapathi Raju.—Mid-day Meals programme is a different programme altogether and separate budget provision is made for it. Regarding the construction of school buildings, as I mentioned Rs. 810 lakhs have been provided. In fact, 10% of the National Rural Employment programme also is being authorised to be constructed for school buildings.
Sri P. Ananda Gajapathi Raju:—The Commissioner, School Education has been asked to do this exercise regarding the location and construction of school buildings. In case the Hon. Member finds that in some place certain due consideration has not been shown is welcome to bring it to my notice and I will take action.

Sri P. Ananda Gajapathi Raju:—Where U.K. Aid is not available definitely we will see that other construction programmes are carried on

Sri P. Ananda Gajapathi Raju:—This programme is mainly intended to provide school buildings on an equitable basis and therefore where the villagers come forward and give a contribution of land definitely we will consider that case also.

Smt. K. Prabhavathamma:—I think the Minister has not followed my question. Both U. K. Aid and normal programme are being implemented. In some samithis, one gets 40 and one gets 20. The disparity is there. My request is either it is U.K. Aid or State, please implement equally to all Samithis.

Sri P. Ananda Gajapathi Raju:—Definitely. Our intention is to implement equally. If there are problems in this regard, we will take action.

Sri P. Ananda Gajapathi Raju:—What happens is all these programmes mainly normal provision is made by the State Government and provision is made by the U. K. Government. All these things are mixed together and it is decided to be done on an equitable basis. Therefore, it is not possible to say which part is there. It is difficult
to draw a distinction—Nevertheless if the Hon. Member feels that there are problems, he can bring it to our notice and we will take action.

Sri P. Ananda Gajapathi Raju:—The programme is universal. It is meant for the whole State and there are no divisions on lines of party at all.

Mr. Speaker:—Tell the specific programme where it is there.

Sri P. Ananda Gajapathi Raju:—This information has not come to my notice. In case the Hon. Member feels it so, he can bring for my notice we will take action.

Mr. Speaker:—Please check up.

Sri P. Ananda Gajapathi Raju:—I will check up and place it before the House.

Sri P. Ananda Gajapathi Raju:—There is a type design for the schools. It has been approved by the Commissioner, School Education and it is being done according to that design.

Short Notice Questions and Answers

Collection Of High Amount Of Fee For B.A., B.Com., by Open University.

80-A1

(a) whether the A.P. Open University is collecting Rs. 1520 as fees for B.A. and B.Com courses while as other Universities are collecting only Rs. 800 for correspondence courses; and
(b) if so, the action Government propose to take to reduce the fees?

Sri P. Ananda Gajapathi Raju:—(a) The Andhra Pradesh Open University is collecting Rs.1510/- for B.A. & B.Com courses for 3 years towards tuition fee, course material, audiovisual programmes, tutorials, contact programmes and study centres for entire course, while the other Universities are collecting about Rs.925 for their correspondence course instructions, which are generally in the form of cyclostyled material.

(b) There is no proposal to reduce the fee.

Sri P. Ananda Gajapathi Raju:— There is qualitative difference between the courses offered by the Open University and correspondence courses in the sense, in a correspondence course they just cyclostyle some material and send it to various people. But in the Open University they have study centres, Audio-Visual equipment, printing material, there is some kind of indirect coaching also. For all these things, naturally the cost will be higher which is Rs.1,510 for all three years.

Why don't the Government consider giving some concession to them?

Sri P. Ananda Gajapathi Raju:— In other institutions, there is a concession for S.Cs, S.Ts., and B.Cs. but in the Open University, there is no such concession because it is available to all those who do not get into the formal stream of education, they can get into the stream of education.
Sri P. Ananda Gajapathi Raju:- Regarding permanent appointments in the Open University, a separate question in this regard could be put. Nevertheless, I would like to mention that in the year 1982-83, Rs. 15 lakhs have been sanctioned to the Open University and Rs. 10 lakhs on other grants has been sanctioned to meet the requirement of purchase of material etc.

Sri S. Jaipal Reddy:- If the Minister is not in a position to answer the question in regard to permanent appointments, I can appreciate. Whether the Minister appreciates that the funds provided to Open University are awfully inadequate and as a consequence, the very purpose of establishment of the University is getting defeated? How can a new University function effectively with only Rs. 25 lakhs?

Sri P. Ananda Gajapathi Raju:- The concept of Open University must be understood in this regard. It is not like any Conventional University where teachers are appointed and there are class rooms and all that. It is mainly in the nature of providing lessons through correspondence, study centres, therefore, feel that the money which has been allocated is quite adequate.

Sri S. Jaipal Reddy :— Whether the initial study report made to the Government on the Open University had recommended larger amount or not? When the initial study report itself envisages higher provision, how can the present Government consider this low provision to be adequate?

Sri P. Ananda Gajapathi Raju:—The report did mention certain provision and all that. But all this has to be done, subject to the availability of funds. Therefore, the purpose should not be defeated and that is why these monies were granted.

Sri S. Jaipal Reddy:— I am sure our young, enlightened Minister would appreciate the self-contradictory character of his two replies. Firstly, he said the provision made was adequate, Secondly, he said the provision suggested for the University could not be made for want of funds. Will the Minister kindly appreciate that this is the first University of the kind in our country and this University should become the beacon-light in the country? Adequate funds have to be provided for this and as the Chief Minister suggested, it should be by begging, borrowing or stealing. If the Minister is not able to get it, he might tell his competent Chief Minister to beg, borrow or steal.

Sri P. Ananda Gajapathi Raju:— It is not correct to implicate the name of the Chief Minister in this regard. If the Hon. Member feels that all the monies which are asked for should be provided, he must remember there are financial constraints, unfortunately... within the realm. We will try to see that the purpose for which it is made, is successful.
Sri P. Ananda Gajapathi Raju:—Let me bring it to your notice that 814 candidates were selected for the Open University out of 890 candidates who registered. Those who want to register and those who want to take advantage of the courses are practically being admitted into the course and therefore the Government felt that there is no necessity to make reservations in this regard.

Sri P. Ananda Gajapathi Raju:—We are not aware of the earlier Government's decision to make Open University's courses free.

Sri P. Ananda Gajapathi Raju:—What I mentioned earlier is all those candidates who applied for Open University's courses, most of them have got admission. So, there is no problem.

Mr. Speaker:—What about fees concession?

Sri P. Ananda Gajapathi Raju:—As I mentioned earlier because of the special nature of the Open University and the courses provided, the various material that is provided, it is not possible to reduce the cost.
Sri P. Ananda Gajapathi Raju:—I am not aware of the commitment given by the earlier Government. We will find out in this regard and examine the possibility.

Sri K. P. Reddiah:—It is an important and delicate matter. Even according to their non-official gazette of Telugu Desam i.e., Enadu, in the month of December 1982 the Honorable Chief Minister has pronounced that whatever facilities that the present Government is extending it will be doubled to Harijans and weaker section. It is a fact. They can verify it, you spell out your clear-cut programme. You have removed residential schools and facilities extended by other Governments. You declare that, it is our policy, and go ahead.

Sri P. Ananda Gajapathi Raju:—It is wrong to implicate any newspaper and say that it is a gazette of the party. Secondly, if there was a commitment made by the previous Government that they would give concession to S.Cs and S.Ts in the open University courses, we will examine. It is now brought to our notice and we will definitely examine.

**BUSINESS OF THE HOUSE**

POINT OF INFORMATION

re: A. P. Carbides.
Point of Information: 5th September, 1983.

re: A.P. Carbides.

We will go through the same. Let it be placed on the Table of the House.

Sri. Ananda Gajapathi Raju:—Sir, very shortly, it will be placed on the Table of the House, i.e., before the end of this Session.

Sri. Jaipal Reddy:—Sir, the question of A.P. Carbides has two different aspects. Now, the point at issue in the High Court is whether the previous Government was justified in ordering disconnection. The questions we put to the earlier Government in the last House was, whether the then Government was justified in giving reconnection at all and whether the then Government was justified in fixing the low rate.

Mr. Speaker:—All the issues are inter-connected.

Sri S. Jaipal Reddy:—Sir, they are not inter-connected. I would like you to appreciate my point, i.e. whether the then Government was justified in waiving the arrears.

Sri M. Kishan Rao:—Sir, there is a Point of Order. The point he has referred to the Law Department about was the issue figuring right in the writ petition in the High Court.

Sri S. Jaipal Reddy:—Sir, the Law Department is there to guide the Minister, but he is not there to guide me. I am guided by my own wisdom. The point he has referred to the Law Department about was the issue figuring right in the High Court.

Mr. Speaker:—When the Minister feels that it is sub judice you should not raise.

Sri M. Venkaiah Naidu:—Sir, if the Minister feels that what he says is correct, should we keep quite? The Member has got every right to go into the details and come to a conclusion. We are trying to say that it is very important matter.
Mr. Speaker:—The matter is pending before the High Court.

Sri M. Venkaiah Naidu:—Sir, we are trying to convince the Hon. speaker. We are trying to say that this is a separate matter. We are trying to convince the house and the Speaker. Let our matter be heard.

Sri S. Jaipal Reddy:—Sir, Let me be heard. Before that, I would like to make my suggestion that the Chief Minister should also listen this aspect very carefully. As I mentioned earlier, the question is of two aspects. One aspect which is now under sub-judice of the High Court through a writ petition, is whether the present Government was justified in ordering a disconnection? Let that take its own course but we had, as the Members of the last House and as members of the Opposition benches, then put different questions to the then Government. At that time we demanded judicial enquiry or the enquiry of the House Committee. The questions Put before the Government at that time was: (a) whether the Government, i.e., the then Government was justified in fixing the low rate? - (b) whether the same policy had been pursued by the then Government consistently and uniformly with regard to all the power intensive or power based industries? (c) whether the then Government was justified in ordering reconnection? and fourthly whether the then Government was justified in waiving arrears? These are the vital questions. These are the very important questions that what are figuring in the Write Petition in the High Court to-day. Those questions are not under the sub-judice of the High Court at all. We wanted a judicial enquiry by any high powered and impartial enquiry into these questions. As I mentioned to you earlier, Mr. Rajasekhara Reddy was then an accused and has now turned out to be an accuser. Now since his petition is pending in the Court, our charges against the then Government are not pending in the High Court. They are pending with you. Does this Government have a moral courage to go into the question or not? the Honble Minister has to address himself. This question was never referred to the Law Department. This question was not being answered by Minister and on all these questions, the Minister also is maintaining studied silence.

There is dispute between the A.P. Carbides and the Electricity Board regarding the rate. Saying this the Minister has also gone on records. We are contending the same; It is not dispute between the A. P. Carbides and the Electricity Department. We say that it is a dispute between the Government and the A. P. Carbides Government comes into the picture when the case of public money is involved. The Electricity Board has recommended to the Government not to give any concession but still the then Government have decided to give some concession to the particular firm, for the reasons best known to them. So, we were demanding at that time and even now, to know as to what are the circumstances that forced the then Government to give such preference to this particular unite? Why they have not given the same concession to other unites existing at that time also. Why they...

have not disconnected in time the connection to the A. P. Carbides? Under what provisions of the Act, the Government had power to waive these arrears? Why should the Government object for it? I cannot understand that.

Sri S. Jaipal Reddy: Sir, in that case, let the Government order for Judicial Enquiry. Mr. Rajasekhara Reddy had himself asked for it and he should not hesitate to order it.

Sri A. Madan Mohan:—Sir, since this pertains to the Hon'ble Member belonging to my party, have made it clear on more than one occasion, in the interest of Justice and fair play and with purely an objective approach or impressionable approach that we suggested a judicial enquiry and that would be better. I have also explained as to why the House Committee should not be constituted because either way it is likely to be misunderstood. It is better in the interest of the Treasury Benches and opposition and also in the interest of Justice and fair play that judicial probe may be ordered.

M. S. That will be loaded with Telugu Desam People. This particular issue is concerning a member of this House, who happens to be, at this present juncture, a provincial Head of the State Party. re: Eviction of Houses belonging to Harijans and Weaker sections in Naubat Pahad (Kalapahad), Hyderabad.

To defeat the Court Judgement they have invented a new method. Now, they have declared it as a slum area.

Mr. Speaker:—You can't compel the Minister to take a decision.

Sri S. Jaipal Reddy:—Through our pleas we want to impel the Minister to give a right answer. We don't want to compel.

I am saying that they will not be disturbed at any time.

Mr. Speaker.—That is the end of the matter.

BUSINESS OF THE HOUSE

Though Postponement is not to our liking but atleast by tomorrow you can inform.
Calling Attention to Matters of 5th September, 1983.

Urgent Public Importance:

re: Appointment of P.G. Students

as Junior Lecturers through

Director of Higher Education.

Calling Attention to Matters

re: Appointments of P.G. Students as Junior Lecturers through

Director of Higher Education.

Sri P. Anand Gajapathi Raju—Government in G. O. Ms.No.652 Education dated 26 6. 76 have brought the posts of Junior Lecturers in Government Junior/Degree Colleges within the purview of Andhra Pradesh Public Service Commission, Hyderabad with effect from 26. 6. 76. The Public Service Commission had conducted limited recruitments confined to S C/S.Ts and one General recruitment in the year 1980 and 81 and 82 respectively. Again Public Service Commissioner notified the vacancies on 23.4.83 for General recruitment for the second time. After obtaining application from qualified candidates the Public Service Commission are now conducting the written Test for the selection of candidates from 31-8-83.

2. Since the Public Service Commission could not select and furnish the list of selected candidates for filling up the vacancies of junior lecturers that arose after 26-6-76. in Govt. junior/Degree Colleges, temporary appointments were made by the Director of Higher Education.

drawing the candidates (Post Graduate Degree Holders) through Regional Employment Exchange, Ramkote in all the subjects up to 5-3-82 in order to meet the heavy pressure from the students to post junior Lecturers and to avoid the dislocation of instructional work, informing the candidates that the posts are under the purview of Public Service Commission and they will be replaced as and when the Public Service Commission furnish the list of selected candidates.

3. There has been a proposal with the Government to hold a special qualifying test for the junior Lecturers recruited by the Director of Higher Education calling for names from the Regional Employment Officer, Ramkote till 5-3-1982. The matter is under consideration, when once a decision is taken in this regard it is likely that most of the junior Lecturers recruited till that date through the Regional Employment Officer, Ramkote may get regularly absorbed as junior Lecturers in Junior Colleges.

4. In the above circumstances, it is not desirable and practica­ble to adopt the old system of appointment by drawing the candidates from the Regional Employment Officer, Ramkote instead of following the present system of recruitment of candidates to the posts of Junior Lecturers through the Andhra pradesh Public Service Commission.

Calling Attention to Matters of Urgent Public Importance:

re: Obtaining the valuable manuscripts etc., from the State Archives of Tamilnadu.

Sri P. Anand Gaajapath raju—The valuable palm leaf manuscripts are not available in the Tamilnadu archives, but they are available in the Saraswathi mahal Libray, Tanjore.
2. The State Archives, Andhra Pradesh, Hyderabad had already microfilmed 697 palm leaf and paper manuscripts available in Saraswathi mahal library, Tanjore and they were brought to the Andhra Pradesh State archives, Hyderabad in 1969-70 and they were transferred to the Director, Oriental Manuscript Library and Research Institute' Hyderabad for their use and preservation.

3. The Director, Oriental Manuscripts Library and Research Institute is taking further action with regard to the acquisition of remaining manuscripts if any available at Saraswathi Mahal Library, Tanjore.

4. According to the decision taken at the Inter-State Conference of Officers of Andhra Pradesh and Tamil Nadu held in 1961 at Madras and also according to the Memorandum of Tamil Nadu Government Dated 10-10-1953, all the records from 1920-53 exclusively relating to Andhra Districts now part of Andhra Pradesh and also typed copies of record of common interest were transferred to the Andhra Pradesh State Archives.

5. The Chief Minister of Andhra Pradesh requested the Chief Minister of Tamil Nadu in this D.O. letter Dated 19-4-1983, to transfer the famous mackenzie records, and material in archives museums under the control of Government of Tamil Nadu, Saraswathi Nilayam in Tanjore and various other collections. No reply has been received from the Government of Tamil Nadu in this regard. The matter is under correspondence.

6. An Assistant Director, Office of the Commissioner of State archives is being deputed for the purpose to finalise the issue.
Calling Attention to Matters of Urgent Public Importance:

re: Obtaining the valuable manuscripts etc., from the State Archives of Tamilnadu.

Sri P. Ananda Gajapathi Raju:—Regarding 1982 request of the Government to get the manuscripts from the Tamilnadu Archives, that information is not available with us. But our hon'ble Chief Minister had addressed a D.O. letter to the Chief Minister of Tamilnadu on 19-4-83 to transfer the famous Mackenzie records and other material in Archives. The matter is being pursued. An Assistant Director, Office of the Commissioner of State Archives is being deputed to finalise the matter.

Sri P. Anand Gajapathi Raju:—The letter addressed in 1982 is not available in the records.
Sri P. Anand Gajapathi Raju:—It is not correct to say that the State Government is not taking any interest in the matter. Way back 1961 there was an inter-State conference held in which the officers of Andhra Pradesh and Tamilnadu participated and in that conference all these matters should have been raised then and there, but it was not raised. Fortunately our Chief Minister addressed a letter to the Chief Minister of Tamilnadu and also raised the matter. Definitely action will be taken to see that these Archives material is received.

Annual Financial Statement (Budget) for 1983-84: Demands for Grants.
Demands for Grants.

The Panchayati elections like other elections in the recent past have demonstrated once again that there can be no sanctity in Bihar as long as politicians continue with all castes and gangsterism that is a significant point and this was the frank confession in the Assembly, the other day by Minister for Agriculture Mr. Kapil Dev Singh. He patronised and would continue to patronise gangsterism and criminals to fight and win the elections as long as long the existing system of fighting is not changed. Speaking in the Assembly, Mr. Singh declared 'It is well known that each one of us irrespective of all party affiliation, who is serious about fighting elections, patronise antisocial elements and enlist their support. It is another matter that we do not admit this.

The involvement of such people in political activities brings in its way antisocial elements who exploit their proximity to politicians to gain protection from possible police action under the law. The relationship between unscrupulous elements and politicians will particularly affect the enforcement of social and economic enactment such as those against prostitution, gambling, smuggling, black-marketing, hoarding, adulteration, prohibition etc. Whenever they involve politically influenced persons, the arrests and prosecution in a Court will attract political attention. This also results in some kind of plea being established between elected representatives and the station house officers, in the day to day affairs of police stations, in which the local dadas frequently get involved. The link facilitate the practice of corruption and other malpractices of the police and politicians acting in pollution with each other.

Among all such factors, the most important one in our view is—anxiety of the political executive in the State Government is to keep the record of crime figures low, so as to claim before the State Legislature, Public and the Press that crime is well controlled and even is going down as a result of efficient police administration under their charge. The Chief of police and other
senior police officers also finding it easy and convenient to the line of
the Government in developing such a statistical approach for assessing
such a crime situation and evaluating the police performance. As a
consequence, the attitude permits the entire hierarchy down the line
and is reflected at the police station in their reluctance and their refusal
to register the case, as and when the crimes are brought to the notice.

The Units and proposals will be submitted to the Government for administrative sanction. In the meantime sanction for a sum of Rs. 42.40 lakhs for the purchase of 33 jeeps have been received for 1983-84.

It is said "Have been received for 1983-84 under modernisation scheme from the State Government" 338. It is not in the proper form.

Sri A. Madan Mohan:—Sir, under the Demands put forth by the Chief Minister in his capacity as the Home Minister, as pointed out by the Hon'ble Member it is mentioned "that the sanction of the Government is awaited". This is certainly an alarming situation. Well, I am unable to understand as to who is the Government. So for as the concept of the Government is, naturally, the Ministers and the Chief Minister and the Chief Minister as head of the State, has presented the Demand. For him to say "that it requires sanction of the Government"—has to be explained to the House. So I request the Chief Minister, through you as to what he means by Government?

Mr. Speaker:—What is the impropriety in it?

Sri A. Madan Mohan:—Sir, I am not questioning the impropriety but that is not the correct form of putting it.

(INTERRUPTIONS) (BELL)

Mr. Speaker:—Why do you worry about their English.

Sri S. Jaipal Reddy:—Sir, the impropriety in this is:—This note has been circulated to the House by the Minister. Whether it is Minister or Chief Minister, it is the Government. The before there is no distinction between the Chief Minister and the Minister and it is better that Smt. Prasunaguru understands it. As Sri Narendra rightly pointed out, it reads like a note presented by the Department to the House. It does not read like a note presented by the Minister to the House. Under the Rules of procedure in the House, a note has to be presented to the House by the Minister. The department cannot do it straight away. That is exactly the point of Order. The point here is, this note was supplied to the Minister in the particular case to the Chief Minister by the Department. While presenting the Report, the drafting must have been suitably redrafted. It was

not done. The department cannot present the note to the House at all. This only shows that casual, mechanical and cavalier manner in which the notes are prepared and supplied to the House

Mr. Speaker:—What is wrong in it? It may be defective in the printing.

Sri N.T. Rama Rao:—Sir, I express my regrets to the House through you that it is a technical drafting mistake.

During the year 1982-83, no funds have been provided for electrification of buildings from lumpsum grants. However, four administrative buildings and 39 quarters have been ordered to be electrified during 1982-83 with a budgetted total expenditure of Rs. 51,185 and sanction for 12 administrative buildings and 330 quarters, at a total expenditure of Rs. 3,21,850-all to be electrified, for which the Government sanction is awaited.
