ORAL ANSWERS TO QUESTIONS

Constitution of High Level Committee on Distilleries

181—

1013 Q.—Sri Koneru Nageswara Rao (Kothagudem):—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that the Government have constituted a high level committee to go into the feasibility of establishing distilleries in the State;

(b) if so, the time by which the committee is expected to submit the report; and

(c) the number of applications pending before the Government for setting up of distilleries?

Mr. Koneru Nageswara Rao:—

(a) Whether it is a fact that the Government have constituted a high level committee to go into the feasibility of establishing distilleries in the State?

Yes.

(b) If so, the time by which the committee is expected to submit the report?

The report is expected to be submitted within six months from the date of its formation.

(c) The number of applications pending before the Government for setting up of distilleries?

There are 26 applications pending before the Government.

An asterisk before the name indicates confirmation by the Member.

Theft of idols from Temples in Rajampet etc., Taluks in Cuddapah District

184—

*1032.Q.—Smt. K. Prabhavathamma (Rajampet):—Will the Chief Minister be pleased to state:

(a) whether it is a fact that number of idols were stolen from temples in Rajampet taluk, Kodur taluk and Siddhout taluk in Cuddapah district;

(b) if so, the names of villages from which Gods idols were stolen;

(c) whether it is also a fact that a number of these idols have been recovered in Madras and Bombay;

(d) if so, the number of Idols recovered; and

(e) the action taken on the persons responsible together with their names?

Smt. K. Prabhavathamma (Rajampet):—(a) It is a fact that a number of idols were stolen from temples in Rajampet taluk, Kodur taluk and Siddhout taluk in Cuddapah district.

(b) The names of villages from which Gods idols were stolen are:

- In Rajampet taluk:
  - Kothakonda
  - Kolathur
  - Annaram

- In Kodur taluk:
  - Kolapet
  - Kodur

- In Siddhout taluk:
  - Siddhout

(c) A number of these idols have been recovered in Madras and Bombay.

(d) The number of idols recovered is:

- Madras: 100
- Bombay: 50

(e) Action taken on the persons responsible:

- In Madras:
  - 2 persons arrested

- In Bombay:
  - 1 person arrested

In response to the question of Smt. K. Prabhavathamma, the Chief Minister has provided the details of the theft of idols from temples in Cuddapah district and the actions taken.
Oral Answers to Questions. 6th September, 1983. 207

Q. 6. Mr. (Name):—Sir, the load of the primary school
employment 600 teachers in an area of 600 square
kilometers. Will you please allocate
20 teachers in each school? 3. Clean,
Yard. 

Yours faithfully,

Mr. (Name)

Q. 7. Mr. (Name):—Sir, in selecting the
teachers for the primary school
employment, it is necessary to allocate
20 teachers in each school. The
requirements of the teachers are
satisfactory. But the
employment of the teachers is
insufficient.

Yours faithfully,

Mr. (Name)

Q. 8. Mr. (Name):—Sir, the
employment of the teachers is not
satisfactory. It is necessary to
allocate
20 teachers in each school. The
requirements of the teachers are
satisfactory. But the
employment of the teachers is
insufficient.

Yours faithfully,

Mr. (Name)

Q. 9. Mr. (Name):—Sir, the
employment of the teachers is not
satisfactory. It is necessary to
allocate
20 teachers in each school. The
requirements of the teachers are
satisfactory. But the
employment of the teachers is
insufficient.

Yours faithfully,

Mr. (Name)

Oral Answers to Questions.

1. 6th September, 1983. The Minister for Agriculture and Animal Husbandry, M. R. B. A. R. N. S. next said that the agriculture and animal husbandry department had taken several steps to improve the productivity of crops. He further added that the department had also organised several training programmes for farmers to enhance their knowledge and skills. The department was also working towards the development of new varieties of crops and the improvement of existing ones. The minister also highlighted the importance of proper irrigation and the use of fertilizers in increasing crop yields.

2. 6th September, 1983. The Minister for Science and Technology, M. R. B. A. R. N. S. next said that the government had invested significantly in the development of new technologies and innovations. He further added that the recent advancements in the field of biotechnology and renewable energy were particularly promising. The minister also highlighted the importance of education and training in promoting a skilled workforce to drive these developments.

3. 6th September, 1983. The Minister for Education, M. R. B. A. R. N. S. next said that the government was committed to improving the quality of education at all levels. He further added that the recent reforms in the education system were designed to ensure that every student had access to a quality education. The minister also highlighted the importance of teacher training and the need for continuous professional development for educators.

4. 6th September, 1983. The Minister for Health and Family Welfare, M. R. B. A. R. N. S. next said that the government was working towards improving health outcomes and reducing health inequalities. He further added that the recent initiatives in the field of primary healthcare were particularly promising. The minister also highlighted the importance of promoting healthy lifestyles and the need for a multidisciplinary approach to address health challenges.

5. 6th September, 1983. The Minister for Environment and Forests, M. R. B. A. R. N. S. next said that the government was committed to protecting the environment and preserving natural resources. He further added that the recent measures to combat climate change and promotes sustainable development were particularly significant. The minister also highlighted the importance of public awareness and engagement in promoting a sustainable future.

Oral Answers to Questions. 6th September, 1983, 217

Sr. R. Satyanarayana (Madugula):—Will the Minister for Social Welfare be pleased to state:

(a) whether it is a fact that there are several allegations against Sri Safhi Retired D. D. of Social Welfare, Visakhapatnam district; and

(b) if so, the action taken thereon?

Allegations against Retired D. D. of Social Welfare,
Vizag District

189—

*1800-Q.—Sri R. Satyanarayana (Madugula):—Will the Minister for Social Welfare be pleased to state:

(a) whether it is a fact that there are several allegations against Sri Safhi Retired D. D. of Social Welfare, Visakhapatnam district; and

(b) if so, the action taken thereon?

C. V. Sridhara Prasad (Visakhapatnam):—
Allegations against Retired D. D. of Social Welfare,
Vizag District

189—

1800-Q.—Sri R. Satyanarayana (Madugula):—Will the Minister for Social Welfare be pleased to state:

(a) whether it is a fact that there are several allegations against Sri Safhi Retired D. D. of Social Welfare, Visakhapatnam district; and

(b) if so, the action taken thereon?

190—

* 910-Q—Sri S. Jaipal Reddy (Kalwakurthi):—Will the Minister for Social Welfare be pleased to state:

(a) whether it is a fact that house-sites of 329 beneficiaries in Peddaparimi Village, Mangalagiri taluk, Guntur District were trespassed upon and their structures pulled down on 14-4-1983;

(b) whether it is also a fact that instead of taking action against tress-passers action is being taken to cancel assignment of 109 beneficiaries;

(c) whether it is also a fact that village officers have been placed under suspension for depositing evidence in favour of beneficiaries; and

(d) if so, the reasons therefor?

Respassing of House sites of certain beneficaries in Peddaparimi Village, Guntur District
are you proceeding against the beneficiaries or against the tress passers.

Sn A. Madan Mohan:—Hon' Member has no authority or right to directly speak with other Members. If necessary, you have to give some training to them.

Mr. Speaker:—You should not speak directly to the Member.
Even if somebody is misleading the House, he can only give his suggestion so that the House may discuss it. But he himself cannot be asked to take action.

Sri M. Venkaiah Naidu:—If they have illegally occupied the land or if the pattas are given wrongly, any action can be taken.
Oral Answers to Questions. 6th September, 1983.

(6.05 am) Mr. Speaker:—Who is the land owner? Who is the land owner?

Mr. Speaker:—What is that we are discussing here?

Mr. Speaker:—What is that we are discussing here?
Mr. Speaker:—What is your question?

You conduct an enquiry. Why should any body take any objection to this? And this is the Government. The Government has given possession to weaker sections. In such a case the weaker sections may not have objected. But if any body finds it necessary to conduct an enquiry, why should any body take any objection to this? You conduct an enquiry. Why should any body take any objection to this? And this is the Government. The Government has given possession to weaker sections.

The court might have given anticipatory bail. Even in murder cases bail is given. No charge-sheet is filled here. Why it so? The question may be postponed. What happened to the charge-sheet? This lady Minister is trying to defend the trespassers. This Government is guilty of ignoring the entire thing.
Oral Answers to Questions. 6th September, 1983. 223

Mr. Speaker:— How can you say?

Sri M. Venkaiah Naidu:— The only alternative left to the House is to postpone the question. This is a relevant question. The Minister is not having the information readily.

Sri A. Madan Mohan:— May I remind this House and to you that whenever I rise I should be given reference. I need not say that. It is not as Madan Mohan but it is in my capacity as the leader of the opposition. Basically it concerns us. There are patta granted during our Government. We will try to see that the weaker sections are amply protected. I don't know what is the concept of the gentleman about weaker sections. My conception is, irrespective of caste, creed, community, race or religion. Some of them who have come initially without understanding the political science in its scientific relevance will only say that. They have no answer. My concept of weaker sections, it has been my consistent concept and it relates to such of those who are vulnerable in the society constitute weaker sections. First of all you and I as lawyers have not been able to appreciate one fact. The beneficiaries when once they are put in possession and when they have occupied in 81 how is it that the High Court has granted stay and what is the effect of the stay. The second aspect of is, some of the beneficiaries have been evicted and there was a trespass by landlords. It is admitted by the Minister. This involves not only about the protection of weaker sections but also law and order problem. It is some thing surprising that charge-sheet has not been filed even after F.I.R. was issued five months back. It smacks favouratism to landlords whoever there. I think this question should be postponed since it involves law and orders. I request the Chief Minister through you to see that he answers this question.

Mr. Speaker:— For what information it should be postponed

Sri M. Venkaiah Naidu:— To register a case and enquire it took five months.

Sri A. Madan Mohan:— The information is not sufficient. She said she has no information as to whether the charge-sheet is filed or not. She does not know the present stage of action. So, left it post-
poned and left it be answered by the Chief Minister because he will have all the information and he will be able to answer better.

Sri S Jaipal Reddy — I am prepared to throw a challenge.

Mr. Speaker — You want to know whether the charge-sheet is filed or not. So, I am postponing it as required by the Member for further information.

L. A. Q. Postponed from 26-8-1983.

Non-completion of Vengalaraya Sagar Canal Work

107—

*414-(P) Q.—Sarvasri Indrasena Reddy and C. Janga Reddy (Shyampet) — Will the Minister for Works be pleased to state :

(a) whether it is a fact that the Vengalaraya Sagar (Khammam) which was completed 3 years ago is not of any use to the crops as the work of the canals could not be completed; and

(b) if so, the reasons therefor; and the steps proposed to be taken by the Government in this matter?

108 —

R. S. Reddy — I am prepared to throw a challenge.
L.A.Q. Postponed from 29-8-1983

Income and Expenditure of Jagannadha Swamy Temple, Tekkali Raghunathapuram

123—

*417-(I) Q.—Sri A. Janardhana Rao :—Will the Chief Minister be pleased to state :

(a) whether it is a fact that (1) Sri Jagannadha Swamy temple and (2) Sri Gopala Swamy Temple at Tekkali Raghunathapuram in Tekkali Constituency, are having 360 acres of land ;

(b) the income being derived from those lands ;

(c) whether the Government know about the income and expenditure ;

(d) whether any committee is constituted and the names of the members ;

(e) whether the members are discharging their functions ;

(f) the number of "parichatkakas" ;

(g) the daily income of the temples ; and

(h) the steps to be taken to administer the temples' property ?

Matters under Rule 329: Murder of Sri U. Srinivas, Student of Nandigama College, Krishna District.

6th September, 1983.

Sri M. Venkaiah Naidu:—We have certain ideas...
Chief Minister also we are not shirking our responsibility. In this particular case, can't they identify and book them? If at all the police wants, within an hour they can trace them.

Mr. Speaker:—Law is there. It will take its own course. The machinery is there.

Sri N. Venkaiah Naidu:—The C.I. and S. P. who are there they have not taken adequate action to book these people. Because the Chief Minister said that no one is arrested and they went underground. The matter has come before the House. There is criticism because the murder is taking place in day-light, and we are very much agitated. I am not going into the politics and I am not here to accuse a particular organisation or party in this regard.

Sri N. T. Rama Rao:—Sir, the Government shall not leave it. They shall be arrested.

re: Death of Smt. Rayala Sarojini, Staff Nurse, Government General Hospital, Kurnool.
re: Death of Smt. Rayala Sarojini,
Staff Nurse, Government General Hospital, Kurnool.

staff nurse died of mysterious causes on September 10th, 1983. She was posted in the Government General Hospital, Kurnool.

She was born on 1972, in Kurnool district. She joined the Government General Hospital in 1976. She was posted in the Pulmonology Department since 1978.

On September 28th, she was admitted to the hospital with symptoms of fever and weakness. She died on the same day.

The post-mortem examination revealed no abnormal findings. Further investigations are underway to determine the cause of death.
Mr. Speaker:—There is an announcement. Sri N. Omkar has given notice of breach of privilege motion:

Sri S. Jaipal Reddy:—Sir, I tabled a notice under rule 329 about the arrest of Sri Gouthu Latchanna.

Mr. Speaker:—To-morrow.
Matters under Rule 329: 6th September, 1983:
re: Arrest of Sri Gouthu Latchanna
—Excise Policy.

Mr. Speaker—Admission, it is at my discretion.

Sri S. Jaipal Reddy—Mr. Latchanna was arrested and we have given notice to the Chief Minister and that is in respect of the Excise Policy. Excise auctions are in progress.

Mr. Speaker:—I have received the notice and it is under consideration.

Sri M. Venkaiah Naidu:—The right to admit, we are not questioning the rule. The notice was given by the Member of Parliament. The rule is with the permission of the Speaker, it can be answered in the House.

Mr. Speaker:—I am only saying where is the time for me to consider.

Sri S. Jaipal Reddy:—I am only trying to explain the special circumstances under which this particular notice must be taken up for consideration urgently.

Mr. Speaker:—I will consider.

Sri S. Jaipal Reddy:—Sir, the Minister for Excise was in the House. He can be asked to come before the House because the excise auctions are in progress. A senior leader like Sri G. Latchanna courted arrest yesterday as a protest against the Excise policy. There is a need...
6th September, 1983.

Matters under Rule 329:
re: Arrest of Sri Gouthu Latchanna
—Excise Policy.

Mr. Speaker:—May be what can I do?

Sri S. Jaipal Reddy:—Once the auctions are completed what is the use of discussing?

Mr. Speaker:—I cannot help it.

Sri S. Jaipal Reddy:—Sir, Sri G. Latchanna served a notice, the Chief Minister for consideration. The Chief Minister must have bestowed thought on the petition. Let him give an answer.

(Interuptions)

Sri Latchanna courted arrest at Mahabubnagar and he was acquitted by the Civil Court. But he was taken into custody under Sec. 151 and produced before R. D. O. He was remanded. It is illegal.

Mr. Speaker:—No, no. I said, I will consider.

Sri S. Jaipal Reddy:—When a seniormost leader is kept under illegal custody, it is urgent. I have tabled a notice, Sir.

Sri P. Goverdhan Reddy:—Sir, we have given notice under rule 329 and many short notice questions regarding the policy matters of the Government.

Sir, I fully agree that it is at your discretion— We have given Motion under Rule 329. How can it be, Sir?

Sri M. Venkaiah Naidu:— About our 329, Sir, we only request you, Sir, to take it up. They are planning for a state wide agitation and they met the Chief Minister and the Excise Minister and gave notice also. Let the Chief Minister take note of it, Sir.

Mr. Speaker:—I told you that it was rejected

Sri M. Venkaiah Naidu:—In regard to our 329 let The Chief Minister reply, Sir.

re: Arrest of Sri G. Gouthu Latchanna
—Excise Policy.

Sri S. Jaipal Reddy:—The Chief Minister has chosen not to react at all.

As I have informed earlier, they are planning to have a State wide agitation. They met the Chief Minister and the Excise Minister. Let the Chief Minister make note of this.

Sri S. Jaipal Reddy:—If the time is lapsed, the whole purpose would be defeated.

Sri A. Madan Mohan:—We are co-operating with you in so many ways. Sometimes a situation do arise where we have to take up the issues of urgent public importance when the Hon’ble Members raise the issue. Mr. Gouthu Latchanna, whatever may be the barometer of the present Government, he was a senior, respected former Member of the House. He has served as a Leader of a National party and he is a man who has served the public and who has been in Public life for more than four decades. Naturally a person of his stature was arrested and when he was kept under illegal confinement, according to Mr. Jaipal Reddy, it is not a small matter. I can understand certainly if it is a different matter. It is not even 60 miles from here and the Chief Minister or the Excise Minister can find out and check up. I do not want the action or reaction of the Government. I want to know how does it feel about the whole episode.

Whether it is in conformity with the rules of procedure or not is a different matter. But at the same time, it is not an un-important matter. It is a matter of public importance. We should be able to provide some sort of laxity when such things were brought before the House. You will have to exercise your discretion. You can ask the Chief Minister to place the information before the House.
Mr. Speaker:— If they are having anything to say, let them say.

11:00 a.m.

Mr. S. Jaipal Reddy:— Now, the matter has been taken cognizance of; you may kindly allow us to say something on this issue.

Mr. G. Latchanna and the Association of Tappers have been representing to the Government about the progressive changes to be introduced in the Excise Policies of the Government. Apart from introducing new changes in the progressive direction, the Government have gone back on the measures they had adopted earlier and the tappers launched their agitation. The State Government has reserved 5 Municipalities for Cooperative Societies. This year, instead of extending the same provision to the number of Municipalities, it was decided to do away with these 5 Municipalities. When this was questioned in the Court of law, you know what followed. You know, last year, the State Government had decided to recognize the tappers Societies or J. F. Ts. for the period of 5 years at one stretch. The State Government has gone back on this point also. In other words, in all the villages, the tappers have to renew their licences every year.

re : Arrest of Sri Gouthu Latchanna
—Excise Policy,

regard to our knowledge and the conditions of the administration at the lower level in the Excise Department, we know how cumbersome and bothersome is the annual renewal system.

Mr. Gouthu Latchanna asked the Chief Minister at least to stick on to the earlier policy adopted by the Government in regard to 5 municipalities. He pleaded for extension of the policy to other municipalities. He also requested for grant of licences for 5 years at a stretch. Otherwise, it would result in untold hardship and misery to thousands of the tappers throughout the State. Let him refer the incident of the Mahaboobnagar, he will know the actual facts. As the Hon’ble Chief Minister pointed out, Mr. Gouthu Latchanna has not tried to prevent the auction. He went there with a determined view to stage a Satyagraha. He served the notice to the Government. He issued statements to the Press. There was nothing wrong, on the part of the Government, to take him into custody. Police may arrest him. Mr. Latchanna is prepared to court arrest. But with what authority? Whether the procedure should be adopted or not? He was not produced before the Magistrate. He was produced before the R.D.O. Under Section 151, the Police can detain any person for 24 hours and they need not produced before the R.D.O. When he was produced before the Magistrate, after looking into the charge-sheet, he was not convinced that Mr. Latchanna was succeeded in preventing the auctions. Though he was acquitted, he was not released. Under the sentence of R.D.O he was kept in custody and now he was brought to Hyderabad. Therefore, I leave the entire matter to the good sense of the Government. Mr. Latchanna questioned the relevance of the present excise policy of the Government. I am of the considered view that the Government should avoid the public impression that the tappers are discriminated again by the present Government. Does the Government take necessary steps to avoid such impression among the thousands of the tappers of our State?

Sri A. Madan Mohan:—You will please recall that when a short Notice question came before this House, a couple of days back, the Hon’ble Excise Minister promised to place before the House the information in regard to complaints and functioning of these Societies in the 5 Municipalities. He did not place it before the House. They are just trying to undo what is done by previous Government. We are not here on a flash prestige. It is a matter of concern to all of us that the tappers who are in tens and thousands, as has been pointed, are being affected. It is only my charge and let them refute. With the present policy of the Government, it seems, it is going to encourage the monopoly system and the vested interests of certain sections. Although
they may speak and try to shout that they are for weaker sections, the
reverse is the policy. What all done by the earlier Government, they
are being undone by this Government. This is my charge against this
present Government and its policies. First of all, what warranted them
to revoke the earlier orders?

First of all, this was introduced in 5 Municipalities by the
earlier Government. If this system is functioning well, why should
there be a reversal of the policy? With the reversal of the policy,
it is not going to do any good. Even now, it is not too late and the
Excise Minister or the Chief Minister can review the whole issue and
reconsider the policy and can try to get back the system to the
Cooperative Societies in those 5 Municipalities. It should also extend
to other Municipalities and Districts. It is really a matter of concern
that Mr. Gouthu Latchanna, a gentleman of a particular political
stature was dealt with in a particular fashion, in this incident. It is
not a matter of concern that he was going to be arrested or jailed.
Most of his precious life was spent in jail for the people. Let the
Hon'ble Chief Minister consider the whole issue and take a wise
decision.

Matter Under Rule 329:

re: Arrest of Sri Gouthu Latchanna
—Excise Policy.

...
re: Arrest of Sri Gouthu Latchanna — Excise Policy

Sri A. Madan Mohan :—Sir, Court is not a substitute to the Government. It has to function and perform different functions. They cannot take refuge under the technicalities of the Court why should
they lead towards the Court? I do not understand this. I can understand a person or individual who does not find justice at the hands of the Government, going to the Court. Here, is the Government so helpless? Is the Government so incapable to deliver its goods?

Sri T. Jeevan Reddy:—It is not like that. The Government is capable and there is no question of not doing.

Sri M. Venkiah Naidu:—Sir, we are not talking about release of Mr. Latchanna. We have only objected the way in which the arrest was dealt with. That is all. We want to go on record that we are only worried about the issue.
BUSINESS OF THE HOUSE

Mr. Speaker:—He sent a letter to me that he is not feeling well. He is not coming.

Sri S. Jaipal Reddy:—Sir, I hope the issue has not thrown him into illness!

Mr. Speaker:—Where is he? Sir, he is not to be seen.
Mr. Speaker:—You are wasting the valuable time of the House. You please resume your seat. That is not the way.

Mr. Speaker:—The Minister has already taken note of it and would take action.

Sri M. Venkaiah Naidu:—Sir, let the Minister say that he has taken note of it and would take action.

Mr. Speaker:—Mr. M. Omkar has given notice of a Breach of Privilege motion on 4th April 1983 alleging that the Finance Minister has deliberately and wantonly given a wrong informa-
tion and mislead the House by furnishing the wrong information in the White Paper presented to the House on 23rd March, 1983. I have referred the matter to the Finance Minister and he has sent a detailed letter which I have received on 11-8-1983. The Finance Minister in his detailed letter has informed that as alleged by the Hon­ble Member, there was inaccuracies in the White Paper and conceded that L.C.Q.No. 15 E was answered on 20th September, 1978 whereas LAQ. No. 1249 (Starred) was answered on 30th June, 1978. He also opined that no Resolution was passed in October 1978 in-as-much as the Assembly did not meet in October 1978 and also conceded that the enhancement of retirement age limit is one of the terms of reference to the pay Revision Commissioner. The Government regrets for inaccuracies and it was due to wrong information given by the staff incharge of the subject. The Minister had also informed in his letter that the statement though incorrect factually, was not intended to mislead the House wantonly as stated in the privilege motion. He further mentioned that he had absolutely no intention either to give deliberately or wantonly wrong information or to mislead the House and informed that action is being taken against the staff for giving incorrect information.

A Breach of privilege occurs only when a Minister deliberately and intentionally misleads the House and in this case, it is clear from his letter that the Finance Minister has no intention to mislead the House nor did he conceal any information either wilfully or deliberately and thus did not commit any Breach of Privilege of the House.

I therefore, hold that there is no Breach of Privilege and hence I close the matter.

Mr. Speaker:—It is the staff who has given the wrong information.

Sri M.Venkaiah Naidu:—No Sir, it is the Minister who has to take the responsibility. It is the Minister who has to own the responsibility. He cannot simply say that it is because of somebody's giving wrong information. He must express the regrets to the House.
Calling Attention Matters:

re: Using of Government Emblems on Invitations by the Circle Inspector of Police, Tannaku Circle, West Godavari District.

This is not the first time that the Finance Minister is committing the mistake, whether factually or technically. Last time also I have given a Privilege Motion. Calling Attention Matters

re: Using of Government Emblems on Invitations

By the Circle Inspector of Police, West Godavari District

Sri A. Madan Mohan:—Sir, it is not that simple as it has been made here in this House by the Chief Minister. I am not here to say that the Chief Minister has prepared this version and has read out. Certainly he must have been fed and as we have been observing that only he reads whatever has been supplied to him I would rather request the Chief Minister to exercise his own discretion rather than just making a repetition of what has been said to him by the officials. Certainly when such an objectionable aspect has been raised...
Calling Attention Matters:

6th September, 1983.

Calling Attention Matters:

re: Using of Government Emblems
on Invitations by the Circle Inspector of Police, Tanuku
Circle, West Godavari District.

in the House, he invariably has to depend upon the police Department before really exercising his own discretion. To that extent nobody finds objection. Now that the matter has been reported back to him, he should be able to call the senior officers or depute some senior officials to find out the actual position. Not only that, he should be able to find out through other pipe-lines, namely, from the concerned persons or from other sources of independent non-official as to actually what had happened. This Circle Inspector as has been described as a very innocent or good or efficient man with public relationship, according to the information—it is a different matter. He wilfully and deliberately chose in the pretext of calling for a social get-together to convene this meeting and that too in the premises of the Telugu Desam Party. That is exactly what I am saying. What makes the whole story suspicious is a Police official on the 15th August Day, in the pretext of calling for a social get-together, in a sort of establishing good public relationship between the Police Department and the people at large has convened a meeting in the premises and premises of Telugu Desam Party Office, which is a political office. So this certainly speaks of some prejudicial interest of the Police Officer rather than what is trying to be painted here before this House. So, he has not only done that but also misused and abused the Government emblem. Sir, it is very highly objectionable. I do not know how the Chief Minister has tolerated even to this extent. If I were to be Government and if my Government were in existence, I should not have tolerated for a second—making abuse of the Government emblem by an officer, I mean, by a Subordinate officer, that too with a rank of a Circle Inspector.

I am not trying to denigrate him because he has certain status. I salute even the constable on the way. Certainly, as an individual he commands respect in the society. But what I am saying is, considering the duties that he has to discharge that of Circle Inspector of Police, he has no business whatsoever to make use or abuse the government emblem. And naturally, any government of the day should take cognizance of this and should take serious note of this. In fact, the Chief Minister should have been thankful and grateful to me and my party for having brought this to his notice and he should have taken immediate action. Instead, what he is saying is that he has instructed the necessary officers to go and enquire and issue instructions not to use henceforth. This will not meet the ends of justice. He should take serious note. If he has any love and affection, will it be at personal level and he can certainly show him further avenues where
256  6th September, 1983.  Calling Attention Matters:

re: Construction of bridge on the Mahendrathanaya river in Pathapatnam taluk, Srikakulam district.

he can socially and economically thrive. But Police department is not the place where he has to pat at the back. It is a very sensitive department. In the matter of discipline, the army is the first and then police. He should not behave with laxity. He should be able to take severe action against him and I expect the Chief Minister to make an announcement in the House that he is going to take strict action against the erring officer.

re: Construction of bridge on the Mahendrathanaya river in Pathapatnam taluk, Srikakulam district.
PAPERS LAID ON THE TABLE

It is an important report which was agitating the minds of the people of the State as well as the House. Basically, we asked for judicial enquiry. But the then Government for reasons best known to them appointed an IAS Officer. I do not know how the Chief Minister accepted these recommendations and communicated action,

Demand for Grants.

Speculations on the expenditure of the current year, 1983-84, indicate that a budget of Rs. 267 million is likely to be approved. This budget is expected to cover the financial needs of the government for the year.

The budget includes provisions for various sectors, including education, health, and infrastructure. The government aims to increase the budget allocation for education to improve access to quality education for all children. Similarly, the health sector will receive a significant increase in funding to address the growing healthcare needs of the population.

In addition to these, the budget also includes measures to stimulate economic growth and create employment opportunities. The government plans to allocate funds for infrastructure development projects, which will contribute to job creation and economic development.

The budget is expected to be passed by the legislature in the coming weeks, after thorough scrutiny and debate. It is hoped that the budget will provide a solid foundation for a prosperous and sustainable future for the country.

     - Administration: Rs. 10,000
     - General Expenditure: Rs. 5,000

Total: Rs. 271,000

(అధికారిక వేదిక దృశ్యం)

This is a brief statement of the annual financial requirements for the year 1983-84. The demands are for various sectors and are aimed at improving the standard of living and providing necessary services to the citizens. The allocations are made after careful consideration of the needs and priorities of the state.

The government emphasizes on education, health, and social welfare, as these sectors are crucial for the development and well-being of the people. The demands for education are substantial, highlighting the government's commitment to providing quality education to all.

In conclusion, the demands reflect a balanced approach towards development, ensuring that all sectors are adequately supported. The government aims to ensure a sustainable future for the state by prioritizing these areas.

Total: Rs. 271,000

xxxx Expunged as Ordered by the Chair.

Sri A. Madan Mohan:— I request you to allow him as you have previously agreed.

Mr. Speaker:— Certainly. I said I will give him. But not today, on some other Demand or at least on the Appropriation Bill I have told him already.

Sri M. Venkaiah Naidu:— There is nothing for the Speaker to get agitated over the matter.

Mr. Speaker:— He is disobeying the chair and obstructing the Proceedings of the House. What is this?

Sri M. Venkaiah Naidu:— Before the Speaker entered the House, Sri Gopal went and requested the Chairman who was occupying the chair for a chance and I too pleaded because there was an understanding previously that Sri Gopal may be given an opportunity.

Mr. Speaker:— No, no...

(Interruptions)
Demands for Grants.

Sri S. Jaipal Reddy: I am sure, Mr. Gopal will appreciate the limitations of time. Therefore, you might just give him five minutes. Let him have his say. And that is an end of it.

Mr. Speaker: No further controversy. Whatever he has said I am going to expunge and they are expunged. That is all.

Mr. Speaker: Whatever is spoken by Mr. Gopal is expunged from the records.

Mr. Speaker: Mr. Rajab Ali, there is evening Session and you can speak. Now, Mr. Gopal, you follow the time limit.

Annual Financial Statement (Budget) 6th September, 1983.

for 1983-84:

Demands for Grants.

The Annual Financial Statement (Badge) for 1983-84 includes demands and grants. The statement outlines the financial transactions and budget allocations for the fiscal year. The document provides detailed information on income, expenses, and financial summaries. It highlights the financial status and achievements for the year.

The Annual Financial Statement follows the standard format for financial reporting, adhering to the principles of accountability and transparency. It serves as a crucial document for stakeholders, including the public, auditors, and regulatory bodies, to assess the financial health and performance of the organization.

Demands for Grants.
Sri V. Venkateswara Rao—Sir, I would like to seek a clarification. Just now the Chief Minister has announced that each Taluk will be provided with a Fire-Station. I would like to know whether the Government is prepared to establish Fire-Station without asking for any contribution. Now it has become a fashion with the Government to ask for the contribution especially from rural people. For school building, they will have to give contribution. For roads they have to give contribution. For Dispensary and for various basic amenities also they are required to give contribution. Whether the Government is thinking to give directions for free Fire-stations.
without insisting for any contribution? Secondly parole is being
ganted these days on political considerations. While granting parole
to the convicts, care should be taken reasonably, justifiable grounds
and on individuals' merits. I wanted to know, whether this practice
will be adopted by the Government in granting paroles?

Sri N.T. Rama Rao.—Sr, when people themselves are coming
forward with the contribution, there is no mistake of the Government
in accepting it. So, people are advancing money for establishing Fire
Station. 

The question is:

Sri. N. Raghava Reddy:

To reduce the allotment of Rs. 13,24,94,500/- for Administration of Justice by Rs. 100/-

To reduce the allotment of Rs. 13,24,94,500/- for Administration of Justice by Rs. 100/-

To reduce the allotment of Rs. 13,24,94,500/- for Administration of Justice by Rs. 100/-

To reduce the allotment of Rs. 13,24,94,500/- for Administration of Justice by Rs. 100/-
To reduce the allotment of Rs. 13,24,94,500/- for Administration of Justice by Rs. 100/-. For net reducing the court fee in civil cases and for not providing District Munsif Court for each taluka.

To reduce the allotment of Rs. 89,17,96,000/- for Police Administration by Rs. 100/-. To reduce the allotment of Rs. 89,17,96,000/- for Police Administration by Rs. 100/-. To reduce the allotment of Rs. 89,17,96,000/- for Police Administration by Rs. 130/-. To reduce the allotment of Rs. 89,17,96,000/- for Police Administration by Rs. 100/-. To reduce the allotment of Rs. 89,17,96,000/- for Police Administration by Rs. 100/-. For failure are detecting the crimes specially dacoits in Twin cities of Hyderabad and Secunderabad.
Annual Financial Statement (Budget) 6th September, 1983

for 1983-84:

Demands for Grants.

To reduce the allotment of Rs. 89,17,96,000 for Police Administration by Rs. 100/-

To reduce the allotment of Rs. 89,17,96,000 for Police Administration by Rs. 100/-

To reduce the allotment of Rs. 89,17,96,000 for Police Administration by Rs. 100/-

To reduce the allotment of Rs. 89,17,96,000 for Police Administration by Rs. 100/-

To reduce the allotment of Rs. 89,17,96,000 for Jails Administration by Rs. 100/-

For not bringing the uniform Jail Laws for Andhra and Telangana Region by adopting Common Jail Manual.

To reduce the allotment of Rs. 6,10,84,000 for Jails Administration by Rs. 100/-
To reduce the allotment of Rs. 11,46,99,000 for Stationery and Printing Department by Rs. 100/-

To reduce the allotment of Rs. 11,46,99,000 for Stationery and Printing Department by Rs. 100/-

To reduce the allotment of Rs. 4,38,73,000 for Fire Services by Rs. 100/-

To reduce the allotment of Rs. 4,38,73,000 for Fire Services by Rs. 100/-

To reduce the allotment of Rs. 9,79,34,500 for Treasury and Accounts Administration by Rs. 100/-

Demand No. XVIII—Pensions Rs 141,20,28,000

To reduce the allotment of Rs. 141,20,28,000 for Pensions by Rs. 100/-

Annual Financial Statement (Budget) 6th September, 1983.

Demands for Grants.

To reduce the allotment of Rs. 141,20,28,000 for Pensions by Rs. 100/-

To reduce the allotment of Rs. 141,20,28,000 for Pensions by Rs. 100/-

Mr. Speaker:— Cut Motions were negatived.

Mr. Speaker:— The question is:

"That the Government be granted a sum not exceeding Rs. 89,17,96,000 under Demand No : XIII Police Administration."

"That the Government be granted a sum not exceeding Rs. 6,10,84,000 under Demand No : XIV Jails Administration."

"That the Government be granted a sum not exceeding Rs. 11,46,99,000 under Demand No : XV Stationery and Printing Department."

"That the Government be granted a sum not exceeding Rs. 4,38,13,000 under Demand No : XVII Fire Services."

"That the Government be granted a sum not exceeding Rs. 9,79,34,500 under Demand No : XII-Treasury and Accounts Administration."

"That the Government be granted a sum not exceeding Rs. 141,20,28,000 under Demand No : XVIII-Pensions."

"That the Government be granted a sum not exceeding Rs. 17,48,00,000 under Demand No : II-Loans to Government Servants and other Miscellaneous Loans."

"That the Government be granted a sum not exceeding Rs. 13,24,94,500 under Demand No : III-Administration of Justice."

(Pause)

The Motion was carried and the Demands were granted.
Mr. Speaker;--The House now stands adjourned to meet again at 5.00 P. M. in the evening.

(The House adjourned at 2.31 p. m. till 5.00 P. M. in the evening)

Th. House re-assembled at 5.00 p. m.

(Mr. Speaker in the Chair)

ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1983-84

Demands for Grants

(Discussion Continued).

Sri A. Prabhakara Rao (Malleswaram):- Speaker Sir, the demands put forward by our Minister for Finance and Electricity for Rs. 101.55 crores. I fully support this demand and under the circumstances with 5.00 p.m. this financial stringencies due to the developmental activity undertaken by our Government and the proposals made are very imaginative. There is a provision in this electricity budget for power generation for Rs. 52.69 crores and for transmission, distribution and rural electrification an amount of Rs. 55.31 crores is earmarked. In addition to this there is a project for Srisailam second stage costing Rs. 40 crores, altogether on power development the total allocation is Rs. 148 crores. This compares favourably with the previous years provision. You all know that our Government has increased the provision for social welfare by cent percent. They have almost doubled the provision. Inspite of this the provision for electricity has almost been retained and the tempo of electrical development has also been maintained. Inspite of lower provision, we are commissioning 375 M.W of power from the State sector and another 54 M.W. we are getting from the Centre sector. We are getting during this year 429 M.W. of power stations have been working satisfactorily and they are slightly higher. The load factor is slightly higher than the national average. Our load factor is 51.1%. Last year the Vijayawada Thermal Power Station has worked to a record efficiency. That is a national record. This is all our achievements during the last three months of our Government and it will be continued. It is heartening to note this point. This year the power increased to 59.5%. While appreciating all these provisions and improvements that are being brought forward in our electrical generation. I would like to mention some suggestions about Rural Electrification. As you all know electricity has become a basic necessity in the villages as well as in the towns. We need electricity for agriculture, for industry, for entertainment, for lighting purpose to enliven the lives of our rural masses. It is as much a necessity as our food,
Annual Financial Statement (Budget) 6th September, 1983

Demands for Grants.

clothing and shelter. In view of all these things the programme for Rural Electrification, I should say, is not satisfactory. It has been mentioned in the demand that out of 27,221 villages, we have electrified 20,661 villages, but this does not present a correct picture in the State. In most of the villages where the weaker section of our population are staying are not electrified. They stay in the hamlets and surrounding areas. Only revenue villages are electrified. If we take that also into consideration, I apprehend that it will not be more than 50% of the villages or the population covered. Our adjacent places like Madras, Kerala are much ahead of in this respect. That is why think that we should give proper attention to our Rural Electrification Scheme. The Rural Electrification Corporation as presented in our Demand have sanctioned previously 571 schemes costing about Rs 204 crores. In addition to that they sanctioned another project called Special Project Agricultural Scheme which sanctioned 250 schemes costing Rs. 111 crores. In the earlier scheme it is presented that 10,241 villages and 8,255 hamlets were covered. In the second scheme another 2,894 villages and 5,620 hamlets are covered. The budget does not present a clear picture. Out of these sanctions, how many of our villages are electrified? Even last year one project covering 101 schemes costing Rs. 41,98 crores was sanctioned. I suppose it was sanctioned in June.

I don't think any of the villages have been electrified against this scheme till date. I don't know where lies the cause for delay where the Rural Electrification has sanctioned the scheme. We have to take the funds from the Central Government. What is the cause for this delay? Why our rural people are deprived of this to their villages, particularly hamlets? Only hamlets are remained and the main villages are covered. In this connection I would like to request our Electricity Minister to utilise any savings out of the additional funds. Probably, our revenues will be much more that what we anticipate, because, as you all know the excise bids would fetch us Rs. 100 crores more. In the other fields we will be getting some amount by way of additional take. Probably, we may be in surplus. These surpluses should be utilised for the electrification of our villages. I request the hon Minister that we should formulate such programmes when the electrification of our villages will be completed the next three years. Our villagers cannot wait. The town people are enjoying T.V. and colour T.V. and they are not getting bulbs in their houses. Our performance in thermal power generation has been creditable, but our transmission and distribution needs lot of improvement. If at all any thing is done it is only in power generation. If you go to villages you will find their lights are like our kerosine lights. This is a very sorry state of affairs and the distribution personnel are not taking enough care and they are not
phasing it properly. The connections are not phased scientifically and our distribution system is faulty. I request the Minister through you that the Electricity Board should give proper attention for distribution. Almost we are a surplus State in electricity. The fruits should go to our masses.

In the end, I would like to mention two points about our irrigation demand. Our friends on the other benches have been critical about Telugu Ganga Project. I would like to appeal to them that this project was envisaged as far back as 1976. There was an agreement between the Government of Madras, Karnataka and Andhra Pradesh, when all these three States were ruled by Congress Governments it is programmed under the auspices of the Central Government. A commitment was made by all these three States that they will give water to Madras to reduce water scarcity, water of 5 TMC as against this agreement. It is a fulfillment of the agreement. It is a fulfillment of a national obligation, it is a fulfillment of a human obligation. Our brothers are starving for water and we cannot afford to neglect their demand. We are only contributing 70% to the Telugu Ganga Project cost, but we are utilising 57.3 TMC of water. We are getting from Madras a contribution of 30% of 5 TMC. Sorry State of affairs prevail in the irrigation canal network. Our engineers are not releasing water till they receive their contribution from the villages and agriculturist. In my constituency I know it is continuing. I request the Minister to take note of it and take proper action to curb this activity and see that the poor agriculturists of our villages get their water in proper time. I request the Minister to take action in this regard. Thank you.

Note. The repeated agitational approach from the aggrieved people of Telangana has been fallen on deaf ears. The repeated agitational approach from the aggrieved people of Telangana has been fallen on deaf ears. The repeated agitational approach from the aggrieved people of Telangana has been fallen on deaf ears.
"The preponderance of opinion seems to indicate that diversion of water to another Watershed may be permitted, but normally in the absence of any agreement, the prudent course may be to limit the diversion to the surplus Waters left after liberally allowing for the pressing needs of basin areas maximum economic benefit can merely be achieved by ignoring the pressing needs of the areas of origin and permitting development elsewhere."

8.00 a.m.

"In equitable allocation, future uses requiring diversion of water outside the basin are relevant but more weight may be given to uses requiring diversion of water inside the basin.

All existing uses based on diversion of water outside the basin should receive the same protection that may be given to existing uses based on diversion of water inside the basin."

"The State of Andhra Pradesh, no doubt, has been allocated enough water for historical reasons, but still Telangana part of the State of Andhra Pradesh stands in need of irrigation. The area which we are considering for irrigation, former part of Hyderabad State and had there been no division of that State, there would have been better chances for the residents of this area to get irrigation facilities in Mahaboobnagar district. We are of the opinion that this area should not be deprived of the benefit of irrigation on account of reorganisation of States. If properly managed Jurala Project stage I can operate by utilising about 18 TMC. We, therefore, think it proper that 17.84 TMC of water at 75% dependability should be allocated for Stage I of the Project.

Diversion of water from one minor basin to another is viewed with distrust and resisted by the basic population and in some cases statutory restrictions are imposed on such transfer. All future needs of areas of origin must be provided for before surplus water can be effected."
6th September, 1983.  Annual Financial Statement (Budget) for 1983-84:
Demands for Grants.
The Srisailam Left Bank Canal scheme comprises of a gravity canal from Srisailam Reservoir with a 38.5 KMs of tunnels in the head reach. It will provide irrigation to about 3.0 lakhs acres in Nalgonda District with an utilisation of about 30 T.M.C. of water. This 3 lakhs acres would cover the areas of one lakh acres of irrigation provided for under 1 ft in the Joint Project Report of Nandikonda (Nagarjunasagar) 1954 A.D. consisting of 70,000 acres by lifting water from Left Bank Canal at Mile 38 and 30,000 acres by a High Level Canal at the Head sluice not implemented to this date. Further, there is a shortfall of 70,000 acres under the sanctioned areas of 6.60 lakh acres which was to be provided for gravity under the Left Canal in Telangana Region. Thus by taking up the Srisailam Left Bank Canal the additional area which would be irrigated is 1.30 lakhs acres. The total requirement of water under this canal to irrigate 3 lakhs acres is 30 TMC. Government considered it necessary to take advance action to construct the Head Regulator for the Srisailam Left Bank Canal and complete it before the water is stored in Srisailam Reservoir so that there is no impediment later on due to the submersion of this area under the Srisailam reservoir. The topography at the off-take regulator site is such that even a shorter length of approach channel may not be required as the tunnel may open out in the reservoir itself. If taking up of this scheme is decided later on then it would not only involve much more expenditure to construct the regulator but also be very difficult as very high concrete dams would have to be constructed under water and even depleting the reservoir.
which would have adverse effect on Power generation at Srisailam and Nagarjunasagar during the period of the construction of the regulator.

Government have issued instructions to take up the investigation work on the Srisailam left bank Canal as also preliminary connected with the construction of head regulator. The report stated that the construction of head regulator would amount to Rs. 60,000 and the construction work is to be completed within 6 months. Consequently the project would be completed within 24 months. These are the details about the Nagarjunasagar Project.

Now, I will briefly speak about Srisam Sagar Project. The reports are ready for execution within a short period. Let some funds earmarked for Telugu Ganga project be diverted to Srisam Sagar project to derive benefits.

The reports are ready for execution within a short period. Let some funds earmarked for Telugu Ganga project be diverted to Srisam Sagar project to derive benefits.
