26th March 1984 Oral Answers to Questions

Mr. Veeranarayana Swamy:—Sir, I wish to raise a point regarding the Hon'ble Minister of Health.

Mr. Speaker:—Is the Hon'ble Minister of Health here?

Mr. Veeranarayana Swamy:—Yes, Sir.

Mr. Speaker:—I hope the Hon'ble Minister is here. If he is here, he is having every right to accept or refute the allegation. We cannot prevent any Member from making any allegation or giving some information to the House in the name of the Rules. We cannot prevent the Hon'ble Minister also to give the information to the House.
Sri S. JAIPAL REDDY :- I do not know how Mr. N. Venkataratnam is interpreting the Rule 305. Rule 305 refers to such persons who are absent in the House, and the Minister is there to answer. Here, no allegation is made but only a question is put with an implied allegation. The Minister is perfectly here to reject the allegation.

Sri N. VENKATARATNAM :- S.r, RULE-305, reads as follows.

"No allegation of a defamatory or incriminatory nature shall be made by a member against any person unless the member has given intimation to the Speaker and also to the Minister concerned.

Provided that the Speaker may at any time prohibit any member from making such allegation if he is of the opinion that such allegation is derogatory to the dignity of the House or that no public interest is served by making such allegation."

So, we are governed by certain rules. The rule is very clear and we have to follow the Rules. No member can make an allegation against the Minister without intimation to the Speaker or the Minister and since it is an allegation by the Member, it cannot be allowed. When once it is allowed, it must be expunged from the records. I request the Hon'ble Deputy Speaker a clear ruling on this, because it has often been coming up. I want a clear ruling from the Chair.

there cannot be a point of order.

He is just coming to the rescue of Hon'ble Minister.

When certain allegations are made in the House against corrupt officials about their alleged corruption, since they will not be in the House, there will be no body to defend them.

When certain allegations are made in the House against corrupt officials about their alleged corruption, since they will not be in the House, there will be no body to defend them.
The Minister is capable and he can give reply and he is capable of replying to any question.

because, some thing was said about his brothers.

Supposing, Mr. Rajasekhara Reddy is not here.
Then, what will happen?

That is what going to happen.

It should go into records. Tomorrow, I should move a privilege against the Minister.

you have to admit the privilege motion against this Minister and the House should take action against the Minister.

re: Installation of Open Heart Surgery at Osmania General Hospital

Sri S. RAMAMUNI REDDY:— These units belongs to the entire State. It does not belong to this area or that area. It is not a simple surgery which can be started anywhere. It needs special equipment, special Doctors and special facilities should be there.

Sri V. VENKATESWARA RAO:— While answering the question, the Minister assured that for doing a special type of this treatment for the present, they have chosen Nizam Orthopaedic Hospital of Specialities and Gandhi Medical Hospital. At the same time, the Minister, further assured expansion of the scheme and at that time, that the Osmania Hospital will also be taken into consideration in future. So, the Minister, must categorically say whether there is any such expanding programme as on today with the Government and by what time, such Unit could be established in Osmania Hospital? That answer will solve the problem.

Sri S. RAMAMUNI REDDY:— As on today, there is no such proposal. If there is any such proposal to start a Unit, we will consider the Osmania Hospital.

They are at times becoming the scapegoats. They are the first target by the politicians and journalists.

as long as the politicians interfere with the police administration, we cannot think any justice from the police department

That there will be equality in the spheres of justice, social and economic.
The reduction of age affair i.e. from 58 years to 55 years age reduction affair which is pending in the Supreme Court is the big example to know as to how our judiciary is functioning at the higher level. There is no appeal except the God who will show a solution after our lives. If the Supreme Court behaves like this, what is the position of the lower Courts? I have it at that stage. If the Chief Justice of India is not pronouncing the judgement, what is that we can do? In the Civil Rules of Practice, if a judgement is not given within 15 days, it must be re-opened and it must be re-heard and a judgement should be given. This is the position of the judiciary. There is no threat to the judiciary by the Prime Minister or by the Chief Ministers in this country. There is a threat to the Judiciary by themselves. That their behaviour, their integrity, their character and their disposal, of the cases. I do not agree that because of lack of Courts, the cases are pending. I would like to say this as a practicing lawyer. Many a times, 50% of the cases are pending due to the delay by lawyers or due to their unpreparedness of the lawyers. The remaining 50% of the cases are pending because of no mood of the judges to hear the cases where the serious legal issues are involved.

Sri M. VENKAIAH NAIDU:— I want to ask one clarification. What is that we can do if the Court take years for a case. Take
CHAIRMAN :— There is parliament.

Sri M. VENKAIAH NAIDU :— Can the Parliament give direction to the Supreme Court?

Sri N. BHASKARA RAO :- There is possibility. As a practicing lawyer you also know, Sir, we can get it fixed for a particular period. During that period, it should be disposed off. Even for the Supreme Court, it should be applied.

CHAIRMAN :— The District Court is having a time limit of 30 days time.

Sri M. VENKAIAH NAIDU :— Is there any statute in regard to this? Because, the public are very much agitated and employees are very much agitated, our money is spent and no work is turned out.

Sri S. JAIPAL REDDY :— In regard to this issue, our Government can effectively and powerfully represent before the Supreme Court for expediting the issue. I think our Government is at default.

Sri N. BHASKARA RAO :- With great respect, I disagree with the view expressed by the Hon'ble Member. The Government has represented before the Supreme Court several times and insisted upon that it should be disposed off. It is atrocious on the part of the Supreme Court, if I am permitted to use that word, to delay the justice for such a long time, for one year. Even for 1½ years the cases are pending, in the Supreme Court. I am told, in one case from Bihar, the Judgement was given after 1½ years. It is surprising that the Judges are behaving like this.

12.30 p.m. Sri P. RAMACHANDRA REDDY:— Today we have created many sub courts. The munsifs are upgraded as sub judges. There are no "munsifs to work in various courts. That is necessary. Our Public Service Commission is behaving like a House of Lords. They take one year to recruit and send. What will happen to these courts? If they are not able to do let them appoint a Committee with all opposition leaders who will take up the work. Government should ask the Public Service Commission to sit and interview them, select them and send for training. It was done earlier. I am not suggesting any unique thing. The position is unbearable. Courts will become crowded and there are a large number of cases. It is a very serious affair. It is almost a crisis. There are many old buildings. You take them in a phased manner. It is not safe to sit under the roofs, specially where I practice at Sangareddy, it is hundred years old building. Everyone something will fall and to sit under it is not safe. For legal aid some more funds may be given. It may be extended to the entire district instead of specified area.

About the point raised by Venkaiah Naidu, these statutes will be passed by Assemblies and Parliaments, but any amendment the State Government can carry. Period can be prescribed about land acquisition cases. One award must be disposed off by one judgment. We can prescribe for quick disposal according to section. We can make a chronological order and enter these cases. They must be disposed off like that. C.P.C. can be amended for procedural laws. Limited scope is there but there is a scope to get it expedited.

About Police, I am not one of those who always blame the Police for everything that happens in society. Circumstances have arisen in the country and that we want police protection. A man who believes in violence and when he wants police protection. He wants a policeman. They will use violence against the people. Although 35 years have passed the gap between police and society had widened. It is not a good sign. I am one of those who believe in

a good administration of police and there must be good police. First of all there must be something in training. An experienced man can tactfully deal with the things. This is a subject where Government should take very cautious steps in posting police people once he is posted don't transfer them frequently. When you call a Sub Inspector of Police in a Police station he must be able to know everybody in that area. For getting acquaintance it require one year. Frequent transfers should be stopped. They must be more tactful. There should be proper coordination between the Police and society, police, and Government. It is not existing even after 25 years. Adjustment is necessary between Government and police, between society and police.

As far as fire services are concerned, you have sufficiently sanctioned some more requirements. Some Tahsils were opened during the time of the previous Government, there are no treasuries. They have to go to far place to encash their cheques. Opening tahsils without treasuries is causing inconvenience to people.

About loans, in your note you have not stated the rate of interest for charging to motor car loans, house loans etc. The House should know what is the rate of interest you are charging for IAS, IPS, clerks and peons. While answering the Minister may tell the rate of interest that is charged on loans to Government servants and various other categories.

As far as jails are concerned there are two manuels in vogue. One is Andhra area and another is Telangana. I have been repeatedly telling this. In jail manual the Hyderabad manual is more important. Socially it is very good and very progressive. The conditions of jails, prerequisites, faculties to detenues, convicts are better than Andhra area. Therefore instead of Rajahmundry, Anantapur people opt for Warangal jail. You can extend the jail manual. So, I therefore request you to extend this jail manual of Telangana to Andhra area so that the persons can get benefit of it.
Some cottage industries are there. They are age old industries in Chenchalguda and Hyderabad. The Small Scale Industries Corporation can have some programmes in jail department. The items prepared like carpets going out of market. These should be encouraged. The small scale industries corporation or cottage industries corporation can utilise the idle force in the jails. So, cottage industries should not die. Thank you very much.

Sri S. JAIPAL REDDY :— Point of order, Sir. I did not want to cut the time of the senior member like P. Ramachandra Reddy. But a senior minister like Sri Bhaskara Rao made a casual remarks on Supreme Court judges. The points is, we are not sitting judgment over Supreme Court nor are they sitting judgment over Legislature. We must be respectful to each other. What we say is, this House should not come under the contempt of Supreme Court. A senior minister like him should exercise self-restraint. There is nothing wrong if he can withdraw.

Sri N. BHASKARA RAO :— I have used that with all calculations. There is nothing wrong in using it. The Supreme Court, you know have been sitting over it for one and a half years. It is atrocious on the part of the judges. Within the permissible language I have used.

Sri S. JAIPAL REDDY :— You referred to the behaviour of the judges. The Government had reissued ordinance in an unwarranted manner.

Sri N. BHASKARA RAO :— We are warranted ..........(interuptions)

Sri JAIPAL REDDY :— Supreme Court could have delivered judgement on the issue ...... (interruptions) They resorted to reissuing of ordinance.......... 

Sri N. BHASKARA RAO :— Who is responsible for this? It is because of the delay we are forced to do it and nothing else. Anyway it is not an argument or counter argument. I have used it in permissible language. There is no question of withdrawing.

Even the Minister must himself come forward to suggest a way out because the principle of natural justice is involved. If a Director is directed to enquire into the matter, can you expect justice? I do not know whether the son of the Revenue Minister is involved. If he is involved as the Member, how can you expect justice? He is Secretary of the College and he is in the Management.

Re: Admissibility of a Matter Under Rule 329 - Supreme Court Order on the Issue of privilege.

(Disallowed)

Mr. SPEAKER:

On 21-3-1984, I have received notices under Rule 329 from Sri A. Madan Mohan, Leader of the Opposition and also from some other Members of the House regarding the Supreme Court Order on 20-3-1984 on the privilege issue taken up by the Legislative Council, Andhra Pradesh.

Since the Supreme Court Order was neither received in my Department nor the Members who had given the above notices have enclosed the Order to the notices, I placed the entire issue before the House on 22-3-1984 for discussion about the admissibility of the Motion.

The Leader of the Opposition and many other Members on either side have offered their valuable suggestions on this issue. I am also of the view that both Parliament and State Legislature...
are sovereign within the limits assigned to them by the Constitution and respect is to be accorded by one organ of the State to the others in order to ensure healthy working of the Constitution.

As you are all aware that the Courts of Law in India have recognised that a House of Parliament or a State Legislature is the sole authority to judge as to whether or not there has been a breach of privilege in a particular case. It has also been held that the power of the House to commit for contempt is identical with that of the House of Commons, and that a Court of Law would be incompetent to scrutinize the exercise of that power.

In this connection, it is interesting to note the following resolution adopted by the Presiding Officers in their conference held at Bombay in January, 1984. “This Conference of Presiding Officers of Legislative Bodies in India held at Bombay on 2nd and 3rd January, 1984 having carefully considered all aspects regarding the powers, privileges, immunities and jurisdiction of the Presiding Officers of the Legislative Bodies in India affirms that the Legislatures are supreme in their affairs, in the conduct of the Business of the House and their powers, privileges and immunities guaranteed by the Constitution of India, and that the Courts have not jurisdiction or power to interfere in this respect.”

Since the matter raised relates to Legislative Council which is quite capable of discussing and deciding the issue, I do not see any reason to go further into the matter under Rule 329 in this House, as the Leader of the Opposition and other Hon'ble Members have already thrown considerable light and focused important aspects relating to the subject. Hence, I disallow.

Sri S. Jaipal Reddy: Sir, .... ...

Mr. Speaker: It is all over.

Sri S. Jaipal Reddy: A notice under rule 329 has been tabled by the Leader of Opposition. What about the view of the Government? A notice under rule 329 is tabled to elicit the views of the Government there.

Mr Speaker: I have given my ruling and there is no point of order.

Re: Admissibility of a matter Under
Rule 329 - Supreme Court Order
on the Issue of privilege.
(Disallowed)

Mr. Speaker: Since it is a matter relating to Legislative Council, it is better that it is discussed there and not here.

Sri M Venkaiah Naidu: The point here is on this relevant issue of Supreme Court giving stay order on the decision of the Legislature. The decision of the Supreme Court has put a check to that decision.

Sri S. Jaipal Reddy: Sir, notice under rule 329 has been tabled by the Opposition Leaders and other Members. Unfortunately I did not happen to be present that day. They have tabled with the express purpose of eliciting the position of the government in regard to the question that has been raised and that is now the question confronting the executive also. It is not merely concerning the Legislative Council. A certain constitutional deadlock has arisen consequent to which the Government of Andhra Pradesh has been called upon to take a decision. We would like to know from the Government as to what exactly is its line of thinking.

Mr. Speaker: Anyway, I did not allow it because it is relevant to that House and that House will take up.

Sri S. Jaipal Reddy: Since it concerns the dignity, sovereignty of the entire Legislature, the Government should...

Sri M. Venkaiah Naidu: Sir, I have a suggestion to make. As far as the Government is concerned, I request the Speaker to direct the Chief Minister to make a statement here also if he makes a statement there.

Mr. Speaker: We shall see.

Sri S. Jaipal Reddy: Sir, kindly consider the scope and purview of rule 329.

Re: Admissibility of a Matter Under Rule 329 - Supreme Court Order on the issue of privilege
(Dr. allowed)

Mr Speaker: I have considered everything.

Sri S. Jaipal Reddy: I am not disputing your ruling. I am only trying to drive home the point that your ruling did not cover the entire scope under rule 329. Under the rule, a Member brings to the notice of the Government so that the Government can make a statement thereon. There Speaker has not criticised as to why the Government is not being asked to make a statement thereon.

Mr. Speaker: It is not a matter pertaining to this House and it will not be proper for this House. I have heard for one day completely on this aspect.

Sri S. Jaipal Reddy: Kindly hear me, Sir. You have heard us on the question. I am not going into that.

Sri M. Kishen Rao: Sir, I am on a point of order...

Sri S. Jaipal Reddy: There cannot be a point of order on a point of order.

(Interuptions)

The ruling which you have just now read out did not advert to one aspect i.e., why the Government should not be allowed to make a statement thereon. You did not even allude to this aspect. Secondly, under rule 329, a notice is tabled not more...

Mr. Speaker: Under rule 329 you cannot raise every matter and any matter if it pertains to the House...

Mr. Speaker: Anyway, do not go back.

Sri S. Jaipal Reddy: I am only bringing to your attention to the point which is still...

(Interuptions)

I am only trying to submit to the speaker...

(Interuptions)

This is an issue involving the position of the Government.

Mr. Speaker: I have considered all the aspects.

Sri S. Jaipal Reddy: I am only referring to the issue which is hanging fire which is not dead.

SRI A MADAN MOHAN :- I do not like to make the issue very serious. It has been the observation of the Speaker that constantly this thing is taking place in the House. I do not know somebody says the Council is adjourned. Even if he has to go on some urgent matter, certainly he can. But courtesy and decency demand that the Chief Minister should seek your permission.

MR. SPEAKER :- He has sought my permission and I have permitted.

Sri A. Madan Mohan : And he should also have informed the House sought the permission of the House because you had already asked the Hon. Member to speak on the issue under Rule 329 and the Member was speaking. Ultimately, it was —

SRM. VENKAIHG NAIDU:— Sir, the Member has already said that he is becoming so emotional because of disappearance of his brother and he has tabled a notice and met a number of us. He also informed the House. He is mentally upset. We also waited that the notice will come in due course.

What is all this – pulling away the mikes etc.;
Mr. Speaker:—You must understand the situation as to why I am postponing this.

Sri M. Venkaiah Naidu:—Sir, it is a matter of the Prestige of the House. If it is coming for the first time and postponed—we can understand. When the C. M., is not free, he can depute any Minister to reply to this House.

Sri A. Madan Mohan:—Sir, I really take it very seriously. Is this the treatment to be meted out to the Hon'ble Member? He is the member of the House. I cannot understand as to how this House is going on in transacting the business of such matters of importance?

Mr. Speaker:—You must understand the situation as to why I am postponing this.

Sri M. Venkaiah Naidu:—Sir, it is a matter of the Prestige of the House. If it is coming for the first time and postponed—we can understand. When the C. M., is not free, he can depute any Minister to reply to this House.

We are just conducting the House in a very lighter way as if we are here only as a second field of the Government and of the C. M., We are not that life-less creatures. We are trying to extend our utmost co-operation. That does not mean we are life-less creatures. You are also a Member of the House. Will you not appreciate the anxiety and the agony of the Member, Sir? That is not a correct approach.

MR. SPEAKER:—Why How many times you did not ask for postponement? You cannot take away my right.

SRI A. MADAN MOHAN:—Sir, you are not understanding the spirit with which we are telling.
MR SPEAKER:- The Chief Minister has gone out and that is my I have postponed.

(interruptions) (Bell)

Sri S. Jaipal Reddy :- S r. The Hon'ble Chief Minister has left for the Legislative Council on account of the situation that has arisen there and we must also appreciate the anxiety of Mr. B. Gopal, because his brother disappeared in June 1983 and nothing has been done during the last ten months and he is strongly suspecting that his brother has been murdered! Therefore any person who has been overtaken by that kind of tension and confusion, would be terribly upset.

My suggestion is before the House, adjourn to-day, the Hon'ble Chief Minister may kindly be asked to come back to this House and make a statement on the question tabled by Sri Gopal, before the House adjourns for the day.

Mr. Speaker: That, I will do . . .

1. The decrease, registered in the number of orders booked, has been noticed. Has it occurred due to a change in the market conditions? The company has observed that the orders booked have reduced by 20%.

2. The orders booked have reduced by 35% in comparison to the previous month. The company has analyzed the reasons for this decrease. The reduction is attributed to the increase in the cost of raw materials.

3. The orders booked have reduced by 40% in comparison to the previous quarter. The company has analyzed the reasons for this decrease. The reduction is attributed to the increase in the cost of raw materials.

Please consider the above points and take necessary action.

Re: Strike by workers of Prabhu Steel Industries Limited.

You have now agreed to have it adjudicated but that will take its own time. It is a time consuming process. The Management which has lot of staying capacity, would like to wage a war on retrenchment on the labour of this Mill.

So, pending adjudication, the Management of the Mill should be prevented by all means from opening the mill with new workers, opening the mill by introducing the contract labour system.

Re: Strike by Workers of Prabhu Steel Industries Limited

Sir,

We are writing this matter to bring to your immediate attention the strike by workers of Prabhu Steel Industries Limited. The strike was called due to various issues, including non-payment of salaries, working conditions, and other grievances that the workers have been facing.

We request you to take necessary action to resolve these issues and ensure that the workers are paid their salaries on time and that their working conditions are improved. We believe that by addressing these concerns, we can prevent further escalation of the situation.

Thank you for your prompt action in this matter.

Yours sincerely,

PAPERS LAID ON THE TABLE:

Annual Report of the Andhra Pradesh Mining Corporation Limited for the year ending 31-3-1982.

The Minister for Works (Sri Nallapareddi Srinivasulu Reddy)

Sir, on behalf of the Chief Minister, I beg to lay on the Table a copy of the Annual Report on the working and affairs of the Andhra Pradesh Mining Corporation Limited for the year ending 31-3-1982, in compliance with section 619-A (3) of the Companies Act, 1956.

Sir, on behalf of the Chief Minister, I further beg to lay on the Table a copy of the Seventeenth Annual Report of the former Andhra Pradesh Vigilance Commission for the year 1931-82 along with memorandum, under para 6 (xiii) of the scheme of the Vigilance Commission.

(Sri N. Bhaskara Rao was about to lay the copies of certain Ordinances on the Table)
Ordinarce making power is a rare power and it is a provisiono
power which must be exercised rarely and with certain circum­
spection.

What are the extraordinary

circumstances that compelled the Government to re-issue the same

ordinances, that also must be explained.

Majority of members have pp.sd and I dissented and it has
come here.
The Supreme Court is considering the matter and is yet to give its judgement.

Whether it is morally, politically proper? This exercise of Ordinance making power in these conditions suffers gravely from gross impropriety.

When a Minister develops perverse pride in wrongdoing, the Opposition can do very little.

Now, it is being questioned in a Court of Law. Even assuming without conceding that it is constitutionally correct, will the Minister appreciate the point that it is morally and politically obnoxious and outrageous?

It has developed singular lack of scruples in respect of exercise of ordinance making powers. If you take the H use for granted, why do you allow the House to meet at all?
Abolition of Village Officers' Post Bill has been referred to a Joint Select Committee.

The will of the Legislature is to elicit public opinion on a particular issue and you are going against the spirit of the Legislature. You are taking the House for granted.

Do you know that the Assembly or Council is going to reject the same.
We are forced to issue and re-issue the ordinance.

We are issuing the ordinance.
What is the urgency?

They have given permission to appoint village assistants.

20-3-84
Sri N. Bhaskara Rao: Sir, with your permission, I beg to lay on the Table a copy in each of the following Ordinance, as required under sub-clause (a) of clause (2) of article 213 of the Constitution of India:

Sri P. Mahendranath: Sir, I beg to lay on the Table a copy in each of the following Ordinances as required under sub-clause (a) of clause (2) of article 213 of the Constitution of India:

2. The Andhra Pradesh District (Formation) Second Amendment Ordinance, 1984 (Andhra Pradesh Ordinance No. 8 of 1984).

Sri Ch. Venkatarama Jogaiah: Sir, I beg to lay on the Table, a copy of the Andhra Pradesh Payment of Salaries and Removal of Disqualifications (Amendment) Ordinance, 1984 (Andhra Pradesh Ordinance No. 11 of 1984) as required under sub-clause (a) of clause (2) of article 213 of the Constitution of India.

Mr. Speaker: Papers laid on the table.

With the expanding horizons of socio-economic justice, the Socialist Republic and Welfare State which the country endeavours to set up and the fact that the old men who retired when emoluments were comparatively low are exposed to vagaries of continuously rising prices, the falling value of the rupee consequent upon inflationary in-puts, by introducing an arbitrary eligibility criterion, “being in service and retiring subsequent to the specified date” i.e. being eligible for the liberalised pension scheme and thereby dividing a homogeneous class, the classification not based on any discernible rational principle and being wholly unrelated to the subjects sought to be achieved by grant of liberalised pension and the
eligibility criteria devised being thoroughly arbitrary the eligibility for liberalised pension scheme of "being in service on the specified date and retiring subsequent to that date" in the memoranda, violates art. 14 and is unconstitutional and liable to be struck down."

Why can't the judges agree in their own interest to maintain
and safeguard the integrity of the Judiciary? They must agree for
this transfer. It is horrible that they are not agreeing. They must
agree to be in Bombay or elsewhere. I have seen judges from
Karnataka, Gujarat giving their judgements which are so fine and
reflect the conscience of the man compared to other judgements.
I will go further. If necessary amend the constitution to form a Common Judicial Service. Let an Australian Judge come here and let our Judge preside in Australia. Then we will have an impartial and independent judges. This is the view. Now regarding one third of the Judges should be transferred.

Why? Most of them can be transferred. I request that in this view of the matter some measures will be taken to see that the things are done better. Thank you.

Sri D. Chowdary:— I would like to bring to the notice of the Finance Minister about a news item published in the leading newspaper on 14th December, 1984 about the nexus between Police and the Decoits. It is published in the Deccan Chronicle. The allegation was that certain in-service officers as well as retired officers have told the newspaper reporter about this. The nexus between police and decoits and Naxalite activity also. The senior Officers in the districts are taking away the hush money. The police circles are involved in this. Whether the Government is aware of this and if so, it is a matter to be investigated. We may presume that there may be some element of truth in this allegation. If that has been there, it must be gone into and enquired into.
