No body has got that power to order the work except the Zilla Parishad. Will the Hon'ble Minister agrees for the same and communicate instructions to all the District Collectors not to order the works sanctioned by the Z. P., etc., i.e., by the Collectors or Chief Engineers?

MR. SPEAKER ;- I have received a letter from the Minister for Social Welfare which reads as follows :-

"Sir, I am having severe back-ache and the Doctor has advised me to take complete rest. I request that the Legislative Assembly questions and the Calling Attention notices standing in my name for to-morrow i.e., on 19-3-1984, may kindly be postponed. Mr. Rhys Dafydd Phillips: I understand that 30 guards have been added to the security arrangements for the three'men'on death row. Will we have to have an extra guard commander to ensure that there are adequate arrangements for the men's comfort and needs?

Mr. Uxbridge: In this case, one more extra guard commander.

Mr. Rhys Dafydd Phillips: Is it not true that about 300 yards from the prison, there is an ambush. A sudden plan. As nature calls, they will be taken by one constable. From the bed it is 80 yards. It is an ambush. A sudden plan. As nature calls, they will be taken by one constable. From the bed it is 80 yards. It is an ambush. A sudden plan. As nature calls, they will be taken by one constable.
The Government is very much aware that Kondapally Seetharamaiah and his back ground. They/should have taken more precautions The Government and the Police have miserably fail-
ed in this regard. Even now, what are the steps the Government has taken to trace Mr. Seetharamaiah after his escape from the Hospital? The second thing is, whether it is also a fact that cer-
tain people have represented to the Government that there are un-
der-ground elements residing in the Osmania Medical College Hos-
tel, on December 15th itself, i. e, before the escape of Seetharama-
iah. If so what is the action taken by the Government?
As long as his guilty is proved we cannot say whether he is a criminal or an accused. Our charge was that long back 15th December, it was represented to the Government that certain wanted naxalites who are in underground, they were residing in Osmania Medical College Hostel and if so, what action was taken?

What are the special steps you have taken? Even a Khaidi or a thief is guided by one constable. Is the Minister aware of it? Even he, is guided by a constable if he is put into the hospital. Then, what is the special care you have taken in this case of an Extremist Leader who has no faith in the regular democratic principles and Parliamentary democracy. Sir, you know pretty well, that they can kill people! They do not mind killing people. What are the extra steps you have taken?

(b) If so, the steps taken in this regard; and

(c) Whether it is also a fact that a standing committee called Andhra Pradesh State Spinning Mills Co-operative Society has been formed; who are the members of that standing committee; what are their duties?

STATEMENT

An ordinance to regulate the working of certain Co-operative Spinning Mills in the State and for matters connected therewith or incidental thereto was promulgated on 21-7-'83. The Ordinance is called the Andhra Pradesh Co-operative Spinning Mills (Regulation) Ordinance 15 of 1983. This has now become an Act. In terms of the above, the byelaws of the Co-operative Spinning Mills and their Federation were amended en-bloc. This was done inter-alia to enable better coordination between the Mills and Federation and clear demarcation of functions between the Chairman and Chief Executive. Government have nominated the Board of Directors for all the Co-operative Spinning Mills with District Collectors as Chairmen of the Mills for a period of 3 years.

Further, a sum of Rs. 15.00 lakhs has been sanctioned to Federation for setting up of Cotton Testing Laboratory so as to ensure purchase of quality cotton by Co-operative Spinning Mills and for production of quality yarn. The administrative set up of the Federation is being strengthened to advise the Member mills in Technical, Financial and Legal matters. For this purpose, Government have also sanctioned Rs. 10.00 lakhs as grant in-aid to meet the cost of staff.

It was proposed to form Andhra Pradesh State Spinning Mills Co-operative Society by amalgamating all the Co-operative Spinning Mills and Federation into a single society on the National Textile Corporation pattern which was not accepted by Government of India and National Cooperative Development Corporation. Hence the byelaws were amended en bloc to streamline their working. As per the amended byelaws of the Act, the
Federation would advise on all Policy matters such as spin plan, purchase of cotton, sale of yarn, selection of machinery etc.

It will also recruit suitable technical and other personnel required for the member mill. The Managing Committee of the Federation is nominated by the Government as:

You said that you are friend of the farmer, and farmers' welfare is uppermost in your mind. You don't expose them and black-list them not to do trade with any country in future?

Who are the people who have done this mischief? Why don't you expose them and black-list them not to do trade with any country in future?
I will see that all the tobacco producing committees are opened and they are distributed. But they will close the company the next day and come out. What are the steps taken? Let the Minister agree covertly.

Sri K. Jana Reddy: C. A. No. 2 re: Distruption of crops in West Godavari, Krishna and Guntur Districts by Brown-hopper Pest (Domakatu). It was postponed at the request of the Minister.

Sri M. Venkaiah Naidu: Point of order, Sir. As per rules, there should be a memorandum of action taken on the report of the commission of inquiry.

Page 2 of the report placed reads like this:

"The Government have accepted the findings of the Commission and accordingly issued instructions to the Director General of Police, Hyderabad."
(a) to issue suitable instructions to all concerned as recommended by the Commission for prompt investigation and follow up action;

and

(b) to take disciplinary action against the Police personnel concerned.

Do you think that issuing of instructions is the action taken?

MR. SPEAKER: That is the action taken by the Government.

SRI M. VENKAIAH NAIDU: It is a serious matter. The Government also realised the seriousness of the situation and ordered a Judicial enquiry. The Judge made certain recommendations. The Government have examined the recommendations and decided to act upon. The Government issued instructions accepting the findings of the Enquiry Commission. The action taken in this regard is issuing of instructions. Is it the action taken on the recommendations?

SRI M. VENKAIAH NAIDU: How can issuance of instructions to the D. G. P. becomes taking of immediate action?

You must immediately put before the House. The moment you accept the report, what action has been taken in the matter should be placed before the House.

It is stated like this— "(b) to take disciplinary action against the Police personnel concerned."

What action has been taken? That should be specific. Let him not hold brief. The default is from police side and let this mistake not occur again.

SRI P. ANANDAGAJAPATHI RAJU : He cannot make allegations.

CHAIRMEN : This is an allegation against certain group of people. You Project your views.

SRI S. JAIPAL REDDY : That cannot be a point of order.

SRI P. ANANDAGAJAPATHI RAJU : If an allegation is made in this House against somebody, then that somebody should be in a position to defend himself. When the other Member is not in a position to defend himself, then making allegation is not correct. When an allegation is made the minister is naturally constrained to stand up and defend the Member.
SRI S. JAIPAL REddy: Any Member is free to make an allegation and the Minister or other Members are equally free to refute but no direction from the Chair to the effect that allegation should not be made.

CHAIRMAN: The allegation is not specific.

SRI S. JAIPAL REddy: Members or the Minister can always ask the Member to be more specific.

CHAIRMAN: That is what they have been asking.

SRI P. ANANDAGAJAPATHI RAJU: Value allegation is something which cannot be accepted. If he has any facts and figures he can place and that can be answered.

CHAIRMAN: They will be expunged.

SRI P. ANANDAGAJAPATHI RAJU: The Hon’ble Member seems to have a lot of information regarding the Veda University. Why not he place a white paper in this House instead of this Government doing it.

(interruptions)

SRI P. ANANDAGAJAPATHI RAJU: He is making lot of allegations. He is basing his reports on newspapers. What is given in the newspapers is not a documented one. It is not a document. It is based on speculation or something which is happening or going to happen. He cannot base it as a document. If he is so conversant with the subject why not he lay a white paper in this House. We will go through the white paper.

(interruptions)

CHAIRMAN: Before further going, why not you pass on the paper. It is a newspaper, The Govenment says that it is not an authenticated one.

SRI P. ANANDAGAJAPATHI RAJU: It is only a proposal. That is all. It has not materialised. You are giving so many details. That is why I am asking you to pass on that information.

SRI P. ANANDAGAJAPATHI RAJU: I object to his making allegations which are baseless. If it is based on documented fact or something substantial, then he can say, but he cannot make allegations in the air.

CHAIRMAN: It has no value. You have brought it to the notice of the Minister. Kindly pass on the paper to him.

SRI M. VENKAIAH NAIDU: I only suggest to one thing. When a Member is making a serious charge that Telugu Desam people have collected something, why not the Government come forward and order for an enquiry and bring out the truth.

CHAIRMAN: What the Minister says is that it is not the mind of the Government. It is only a paper statement.

SRI M. VENKAIAH NAIDU: When a Member says something in this House he is doing with responsibility. Let the Government order for an enquiry.

SRI P. ANANDAGAJAPATHI RAJU: He is making certain allegations against the Government. As for as we are concerned we know that there is no such proposal. If he can prove that there are certain things then the question of enquiry comes. You cannot order for an enquiry for each and everything. That is not possible.

CHAIRMAN: Why not you pass on to the next subject.
SRI P. ANANDAGAJAPATHI RAJU: I am only bringing this to your notice. He is levelling certain allegations. He is making certain allegations against the Government. As far as I am concerned it is only a proposal. If he has grave allegations let him pass on the information, we will find out whether there is any truth. If there is any truth what he says is absolutely correct. we have no objection in taking further action in the matter.
SRI P. ANANDAGAJAPATHI RAJU: If he is fighting against the Government's policy he can always do, but to throw an allegation which is baseless is not good. If he says anything wildly it cannot be accepted by the Government. The Government is responsible. You cannot make wild allegations against the Government.

- **Education**: [Details provided in the document]
SRI P. ANANDAGAJAPATHI RAJU: Sir, I have a small submission to make. In his speech, the Member was dwelling more on criticism and charges rather than suggesting any improvement in the educational system. He has covered practically everything that has to be covered. If other Members have something new which is not already covered, I welcome.

POINT OF INFORMATION Re: Demands of Physical Education Teachers.

CHAIRMAN: Sri K. Mruthyunjayam has to make a statement on a matter of urgent public importance.

CHAIRMAN: The Government will take notice of it.
