* 3767 Q. — Sri M. J. Thomas Choudary:— Will the Minister for Tourism be pleased to state;

QUESTION

a) Whether the Government are aware that Pochampad, Nizamsagar and several other places in Nizamabad are worthy for being considered for development as Tourist Resorts;

b) Whether the Government have taken any steps so far to develop them as Tourism resorts; and

c) If not, whether the Government will permit private individuals to provide Tourism Centres?

(Minister for Tourism Sri Mohd. Shakir)

Yes Sir,

Pochampadu where irrigation project is coming up and Nizamsagar Project are worthy to develop as Tourism resorts.
Oral Answers to Questions 21st March, 1984 245

There are two guest houses of Irrigation Department at Nizamsagar which could be used by the visiting Tourists also. The State Tourism Department has taken possession of two acres of land at Nizamsagar for construction of a Tourist Rest House. Further works could not be taken up for want of funds. Providing Tourist facilities at Pochampadu by the Tourism Department will be considered depending upon the availability of funds.

If any private entrepreneur comes forward to provide Tourist facilities their request will be considered.

MR. SPEAKER: You gave notice. I have to see about its admissibility.

SRI M. VENKAIAH NAIDU: But not discuss in the House......

MR. SPEAKER: We are not discussing. He raised the issue.

SRI M. VENKAIAH NAIDU: He can give notice. The Member is right in giving a notice, in asking your permission to move the motion.

MR. SPEAKER: I have equal right to decide about its admissibility.

SRI M. VENKAIAH NAIDU: Sir, the practice is - when the Hon'ble Speaker gets a doubt, about the admissibility of the motion, as a normal practice, the Hon'ble Speaker reads the notice in the House- then asks the leaders of the Opposition and other Members of either side about their views.

MR. SPEAKER: Anyway I will examine the issue and decide - whether it is eligible or not. Then we can discuss about it.

SRI M. VENKAIAH NAIDU: Sir, a point of submission on a different matter. I have already given notice regarding the illegal arrest and detention of a news correspondent yesterday in Adilabad by the police and the subsequent release of the same gentleman by the Superintendent of police, when interfered by some people regarding the accesses. I only request you to kindly direct the Government to get the matter investigated and then come prepared to the House to-morrow.

SRI D. K. SAMARA SIMHA REDDY: Sir, because one of the Hon'ble Members have raised the point, I would like to mention it. It is not new for this House to discuss like this. On umpteen occasions Mr. Venkaiah Naidu has given notice and raised in the zero Hour and we discussed about this issue in the house. I do not know why in this case a special step is taken in this house on this issue? why they want to make a separate issue?

Re: Cheating of People by Hyderabad Public Welfare Chit Fund.

MR. SPEAKER :- Anyway, I said - I will go through it.

SRI. M. VENKAIAH NAIDU :- Sir, now the question is about the discussion of admissibility. Nothing more than that. How can I say when the Hon'ble Member is bringing a relevant issue of the privilege of the Members and the House is concerned? Moreover, how can I object it? I am only objecting to the procedure adopted.

MR. SPEAKER :- Yes, anyway I will go through it.

SRID. K. SAMARA SIMHA REDDY :- Sir, otherwise it will become stale.

MR. SPEAKER :- The Government will take note of it.

SRT N. BHASKARA RAO :- Sir, I will take note of it.

MR. SPEAKER :- Now let us take up the matters under Rule 329 please.

MATTERS UNDER RULE 329

Re: Cheating of people by Hyderabad Public Welfare Chit Fund.

SRI S. JAIPAL REDDY :- Sir, this issue has been sufficiently highlighted through various news items in the press. The Hyderabad public Welfare chit Fund has cheated hundreds of subscribers. They have not only cheated through the chit Funds but they have also floated another company - L & G., Finances Company Limited. According to the information reaching us, the swindle involves a huge amount - may be of the order of Rs. 5 to 6 crores.

The Hyderabad Welfare Chit Fund company has been able to carry on their nefarious activities for the last so many years with perfect impunity. It has not been able to honour its legitimate commitments for the last one year and more. I do not know what the authorities concerned have been doing? I do not know who is the authority which is really competent to deal with this problem?

The cheated people have gone and made a representation to the Hon'ble Chief Minister, to the Inspector General of police, to the Inspector General of Registrations, to the Minister concerned and to all other authorities. But no attempt was made by the city police to apprehend these culprits. And the city police appears to have taken a number of steps only after they left Andhra Pradesh, possibly the whole country! Sir, these two gentlemen, who have been managing this show appear to have disappeared from the country itself! That is the reason why the Government has not yet been able to apprehend them.

During the last one year these culprits had taken all precautionary steps to liquidate their assets. They disposed off one property after another. So, what is the kind of people that have been
cheated?—Widows - poor people - the middle class salaraites- and all such poor people and middle class, were cheated. This could be the story with many other Chit Funds.

Therefore there is every need to take deterrent action. There is need even to contact Interpol to find out their whereabouts. They could be in the Middle East. They could be anywhere in the world but there is a provision to institute extradition proceedings and everything must be done to bring them back to the country and bring them to book.

I would therefore request the Hon'ble Minister to explain to this House as to the steps they have been taking.

Re. Cheating of People by Hyderabad Public Welfare Chit Fund

21st March, 1984

Dear Sir,

I am writing to inform you about a recent incident that has come to my attention. A number of people have reported being cheated by a chit fund in Hyderabad. The fund, which is purported to be a public welfare enterprise, has been operating under the guise of providing financial assistance to the needy.

I have reason to believe that the fund is not functioning as intended and is instead being used for fraudulent purposes. Several individuals have come forward to express their grievances and have provided evidence of fraudulent activities.

I urge you to investigate this matter thoroughly and take appropriate legal action against those responsible. It is crucial that we protect the interests of the people and ensure that such incidents are prevented in the future.

Yours sincerely,

[Your Name]

[Your Position]

[Your Contact Information]
SRI N. BHASKARA RAO :- Sir, with your permission, I will make my statement in English.

The Hyderabad public Welfare chit Fund, Himayatnagar, Hyderabad is registered as a firm, under the Indian partnership Act, 1932 – as No.61 of 1981. It was located at House No: 3/6/369/A/26 in Himayatnagar, Hyderabad. The partners were Sri Lateef Ahmed Khan, son of Sri Mohd. Khan; Sri Ghouse Ahmed Khan, Son of Sri Mohd. Khan. The same partners, were engaged, apart from Chits, in several other business activities, namely:-

a) L. & G. Finances
b) Hyderabad public welfare Housing Company Private Limited.
c) L & G Apartments.

and
d) Film—e—thasveer.
The activities of the above firms and companies (a) to (d) do not come within the preview of the Chit Funds Act. In so far as the Chit Activities were concerned, the firm was running 32 groups of chits, at the time of its closure. All these 32 groups are of 40 members each and chit each amount ranged from Rs. 5,000 to Rs. 20,000.

For running these chits, an amount of Rs. 1,30,000 is deposited by the Chit Fund Company with the Chit Registrar, in the shape of Fixed Deposit Receipts as security under the provisions of the Act.

No complaint or adverse report was received earlier about its Performance. On 12-9-1983 one complaint was received from some subscribers. On the same day, the concerned officer was instructed to inspect the records. On 15-9-1983 he inspected the records of the company and recommended for winding up of the Chit Fund Company under Section 38 (d) of the Act. After examining the records, the concerned officer felt that winding up of the Chit Fund was necessary. In the meanwhile, on 20-9-1983 the complainants themselves requested not to take any action on their complaint till 7-11-1983 as the foreman had promised them to pay the amounts due to them. Not withstanding the request of the complainants, steps were taken for winding up of the chits run by the foreman for the irregularities noticed during the inspection. On 5-10-1983, the concerned officer was requested to send further details to file the case in the court for winding up the company. After receipt of the proposal, permission necessary for winding up of the company was given by the Government. But the court was closed for vacation from 1-1-1984 to 15-1-1984. The Petition for winding up the company was therefore filed immediately on re-opening of the court on 16-1-1984 in the City Civil Court, Hyderabad and the case was taken on record as P. S. R. No. 27/84. Since the parties were absconding, the court could not serve the summons on the party. The summons sent by the Court were returned un-served as the whereabouts of the party were not available. Steps were taken to publish necessary proclamation in the newspapers on 17-3-1984. The Court is seized of the matter and the winding up process of the company is in progress.

The probable amount of the public cheated under Chit Fund is about Rs. 21,60,000. As against this amount, security deposits to a tune of Rs. 1,30,000 are available. The complainants were also advised to file criminal complaints with the police for fraud and cheating since these offences come within the purview of
Matters Under Rule 329

Re. Cheating of People by Hyderabad Public Welfare Chit Fund

Indian Penal Code under sections 406 and 420. The Commissioner of Police was also addressed to apprehend the culprits and prosecute them for cheating the public.

Three cases of crimes are under investigation to arrest the accused. On information that they are available at Ajmer and Bidar, police parties were sent but the accused could not be traced. All efforts are being made to prevent them from going abroad. Information was furnished to all Sea-ports and all Air-Ports in India. Passport authorities were addressed to cancel their passports. They wrote back to the Police saying that they should get the order from the Court. The Police are moving the Court to impound their passports. They were also advised to file civil suits in the competent courts for breach of contract according to the terms of the agreement entered into by them with the Chit Fund Company. However, the Branch Managers of Canara Bank, Basheerbagh, Narayanaguda, State Bank of Hyderabad, Tank-bund and Tamilnadu Bank, Basheerbagh, with whom the Chit Fund foreman had accounts, were addressed not to allow any withdrawal of money until further intimation in the matter. The amounts in the banks at the credit of the firm are very meagre. All the F. D. Rs available were frozen and the records were seized.

SRI S. JAIPAL REDDY :- I know how the Finance Minister is feeling shy to refer the case about which he himself would not have any confidence...

SRI N. BHASKARA RAO :- With full confidence. I am making this statement based on the material available.

According to the provisions of the Andhra Pradesh Chit Funds Act, 1971 for most of the contraventions of the Act, a maximum punishment possible under the act is levy of a fine of Rs. 100/-. In fact, one chit fund owner who is a very wealthy man, has said that his hand is there in the preparation of the Bill during a particular Chief Minister's regime. According to the said Act, the Chit Registrar cannot compel payment by the person running the chits to the subscribers or vice versa. The running of the chit business is a contractual obligation between the foreman and the subscriber. In the byelaws of the Chit, the foreman proposes the conditions according to which he wants to run the chit. In the chit agreement the foreman and the subscribers enter into an agreement and the chit will be run on the terms and conditions agreed to in the chit agreement and byelaws. If there is a breach of contract, the aggrieved can go to a court of law for the performance of the terms of the agreement.
The said Act provides for registration of bye-laws, filling or chit agreements, filling of minutes substitution etc. by the foreman. If there are irregular entries in filling these returns, the foreman is liable for action for which the court can levy a maximum penalty of Rs. 100/-.

The present Act is found to be ineffective in protecting the interests of the concerned. More active part other than being a mere recording agency is not contemplated by the Act on the part of the Department. In case of fraud, deceit, practised either by the foreman or subscriber, they can go to court of law and the records available with the department are of evidential value only. Since there is no uniform law on chit funds, the Centre had enacted a legislation making it applicable for the entire country. The implementation of the Act is deferred until the House Committee of the Andhra Pradesh Legislative Council concludes its deliberations.

In the discussions of Legislative Council recently, it was examined by the members how the present Act on Chit Funds was infirm and ineffective. In view of the infirmity of the present Act on Chit Funds, the Chairman of the Andhra Pradesh Legislative Council has appointed a House Committee to go into the working of the Chit Funds in the State and to suggest measures for the better working of the Chit Fund Companies and to protect the interests of the subscribers.

SRI S. JAIPAL REDDY -: Sir, I am really astounded that the Minister should have read out such a lengthy statement for such a hollow cause. The Minister confessed that the passports are not still impounded. According to us, the culprits have already escaped from the country itself and the Banks were addressed to in respect of non-withdrawal of deposits after the deposits had been withdrawn. Thirdly, he referred to the complaint. If one complaint was launched and if the authority concerned had checked the accounts, found the accounts to be so faulty as to warrant winding up of the company itself, I do not know how the withdrawal of complaint by the complainant would warrant withdrawal of the case itself. An individual complaint can always be managed by a company which is run by such cheats as these two gentlemen. The Minister was generous enough to disclose to the House that one owner of a chit fund company had in fact bragged and said that he got the 1971 Act enacted according to his wishes, needs, whims and fancies during the regime of a particular Chief Minister. So, the Minister should be able to take the House into confidence and say as to who was that owner of the Chit Funds who bragged like this and who was the great Chief Minister.
who held to be managed so conveniently by this owner of the Chit Fund Company? We said that the INTERPOL must be contacted and if necessary extradition proceedings must be instituted. We also placed that action must be taken against all such officials, police and otherwise who have been guilty of dereliction of duty or guilty of collusion in the matter. The Minister has not answered those points. He has merely read the prepared statement. We do reiterate and seek clarifications for the points raised. Let the Minister be directed to answer as the Members raise their points.

SRI N. BHASKARA RAO:— Then, I will become Sathavadhani and let him become Ashtavadhani

Re. Cheating of People by Hyderabad Public Welfare Chit Fund

Once it was brought to the notice of the concerned saying here is a cheat and immediately they have taken steps. That is their duty.

Mr. Deputy Speaker: Now, Mr. Madan Mohan.

Sri A. Madan Mohan: Sir, I first stood up and since you had asked Mr. Jaipal Reddy to speak, I sat. Then Sri Raghava Reddy spoke. If you are not allowing me to speak, I have no objection. But preference should be given to the Opposition leader and this is not the way. I have no complaint against the mover.
Matters Under Rule 329  
Re. Cheating of People by Hyderabad Public Welfare Chit Fund.

SRI M. VENKAIAH NAIDU :- Sir, I have no objection in giving preference and time to the Leader of the Opposition because he is more senior to me.

SRI N. BHASKARA RAO :- It is a small thing. Even in 29's, since the Opposition leader wants to say something, preference should be given to the Opposition leader.

SRI M. VENKAIAH NAIDU :- Sir, I cannot agree with the Minister since it is not in practice for rule 329.

SRI N. BHASKARA RAO :- Normally, Sir, next to the Chief Minister, leader of the House, immediately after that, it is the Opposition leader who would come. It is parliamentary practice.

SRI M. VENKAIAH NAIDU :- It is with regard to speeches or debates.

SRI A. MADAN MOHAN :- Sir, do I have the permission of the Chair? We are fighting like children and I expect my friends to be more mature and gracious in understanding things. This does not add to anybody's prestige including myself or other friends who are disputing on this small thing.

SRI M. VENKAIAH NAIDU :- I take strong objection to this. What is Childish? Is this maturity and is it the way to question about other Members?

SRI A. MADAN MOHAN :- I have stood with the permission of the Chair.

SRI M. VENKAIAH NAIDU :- I am asking the direction of the Chair in this regard. As per the parliamentary practice and rules and conventions, the Member who has given notice, he must be given preference even before the Chief Minister. Why it is that the Finance Minister is not allowed to make the statement first, it is because rule says the Member first should raise the matter. If he says, it is childish, who is childish?

SRI A. MADAN MOHAN :- I have no regrets to what I have said already. I have employed the language very carefully.

SRI M. VENKAIAH NAIDU :- I only want that the Speaker should give a ruling on this. If it comes to that, then there is no necessity for anybody to give notice and you might go by practice.
SRI A. MADAN MOHAN :- It is a matter of convention, it is a matter of adjustment. I said it is a small thing. On a number of occasions, I allowed other Members to speak earlier. Here I sought the permission of the Chair.

SRI A. MADAN MOHAN :- I never said that. Please do not put words into my mouth which I never said. If they can recall my conduct during the last two sessions, they must be able to realise...

SRI N. BHASKARA RAO :- I will answer each and every point raised—whether it is beginning or after......

SRI A. MADAN MOHAN :- It is civil liability The Hon. Minister read out extensively the Laws of contracts. What is civil liability and criminal liability? It is entirely different this statement only entails the procedure which has been laid down as per the Act which is in force? Though there is civil liability, that does not prevent the Government or the police to take criminal action against these persons when a case against them has been registered. Under Sec. 406 & 420 For the last 20 days, no action was taken against them, though these matters were brought to the notice of the police much earlier. How the Government will come permission for these people to leave our country and why the police have not tried to trace them out. The Government should have been more vigilant in this case. Let the Minister distinguish between the civil and criminal liability in this case. I am not questioning about the civil liability—Whether the Government have given effective instructions in these regard and supposing the criminal liability is there, then what action the Government is going to take in the matter? So, the Government have to take all these things into consideration and it should look into all these aspects. The Government cannot absolve its responsibility. Otherwise, it would be considered as dereliction of the duty on behalf of the Government and more particularly by the police department.

Matters Under Rule 329
21st March, 1984

The matter under Rule 329 has been referred to the Financial Commissioner by the Government of Andhra Pradesh, vide letter No. 27/72/FD/WA dated 30th March, 1971. The said letter is reproduced below:

The Government of Andhra Pradesh has received a petition from a merchant in the city of Hyderabad, alleging that he has been cheated by a certain chit fund. The chit fund, it is alleged, has failed to pay the amounts due to the petitioner.

In view of the above, the Financial Commissioner is hereby directed to take appropriate action under Rule 329 to ensure that the petitioner's rights are protected.

Yours faithfully,

Re: Cheating of People by Hyderabad Public Welfare Chit fund

As I said earlier, as far as these facts are concerned, I am not disputing with the Minister.

What prevented you on that day to arrest them?

One of the residents of the Hyderabad City stated in the News paper that he has seen these people in Karachi. Have you tried to contact that gentleman and tried to find out from him as to where he has seen them, etc.?

Will you take up this matter with the Central Government?

SRI M. VENKAIAH NAIDU: This matter involved crores of rupees.

The honorable Mr. Justice: The petitioners have filed a petition alleging that the Azam Jahi Mills has been involved in a strike from 14-3-1984. The petitioners state that the strike has caused significant problems for both the company and the workers. They request that the strike be terminated immediately.

The petitioners further state that the strike is illegal and that the company has been causing substantial damage to the economy. They request that the strike be declared illegal and that the company be given a certain time period to negotiate with the workers.

The petitioners also request that the strike be considered for compulsory arbitration, and that the company be ordered to pay compensation for any losses incurred during the strike.

The petitioners conclude by stating that the strike has caused significant problems for both the company and the workers, and that the strike should be terminated immediately.

Re: Strike by the working of the Azam Jahi Mills, Warangal from 14-3 1984

Therefore, give direction to the management and see that the workers are paid their wages.

Government cannot be made responsible. Moreover, it is not a weaker section.

CALLING ATTENTION MATTERS

re: Indiscriminate increase in price of Cement.

The Hon'ble Member:

28.2.1982

In view of the indiscriminate rise in the price of cement, a number of petitions have been received in the Assembly. There is a general feeling in the minds of the people that the price of cement is being grossly inflated. The cost of living index of the working man and the laborer has also been increased. It is said that the cost of production has not increased to the extent of the price rise. The Government should take immediate steps to check the rise in the price of cement. The Department of Industrial Development should be directed to take steps to bring the price of cement down to a reasonable level.

J. R. Narayana: I would like to support the resolution of the Member. The price of cement has doubled in the last one year. The cost of living index of the working man has also doubled. The Government should take steps to bring down the price of cement to a reasonable level. The Department of Industrial Development should be directed to take steps to control the production of cement.

P. G. Reddy: I would like to support the resolution of the Member. The price of cement has doubled in the last one year. The cost of living index of the working man has also doubled. The Government should take steps to bring down the price of cement to a reasonable level. The Department of Industrial Development should be directed to take steps to control the production of cement.

R. Venkataramana: I would like to support the resolution of the Member. The price of cement has doubled in the last one year. The cost of living index of the working man has also doubled. The Government should take steps to bring down the price of cement to a reasonable level. The Department of Industrial Development should be directed to take steps to control the production of cement.

re: Indiscriminate increase in price of Cement.

Sir,

The ministry having received a petition from the Hon’ble Chairman, Andhra Pradesh Co-operative Cement Ltd., dated 21-3-1984, states that the following increases in prices have been notified:

- 1.1.1982: 50 cts.
- 1.5.1982: 66.6 cts.
- 1.1.1984: 18.75 cts.
- 1.1.1984: 33.3 cts.

Such an indiscriminate increase in prices is very unexpected.

Yours faithfully,

re: Indiscriminate increase in price of Cement.

The increase in the price of cement is an issue of concern. There is an understanding between manufacturers of cement and the Central Government through the Regional Controller at Madras. It is important to note that there is a systematic plundering going on.

re: Indiscriminate increase in price of Cement.

Market depends upon conditions, seasonal fluctuations, supply and demand. So, that cannot be linked. The Central Government has nothing to do with the State Government. The five to six lakh tons of cement allotted by the Central Government, we are distributing equitably.

re: Irregularities in submitting Annual Returns by the management of Andhra Pradesh Carbides Limited.

Sri. S. Venkateswarlu: As you are aware, the Andhra Pradesh Carbides Limited has been facing difficulties in submitting their Annual Returns to the Government. The company has been irregular in submitting these returns for the past few years. The latest annual return was due on 30th June, 1983, but it was submitted only on 12th July, 1983.

I am therefore, requesting you to take appropriate action to ensure that the management of Andhra Pradesh Carbides Limited submits their Annual Returns within the prescribed time-limit.

Sri. S. Venkateswarlu: (Continued from previous page)

I would also like to bring to your notice that the company has made some improvements in their financial performance during the recent years. However, there is still scope for further improvement in their operations.

I request you to consider this matter and take necessary action.

re: Irregularities in submitting Annual Returns by the management of Andhra Pradesh Carbides Limited.

Sri. S. Venkateswarlu: (Continued from previous page)

I am writing to draw your attention to the irregularities in submitting Annual Returns by the management of Andhra Pradesh Carbides Limited. The company has been facing difficulties in meeting the deadlines for submitting their Annual Returns.

As you are aware, the latest annual return was due on 30th June, 1983, but it was submitted only on 12th July, 1983. This is a serious breach of procedure.

I request you to take appropriate action to ensure that the management of Andhra Pradesh Carbides Limited submits their Annual Returns within the prescribed time-limit.

Sri. S. Venkateswarlu: (Continued from previous page)

I am enclosing a copy of the latest annual return for your reference. I hope that you will take this matter seriously and take necessary action to improve the situation.
