Q: 15. Narthaki theatre: Object of the Narthaki theatre, started in May 1983. The collection in May was Rs. 421000 and you know Sir, the number of Telugu cinemas are released every month—not every year. Every month a new cinema is coming and all these leading theatres are screening only new Telugu pictures.

I am requesting him to see about the Narthaki theatre in item No: 17. This theatre was started in May 1983. The collection in May was Rs. 421000 and you know Sir, number of Telugu cinemas are released every month—not every year. Every month a new cinema is coming and all these leading theatres are screening only new Telugu pictures.

If the theatre owner is interested to retain the original system, he can do so! Therefore the slab system is not a remedy at all.

Sri N. Bhaskara Rao: Sir, that is being amended and that is what I have mentioned. The concerned Hon’ble Minister will be bringing the amendment to-morrow or so, when the Bill comes. The decision has been taken. It is over.

Sri S. Jaipal Reddy: Sir, what is the action to be initiated against the officials who have been hand in glove with the theatre owners?

Sri N. Bhaskara Rao: Sir, certain irregularities brought to our notice. Certain irregularities were brought to the notice of the Hon’ble Members of this House i.e. on the floor of this House. can sequently in pursuance of that we have taken necessary steps. The findings of the officers is that there is not so much of evasion and as such only the compound money we got was Rs. 20,000 i.e. what we got. I informed this to the Hon’ble Members also. Excepting this what more I can do Sir?

Mr. Speaker: The next question i.e., No: 178 is post-poned at the request of the Member.

(e) Whether it is a fact that the people are killing sorcerers in the said places;
Sri S. Jaipal Reddy:- sir, such issue is leading to murders free in the rural areas. That is the reason why I wanted to highlight the issue. My suggestion is wherever there is suspicion of incidence of ‘Banamathi’ a team of Scientists by the Government should be sent to ascertain the veracity.

Sri M. Venkaiah Naidu:- Sir, when we are not believing there is “Banamathi” there is no necessity to send Scientists. Sir, here, Banamathi means, “Ræ (śantham)” (śa) śabdabhy. That is nothing more than that. You must expose the people who are trying to spread such types of rumours.

Oral Answers to Questions

Sri N. Bhaskara Rao:—Sir, I will take those steps in future but I informed the Hon'ble Speaker as to why it was asked for postponement—because the necessary and sufficient information have not come so far.

Sri Nissankarao Venkataratnam:—Sir, it is not the question of individual Minister or individuality.

Sri M. Venkaiah Naidu:—Sir, I fully support with his view. This matter was brought to the notice of the House a number of times. To-day also, I do not know, due to lack of time you must have announced like this. But the Member concerned must give consent for the postponement.

Mr. Speaker:—Suppose the Member does not give his consent?

Sri M. Venkaiah Naidu:—Sir, it should be answered: The Minister should be taken task. If the Minister does not have the information, he must face the House....

Mr. Speaker:—Alright—we will follow the procedure.

The rule is so rigorous and where is the "use" of the Rule?
All of a sudden, if you say it is postponed,

Where is the Rule and where is the procedure?

As a matter of fact, I think it is not a good precedent in this House. I request the Hon’ble Speaker, atleast to go into the spirit of the rule hereafter.

Mr. Speaker:- Yes hereafter it will be observed.

Sri N. Bhaskara Rao:- Sir, I request the Hon’ble Speaker, instead of postponing it kindly fix a date with in ten and I will get the information and answer on various matters.

Mr. Speaker:- Yes-Now let us take up L A Q , postponed from 16-2-1984, please.

BUSINESS OF THE HOUSE

I will give you concrete evidence to that.

(SINTERRUPTIONS)

Sri Vasantha Nageswara Rao; Our questions are also not coming up, Sir. He cannot charge us like that

(APOLOGIES)

Sri A. Madan Mohan; I am not charging the Members. It is against the Legislature Secretariat. They should bear it in mind.

(INTERRUPTIONS)

What for we are meant here?

Are we here to play the second fiddle to the Government?

Is that the way you think that we function here?

We expect the Speaker to be impartial.
Mr. Speaker: It is not a matter to be discussed in the House. We will discuss in the Business Advisory Committee.

(Sir A Madana Mohan: Kindly bear with me. Most of the sensational issues which we have brought here, all those matters have been suppressed. We are deprived of bringing them here.

Mr. Speaker: There are certain guidelines to be followed.

Sri A Madan Mohan: It is our prerogative

Mr. Speaker: You cannot expect the Speaker to admit each and every question. There are certain guidelines to be followed.

Sri A Madan Mohan: When a Member of this House holding a responsible position wanted to know the arrest of the Government Whip which has been notified. We raised this issue. Is it not an important one?

Mr. Speaker: It is not a thing to be discussed here.

Sri A Madan Mohan: We have shown the highest sense of discipline and restraint. We have conducted ourselves in a most dignified manner. Probably you would not find another example in the annals of Legislature history and also in other Legislatures also;

What are the rules? When a Government Whip has been arrested and when the Members wanted to know......

(interruptions)

Mr. Speaker: It is not a thing to be discussed here.
Sri A. Madan Mohan: We raised the issue pertaining to Sri Ramaiah Chowdary. He has been prosecuted four times. That is a matter of public importance. I have personally given and persuaded to allow this. You have again disallowed saying within five days I will get the answer. 18 days had passed. This is my privilege to raise this in the House.

Sri A. Madan Mohan: 5. (Manohara Reddy) — The question was to be answered within five days. 18 days had passed. This is my privilege to raise this in the House.
What will happen to the procedure of the House

We have given in detail This is regarding continuous teasing by some youth in Chebrolu town, Guntur district Kum. Ramineni Parvathi aged 17 studying in Government College, Chebrolu, native of Kovelamudi village was dead on 5-2-84 at her house. She wrote a letter to her lady friend explaining why she is leaving the world. This is a serious issue.

They gave a notice relating to the atrocities committed against the girlstudent of the Junior College, Chebrolu, Guntur.
Sri S. Jaipal Reddy: The question was not for the publication of bulletin, it was to ascertain the circumstances that lead to the arrest of the Government Whip.

Sri D. Narayanaswamy: They are agitated on account of the fact that there is no sufficient time allowed by the Speaker. All questions are not being allowed to be answered by the Government. A new approach has to be made. The time allowed since good old days is not sufficient. You try to change it by two hours.

Mr. Speaker: It is for the Rules Committee to decide.

Sri D. Narayanaswamy: It is not so simple. The activities of the Government have increased enormously. It is the duty of the Assembly Members to expose it. Sufficient time is not allowed. This is a problem that can be solved easily by increasing the time.

Mr. Speaker: It is for the Rules Committee to do it.

Sri D. Narayanaswamy: Time should be increased so that we can serve the public better.

Mr. Speaker: It is a good idea.

Sri K. Lakshma Reddy: It is the discretion of the Speaker to allow or disallow the questions.

Let there be a ballot. I will give you some details. The Short Notice Questions received are 590, answered already 24, the
S. N. Qs admitted are 48. Notices under Rule 329 are 263 25 were answered.

We can take a privilege motion against the Minister concerned and the department concerned. It is a relevant thing
