POINT OF INFORMATION

Re: Boycott of Press

Mr. Shyam Singh (Mulugu) — Sir, I would like to know whether the government is aware of the boycott of the press by certain newspapers? If so, what measures has the government taken to address this issue? Is the government aware of the fact that these newspapers are being supported by foreign forces? If so, what steps has the government taken to ensure that these newspapers are not influenced by such forces? As per the law, what action has been taken against these newspapers? Please take the necessary steps to address this issue.

Mr. Mallareddy (Rajam) — I support the sentiments expressed by Mr. Shyam Singh. The government is aware of the boycott of the press. We have taken appropriate actions to address this issue. The government has condemned the boycott of the press and taken legal action against those responsible. The government has also taken steps to ensure that the press is not influenced by foreign forces. The government will continue to monitor the situation and take further actions as necessary.

Nomination of Peoples Representatives in the APSEB

3675-Q. Sri Nisankara Rao Venkataratnam :- Will the Minister for Finance and Power be pleased to state:
(a) What is the composition of Board of APSEB:
(b) Whether it is a fact that there is a statutory prohibition to nominate people's representatives on the Board; and
(c) The steps taken by the State Government with the Central Government to change the nature of composition so as to include the people's representatives?

3675. Venkataratnam :-
(a) Composition of Board of APSEB:

(b) Whether it is a fact that there is a statutory prohibition to nominate people's representatives on the Board:

(c) Steps taken by the State Government with the Central Government to change the nature of composition so as to include the people's representatives.
Section 5 (2) says 'Board shall consist of not less than 3 and not more than 7 will be appointed by State Government. Section 5 (4) (a) says 'one shall be a person who has experience and has shown capacity in commercial matters and administration (b) one shall be electrical engineer with wide experience (c) one shall be a person who has experience of accounting and financial matters in all public utility undertakings.' These are all technical members. So far as the prohibition is concerned, a person shall be disqualified from being appointed or being a Member of the Board if he is an M.P. OR ANY State Legislature or any local authority. Clearly it prohibits the appointment of a legislative member. The question that is raised by a Member whether the State Government has written to the Central Government for relaxation of this condition. No other State had taken so far. I will take necessary steps to that extent.

Sri N. Bhaskara Rao :- I will take necessary steps immediately, otherwise the Board has its own independence. It has nothing to do with the Government under the Act.

Sri A. Madan Mohan (Siddipet):— It is not correct for the Minister to say that the Government does not have any powers. It is central Act. If he carefully goes through the Act it will be known. This is a major policy matter where the Government can intervene.

Sri N. Bhaskara Rao: I never said the Government has no power. It is a Central Act under which the Board was constituted. As such certain specifications were mentioned. The member asked whether there is a possibility of appointing non-official members also. It is only in that connection I am answering.

Sri N. Bhaskara Rao:— I have already mentioned. I am taking necessary steps to that extent.

Supply of Urea to Cotton Growers of Pedakakani Village by the Agri Dept

138—

3211 Q.— Sarvasri M Ramakrishna Rao, M. Omkar, Smt. M Swarajyam and Sri M. Yerraiah Reddy: Will the Minister for Agriculture and Co-operation be pleased to state:

(a) whether Government are aware of the short release of Urea allotted to Cotton Growers of Pedakakani village of Guntur district in September 1983 by the Agricultural Department Officials;
46 5th March, 1984. Written Answers To Questions*

(b) whether it is a fact that the above short release was made with mala-fide intention; and

(c) the action taken by the Government against concerned officials?

A.— (a) Twenty MTs of Urea on 10% rebate was supplied by Food Corporation of India to the farmers of Pedakakani village and necessary arrangements were also made for the supply of the Urea through private agencies. The requirement of the village was completely met during September and October 1983.

(b) The Urea available was adjusted to all the needy farmers in the district and hence it is not done with any mala-fide intention.

(c) Does not arise.

Matters Under Rule 329 :

re : Murder of Sri Gopal Reddy and Sri Ramachandra Rao by Radicals at Jagityal, Karimnagar district on 19-2-84.

10-00 a.m.

I. 34. 5th March, 1984. re : Murder of Sri Gopal Reddy and Sri Ramachandra Rao by Radicals at Jagityal, Karimnagar district on 19-2-84.

Why do you repeat again and again.
Matters Under Rule 329:

re: Murder of Sri Gopal Reddy and Sri Ramachandra Rao by Radicals at Jagityal, Karimnagar district on 19-2-84.

Sri N. T. Rama Rao: I told everything. It shall be brought out through investigation by the Intelligence department.

Is it satisfactory? Is it the way of conducting such a sensitive and serious matter? What is the immediate action the Government want to take till the final action is decided? Whether he should be arrested or removed to some other place?

Matters Under Rule 329:  
re: Murder of Sri Gopal Reddy and Sri Ramachandra Rao by Radicals at Jagityal, Karimnagar district on 19-2-84.

Mr. Speaker: It is too much. First you resume your seat.

Mr. Speaker: You have raised the issue. The answers is given by the Chief Minister. That is the end of the matter.
Matters Under Rule 329:

re: Murder of Sri Gopal Reddy and Sri Ramachandra Rao by Radicals at Jagityal, Karimnagar district on 19-2-84.

Mr. Speaker: I can't understand this sort of demand. I gave you time. You raised the matter and the Chief Minister answered. How long you go on like this? I am very sorry.

Sri M. Venkaiah Naidu: I will tell you that a day will come when you have to take up a motion on the death of one of the members of this House. It is such a serious issue.
Mr. Speaker: What do you want me to do?

Mr. Speaker: How many times you repeat.

Mr. Speaker: What do you want me to do?

Sri A. Madan Mohan:— As far as our Party is concerned we are equal distance with the R.S.S. or with the extremists. Our Party eschews violence. About law and order situation I would like to say that it is dwindling in the State. Nobody is safe. They cannot heave a sigh of relief. That is the situation which is engaging the minds of everybody. We are not concerned with whatever philosophy one might have in democracy or the ways of preaching it. I have been a silent observer of what is going on in this House. I get a feeling that this Government is taking up these matters in a very casual manner. It is callous in its attitude. The Chair should give us protection. On a number of occasions whenever such a situation arises it is the Speaker who has to reprimand the Ministers or the Government. First of all we are not happy with such things. You should give one hour time for discussion on the law and order situation. Every day, several crimes are being committed, Robberies, Decoities, Rapes, Extremists killings, and nobody is taking steps? Do you think that the State is in a safe position? I do not know who can take it as a casual manner. We are the elected the people and we have the sense of responsibility. The Government should take necessary steps in regard to security and protection of the citizens of the State. What would be feelings of the people living outside? As far as my feeling is concerned, I am not satisfied. There is a specific allegation against one of the colleagues of the Chief Minister. We cannot just treat this in a very casual manner. When it is being
specifically mentioned about the whole episode, it should be looked into and on earlier occasions, the Chief Minister has given certificates. This issue is a serious issue and the law and order situation has to be taken in a serious way. On other day, the Pressmen were beaten. You treated that in a casual manner. Bank Robberies are there, decoities are there and you are taking in a casual manner. Extremists activities and killings are there and probably the R.S.S. will counter-act. I am not speaking from a political angle. I am speaking from the angle of a common citizen. What kind of terror and tension he will be having, you just imagine! The Chief Minister has to own responsibility very squarely and he has to give account to the public.

Sri N. T. Rama Rao:— Law and order is the primary obligation of the Government and we will enforce it to the maximum extent for an effective way. The Government know about all these things and it shall spare no efforts to keep every thing in order. I assure the Hon’ble Members through you, Sir.

In regard to Bank Robberies, among the culprits, many of them have already been brought to book and the Department is taking maximum care, to help the people.

Regarding allegations, even on my colleagues, I am not sparing. I will use my Intelligence Department to prove about every thing.

(INTERRUPTIONS)

Mr. Speaker:— I do not allow any discussion.

Mr. Speaker:— Do not provoke me and do not interrupt.

re: Harassment and killing of a Harijan youth by high caste landlords in Thujalpur, Donakonda Tq., Nizamabad Dist.

To the Editor:

A 17-year-old Harijan youth named Bhuvanshwar from Thujalpur, Donakonda Tq., Nizamabad Dist., was brutally murdered by his landlord on 24th March. The landlord, a cowherd, has been arrested and charged with murder.

The victim, who was a student, was allegedly attacked by his landlord and his family members on 24th March. The landlord accused the victim of stealing their cattle and beat him severely. The landlord then shot the victim in the head and left him to die.

The victim's family have appealed for justice and compensation. They are seeking the protection of the police and the government to prevent further incidents of harassment and violence.

Sincerely,

re: Harassment and killing of a Harijan youth by high caste landlords in Thujalpur, Donakonda Tq., Nizamabad Dist.

We, the members of the local community, hereby bring to your attention the heinous crime committed by the high caste landlords in Thujalpur, Donakonda Tq., Nizamabad Dist.

On the 1st of March, 1984, a young Harijan boy, identified as [name], was brutally assaulted and killed by the landlords. The incident took place near the village community hall, where the boy was attending a community meeting.

[Name], who was involved in community activities, was targeted due to his active participation in advocating for the rights of the Harijan community. The attack was premeditated and carried out with the intention of intimidating other community members.

Witnesses reported observing the landlords and their cronies surrounding the area with weapons and blocking entry to the meeting hall. The perpetrators then entered the hall and proceeded to assault the victim, inflicting fatal injuries.

We, the local community members, demand immediate action from your office to ensure justice for the victim and to prevent such brutalities from recurring in the future. We urge you to conduct a thorough investigation of the incident and bring the perpetrators to justice.

Signed,
[Names of witnesses]

re: Harassment and killing of a Harijan youth by high caste landlords in Thujalpur, Donakonda Tq., Nizamabad Dist.

The issue of high caste landlords harassing and killing Harijan youths is alarming. The situation has escalated to such an extent that the community feels neglected and unprotected under the current administration. The recent incident in Thujalpur, Donakonda Tq., Nizamabad Dist., where a Harijan youth was harassed and killed by high caste landlords, highlights the inherent bias and discrimination faced by the community.

The administration needs to address this issue with greater urgency. Immediate action should be taken to ensure the safety and well-being of all citizens, especially the weaker sections of society. The community demands strong measures to prevent such incidents from happening again and to ensure justice for the victims.

The government must take a proactive role in addressing these issues. Immediate steps should be taken to investigate the incident and take necessary action against the perpetrators. The community's trust in the administration is at stake, and failure to address these issues promptly will only exacerbate the situation.

The community also demands a thorough investigation into the incident to ensure transparency and accountability. The media and public should be kept informed about the progress of the investigation and the actions taken by the administration.

In conclusion, the community demands immediate action by the government to address the issue of high caste landlords harassing and killing Harijan youths. The administration must take a proactive role in ensuring the safety and well-being of all citizens, especially the weaker sections of society. The community awaits the administration's response to this pressing issue.

re: Disappearance of a student from Hostel of St. John’s Upper Primary School, Mamillagudem, Khammam District.

Dear Sir,

I am writing on behalf of the management of St. John’s Upper Primary School, Mamillagudem, Khammam District, to bring to your kind notice the disappearance of a student from our hostel.

The student, a resident of our hostel, was last seen on the evening of the 4th March, 1984. Despite all our efforts to locate him, we have not been able to find him. We have informed the police and our staff is currently searching for him.

I request your assistance in locating this student. Any information you can provide would be greatly appreciated.

Yours sincerely,

re: Disappearance of a student from Hostel of St. John’s Upper Primary School, MamiHagudem, Khammam District.

On this day (5th March, 1984), we wish to draw attention to a matter concerning the disappearance of a student from the hostel of St. John’s Upper Primary School, MamiHagudem, Khammam District.

The student was last seen on the evening of the 2nd March, 1984. Despite efforts to locate him, no trace has been found so far. The authorities have informed the police, but no action has been taken in a timely manner.

We are concerned about the lack of proper communication between the school and the parents. It is essential that such incidents are reported immediately to the relevant authorities to ensure the safety and well-being of the students.

We urge the school management to take all necessary steps to ensure that such incidents do not occur in the future. We also encourage the local authorities to take immediate action in cases of missing persons to prevent any unnecessary delay in reporting them to the police.

Government Bill:

The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

Mr. Speaker:— Now we shall take up for the consideration of the Statutory Resolution and A. P. Educational Institutions Bill.

Statutory Resolution:

Government Bill:

The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.
Government Bill:
The Andhra Pradesh Educational Institutions (Regulation of Admission
And Prohibition of Capitation Fee)
Second Amendment Bill, 1983.

Are you allowing this College to run without the hospital? Is it not true that the students would suffer without proper training and experience? What are exactly the reasons that prompted this Government to run this Medical College with this fashion? Is there any Medical College like this? Is it not true that the Indian Medical Council has said that the conduct of courses in this College does not conform to the norms and standards prescribed by Indian Medical Education. How are you allowing this College to run? You are not only allowing this College to run but handing over back to private management. You are also allowing a provision for admission to non-resident Indian students through capitation fee when you know fully well that the scope is meagre. Still you are insisting on this atrocious management. Why are you insisting on this atrocious management? Why are you allowing an Institution which is not fit for any medical education? We had an occasion to mention about this in the House that the credibility of this Institution has been fairly damaged and the Govt. should take action. We are charging with full sense of responsibility that they have dysfunctionalized either by way of mis-appropriation or unauthorised spending to the tune of Rs. 3 crores. You are reposing faith in them. I do not understand why Mr. N. T. Rama Rao has this kind of special consideration for this Institution. We had an occasion to mention about this in the House that the credibility of this Institution has been fairly damaged and the Govt. should take action.
The Andhra Pradesh Educational Institutions (Regulation of Admission and Prohibition of Capitation Fee) Second Amendment Bill, 1983.

The funds to be invested by the Government are huge. The financial implication of take over of this College would be tremendous. But is the Private Management raising the funds? No. It has been clearly pointed out by me and other Members that based on the experience, this would not be possible for the private management also. Above all, I mentioned earlier, that it is not possible at all physically for this Medical College to run on sound lines without a hospital. Therefore, the only rational solution is to take over this College. Let the students have standard and adequate medical education. Let us not have any perverse decisions. It is not too late to take an appropriate decision on this.
We have been observing what has been happening. This College was started during the Congress regime. The original purpose for which it was established is not defeated.
The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

Capitation fee, in principle, you have accepted in Siddhartha College, for the non-resident Indians. Has it been accepted in principle? Has it been accepted after taking into account the cost of education? Has it been accepted after taking into account the needs of the Institutions? Has it been accepted after taking into account the financial burden on the students? Has it been accepted after taking into account the financial burden on the family of the students? Has it been accepted after taking into account the financial burden on the Institution? Has it been accepted after taking into account the financial burden on the family of the Institution? Has it been accepted after taking into account the financial burden on the Government? Has it been accepted after taking into account the financial burden on the State? Has it been accepted after taking into account the financial burden on the Country? Has it been accepted after taking into account the financial burden on the World?

You must see how the Colleges are functioning? Are they functioning satisfactorily? Are they functioning efficiently? Are they functioning effectively? Are they functioning profitably? Are they functioning for the good of the students? Are they functioning for the good of the Institution? Are they functioning for the good of the State? Are they functioning for the good of the Country? Are they functioning for the good of the World?

Government Bill:
The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

I am not in agreement in this matter with my friend. Sri S. Jaipal Reddy:— I did not ask to wind up the College. I said if they cannot provide a Hospital, I said it is better to wind up the College. I also said otherwise, we will produce Doctors who will kill the patients.
Government Bill:
The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

Sri A. Madan Mohan:— Sir, This matter was brought before the House last time. All the Members sitting on the opposition benches have vehemently opposed the college being handed over to the private management. It was a fact that when we met in the B A.C. Mr. Jaipal Reddy has categorically enforced that the credibility of this Government would be at stake, specially after the pronouncement and announcement that all the private colleges are being taken over. It is not proper to leave this college in isolation and allow it to go into the hands of the private management. It is further clarified by me and we insisted upon this Government through the Chief Minister to take over this college and thereby establish its credibility and fulfil its promises made before the polls to the public about education being put on sale. We thought wiser counsels will prevail upon this Government and they would be able to look to the rational of what is suggested to them. It is unfortunate that they have not taken lessons. We have persuaded this Government through the Chief Minister to take over this college. I cannot appreciate the logic behind this college being entrusted to the private management. I am not here to make allegations. Why this fawning attitude is shown by this Government to this professional college. There were certain institutions in the State like Kakatiya Medical College in Warangal. It was started with private management and ultimately it was taken over by the Government. How the previous Government had taken over it? The fact is that the previous Government had followed certain conditions. One of the conditions was that it shall review at the third year. The Government have satisfied, Will it take it over now? This is the third year or fourth
year where this Government could have certainly invoked that clause and taken it. Unfortunately the Government is not prepared to take. Regarding the question of non-residents, why a particular favourable attitude is shown to such of those students who stay not in our country but outside. I don’t think there is any obligation on the part of the State or Central Governments to provide medical educational facilities or other facilities to such of those children who are not staying here, who have taken citizenship in other countries. I don’t know whether they have a strong consideration to get tempted. Whether it is there or not it is for the Government to examine and probe into these things. I have got one information. The Minister for Health should be able to correct me. My information is, that the Indian Medical Council observed that this medical educational institution is sub-standard. What will happen to the students? They are neither here nor there. Last time they gave a memorandum to the Chief Minister. They gave copies to all of us. They insisted that this college should be taken over by the Government inorder to ensure proper standard.

About the specialists, professors and assistant professors there are certain standards, norms laid down by medical authorities. Unless those persons who are being taken on the staff fulfil those norms, it is not possible for them to really render medical education. Same is the case in respect of hospital facilities. It is not correct for Mr. Venkaiah Naidu to sat that in the agreement that was entered with the State Government, it has taken the responsibility of providing hospital facilities. The argument that was advanced before the then Government was that many students are leaving from Andhra Pradesh to other States and much of the money is being spent in Karnataka where these facilities are provided and as such they thought why not we encourage another institution thereby the money shall be spent here itself without any strain on the Government exchequer and another institution will flower. Personally speaking I never agreed to that argument. I don’t like to go into it. Probably the Health Minister may know the circumstances under which it was given keeping the option open that it will regularise at the third year and if necessary it will take over. As far as the reservations are concerned, that is not in true with the policy of the Government. This is enforced in other Government institutions. When such is the situation, I am worried about the students and their future. Unless the Government really takes up this seriously and tries to improve the institution, otherwise things will not be
better. Perhaps, ultimately whoever may qualify as a doctor, their
degrees may not be recognised by the Indian Medical Council. We
are playing with the future of the students and the future of the staff
who are already employed. It has already promised before the
people that it will take all these private colleges. When you could
adopt this procedure in regard other engineering colleges, what pre-
vent this Government to take over this Medical College. Personally
speaking I can understand the predicament and embarrassment of the
Health Minister. He is a part and parcel of the Government. So,
it is a tight rope walking to him. I sympathise with him. I also
had to pass through many such situations. What I am saying is,
nothing prevents the Health Minister to advise the Chief Minister
and his colleagues and impress upon them the need to take over this
college by the Government. I think he can do it. I hope he will
muster up his will, pool up his courage and carry on his conviction
and try to impress upon his colleagues and the Chief Minister, other-
wise people will have to suspect the bonafides of this Government.
There is already an allegation against this Government that it is
showing some special favouritism to this particular college, though
there are various other factors that are relevant for showing favouri-
tism. I would urge upon this Government to withdraw this Bill and
ultimately announce that the Government is taking over this college.

The Andhra Pradesh Educational Institutions (Regulation of Admission
And Prohibition of Capitation Fee) Second Amendment Bill, 1983.
Consequent on the enactment of the Andhra Pradesh Educational Institution (Regulation of Admission and Prohibition of Capitation Fee) Act, 1983, the institution is prevented from collecting any donations or capitation fee etc. The Government are therefore, faced with the choice of either taking over of the college and running the medical college or allow the management to close down the college, in case they are not able to run the
Medical college. In view of huge expenditure that would involve in taking over the said college, the Government considered it not desirable to run the said institution themselves at this huge cost, unless the college is made a self-supporting one. The Government feel that there is considerable demand for Medl. Education from non-resident Indian and foreign students by paying the cost of Education. The Government have therefore decided to amend the A. P. Educational Act......

Even those 5 or 6 students should be considered very bold and they must be awarded some prize for the moral courage they have shown.

Government Bill :
The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

Sr. T. Rama Rao:— Sri R. Chandrashekar observed that last year there were 68 seats. Now it has been increased to 70. Is it true?

Sr. S. Jaipal Reddy:— When he moved the Bill last year, it was stated in the Statement of objects and reasons that there was lot of scope in regard to response from non-resident Indian students. Our experience in the last one year has been dismally poor.

Sri S. Jaipal Reddy:— Our experience has been the allotment of seats has not been revised and it has been kept in tact.

Sr. T. Rama Rao:— The allotment of seats is not the same. The number is 25 for the M.B., 14 for the M.B. B.S. 4 for the B.B.A. and B.B.B. 63 for others. When he increased the seats, it has been kept in tact.

Sri S. Jagadish Chandra:— When he moved the Bill last year, it was stated in the Statement of objects and reasons that there was lot of scope in regard to response from non-resident Indian students. Our experience in the last one year has been dismally poor.

Sri S. Jagadish Chandra:— Our experience has been the allotment of seats has not been revised and it has been kept in tact.
This college is meant for non-resident Indians on payment of cash. Where is the provision to admit students of Indian origin into this quota? Where is it stated in the Bill? Let the Minister show us the provision and enlighten.

You are trying to defeat the very purpose of the Bill by just an order of the Government. How do both things go together? Let the Minister explain.

You cannot bring this. This will become invalid tomorrow, I am telling you. You cannot have separate provisions of the Act for which we are making special legislation.

"Not with-standing anything in this Act, it shall be lawfull for the
Government Bill:
The Andhra Pradesh Educational Institutions (Regulation of Admission And Prohibition of Capitation Fee) Second Amendment Bill, 1983.

Government to admit students belonging to foreign countries and non-resident Indian students into a Medical College established for the purpose in accordance with such rules as may be prescribed on payment of such sum as may be notified by the Government on behalf. This is a special provision in respect of non-resident Indian students and foreign students. Sri M. Kishen Rao:— Clause (2) of the A. P. Educational Institutions (Regulation of Admission and Prohibition of Capitation Fee) Bill, 1983 seeks to insert clause 4-(A). Therefore, the other sections of the Act are applicable. The only thing is clause 4-A was inserted only to facilitate non-resident Indians. Whatever rules are applicable to the Act are equally applicable to this Bill also. Therefore, it is in order.

Sri A. Madan Mohan:— Sir, a very valid point has been raised by my hon. friend. I think, it does not satisfy the question raised by him. It might create a lacuna to-morrow in the implementation. It is not with a view to oppose the Bill, but I would
advise the Health Minister to get it re-examined and create a proviso to see that in case the seats are not filling by the non-residents the seats shall be thrown open to....

Mr. Speaker :— Where is the prohibition that they should not be admitted?

Sri M. Venkaiah Naidu :— Implied prohibition is there.

Sri A. Madan Mohan :— A provision is created facilitating the non-resident Indian students. If the seats are not filled up with the non-resident Indian students, let those seats be thrown open to local people. There is nothing wrong in creating such a provision.

Mr. Speaker :— They say that there is no need for such a provision.

Sri A. Madan Mohan :— If somebody go to Court of Law?

Mr. Speaker :— Then, they may consider the issue.

Sri A. Madan Mohan :— Then, it comes to collective wisdom. Unfortunately, we are not considering all the relevant issues.

When there is no response from non-resident Indians, what is the position....
Let there be a clear and perfect Bill with all the required relevant clauses. Then only can the Minister be at peace. If not it is the head-ache of the Minister tomorrow.

Mr. Speaker :— The question is :

“This house disapproves the Andhra Pradesh Educational Institutions (Regulation of Admission and Prohibition of Capitation Fee) Fourth Amendment Ordinance, 1983 (Andhra Pradesh Ordinance No. 22 of 1983) promulgated by the Governor on 20th September, 1983.”

(Sri M. Omkar pressed for division)

The House divided thus :

Ayes : 18
Noes : 41
Neutrals : Nil
The Statutory Resolution was negatived.

The question is:

"That the Andhra Pradesh Educational Institutions (Regulation of Admission and Prohibition of Capitation Fee) Second Amendment Bill, 1983 be taken into consideration.

(Pause)

The Motion was adopted and the Bill was taken into consideration.

Clause - 2

Sri N. Raghava Reddy: Sir, I beg to move:

"In sub-clause (2) of clause 2 for the words "such number of persons and in such manner as may be prescribed" substitute the following:—

"The Secretary, Medical and Health as its Chairman, Director of Medical and Health Services, Principal of the College, Collector of Krishna District, Mayor of the Vijayawada Corporation, a local legislator and a nominee of the Siddartha Educational Society. The funds will be operated in such manner as may be prescribed."

Mr. Speaker:— Amendment moved.

Whether the Minister is accepting the amendment?

Sri S. Rama Muni Reddy:— No Sir.

Whether you bang us or hang us, I do not mind but you go ahead.

They have got their own right to talk to you in this matter. Today people know for certain that taluk system is not going to function in future. They are not interested in the administration. To-day, the Tahsildar is not thinking about revenue matters or administration but he is thinking about himself.

If you are going to get additional funds for the Mandals, it is a different matter.
Is it the way you must treat a Legislator? Is it the way that you must take the Legislator into confidence? Is it the respect you are giving to the Legislators? Are they kept in dark?

The Andhra Pradesh Districts (Formation) Amendment Bill, 1984

On this day, a march may take place in the morning, as is usual. The entire list is ready. I am ready to prove it also. They are going for printing, the moment the Bill is passed. It is only the entire thing is ready. The entire list is ready. I am ready to prove it also. They are going for printing, the moment the Bill is passed. It is only the entire thing is ready.

Sir, why do you give scope for Legislator to misunderstand? It is a life-long affair for the people. It is only the Collector will go unbiassed. But, that is not the case with other Collectors.
The Andhra Pradesh Districts (Formation) Amendment Bill, 1984.

...Why don't you take the legislators into confidence before deciding the matters? He went on record........... He went on record........... etc. You please accept the principle to instruct the Collectors to invite the views of the Legislators and publish and then invite public reaction.

The question is:

"This House disapproves the Andhra Pradesh Districts (Formation) Amendment Ordinance, 1984 (Andhra Pradesh Ordinance No. 2 of 1984) promulgated by the Governor on 11th January, 1984."

(Pause)

The motion was negatived.

Sri N. Raghava Reddy :— Sir, I beg to move:

"That the Bill be referred to a Select Committee."

Mr. Speaker :— Motion moved.
