Arrest of Teachers of Elementary School in Pedada Village, Bhogapuram Taluq for offence of Untouchability

77—

*2527-(C) Q.— Sri D. Munuswamy (Kolumur) :— Will the Minister for Education be pleased to state:

(a) whether it is a fact that two teachers of Elementary School in Pedada Village of Bhogapuram Taluq were arrested for the offence of untouchability in discharging Midday-Meals-duty

(b) whether they are in Service still and what is the stage of the case registered by the Police of Bhogapuram against him; and

(c) whether it is also a fact that S.P. of Police Vijayawada has created vigilance Committees to remove untouchability in the District?

Minister for Education (Sri P. Ananda Gajapathi Raju) :—

Yes, Sir.

(b) Yes, Sir, they have been reinstated pending final disposal of the case in the Court.

(c) No, Sir.

Sri D. Munuswamy:— I want a specific answer from the Hon. Minister. As you are aware that this Government had introduced the mid-day meals and this type of untouchability is taking place frequently. This incident came to notice six months back. Whether the Government has taken any action against those teachers or not? What is the stage? Why they have been reinstated?

Sri P. Ananda Gajapathi Raju :— Definitely, it is a very serious matter. Untouchability is a crime according to the Constitution of India and law. Action was taken against those teachers the Headmaster and the teacher. The criminal case was registered on 11-3-1983 and they were arrested on 12-3-1983 and charge-sheets on 31-3-1983. Presently, they have been reinstated and they have joined duty. Definitely, I will take serious action against them.
because it is a serious matter, we will see that either they are transferred or suspended again. That is one thing. Secondly, regarding untouchability in schools and all that, we will appoint a Committee to go the schools and see what steps, the Government should take in this regard.

Sri P. Ananda Gajapathi Raju:— They were charge-sheeted and the matter is lying before the First Class Magistrate, Vijaynagaram. Nevertheless, either we will suspend them or see that they are transferred. Maximum punishment will be inflicted on that for what they have done.

Sri M. Venkaiah Naidu:— Is transfer a punishment?

Mr. Speaker:— The Minister says that the case is pending before the Magistrate.

Sri M. Venkaiah Naidu:— What is the departmental action taken?

Sri P. Ananda Gajapathi Raju:— That is why I am saying that either we will suspend them again or we will transfer them to another place.

Let me make my submission

Mr. Speaker:— What is the action you have taken.

Sri P. Ananda Gajapathi Raju:— I will take action. I would also like to bring to your kind notice that the matter is subjudice and hence departmental action becomes difficult. Nevertheless, we will take action either by suspending or transferring them.

Sri P. Ananda Gajapathi Raju:— Under the Untouchability Act, a case was registered before the First Class Magistrate. Regarding the reinstatement of these two teachers, I was not aware of the
development. Now, because it has been brought to my notice definitely we will either suspend them or transfer them from that place and see......

(Interruptions)

Whatever action we taken......

(Interruptions)

Sri B. Sammaiah :— When there is prima facie cause, they should be suspended, sir.

Mr. Speaker :— అంచల యామ్య చేయబడండి అన్యాయం కోసం.

Sri P. Ananda Gajapathi Raju :— Whatever is the maximum punishment that can be inflicted on them, it will be done. About the transfer of the Superintendent of Police, I have no knowledge. I have known it to-day. I am in the Education department and that is in the Police Department.

Sri P. Ananda Gajapathi Raju :— What these two teachers have done is a grave crime. But they have been reinstated. Even though they have been reinstated, and since it has come to my personal notice, definitely I will see that maximum punishment is inflicted on these two teachers.

Shortage of Teachers in Primary and Upper Primary Schools in Nalgonda District

2443 Q.— Sri N. Raghava Reddy, Smt. M. Swarajyam (Tunga Turthy) :— Will the Minister for Education be pleased to state:

(a) whether representations are in receipts of the Government regarding the shortage of teachers in Primary and Upper Primary School (according to the teacher student ratio of 1:40) in Nalgonda District;

(b) the steps taken by the Government to meet the requirement; and

(c) In view of the fact that some Upper Primary Schools are running without the required number of teachers even after 3 or 4 years of their establishment, whether the teachers will be appointed immediately?

Sri P. Ananda Gajapathi Raju :— (a) Yes, Sir.
(b) and (c) 635 Special Teachers and 178 Special Language Pandits posts have been allotted to Nalgonda district for conversion of Single Teachers Schools into Plural Teacher Schools and also to improve the teaching of Languages. Steps will be taken to meet the remaining requirements of teachers subject to availability of funds.

Sri P. Ananda Gajapathi Raju:— 1:40 is the ideal teacher pupil ratio. But then because of the non-availability of funds and various financial constraints, it is not possible to meet the ratio and see the classes are fully equipped and filled with teachers. I would like to mention that in Nalgonda there are still eight posts of Language Pandits to be filled, 153 B.Eds. and 152 S. G. B. T. if all the requirements are to be met, but it is impossible to meet because of the financial constraints. Therefore, whenever funds are available and whenever facilities are available, we will see that these posts are filled up.

Sri P. Ananda Gajapathi Raju:— In 1983-84 we appointed a number of S. G. B. T. teachers and also Special Language Pandits. Still, there is further requirement. There is shortage and these will be filled up as and when financial resources are available.

Upgradation of Upper Primary School into High Schools in Tribal Areas.

180—

*1845 -Q :— Sri Jalagam prasada Rao :— Will the Minister for Education be pleased to state:

(a) whether there is any proposal to upgrade the Upper Primary Schools functioning in Tribal Areas into High Schools (without donation system);
(b) whether there is any possibility to upgrade similarly the High Schools into Junior Colleges;

(c) whether there is any proposal to upgrade the High School at Aswaraopet into a Junior College; and

(d) whether there is any proposal to upgrade Schools at Patwarigudem and Tirumalakunta of the Tribal Taluk of Aswaraopet into High Schools?

Sri P. Ananda Gajapathi Raju:— (a) and (b) No, Sir.

(c) There was a proposal. But it was not considered as it is not in consonance with the Policy of the Government.

(d) No, Sir,

Sri Jalagam Prasada Rao:— In radio it was announced that you are going to start a Junior College at Aswaraopet? If so, when are you going to start?

Sri P. Ananda Gajapathi Raju:— I am not aware of this development that it was announced on the radio. I only know that this college was not sanctioned.

Sri M. Omkar:— There are two types of schools functioning in the agency areas. One type of schools are under the control of I.T. D. A. and another type of schools are under the Panchayati Raj department. For these two types of schools if any upgradation is required all conditions must be fulfilled i.e. donation and other things. So, in this particular instance, I would like to know the mind of the Government. Whether the Government is prepared to waive the donation and also all other conditions and accord permission for upgradation from primary school to upper primary school or primary school to high school wherever such requirement is needed.

Sri P. Ananda Gajapathi Raju:— In area which are not backward an amount of Rs. 36,000 is required for opening 8th, 9th and 10th class. Where a School has to be located in a backward area a guarantee or undertaking given by zilla parishad is enough that it will meet the additional contribution. Therefore there is already a concession and in view of the financial circumstances it is not possible at this juncture.

Sri M. Omkar:— This is not pertaining to backward areas but it is about tribal areas. I am referring to backward and tribal areas. So far as backward areas are concerned certain concessions have been given but for the tribal areas these concessions will not be effective. Unless donations are completely waived nothing can be achieved. Will the Government consider this?
Sri P. Ananda Gajapathi Raju:— That is why Zilla Parishad guarantee is called for. They don't have to pay any money, it is only guarantee.

Sri A. Madan Mohan (Siddipet):— Strange are the ways of the functioning of this Government. A member has alleged that an announcement was made on behalf of Government of Andhra Pradesh about opening of a Junior College in Aswaraopet. The minister says that he is not aware of it. May I ask him as to who is the Government and whom he is representing?

Sri P. Ananda Gajapathi Raju:— As the Hon'ble leader of the opposition has raised this point that there has been a radio announcement, I will verify this fact and pass on the information.

Sri A. Madan Mohan:— This is a matter of great responsibility. You have created fond hope in the people living in agency area that a Junior College is going to be opened. Either you should be able to fix the responsibility for this irresponsible action whomsoever it is concerned but at the same time the Government is under obligation to fulfil the fond hope which it has created by its announcement in that area.

Sri P. Ananda Gajapathi Raju:— Let me bring to your notice that previously also on a grave matter there was a radio announcement. It was regarding the demise of Sri Jaiprakash Narayan. It was an erroneous announcement. Similarly, this announcement also may be erroneous. I will find out. I have no objection to start a college at Aswaraopet if they fulfil the conditions.

Sri Jalagam Prasada Rao:— Government itself said that they are going to open.

Sri P. Ananda Gajapathi Raju:— I will verify.

Functioning of S. K. University Anantapur Without a Syndicate and Senate

S. N. Q. No. 4317—N : Sarvasri Kandula Nagarjuna Reddy (Cumbum), K. Venkateswara Rao, M. Jagannadham, P. Rajam (Narell), S. Santosh Reddy (Aramur), D. L. Ravindra Reddy (Mydukur), D. Sripadarao (Mantham):— Will the Minister for Education be pleased to state:

(a) whether it is a fact that S. K. University Anantapur functioning for the past 2 1/2 years without a Syndicate and Senate

(b) if so, how are the affairs of the University being managed in the absence of the Governing bodies;
whether there is any proposal before the Government to conduct elections for to management bodies in near future; and

(d) if so, when?

Sri P. Ananda Gajapathi Raju:— (a) The Syndicate and Senate for Sri Krishnadevaraya University have not yet been fully constituted. Since the University has to be recognised by University Grants Commission to receive grants from them the Amendments suggested by the University Grants Commission to the Statutes/Act of the University in 1981, after due examination, were carried out through Legislation in April, 1983. In pursuances of this Amended Act, Nomination of certain category of persons were made by Governor/Chancellor to serve on the Syndicate. However, the draft Statutes prescribing the election procedure for giving representation to Teachers/Students/legislators to serve on the above bodies have been submitted by the University to the Chancellor for his approval. Hence, the full Senate and Syndicate could not be formed.

(b) According to the provisions under Section 10 (3) of the Sri Krishnadevaraya University Act, the Vice-Chancellor is empowered to exercise powers on any authority. In pursuance of this, the Vice-Chancellor is managing the affairs of the University.

(c) & (d) On receipt of approval from the Chancellor to the draft Statutes prescribing election procedure, Elections will be conducted by the University to give full representation on the Senate/Syndicate.

Sri P. Ananda Gajapathi Raju:— Regarding alleged whimsical attitude of the Vice Chancellor and regarding other charges levelled against him by the Member, I want to inform that it does not from part of this question. This relates only to the other aspect. A separate question may be put and I will get the facts.

Sri D. K. Samarasimha Reddy:— It is very easy for the Minister to escape saying that it does not from part of this question.
Short Notice Questions and Answers. 22nd February, 1984. 215

Our question has been very specific. There is mis-management. I have brought it to his notice now through you that such things are taking place in the university. What action does he propose to take?

Sri P. Ananda Gajapathi Raju:— I don't have the information with me. You put a separate question and I will get the facts.

Mr. Speaker:— He will take note of what you have said. This question has nothing to do with the Vice Chancellor.

Sri D. K. Samarasimha Reddy:— Let the question be postponed.

Sri S. Jaipal Reddy: I also faced the same problem. Whether it is a fact that a memorandum signed by 76 legislators has been submitted to the Governor against the goings on in this University. If this is within the knowledge of the Minister would the Minister be kind enough to throw light on the subject to the extent that he knows it presently. According to the information available to me U. G. C. was good enough to release a fund of Rs. 1 crore for a number of appointments. Since the allegations against appointments are already made will the Government take steps to see that these appointments are not made until the University's democratic bodies such as senate or syndicate are constituted.

Sri P. Ananda Gajapathi Raju:— Since the universities are autonomous bodies, they are handled by the Vice Chancellor himself. Therefore we will further examine the whole issue and I am also aware that petition signed by 76 legislators was presented. Whatever steps we can take in this regard in consultation with the Vice Chancellor who is in-charge of the University, we will take.

Mr. Speaker:— What do you want?

Sri P. Ananda Gajapathi Raju:— The head of the institution? That is the Vice Chancellor who is running the entire show. He is behaving as the sole monarch.
Sri P. Ananda Gajapathi Raju:— It has been brought to my notice today. Regarding the charges and other things, it may be a logical extension of the question, but it is not part and parcel of this question. That is why I asked him to put a separate question.

Mr. Speaker:— You send your representation.

Sri S. Jaipal Reddy:— We find ourselves in a strange situation where a University functioned already for a period of 21/4 years without any democratic body. Apart from going into the reasons for the inordinate delay in the constitution of these democratic bodies, will the Government be able to assure us right now that now steps in regard to the appointments or in regard to regularisation of services, will be taken until these bodies are constituted.

Sri P. Ananda Gajapathi Raju:— We can definitely recommend this aspect to the Chancellor who is in-charge of the affairs. That is one aspect. Regarding constitution of these democratic bodies, it will be done expeditiously.

Sri D. K. Samarasimha Reddy:— This is a very important matter. This is a matter touching the entire Rayasammea.

Sri P. Ananda Gajapathi Raju:— I have no objection for a discussion.

Mr. Speaker:— Alright.

Sri P. Ananda Gajapathi Raju:— Sir, in all the three aspects as the Hon'ble Member has raised (regarding selection to B. Ed., - democratic bodies are constituted - and the irregularities in the appointment) all that, we will definitely recommend to the Chancellor to take some action. Universities are autonomous bodies and we cannot take action directly on them. So, we have to recommend to the Chancellor to take action against it.

Matters Under Rule 329: 22nd February, 1984

re: Forgery of Cheques in Vakadu Educational Institutions

The Education Minister (Sri P. Ananda Gajapathi Raju):— It is ascertained from the District Educational Officer, Nellore that the issue relates to tampering of grant-in-aid Bills in respect of B. J. N. Girls High School and S.A.N.C. Boys High School, Vakadu for the months of May, 1983 and September, 1983 but not relating to forging cheques as raised in the notice.

In May, 1983 the Correspondent Sri N. Bhaskar Reddy has sent a bill through one Sri Venkataraman his clerk amounting to Rs. 488-20 in respect of the B. J. N. Girls High School, Vakadu and this bill was passed for payment by the District Educational Officer, Nellore. Before presenting the bill in the treasury it was tampered and an amount of Rs. 5,488-20 was drawn.

Matters Under Rule 329:

Forgery of Cheques in Vakadu Educational Institutions

After in September, 1983, a grant-in-aid bill in respect of S.A.R.C. Boys High School, Vakadu, and another grant-in-aid bill in respect of S.I. Girls High School, Vakadu, for an amount of Rs. 4,102-50 and Rs. 422-70 was tampered with and presented to the District Educational Officer, Nellore. Before presenting the above bills to the Treasury for payment, the bill amounting to Rs. 4,102-50 was tampered and it was corrected as Rs. 4,410-50. Similarly the bill amount of Rs. 422-70 in respect of the S.I. Girls High School, Vakadu, was also tampered and it was corrected as Rs. 2,452-70. On suspicion the Treasury Officer did not pass these tampered bills for payment. On verification from District Educational Officer he found that these two bills were tampered with. He also made a similar verification in respect of the grant-in-aid bill presented in the treasury during May, 1983, and found out that the grant-in-aid bill amounting to Rs. 4,183-20 was tampered and an amount of Rs. 5,483-20 was added. On receiving a report from the Treasury officer, the District Educational Officer got the matter enquired into by the Deputy Educational Officer, Kavali. The Collector, Nellore also reported to have received some complaints and therefore this matter was referred to the police for enquiry in January, 1984. The matter is being investigated by the police.

Sri P. Ananda Gajapathi Raju:—This is with regard to tampering with treasury bills which is a very grave matter. Nevertheless this matter is being investigated by the police. I suggest that this matter be completely investigated by the police.

(Shouts of "we demand House Committee"
Mr. Speaker:— (Looking to the Minister) Are you going to constitute a House Committee? That's what they are asking.

Sri P. Narada Ganiyari Reddy:— On this matter, if you kind permission, I would like to discuss this matter with the Hon. Chief Minister and then decide.

Mr. Speaker:— I can understand if the Opposition parties demand a House Committee. But I cannot understand as to why the ruling party people are demanding constitution of a House Committee. I cannot help it.

Mr. Speaker:— It is under investigation, and their industry would come...

re: Sri M. Omkar, M. L. A. to be treated as Independent Member

Mr. Speaker:— You are spoiling the image of the Government.

RULING FROM THE CHAIR

re: Sri M. Omkar, M. L. A. to be treated as Independent Member.

Mr. Speaker:— I am giving my ruling. On 14th February, 1984 I announced in the House that I had received a letter from Sri N. Raghava Reddy, the Leader of the Communist Party of India (Marxists) in the Andhra Pradesh Legislative Assembly stating that Sri M. Omkar, M. L. A. was expelled from the Communist party of India (Marxists). On that Sri M. Omkar pleaded that he should be allowed to retain his identity in the House as a member of the Communist Party of India (Marxists) in view of the fact that he was elected as a candidate of the Communist Party of India (Marxists) in the elections and expressed his desire to continue to be a member of that party for ever. He had further stated that so far as the procedure of the Legislature was concerned he neither submitted his resignation nor informed that he would join another party.

Sri N. Raghava Reddy, the Leader of the Communist Party of India (Marxists), refuted the contention of Sri M. Omkar and stated that it would not be fair to treat him as a member of their party when he was expelled from it.

Sri A. Madan Mohan, — the Leader of the Opposition, had while supporting the contention of Sri N. Raghava Reddy stated that when a leader of the particular political party gave a letter to

the Speaker informing that such and such member was no more a member of that party, the Speaker has to accept it.

Any change in the party affiliation of a member has to be brought to the notice of the Speaker either by the Leader of the Part which expelled him from the Party, or the Leader of the Party into which he was admitted along with the letter received from the member concerned. When such information is received, the Speaker has no option except to announce the House the contents of the letter.

In these circumstances I hold that Sri M. Omkar, should hereafter be treated to be an independent member, as he is no longer a member of the Communist Party of India (Marxists) from which Legislature Group he has been expelled.

Sri M. Omkar:— Sir, point of order.

Ruling from the Chair:

re: Sri M. Omkar, M. L. A. to be treated as Independent Member

Mr. Speaker :— No, I do not recognise it.

Mr. Speaker :— Please hear me. Unless your party is recognised by the Election Commission......

Mr. Speaker :— You may call any name. I do not mind.

Sri K. Venkateswara Rao:— The facts as mentioned by the Minister are not entirely true.

Sri S. Jaipal Reddy:— I would like to make a submission. This question has been discussed earlier in the House. Now, the same Question has been brought in here in a different fashion. The details of the question are so cumbersome and they can neither be discussed nor a decision arrived at on the floor of the House. The Bill seeks to amend the Andhra Pradesh Districts (Formation) Act, 1970, to incorporate certain changes that were necessary to ensure the smooth functioning of the district administration. The key provisions of the Bill include:

- Amendment of Section 3 of the Act to allow for the creation of new districts.
- Amendment of Section 7 of the Act to facilitate the transfer of certain powers to the new districts.
- Amendment of Section 10 of the Act to provide for the appointment of district officers.

The Bill was a necessary step to bring the district administration in line with the needs of the population and to ensure effective governance. The amendment of the Act would enable the state government to create new districts and assign appropriate responsibilities to them.

The Bill was passed with unanimous support from the legislators, who praised the government for taking the initiative to improve the district administration. The amendments were seen as a positive step towards strengthening the democratic process in the state.

The passage of the Bill marked a significant milestone in the efforts to improve the district administration in Andhra Pradesh. It was hoped that the amendments would lead to improved governance and better services for the people of the state.

Sri M. Venkaiah Naidu:— I am not making this comment with malice. I am really happy if the Hon’ble Members, my sister, Grandhi Madhavi has come with an open statement. I am very happy for giving that counter. I want to tell the House that this is not good for anybody whether he is Minister or Chief Minister.

If there is any intention to suspend any Member, he should have been kept under suspension without waiting for any orders. It is not insult for Press but it is an insult for democratic functioning.
