The Minister of State for Home Affairs: The Government have no plans to change the status of the Pondicherry district to a Union Territory. The Union Territory of Pondicherry has been governed by the Puducherry Panchayat Raj Act, 1976, and the Union Territory of Puducherry Act, 1963. These Acts have been in force since 1963 and have been amended from time to time to improve the governance of the Territory.

It is the policy of the Government to maintain the current structure of the Union Territories in India. Therefore, there are no plans to change the status of the Pondicherry district to a Union Territory in the near future.

Question:

What are the plans of the Government regarding the Pondicherry district's status as a Union Territory? Answer:

The Government has no plans to change the status of the Pondicherry district to a Union Territory. The current structure, governed by the Puducherry Panchayat Raj Act, 1976, and the Union Territory of Puducherry Act, 1963, will continue to be maintained.

Question:

Is there any provision in the Constitution of India for the creation of a new Union Territory in the future? Answer:

The Constitution of India allows for the creation of new Union Territories, but there are no plans to create a new Union Territory in the Pondicherry district in the near future.

Mr. Speaker:— What is this confusion?

Sri S. Jaipal Reddy (Kalvakurthy):— I do not what to make the confusion worse confounded by putting another supplementary question. What I wanted to point out in respect of this Question is that our Hon’ble Speaker is very generous. During the last Session also we have discussed about this. The question is
Implementation of Three Language Formula in Educational Institution

(a) whether the Government propose to implement the three language formula in the educational institutions in the State; and

(b) if so, the particulars thereof?

Minister for Education (Sri P. Ananda Gajapathi Raju):—

(a) Yes, Sir. The Scheme is already being implemented in the State:

(b) i) Teaching of mother tongue or regional language shall start from Class I and extend upto Class X;

ii) Teaching of English shall start from Class V and extend up to Class X;

iii) Teaching of Hindi as Second Language shall start from Class VI and extend upto Class X.

Sri P. Ananda Gajapathi Raju:— Definitely, the Three Language Formula is a very advantageous formula because it not only makes compulsory to study Telugu from Class I to Class X, but also makes possible for our students to go to other States. It is in consonance with National Integration.
are not receiving and financial benefit. They are in turn opting for Central Syllabus. Still we will try to see that they will also implement Telugu from Class I to X.

Sri P. Ananda Gajapathi Raju:— We will try to see that from Class I to X, it is implemented.

Sri S. Jaipal Reddy:— Whether it has been brought to the notice of the Government by the various Study Committee Reports that the Three Language Formula in this country more particularly in our State has been in effect reduced to one language formula to learn Telugu alone. Whether in view of this, the Government would take steps to see that the component of English teaching and Hindi teaching is further strengthened? What are the specific steps, the Government are contemplating in this regard?

Sri P. Ananda Gajapathi Raju:— As the Hon’ble Member mentioned that the Three Language Formula should be strengthened and the English and Hindi languages should be strengthened, definitely we will examine these opinions and take necessary action.

Reorganisation of Directorates of Education

*2586 Q.— Sarvasri Y. S. Rajasekhara Reddy (P Lillyapalli) and M. Venkaiah Naidu (Udayagiri):— Will the Minister for Education be pleased to state:

(a) whether there is any proposal to reorganise the Directorates of Education to minimise the expenditure and rationalise the administration; and

(b) if so, the action taken in this regard?

Sri P. Ananda Gajapathi Raju:— (a) No, Sir.

(b) Does not arise.

Sri P. Ananda Gajapathi Raju — Regarding the appointment of the Regional Joint Director, definitely, this matter has to be decided by the Departmental Promotion Committee. We will see that it is done earlier. If any other vacancies are there, we shall see that they are also filled up.

Misappropriation of funds by the Degree College Committee, Narasannapet

97—

*2613-(P)—Q.— Sarvasri P. Prabhakara Rao and K. Yerrannaiahu:— Will the Minister for Education be pleased to state:

(a) whether it has been brought to the notice of the Government that the Degree College Committee, Narasannapet has misappropriated the funds during 1981-83;

(b) whether the Government can recover the amount from the members of the committee, if the mis-appropriation is proved; and

(c) whether the Government will take action against those who are causing hindrance to the development of the college?

Sri P. Ananda Gajapathi Raju:— (a) No Sir.

(b) Does not arise.

(c) Does not arise.

Sri P. Ananda Gajapathi Raju:— In this College an amount of Rs. 3,15,540 was collected upto July, 1983 out of which Rs. 2,35,000 was credited to the Corpus fund. The amount has been utilised for the purchase of furniture, etc. There has also been audit. An Audit Committee has been formed in the College. If there is any irregularity or any mis-appropriation, if the Hon'ble Member brings it to our notice, we will take action.
Supply of Nylon Thread on Subsidised Rates to Inland Fishermen in Srikakulam District

2142 Q.— Sarvasri Majji Narayana Rao (Sompetra), Jalgam Prasad Rao (Sattupalli), P. Rajam, A.G. Krishna and K. Nagarjuna Reddy (Narella) :— Will the Minister for Agriculture and Co-operation be pleased to state:

(a) whether it is a fact that the Government have decided to supply nylon thread on subsidised rates to the Inland Fishermen in Srikakulam District through G. O. Ms. No. 67, Forests & Rural Development (Fish. II) Department, dated 24-2-1982;

(b) whether it is also a fact that an amount of Rs. 50,000/- has been released for the said purpose, through the Andhra Pradesh Fisheries Central Co-operative Society at Kakinada;

(c) whether it has been brought to the notice to the Government as to how the said amount was spent by them; and

(d) if so, the action taken by the Government.

Suppose land is given to you and somebody is claiming for it, then what can you do in the matter?

Mr. Speaker:— Somebody is claiming in the high court.

Sri D.K. Samarasimha Reddy:— That is the reason why I asked whether it is an injunction or stay. The Minister said it si
stay. Is not infructuous stay? Why not you direct the officers to go ahead with the construction of the work? Don’t put any spokes in it.

Mr. Speaker:— What is the nature of the stay?

Stay. Is not infructuous stay? Why not you direct the officers to go ahead with the construction of the work? Don’t put any spokes in it.

Mr. Speaker:— That you can raise in the court. If the stay is infructuous you can vacate it in the court.
Sri S. Jaipal Reddy:— Sir, in spite of persistent and repeated questions, the communication gap exists between us and the Minister. This can only be bridged with officials attending a meeting at your chamber. That issue can be solved.

Mr. Speaker:— Provided that other parties agree otherwise how can you solve?

Sri S. Jaipal Reddy:— Government is the absolute owner of the land. It is Government to decide, So, Sir, you please try to arrange such a meeting.

Matter Under Rule 329:

re: Lack of proper facilities and sufficient teaching staff in the Urdu Medium School, Amberpet, Hyderabad.

Sri Mohd. Amanullah Khan (Chandrayanagutta):— Sir, there is an Upper Primary School in Amberpet which is being run for the last 40 years but from the last five years, there is no staff. Only two teachers are working. The building is very old and is in dilapidated condition. Only there are two rooms and the roofs of those rooms are also in a very bad dilapidated condition. Adding to this, there is no electricity — no water supply. There is no furniture even. All the students are facing so much of trouble and their lives are in very dangerous condition. That is why, we wanted that the Education Minister should inspect that school. In old city area there are some schools which are run in the same condition. There are no teachers in adequate number. No proper furniture is provided there. There is no proper teaching staff. Sir, specially I would like to mention that the Amberpet school is in a very bad and poor condition. That is why we want that the Minister for Education should inspect that school and take necessary, immediate action.

Sri P. Ananda Gajapathi Raju:— Sir, the Government Upper Primary School, Amberpet is running in a private building, bearing No. 2-3-18, Amberpet Road, since a long time. The strength of the school is a little more than 500 — with two sections in Ist and IInd classes and with single sections from III to VI classes. There are six sanctioned SGBT posts and 2 B.Ed., Assistants includi
the post of Head-Master. The post of Head-Master is vacant, due
to retirement of the previous Head-Master, Sri S. A. Jaleel and the
orders to fill in the post of Head-Master have been passed. The
second B.Ed., Assistant has to be kept incharge of the post of the
Head-master.

With regard to the accommodation, the building is a private
building. The rent is paid at the rate of Rs. 75/- per month. This
building is in dilapidated condition and the owner is not taking up
the repairs and asking them for vacation of the building. He has
also filed an Eviction suit in the Rent Controller's Court. There is
no other suitable building available in the locality. As such the
school could not be shifted to any other building and it is run in
the safer portion of the building. Besides this safer portion, tem­
porary sheds were raised by the Parents' Committee in the open
space of the building and the classes are run there. In view of the
above, it is under examination, as to whether the present building
and the area around it can be acquired under Land Acquisition Act,
so that a new building may be constructed in the site.

Efforts will be made to supply more furniture as and when
the funds are available.

Sri P. Ananda Gajapathi Raju :— Sir, I am definitely appre­
ciating the sentiments expressed by the Hon'ble Member that the
school building is in a very bad shape and there is no Head-master
permanently appointed. I will definitely see that Head-master is
appointed for that school as early as possible. Regarding the Water
Supply and Electrical connection, the owner has to apply for con­
nections of Electricity and Water. But he actually wants them to
vacate the building because he probably wants to use it for some
other purpose. Nevertheless there is proposal before the Govern­
ment to acquire this land. That proposal will also be examined and

Calling Attention Matters:

re: Non-inclusion of Jammu & Kashmir State in Indian Map printed in Urdu Text Book of Class IV.

Nevertheless, I would like to mention that in the old city the schools are in a very bad shape. That has been brought to our notice. We are trying to see as to how the funds are to be allocated in the old city and see that proper school buildings are provided with facilities.

Calling Attention Matters

re: Non-inclusion of Jammu & Kashmir State in Indian Map printed in Urdu Text Book of Class IV.

Sri P. Ananda Gajapathi Raju:— Sir, the Urdu Reader for Class IV contains a poem on page 65 under the title “Our Country”. The Artist, late Sri Sayeed Bin Mohammed Naksh, former Head of the Department of Painting, Government College of Fine Arts has drawn an outline map of India as a background illustration for the Poem. The map does not show the State of Jammu and Kashmir. This is a mistake committed by the Artist.

(Interruptions)

Sri Ch. Janga Reddy (Shyampet):— Shame...Shame...

Sri P. Ananda Gajapathi Raju:— Sir, this matter has been pending for the last three years, even before our Government came into power. So, if he wants to say—‘Shame’, let him say “Shame” to somebody else, but not to us.

The C. B. I. detected this mistake and informed the Urdu Academy about the mistake with advice to take necessary further action. The Urdu Academy in turn informed the Director A. P. Government Text Book Press to take necessary immediate action to rectify the defect. The Director, Andhra Pradesh Government Text Book Press has given instructions for carrying out the corrections in the map of India.

In this connection I am to state that preparation of Urdu medium manuscripts, appointment of authors, editors and artists and sending of the manuscripts for printing to the Text Book Press is exclusively dealt with by Urdu Academy. Necessary action is being taken against persons concerned for this omission.

Sir, this is very important issue. As a background of a poem written, Jammu and Kashmir was not shown as part of the Indian map. Definitely this matter was detected by the C. B. I., and the mistake has since been corrected. It is a very serious matter. It was also raised in the Rajya Sabha and a debate took place in the

Rajya Sabha. Definitely when such mistakes are brought to our notice — because we are also Indians — we also have respect for this country and we are also secular in our outlook — definitely we will see that the mistake is rectified and take all necessary steps in this direction.

Calling Attention Matters:

re: Non-inclusion of Jammu & Kashmir State in Indian Map printed in Urdu Text Book of Class IV,

Sri P. Ananda Gajapathi Raju:— Sir, the Artist, late Sri Sayeed Bin Mohammed Naskh, former Head of the Department of Painting, Government College of Fine Arts has drawn the outline map as background of illustration for the poem. That gentleman is now no more. He has already expired and therefore, against the remaining people, whoever are concerned, definitely we will take severe action. Definitely it is something that we can also not tolerate since this thing has been brought to our notice. Now, the new books that are printed do not have this anomaly. Regarding collecting back the old books, if it is possible—because we are not sure to locate as to where these books were distributed—steps need be taken and can be taken and we will take that steps also to see that mutilation of India does not take place because we are also against the fissiparous tendencies and we also wanted the unit of this country.

Sri P. Ananda Gajapathi Raju:— Sir, sometime back I was reading a book “Freedom at Mid-night” written about the freedom struggle in India. At that time, it was mentioned that if India was kept as one part without being partitioned, then it would be a stronger nation and powerful in South East Asia. Nevertheless, unfortunately the country was partitioned but in this connection whatever steps are to be taken to see that this matter i.e., restoring the book, severe action will be taken against anybody else whoever are they, and as the Hon’ble Member stated that this book should be collected back, if it is physically possible to do and if it is practical, then we will do that also. I assure about this.

re: Indefinite strike by affiliated College Teachers Association from 7-2-1984.

Sri P. Ananda Gajapathi Raju:— Sir, those books have been distributed. We do not know as to whether the books are under whose custody. We can do one thing. Whatever has been distributed till to-day we will try to the extent possible to recall those books and the new books would be printed and they will not have this anomaly.

Sri S. Jaipal Reddy:— Sir, Mr. Raghava Reddy has made a very interesting point. Not only Jammu & Kashmir was excluded from this map—Bangladesh was incorporated as part of India. I do not know whether it was a result of mischief or ignorance or both?

Mr. Speaker:— Nobody knows it.

Sri P. Ananda Gajapathi Raju:— Sir, we will verify whether it was a mistake—or a genuine mistake or whether it was purposefully done.

(re: Indefinite strike by affiliated College Teachers Association from 7-2-1984.
(Postponed from the Agenda dt. 16-2-1984)

Sri P. Ananda Gajapathi Raju:— Sir, the strike is called off. Some matters have been settled. That is the latest development. Therefore, if the Members want me to read out the statement, I will do so. Nevertheless, I would like to state that this matter is settled.

Dr. Y. S. Rajasekhara Reddy:— We would like to know about the matters negotiated and settled.

Sri P. Ananda Gajapathi Raju:— Then, I will read the statement.

Affiliated College Teachers' Association (Andhra) has given a Notice that the members of their Association will go on indefinite strike from 7-2-1984 in case their pending demands are not settled by the Government before that date. The Director of Higher Education has issued proceedings to all the Private Degree Colleges to furnish information regarding number of teaching staff on roles and number of teachers who are on strike to be furnished telegraphically. Out of 132 aided colleges and 38 un-aided colleges reports from 27 colleges has been received as on 14-2-1984. According to these reports 961 staff members are on strike. Six colleges have reported that their staff are not participating in the strike. A meeting with the representatives of ACTA was held by me on 4-2-1984.
and discussed the matters with the association. The Principal Secretary to Government, Education Department also called them on 6-2-1984 and discussed the matter in detail. But it is very unfortunate that the Association has decided to go on strike.

There are 18 demands of the above Association for which they are on strike. Out of these 18 demands, orders were already issued settling some demands. The other demands are under active consideration of the Government. Many of the issues which they have raised during the discussions have heavy financial implications. In all 184 colleges are to be admitted into aid (50 Degree Colleges + 134 Junior Colleges) and the financial involvement as tentatively worked out is in the order of Rs. 7.25 crores. This pertains only to the colleges. Regarding the Schools the financial involvement is in the order of Rs 10 crores. The Officers concerned are working out the actual financial implications in greater detail.

In this connection, I may state that at no stage the Government have, while sanctioning the colleges given any undertaking that they would be eligible for grant-in-aid. On the contrary, after 1977, a specific clause is being put that the private colleges are not eligible to grant-in-aid at any time.

On 14-2-1984 at 5 P.M., the Chief Secretary to Government held discussions with Sri M.J. Manikya Rao, MLC., and Chairman ACTA and also Principal Secretaries to Government, Education Department and Finance Department and assured the Chairman, ACTA to solve the problems at the earliest possible time.

Sir, the problems of ACTA have since been......

Mr. Speaker:— What is the language of the House? It is English. See the rules. You cannot prohibit him from speaking in English.

Mr. Speaker:— Even now I am telling the Secretary to supply the Telugu version of the statement to Members. (At this stage, the Member was being supplied with a copy of the Telugu version of the statement)

Sri S. Jaipal Reddy:— I am on a point of order, Sir, The Ministers must note whenever the notes they read out lengthy, they must be circulated to Members and if a Member or Minister cannot read or speak in Telugu, we cannot compel him to speak in Telugu. But he should be obliged to provide Telugu copies.

Mr. Speaker: That is there already.

Sri S. Jaipal Reddy:— But it is not being done, in spite of your direction.

Sri P. Ananda Gajapathi Raju:— Definitely, we will circulate. The strike has since been called off and the matters are under consideration and the issues are being settled.

Dr. Y. S. Rajasekhar Reddy:— Some points have been conceded and some are under consideration according to the Minister.

Dr. Y.S. Rajasekhar Reddy:— I would like the Minister to clarify as to what are the points which are conceded and what are the points under consideration.

Sri P. Ananda Gajapathi Raju:— The issues relating to service matters and service conditions etc. have been more or

Chief Minister who assured the Teacher MLCs that would hold a meeting in April and discuss the matter with the Managements, Teachers and the Government a tripartite meeting.

Sri P. Ananda Gajapathi Raju:— The only assurance that was given by the Chief Minister was that unaided sections in aided institutions would be taken into grant-in-aid subject to completion of three years and five years period. That was the assurance given and there was no other assurance.

Sri P. Ananda Gajapathi Raju:— Regarding the payment of salaries, that system is being overhauled in consultation with the teacher MLCs and other functionaries of the government. Regarding the agreement which he is talking about, I am not aware of that agreement.

Sri P. Ananda Gajapathi Raju:— The notice relates to the strike of ACTA and it does not relate to payment of salaries. Nevertheless, this matter is being examined and steps will be taken.

re: Fall in Prices of Cotton, Groundnut etc. in the State and need for fixing remunerative price.

1982-83 shows that the prices of cotton, groundnut etc. in the State are below the remunerative levels, leading to a loss of 120 to 200 rupees per quintal. The government has proposed a price of 18 rupees per quintal, which is not sufficient to cover the costs.

The fixing of a price of 7.50 per quintal in 1982-83 was not sufficient to cover the costs. The government has also proposed a price of 3.30 per quintal in 1983-84, which is below the remunerative level.

31.10.84 the price was revised to 810.85 per quintal, which is still below the remunerative level.

I propose to increase the price of cotton to 1.7 times the cost in 1982-83.

(2) I propose to increase the price of groundnut to 1.2 times the cost in 1982-83.

(3) I propose to increase the price of 20 rupees per quintal.

Re: Fall in Prices of Cotton, Groundnut etc. in the State and need for fixing remunerative price.

The Hon'ble Member raised a point of grave concern regarding the fall in the prices of various agricultural commodities in the State. He pointed out that the fall in prices of cotton and groundnut has severely affected the earnings of the farmers. The current prices have fallen to such an extent that they cannot sustain their livelihood.

The Hon'ble Member requested the Government to take immediate steps to fix remunerative prices for these commodities to ensure fair returns to the farmers. He also suggested that a commission be set up to study the prices of these commodities and to recommend appropriate measures to stabilize the market.

The Hon'ble Member emphasized the need for immediate action to address the situation and ensure that the farmers do not suffer further due to the fall in prices.

re: Fall in Prices of Cotton, Groundnut etc. in the State and need for fixing remunerative price

11,383[(24th February, 1984)] have reported a fall in prices of cotton, groundnut and other commodities in the State. The fall in prices of these commodities has caused a serious problem for the farmers. The government should take immediate steps to fix remunerative prices for these commodities. The government has already taken some steps to stabilize prices. However, more needs to be done to ensure fair prices for the farmers.

This is a matter of utmost importance and should be given due attention.

M. K. Aiyar: Government has already written to me that the amendment is sought only to get an illustration of the existing position, whereas the purpose of the Bill is to ban the introduction of capitation fee. The Bill seeks to ban the admission of students at the cost of the institutions. As far as the question of admission is concerned, the Government has already conceded that it will not make any admission of students in the existing category of institutions. The Government has also written to me that it is prepared to resign if I prove anything. If anything is proved I am prepared to resign. I am not accepting. I only want high court judge to probe the entire matter and let them clear it.

There is 50% leakage. 50% of the rice under the scheme is getting re-cycled. There is no University for Women. It is an unitary University with certain courses. Therefore, it is nothing but a glorified college.

We are behind the All India average in respect of female literacy. The All-India average is 24.8%. The so-called Women's University is nothing but a glorified College. There is no University for Women.

It was there.

Annual Financial Statement
(Budget) for 1984-85
(General Discussion)

What is the All India average? It is 39%. 20.15 per cent is the Female literacy of our State as against 24.8% of All India average. In the sector of Primary Education, it is only 18% increase. In our State, for 1 lakh population, beds are 68 All India average is 81 beds.

In term of gross irrigated area, we are third in the country. Our Rank is 8th in respect of percentage of irrigated area to the net area sown. The
percentage of irrigated area in our State was 26.7 against 74.4% of Punjab; 45.9 of Haryana; 44.5% of Tamil Nadu; 42.5% of Uttar Pradesh; 41.9% of Jammu and Kashmir; 29.9% of Maharashtra; and 29.3% of Bihar. We are behind all these States in All India level. In food-grains production, in gross output, we rank third in the country. In per capita availability of the food grains, we rank 10th. While it is only 200 K.Gs. in Andhra Pradesh, it is 595 K.Gs. in Punjab and 459 K.Gs. in Haryana.

We are surplus in power. That is what it was informed and it is doubtful now, because, we are producing more power but we have been less utilising the power. That is the point which has to be appreciated by the Government.

During the year 1977, there were 66 Units as against the per capita consumption of power of 110 All India average. In regard to other States, the per capita consumption is more. Punjab 231 Units; Gujarat 180 Units; Maharashtra 178 Units; Haryana 153 Units and Tamil Nadu 144 Units. They have created more utilisation for power. In regard to Karnataka, it is 141 Units.

I will give the latest figures pertaining to the year 1980-81. Andhra Pradesh 105 Units; Tamil Nadu 190 Units; and Karnataka 157 Units.
6th Plan Document. The 6th Plan Document directed 1983 to be a year of acceleration in financial targets. 1983 was to be a year of high achievement. However, by 1984, we were two years behind the Schedule. 1985 was to be a year of 3500 crores. At the end of 1983, 1985, we are 211 crores short. Are we only discussing in terms of financial targets or are we also having the physical targets? What about the cost escalation?

During 1982-83, there was a shortfall of 80 crores. In 1983-84, there was a shortfall of 79 crores. This Government is guilty of misleading the House. We could lay our hands on the secret document. I made a public statement. That statement was not contradicted by the Government spokesman. They have record. They have manipulated the figures and shown higher than the actual figures.

Rs. 60 crores are given by Tamilnadu. Therefore it cannot be a
part of your figure. You are guilty of double counting, therefore from Rs 815 crores if you remove Rs. 60 crores, it will be Rs. 755 crores. The Mid Day Meal Scheme, you cannot call it a capital outlay. 1984-85 includes Rs. 755 crores and Rs. 60 crores. The Mid Day Meal Scheme, you cannot call it a capital outlay. The actual expenditure in 1983-84 was Rs. 705 crores. This year again there would be actual shortfall of more then Rs. 100 crores. It will mean that during 84-85 also our actual plan expenditure cannot by any stretch of imagination exceed Rs. 750 crores. What is the economic condition? From where are you getting funds? Have you been able to utilise the resources? Increase in Plan outlays must be supported by resource mobilisation. What is the technique you have adopted to increase the resources? Your open market borrowings in 84-85, the target is to raise to 152 crores. What do you do in 84-85? You raised only Rs. 91 crores. A part from the open borrowings to be resorted by the Government you asked the Electricity Board to raise the internal resources and to resort to open market borrow­ing to the time of Rs. 154 crores. Please try to gauge the bankruptcy, the measure of insolvency of the State. I appeal to the Chief Minister to see that the State does not fall in to 'the bottomless pit of perdition and bankruptcy. You have not released statutory funds for Municipal bodies and Panchayat Raj institutions for 1982-83, and for 1983-84. For these two years the arrears alone
are running more than Rs. 100 crores. Though you have made a provision to release for 1983-84, it is not sufficient. I am not a prophet. I don’t believe in astrology, as other people do but I am prepared for any test. You will not release the funds the Municipalities and Panchayat Raj bodies from 1984-85. This insolvency is getting compounded by another crime, the crime of unpruductive expenditure. What is the unproductive expenditure you are incurring? Rs. 120 crores you have to pay on retirement benefits for 1982-83. Thanks to Supreme Court. You are put up the burden of Rs. 120 crores for 1984-85. The mid day meal will also eat away Rs. 70 crores next year whereas the figure given in the budget is Rs. 40 crores. Even when I go by budget, the unproductive expenditure to be incurred during 1984-85 will be of the order of Rs. 305 crores. This I may tell you apart from what is to be spent on that mystical, mythical system called ‘Mandal system, you will have to spend Rs. 100 crores for Mandal system of 1984-85 in which case your unproductive expenditure will go up to Rs. 405 crores.

But between the budget estimate and the revised one, in a period of five months there is a revenue variation of Rs. 35 crores on the State Excise. It has not been adequately explained by the Government in the budget. Note the fall in sales tax. This was deliberately concealed by the Government. I am prepared to prove. I will leave it at that. That is one welcome feature. 1982-83 indicated a 30% increase in State Excise. That is a classic example of penny wisdom and pound foolish. I congratulate the Government on this saving. I don’t know whether we have economic experts sitting in the Planning Department. There will be a shortfall of not less than Rs. 50 crores in sales tax. This was deliberately concealed by the Government. I am prepared to prove. I will leave it at that. That is one welcome feature. I will refer to some key plan outlays

The employment situation has in fact suffered a set back. I will give the figures which are available in the Economic Statistics Bulletin issued yesterday. July to September 10,441 vacancies were notified. 

The vacancies notified were 14,000. If you compare this to the previous quarter i.e. April to July the figure was 22,576. Therefore, you cannot say the employment situation has improved after you took over. 

STATEMENT BY THE CHIEF MINISTER 

re: Losses due to Heavy Rains in Prakasam, Nellore and Chittoor Districts.
Statement by the Chief Minister

re: Losses due to Heavy Rains in Prakasam, Nellore and Chittoor Districts.

The Chief Minister stated that due to heavy rains, there were losses of 10 trees in Prakasam District, 300 trees in Nellore District, and 100 houses damaged in Chittoor District. The rains began on the 13th and 14th of February, and the situation was critical. The paddy crop was affected, and losses were estimated at 62,000 tonnes of rice in Prakasam District, 14,000 tonnes in Nellore District, and 1,412 tonnes in Chittoor District. The rainfall was severely affecting the paddy crop, and the situation was critical.

The Chief Minister expressed sympathy for the affected people and announced compensation for the losses. He requested the District Collectors to ensure that the compensation was provided to the people as soon as possible.

The Chief Minister also announced that the government was providing assistance to the affected people. He requested the people to take all necessary precautions to prevent further damage from the rains.

The Chief Minister concluded by expressing his confidence that the situation would improve soon and thanked the people for their cooperation.

The Chief Minister indicated that further action would be taken as necessary.
