Oral Answers to Questions

Whether that offence has been registered in the Police Station? After investigation whether it is referred as false or non-cognizable? What is the action taken by the police? Then only the complainant will be forced to go to the Magistrate and file a complaint. Has the first step been taken in this case?

Sri D K Samara Simha Reddy – That is not my question. My question is whether she has given a complaint to the Police? If the police do not take action on the complaint then only the complaint before the Magistrate arises.

Whether, if they will go and give complaint to the police against a particular person, whether such a step has been taken? Have the police refused to register the complaint or have they will go treated it as non-cognizable? Was anything done in the matter? If nothing happens, then only they will be driven to the extent of going to the Magistrate to file the complaint. Has the first step been taken, of so, what were the allegations made?

“That the Andhra Pradesh Urban Areas Police Bill, 1984 be taken into consideration”

Mr Speaker – Motion moved

The Finance Minister may effectively deal with matters in the house but follow up action has to be taken by the concerned minister. Is this practice prevalent in parliament also?
Mr Speaker - Under business allocations, home is dealt with by finance minister. This comes under home department.

Sri M Venkaiah Naidu - Law and order has not been given to the minister for finance. Today if we allow Mr Bhaskara Rao to get it passed, it becomes a precedent and the same practice will be followed in future also, which is not good for the house.

Sri N Bhaskara Rao - I request the hon Speaker to say that this should not be a precedent and only for this purpose I may be permitted since the chief minister is not well and let the business continue. It should not become a part of the precedent.

Sri M Venkaiah Naidu - Let the Speaker make that observation and then we can proceed with business.

We all know how that provision was misused. How people like Tenneti Viswanadham and Jayaprakash Narayan were booked under that Act. They were all imprisoned.

Deputation of Another Minister for Piloting a Bill

No extra power was given

(Mr Speaker in the Chair)

That is only a continuity of service.

Even Delhi has surpassed Calcutta in the matter of increase in the number of crimes being the capital of the Country, and in spite of the fact there are so many IGPs and Additional IGPs. Why there is improvement in the Law and Order there? The reply is simple as the Minister has already agreed.

It all depends on the officers.

Can anybody treat emergency with respect?

When a man like Sri Jayaprakash Narayan was imprisoned in this country, can we say that about emergency?

Re: Deputation of Another Minister for Piloting a Bill

I never expected this from a senior Minister like Sri Bhaskara Rao.

Normally the provision of Indian Code must apply. There are enough safeguards.

Are we able to control communal clashes in the City?

Your Superintendent of Police is doing it? He is holding direct link and he is trying to know their minds and acting. What are the powers given to Superintendent of Police, Vijayawada tell me?

We have got primary responsibility.

"Administration of Police Force in Urban Areas"

Let us have a discussion on this. Let us have a Select Committee to go into all these things and arrive at a consensus and then give it to Police officers to implement it effectively.

re Deputation of Another Minister for Piloting a Bill

To-day by the behaviour of your Police Sub-Inspector at Maddikara, he has brought insult to your government and defame to the government. He has not understood your line of thinking or the way in which your Chief Minister is thinking.

Not only the police, the other day I told The Chief Minister worried.

We are here in this house to bring to the notice of the house the various factors, with our own experiences.

We made it number of times and clearly. Still, if you entertain doubts, God only must help you.
There are some of the Police Officers in the State who are having links with naxalites and extremists. Some officers have gone to the Papers also to defend naxalites and this great government did not take action to touch them also.

Is it according to the whims and fancies of the police officers? There should be some guidelines subject to the satisfaction of police officers, after being satisfied with the satisfaction of police officers, if the government takes action, the police officers will be satisfied. If the government does not take action, the police officers will be dissatisfied. Let them tell us at least privately.

Deputation of Another Minister for Piloting a Bill

"It is a question of a Legislator. It is a question of D S P."

If D S P is transferred, Legislator cannot be touched.

It is only the version of the police.

When there was a demand that the Vijayawada S P should be transferred, we took up and said clearly that the S P has nothing to do with this.
