315 13th April, 1984 Short Notice Questions and Answers
Sri S. Jaipal Reddy:— To-day in the morning we tabled a notice about the arrest of Sri G. Latchanna and hundreds of others before the Assembly premises. There is an urgent need to take up the cause, because the issue concerns the backward classes and other weaker sections. No less a person than Latchanna was arrested. Not only was he arrested but hundreds of others are arrested and they were released within a few hours. They were not provided with minimum amenities. I think there is a need to take up the question immediately.
Mr. Speaker:— I will allow it later and not now.

Sri S. Jaipal Reddy:— I have also gone through the newspaper today. In fact I have asked my people to give a notice under 329, regarding the same thing. Not only Latchanna, there are some others even M. L. As and all about 500 people are arrested along with women. It has happened right near the Assembly premises. They were not even provided with drinking water to them. The women carrying children in their arms when asked for a glass of water were not provided. If the Chief Minister is in a position to answer, let him say. I am trying to draw the attention of the Chief Minister to the Speaker.

Mr. Speaker:— We will take up the next day.
Let us follow some procedure.
Sri S. Jaipal Reddy:— Your discretion is the ultimate rule.
Mr. Speaker:— I will take up the issue on Monday, next working day.

Sri S. Jaipal Reddy:— If the Chief Minister is prepared to answer this, it might be taken up.

Mr. Speaker:— Without sending a notice to him, how can he answer?

Sri S. Jaipal Reddy:— The Chief Minister knows as to what happened yesterday before the Assembly premises. Can the Chief Minister be in the dark about it?

Mr. Speaker:— We shall take it up on Monday.

Sri S. Jaipal Reddy:— Sir, you might enquire from the Chief Minister whether he is really prepared to answer.

Sri A. Madan Mohan:— We are only requesting the Chief Minister through you, whether he is prepared to answer. You just ask him whether he is ready to answer. If is not prepared,
we shall not insist upon. After all, this is what we expect from the Chair.

Sri N. T. Rama Rao:— No, Sir. I am not prepared.

Sri A. Madan Mohan:— That is all right.

The motion is moved and seconded. The meeting then adjourns.
Motion 13th April, 1984 322

re : Suspension of Sri B. Gopal, M.L.A.
for the rest of the meeting

Mr. Speaker :— I am sorry. I am naming that fellow. You move a resolution. I do not understand what non-sense he is speaking. (Looking to the Treasury Benches) Will you move a resolution? I cannot tolerate the attitude of the Member. I am sorry.

Are you helpless? Don't you know the procedure? When the man is refusing to comply with the orders of the Chair, what to do? (Looking to Sri Gopal) I am suspending you. Please, go out.

You move a motion. Are you helpless? Don't you know the procedure? When the man is refusing to comply with the orders of the Chair, what to do? (Looking to Sri Gopal) I am suspending you. Please, go out.
Sri A. Madan Mohan:— I take serious objection to what he said. What is this, you are insinuating. You are a responsible Member of the Cabinet and you are trying to insinuate us. We have never behaved so irresponsibly sitting in the Treasury benches as you are doing. There is a limit.

(Interruptions)

I am on a point of order, Sir.

(Interruptions)

Mr. Speaker:— No, I do not admit any point of order. No point of order.

Sri A. Madan Mohan:— The Minister for Roads and buildings while making a motion—I do not know whether he was about to move a motion or wanted to make a good delivery of the speech. He is a senior Member of this House occupying a senior position and that too a Minister and a person who was also in charge of Legislative Affairs..... Otherwise, if he is not Minister in charge of Legislative Affairs, how can he move this motion? But for him to cast aspersions against the entire opposition, naming me......

(Interruptions)

Please bare with me. He should have some sense of judiciousness. Sir, it is not only the Treasury benches, we are also equally responsible to uphold the dignity of the Chair. Do not look to them always. Do not take the opposition for a ride just because numerically we are not enough as compared to the treasury benches. That always happens in democracy. If you or the treasury benches either the Minister or the Chief Minister take us in the lighter vein and take us for granted probably, the consequences will be much more than what you would never expected in the history of the Legislature. There is limit to our tolerance. If they become responsible in inciting the opposition, I do not know what role the opposition has to play. This is nothing but casting aspersions. In fact, I requested Mr. Jaipal Reddy when I was requesting Mr. Gopal to sit down and when he did not listen to me, and Mr. Jaipal Reddy took your leave and he was only trying to say leave it to me, I am trying to persuade. You do not even listen and you do not even apply your mind......
Motion 13th April, 1984 324

re: Suspension of Sri B. Gopal, M.L.A.
for the rest of the meeting

Mr. Speaker:— I thought you are a senior Legislator. Do not teach lessons, Mr. Madan Mohan. I know the procedure.

Sri A. Madan Mohan:— I am not questioning your competence. I am only saying about the lack of rationale to appreciate the right things and taking things in the proper perspective.

Mr. Speaker:— Do not threaten me.

Sri A. Madan Mohan:— Neither you can threaten me nor can I threaten you. I know my limitations. Probably, you are adorning the position for the first time. I have been adorning the positions right from 1970s for the past fourteen years. I know the role of the Opposition as well as responsible Treasury Benches Number.

Mr. Speaker:— I have never seen people breaking mikes. Is that the way. You are preaching sermons.

Sri A. Madan Mohan:— Sir, as long as you do not cease to be a Member of the Treasury Benches, whatever is done by you reflects on you equally and you become Jointly and collectively responsible...
Sir, I beg to move:

"मैं यहाँ आया हूँ दर्शन करने के लिए। मैं दर्शन करने के लिए आया हूँ।"

Mr. Speaker:— Motion moved.

The question is:

"मैं यहाँ आया हूँ दर्शन करने के लिए। मैं दर्शन करने के लिए आया हूँ।"

(Pause)

The motion was adopted and Sri B. Gopal was suspended for the rest of the Session.

"मैं यहाँ आया हूँ दर्शन करने के लिए। मैं दर्शन करने के लिए आया हूँ।"

BUSINESS OF THE HOUSE

Sri A. Madan Mohan:— Mr. Speaker, Sir; We have given notice in respect of a person who died in police custody. When it is coming?

Mr. Speaker:— I will come on Monday.

Sri A. Madan Mohan: The body of the person was not cremated but it was buried. We wanted a thorough enquiry into the matter and post-mortem. Once the body is decomposed, it is difficult to locate whether there were any extraneous injuries or not. It is a matter of public importance and it should be taken immediately.

We have also given notice of an incident where a Harijan boy was killed. We have also given notice of another matter of public importance pertaining to Vijayawada and Rajamundry Municipal affairs.

Mr. Speaker:— They are also coming...
Sri A. Madan Mohan:— Many of these things are not coming which are important. The ruling party questions and matters are being admitted and you are not admitting the matters of the opposition party. Where there is urgency, there only, we will give notice under rule 329. How can the Calling attention notice given notice of by Sri N. Chandrasekhar Reddy, only on yesterday, comes for discussion today and how ours are not coming?

Mr. Speaker:— As per our decisions, every day, one and one calling attention from the Opposition side we are taking up.

Sri A. Madan Mohan:— My charge is that unfortunately the Speaker is not being allowed to function in a way in which he has to function. The Minister for Legislature Affairs at the instance of somebody, higher up, probably the Chief Minister, he is functioning and he is intruding into the Legislature functioning.

Mr. Speaker:— It is baseless.

Sri A. Madan Mohan:—

Mr. Speaker:— There is some procedure evolved and priorities have been fixed.

Mr. Speaker:— What is unparliamentary in my speech?
Mr. Speaker:— I will go through it and if there is any objectionable matter, I will expunge.

Mr. Speaker:— I protest for this. What is the offensive language used here?

Sri A. Madan Mohan:— He has not used offensive language at any stage.

329 a motion was moved. The members were given the opportunity to participate in the debate. The members' comments were very informative. The motion was then seconded by a member from the opposition. The motion was carried by 329 votes. The leader of the opposition had accused the government of delaying the implementation of important policies. The opposition leader argued that the government was not taking the necessary steps to implement these policies. The government, on the other hand, defended its position, stating that the implementation of these policies was a complex process and that it was taking all necessary steps to implement them. The debate continued for several hours, with members from both sides presenting their arguments.

Matters Under Rule 329
re: Damage to Crops and Properties due to Hail Storm in Nalgonda, Adilabad, Nellore, West Godavari and Mahaboobnagar Districts.

On 3rd April, 1984

In the matter of damage to crops and properties due to a hail storm in Nalgonda, Adilabad, Nellore, West Godavari and Mahaboobnagar Districts, it is observed that crops and properties have suffered severe damage. The hail storm occurred on the morning of 9th April, 1984, causing widespread destruction.

It is estimated that the damage caused by the hail storm is around 100 crores. The exact number is yet to be determined as the survey is still ongoing.

The government has initiated necessary steps to provide relief to the affected farmers and property owners. Assistance in the form of credit, insurance claims and other financial support are being provided.

The Agriculture Department has advised farmers to take necessary precautions to reduce the impact of such natural disasters in the future.

The total area affected is estimated to be around 10,000 acres. The loss is not only confined to agricultural crops but also affects livestock and other property.

The situation is being monitored closely and further updates will be provided as and when necessary.
Matters Under Rule 329 13th April 1984 340
re: Damage to Crops and Properties due to Hail Storm in Nalgonda, Adilabad, Nellore, West Godavari and Mahaboobnagar Districts.

Sri A. Madan Mohan:— Sir, the recent hail storm has really created a havoc in Nalgonda, Adilabad, Nellore, West Godavari and Mahaboobnagar districts. In addition to this, the information that has come to us is that even Ranga Reddy District is badly affected. It is really a very pathetic situation being faced by the farmers especially small and marginal farmers in these areas. When coming to Telangana area, we hardly have any irrigation sources.

People have to really toil hard. With great difficulty they will be able to irrigate an acre or two. Because under wells, it is not possible for them to have large areas of cultivation. We can understand the economic plight of a small farmer who hardly owns about 2 to 5 acres and out of which he is in a position to sow to an extent of only one to one and a half acre. That being the situation, naturally his economic conditions are very shabby. Now having toiled so much and having put in his money, inputs and fertilisers and other requirements—If those have ultimately to be affected by the hail storm—it is the act of God.

I urge upon the Government to look in the Famine Code which was prepared and codified some decades back. It is a very obsolete sort of document. This was prepared during the British regime and scrupulously followed by ever government including the previous government. There has been an agitation to see that the code is modified, even earlier also. I hope this would be looked into and this government would be able to modify the code to suite the needs and relevancy of the situation. The vagaries of seasonal conditions that were witnessed because of the atmospheric change in the entire cosmos have got to be taken in to consideration. I think the Government has to apply its mind in all sincerity and change it. In the meanwhile, the Government should come forward generously and come to the rescue of the farmers particularly small and marginal farmers. Even the middle-class farmers are equally hit and once they are hit, the economy will go out of gear for four or five years. For the loans that were sanctioned earlier, there should be holiday in the recovery of loans. Further loans should be sanctioned whenever there is cyclone in certain areas. We had gone out of way in sanctioning assistance to the extent of Rs. 5,000 per acre.

One thing is evident. We thank to Telugu Desam Government. The State Administrative machinery has collapsed. The village administration set up also has collapsed. The net result is that they are not able to receive any information what is happened in the rural area. Did he not kno that this is happened there. Don't they have wireless set up. With the wireless setup they can contact R. D. O., and Collector. If they can't get the information within minites this Government has no right to rule this State.

Mr. Speaker:— I am expunging the entire proceedings from the words of Sri P. Mahendranath, Minister upto this point.

Sri M. Venkaiah Naidu:— Sir, is the valuable time which you have allowed now much more important that
VADAGANLA VANA? Please allow me to make my submission.

Whether there is a need for the following?

Why have I not interfered in that. Where is the question of my talking about that? I am only asking as a Member of the Legislature about the relief to be given to the farmers.

BUSINESS OF THE HOUSE

If only the demands are being taken, let the House carry on the business...
and let all the three Calling Attention notices also be answered by the concerned Minister. Let the Members participate in the debate. There are two alternatives I am submitting to you. If you are serious about the business let us really concentrate on the business and conduct in which case we are prepared to co-operate in the House in bypassing the Calling Attention notices, this, that and all. If you think very tactfully and intelligently by-passing Calling Attentions and then, in the name of official business and the Demands, ultimately if you take something again and set out sometime for the Non-official Resolutions we are not prepared. Please do not take anything except the official business. This has to be decided first.

I wanted to postpone the entire issue because in fact I am in favour of the demands and let the entire work be taken up and I have absolutely no objection. Let Demands only be taken.

Every two hours of all Fridays are meant for the Non-Official Business.

Sri A. Madan Mohan: Then, I request the Minister for Legislative Affairs to adopt this.

Sri M. Venkaiah Naidu: Sir, there is no necessity for anybody’s acceptance, if the Rules are followed.
Mr. Speaker :- Every Friday, last two hours are meant for Non-Official business. They knew it. If you concede we will take.

Mr. Speaker :- Other work is post-poned. As per rules I have to give last two hours for Non-official Business.

Sri A. Madan Mohan :- Sir, do not unnecessarily say something to put the words into his mouth. Mr. Venkaiah Naidu was gracious enough to say "If the House adopts, I have absolutely no objection". In spite of that if the House is persisting in continuing it then, we are also persisting in continuing it. If the Minister takes this sort of stand, well we have no other alternative but to insist upon the Business.
Sri M. Venkaiah Naidu :- Minister has already clarified that.

Let people also draw the inferences as to how serious this Government is, about its own official business.

The Motion moved by Sri Madan Mohan, Leader of the Opposition is of utmost importance. I am serious as far as I am concerned.

BUSINESS OF THE HOUSE

Sri A. Madan Mohan :- Sir, on a point of clarification. Now that you have said that the Calling Attentions and other Business is postponed, I am to presume that those would be taken up only on 16th and not earlier?

Mr. Speaker :- Yes, only on 16th.

It is alright, because it is Non-official day. There are very important demands.

The accession of Kashmir State to the Indian Union is final, irrevocable, non-negotiable, indisputable as it is final, irrevocable, non-negotiable, indisputable as it is
This is the problem inherited by free India from the colonial past. It is a gigantic human problem. The problem needs to be handled and tackled with statesmanship, imagination, incite and tactics. I would like to know as to whether such a farcical election was ever held in the Parliamentary history in the world. This Government of India could not prevent carnage of nearly hundreds of people in Assam in the wake of those elections. That is not my foremost priority, and I have said so. However, 10 days of violence is too much. The violence is regrettable. The loss of life is unacceptable. The suffering of people is unbearable. The violence has been going on for weeks. It is a matter of concern. There has been violence in Assam for weeks. It is a matter of concern. There has been violence in Assam for weeks. It is a matter of concern. re: Condemning the Separatist Tendencies within and Outside the Country

To the President,

I would like to make it clear that even though my party fought against Shaik Abdullah and even though my leader Sri Shyam Prasad Mukherjee laid his life for the sake of the nation and for Kashmir, at the same time, I honour, I respect and try to preserve the right of Sri Farooq Abdullah who has been elected with overwhelming majority to rule the State. Even if Congress tries to disturb, we have no hesitation to go to his rescue for the preservation of democracy. There is no second opinion or thinking on this particular issue. Farooq Abdullah is a victim of contradictions. He has turned into a controversial figure.
