Teachers Working with Bogus Certificates

The Ministry of Education, 2nd September, 1985

20-4-1980

Subject: Working with Bogus Certificates

Dear Sir,

I am writing to request your assistance in investigating the issue of teachers working with bogus certificates. The problem has been escalating over the years, and we are concerned about the integrity of our educational system.

As you are aware, the number of verifications conducted in the past few years has been quite low. The inspection team arrived in the City of Hyderabad on the 17th of September, 1980, and found 36 certificates to be fraudulent. The inspection report indicated that 173 certificates were found to be invalid.

According to the report, the number of teachers verified in the past three years is as follows:

- 1979: 145 teachers
- 1980: 103 teachers
- 1981: 78 teachers

The figures are quite concerning, and we believe that more rigorous checks are necessary to ensure the validity of our teachers' qualifications.

In light of this situation, I am requesting your immediate attention to take the necessary steps to address this issue.

2. The Principal of the School:—

Mr. Speaker:- Be precise.

Dr. Y.S. Rajasekhara Reddy:- I am precise. This particular Committee is superfluous. It is not doing any thing. What exactly has this Technical Committee which has been already appointed done? Has it submitted its report? If so, is that report going to be placed on the Table of the House?

Sri K.E. Krishnamurthi:- This is not a superfluous body.

Irrigation Study Team

Mr. Speaker: Already one hour is over. I am not going to extend the question-hour. You ask a separate question.
Dr. Y.S. Rajasekhara Reddy: It is politically motivated......

Mr. Speaker: (Looking to the Minister) is there any propos a to reconstitute the Committee?

Sri K. Prabhakara Rao: The Committee itself is a hoax. Sir.

Mr. Speaker: Unless you cooperate, how can business be conducted?
Sir, I am on my legs. What I said was that it should not be an exercise in futility. I have asked what is the expertise that Mr. Subbarayudu possesses. To my knowledge he was only ex-Minister for Municipalities. It is a specific question and let the Minister answer.
The convention of the House is when a Member asks, the Minister should reply.

Sri K. E. Krishnamurthi: When a Member asks a question, the Minister has to reply. I do agree. But when so many Members are putting questions to me, whom should I reply?

626 Q.—Sarvasri M.V. Mysura Reddy and R. Chenga Reddy: Will be the Chief Minister be pleased to State:

(a) whether it is a fact that a memorandum dated 18-3-1985 has been received from Dr. M. Anjaiah, founder, Chairman, A. P. Rajakas Abhivrudhi Samstha to solve unsolved problems of Rajakas in the State;

(b) if so, what are their unsolved problems; and

(c) the steps taken by the State Government to solve them?

A.—(a) Yes Sir.

(b) (i) To provide necessary funds in the current year's budget to open Ashram Schools for the children of Rajakas as in the case of fishermen and waddaras etc.

(ii) As per the Public Health Act of Madras, the rearing of fish is prohibited in the tanks under the use of professional washermen and hence the controversial G.O. may be amended and those tanks may be given to Washermen with full rights by prohibiting the rearing of fish in those tanks.
(iii) Inclusion of Rajakas in the list of Scheduled Castes.

(iv) Sanction of Rs. 5.00 crores during 1985-86 to the A.P. Washermen’s Cooperative Societies Federation Limited, Hyderabad as loan for distribution as loan to Rajakas.

(v) Sanction of Rs. 12.00 Crores during 1985-86 and allot Rs. 50.00 lakhs to each district towards construction of Dhobighats.

(vi) By amending the G.O. suitably so that the tanks situated in towns and villages may be given free without any lease. Where there are no tanks and wells, construction of sheds and digging of wells and installing motors may be done at a cost of Rs. 50,000 for professional use.

(vii) 50% subsidy under DRDA and 30% margin money from Backward Classes Corporation and 20% loan from Banks may be provided to the washermen in villages and towns to purchase tools. Necessary funds may be provided in the budget to provide loans to washermen in villages from Rs. 1,000 to Rs. 3,000 and in towns from Rs. 2,000 to Rs. 50,000.

(viii) To earmark 10% reservation from the quota of the housesites allotted to Backward Classes for Rajakas and also earmark 10% from the quota of the houses allotted to the Weaker Section to the Washermen.

(ix) Every Sunday may be declared as a holiday for the professional Washermen.

(x) Sanction of Rs. 100 p.m. for those professional washermen who have completed the age of 55 years.

(c) The steps taken by the Government on the above points are as follows:

1. There is no provision in the budget for opening of Ashram Schools for the children of Rajakas.

2. The matter is under consideration in Panchayat Raj Department.

3. Government have already recommended to the Government of India for inclusion of Rajakas in the list of Scheduled Castes.
4) There is no such proposal under consideration of the Government. However, during 1985-86, an amount of Rs. 55.00 lakhs was released in G.O. Rt. No. 415, S.W. (P) Dept., dated 14-6-85 towards construction of Dhobighats. The same will be released to the District Planning Boards.

5) During the year 1985-86 an amount of Rs. 55.00 lakhs is provided. It is not possible to allot Rs. 50.00 lakhs to each district due to paucity of funds.

6) The matter is under consideration in Panchayat Raj Department. Regarding construction of sheds etc., at present the same is being implemented in the villages and towns wherever necessary.

7) During the year 1985-86 an amount of Rs. 5.00 lakhs is provided in the Budget towards subsidy to Washermen and Barbers for Economic Support Scheme. Out of which an amount of Rs. 1.25 lakhs was released as first instalment. An amount of Rs. 200 will be sanctioned to each beneficiary.

8) There is no reservation in providing house-sites. A combined list of eligible persons would be made and the required land would then be acquired for allotment of house-sites. However, the budget amount should be spent at the rate of 10% for Scheduled Tribes and out of the remaining amount 50% for Scheduled Castes, 25% for Backward Classes and 25% for Economically Backward Classes. Since all the Rajaka community eligible families are being covered in providing housesites in a phased manner, there is no apparent need to allocate some of the amount exclusively for acquisition of land for providing house-sites and houses to Rajaka community.

9) The professional washermen do not come under the purview of the Trade Union. Hence, Government is unable to take any action in the matter.

10) According to the existing Rules, all destitute persons of 65 years and above and all Physically Handicapped destitutes irrespective of their age, who are domiciled and have resided in the State of Andhra Pradesh for a continuous period of 3 years on the date of application, are entitled to Old Age Pensions.
A person without any source of income who has no relatives, aged 20 years and over i.e., (1) Son, (2) Son's Son, (3) Husband/Wife, (4) Father/Mother, is defined as a destitute. Beggars, Mendicants and persons maintained free of cost at poor houses are not eligible for Old Age Pension. However, the District Collectors have powers to relax the above rules, if they are fully satisfied that a person deserves Old Age Pension. The powers of sanctioning Old Age Pension rest with the Revenue Divisional Officers/Sub-Collectors.

Any person who satisfies the above rules regarding age and status in life, is eligible for Old Age Pension. At present a uniform rate of Old Age Pension at Rs. 30/- p.m. is being paid to all pensioners. Hence, the request of the Rajakas for payment of Old Age Pensions at the rate of Rs. 100/- is not feasible.

340 Q — Sri R. Ravindranath Reddy: Will the Minister for Finance and Power be pleased to State:

a) whether there is any proposal with the Government to establish 33 KV sub-stations at Santhinagar and Itikala villages for stabilising electricity in the area; and

b) if so, the action taken thereon?

A.—

a) The Master Plan studies conducted for Mahaboobnagar district and Alampur Taluk for 7th Plan period 1985-90 indicate that a 33/11 KV sub-station at Kondandapur, hamlet of Vemula village (C.No. 16) is needed to meet the load growth in the area. The scheme for 33/11 KV sub-station at Kodandapur is already approved by Rural Electrification Corporation under Alampur Taluk SPA-2 scheme and is included in the programme of 1985-1986. As this sub-station is only 5 KM from Itikyal (Itikala) there is no need for a separate 33 KV sub-station at Itikyal.

Regarding Santinagar (Hamlet of Vaddepalli C.No. 37) there is no proposal to erect a 33/11 KV sub-station at this place during 7th Plan period. The proposed 33/11 KV sub-station at Kodandapu which is about 16 KM from Santinagar also caters to the load development in Santinagar area.

b) 33/11 KV sub-station at Kodandapur is already sanctioned by Rural Electrification Corporation in Alampur Taluk SPA Scheme. The works connected with the sub-station will be taken up during the current financial year 1985-1986 depending on availability of funds.

a) whether the State Government are aware that the Bus-crew ratio in the APSRTC is higher than the Transport Companies in the Tamil Nadu State: and

A— a) Yes, Sir.

(b) Action has been taken to improve the crew productivity in Andhra Pradesh State Road Transport Corporation by implementing the revised crew schedules in January, 1984 and Bus Crew Ratio has been reduced from 5.89 to 5.2 without reducing the vehicle utilisation. The ultimate objective of the Corporation is not only to reduce crew ratio but to bring down the bus staff ratio. At present Bus Staff Ratio in the Corporation is 9.47 (June, 1985) as against 11.8 in 1981. To achieve this, Corporation has already taken the following sustained and determined measures.

Employees.

(Mr. SPEAKER WAS ON HIS LEGS AGAIN)

Mr. Speaker: As per the Parliamentary procedure, when the
Speaker is on his legs, no Member should stand and they must
listen to him. I am requesting all of you to keep quiet please. If
you go on making so much notice, in which way the Speaker will
listen to you. Let us hear one by one. When I am on my legs
you have no business to interrupt me.

Sri K. Vidhyadhara Rao: We cannot be cowed down by the
Opposition like this.

(Interjections)
Point of Order:

Mr. Speaker: We are taking lot of time on matters which could be decided in five minutes. If you want to listen to me, you listen to me. I am not following anything you are saying. I will give you an opportunity. Please sit down.

Sri P. Ramachandra Reddy: Sir, you have to see this side also. We never said that it is contempt of the House; it is impropriety on the part of the Chief Minister is not giving a statement where the statement is required and giving statement elsewhere. Large number of families have got anxiety. It is an important matter. The Cabinet has got the joint responsibility. Any senior Minister can come up and say whether they will be inducted or not. We are not interested in any other thing. As Mr. Rajeshwar Rao has said, we never said it is a contempt. We know where the contempt proceedings should be taken. It is an impropriety on the part of the Chief Minister. We are interested in the solution. We cannot wait till 15th of September in view of the various statements given by the Chief Minister. Instead of giving a statement......

Mr. Speaker: In two minutes the matters will be over.
Point of Information: re: Statement made by the Chief Minister at Delhi on the Judgment of Supreme Court regarding Retired Government Employees.

Sri P. Ramachandra Reddy: The Cabinet has got the joint responsibility. It is an impropriety in having made a statement elsewhere. Let some Minister give a statement about their induction. We are interested in their families and in their survival.

Mr. Speaker: I am going to give a ruling on that.

Sri K. Vidhyadhara Rao: If you are going to give a ruling give at.

Mr. Speaker: I once again appeal to the entire House. I am going to give a ruling just now.

(The entire opposition Members stood up in protest.)

Mr. Speaker: Before giving ruling only I will say whether I am going to give time or not. Are you going to allow this House to be conducted or not?

(Interruptions)

Mr. Speaker: I adjourn the House for ten minutes.

(Then the House adjourned for at 10-55 a.m. ten minutes.)

The House re-assembled at 11.05 a.m. (Mr. Speaker in the Chair.)
Mr. Speaker: I am going to give the ruling.

(All the Opposition Members stood up in protest.)

Mr. Speaker: I request all the Opposition Members to sit down. One by one can say. I have no objection. I have adjourned the House to maintain peace. That is the purpose of adjourning the House. Again, if the same situation arises, I may not be able to say what I have to say or convey my feelings to the House.

(Interruptions from the Opposition Benches.)

Mr. Speaker: Please sit down. Unless you sit down, I am not going to allow anybody.

Sri Mohd. Jani (Guntur-I): You are not allowing me. I am requesting you since a long time.

Mr. Speaker: You are not the lone Member to say. Please sit down.

Dr. Y.S. Rajasekhara Reddy: Do not give a ruling.

Mr. Speaker: I am not straight away going to give a ruling. Please listen to me first.

Dr. Y.S. Rajasekhara Reddy: Before giving ruling please allow us to speak.

Mr. Speaker: I have heard that.

Sri M. Ramkishan Rao (Khammam): You first permit the Party leaders to speak.

Mr. Speaker: I have received notice of adjournment motion as well as number of notices under Rule 329. In pursuance of that, several Members have expressed their anguish and resentment. Mr. Rajeshwar Rao, Mr. Ramachandra Reddy, Mr. Indrasena Reddy and so many other Members including Mr. Jani have shown their anxiety. The Hon. Minister for Revenue has also said that there is
nothing like contempt. If at all it is a contempt, it has to be discussed in the Supreme Court as Sri Srinivasul Reddi garu has said.

Sri Ch. Rajeshwar Rao: It is an impropriety.

Mr. Speaker: Alright. We will go stage by stage... I have to consider all these things. Now the notice of adjournment motion and also notices under Rule 329 are before me. The Chief Minister has already given the date that before 15th he is going to make a statement.

(Interruptions)

I am not giving the ruling I am only expressing my views on the subject. Please listen to me. I have not neither combined nor stated anything. I am only trying to help myself and to the House also. This is a solemn occasion where everybody is very much agitated and if you are agitated and you are not getting your point settled, what is the use of agitation. Let us come to some understanding; some reasonable discretion should be given to the Speaker.

In view of all these things (1) a number of persons have spoken on this; (2) Sri Srinivasulu Reddy Garu has said some thing; (3) and already opinion is given by the Hon’ble Chief Minister that he is going to make a statement.

Sri R. Chenga Reddy (Nagari): That is different Sir.

Mr. Speaker: Mr. Chenga Reddy: I am coming to the point. I am not canvassing for anybody here. Please listen to me. When I Said that you have to hear my views also on the subject, then that will help you in proceeding further. Do not claim that I only know about the Chief Minister’s statement some two days back. Only, I am reiterating it that Hon’ble Chief Minister is going to make a statement before 15th. Now, if any disrespect shown to the House or any sort of a thing which has not been disclosed in the House and which has been disclosed in detail about the

Supreme Court—that also can be discussed during the statement. So, the only thing in view of all these things that if anybody wants to say, they just listen to me. My expectation is that let Mr. Prabhakara Rao say on the subject because he is the Deputy Leader of Opposition and then, if necessary...

(Interruptions from Telugu Desam Party Members)

Please do not interrupt like that. Because he is the Deputy Leader of the Opposition, let him say something and having heard him if any further ruling is to be given, then only I will dispose of after hearing him.

(Interruptions from Telugu Desam Party Members)

I am going to hear the Deputy Leader of the Opposition Mr. Prabhakara Rao.

(Sri Vidhyadhara Rao and Sri Narasimham interrupted)

Mr. Speaker: Mr. Narasimham please sit down. Mr. Vidhyadhara Rao please sit down.

Sri K. Vidhyadhara Rao: I have a point of order.

Mr. Speaker: I have overruled your point of order.

(Sri K. Vidhyadhra Rao interrupted)

I am asking the Deputy Leader of the Opposition to say something. Everybody has to listen to him. That is all. I am not going to allow you.

It is definitely a question of breach of privilege.

Mr. Speaker: Srinivasulu Reddy Garu please help me. Please ask them to sit. I am not going to listen to anybody.

MATTERS UNDER RULE 329

reg: Crops damaged by wild elephants in Chittoor District.

In the last two years, a herd of wild elephants, approximately 7 in number, have been periodically appearing in the forest of Palamaneru and Kuppam Ranges of Chittoor district. These are the areas of the district which protude into Tamilnadu and Karnataka States. Migration of elephants has been occurring from these adjoining States. The first report of the elephant in this area was received in March 1984. In july 1984 efforts were made to drive away to Tamil Nadu after keeping a watch on their movement. But they have been moving across the border in a criss cross fashion. It is reported that this migration is taking place from the adjoining Tamilnadu forest due to change of ecological conditions of forest there and disturbance caused due to drought, drying up of water resources etc.
The herd of 7 elephants activities of which have been reported since May 1985 are seven in number (3 males, 3 females and one calf). The elephants are reported to have charged villagers and cattle herd men when they entered forest. The elephants have also entered into agricultural fields adjoining forests and damaged crops particularly those fields having sugar cane, Ragi and Paddy etc. One report has been received recently involving 41 fields which were damaged. In the same report 5 cases of deaths and 3 cases of injuries caused by herd of elephants, were reported. The deaths were reported to have occurred on 24th May 85, 6th July 85, 3rd August 85, 10th August 85 and 19th August 85. In most of these cases it is reported that the deaths or injuries occurred because of human intervention in the way of elephants. A recent report reveals that one possible reason for the elephants attacking human beings may be that one of the female elephant is reported to have lost its baby elephant in Tamilnadu and is alone probably attacking persons. In the case of deaths and injuries action is taken by the Forest Department to pay compensation under the powers recently delegated by the Government. Precautionary steps have been taken by the Department to advice villagers and cattle herd men about the elephants movement by way of tom tom and pamphlets distributed in telugu. In view of the importance of the matter Additional Chief Conservator of Forests (Wildlife) has been asked to visit these areas immediately to study the situation and propose measures for tackling the problem.

reg: Brutal lathi-charge on the students by the police on 28-8-1985 at Indoor Stadium, Hyderabad.

On 28-8-1985 at 12 noon about 500 students belonging to various student organisations of different colleges in the city took out a procession to represent their grievances with regard to alleged irregularities and bungling of marks statements in Osmania University examinations. Permission was accorded to them to take out the procession upto the Indoor Stadium, Fathemaidan club with the understanding that a few representative will be taken in delegation

to the Andhra Pradesh Legislative Assembly to present their grievance before Minister for Education. The procession was escorted by the police from Nizam College Hostel and it was stopped at the above Indoor Stadium. The student leaders were requested to select a delegation among themselves to be taken to Andhra Pradesh Legislative Assembly to present their memorandum if any to the concerned.

They declined to form a delegation under the pretext that they could not come to a consensus and therefore all of them should be allowed to go to the Assembly. In the alternative they wanted that the Education Minister should go over to the Indoor Stadium and talk to them. They were explained that the orders promulgated under section 144 Cr.P.C. are in force, no procession can be permitted into the Assembly and their delegation upto 20 persons representing various organisations can be taken to the Assembly.

The students were adamant and insisted that all of them should be permitted to go to the Assembly or the Minister for Education should come down to them. All of forts to persuade the students became futile. The student leaders were adamant and tried to Preek the police cordon while the students from behind simultaneously started pelting stones at the police. The situation was going out of control. Only 42 students were arrested under section 151 Cr.P.C. and removed to Nampally Police Station. Seeing this, the crowd pelted stones at the police. Then the police swung into action and dispersed them by waving lathies i.e. by show of force. A case in Cr. No. 466/85 under Section 151 Cr P.C. was registeted at Saifabad Police Station. All the arrested 42 students were released on the afternoon of 28-8-1985 on taking self Surety bonds.

The allegation that the students were brutally lathi charged by the police on 28-8-1985 is not true. The 42 students had to be arrested as they were bent upon defying the prohibitory orders
under Section 144 Cr.P.C. and the Law and Order situation near the assembly premises was going to be out of control.

reg: Trampling the child to death by a police constable.

Bogaram village of Keesara Mandal Revenue under Kusaiguda Police Station is a factious village. Sarvasri Chintala Mallesh, Ramarapu Ramulu and others attacked Sri M. Pochi Reddy, Sarpanch of Bogaram village on 7-8-1985 in which a case in Cr No. 113/85 U/s 147, 307 IPC (attempt to murder) was registered at Kusaiguda Police station and investigation taken up by the S.I.-I of Kusaiguda Police Station of Malkajgiri Sub-Division. As all the accused were absconding Anticipatory bail for all the accused was refused. The local police were making efforts to arrest the accused who indulged in the above offence. A Police picket consisting of H.C. 31 and 4 P.Cs. were posted in the village to evert further clashes and to inform movements of the accused and keep peace in the village.

On 24-8-1985 a complaint was lodged at Kusaiguda Police Station by Ramarapu Ramulamma wife or Ramarapu Ramulu accused in the above case stating that P.C. God Srisailam of Kusaiguda Police Station who was on picket duty at Bogaram village entered into her house on 17-8-1985 at 11 P.M. in search of her husband who is one of the accused in C.No. 113/85 while returning from the room the constable trampled her ten months old daughter Manjula resulting in her death subsequently. The Inspector of Police, Kusaiguda registered a case in Cr. No. 123/85 U/s. 174 Cr.P.C. and investigation was taken up. In the presence of Mandal Revenue Officer, Keesara Dr. (Sri)Govindaiah, Professor, Forensic Science Gandhi Medical College, Hyderabad with his team exhumed the body of the child Manjula on 29-8-1985 and conducted post-mortem at the spot after the inquest by the M.R.O. Keesara. In his short opinion the Professor of Forensic Medicine, Gandhi Medical College has opined that there are no injuries on the body and death due to violence is completely ruled out. Further investigation by the local police revealed that Dr. P. Venkatramana, Civil Assistant Surgeon, Ghatkesar, Ranga Reddy District treated the baby on

20-8-1985 at about 11 30 A.M. and certified vide O P.No. 14974 that she was suffering from pneumonia and referred the child to Nilofer Hospital, Hyderabad for further treatment. Dr. (Mrs) Najma R M.P. of Janata Clinic, Ghatkesar had also treated the child for "Infantile Pneumonia" in its worst condition on 20-8-1985. Similarly Sri Veeresham, R.M P. of Keesara treated the child on 18-8-1985 for pneumonia. From the above investigation based on official record and statements it is clear that the child died due to pneumonia. However, the Professor, Forensic Medicine Gandhi Medical College, has preserved the viscera for Chemical Examiners report which will take some time. The Professor of Forensic Medicine will give his final opinion about the cause of death on receipt of the Chemical Examiner's Report.

No Police entered in the house of RamaRapu Ramulamma on 17-8-85 and the allegations of the Police constable trampling the 10 month child to death is totally baseless and false.
