The Andhra Pradesh Entertainments Tax

Sri P. Ashoka Gajapathi Raju: Sir, I move:

“That the Andhra Pradesh Entertainments Tax (Amendment) Bill, 1985, be taken into consideration.”

Mr. Speaker: Motion moved.

Sri P. Ashoka Gajapathi Raju:— Last time it was the slab on gross seating capacity. We are now proposing a change of tax per show. Now there is some amount of concession given to theatres in three Corporations. It is a sort of relief. This was already approved in 1984.

As I said earlier, it is a sort of concession allowed for theatres in three Corporations. The Bill which was legislated in 1984 - the provisions of the same Bill stand - has no change.

Sri P. Asoka Gajapathi Raju:— I do not have break up of figures just now, but I can pass them on to Hon’ble Member. In 1982-83, the actual revenue was Rs. 29,48,000,00/-; in 1983-84, it was 34,41,000,00/- and in 1984-85, it was Rs.40,49,000,00/-.
Sri P. Ashoka Ga’apathi Raju: Sir, there is a fundamental mistake that the Hon’ble Member has not understood. In the Andhra Pradesh Entertainment Tax - the Bill that was just taken into consideration - there is no additional revenue sought to be mobilised under this amendment. In fact, this Act has given small concession to the theatres. There is a fundamental misunderstanding about this. The Act tends to give concession. I am reverting to the system that was existing in May 1984.
12th August 1985

Sri Mohd. Vizarat Rasool Khan:

Sir, just now the Hon’ble Minister said that during 1983-84, Rs. 34 crores was the collection and in the year 1984-85, he got about Rs. 40 crores of collection. Now he is going back to the year 1983-84, again he is giving some bonus concession. Has he got the information as to how much he is going to lose when he got Rs. 34 crores in 1983-84? Now that he is going to give relaxation to the Act, how much the Government is going to lose?

Mr. Speaker:

The concessions are given. The Government need not lose anything.

Sri Ashoka Gajapathi Raju:

Sir, this point had been raised earlier and I read out the figures year-wise. The detail will be informed to the Hon’ble Members. I will get these details and communicate to them.

Mr. Speaker:

We will take up the Bill to-morrow. Now I adjourn the House till 8-30 a.m., to-morrow.

(The House then adjourned to meet again at 8-30 a.m., to-morrow, i.e., on Tuesday the 13th August 1985.)
