Sri K. Jana Reddy: "The Budget allotment for Vijayawada-Balharshah Sections not been reduced in the Ministry for Railways for the year 1985-86 by Rs. 2 crores as alleged in the Memo. In fact, only spending limit has been fixed for the current year. As such the question of allotment of additional fund of Rs. 2 crores to Kazipet-Hyderabad line does not arise. As a matter of fact, the electrification of Kazipet-Hyderabad has been put at low priority and priority for electrification to the trunk routes, i.e., Delhi to Bombay, Delhi to Calcutta and Delhi to Madras is given. Under these circumstances, this Section, i.e., Kazipet-Hyderabad has been referred to 8th Five Year Plan."

The Chief Minister has referred this House as ‘bazar’. I request Hon’ble Speaker to expunge these remarks. This is not good.
There is no ground for limiting the use of the remaining water by Andhra Pradesh to its existing carryover capacity. If the remaining water is not used by Andhra Pradesh, it will be wasted in to the sea.

According to the Krishna Water Dispute Tribunal Award, the State of Andhra Pradesh is permitted to utilise the waters of Krishna river flowing down to the territory without acquiring any right. This point is important.

We are not acquiring any right. We are having a right to utilise additional water but we are not acquiring any right on that about the Accord.
Mr. Speaker: On 20th we are going to have more questions on Telugu Ganga. You can discuss on that. You ponder over the subject tomorrow and day after and you can put more questions on 20th. Now you ask the question.

Dr. Y. S. Rajasekhara Reddy: Thank you very much.

Mr. Speaker: It is alright, I have given my ruling. That is all. Now that the Question Hour is over, all the remaining questions which are not answered, will be placed on the Table.
Mr. Speaker: On 19th, we are going to have Business Advisory Committee meeting. On that day I am going to allocate time for discussion, whether 2, 3, or 4 hours, or whatever the time is required, I am going to permit there. Let us discuss, because it is an important project which is life and death of Andhras. So we are going to discuss extensively the subject and I will give sufficient time. Even it requires one day, I am going to allow. Now no further discussion on this please.

Mr. Speaker: On No. 39 was postponed. The other Answers will be placed on the table of the House immediately. They are there and as stated, they will be placed immediately. Mr. Speaker, Sir, It is not fair that Government nominees should be on the syndicate. The senior professors and Academicians who have already worked for 15-20 years, would get frustrated and it is not fair to deprive them of the opportunity.

If the Government nominee is there, he would be subservient to Government's wishes, and would obediently follow whatever be the directions of the Government.

Is it fair that in addition to the Vice-Chancellor who is also an appointee, the members of syndicate should also be nominees? Then what would happen to the independent and autonomous character of the University? In an educational institution such as the University, the Vice-Chancellor, and the Syndicate should be independent. What purpose would be served if Government Servants, like, Education Secretary, Finance Secretary and Director Education are there. On these grounds I oppose the Bill and request the Government to restore the autonomy of the University by making the Syndicate an elective body.
Mr. Speaker: I shall now put the Statutory Resolution to vote.

The question is:

"This House disapproves the Andhra Pradesh, University Acts (Amendment) Ordinance, 1985, (Andhra Pradesh Ordinance No. 11 of 1985) promulgated by the Governor on 10th June, 1985".

(At this stage Members pressed for Division).

The Resolution was put to vote and the House divided thus:
