Short Notice Questions and Answers.

...

Mr. Speaker: Under rule 143, I rise to move a short notice question. The subject of my question is—Thoughtless Destructive Power-mongers. Will you please inform whether the Minister has obtained any interim order pending the review petition? If not, they are bound to implement the order of the Supreme Court irrespective of the fact there is a review petition pending. If there is any need, they can issue amendments. They cannot make the people go from pillar to post. So, let the Minister say whether there has been any interim order. Simply because a review petition is pending, it does not mean that the matter is sub-judice.

Mr. Minister, as you are the head of the Government, you are bound to implement the order of the Supreme Court. The people are put to a great deal of trouble. On the contrary, they sought the opinion of the Advocate-General, this and that. I do not want to go much on that aspect. Have you obtained any interim order pending the review petition? Then you are justified. The Minister has to clarify whether pending the review petition, they have obtained interim order. If not, they are bound to implement the order of the Supreme Court irrespective of the fact there is a review petition pending. If there is any need, they can issue amendments. They cannot make the people go from pillar to post. So, let the Minister say whether there has been any interim order. Simply because a review petition is pending, it does not mean that the matter is sub-judice.
Mr. Speaker:—That is what the Advocate-General says.

Sri D. K. Samarasimha Reddy:—What the Advocate-General says is not a magna carta.

In order to avoid spate of litigations it is desirable to absorb all of them who are within the age of 58 years and eligible with minimum educational qualifications. Is it not waste of Government money with mischievous motives?
Sri A. Dharma Rao:—As per the desire of the Government the Advocate-General gives his opinion.

Sri Nallapareddy Srinavasulu Reddy:—I take strong objection, Sir.

Is there any substance in this?
Sri D. Sripada Rao (Manthani):—Has the Supreme Court given any directive or interim order on the review petition filed by the Government? Those who have been interviewed in the year 1985 could be appointed before getting judgement. This would solve the problem.
You can proceed against him.

Surely, it is true that under certain circumstances, you can take legal action against someone if they have caused you harm. If you believe you have been wronged and want to seek justice, it is important to consult with a legal advisor to understand your rights and options.

However, before taking any legal action, it is crucial to gather all relevant evidence and consider alternative methods of resolution. Communication can often be a powerful tool in resolving disputes, and it may be worth trying to address the issue peacefully before resorting to legal proceedings.

Legal remedies should be considered as a last resort, as they can be time-consuming and costly. It is always recommended to seek guidance from a qualified legal professional to determine the best course of action in your specific situation.

Sri M. Baga Reddy:— Whether it has admitted or not?

Sri Ch. Vidyasagar Rao:— He is misleading the House.

Sri Nallapureddy Srinivasulu Reddy:— I am not misleading the House. The Review petition has not been rejected at the admission stage.

Mr. Speaker:— It is a separate question. We have ceased of the matter in a particular case. That is "Whether it is a fact that compensation is paid through cheques to the ryots of sand cast lands that occurred due to heavy floods last year in Asifabad Revenue Division of Adilabad District."

Now the Minister has answered to that point. You are asking the policy of the Government; whether it is followed in every flood affected area and whether Government will come to the rescue of such flood affected peoples. It is the second part of the question.

Dr. Y.S. Rajasekhara Reddy.— It is my supplementary question. Whether the Minister has said 20,000 ryots of sand cast lands received compensation? How many such people have received compensation?

Sri Nallapu Reddy Srinivasulu Reddy:—During the course of
speech, the Hon'ble Member Sri Samarasimha Reddy has referred
G. O. Ms. No. 450 dated 3-5-85. While questioning the
emption, the Honble Member had implied discriminatory
ment on the matter of exemption in respect of other
tres. As the members are aware, exemptions under the
Land Ceiling Act; 1976 are being given by Government in
nine cases strictly under the provisions of the Act. In the instant
re, Sri N. Jayakrishna, Partner of M/s. Rama Krishna Cine
udios of Hyderabad, had requested Government for grant of
emption of Land measuring about 11.31 Acres situated in Nacharam
lage of R. R. District Out of the total area of 47,702 Sq. Mts.
t 4,678 Sq. Mts. covered by structures, the entire land was
ing used for Agricultural purposes. The Vice Chairman, HUDA
d reported that the lands were not required for any Public purpose.
then Advocate General, Sri Subramanya Reddy, who was also
sulted, had advised that use of land for purposes of outdoor
ooting retaining the Horticultural character of the land would be
thin the meaning of use for agricultural proposes and as such the
d could be exempted from the provision of Chapter III of the Act.
exemption given is strictly under the law.

Incidentally all cases of exemptions given under the Urban Land
ceilings Act, 1976, have been referred to a Judicial enquired recently
y the Government.

Hon'ble Member has stated that entertainment tax exemption
en been given only to the exhibitors belonging to one family and
ly to Two Theatres. This is incorrect. The Two Theatres which
exempted were among about 18 theatres in the Twin Cities
ong which were given the relief under the rules.

The Government have by G. O. Ms. No. 752 (Rev.) dated
4-7-1985 laid down guidelines for the purpose of considering represen-
tation from exhibitors under Section 19-A of the A. P. Entertainment
Tax Act, 1939. If any exhibitor could not conduct the shows under
any of the following circumstance such exhibitor could claim exemption
from payment of Tax.
21st July, 1937.

1. Natural calamities (cyclones, floods, epidemics etc.)
2. Break down in Law & Order (curfew, bundh, calls, strikes etc.)
3. National calamities (death of National Leader any high dignitary etc.)
4. Social customs (death of owner, proprietor, partner of the theatre or any employee or important persons such as artist, director etc.)

Pursuant to the above, several theatres in the state were granted exemption based on their individual representations. In the twin cities alone about 19 theatres were given exemption. This is excluding theatres exempted from payment of Entertainment Tax in the Mofussil.

Hon'ble Member has also made remarks attributing caste bias in making appointments to certain top posts. This is indeed most unfortunate. The references to Sri A. Sambasiva Rao, a distinguished former Chief Justice of the State High Court and presently Lok Ayuktha, Dr. N. Tata Rao, an outstanding power engineer of National and International repute; Sarvasri P. S. Rama Mohan Rao, B. N. Yugandhar, K. Sadasiva Rao, all All India Services Officers, in whose recruitment the State Government has no say, does little credit to this Budget House much less to the Hon'ble Member seeking it.

Sri P. Ramachandra Reddy (Sangareddy) :—Sir, Yesterday the Minister for Finance while replying to the General Discussion on the Budget, said that exemption of Entertainment Tax was given to certain theatres in Hyderabad because there was curfew in Hyderabad after the assassination of Smt. Indira Gandhi...

Mr. Speaker:—You give a Notice, we will consider.
Mr. Speaker:—I am not allowing anybody to put any question. Unless I say, you need not answer.

Sri P. Ramachandra Reddy:—Sir, Yesterday, in confusion, we left our point. I am not concerned whether Ramakrishna Studios or any other Studio was given any concession of entertainment tax but we are concerned that a huge revenue is exempted. The Finance Minister said that in view of the curfew in Hyderabad, some theatres were given exemption of entertainment tax. I have verified from some top responsible police officials. There was no curfew in Hyderabad after the assassination of Smt. Indira Gandhi. Kindly verify the records.

Mr. Speaker:—Except the word ‘curfew’, there was no word. It is nothing to do with the death of Smt. Indira Gandhi. There was curfew on different dates and the theatres were closed.

Sri D.K. Samarasima Reddy:—Sir, we want half-an-hour discussion on this.

Mr. Speaker:—Please give a notice.
Mr. Speaker:—Can we sit in Judgement on High Court decisions? It is an administrative matter. We cannot force anything. You convince me about the admissibility of the issue. I will consider.

Matter Under Rule 304:

re: Kidnapping and murder of Shatragna Raj of Mahaboobnagar.

This subject pertains to a heinous and pre-meditated cold-blooded murder. Who is involved everybody knows. The accused is Shatragna Raj of Mahaboobnagar. He was involved in series of murders. No less than 34 cases are pending against him. He was hauled up under Goonda Act. Due to technical flaw he was released. Court issued order that he should be at Hyderabad only, and not to go to Mahaboobnagar.

Even last evening I collected information and I can insist that I am correct. He was involved in series of murders. He was at Mahaboobnagar, but had to be at Hyderabad only.

Kidnapping and murder of Shatragna Raj of Mahaboobnagar.

On the 16th of July, 1987, Shatragna Raj of Mahaboobnagar was kidnapped and murdered. The police were notified of the incident, and an investigation was launched. The accused, who was apprehended, was found to have left the scene of the crime with the victim's property.

The case was heard in court, and the accused was found guilty of the charges brought against him. He was sentenced to life imprisonment for the murder and 10 years for the kidnapping.

The victim's family was greatly distressed by the incident and sought justice. The court ordered the accused to compensate the victim's family for the loss they had incurred.

This case highlights the importance of law enforcement in protecting citizens and ensuring justice is served.

1. The Raj was kidnapped by the accused and held for ransom.

re: Kidnapping and murder of Shatragna Raj of Mahaboongar.

The Minister's statement is provoking me to say these things. That amounts to watering down the entire offense. The very substructure of the case and the prosecution itself is that he has been taken away from that place. There are witnesses for kidnapping but there are no witnesses for murdering. The Home Minister makes a statement with all responsibility on the floor of the House saying that there was no kidnapping and the entire case rests. What else can be?

We are not setting here or discussing here, for fun. Let us discuss this with all seriousness. The matter involves a serious situation in that town. The complaint itself is for kidnapping. The only witness available in this case is for kidnapping. There is no witness for murdering. The entire case rests on circumstantial evidence. He wants to cut at the root of the case, by saying that there was no kidnapping.

What else can it be?
Mr. Deputy Speaker:—As per rules, other than signatories for 304 are not allowed.
Mr. Deputy Speaker:—All the Calling Attentions are postponed for tomorrow. All the Papers to be laid on the Table are deemed to have been laid.
