(Bridge Across River Upputeru.)

*7061-Q.—*Smt. Y. Sita Devi (Mudinepalli), Smt. V. Saroja (Teekkali) and Smt. Rajana Ramani (Visakhapatnam II):—Will the Minister for Roads and Buildings be pleased to state:

(c) whether it is also a fact that the cost of the approach roads was over estimated and payments made to the contractors; and

(d) if so, the action taken in the matter?
Sri K. Bapi Raju (Kaikalur):—This bridge happens to be in my Constituency. Hon'ble three Lady M.L.A.s. put a question about this Bridge. They are free to do so. But, this Bridge is in my Constituency. As the concerned M.L.A., I have a right and responsibility to speak.

(Interruptions.)

What I want to mention is why they are unhappy about this.

(Interruptions.)

The question reads as follows:—

"Whether it is a fact that a Bridge is constructed across the river Upputeru connecting West Godavary and Krishna Divisions at Elurupadu and Pedalanka;"

For this question, Hon'ble Minister has kindly answered by readily saying that it is under construction. But here, the question is whether it is constructed or under construction?

(Interruptions.)

In the main question itself, there is a mistake. What I want to tell you is that unfortunately, the bridge under construction is not on the river but it is a Drain only. More over..........

(Interruptions.)

Sri P. Venkatapathi:—Sir, ..............
Sri K. Bapi Raju:—Let them interrupt, Sir. I am going to answer all of them.

(Interruptions.)

I do not know why they are protecting those ladies.

(Interruptions.)

Mr. Speaker:—The Minister has to take an objection for that. Not myself.

I am going to the next question.

BUSINESS OF THE HOUSE.

Mr. Speaker:—There is a Privilege Motion given notice of by M/s. Baga Reddy, Narasimha Reddy, Mohammed Jani, Samarasingha Reddy, Dharma Rao, Ch. Vidyasagar Rao and others. But this was received by me only at 8.24 a.m. today. I have to go through this and give my consent. This I will do in the course of the day.

Sri M. Baga Reddy:—Sir, in the matter of constituting a House Committee no decision has been taken.

Mr. Speaker:—As you know, yesterday, House Committee has not been agreed.

Sri Nallapureddy Sreenivasul Reddy:—In the matter of Privilege Motion, I may say that if it is against any Minister or Chief Minister we must be given copies. No copies have been given.

Speaker:—I have not taken any decision yet.

Sri M. Baga Reddy:—What is the matter in the Privilege Motion?

Mr. Speaker:—I have not taken any decision yet.
Mr. Speaker:—No doubt, a notice of Privilege Motion has been given. But it requires my consent. Unless I give my consent it cannot be moved. It was received by me at 8-24 this morning. I will go through it and then I may straightway refer it to Privileges Committee or as the Members to give their views. I will go in the course of day and decide.

Sri A. Dharma Rao:—Yesterday, the discussion was incomplete. No decision could be taken on the Constitution of House Committee, as the House was adjourned before time.

Mr. Speaker:—That matter is over. Please refer to the rules and tell me how can it be continued the next day. That discussion and the matter is over. If you want anything more on the same issue, you may bring in any other form under the rules. You may give fresh break. I will not allow anything except what is on the Agenda. Please co-operate.

Mr. Speaker:—The matter will not spill over to next day. That issue is over. I have closed it and it is closed.

(Interruptions.)

It is not a spill-over matter. You must come to my rescue. You must also give me the rules, quoting, etc. I am going according to the Rules. If you suddenly say something and if you want a discussion on it, I will not allow. You must show me rules as to whether I can allow you. First of all, you please pursue Rule 304 and see the ambit of the same.

We have discussed for two hours. What else you want? There is no question of conclusion of the same. Every Member was given an opportunity. The only thing left was as to whether a House Committee was to be constituted or not and at that stage it was concluded. So, everybody discussed thoroughly and all the Members were allowed to participate, whoever wanted.
I am not going to allow you any discussion today on Dechavaram because rules do not permit and the Agenda did not disclose that it had to be discussed. If you suddenly say that you were going to discuss on a matter which had been already discussed, I will not allow it please. Let me go to other important matters also.

(Interruptions.)

Sri A. Dharma Rao:—Sir, the demand was for a House Committee but the matter was misrepresented and falsely represented in the House.

Mr. Speaker:—You are a Senior Member, Mr. Dhama Rao and you know all the details; legally or otherwise; rules; regulations; Constitution and everything. Now, you must also try to help me to come to just a decision, that today, as to whether I can take up a matter without being brought in the Agenda. Can I allow such a discussion to take place? No.

(Interruptions.) (Bell.)

You take those steps and I will not prevent you from doing anything but today, I will not allow you to discuss about Dechavaram. Now let us take up matter under Rule 304, please.

Sri A. Dharma Rao:—The Chief Minister used the letter of Mr. Babul Reddy and therefore we have got to pursue not for C.B., C.I.D. enquiry. That letter was used by the Chief Minister. He was taken shelter under that letter. Therefore the matter is relevant here.
Mr. Speaker:—Mr. Samarasimha Reddy and Mr. Dharma Rao, you have got other methods to pursue the same when any misrepresentation takes place. You are not precluded doing so. You have got all powers to do so. Please pursue other methods. Instead of that, you please don't allow me to do a thing, for which the Law does not permit me and the rules do not permit. I have to go according to the Agenda and I have got to go through other important matters. Yesterday we did not discuss about the Demands also. So, we wanted to discuss those things today and I want it should be completed.

Sri N. Indrasena Reddy:—Sir, the Minutes of the Business Advisory Committee were not circulated to us.

Mr. Speaker:—No, they were given long back. Suddenly you cannot raise such question that you have not received it. If any such doubts are there, you please come to me and enquire about it but not here. I am telling you that these are the contents and matters of the B.A.C., Half an hour is meant for 304s and by 11-00 a.m., we must finish the Calling Attention Matters and it should be over. Now, inspite of the fact and on account of the anxiety of the Members, depending on matters of importance, we have already given some latitude and we are also exceeding those time limits. Instead of 15 minutes, and half an hour, we have spent two hours. More than that two hours, what else you wanted?

Sri D. K. Samarasimha Reddy:—Sir, leaving aside the results, 
by sitting here.
Mr. Speaker:—Please listen to me if you want a correct explanation and reply or information from me. Now, you have also thought, it was an important question to raise that ten minutes earlier I had adjourned the House.

There must be some sort of enlightenment to any subject when the Member wants. Within that ten minutes, the Agenda could not have been completed, neither the Budget Demands discussions nor any other matter under Rule 304, etc., and so the House was adjourned. You cannot question the propriety of the Speaker, when he says and gives certain decisions. You abide by them and then, you pursue other remedies which are under Law. I will not preclude any Member from saying anything—whether it affects anybody or not. Certainly I will allow all the Members to pursue their remedies. Again, by these discussions, we are loosing valuable time.

Mr. Speaker:—The Report is being given. Yesterday also it was ready. Today also it is ready. 3*33 Rgrgrap 33 w&§ '<3^i* 3)3*j3b.

It is not pending. It is only said “A Member, may, with the consent of the Speaker”.............Unless I give you the consent, you are not doing it.
Sri Ch. Vidyasagar Rao:—Sir, the consent need not in writing.

Mr. Speaker:—No.

'Sir:—Mr. Vidyasagar Rao, do you think that 'Here is a Speaker to consider anything' and he will allow you to talk whenever you wanted?

Shri Ch. Vidyasagar Rao:—Sir, absolutely not.

Mr. Speaker:—Then, why don’t you allow me atleast to go through the contents as to what you have given me just at 8-24 a.m., to go through and take a decision.

Shri Ch. Vidyasagar Rao:—Sir, we are supposed to give that during that time only.

Mr. Speaker:—You may give at any time—but I must also go through the contents of the matter and see as to whether it is a fit case for directly sending it to the Privileges Committee or allow you by giving an opportunity to say something about it.

Shri Ch. Vidyasagar Rao:—Yes, Sir.

Annual Financial Statement
(Budget) for 1987-88.

The following is the summary of the annual financial statement for the year 1987-88.

The Budget for the year 1987-88 has been prepared with due consideration to the prevailing economic conditions and the needs of the nation. The main aim of the Budget is to ensure a balanced growth in the economy. The Budget places a strong emphasis on infrastructure development, education, and healthcare.

The Budget also highlights the government's commitment to reducing poverty and improving the living standards of the people. The government has planned to increase the allocation for social welfare programs.

The government has also taken steps to enhance the tax base and increase revenue collection. The Budget reduces the dependency on grants from the central government and focuses on internal revenue generation.

The Budget is designed to promote industrial growth, particularly in the sectors of agriculture, manufacturing, and services. The government has planned various incentives and schemes to boost investment in these sectors.

Overall, the Budget aims to achieve a sustainable and balanced growth, ensuring the welfare of the people and the development of the nation.
Mrs. Marjorie M. Godfrey (Nominated):—Chairman, Sir, I just want to say a few words about the Government Hostels. The Government hostels in the State are in a deplorable condition. Buildings are very old and dilapidated. Other amenities like toilets are very bad. The food that is served in these hostels, I had an occasion to visit a few of them, is equivalent to the food the beggars are eating on the road. The grant that is being given is for 50 to 100 students, but we see scarcely 20 to 25 students there. I had an occasion to visit one hostel where we could not find a single boy in the hostel and they had to call the boys from the streets. This is the condition of the Government hostels and I do not know where the money is going. It is going through the drain or into the pocket of somebody else and the poor children are not being benefitted.

Sir, the voluntary organisations are willing to serve, but they are deprived of the Government aid. Many of our voluntary organisations are doing very good work and the Boys Town Hostel in Falukhnama is one of them. They are catering primarily to the needs of S.C. and S.T. boys. Now they are not getting grant from three years. These poor boys are languishing there. Of course, the Brothers are trying to get money from all sources, but they are unable to admit many S.C. and S.T. students. I request the Government to go into the working of these hostels and find out which of them is really doing service to the children. I think these hostels should be brought up as an example to the other hostels so that they can understand where they are lagging behind. I suggest that a few hostels should be selected and they should be focussed. When I saw how these children are fed, there was really tears in my eyes. There are eight to ten boys. There was some rice and a little dill put in a leaf. I felt like crying and walked out. This is the way the Government hostels are treating our children. They are the children of our State and it is our duty to look after these children. I request the Government to take some action and see that the Government hostels are maintained well. I also request the Government to help other voluntary organisation who are working for this purpose.

Sir, the Government has brought out a new policy. We have many conversions from the S.Cs. and they do not get the same benefit as the Scheduled Castes. Conversion from one religion to the other is a matter
in between that man and the God and I don't think that takes away the stigma of caste. They belong to the same caste. I request the Government to give the same privileges at least for another ten years so that they can come up.

Now, I come to the schools. I don't think it comes under Social Welfare, but many of the school buildings are very old and in a bad condition. I request the Government to take some action and see that these buildings are also brought under the control of the Government. I have always been saying that the Government should construct buildings with its funds so that the children will be secure and have all amenities like toilets, water supply, electricity, etc. Thank you.
