8.40 a.m.

Mr. Speaker:—Sir, when a witness is in the dock and when we put him a question, can he say you put a different question? It is a relevant question and he has to answer that question. The question is very specific. How many applications have come and what are the guidelines followed? If he is not able to answer, let the question be postponed. Let the file be placed before you enable the opposition leaders to peruse it.

Sri N. T. Rama Rao:—It was decided by a Board of Six Directors. We have not interfered in that matter. He was one of the applicants. So, he might have been given. I am not responsible.

Is the stay pertaining to the payment of compensation or for taking possession of the land? If it is for taking possession, there cannot be a stay pending for seven years? If it is for payment of compensation, it can be delayed. If it is for taking possession, why can't they issue a new notification dispensing with the 5-A enquiry and take possession?

Mr. Speaker:—Even for payment of compensation, there cannot be stay because they can only enhance. As it is now, why stay is there nobody knows. The Chief Minister has assured that the stay is going to be vacated at the earliest point of time.

(Sri D. K. Samarasimha Reddy rose to speak.)

The main question is not with regard to stay. I have allowed enough questions on that.
