Point of Information

re: Absence of Press in the Gallery

Mr. Speaker:—Adjournment motions are taken only after question-hour.

Mr. Speaker:—The Leader of the House is on his legs.
Point of Information: re: Absence of Press in the Gallery.

Mr. Speaker:—Now immediately the Chief Minister has ordered judicial enquiry. I sympathise with the press person. And the libel charge, I condemn it.

(Interruptions)

Now, whenever press warns to boycott are we to adjourn the House? Let us decide that point. I must get the co-operation of the Members to run the House. Unless I get the co-operation from Members, I cannot run the Assembly. Now, we are having Budget Session which is very important.

Mr. Speaker:—All right, I will adjourn the House for five minutes. But what is it that you are going to get?
Mr. Speaker:—Whenever the Press boycotts the assembly, are we to adjourn the House?

Mr. Speaker:—I agree with you. There are no two opinions.

Sri N. T. Rama Rao:—Anybody must were it. We do not know what has happened. He has been taken into custody and let us wait and see. Let us see the report.

Sri D. K. Samara Simha Reddy:—You cannot take him into custody.

Sri N. T. Rama Rao:—Let us know the facts. Let the report come. If there is prima facie case.... He has no right to violate the rule.

Point of Information:
re: Absence of Press in the Gallery.

Sri N. T. Rama Rao:—I am very sorry, they are abusing me.

Mr. Speaker:—All those remarks are expunged which are derogatory to the House.

Sri N. T. Rama Rao:—Nobody has seen what has happened. We are discussing only on what we have heard. On that I want to know the correct information. Let the Judicial Enquiry be over and let us see its opinion.
Mr. Speaker:—I am adjourning the House for ten minutes.

(The House then adjourned at 8-48 a.m.)

(The House re-assembled at 10-25 a.m.)

(Mr. Speaker in the Chair)

Mr. Speaker:—With the Co-operation of the Government as well as treasury benches, Leaders of the Opposition, the Opposition Members, the problem has been solved. I think the Government is in a mood to transfer the Sub-Inspector of Police.

Sri D. K. Samarasimha Reddy:—Let the Government make that statement.

Mr. Speaker:—I am announcing that. That is all.

ANNOUNCEMENT:

re: Postponement of Business of the House.

Mr. Speaker:—The questions posted for today will be taken up on 20th July, 1987. The Short Notice Questions, Calling Attentions and Matters under Rule 304 will be taken up tomorrow.

The papers to be laid on the Table of the House are deemed to have been laid on the Table of the House.

Now, Sri Y. S. Rajasekhara Reddy, will initiate discussion on Budget.

Honourable Speaker was kind enough to appoint a House Committee and to the best of my knowledge the Committee recommended to make necessary efforts to start this unit. Financial institutions are ready to help that unit. They are ready to give a package deal; but the State Government is not reciprocating. I am squarely charging this Government that you are not doing your bit to start this unit.

(General Discussion.)

For 1987-88:

The budget for 1987-88 has been prepared with an eye on achieving the overall economic growth. The key features of the budget are as follows:

1. The budget forecasts a growth rate of 6% for the year.
2. The budget allocates funds for various developmental projects.
3. The budget includes provisions for social welfare programs.
4. The budget aims to reduce the fiscal deficit.

In conclusion, the budget is expected to provide a stable economic environment for the year 1987-88. The government is committed to implementing the budget的各项 provisions to achieve its objectives.

The Annual Financial Statement for the year 1987-88 is presented. The report includes a detailed discussion of the budget, covering various aspects such as revenue and expenditure. The highlights of the budget include an increase in the allocation for education, health, and infrastructure development. The government has also focused on increasing the budget for social welfare and poverty alleviation programs. The financial outcomes for the previous year are reviewed, and the projections for the upcoming year are discussed. The statement is aimed at ensuring transparency and accountability in financial management. The report concludes with recommendations for future budgeting and financial strategies.

General Discussion:

The Bima Financial Statement for the fiscal year 1987-88, as presented, reveals a budget that is focused on several key areas. The statement begins with an overview of the financial situation, emphasizing the importance of maintaining a balanced budget. It highlights the need for efficient allocation of resources to ensure sustainable growth.

The budgetary allocations are detailed across various sectors, with a particular focus on infrastructure development, education, and healthcare. The infrastructure sector receives a significant portion of the budget, aimed at improving roads, bridges, and other critical infrastructure projects. Education and healthcare receive substantial funding, indicating a commitment to human capital development and public welfare.

In terms of revenue, the budget projects a steady increase, primarily driven by non-tax revenues and foreign aid. The revenue forecast is supported by a detailed breakdown of expenditure, ensuring transparency and accountability.

The budget also includes provisions for contingency funds to address unforeseen circumstances, underscoring the importance of adaptability in fiscal planning.

In conclusion, the 1987-88 budget is a comprehensive document that reflects the government's strategic priorities and commitment to socio-economic development.
Annual Financial Statement (Budget for 1987-88: General Discussion.)

(5) Mr. Bandi:—...

General Discussion.

In this context, let us consider the financial implications of the budget for the year 1987-88. The discussion will focus on the various aspects of the budget, including its objectives, strengths, and potential areas for improvement. The budget is expected to have a significant impact on the economy, and it is important to analyze its details carefully.

The budget is expected to allocate resources to various sectors to ensure a balanced growth. The government is expected to invest in infrastructure, education, and healthcare to improve the quality of life for the citizens. The budget also includes provisions for social welfare programs to support the vulnerable sections of the society.

However, there are concerns regarding the fiscal sustainability of the budget, and the government needs to ensure that the expenditure does not exceed the revenue. The government is expected to monitor the budget closely and take corrective measures if necessary.

In conclusion, the budget for 1987-88 is a step in the right direction, but there is a need for continuous monitoring and evaluation to ensure its effectiveness.

Annual Financial Statement (Budget)  
for 1987-88:  
General Discussion.

The Annual Financial Statement for the year 1987-88 is presented below. The discussion will focus on the highlights of the financial report.

- Revenue: The revenue for the year is expected to increase by 10% compared to the previous year. The significant contributors to revenue include sales, which have shown a 15% growth.
- Expenses: The expenses for the year are projected to increase by 8%. However, the company has taken measures to control costs, resulting in a 5% reduction in overall expenses.
- Profit: The profit for the year is estimated to be 12% higher than the previous year. This is attributed to increased sales and better cost control.

In conclusion, the financial statement for the year 1987-88 reflects a positive trend with increased revenues, controlled expenses, and higher profits. The company will continue to focus on cost control and revenue enhancement to sustain this growth.

Annual Financial Statement (Budget) for 1987-88:

General Discussion:

For the year 1987-88, the financial performance of the organization was assessed. The budget for the year was approved by the management. The performance was evaluated based on various parameters such as revenue generation, expenditure control, and overall operational efficiency. The financial report showed a significant improvement in the organization's financial health, attributed to effective cost management and strategic planning.

The budget for the subsequent year was projected with considerations for future growth and market trends. The organization faced challenges in certain areas, requiring focused attention and strategic interventions.

1-00 p.m.

The budget meeting continued with discussions on key areas of improvement. The financial team presented detailed analyses of revenue streams and expenditure categories. The presentation highlighted the importance of diversifying revenue sources to mitigate risk.

The team emphasized the need for efficient resource allocation and the importance of aligning resources with strategic objectives. The discussion concluded with a consensus on the need for a comprehensive review of the financial structure to enhance its resilience.

The meeting concluded with a recap of the key decisions and the action items to be implemented. The group agreed on the importance of regular monitoring to assess the effectiveness of the strategies.

Oral Answers to Questions. 17th July, 1983. 187

As for the second part of the question, I would like to respond with a simple observation. It is important to note that the data presented in Table 1 indicates a clear trend towards an increase in the number of cases over the past year. This trend is significant and requires further investigation. In the meantime, I would like to emphasize the importance of continued monitoring and early intervention strategies to address this issue. Thank you.

Expansion of the Cabinet is the prerogative of the Chief Minister.

Business of the House.

Sri Ch. Vidyasagar Rao :- Sir, the Speaker has the widest powers to decide.

Sri Nallapu Reddi Srinivasul Reddy :- When the Speaker has already disallowed the Adjournment Motion to the Member has no right to discuss about it.

Sri Nallapureddi Srinivasul Reddy :- Sir, are you allowing the Member to speak about the Adjournment motion? I take strong objection for it. He is going deep into the merits of the Case, when the Hon'ble Speaker has already disallowed the motion.

To facilitate them to become the Ministers, they have issued the G.Os.

(INTERRUPTIONS)

(Some Members were shouting loudly)
Mr. Speaker:— I have already decided about the Motion, 10–30 a.m. Please resume your seats. When I am going to address to Sri Vidyasagar Rao, You must keep quite please. I will not allow.

(Interruptions)

Unless I permit, nothing will go on record. He is trying to raise in between and I must be given an opportunity to tell that I have already disallowed your adjournment motion and I am not going to allow it. I must be allowed to give my mind. 

Mr. Speaker:— I am not under anybody's control.

Mr. Nallapureddi Srinivasul Reddy:—We have got great respect to the Chair. We don't disobey the orders of the Chair, but he is going on talking about the Adjournment Motion.

Mr. Speaker:—That will not be allowed to go on record.

Mr. Nallapureddy Srinivasul Reddy:— If it is not already disallowed, kindly allow me to answer.
Mr. Speaker—Did you attend the B.A.C.? What is it that you are talking? Unless I ask you, you don't give your advice. It is a reflection on the Speaker. I have always been a great admirer of the Speaker. If you have any reflection on the Speaker, show me. If you're not satisfied, I am prepared to quit the office. Mr. Narayana Rao made an allegation. I am not sitting here to hear all those things.

We are not casting aspersions on the Chair. We are not disobeying the orders or rulings of the Chair. We will strictly implement and obey your orders and rulings. We are not casting aspersions on the Chair. We are not disobeying the orders or rulings of the Chair.
raise their anxieties and doubts. I am raising the question in order to bring to the notice of the House the doubts and anxieties that are prevalent among the members. When a question is raised by him, before anything goes on record, I am asking him to explain under what provision he expects me to give an opportunity.

Sri Ch. Vidyasagar Rao:—Sir, the proviso to Rule 67 reads: "Provided that the Speaker may, if necessary, hear the member concerned before refusing consent under Rule 63 or holding the motion as not being in order; provided further that where the Speaker refused him consent under Rule 63 or is of opinion that the motion proposed to be discussed is not in order he may, if he thinks it necessary, read the notice of motion and state the reasons for refusing consent or holding the motion as not being in order." Besides the spirit, I would like to submit one thing.

Mr. Speaker:—We are guided by certain Rules. Under what provision you expect me to allow you to say further on the matter?

Sri Ch. Vidyasagar Rao:—This has to be read with Rule 319.

Mr. Speaker:—Unless I permit you, you are not going to say anything.

Sri Ch. Vidyasagar Rao:—This is always deemed to be read with Rule 319.

Mr. Speaker:—You are aware that on this I have given number of rulings. I have explained para-wise and sentence-wise including commas.

Sri Ch. Vidyasagar Rao:—The hon'ble Speaker has got widest powers under Rule 319. 

Mr. Speaker:—Please don't go into the merits.
Sri Ch. Vidyasagar Rao:—I am submitting all these things only to convince the hon'ble Speaker to invoke his powers under Rule 319 and allow me.

Mr. Speaker:—I must be convinced as to why I should indulge in these matters.

Mr. Speaker:—I have gone through your adjournment motion. There is no substance in it. You have an opportunity to raise the issue during discussion on Demands and so on and so forth and explain your case. Adjournment motion is not the proper way. That is why I have disallowed it. The prerogative of appointment of Ministers rests with the Chief Minister which nobody can question.

Mr. Speaker:—Don't go into the merits.

Mr. Speaker:—The contents of the Adjournment Motion do not permit me to give any latitude and allow the Adjournment Motion. They do not deserve it. For that purpose I have disallowed it and I am not going to allow any further discussion.

Sri Ch. Vidyasagar Rao:—I request the hon'ble Speaker to use his extraordinary powers because it is a grave situation.
Business of the House.  

Mr. Speaker:—There is no such information before me.

Mr. Speaker:—Once again I will tell you. I have gone through the Adjournment Motion. The only thing I found is the competency of the Chief Minister to appoint the Ministers.

Mr. Speaker:—When once you come to that conclusion, where is the question of Adjournment Motion?

Mr. Speaker:—I am not allowing any discussion. Nothing to go on record as far as this subject is concerned. Anyway, I have disallowed it. You do not agree with it. What is the next step to be taken? Tell me. Everyday, are we going to recite the rules and regulations, violating them and not allowing the House to be conducted properly, how long we are going to have this?

Mr. Speaker:—We have certain procedures in the House. We have an agenda here and I must go according to the agenda. In between, some notices have come and I have disposed them off. Do you expect me to discuss the same thing again and again?

Mr. Speaker:—You appeal to my sympathy to seek an opportunity.

Sri C. Narsireddy:—Sir, we are craving for our rights. There are umpteen methods in the House to raise the same question, not through Adjournment Motion.
Mr. Speaker:—Ignorance of law is no excuse. There are umpteen methods.

Mr. Speaker:—There are methods and means when injustice is done to the Ministers or anybody.

Mr. Speaker:—Nothing to go on record. I have already expunged.

Mr. Speaker:—Adjournment Motion is not the proper form.
Mr. Speaker:—I am not permitting anybody to raise further on this. Secondly, the request that I should invoke my powers under Rule 319 is rejected. This is not a fit case where I should invoke my powers under Rule 319 to give an opportunity to say on the subject.

Sri D.K. Samarasinha Reddy:—I am not going into the merits. Do you expect a discussion to take place on a matter which is not on the agenda?

Mr. Speaker:—You are a responsible Member. I have respect for all the Members. If you want to explain further, you please come to my chambers and explain all those things.

Do you expect a discussion to take place on a matter which is not on the agenda?
Business of the House.

(3) "Sri D K. Samarasimha Reddy:—I am not going into the merits of the case. Had I said anything about anybody? Why do they get excited? Let me complete. These Rules have been made to govern this House and to reflect the public opinion. What is the spirit behind these Rules? What is the spirit behind this Adjournment Motion?

Mr. Speaker:—Umpteen times....

Sri D K. Samarasimha Reddy:—Let me complete, then I will hear the Speaker. Ultimately, it is the decision of the Speaker. We are not questioning the prerogative of the Speaker; we are not questioning the prerogative of the Chief Minister. Any number of Ministers he can have, any type he can have, we are not going to question it. The only thing is, this is the public opinion outside. Let this House discuss it. Even today, if you read the Indian Express you will find that the court is not able to serve the summons on one of the persons..."
Mr. Speaker:—I have all respect for you. The only thing is, now there is nothing...

Mr. Speaker:—It is not proper. It does not have any substance. I have disallowed it.

Mr. Speaker:—Before adjourning the House for Tea Break, I am to announce that Matters under Rule 304 and Calling attention matters will be taken up tomorrow.

The House is adjourned for Tea.

The House then adjourned for Tea at 11-02 a.m.

While the share of Andhra Pradesh in the assistance received from NABARD and Rural Electrification Corporation increased during 1985-86, there was a decline in the case of IDBI and IBFC. The reason for this is not clear. The share of Andhra Pradesh in the assistance received from NABARD increased from 7% in 1985-86 to 11% in 1986-87. This is due to the increase in the assistance received from NABARD. The share of Andhra Pradesh in the assistance received from IBFC decreased from 17% in 1985-86 to 13% in 1986-87.

For other states, the share of assistance received from NABARD and Rural Electrification Corporation varied from 9% to 13% in 1985-86. However, in 1986-87, the share of assistance received from NABARD and Rural Electrification Corporation decreased to 7% and 12%, respectively.

In summary, the share of Andhra Pradesh in the assistance received from NABARD and Rural Electrification Corporation increased in 1985-86, while there was a decline in the case of IDBI and IBFC.

For 1987-88:

The General Discussion on the Annual Financial Statement for 1987-88 was held on 16th July, 1987. The discussion was attended by the members of the Finance Committee. The Chairman, Mr. A. B. C., presided over the meeting. The Treasurer, Mr. D. E. F., presented the budget for the year 1987-88. The Budget was discussed at length and various amendments were suggested by the members. The Finance Committee considered the amendments and made the necessary modifications. The final version of the Budget was approved by the members.

The highlights of the budget include:

1. Increased allocation for education by 10% to support the development of educational infrastructure.
2. A 5% cut in the budget for health care to reallocate funds to other critical areas.
3. Relief measures for farmers to mitigate the impact of drought.
4. Enhanced subsidies for low-income families to improve their standard of living.
5. Investments in renewable energy projects to promote sustainable development.

The Finance Committee has directed the relevant departments to implement the approved budget in a timely manner. The members expressed their confidence in the success of the budget and its positive impact on the economy.

Mr. A. B. C., in his concluding remarks, thanked the members for their active participation and constructive suggestions. He assured the members of the Finance Committee's commitment to strike a balance between expenditures and revenues for the effective management of the financial resources.

The meeting adjourned at 18:00 hours.

Shahid Adarab Kiyani has stated that the budget for the year 1987-88 is presented after a thorough study of the financial situation. The budget is designed to address the economic challenges faced by the country. It includes measures to promote industrial growth, improve infrastructure, and enhance social services. The government has also emphasized the need for increased investment in education and health sectors. The budget aims to maintain a balance between fiscal responsibility and economic growth. The statement concludes with a call for all stakeholders to work together for the betterment of the country.
General Discussion.

In his presentation to the legislative council, the Minister of Finance elaborated on the budget for the fiscal year 1987–88. The budget was introduced to achieve a balanced and sustainable fiscal policy. The government aimed to reduce the deficit, increase revenue through innovative tax measures, and allocate funds to developmental projects. The budget also included measures to improve infrastructure, education, and health sectors.

The Minister highlighted the importance of fiscal prudence in the face of global economic challenges. The government planned to diversify its revenue sources to reduce dependence on traditional sources. The budget was designed to create job opportunities, boost productivity, and enhance economic growth.

The Minister concluded by urging all stakeholders to support the budget, emphasizing the need for collective effort to realize the government's vision for a prosperous and equitable society.
