Open Air Theatres

(a) whether there is any proposal to construct open air theatres in other places of the State under Telugu Kala thoranam Programme; and

Misappropriation of Funds in Co-operative Urban Bank, Kurnool.

7270-X - Sarvasri V. Rambhupal Choudary, R. Ramaiyah and Ch. Jayarambabu:—Will the Minister for Co-operation be pleased to state:

(a) whether the Government are aware of the misappropriation of funds to the tune of Rs. 10,66,000—in Co-operative Urban Bank, Kurnool, by the management; and

(b) if so, the persons involved and the action taken by the Government so far, in this regard?
That itself will speak volumes about the entire affair. In 1986 the Divisional Co-operative Officer gave a notice to him, no reply. Again reminded in 1987 January. Even for that no reply. It is
by the very same officer. What is the use? Does it serve any purpose? Immediately, you appoint a Joint Registrar or the Registrar himself to enquire into the matter and fix up a time limit for submission of report and initiate action. Also take some immediate steps to see that he does not alienate his properties for escaping from the liabilities. Otherwise, you will not get anything from him. You will not be able to realise a single pie from him. 

Mr. Speaker:— Can the Co-operative Act nullify or otherwise undermine the efficacy of the Indian Procedure Code. Whenever there is misappropriation police investigation naturally takes place and Co-operative Societies Act cannot prevent reference to be investigated.

Sri D. K. Samara Simha Reddy:— Yes, yes. That the Minister should answer.

Mr. Speaker:— But he says departmental enquiries are going on.

Sri D. K. Samara Simha Reddy:— That will not solve the problem.

Mr. Speaker:— They will not be able to lodge complaint with the police. Am I correct, Mr. Ramakrishnudu.
We request the Hon. Minister through You, Sir, kindly entrust the case to the C.B., C.I.D.

Departmental enquiry cannot come in the way of C.B., C.I.D. Enquiry. And one person cannot be a prosecutor as well as a Judge. If it happens, to-morrow that report also will not have legs in case of complaint before Courts. Right away, therefore, what we say is fix up a time limit say two or three months. Appoint an Additional Registrar to enquire and submit his report within that period. Right now on the floor of the House let the Minister say that he is appointing one Additional Registrar. In the meanwhile, let the C.B., C.I.D. enquire into the matter and take penal action against him under the C.R.P.C. —whatever legal remedies are available.

Dr. Vizarat Rasool Khan (Asifnagar):—Mr. Dy. Speaker, Sir,
The Statement of objects & Reasons says;

"The Government of India while conveying the President's assent to the Andhra Pradesh Education Acts made certain minor suggestions and comments in regard to the provisions relating to minority educational institutions, non-formal education, and pre-primary education in the Bill, as passed by the State Legislature."

But we do not know what are the suggestions and comments made by the President, with regard to the minority educational institutions.

After the new Educational Policy has been declared, new guidelines have also been issued with regard to minority Institutions. Those guidelines ought to have been incorporated in this Bill. But strangely enough, that has not been done. There should be clear guidelines for recognizing and allowing the minority institutions to run without Governmental interference. I request that those new guidelines as laid down in the new education policy should be incorporated in this Bill.

I also support my other colleagues in the opposition that this Bill be referred to a Select Committee.
