Pay:ment on Shortages by Helpers in Consumer Federation

19—
6661 Q.—Sarvasri A. Narendra and Baddam Bal Reddy:— Will the Minister for Co-operation be pleased to state:
(a) whether helpers in Consumer Federation retail outlets are made to pay for the shortages instead of the incharges; and
(b) if so, the reasons therefor?
A.—
(a) No Sir.
In the past, for the deficits that occurred during 1970 helpers were also made to pay for shortages jointly with the incharge and not exclusively. The recovery of the value of deficits between the Salesman and the Helpers was fixed at 60:40. At present for deficits only incharges are held responsible.
(b) The Salesman in the godown or retail unit of the Andhra Pradesh State Co-operative Consumers Federation is fully occupied in scriptory work like writing the invoices, sales bills etc., while the
helper actually measures or counts the articles billed for, and delivers them to the customer. It is not always possible for the Salesman to remeasure or recount the commodities which were already measured or counted by the helper. Further it is quite possible especially during peak business hours that the helper might issue stocks in excess of the quantities indicated in the bills. Thus it is the helper that mostly handle the stocks and as such it was felt not just to exonerate him completely from the responsibility for the deficits in stocks and make the Salesman responsible with the full burden of deficits. For smooth and effective functioning of the godown/retail unit, it was felt that both the Salesman and helper should be made jointly responsible for the deficits in the stocks.

NOTICE OF ADJOURNMENT MOTION

re: The behaviour of Police towards Legislators — disallowed, referred to Committee of Privileges.
Notice of Adjournment Motion: 24th March, 1887.

re: Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

Sri M. Baga Reddy:—I am just repeating the words. These are not my words. This Officer is incharge of the Police Station. In the interest of democracy, in the interest of Hon’ble Legislators and also in the interest of the ex-M.P., that Officer should be suspended immediately.
Notice of Adjournment Motion:

re: Behaviour of Police towards legislators
disavowed, referred to Committee of
privileges.

Mr. Speaker:—You must follow minutely. I have already said
that I have to hear the other side also. Why are you in hurry? I am
here to safeguard the interests of the Legislators.

Sri D. K. Samarasimha Reddy:—I am very glad what Mr.'
Speaker has said. Sir, you are there as a custodian of the Legislators
to preserve the dignity and decorum of the House, and to set demo-
crate traditions. But here this is nothing but atrocious on the part of
the police.

the police station but they have raised additional force to the police station to show the strength. We have not gone there to show our strength. We were staging a dharna. The whole night we were there. This morning at 6:00 a.m. we came here.

Mr. Speaker :—You can take time to-morrow.

Sri K. Vidyadhar Rao :—Sir. Point of Order

Mr. Speaker :—The issue on Adjournment Motion is already closed.
Mr. Speaker:—That aspect you have said in the beginning itself. Sri M. Baga Reddy has given the Adjournment Motion at 7-55 a.m. I have disallowed it. The other part of the issue is when the privileges of the Members are involved, it is a serious matter and the dignity of the Legislators is involved, I have allowed it for discussion. What action is to be taken by me? What is that you expect me to do now?

re: Behaviour of Police towards legislators disallowed, referred to Committee of privileges.

Sri D. K. Samarasimha Reddy:—My submission is, I invite your kind attention to Rule 62 of the Assembly Rules, regarding Adjournment Motion.

Mr. Speaker:—I have straight away disallowed the Adjournment Motion. Now Mr. M. Baga Reddy has said that the dignity of the Legislators is involved, I have allowed him to speak on that part. I will also permit the Hon'ble Minister to reply. I should also hear him.

Mr. M. Baga Reddy:—We are not comparing individual cases.

Sri D. K. Samarasimha Reddy:—I am sorry. Mr. Srinivasul Reddy is second in the line. Probably he is thinking that he is the de-facto Chief Minister. But I said that the Leader of the Opposition is the 'Shadow-Chief Minister'.

Mr. Speaker:—No interruptions please. Let him continue to speak.

Notice of Adjournment Motion:

re: Behaviour of Police towards legislators disallowed, referred to Committee of privileges.

Mr. Speaker:— Please go to your respective seats, I must also hear him and you also.

Sri Nallapu Reddy Srinivasul Reddy :— I am going to my next point.

re: Behaviour of Police towards legislators disallowed, referred to Committee of privileges.

Let the House be in order first, I will hear them. If it is unparliamentary, I will expunge it. This is a serious matter. So, this should be once for all settled.

If the Hon'ble members do not maintain calm, I may not be able to conduct the business of the House. If the members come to podium, how can the proceedings go on.

I have given opportunity to all the members; they must speak one after another, not all at one time. Even persons from Late Mauvlankar to the present Speaker, every one says, "Do not come to podium." If the members come to podium and ask this and that, that would mean I am acting under pressure, which in a Democracy is not a healthy sign.

Sri D. K. Samarasimha Reddy.—Sir, I raised the matter under rule 280. Can he (Mr. Srinivasul Reddy) speak against a person in high office, in the way in which he is speaking.

Rule 280 is clear, it says:

280: A member while speaking shall not—

\[ x \quad x \quad x \]

(v) reflect upon the conduct of persons in high authority unless the discussion is based on a substantive motion drawn in proper terms.

Therefore, the remarks made by Sri Srinivasul Reddy must be expunged.

Mr. Speaker:—We will have to maintain the decorum of the House at all costs. Please, tell me, is this the way to conduct ourselves—by breaking mikes and coming to podiums? If I find myself in this state, I will expunge.

Mr. Speaker:—We will have to maintain the decorum of the House at all costs. Please, tell me, is this the way to conduct ourselves—by breaking mikes and coming to podiums? If I find myself in this state, I will expunge.

Mr. Speaker:—This is your misbehaviour that is making my job difficult.
Sri D. K. Samasasimha Reddy:— I again repeat You are not able to control.

Mr. Speaker:—I wish - atleasi you could now what language you are using.

Mr. Speaker:—Let him finish his statement; he is making it with my permission.

I am putting a straight question. Is the Government going to take action against Inspector Ashok Kumar or not? He has insulted and abused the legislators as also the Ex-M.P. without any reason. What action are you going to take for the sake of Democracy and good traditions?

Mr. Speaker:—I deliberately allowed these few submission, because prestige of an M.L.A. is involved. Mr. Samasasimha Reddy Says, I am not controlling. Everybody knows, ho do I conduct the House and how I am doing my job.

Motion of Adjournment: Motion for extension of time on account of lack of cooperation from the legislators was disallowed, referred to Committee of Privileges.

The Hon'ble Speaker (Shri. V. P. Singh) :—The Hon'ble Members will please rise. The Hon'ble Members are requested to observe the order of the House. The matter relating to the two Adjournment Motions received in the Secretariat has been referred to the Committee of Privileges. The object of the Motion of Adjournment is extension of time on account of lack of cooperation from the legislators. The Speaker has decided to refer the matter to the Committee of Privileges. It is requested that the Members will rise.

Notice of Adjournment Motion:

re: Behaviour of Police towards legislators
disallowed, referred to Committee of
Privileges.

What prompted the M. L. As to go there and
stage a Dharna? 

Sri M. Baga Reddy:- Sir, I highly object it.
Mr. Speaker—Now I wish to express my intention. In the beginning itself I had stated that I have to safeguard the interests of the Members of this House. Now in that process, if you do not help to protect the interests of the House also, I may not highlight once again as to what damage has been done to-day to the House. I am not highlighting this. But the House is to protect not only one interest but the interests of the entire State. Representation have been made by the Opposition Leaders and the responsible Leaders and others have witnessed the scene. I find that there is misbehaviour from that side on Legislators and I am straight away referring this matter soon more to the Privileges Committee.

Now the House is adjourned up to 12 ‘O’ clock.

(The House then adjourned at 11-25 a. m., to meet again at 12-00 noon, the same day)

(The House re-assembled at 1: noon)

(Mr. Speaker in the Chair)

Business of the House

Mr. Speaker—The matter under rule 304 is postponed 12-00 noon for to-morrow.

Sri Ch. Vidyasagar Rao—Sir, about the leakage of the Budget, I gave a notice of Privilege motion.

Mr. Speaker—I will take it into consideration.

Papers Laid on The Table

Mr. Speaker:—All the papers that are to be laid on the Table of the House are deemed to have been laid.

The following papers were deemed to have been laid:

Paper Placed On The Table

(See Appendix I)

Budget for 1987-88 (Vote on Account)

Minister For Finance (Sri P. Mahendranath) :- Sir, I beg to move:

Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

Mr. Speaker:—For anything there should be some method. Under what provision we are doing all this? Are legislators being treated differently from others? What is the ground for the treatment of legislators? Under what provision are we doing all this? Mr. Speaker:—I have already initiated action...

Notice of Adjournment Motion:

On behalf of the Police towards legislators disgraced, referred to Committee of Privileges.

"What prompted them to go to the police station..."

Mr. Speaker:—No, no. I am not able to understand this...

What prompted the legislators to go to the police station and stage dharna? "I am not able to understand this..."

Sri D.K. Samarasimha Reddy:—Because of the misbehaviour of the police.

re: Behaviour of Police towards legislators

Why do you undermine the authority of the Legislature?
He will be punished.

...

Notice of Adjournment Motion:
re: Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

Sri A. Phanaja Rao:— Whether he has obtained the bail bond from Subhas Chandra Bose? In the absence of it, it is clear that it is concocted.

Mr. Speaker:— Mr. Dharma Rao garu, you are a senior legislator. Do you expect us to go into all those details as to what has happened in the police station?

Sri A. Dharma Rao:— He is depending totally on the version of the Police Commissioner which is absolutely a false one.

Mr. Speaker:— I do not know under what provision we are discussing. Without being listed in the business list, physical or verbal, I have taken seriously and I thought in the fitness of things to refer the matter to the Committee of Privileges. If the Hon. Minister has said in the statement, you need not have exchanges here. That becomes not the concern of the House. If that officer has misbehaved or indulged in a criminal act, there are unnumbered methods to deal with him. We need not waste so much time and make him a hero here.

Sri D.K. Samarasimha Reddy:— Sir, very much grateful to you for exercising your right and saved the dignity of the House to some extent. But the point is very simple.

re: Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

That is nothing but a statement from the Police Commissioner. With your rich experience on criminal side does the logic deserve an argument. As Legislators it is our right that truth is stated on the floor of the House. However big a man might be, he cannot be permitted to make false statement or he should not become a party to false statement.

Mr. Speaker:—What is the purpose?

Sri D.K. Samanamah Reddy:—He is party to a false statement before the House and trying to shield some officers to the detriment of the Legislature.

Sri D. K. Samanamha Reddy:—Sir, again objectionable. What is political gimmicks? They are accustomed to it but we are not accustomed.

Mr. Speaker:—Please cooperate with me.
Notice of Adjournment Motion: re: Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

The conduct of the officer hitherto and over and above the Police department coming and giving a false report to the House and the Minister becoming a party to it and trying to mislead the House is a serious matter which should again be discussed. Once again, I repeat it is a false report and I will demonstrate it to be a false report.

Mr. Speaker:—Are we to spend so much time leaving the regular agenda?

Mr. Speaker:—I have done my job.

Mr. Speaker:—I have pronounced an order referring the matter to the Privileges Committee. What all the Legislature could do, we have done it. You cannot be discussing this like this. How long? If the Government wanted by this time should have come out.

re: Behaviour of Police towards legislators disallowed, referred to Committee of Privileges.

We request you to give a direction.

Mr. Speaker:—It is upto the Government. You have sufficiently highlighted the issue. Though it is extraneous, I have allowed it keeping the importance of the issue in view. If you expect the Government to give an assurance and if the Government is not coming forward, I cannot do it.

Sri Ch. Vidyasagara Rao:—Since he is repeating continuously it is for the Government....

Mr. Speaker:—How long are we to discuss? What is the time limit?

Sri M. Baga Reddy:—I will suggest one thing. A case has been registered against the C.I.

what things are happening in the State. We have spent so much of
time. There should be an end to it. Decisions will not be taken

Sri K. Bapi Raju:—You can direct.

Mr. Speaker:—Let him say. He is the senior most member of the Assembly. I must also respect him. At this juncture no demand being conceded, which is not in the sight now, what is it I can do to complete the agenda. What steps have I to take? You come to my rescue.
