Statistics of the Meeting of the Sixth Session 425
Mr. Speaker:—Concerning what?

Sri Kudupudi Prabhakar Rao:—Lapses on the part of the Government.

Mr. Speaker:—Under what provision?

Minister for Revenue (Sri Nallapureddi Srinivasul Reddy):—Sir, on a point of order. Mr. Speaker, we are seeking the permission of the Speaker.

Sri D. K. Samarasimha Reddy (Gadwal):—There is no point of order in question hour. We are seeking the permission of the Speaker.
Sri D. K. Samarasimha Reddy:—Various powers are conferred on the Speaker in relations to the questions to Ministers. Though the guiding principles regarding questions are laid down in the Rules, he may also vary the question hour. You have got every right. Here is a responsible Opposition Party.

Sri Nallapureddi Srinivasulu Reddy:—First Hour is question hour unless the Speaker otherwise directs. ప్రపడి చెప్పండి ఆధ్వర్యాల చేయడాను. జరిగినవి జరిగినవి ఎందుకు తెచుతుంది.

Sri Kudupudi Prabhakar Rao :-The Speaker is omnipotent.

Sri Nallapureddi Srinivasulu Reddy :-Unless the Speaker otherwise directs.

Sri D. K. Samarasimha Reddy :-You have got every right to vary the question hour.

Mr. Speaker :-You wanted to make a statement and you sought my permission whether you could do so. Suddenly, when I started the question hour you rose. You should have come to my chambers. I would have allowed you to make a statement.

స్వామ్యపతిని అలంపు చేయడాను, ఏ ప్రచురం కేవలం ప్రచురం లేని కాని నేను కారంపడుతుంది?

Mr. Speaker :-I should know the importance of the statement. I am not going to permit you. I will consider after the question hour.

Sri D.K. Samarasimha Reddy:—We do feel that it is important That is why we raised.

Mr. Speaker :-I don't dispute the problems which you intend to raise. Let us go by certain norms. I am not restraining you, but the only point is, we have started the question hour. When I was about to proceed further, you said that you wanted to make a statement. Every day some Member stands up and wants to make a statement. Am I permit everybody? You could have consulted me in the chambers.

Sri Kudupudi Prabhakar Rao :-As a recognised Opposition Party we have got certain privileges.

Sri Nallapureddi Srinivasulu Reddy:—Unless the Speaker otherwise directions, the first hour of every sitting shall be available for asking and answering questions, according to rule 38.
Sri Kudupudi Prabhakar Rao J.—You have got every right to give permission.

Mr. Speaker:—You have not said I have no right nor did I say you cannot make any such thing. You have to obtain prior permission of the Speaker.

Sri. Kudupudi Prabhakar Rao:—That is true.

Mr. Speaker:—Is it not minimum courtesy to tell me in the chamber? If I see there is some importance in the statement which you are intending to make, I would have taken some decision. Suddenly, how do you expect me to take a decision?

Sri D. K. Samarasimha Reddy:—It is not our intention to delay the Chair. We are only craving the indulgence of the Chair to give permission.

Mr. Speaker:—You satisfy me on one count. Suddenly in the Question Hour a Member raises and insists that he must be given an opportunity to make a statement, what should I do?

Sri D. K. Samarasimha Reddy:—The point is, there is one recognised political party which is sitting here on the floor of the House. It is also recognised as the Opposition Party and whether it is the leader or the Deputy Leader, he is the shadow of the Prime Minister in the Parliament and the Chief Minister in the Assembly. When the Chief Minister gets up to make a statement, I submit that it is the duty of the Speaker to permit him to make a statement.

Mr. Speaker:—He requires my permission again.

Sri D. K. Samarasimha Reddy:—Exactly, but it depends upon the circumstances.

Mr. Speaker:—I will be highly obliged if you are able to convince me how you are entitled to make a statement during the question hour without my prior permission.

Sri D. K. Samarasimha Reddy:—The Speaker has got power to permit us during the question hour varying the question hour in view of the importance of the subject which we are going to raise and in view of the importance of the statement our Deputy Leader is going to make. As the Chief Minister is allowed to make a statement, he may also be allowed. He is well within his limits to make a statement in the same manner. When the Leader of the recognised Opposition Party rose to make a statement, I submit that it is the duty of the Speaker to permit him to make a statement.
Mr. Speaker:—Things are not going to change by your effective persuasion. It I succumb to your argument and permit you don’t you think I am committing violation of the Rules, the Constitution and everything?

Sri D. K. Samarasimha Reddy:—No.

Mr. Speaker:—You say you have got the right to make a statement irrespective of my permitting you and you are in a mood to make a statement. I have to protect the Rules and the Constitution.

Sri D. K. Samarasimha Reddy:—May I invite your attention to page 97 of the practice and procedure in Parliament by Kaul Shakder wherein it is mentioned that the Speaker may also vary the question hour which is normally the first hour of every sitting. In view of the importance of our statement, we want you to vary the question hour. You know the Leader of the Opposition....

Mr. Speaker:—I am not disputing. Repetition will not make your case strong.

Sri D. K. Samarasimha Reddy:—Every Member has got a right.

Mr. Speaker:—You are only insisting that I have certain powers. I am glad that you have recognised my powers.

Sri D. K. Samarasimha Reddy:—We request you to vary....

Mr. Speaker:—Today if I commit a mistake it will be written in the history that here is a Speaker who, deliberately or under pressure, violated the Rules. We will be creating that impression now. You must satisfy me. Why did you not come to my chamber prior to the question hour. You are the recognised Opposition.

Sri D. K. Samarasimha Reddy:—Kindly hear what we are going to say.

Mr. Speaker:—That amounts to making a statement. What else will be left? There are so many constraints.

Sri D. K. Samarasimha Reddy:—The Speaker is vested with certain powers. We request the Hon'ble Speaker to invoke those powers. That is the request. It is not being made by an ordinary Member. It is made by the responsible Leader of Opposition.
Mr. Speaker:—You are repeating.

Sri D. K. Samarasimha Reddy:—It has to be said repeatedly.

Mr. Speaker:—I have the highest regard for the Leader of Opposition. There is no ambiguity in it. You should never entertain it.

Sri D. K. Samarasimha Reddy:—We do not entertain such idea.

Mr. Speaker:—I will straight away given a ruling.

Sri D. K. Samarasimha Reddy:—It is not the question of ruling. We are asking you to vary the question hour. We would like to make a statement.

Sri Kudupudi Prabhakar Rao started reading the statement while all the Congress-I Members were standing and amidst repeated interruptions from the Treasury Benches.)

Sri Nallapureddy Srinivasul Reddy:—It should not go on record. He is violating Rule 38 e?q 8-3-160 gE $6 $Ss €€^$ ^^j •MOMR ^&^ _aD ^^^M ^v*^o 9Tyc§.

Mr. Speaker:—No. Nothing goes on record. Nobody need take cognizance, nor it goes into record.

Sri Nallapureddi Srinivasul Reddy:—It is not part of the Assembly Proceedings.

Mr. Speaker:—I agree with Mr. Srinivasul Reddy.

11-00 a.m.
Mr. Speaker:—The summary and substance of what Sri Naik spoke is—that “No doubt what the Congress Benches have done—it is not proper. At the same time I see very often from this side also some sort of disturbances were created. Now you are there as the Hon'ble Speaker—Sabhapathi. So, with your good common-sense and fund of knowledge you use your discretion and decide the matter.”

Business of the House.

-10 a.m.
Mr. Speaker: -Now we have to continue the discussion on Water Problem.

Sri Ch. Rajeswara Rao: -What about the Ruling Sir?

Mr. Speaker: -I have to give a very substantive Ruling so that nobody should be hurt and my Ruling will project all these things.

Sri Ch. Rajeswara Rao: -Sir, I am interested to know whether a Motion of the Privilege is tabled before the Hon'ble Speaker.

Mr. Speaker: -Presently no such motion is given. Only oral submission is made. No written submission is tabled up till now and up-to this hour.

Sri Ch. Rajeswara Rao: -Sir, Privilege Motion can be moved orally also.

Mr. Speaker: -That also I will take notice of and that is why I said I will give a comprehensive Ruling so that in future also that would a guide line.

Sri Ch. Rajeswara Rao: -Sir, when there is no motion before the Hon'ble Speaker and when the Hon'ble Leader of the House has categorically and unambiguously declared that they did not stand for that; there is no need for Ruling also Sir.

Mr. Speaker: -You please leave that matter to me.
Mr. Speaker:—Certain things were happened. Now it is left to me to decide as to who is right and who is wrong. If somebody is wrong, what action has to be taken? After hearing all the Hon'ble Members, if I come to a different conclusion that is altogether different matter.

To facilitate to have discussion, if the Members agree I will see that these answers are placed on the Table of the House, even for these postponed Questions. Similarly, the answers for the Short Notice Questions are also to be placed on the Table of the House.

The membership of Fishermen Co-operative Societies is open to such persons who are having fishing as one of their main profession and are capable of fishing in the water bodies. The Fishermen Co-operative Societies are meant for persons who are economically poor. The Societies have been organised with a view to enable their members eke-out their livelihood and to cross poverty line. Several representations have been received from the persons who have knowledge of fishing for admission as members of the Inland Fishermen Co-operative Societies. In order to ensure minimum wages for the members of the Inland Fishermen Co-operative Societies the viability norms have been prescribed so that the societies can work on sound lines for the economic betterment of the members at large. Under viability norms, one hectare of long seasonal water spread area, is taken as a viable unit per member of a Co-operative Society. From one hectare of long seasonal water spread area, one tonne of fish, valued at Rs. 5,000 is anticipated. Each member should at least earn an amount of Rs. 3,600 per year to cross the poverty line, which may be taken as annual wage for each member. Therefore, the net income for the society from each hectare of long seasonal water spread area will be Rs. 700 as detailed below:

The net income will be distributed among members in proportion to their share capital in the Society.

201—

4045-Q.—Sarvasri C. Narsi Reddy, and B. Bal Reddy:—Will the Minister for B. C. Welfare be pleased to state:

(a) whether it is a fact that Mahbubnagar District is frequently facing famine; and

(b) whether the Government have devised any permanent famine eradication schemes for this area?

A.—

(a) The district is facing drought continuously since 1980-81 to 1985-86 (excluding 1983-84).

(b) The following schemes have been proposed and taken up for eradicating drought:

1. The Government have ordered investigation of Lift Irrigation Scheme (Kalwakurthy and Achampet Lift Irrigation Scheme) for creating irrigation facilities in the following taluks:
   (1) Kollapur.
   (2) Nagarkurnool.
   (3) Achampet.
   (4) Kalwakurthy.

2. Two divisions for investigation of the Bhima Lift Irrigation Schemes have been sanctioned with its Headquarters at Mahbubnagar and that investigation work is in progress.

3. The Kothapally Lift Irrigation Scheme has been completed.

4. The work on constructing Priyadarshani Jurala Project has been taken up in 1981 and is in progress.

5. Number of minor irrigation tank works are taken up.

Bus Depot at Nagarkurnool.

202—

1871 Q.—Sri N. Janardhan Reddy:— Will the Minister for Transport be pleased to state:

(a) whether any land has been acquired for the bus depot at Nagarkurnool;

(b) if so, when construction will be started; and

(c) whether there is any proposal to provide a temporary shed?
A. —

(a) Yes Sir.

(b) At present, Corporation is operating its services with a fleet strength of 215 buses in Mahabubnagar District through the following five depots:

(a) Mahabubnagar

(b) Wanaparthy

(c) Shadnagar

(d) Achampet

(e) Narayanpet

A Depot at Gadwal is under construction and is likely to be completed during this year. Corporation will consider construction of bus depot at Nagarkurnool taking into account the present fleet strength in the existing depots and also at Gadwal which is under construction. According to the norms, the viable fleet strength at each depot must not be less than 40 vehicles. Keeping in view the norms, construction of a Bus depot at Nagarkurnool will be taken up at an appropriate time.

(c) Does not arise.

Bus Station at Kadiri

204—

4503 (C) Q.—Sri S. Venkat Reddy:—Will the Minister for transport be pleased to state:

(a) whether it is a fact that a new bus shelter has been constructed, in Kadiri town, Anantapur district for the convenience of passengers;

(b) whether it is a fact that this bus shelter is without sufficient facilities; and

(c) whether the Government will take steps to provide additional facilities for the convenience of passengers).

A—

(a) Yes sir.

(b) & (c) The first phase of the bus station at Kadiri in Anantapur district was completed in October 1985 and it was being used by the passengers. In the first phase of the bus station, a waiting hall, 4 parking bays, ticket booking and controller room, one shop, canteen, separate toilets for ladies and gents were provided for the convenience of the passengers. Further the Corporation has decided to take up construction of 2nd phase of the bus station at an estimated cost of Rs. 5 lakhs with a provision of additional waiting hall with toilet facilities for ladies and gents separately.

An amount of Rs. 2.00 lakhs was provided in the budget estimates for the year 1986–87. To start the work of the 2nd phase of the bus station at Kadiri, tenders have been called for and are under finalisation by the Road Transport Corporation.

Bus Depot at Nizamsagar

205—

5098 Q.—Sri B. Pandari:—Will the Minister for Transport be pleased to state:

(a) whether it is a fact that land was acquired for the construction of R.T.C. bus depot at Nizamsagar in Nizamabad district in the year 1980; and
(b) if so, the reasons for not taking up the same so far?

A.—

(a) & (b) For construction of Bus Depot and Bus Station at Nizamsagar, the Corporation had taken possession of 9.18 acres of Government land in S. No. 598 of Achampet village on 27-11-76. Some private persons filed a W.P.No. 4050/76 in the High Court and obtained stay orders. The High Court in its judgement, dated 28-1-81 dismissed the W.P. in favour of A.P. State Road Transport Corporation. On this, the petitioners had filed W.A. No. 131/81 in the High Court and the High Court granted interim injunction not to make any permanent construction on the site. The Writ Appeal is still pending in the High Court. After the land is made free from litigation necessary steps will be taken in regard to the construction of Bus Depot at Nizamsagar.

Housing Scheme at Ganeswarapuram

212—

4637 Q.—Sri C. Vittal Reddy:—Will the Minister for Housing be pleased state:

(a) whether it is a fact that the Housing Scheme for Harijans at Ganeswarapuram and for the Weaker Section at Lakshmamma Kandriga, Puttur Samithi area of Chittoor District have been stopped;

(b) whether High Court has directed to continue the said schemes; and

(c) if so the action taken to complete the Housing Scheme?

A.—

(a) Yes. Sir. Housing scheme has been taken up for 109 beneficiaries at Lakshmamma Kandriga and Ganeswarapuram, while the construction of houses was in progress certain allegations have been levied by the residents of the some village alleging that the allotment of sites has not been done properly and that ineligible persons have been issued pattas and that some are not residents of the village in question. The Revenue Divisional Officer has enquired into it and noticed that certain ineligible persons have been issued pattas. Pending finalisation of the enquiry, the construction of houses in the said village has been stopped.

(b) Since the construction has been stopped, the President, Construction Committee of Lakshmamma Kandriga has filed a special writ in the High Court of Judicature, Andhra Pradesh challenging the action of the District Administration in having stopped the construction of these houses. The High Court of Judicature in its writ petition No. 10486 of 85, dated 20-9-1985 has ordered that the construction in respect of beneficiaries for whom allotment is made, where there is no dispute, should be started immediately and that the enquiry in respect of others shall be completed within a period of 10 weeks and compliance reported. The Joint Collector who has been authorised to conduct the enquiry has submitted his report in the last week of November, 1985. As per the enquiry report of the Joint Collector, 34 persons in Lakshmamma Kandriga and 19 persons at Ganeswarapuram are only found eligible for allocation of houses. Accordingly,

the Block Development Officer, Pruthi has instructed to start the construction in respect of these 53 houses and the work is in progress. So permission has been issued for construction of all the houses in respect of the beneficiaries who were found eligible as per the enquiry report of the Joint Collector and in due compliance of the orders issued by the High Court, A. P., Hyderabad.

(c) Action could not be taken to complete the Housing Scheme at the above-said village, due to stay order granted by the High Court of Judicature in its Writ Petition No. 11347 of 1986, on the review writ petition filed by the Government on the orders of the High Court issued on 20-9-1985. So, further necessary action in this case will be taken up as soon as a final verdict of the High Court of Judicature is delivered in this case.

Low Voltage in Kamareddy Revenue Division 

2212-Q.—Sarvasri B. Balreddy, V. Sreeramulu, N. Indrasenareddy, V. Jaipal, R. Ravindranath Reddy, R. Srinivas Reddy and A. Narendra:—Will the Minister for Power be pleased to state:

(a) whether it has come to the notice of the Government regarding the low voltage of power in Kamareddy Revenue Division, if so, the action taken;

(b) whether any scheme is in force to give subsidy to the ryots whose motors have been burnt due to low voltage; and

c) the extent of loss of crop sustained due to low voltage?

A.——

(a) Yes, Sir. The following are the steps taken by the Andhra Pradesh State Electricity Board to improve the supply and voltage conditions in Kamareddy Revenue Division:

(i) A 33 KV line from 132/33 KV Siddipet Sub-station to 33/11 KV Domakonda was erected and commissioned for improving the supply and voltage conditions at Domakonda and Peddammallareddy loads.

(ii) A new 33/11 KV sub-station at Chukkapur with 33 KV line from Yellowreddypet (fed from 132/33 KV Sircilla Sub-station) to Chukkapur was erected and commissioned for improving the supply and voltage conditions in Kamareddy and Domakonda area.

(iii) 132/33 KV sub-station is erected at Kamareddy, 132 KV line is under progress. However, back to back feeding arrangements are made at 132/33 KV sub-station Kamareddy temporarily for improving the voltages at Kamareddy sub-station.

(iv) Total 60 No. new distribution transformers were allotted to Kamareddy division for releasing new services and for improving the voltages.

(b) No, Sir.

c) No reports of burnt motors due to low voltage have been received by the Board.

Transmission Loss of Energy

218—

2266—Q.—Sarvasri C. Ananda Rao and Venkata Rao:—Will the Minister for Power be pleased to state:

(a) what is the extent of transmission loss of energy over and above the normal transmission loss for the last one year;

(b) whether the extra loss is due to pilferage of defective transmission lines; and

(c) if so, any action proposed to be taken to check the loss?
A—

(a) Loss suffered by Andhra Pradesh State Electricity Board during the last three years with breakup details are given below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Total percentage loss</th>

There is no specific figure which can be called the normal transmission loss. However, the percentage of line loss is dependent on the ratio of HT to LT consumption, load density, length of lines, number of agricultural services, disposition of power stations. In Andhra Pradesh the losses are showing a downward trend due to various measures such as construction of a number of sub-stations, installation of capacitor banks etc., being undertaken by the Board.

(b) Does not arise.

(c) Steps taken to reduce the line losses:

(i) 100 MVAR 33KV capacitors were installed during 1984-85. During 1985-86 another additional 120 MVAR 33KV capacitors are programmed.

(ii) 100 MVAR 11 KV capacitors are ordered and programmed for installation on 1986-87.

(iii) Tenders for 100 Banks, 600 KVAR 11 KV switched capacitors are opened and are under finalisation.

(iv) The transmission and distribution system is strengthened by erection of new EHT and 33/11 KV sub-stations.
