Dr. M.S.S. Koteshwar Rao:—Various development activities.

Sri P. Ramachandra Reddy:—We, as M.L.A.s, are, ex-officio members in the Dist. Hospitals. He is already ex-officio member in the head quarters hospital. Whether he will so continue or not? If M.P. is nominated, then what about M.L.A.?

Dr. M.S.S. Koteshwar Rao:—First preference will be given to MLA, then M.P. then social worker preferably a doctor. District Collector or any senior official nominated by Chairman, M.L.A., M.P. or an eminent person who is a social service worker, preferably with a medical background.
Sri P. Ramachandra Reddy:—At District Headquarters Hospital, the Collector nominates and M. L. A. may not be there. Therefore, you make a provision that M. L. A. must be there, then M. P. and any other social worker.

As a matter of fact the existing clause is good, otherwise there will be scope for mischief. Why do you propose nominations in the category of M. L. A. It is the right of M. L. A. to be there, but you want to deprive him of this. Let M. L. A. be one category and M. P. another. Already 12 people are there.

I have been attending meetings for the last 20 years. I have never seen an M. P. as a nominated Member. Generally, the nominated member will not be inclined to attend such meetings, as they do not get any D. A. or T. A. But, it is different with the M. L. As. they have to serve the constituency and they represent the people there.

Therefore, I appeal the Chief Minister to reconsider the matter and retain the M. L. A. permanently on the committee, in whose constituency those hospitals all.

Sri P. Ramachandra Reddy:—It is not good that Collector or Government should nominate an M. L. A. He should be permanent member, without being subjected to nomination.

The provision is that M. L. A., M. P. or any nominated member, preferably a person with medical background. We cannot involve all the M. L. As. in these committees.
Sri P. Ramchandra Reddy:—The Chief Minister may consider that those M. L. As. should be there in whose constituency the hospitals are situated.

Mr. Speaker:—Question of the Privilege of the House is not there.

ததிங்கு இலையை வழக்குத்தை என்று பார்க்கப்படும் வகைப்பாடு. Let him withdraw those words.

Mr. Speaker:—The question of misrepresentation and violation of the rules pertaining to Privileges of the House does not arise. I have already clarified it.

ததிங்கு இலையை வழக்குத்தை என்று பார்க்கப்படும் வகைப்பாடு. Let him withdraw those words.

Mr. Speaker:—You ask for a separate question and I will allow it.

Sri D.K. Samarasima Reddy:—Sir, there has been a healthy convention in this House that during the course of sitting of the House, if any mishap occurs in the State or wherein there has been loss of
public life and other things, the Chief Minister or the concerned Minister use to make a statement on the floor of the House, giving the details as to what action was taken by the Government in that regard.

In Mahaboobnagar district two days before a mishap occurred wherein 25 persons were killed – drowned - and more than 25 persons are missing. Till to-day there has been no action there. We expected on the first day of the Session itself that the convention would be followed by the Government and they have not cared for the death of the people. I would request you to ask either the Chief Minister or the concerned Minister or whoever is taking care about that affair to make a statement.

We have also give a notice for that.

Mr. Speaker: -Having admitted the notice, you please wait till the Minister announces.

Sri D. K. Samarasimha Reddy :-Are we to go-by with the healthy conventions?
Mr. Speaker:- You must bear with me. You must also see that I am a human being and I am not having the entire machinery with me. You can come to my Chamber and I will satisfactorily reply and explain you.

Sri V. Rama Bhupal Chowdary:- Sir, we have given an Adjournment Motion under Rule 63, . . .

Mr. Speaker:- The Adjournment Motion was disallowed. I must permit you. Without my permission you have been reading something.

(INTERRUPTIONS)

Sri V. Rama Bhupal Chowdary:- Sir, a Point of order. We have given a notice of Adjournment Motion under rule 64 and I wanted to explain the same.

Mr. Speaker:- I will get a lessons from you in my chamber but not here. I know the Rules, that rule 64 does not refer here. I have studied it and do not think that I am not aware of it. I have already
given my ruling and you are not expected to ask me to do the same exercise again and again. But, I am also reading it. This is given by Sri V. Rambhupal Chowdary, Dr. M.V. Mysoora Reddy, Sri P. Janardhana Reddy, Sri Mohd Jani, Sri R. Chenga Reddy, Sri A. Dharma Rao, Sri D.K. Samarasimha Reddy, Sri K. Rambhupal Reddy, Sri J. C. Diwakar Reddy, Sri J. Chittaranjan Das, Dr. Y. S. Rajasekhara Reddy; Sri D. Sripada Rao, Sri K.V. Sabba Reddy, Dr. B. Sundara Rami Reddy, Sri Musala Eraama and Dr. G. Kuruphalamma.

"The entire official machinery has grossly been misused to serve the interests of the ruling Telugu Desam Party. Police stations and Mandal Revenue officers have been converted into T.D.P. offices and nominated posts in departments like Endowments were dumped with the functionaries of telugu Desam Party besides TDP supporters were being nominated to undertake works under Telugu Grameena Kranthi Pathakam and are swallowing huge funds allocated to the Telugu Grameena Kranthi Pathakam. Even allocation of funds under drought and flood relief schemes was done to serve the interests of the ruling party besides giving Fair Price Shops to the TDP men only. Even the officials were harassed to submit to the whims and fancies of the TDP men with the result that whole administration be illegally geared to serve the interests of the TDP Party."

Once again I am clarifying that there was no need for me to read it out but as all of you wanted, I read the same. Now, I am not allowing any discussion on that.

---

Mr. Speaker:—These remarks are expunged.
Sri P. Chandrasekhar:—Sir, I am on a Point of Order. On a particular matter, the Chair has given his decision stating that the Adjournment Motion was not allowed. So, there is no question of further arguments and discussion by the Hon'ble Members. So, I am requesting the Chair to expunge those remarks.

Mr. Speaker:—Absolutely there is nothing like that. I am not allowing you to discuss about it. You cannot question my Ruling. I have already given that. I have disallowed it and I am not allowing further discussion to anybody on this issue. Please it down.

Mr. Attorney General:—The Hon'ble Court may please notice that in connection with the order passed by this Court in the matter of payment of cost-based price for sugar cane, it is a well settled principle of law that the Arbitrators should have the power to make an order for the costs of their own proceedings. In the present case the arbitrators have given an award of Rs. 9,000/- as costs to the petitioners. The petitioners have filed a suit for recovery of Rs. 9,000/- they contend that the present suit is maintainable under Section 75 of the Arbitration Act, 1940.

Chairman:— The Chief Minister has made a statement. I do not think there is any need for clarifications. I will go on to the next item of the Agenda. No further discussion. I have given 45 minutes; almost 50 minutes. There is no further discussion on this. I will now task the Revenue Minister to proceed with the Calling Attention Matter.
CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE

re: Exemption of small and marginal farmers for the sale of Agricultural Lands from the Urban Ceilings.

12-50 p.m. Mr. V. Narasimha (Congress):—In reply, I appreciate the sentiment of the Member. It is true that many small and marginal farmers are facing difficulties due to the restrictions on the sale of agricultural lands. However, the reason for these restrictions is to prevent the encroachment of urban areas into agricultural land. It is also to provide a fair market value for agricultural lands.

I am aware of the hardships faced by the farmers, but I believe that the restrictions are necessary for the long-term protection of agriculture. I suggest that we find a middle ground where we can ensure the rights of farmers without compromising the integrity of the agricultural land. The Ministry is already working on a mechanism that will allow small and marginal farmers to sell their land under certain conditions.

In conclusion, I would like to thank the Member for bringing this issue to the notice of the House. Let us work together to find a solution that is fair to all parties involved.

1. to discharge loans earlier to the announcement of the Act provided there are no other means to discharge them;
2. reimbursement of medical expenses abroad;
3. construction of their own residential house if they do not have one in urban agglomeration upto 500 sq. meters; and
4. in other individual cases for education of their dependents, marriage of their dependents.

Each case will be considered on its own merit keeping in view their economic status.

Madam Chairman:—The following Papers are deemed to have been laid on the Table of the House.

Copy of the Adhoc Regulations issued in G.O.Ms. No. 81, G.A (Ser-A) Department, dated 13-2-1986, excluding all appointments by direct recruitment from the purview of the Andhra Pradesh Public Service Commission Regulations—mentioned in clause (3) of article 320 of the Constitution of India.

Copy of the amendment issued in G.O.Ms.No.96, G.A. (Ser-A) Department, dated 20-2-1986, to the Andhra Pradesh Public Service Commission Regulations, 1963, as required under clause (5) of article 320 of the Constitution of India.

Copy of the amendment issued in G.O.Ms.No. 138, G.A. (Ser-A) Department, dated 10-3-1986, to the Andhra Pradesh Public Service Commission Regulations, 1963, as required under clause (5) of article 320 of the Constitution of India.

Sri Ch. Rajeswara Rao:— I am raising a point of order.

Madam Chairman, you have said all Papers laid, in that G. O. Ms. No. 81 says that "all appointments by direct recruitment from the purview of the A. P. Public Service Commission." I am raising a point of order. It shall not be necessary for the Andhra Pradesh Public Service Commission to be consulted as respects any of the matters mentioned in clause (3) of article 320 of the Constitution of India."
“... during the period between the 6th March, 1982 to 1st January 1986, to any posts in any category at any level in the State and Subordinate Service” was intimated to the incumbents of all the departments. During the period from 6th March 1982 to 1st January 1986, no appointments were made. Therefore, it is requested that no appointments should be made during this period.

Sri D.K. Samarasimha Reddy:—Sir, I totally agree with the views expressed by Mr. Ramachander Reddy. We expect that at least wiser counsel will prevail at least after hearing him.
Article 320, though it enables the President with respect to Parliament, and Governor with respect to State Legislature, but this power has to be exercised very cautiously. Here in this order all the adhoc appointments are proposed to be given retrospective effect. The order reads:

“It shall not be necessary for the APPSC to be consulted... in the case of all appointments made by the direct recruitment during the period between the 6th March, 1982 to 1st January 1986.”

So certain appointments are made on temporary basis which is to serve a purpose for a temporary period, but it does not mean that a right has been conferred. It is not right for the Legislature or Government to take away these appointments from the purview of P.S.C. It will lead to dangerous consequences.

There are many who have been waiting for their turn for the jobs. They were hopeful that they would be called through Employment Exchange or P.S.C. But the Government wants to take persons through clandestine means and then regularise their services. The Government may withdraw this order and may come forward in one or two genuine cases for regularisation.
