“That the Andhra Pradesh General Sales Tax (Amendment) Bill, 1987 be taken into consideration.”
Mr. Speaker:—Motion moved.

Sri P. Ashok Gajapathi Raju:—Sir, there is a mistake crept in Clause 2 (c). It may be corrected as follows:

“For the word “Read” in item 91-A, substitute the word “Red”.

Mr. Speaker:—Please explain the objectives and reasons of this Bill.

Sri P. Ashok Gajapathi Raju:—This is a small amending Bill, Sir. As per sub-section (2) of Section 40 of the Andhra Pradesh General Sales Tax Act, 1957, where a notification has been issued, a Bill has to be introduced in the next Session to give effect to that notification. Hence, the present Andhra Pradesh General Sales Tax (Amendment) Bill, 1987.

Mr. Speaker:—Now, discussion on the Bill to be initiated by Sri R. Ramaiah.

Government Bills:

Mr. Speaker:

Shri Ghalib Venkata Reddy, Advocate, Huzurnagar, who is one of the sponsors of the Bill, explained the need for amending the General Sales Tax Act, 1972, to cover certain phenomena which have developed since its enactment in 1972, which are necessary for the effective collection of tax. He said that the Bill has been drafted in such a manner that it would be applicable to the cases arising from the sections 7 and 7A of the Act in the same way as the case arises from 6B section of the Act.

(Shri Ghalib Venkata Reddy, Advocate, Huzurnagar)

Mr. Speaker:— The Bill was passed by the House at 4:10 p.m.

Government Bills:

అమరికి కులయితే నిర్ణయం ప్రామాణికత కస్తుంది కొనసాగించిన పదార్థం కూడా వస్తుంది నిర్ణయం.

Sri. P. Ashok Gajapathi Raju :- Mr. Speaker, Sir, I thank the Members for understanding the spirit of the Legislation. We have earlier taken Power to give notification. To give effect to the issued Notification, we brought out this amendment Bill.

Certain doubts were raised by the Hon. Members in regard to use of shaving cream. In the legal process, certain courts are held that using of shaving cream enhances the looks of an individual. Hence, it is a cosmetic. This being the ruling of certain Courts, certain other courts are saying that it is a 'soap', and it should be treated as so. We do not want further litigation on this and that is why we have brought here this amending Bill to clear the ambiguity.

However, certain Hon. Members have realised and thanked for the matter that the multi point tax was converted into single point tax.

This Bill is also intended to clarify Machine Tools including the Grinding Wheels forming part of Machine Tools and to subject the same to tax as that of Machinery and it parts.

Clause 2 (c) is mainly intended to clarify the tax liability on the Red Mud Plastic Roofings and Light Roofing Asphalitic Corrugate Sheets and to place the matter beyond the pale of any doubt by inserting separate entries for them.

In regard to clause 2 (d), it is intended to provide separate entries for the Non-ferrous metals namely, Lead, Nickel, Zinc, Magnesium and Tin, with rate of tax at 4%, to prevent trade diversion.

Some Hon. Members informed about the tax evasion. If any specific case is brought to our notice, we will certainly try to plug the loop-holes.

In regard to cycle spare parts, as far as Tax concessions are concerned, it is under consideration of the Government. Even the Advisory Committee has taken up the views and considered the matter about the revision of tax.

I request the Hon. Members to pass this Bill.

Sri Gangineni Venkateswara Rao:—What are the steps taken by the Government to fix up the prices of each item of the consumer goods? Why don’t you ask the manufacturers to fix the rate of each item so that any consumer may get the required item in the market at a fixed rate?

Sri P. Ashoka Gajapathi Raju:—This point is not dealt with by the Commercial Tax-Department, Sir. Control of prices is a National issue and the whole country is facing this problem. Price Control Order is with the Government of India.

Sri Gangineni Venkateswara Rao:—Let my point be considered by the Government.

Mr. Speaker:—The Government will examine it. Now, I am putting the Motion to vote.

The question is:

“That the Andhra Pradesh General Sales Tax (Amendment) Bill, 1987 be taken into consideration.”

(Pause)

The motion was adopted and the Bill was considered.

Clause 2

Mr. Speaker:—There is one amendment to Clause 2.

Sri A. Narendra:—Sir, I beg to move:

Mr. Speaker:—Amendment moved.

“In clause 2 (c) for the words “91-A Red mud plastic roofings” substitute the words “91-A Red mud plastic Roofings”.

THE ANDHRA PRADESH AGRICULTURAL INDEBTEDNESS (RELIEF) BILL, 1986 (L.A. BILL NO. 5 OF 1986)

Sri D. K. Samarasimha Reddy:—Mr. Deputy Speaker, Sir, till now there have been number of enactments. The first one has been the Andhra Pradesh Agriculturists Relief Act of 1938, then the Money Lenders Act of 1349 Fasli, then the Andhra Pradesh (Andhra Area) Pawn Brokers Act, then the Agriculture Debtors Relief Act, 1956, then the Andhra Pradesh (Scheduled Areas) Money Lenders Regulation, 1960, then the Andhra Pradesh Indebted Agriculturists,
Landless Labourers and Artisans Temporary Relief Act, 1976, and the Andhra Pradesh Agricultural Indebtedness Relief Act of 1977. Likewise, there are so many enactments. Now this is another enactment to fall in line with them. The object of this enactment as it was with the other enactments, is laudable. But, the point is, certain provisions have been framed in such a mischievous manner that they can be misconstrued and give scope for certain parties to take undue advantage of them. I would like to put to the House through you so that the Hon'ble Minister can take care of them and see that they are not misused. For instance, you may see clause 3 (2). "No Civil Court shall entertain any suit or other proceeding against the debtor for the recovery of any amount of the debt, including interest, if any, which is deemed to be discharged under sub-section (1). According to Section 3 (1) every debt borrowed or incurred during the period between the 29th December, 1976 and the date of such commencement including interest, if any, owing to any creditor by an agricultural labourer, a rural artisan or a small farmer shall be deemed to be wholly discharged. To that extent it is alright. But, down below, there is a proviso: "Provided that where any suit or other proceeding is instituted jointly against the debtor and any other person, nothing in this sub-section shall apply to the maintainability of such suit or proceeding in so far as it relates to such other person." Here the trouble arises. We are all from the villages and we know the position. A small farmer goes and gets a loan. He makes another person as guarantor for it. The creditor files a suit against the small farmer as well as the guarantor. The object is to relieve the small farmer or the artisan or whoever comes within the purview of the Act from the debt which he has incurred. As per this proviso, so far as the debtor is concerned, he is relieved, but not the guarantor. He can be proceeded against in the court. In the case of bank or society, this may be so, but in the case of private institutions...
registered chit fund company or some other financing agency which is registered. There are so many financing agencies which are registered, and we have been seeing that suits are being filed against the guarantor.

Sri R. Rajagopal Reddy:—What is the meaning of guarantee? It is to discharge. He is a big man and he cannot defeat the spirit of the guarantee.

Sri D.K. Samarasimha Reddy:—There is the reason why I said there is some mischief.

Sri R. Rajagopal Reddy:—Such a situation is not prevailing in villages in the case of private money lending.

Sri D.K. Samarasimha Reddy:—It is prevalent in Telangana area. Probably, it may not be prevalent in his village. Eventhough people are prepared to keep gold, they are not giving loans without guarantee. If you really want to implement it in letter and spirit and if there is no guarantor, you delete the proviso.

Further, clause 2 (b) says: “All suits and other proceedings including appeals, revisions, attachments or execution proceeding pending at the commencement of this Act, against any debtor for the recovery of any such debt, including interest, if any shall abate.” This is alright. But, the proviso will have repercussions on this also. I request the Hon’ble Minister to keep this in mind.

According to clause 4 (1): “All the provisions of the Andhra Pradesh Agricultural Indebtedness (Relief) Act, 1977 (hereinafter in this section called ‘the said Act’) except Section 4 shall apply mutatis mutandis to the debts including interest, if any, which are deemed to be discharged under Section 3 (hereinafter called the ‘said debts’) as they apply in relation to the debts referred to in the said Act; and all the provisions of the said Act shall, be read and construed as if the said provisions had been included and enacted in this Act.” My submission is that this clause 4 (1) is not happily worded. I will be happy if the Hon’ble Minister in his reply enlightens and clarifies how he synchronizes the phrase ‘mutatis mutandis’ in conjunction with the provisions of the Act. I will be very much delighted if I am enlightened.

There is no provision made in this Bill to extend it to the co-operative loans and bank loans. Live them relief even under that also so that they can be relieved off of all the burden.

With the introduction of land Ceilings and Land Reforms Act, there has been no big landlord at all in this State. Only the people

who have been within the provisions of the A.P. Ceiling on Agricultural Holdings Act and whose declarations are found to be validly filed, who have undergone the ordeal of facing the appeal and everything and who are entitled to one standard holding alone are there. They cannot be termed as big landlords. They can be called land owners and not landlords. They are not even able to eek out their livelihood. Why don’t you apply it to these people also? If you are not able to do it saving that they have got sufficient land, they can sell it and repay the loan, there is a rule known as ‘Bandupath’ under which the interest can never exceed the principal. We know several cases. If the loan is Rs. 2,000, the interest has become Rs. 5,000. Let it be confined only to Rs. 2,000 That is the principle. All those who are connected with the Civil Procedure Code are aware of this. Let them apply this. Let them bring all these things in a regular manner.

Let them take steps to include it in the 9th Schedule so that validity of it cannot be challenged in the court. This is my submission.

The Andhra Pradesh Agricultural Indebtedness (Relief) Bill, 1987, was passed.

The bill provides for the relief of agricultural indebtedness of farmers in the state. The provisions of the bill include the creation of a rural credit fund to provide loans to farmers at concessional rates. The bill also includes provisions to forgive or reschedule loans of farmers who are unable to repay due to natural calamities or other unforeseen circumstances.

The bill was discussed and debated in the legislature, and amendments were proposed and accepted. The bill was finally passed by a majority vote.

The bill is a significant step towards providing relief to farmers who are facing economic difficulties due to agricultural indebtedness. The provisions of the bill are expected to benefit hundreds of thousands of farmers in the state.

Sri C. Ananda Rao:—I support this Bill, the Bill to provide relief indebtedness to agricultural labourers, rural artisans etc. In fact, every section supported it. They expressed their doubts in its application. I would say that doubts expressed by Hon'ble Members are partly true and partly not true. My friend Mr. Vittal Reddy asked, who is a small farmer since small farmer is not defined in this Bill. I would say in Clause 4 of this Bill it is specifically said that the provisions of Andhra Pradesh Agricultural Indebtedness Act of 1977 applies mutatis mutandis. That definition Section 3 can be read as a part of this Bill and in this definition Section, small farmer is defined as a person holding...

Sri C. Ananda Rao:—I am also supporting them on some other points. I am not supporting only the Minister. In the very beginning I clarified.

Sri C. Ananda Rao:—This doubt about the definition of a small farmer I would say, need not arise because section 3 of the Act also applies.

The Co-operative Banks were directed to give concession to the Members who would come forward to back the entire dues before 31-1-86 and 31-1-87. We have provided number of concessions to small and marginal farmers. Automatically, he will get the relief. There is no difficulty at all. He will bear the burden. There is no point in going back now. He will get the relief automatically. It is very clear in the rules.
