re: Death of Mallela Babji in a lodge at Vijayawada.

Mr. Speaker:— The letter will not form part of the proceedings; and whatever has been read will not form part of proceedings.

Sri P. Chandrashekar:— The document is supposed to be in the custody of the judicial officer, and which cannot be revealed by any member. How could the Member (Sri Mohan Ranga Rao) could lay his hands upon this document which is in the custody of executive magistrate.

If at all he has any document, that could be read out only with the consent of Hon'ble Speaker.

I request the Speaker not to allow him to read and whatever portion has been read may not go on record.

The matter is subjudice; the document is in the custody of magistrate, therefore, we very much suspect the person who holds this document now in his hand.

Mr. Speaker:— It is about the mysterious death of Babji. So, only connected matter will come up, not otherwise.

Death of Mahela Babji in a lodge at Vijayawada.

If the matter is not sub-judice, let them reveal the document. Why should they keep them under the custody of the Magistrate?

Mr. Speaker: Who said that? I am also following the proceedings. You are telling something which was not told by anybody.

Sri Nallapureddy Srinivastul Reddy: Sir, let me complete it without any interruptions.

It is alleged, (I am underlining the words “It is alleged”) that the diseased Mr. Babjee has written two documents. Why should they keep them under the custody of the Magistrate who is an Executive Magistrate?

My submission is, he is also a Mandal Revenue Officer. Now the Chief Minister is in-charge of the Revenue portfolio. He is now the sub-ordinate to the Chief Minister; let us not forget that.

Mattar Under Rule 304

re : Death of Mallela Babji in a lodge at Vijayawada.

Mallela Babji is an N. T. R. fan, Sir, that, we have to take into account. I was totally present

Sir, one important aspect we have to consider.
Mr. Speaker:—They closed the matter. Why do you want to take and mentioned all of them. You talk about the present case.

Mr. Speaker.—No, No, please. Then you were also NTR fan.

( Interruptions )

( Bell )

Mr. Speaker.—Sir, we are dealing with a death of a person. The death may be as a natural or unnatural. If it is natural death, nobody, need be worried about the natural death. But once it is an unnatural death, the question posses before everybody will be - whether that is a homicidal or suicidal. If it is suicidal death, certain provisions of the criminal procedure code governs the proceedings. If it is homicidal death, then, certain other provisions take care of in the Criminal Procedure Code. Yourself and most of the practicing advocates are aware of it.

Sir, the most surprising thing here is - the documents pertaining to an unnatural death - which have been sent - alleged to have been sent under section 174 of the Criminal Procedure Code to the custody of the Executive Magistrate. Whether those documents proof or otherwise have to be decided in the regular criminal procedure. Everyone of us are aware of that. Before that, whether that document comes within the ambit of section 32 or not - is a question. Once it is said to be a document received at the side of the dead body - which is said to have been unnatural. Sir, definitely, that is a document coming within the perview and ambit of sec. 32. Once it is death document - it is surprising for me to note that the document copy has been denied. Sir, as practicing advocates everyone is aware. Even those are not advocates, they are also aware.
The First Information Report and the statements, as well as the dying declaration - once they are in the Court custody. Even the case diaries also, we can have copies of them. Now, we do not have any documentary proof by way of certified copy before us. Actually, the certified copies should have been produced immediately. I do not know the reason why it was not done. Because we have to depend everything upon the paper statements. All the paper statements give suspicious versions. I am sure Sir, copy of that is with the Home Minister today. Even the D.G.P., has also got a copy of it. Let the Home Minister produce it before you. I would even request the Hon'ble Speaker to take the copy from Mr. Mohan Ranga, have it with you and check it up. The people who are responsible for not initiating the proceedings under the provisions of the Act should be dealt with immediately however big or small they may be. It is the bounden duty of the Executive Magistrate to give a copy of it when a certified copy was applied for. The first culprit, I can say, is the Executive Magistrate, who has created all sorts of confusion. You please obtain a copy of it from the Home Minister and have it in your custody. That is important. Or else, let them place the copies before all the Hon'ble Members so that we can see. If we go deep into the case, so many things crop up. Most of the things are said to be irrelevant. But, a reading of the letter, as my friend has read it, gives us such a picture that it is a law and order situation that is prevailing here.

Mr. Speaker:—It gives a story and all those things.

Sri D. K. Samarasimha Reddy:—Under such circumstances, I request that this document must be immediately produced before the court and a regular enquiry, as requested by Mr. Rajeshwar Rao a judicial enquiry, must be ordered so that all the Members and all the people, whether it is six crores or seven crores from 1983 it is six crores or whatever it is, they know the truth about it. That is my submission.

Mr. Speaker:—Let us forget about it for a moment. Suppose the M.R.O refuses to give a certified copy, what is the remedy for a citizen? After all, apart from the Members, the citizens have got a right to know the contents.

Sri D. K. Samarasimha Reddy:—That remedy is being pursued.

Mr. Speaker:—Neither the Members nor the citizens are helpless. We need not be apprehensive or scared by certain extraneous things. As citizens, we have...
re: Death of Malleva Babji in a lodge at Vijayawada.

Sri D. K. Samarasimha Reddy:—That is the reason why it has been moved in this august House.

Sri P. Ramachandra Reddy:—It is an academic question asked by the Hon'ble Speaker. The entire trouble arose because of the refusal of the MRO to give a certified copy. It is a court for all purposes. He is responsible. In criminal case copy must be given. No part of the criminal procedure is secret. It is a public document. Any document on which you are going to rely is a public document. 12-00 noon  Sri A. Dharma Rao—According to the Home Minister, a case under Section 174 CR.P.C. was registered and FIR was sent. When FIR is sent, any material object or material papers along with the case have to be sent to the judicial magistrate. Here why were they sent to the executive magistrate? They have to be kept with the judicial magistrate alone. That is the normal and general procedure. There is a deviation from the procedure in the case.

(Interruption by Sri T. Seetaram.)

Sri A. Dharma Rao—I cannot answer these ignorant questions. There must be some legal knowledge. I expect the Hon'ble member to know something about law. You have to know the Cr.P.C., the Evidence Act, the I.P.C. and the procedures of law. There is no use of muscle power and lung power here.

(Repeated interruption by Sri T. Seetaram)

Mr. Speaker—You are the whip. More responsibility lies on you. You should not disobey the directions of the Speaker. You are supposed to carry out the orders of the Speaker. I have given you chance. Ultimately the Cr. P.C. has to take it own course. Cr.P.C. is there. We have the evidence Act. Ultimately, it is not the Government to answer all these things. If the Executive Magistrate does not exercises rights, you have got the District Magistrate or the High Court: You can pull those agencies and see that he discharges his duties. They have to interfere with the regular powers of the District Magistrate. How do you expect the Government
