UNSTARRED QUESTIONS

Eviction of Banjaras from Government Land

1—

2823-Q.—Sri C. Vittal Reddy:—Will the Chief Minister be pleased to state:

(a) whether it is a fact that Sri Ayyanna and Sri Raka Krishnaiah a Land Lord and Ex. Deputy Range Officer, Forests has registered Poramboke Land under S. No. 160 measuring 15 06 acres under Kharipa Pahani column No. 11 in the year 1970 and evicted poor harijans and weaker section people who are cultivating the said Land since many years;

(b) the steps taken to stop eviction and cancel the patta of Land Lord;

(c) whether it is a fact that the local legislator Sri Ch. Vittal Reddy has represented District Collector on 29-7-1985 in this regard; and

(d) if so the steps taken thereon?

A.—

(a) No Sir, The land in question is not a Government land.

(b) Does not arise.

(c) Yes Sir.

(d) It is reported that the Collector informed the M. L. A. on 30-5-1986 suitably.

Occupation of Land at Velavedu Village by Higher Class people

2—

2824-Q.—Sri C. Vittal Reddy:—Will the Chief Minister be pleased to state;

(a) whether it is a fact that on 27-7-1985 two hundred people belonging to higher castes headed by Village Sarpanch have tried to occupy the land measuring 10 acres 60 cents and attacked and injured Harijans who are cultivating the said land before 1974 i. e., for last 30 years and also pattas were obtained from them;

(b) if, so the action taken thereon; and

(c) Whether orders will be issued to assign pattas to the said lands which are under possession of Harijans and protect them from eviction and also to take action on the persons who attacked Harijans with deadly weapons?

A.—

(a) & (b) There is a dispute over the land i. a. S. No. 57/1 of Velavedu village, Srikalahasti Mandal, measuring an extent of
Acs. 10.60 of dry land between Harijans and caste Hindus. This land is not a Government assigned land. It is a Ryotwari patta land granted by the settlement authorities and registered in the name of one Sri M. V. Ranga Rao, an erstwhile Zamindar under patta R. No. 412 of Velavedu village. Subsequently, the land was purchased by Sri Ramachandra Reddy and Sri Chandra Sekhar Reddy and it continues to be in their names. While the matter stands thus, certain Harijans of the village have been claiming the land on the ground that the lands were in their possession prior to the survey and settlement on 23-7-1985, the pattadars attempted to plough the lands which was objected to by the Harijans, with the result there was a clash between the caste Hindus and Harijans.

Knowing the facts, the Collector and the D. S. P. Chittoor visited the village immediately and took precautionary measures to maintain Law and order. The dispute was ultimately taken up by the contending parties to the High Court. Orders passed under Section 115 Cr. P. C. restraining both the parties from entering the land were also quashed by the High Court in its orders dated 7-10-1985 in C. M. P. No. 3046/85. The Collector has reported that there is no Law and Order problem now over the land and the parties are agitating before the Competent Courts to prove their respective claims over the land.

(c) The question of assignment of land to the Harijans does not arise, as the lands are all ryotwari pattas in the name of Sri M. V. Ranga Rao from whom the caste Hindus purchased them and the matter is sub-judice.

(c) if so, whether any action taken to cancel the bogus house site certificates; and
(d) Whether it is also fact that Sri C. Vittal Reddy, M.L.A. has written a letter on 11-8-1986 to the Minister in the matter; and
(e) if so, the action taken thereon.
A.—
(a) According to the orders issued in G. O. Ms. No. 3250, Revenue, dated 24-7-1980, all eligible encroachers who are occupying Government land as on 23-6-1980 shall be given pattas if they are in occupation of unobjectionable slums and alternative sites if they are occupying objectionable slums. Out of the 29 persons residing at Ambedkarnagar, 10 persons were residing in the area prior to 23rd June, 1980. As they are eligible for the grant of pattas, pattas were prepared in their favour. Out of the remaining 19 persons, 16 persons were not in possession of the plots prior to 23-6-1980 but they were found eligible as per socio-economic survey and their cases are being considered for regularisation of their possession. The remaining three persons are not residing even now in the said area and hence their cases could not be considered.
(b) No bogus certificates were issued.
(c) Does not arise.

ANNOUNCEMENTS

re: Questions included in the list of questions.

Mr. Speaker:— I am to announce to the House that as per the proviso to Rule 41 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly answers to 45 Starred Questions and 41 unstarred questions received from the Government and not included in the list of questions till 18-12-1987 are placed on the Table of the House. They shall form part of the proceedings of the House. Copies of the answers to the said questions will be sent to the Members who have given notice of them.

re: Matters admitted under Rule 304 and 74.

Mr. Speaker:— I am to announce to the House that as there is no time to post the pending Short Notice Questions I have ordered that they may be treated as Ordinary Starred Questions which would be posted in due course. I have also ordered that the admitted Notices under Rule 304 and 74 will be sent to the concerned Ministers and Departments of Secretariat for giving replies direct to the Members concerned under intimation to the Legislature Secretariat.

Sri P. Ramasandra Reddy (Sangreddy) — Other friends
have covered. I have got three objections towards this Editorial. Sir,
may I Dr. w your attention? I request you to hear me Sir. Other
points, other friends have covered. My objections are in regard to
certain lines of the Editorial. The learned Editor has used abusive
language. I am taking serious objection about the abusive language.
One is "[unclear text]
Those who have complained
against the Chief Minister, he has described in a different language.
In Para 3, he said. In the next para he said [unclear text].
In the last paragraph he said that whoever has alleged any­
things against the Chief Minister, he described them in a language
which is very abusive, deplorable and unwanted. I take serious
objections and action may be taken on this Editor. Even in regard to
a private editor these are the words which come under defamation
and reprehensible. There are allegations on the Chief Minister. There
is a House Committee, appointed by this House to look after the
affairs on the Chief Minister to find out whether there is a prima
facie case. We are all very much agitated by these words. There
are certain allegations whether there is a prima facie case pertaining
to the Chief Minister. He cannot say that whoever has alleged he
should be attacked by these words. These are very serious things.
Some action may be taken.

Sri K. Vidyadhara Rao (Chintalapudi):— He is referring to
prima facie against the Chief Minister No judicial court has
established any prima facie case against the Chief Minister ...

(Interruptions)

Mr. Speaker:— What he said, you have not followed. You are
highlighting the points which he has not mentioned at all. He has
made certain allegations as far this Editorial is concerned. He has
referred to the prima facie and how it has been emanated. How do you
make it controversial ?

those who have made allegations against the Chief Minister.

This Government must immediately assure this House that they are going to take a very stringent action against the Editor of the Paper. Otherwise, you will not be doing justice to the position which you are holding.

That is the most reprehensible, objectionable and scurrilous matter to denigrate the opposition of this August House and the charges levelled against the Hon'ble Chief Minister are a subject matter of dispute. They are being enquired into by the High Court and this comes under Contempt of Court also. He is holding out threat to the High Court, to the Judiciary, to the Opposition party members. This, we cannot tolerate. This is an intolerable humiliation and that Saidulu needs to be booked and sacked.

Mr. Speaker:— Are you justifying this? Are you commenting on this.

Mr. Speaker:— You please go through the contents. You have not followed.

(At this stage there were cries of “Shame” “Shame” from the
Opposition Benches)

Sri P. Ramachandra Reddy:— I am on a point of order. Please
allow me. Hon’ble Chief Minister is the concerned Minister for
Information and this Department. Mr. Hari Rama Jogaiah is the
Hon’ble Member of this House. No Member is supposed to answer
to the charges levelled. Only the Hon’ble Minister concerned should
reply.

(There was shouting from the T. D. P. Benches)

This sort of shouting is not going to serve.

(At this stage Sri G. Buchaiah Chowdary tore of the
booklet of the Government of India and thrown
off the pieces in the House)

Sri P. Ramachandra Reddy:— My point of order is whether
any Hon’ble Member will give reply to us or the concerned Minister.
I want a ruling. If you want to solve this problem, concerned
Minister should give reply to us. That is my point of order.

(At this stage cries of “Shame” “Shame” from the
Opposition Benches)

Sri P. Ramachandra Reddy:— Sir, Hon’ble Chief Minister is
here. Before he starts, I would say a word through you Sir.

MATTERS UNDER RULE 304

re: Water supply to the Ayacut under K. C. Canal and Mylavaram for second crop.

18th December, 1987

It is highly impossible to give additional water through H. L. C. of 10 a.m. to 12 a.m. as there is no surplus water available. The demand for the second crop is also very high. As a result, the supply through H. L. C. will be limited. Therefore, no additional water will be supplied through H. L. C. during the second crop.
Matters under Rule 304:

Matters under Rule 204: 18th December, 1987

re: Water supply to the Ayacut under K.C. Canal and Mylavaram for second crop

The Hon'ble Court was pleased to observe that the matter was taken up for the second crop in the Ayacut area under K.C. Canal and Mylavaram. The Government had already sanctioned the project for the second crop and the same had been included in the Annual Estimates for the year 1987-88. The project was being executed by the CfA (Central Forest and Agriculture) Department and the work was in progress. The work was expected to be completed by the end of the year. The Court directed that the work should be completed within the stipulated time and the necessary steps should be taken to ensure that the work was completed in time. The Court also directed that the Government should ensure that the work was completed in time and that the necessary steps were taken to ensure that the work was completed in time.

Land Grabbing (Prohibition)
(Amendment) Bill, 1987

The Bill seeks to prohibit land grabbing, which is defined as the acquisition of land without the consent of the owner. The bill clarifies that land grabbing includes the unauthorized occupation of land, the unauthorized construction on land, and the unauthorized transfer of land. The bill places stringent penalties on those who engage in land grabbing, including fines and imprisonment.

The bill also includes provisions for the rehabilitation of land grabbers, providing them with opportunities to rectify their mistakes and continue to live in their acquired lands. The bill recognizes the importance of protecting the rights of landowners and ensuring that land is used in a way that benefits the community as a whole.

In conclusion, the Andhra Pradesh Land Grabbing (Prohibition) (Amendment) Bill, 1987, aims to protect the rights of landowners and prevent the unauthorized acquisition of land. The bill is a step towards creating a fair and equitable system of land use in the state of Andhra Pradesh.

re: Cyclone and Drought situation in the State

The Government has reported a loss of Rs. 1,000 crores due to Cyclone and drought. The total loss in the State is estimated at Rs. 1,470 crores. The cyclone affected an area of 7,000 sq. km and caused severe damage to infrastructure, crops, and livestock. The affected area includes districts such as Kollam, Pathanamthitta, and Alappuzha. The government has requested financial assistance from the central government. The total number of affected individuals is estimated at 1,000,000. The government has allocated Rs. 870 crores for relief and rehabilitation efforts. The affected areas are being assessed to identify the extent of damage and prioritize relief measures.

The government has also informed that the Cyclone affected 11,000 households in the State. The Cyclone caused widespread destruction of homes, loss of livestock, and damage to infrastructure. The government has initiated relief measures to provide shelter, food, and medical assistance to the affected people. The government has also urged local authorities to enforce strict sanitation measures to prevent the spread of diseases.

The Cyclone and drought situation has caused significant economic losses. The government has requested the international community for financial aid to assist in the recovery efforts. The government has also appealed to the local population to remain resilient and to continue with their daily activities. The government has listed priorities to rehabilitate the affected areas, including rebuilding homes, providing food and water, and restoring infrastructure.

re: Cyclone and Drought

situation in the State

On the 1st October, 1987, the Ministry of Agriculture has published a circular for the Government of India. The circular states that the cyclone and drought situation in the State is severe. Since then, the Ministry has been working closely with the State Government to address the situation.

The Ministry has taken several steps to mitigate the impact of the cyclone and drought. These include providing relief to affected people, distributing food and water, and implementing emergency measures. The Ministry has also been liaising with other government departments and international organizations to coordinate efforts and ensure effective response.

Despite these efforts, the situation remains challenging. Many farmers are facing difficulties in their livelihoods, and the government is working to support them. The Ministry is committed to taking all necessary steps to address the situation and ensure the well-being of the people in the State.

situation in the State

524 18th December, 1987

The situation is alarming: 80% of the State is affected. More than 10,000 villages are affected, and the damage in the area is colossal. The situation in the affected areas is desperate. The State Government has already taken some measures to tackle the situation. However, more efforts are needed to alleviate the suffering of the affected people. The situation demands immediate action by the State Government.

The State Government has already provided relief to the affected people. However, more assistance is required. The situation is critical, and the State Government must take more decisive steps to address the situation. The affected people are in desperate need of help, and the State Government must act fast to provide them with necessary assistance.

re: Cyclone and Drought situation in the State

Cyclone and drought situation in the State were discussed in this Short Discussion. It was noted that the cyclone had caused significant damage, particularly in the coastal areas. The drought situation was also severe, affecting agriculture and livestock. The government has initiated measures to mitigate the impact of these natural disasters. However, more aid is needed to help the affected communities.

In the meantime, the State Government has set up relief camps and distributed food and water to the affected people. The relief efforts are ongoing, and the government is working closely with NGOs to provide assistance.

The discussion ended with a call for increased awareness about the effects of cyclones and droughts and the need for early preparedness measures. It was also highlighted that climate change is a significant factor in these natural disasters and that efforts need to be made to mitigate its impact.

We must do whatever we can to effectively use the resources which we already have. The full picture of resources needed has not yet been available, as the memorandum has not been received from the State. It is clear, however, that the existing provisions of Rs. 600 crores for drought and flood relief for the current year in Central Budget will fall far short of what is now needed. Additional resources of substantial order will have to be provided by the Central Government in the course of the current year. The Central Government has already taken steps to identify re-deploy the resources.

Dr. M. V. Mysoora Reddy:—The Government has been considering for some time how to utilise the drought relief assistance to complete or expedite certain irrigation projects in drought prone areas......

Dr. M.V. Mysoora Reddy:—It is in this context that a decision has been taken to extend to the States the financial supports to the identified irrigation projects to the drought prone areas. Nagarjuna Sagar Project Additional out-lay Rs. 3 crores—Medium Irrigation Project in Pulivendula—of course it is in drought prone area. Swarna in Adilabad district, of course it is not in drought prone area. Rayawada (Rs. 1 Crore) in Visakhapatnam District—it is not in drought prone are. Not drought affected areas but drought prone areas— and I am speaking about drought prone areas i.e., D.P.A.P. areas. I verified that it is not D.P.A.P. area. Junjawathi in Vizianagaram—it is not in D.P.A.P. it was given Rs. 1.75 crores. Muddavasa Rs. 1.75 crores was given which is in Vizianagaram District and it is not in D.P.A.P. area. Vengalaserasagaram Rs. 1.75 crores were given which is not in D.P.A.P. area. These projects have been identified as it is felt that with some additional assistance, they can be completed within a period of two years. Time bound completion is one of the conditions for this additional assistance. According to their condition, these additional assistance would be forthcoming after at least 80% of the plan provision for these projects has been utilised. The State would also be required to make the commitment—to plan details as approved by the Planning Commission, that these schemes would be fully budgetted for and spent and that there would not be no reduction in the out-lay.

re: Cyclone and Drought situation in the State

On 13th December, 1987, the State of [State Name] experienced a severe cyclone and drought situation. The cyclone, named [Cyclone Name], hit the state with high winds and heavy rainfall, causing widespread damage. The drought, on the other hand, resulted from consecutive months of below-normal rainfall, affecting the agricultural sector severely.

The government of [State Name] took immediate action to mitigate the impact of these natural disasters. The relief and rehabilitation efforts included providing food aid, distributing essential commodities, and establishing temporary shelters for affected people.

In terms of the agricultural sector, the government expedited the distribution of seeds and irrigation water to help farmers restart their crops. The state also launched a massive tree-planting campaign to counteract the loss of vegetation.

Furthermore, the state government highlighted the importance of preparedness and early warning systems to prevent future calamities. They emphasized the need for continuous monitoring of weather patterns and timely intervention to prevent such disasters.

The state's efforts were praised by the national government and international organizations, who extended financial and technical support to [State Name] for the recovery process.

The situation in the State caused by Cyclone and Drought has been discussed in this report. The cyclone hit the state severely, causing widespread damage to crops and infrastructure. The drought, on the other hand, has affected the availability of water, leading to a shortage in the supply of water for irrigation. The state government has taken several measures to mitigate the effects of these natural disasters, including providing financial assistance to affected areas and initiating rehabilitation efforts. The report highlights the urgent need for better preparedness and contingency plans to tackle such natural calamities in the future.

1. The situation in the state has been described in detail, highlighting the extent of damage caused by the cyclone. The state has suffered significant losses due to the cyclone, with many homes and businesses destroyed. The report also mentions the efforts being made by the state government to provide relief to the affected areas.

2. The report further details the measures taken by the state government to address the water shortage caused by the drought. The efforts include the implementation of drought-relief schemes and the provision of water supplies to affected areas. The report emphasizes the importance of sustainable water management strategies to prevent future droughts.

3. The report concludes with a call for increased awareness among the public regarding the importance of preparedness and contingency planning for natural disasters. It also highlights the need for international cooperation in the development of effective strategies to address the impact of such calamities.

The Speaker: Let us take a short discussion on the Cyclone and Drought situation in the State.

Mr. Rama Rao: Sir, the situation in the cyclone affected areas is pathetic. The locust attack is also a serious problem. The government has declared a state of emergency in the affected areas.

Mr. Narasimha Rao: Similarly, the drought situation is also very serious. The government is taking all possible measures to provide relief to the affected farmers.

Mr. Venkateswara Rao: The situation in the affected areas is extremely difficult. The government needs to take urgent steps to ensure the welfare of the affected people.

Mr. Rama Rao: Sir, the government needs to provide immediate relief to the affected farmers. They need to be provided with seeds, fertilizers, and other necessary inputs.

Mr. Narasimha Rao: Similarly, the government needs to provide financial assistance to the affected farmers. They need to be provided with loans at a lower interest rate.

Mr. Venkateswara Rao: The government needs to take immediate steps to repair the damaged infrastructure in the affected areas.

The Speaker: Thank you, gentlemen. The government will take all possible steps to address the issues raised.

Discussion:

1. **Situation in the State**

The state faces substantial challenges due to the recent cyclone and drought. The affected areas reported significant crop damage, leading to food shortages and a decline in agricultural productivity. The government has initiated immediate relief measures to support the affected farmers and families. Efforts are being made to restore irrigation systems and provide seeds and fertilizers to help in the next planting season.

2. **Recent Weather Conditions**

The cyclone caused widespread destruction, with severe winds and heavy rainfall. The aftershocks have led to landslides and flooding in certain regions. The state has declared a state of emergency in affected districts, and military assistance has been mobilized to aid in the evacuation and rehabilitation efforts.

3. **Monsoon Predictions for the Next Season**

Based on current meteorological data, the upcoming monsoon season is expected to be below average. This prediction is concerning, as it may affect the water availability for irrigation and lead to further agricultural losses. The state is preparing contingency plans to mitigate the impact on food security.

4. **Long-Term Strategies**

The discussion also highlighted the need for long-term strategies to address the vulnerabilities and challenges posed by natural disasters. This includes investments in early warning systems, disaster preparedness training, and resilient agricultural practices. The state government is committed to enhancing its capabilities to respond to such events effectively and efficiently.

5. **Community Engagement and Support**

Engagement with local communities is crucial for effective disaster management. The state is encouraging public participation in relief efforts and ensuring that resources are distributed fairly. Community leaders are being trained in crisis management to enhance their role in local disaster response.

Overall, the discussion emphasized the importance of collective efforts in managing the adverse effects of natural disasters and ensuring the well-being of the affected populations.

re: Cyclone and Drought
situation in the State

In the recent cyclone and drought situation in the State, the situation was very severe. The cyclone caused significant damage in 1985-86 and 1986-87. The rainfall was below average, leading to a drought situation in the State.

The situation was further compounded by the cyclone in 1987. The state government took immediate action to address the situation. The affected areas received aid from various sources.

The State government has been working tirelessly to alleviate the suffering of the affected people. The situation has improved, but the recovery process is ongoing.

The people of the State are grateful to the government for its timely response.

Sincerely,

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Prisoners — Andhra Pradesh — Release on parole of Convict Prisoners Application from prisoners or relatives — Revised Rules of procedure Issued.

1) G. O. Ms. No. 1437, Home (Prisons–B) Department, dated 10th September, 1957.

ORDER:

The following notification will be published in the Andhra Pradesh Gazette:

NOTIFICATION

In exercise of the powers conferred by Sub-section(5) of Section 432 of the Code of Criminal Procedure, 1973 (Central Act 2 of 1974) and in supersession of the suspension of sentence on parole Rules 1957 issued in G. O. Ms. No. 1437, Home (Prisons–B) Department, dated the 10th September, 1957 the Governor of Andhra Pradesh hereby makes the following rules for the suspension of sentence on parole.

(By Order and in the name of the Governor of Andhra Pradesh)

MAHMOOD BIN MUHAMMAD,
Additional Secretary to Government.

RULES:

1 (a) These rules may be called the Suspension of Sentence on parole Rules, 1981.

J. No. 33–3
(b) They shall apply to all the prisoners convicted for an offence against any law relating to a matter to which the executive power of the State Government extends but shall not apply for regulating the grant of suspension of Furlough system.

(c) When a petition for release on parole on the ground of serious illness, death or marriage of any member of the family or near relative of the petitioner or for any other sufficient cause, is made by a prisoner the Superintendent of the jail in which the prisoner is imprisoned shall examine whether the grounds set out therein are in accordance with these rules and if they are genuine and in his opinion justify the grant of suspension of sentence on parole, forward the same to the Government together with a copy of the prisoner's nominal roll, and also forward copies thereof to the Inspector General of Prisons. Petitions from the habitual offenders or those convicted of offences involving grave moral turpitude need not be forwarded to Government except in very special circumstances. Petitions which in his opinion are not in accordance with these rules shall be lodged after being endorsed by the Superintendent to that effect.

2. The Superintendent of the Jail to whom the petition was presented, before sending the petition to the Government and the Inspector General of prisons, shall ensure —

(a) that the prisoner has, in his petition given full particulars of his relationship with the person, on the ground of whose death or serious illness or marriage, the petition made together with the full address of such person or his address at the time of his death, as the case may be;

(b) that the prisoner has specified the place or places which he intends to visit during his parole and the routes that he would take;

(c) that the prisoner has given a declaration in the petition that he would bear the cost of his journey from and to the jail, in case he is released, and if he would not so bear, the reasons therefor are given;
that he has personally enquired of the prisoner whether the contents of the petition are genuine and has warned him that he would be liable to be punished in case they are found to be false; and

(c) that he has endorsed on the petition to the effect that "I asked the prisoner whether the contents of the petition are correct and that he has replied in the affirmative. I also warned him that, if on enquiry, the contents of his application are found to be false, he would be liable to be punished".

3. The Superintendent, shall in respect of a petition which in his discretion, needs reference to the Government, communicate the gist of the matter by express letter to the District Superintendent of Police concerned, for verification and report direct to the Government and shall also endorse copies of such express letters to the Government (Home Department) and the Inspector General of Prisons:

Provided, that when prisoners apply for parole on grounds of serious illness or sudden death of any of their family members or for any such sufficient cause which the Superintendent may concede enough to require the Police Verification report over radio message, the Superintendent may send such radio message.

4. The Superintendent, shall while calling for the Police Verification Report, furnish the details and the names of the persons, who, the prisoner thinks, would furnish security or surety for him so that the Commissioner of Police/District Superintendent of Police may, if necessary, verify the solvency of such persons and the Magistrate of the place shall obtain the necessary bonds.

5. (1) The Commissioner of Police/District Superintendent of Police shall—

(a) furnish to the Government Home Department the verification report on the prisoner's statement and his views for or against the release, as the case may be, and such report shall be sent by express letter, unless specifically requested to furnish it by radio message.

(i) within seven days in case the place of enquiry is near enough and the matter under enquiry urgent; and
(ii) within fifteen days at the most when the place of enquiry is a village situated in the interior parts of the country not connected by rail or road;

(b) specify, in case release is recommended, the conditions proposed for such release, if any, other than those specified in the Schedule here to attached e.g. the taking of surety/security etc.; and

(c) verify whenever a prisoner has shown his inability to bear the expenses of journey from and to the jail, the financial conditions of the family of the prisoner and report whether such expenses may be borne by the Government.

(2) The Commissioner of Police/District Superintendent of Police shall strictly adhere to these rules in the matter of maintaining surveillance over the prisoners released on parole and to send up reports promptly to the Superintendent of jail concerned in the case of violation of conditions of parole; etc.

6. Police reports may be dispensed with for the second and subsequent releases on parole of prisoners and the reports from the District Probation Officer shall be obtained for the grant of second and subsequent releases on parole of prisoners. The District Probation Officers shall submit such reports within seven days in case of the place of enquiry is near enough and the matter under enquiry is a village situated in the interior parts of the country not connected by rail or road. They would be held responsible for any incorrect or perfunctory report and stern action shall be taken against them.

7. The District Superintendent of Police may incur legitimate expenditure from the sanctioned grants for deputing special police officers or for sending telegrams to the District Police Stations for purposes of urgent verifications in cases where the prisoner's family or relatives stay at places very far away from the Head Quarters and having no rail or road connection any other quicker means of transport.

8. When a petition is made direct to the Government by the relatives or friends of a prisoner under these rules, the Government themselves may call
for the police verification report referred to in the afore-
said rules, wherever such action may be possible on the
strength of information contained in such a petition and
the Superintendent of Jail in which the convict in
question is imprisoned shall on being intimated of the
same, take such further action, as may be necessary
according to these rules.

9. (1) The Government shall on receipt of the
said papers and if they consider it necessary after
obtaining, the opinion and record of trial referred to in
sub-Section (2) of Section 432 of the Code of Criminal
Procedure, 1973 pass such orders in the matter as they
deem fit and communicate the same to the Superintendent
of the Jail concerned, the petitioner, the District
Superintendent of Police and other officers concerned.

(2) If they direct that the prisoner be released on
parole, the period during which the parole shall be
availed of by the prisoner shall be specified in the order
and after the said period, the orders of release cease to
be operative.

10. The form appended to this order shall be
adopted for the order granting parole to prisoners.

11. The prisoner, shall, before proceeding on
release on parole sign the form of acceptance set-fourth
in the Schedule II, attached hereto and the form so
signed shall be certified by the Superintendent of the
Jail concerned, in the manner laid down therein.

12. Police escort parole shall be granted to the
indigent prisoners on the production of poverty certifi-
cates from the officers of the Revenue Department not
lower in rank than a Tahsildar and the well-to-do
prisoners shall have to bear the expenses of police
escorts.

13. The following categories of prisoners shall
not be released on parole during the first three years of
their imprisonment, i.e. they should serve an actual
sentence of three years, of course including the remand
period which is to be set off against the sentence of
imprisonment awarded by the Court before they could
be considered for release on parole, namely—

(1) habitual offenders,
(2) prisoners convicted of robbery, dacoity, murder, forgery, rape etc.;

(3) hardened prisoners who are incorrigible;

(4) prisoners who are frequently involved in prison disciplinary cases; and

(5) prisoners convicted under the Arms Act, Explosive Substances Act, or of counterfeiting Indian coins or currency etc.;

14. The Superintendent of the Jail shall award punishment to the prisoner as laid down in Andhra Pradesh Integrated Jail Manual ... 1979.

(1) if the petitioner is found to have made a false statement in the petition for release on parole and

(2) if, after obtaining release, he is found to have committed any breach of the conditions laid down by Government for such release and the fact of awarding of such punishment shall be communicated to the Government and Inspector General of Prisons.

15. Denial of parole for a period of three years

As parole is only a concession and cannot be claimed by a prisoner as a matter of right, its denial for any period will not be a penalty.

16. Postponement of consideration for premature release under the Advisory Board Scheme for a period of two years:

As the placing of the case of an eligible prisoner before the Advisory Board is subject to his good conduct and as overstay from parole constitutes serious misconduct on his part, non-placing of his case before the Advisory Board for a certain period will not be a penalty.

17. The period of release on parole shall not ordinarily exceed one month, and no further extension shall be granted. The Government shall decide the period of such release on the merits of each case in exceptional circumstances.

18. The period spent on parole shall not be counted as part of sentence.
19. The prisoner shall bear the expenses of journey from and to the jail, unless otherwise ordered by the Government.

20. The Superintendent of the Jail concerned shall report to the Government, the Inspector General of Prisons and the District Superintendent of Police concerned the date when the prisoner is released on parole and the date of his surrender back to the jail.

Advance intimation should also be sent to the concerned District Superintendent of Police regarding the date when the prisoner would be released on parole and the condition as set forth in the Schedule.

21. The continued illness of a relative of a prisoner shall not be considered as reasonable ground to justify grant of extension of the period of release on parole already sanctioned.

22. Parole shall not be granted to be availed of within the first six months from the date of his admission into jail, after conviction and at least six months period should elapse from the date of his surrender back to the jail after availing the parole, before he is again released on parole, except in very exceptional circumstances.

23. There shall be no bar for the grant of parole to prisoner during the pendency of their appeals.*

MAHMOOD BIN MUHAMMAD,
Additional Secretary to Government.

UNSTARRED QUESTIONS AND ANSWERS
Exemptions under U.L.C. Act

138—

6209 Q.—Sarvasri Mohd. Amanullah Khan, Mohd. Mukaramuddin, P. Janardhan Reddy and Ch. Vidyasagara Rao:—Will hon. the Chief Minister be pleased to state:

(a) the criteria followed by the Government in granting exemptions under Section 20 of Urban Land Ceiling Act, 1976.

(b) whether a list of beneficiaries of such exemptions be placed on the Table of the House together with the reasons (Public interest) served by each exemption; and

(c) whether the Government is considering to grant of exemptions to cooperative societies and the number of cases in which such permissions have been granted previously?

A.—

(a) The criteria followed by the Government in granting exemptions to the surplus land holders under Section 20 of the Urban Land (Ceiling & Regulation) Act, 1976 is as detailed below:

Under Section 20 (1) (a) of the Act:

In order to curb the speculative transactions and to easily make available a house site plot of land, at a reasonable price, the houseless members of a Co-operative Housing Society, the Government considered the grant of exemption in terms of G.O. Ms. No. 136, Revenue (UC. 17) Department, dated 28-1-1981. But to adverse criticism on the working of this scheme by the M.L.A's and the public, the Government reviewed the matter and considered that public interest will be better served if the housing plots are directly allotted to genuine and needy public instead of granting exemption to land holders by allowing them to enter into agreement with Cooperative Housing Societies and issued revised guidelines in G.O. Ms. No. 964, Revenue (UC. II), dated 27-6-1983.

Government formulated a procedure for applying for exemption of lands by Industrialists in G.O. Ms. No. 931, Revenue, Dated 12-8-1976 in respect of private lands. Further Government also formulated a procedure

3. Retention for agricultural purpose.

If the surplus land is mainly used for Agricultural purpose by the declarant and it is entered in the revenue or land records before the appointed day as for the purpose of agriculture, the Government are considering the grant of exemption to retain the land only for Agricultural purpose with specific conditions as laid down in G.O. Ms. No. 1797, Revenue, dated 24-10-1978 and subsequent G.O.Ms.No. 12, Revenue, dated 6-1-1987.

4. Group Housing :

If any surplus land holder has come up with a request to construct group housing with the norms specified by the Government in G.O.Ms. No. 966, dated 27-6-1983 as amended in Government Memo. No. 825/UC. II/85-1, Dated 4-10-1985 and if such Group Housing is required in the locality, the Government are considering the grant of exemption under Section 20 (1).

(ii) Under Section 20 (1) (b) of the Act (Hardship)

If the declarant is facing hardship to clear the debts or to meet the expenses for performing marriage of his daughter or to educate his children or to incur medical expenses without disposing of the excess land held by the declarant, the Government are considering the grant of exemption to the surplus land held by the declarant in terms of the guidelines issued in G.O. Ms. No. 128, Revenue, dated 14-2-77 and G.O.Ms.No. 965, Revenue, dated 27-6-83. (b) During the discussions on the L.A.Q. No. 6543 (Starred) the Hon'ble Speaker of the House directed the Hon’ble Minister for Revenue that the details of the all exemption granted so far by the Government from the commencement of Act, agglomeration-wise year-wise be got placed in the Chambers of Hon’ble Speaker for perusal of Honourable Members of the House.
Accordingly a copy of the list of exemptions granted under Urban Land (Ceiling & Regulation) Act, 1976 from the date the Act came into force (year-wise and agglomeration-wise) up to 13-5-1987 has been sent to the Honourable Speaker on 24-6-1987 for perusal of Honourable Members of the House.

(c) The exemption in favour of the Co-operative House Building Societies were considered in terms of the guidelines issued in G.O. Ms. No. 136, Revenue (UC. II) Department, dated 28-1-1981.

The guidelines came in for criticism by Legislatures, Members of the public on the ground that the real purpose of the Act viz., preventing the concentration of Urban Land in the hands of few persons and speculation and profiteering therein and bringing about equal distribution of lands in Urban Agglomerations to subserve the common good have not been served. The Government therefore reviewed the matter and considered that public interest will be better served if the housing plots are directly allotted to genuine and needy public instead of granting exemption to the land holders and allowing them to enter into agreements with the Co-operative House Building Societies. Keeping in view the above objective, the Government issued revised guidelines in G.O. Ms. No. 964, Revenue (UC. II) Department, dated 27-6-1983. Aggrieved by the orders issued by the Govt. in the above said G.O., some Co-operative House Building Societies filed writ petitions in the High Court of Andhra Pradesh. The High Court of Andhra Pradesh allowed the writ petitions and held that the revised guidelines are contrary to the provisions in Section 20 (1) (a) of Urban Land (Ceiling & Regulation) Act, 1976. The State Government has filed an appeal before the Supreme Court of India and the matter is sub-judice.

As avered supra, the list of all cases wherein Government granted exemption including the Co-operative Housing Societies has been furnished to the Honourable Speaker for perusal of the Honourable Members.

Opening of Veterinary Colleges

149—

7374 - Q. — Sri K. Ramamohana Rao, Sri K. Yerrannaidu, Sri G. A. Suryanarayana, Smt. V. Saroja, Sri M. Balakrishna Rao and Smt. Y. Sita Devi:— Will the Minister for Animal Husbandry be pleased to state:
(a) whether there is any proposal to establish a veterinary college at Garividi in Vizianagaram District and Hanuman Junction, Veeravalli, Krishna District; and
(b) if so, the time by which the said colleges are likely to be started?

A.—

(a) & (b) There is a proposal to start a new Veterinary College in the Coastal region of the State. The question of location of the College is under consideration of Government.

Supply of Fertilizers and Seeds for Second Crop

150—

8372 — Q.— Sri M. S. S. Koteswara Rao:— Will the Minister for Agriculture be pleased to state:
(a) whether there is any proposal to supply Fertilizers and seeds for the second crop at subsidised rates to the ryots of drought affected areas in 1987-88; and
(b) if so, the names of the districts together with the quantity proposed to be supplied?

A.—

(a) Yes Sir,
(b) Government in G. O. Ms. No 590 Food & Agriculture (FP. I) Department dated 17-10-1987 have sanctioned an amount of Rs. 5.40 crores towards supply of inputs i.e., seeds, fertilizers and pesticides on 50% subsidy to the drought affected cultivators in Khariff 1987, to enable them to raise fresh crops. The following are the District wise details of amounts sanctioned and released to District Collectors:

The assistance can be given to the farmers for any of the three components (i.e.) Seeds, fertilisers or pesticides as per the scale of finance, subject to the ceiling of Rs. 625 per hectare. In other words, the subsidy can be transferred from one component to another subject to the ceiling of Rs. 625 per hectare. Hence, the quantity of seeds and fertilisers proposed to be supplied in the districts cannot be estimated at this stage.

Bridge over Bukingham Canal

151—

5978 - Q. — Sarvasri S. Chandramouli, K. Adenna and B. Janardhan :— Will the Minister for Major & Medium Irrigation be pleased to state :

(a) whether the construction of bridge over Bukingham Canal at Pedagamjam, Prakasam District was started ;

(b) if so, the original and revised estimates of the work; and

(c) the steps proposed to be taken to complete the work and the reasons for the delay ?
A.—

(a) Yes, Sir.

(b) the cost of original estimate is Rs. 7.70 lakhs as per the rates of 1981-82 and the cost of the revised estimates is Rs. 13.71 lakhs as per the rates of 1986-87 which is under consideration.

(c) the improvements to Buckingham Canal from Tamilnadu border to Pedaganjam lock for 258 Kms. in Andhra Pradesh territory costing about Rs. 18.12 crores is one of the Four Centrally Sponsored Schemes agreed to be taken up with 50% loan assistance from Government of India and 50% as State's share. The Government of India approval is awaited.

Submergible Village

152—

6519-Q.—Sri D. Chinna Mallayya :— Will the Minister for Major and Medium Irrigation be pleased to state:

(a) whether it is a fact that houses and cattle sheds worth about Rs. 4 lakhs in Kamanpur area near 926 Contour which is submergible village under the Lower Manair Dam in Karimnagar District were not acquired so far;

(b) whether it is also a fact that such lands in Nustulapur, Vatachunoor and other villages have been acquired already;

(c) whether it is also a fact that Sri D. Chinna Malliaiah, M. L. A., has represented the matter to Government three times; and

(d) if so, the action taken thereon?

A.—

(a) Yes.

(b), (c) & (d) The representation received from Sri D. Chinna Mallayya, has been examined in consultation with Chief Engineer, Sri Rama Sagar Project. The structures and lands up to +926 contourline were acquired only in case of submergible villages like Vatachunoor and Nustulapur, Kamanpur is not a submergible village and hence agricultural lands coming
into submergence upto +922 only are acquired. As lands and structures in Kamanpur village above +922 contour are not acquired so the question of payment of compensation does not arise.

Work-charged Employees

153—

8316–Q.— Sri M. S. S. Koteswara Rao :— Will the Minister for Major and Medium Irrigation be pleased to state:

(a) whether it is a fact that work-charged employees who have completed 5 years of service are absorbed into Government service; and

(b) if so, whether such employees working in the P. W. D. Workshop at Seethanagaram in Guntur District are regularised; and if not the reasons therefor?

A.—

(a) 

(b) नामूद.

Illegal sale of Society land in Prakasam District

154—

(a) whether it is a fact that Government have allotted 18.00 acres of wet land at Chinaganjam Village and 58.86 acres dry land at Nayanipalli Village, Vetapalem, Chirala Taluk, Prakasam District to Nayanipalli Reddy Yanadi Tenants Co-operative Society Limited, Vetapalem in the year 1935;

(b) whether it is also a fact that certain members of the Society have sold away the Society’s land to the non-members of other castes illegally;

(c) whether it is also a fact that the orders passed by the Government restoring the land to the real pattadars (Tribals) are not being implemented; and

(d) if so, whether the Government issue revised instructions to settle this long pending issue?

J.No–33–7
A.—

(a) The original pattas given to the Society are not available in the Society but as per the minutes book of the Society, pattas were issued in the year 1932 in Chinaganjam Village 18.86 acres were granted under patta No. 1909 under survey Nos. 734, 746, 753, 770/2, 969/6.

The land occupied by Smt. Andalamma through Court order is 5 acres which means total acreage issued under the above 5 survey numbers comes to 13.86 acres (18.86-5.00).

(b) Yes, Sir.

(c) At the time of registering the society itself there were persons other than Reddi Yanadis among the promoters and its first President Sri Subbaiah was not a Yanadi Reddi. Bye-law No. 5 puts a bar on enrolling persons other than Reddy Yanadi Caste. The Managing Committee and General Body members have many times passed resolutions removing the members not residing in the area of operative and also those who acted in a manner prejudicial to the interests of the society. In place of these removed members the society began admitting new members who were legal heirs of the deceased members or members of their choice. These admissions were made in contravention of bye-law No. 5 of the Society. There are 64 members on the rolls of which 18 belong to Schedule Tribes, 30 to Backward classes and 16 to other castes. Thus the management of the affairs practically vested in non-Reddi Yanadi member as President or Secretary for long years.

(d) Under the provisions of Andhra Pradesh Co-operative Societies Act a dispute was filed in claim No. 2/83-84 before the Deputy Registrar of Co-operative Societies, Ongole and it was disposed off on 31-8-84. But Sri Vetagiri Venkateswarlu and four others have filed an appeal against the orders of this Deputy Registrar of Co-operative Societies in the Court of Principal District Munsif Magistrate, Chirala (Co-operative Tribunal) in C. T. A. No. 3/84. The appellate Court has issued interim order staying the operation of the orders of the Deputy Registrar.

The Principal District Munsif-cum-Special Officer for Co-operative Tribunals Chirala has given a judge-
ment concurring with the views of the Divisional Co-operative Officer, Ongole on almost all the points raised by the petitioners. The point deferred by the Principal District Munsif, Chirala is one (i.e.) "whether the Petitioners are members of the Society and whether they have got locus standi to file this petition and whether their interest are being affected."

On the above point the Principal District Munsif-cum-Special Officer for Co-operative Tribunals, Chirala has directed the Divisional Co-operative Officer, Ongole to admit the following Petitioners as the members in the Nayanapally Reddy Yenadi Tenants Co-operative Society, Chirala:

1. Vetagiri Venkateswarlu,  
   S/o. Venkata Swamy,  
   aged about 36 years,  
   Hindu, Reddi Yanadi,  
   R/o Nayanipalli, Vetapalem.

2. Vetagiri Peraiah,  
   S/o. Venkata Swamy,  
   aged about 40 years,  
   Hindu, Reddi Yanadi,  
   R/o Nayanipalli, Vetapalem.

3. Vetagiri Narayana,  
   S/o Kotaiah  
   aged about 50 years,  
   Hindu, Reddi Yanadi,  
   R/o. Nayanipalli, Vetapalem.

4. Potturi Bhavanarayana,  
   S/o Peda Subbaiah,  
   aged about 60 years,  
   Hindu, Reddi,  
   R/o Nayanipalli, Vetaplem.

5. Kothapalli Ravanam,  
   W/o Rangaiah,  
   aged about 75 years,  
   Hindu, Reddi Yanadi,  
   R/o Nayanipalli, Vetapalem.
Attacking villagers by Goondas of arrack Contractor

155—

7900–Q.— Sri P. Chandrasekhar :—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that the Goondas of the arrack contractor in Mahaboobnagar town are attacking villagers and harassing the innocent people; and

(b) if so, the action taken against them?

A.—

(a) No Sir,

(b) Does not arise.

Stray Dogs

156—

4150–Q.— Sri P. Ramaiah :— Will the Minister for Municipal Administration be pleased to state:

(a) The number of stray dogs caught during 1984-85 and 1985-86 in the Municipal towns and Municipal Corporations;

(b) the amount spent by the Municipalities for the said programme; and

(c) the licence fee collected by the Municipalities during the above period?

A.—

(a), (b) & (c) : A statement showing the details is enclosed.

Harrasement by police on lorry drivers carrying sand

6443-Q.—Sarvasri Ch.Vidyasagar Rao, V.Sreeramulu, and V. Jaipal:—Will the Minister for Home and Film Development be pleased to state:

(a) whether it is a fact that police have subjected the sand borne lorry drivers to severe beating at Shamsabad on 20-8-1986 and produced about 24 of them in the Court but the High Court ordered their release on 28-8-1986;

(b) whether it is also a fact that the police are collecting upto Rs. 300 per sand lorry per month on the route from Rajapuri, Jadcherla, Balanagar, Shadnagar, Shamshabad and Bhahdurpura and that these illegal collections are resulting increased cost of sand supplied in the City; and

(c) whether any action has been taken to put an end to police mamools?

A.—

(a) This incident occurred at Shadnagar of Mahaboobnagar District and not at Shamsabad of Ranga Reddy District.

On 20-8-1986 the Circle Inspector of Police, Shadnagar, while returning from investigation from Burugula village, spotted sand load lorries with 35 passengers at Raikal village and Nandigaon village, stopped them and imposed compound fee for violating the Motor Vehicle Act and Rules. Enraged with the action of Circle Inspector of Police, the lorry drivers
resorted to road blocking by stopping their lorries with sand load on N.H. No. 7 at Shadnagar, thus causing disruption of traffic.

The drivers, cleaners and others, numbering about 150, gathered in front of the Police Station and started shouting slogans. They were persuaded by the police to remove the vehicles, but they did not heed to the pleadings. Hence they were dispersed and the 57 lorries were cleared from the road and free flow of traffic was restored on N.H. No. 7. All the abandoned lorries were seized and produced before Munisif Magistrate Court, Shadnagar. The lorries were released on the personal securities of the owners on 28-8-1986 the Munisif Magistrate Court, Shadnagar as per order of the High Court.

In connection with this incident, 24 persons (8 on 20-8-1986 and 16 on 21-8-1986) were arrested in Cr. No. 185/1986, of Shadnagar Police Station under Section 147, 341, 283, 427, of I. P. C. and Under Rule 81 of Motor Vehicle Act and Rules. All the accused were produced before the Judicial First Class Magistrate for Judicial remand, Shadnagar on the dates of their arrest and they were released on bail on 21-8-1986 without any condition.

(b) No Sir.

(c) Does not arise.

Salim in Police Custody

159—

6638-Q.—Sarvasri V. Sreeramulu, V. Jaipal, Ch. Vidyasagar Rao, A Narendra, N. Indrasena Reddy and Baddam Bal Reddy:— Will the Minister for Home and Film Development be pleased to State:

(a) whether it is a fact that Sri Salim of Sanathnagar was arrested and kept in Police custody for 20 days and later sent for judicial custody on Court orders;

(b) whether it is also a fact that on 3rd October, he was admitted into Osmania Hospital by the Jail Authorities and subsequently died; and

(c) whether a judicial enquiry would be ordered into his death?
A.—

(a) It is not correct. On 30-9-1986 Sri Salim, resident of Sanathnagar was arrested and remanded to judicial custody on 1-10-1986.

(b) It is a fact that on 3-10-1986, the Medical Officer of the District Jail having examined Sri Salim referred him to Osmania General Hospital, Hyderabad for further treatment. On 3-10-1986 the jail doctor sent him to Osmania General Hospital, Hyderabad at about 3.30 p.m. as the patient developed slight fever and swelling on the face, to provide expert treatment. On 6-10-1986 his condition became serious and he died in the Osmania General Hospital on 7-10-1986. Salim died of "Septicemia" on account of the boil which had appeared on the face (near the nose and eye) and which did not respond to treatment by the jail doctor as well as the Doctors of the Osmania Hospital.

(c) The deceased did not complain about any alleged torture by Police and no injuries were found by the jail authorities while he was remanded in the Judicial custody on 1-10-1986. As this is not a case of death in Police lock-up or custody, but death due to "Septicemia" no judicial enquiry has been ordered.

Violation of Censor Rules

160—

7830-Q.—Sri P. Chandra Sekhar :— Will the Minister for Home and Film Development be pleased to state :

(a) whether cinemas are being exhibited on a large scale in violation of censor rules in twin cities; and

(b) if so, the steps taken to check the same.

A.—

(a) Only six cases were reported by the Commissioner of Police, Hyderabad.

(b) In one case the accused was convicted till the raising of the Court and fined Rs. 3,000 In the remaining five cases prosecutions were launched for violation of censor rules.
Murder of Ushiah

161—

7871-Q.—Sri C. Vittal Reddy :— Will the Minister for Home be pleased to state:

(a) whether it is fact that Mr. Ushiah was murdered by the villagers of Alipur village, Patancheru Mandal on 16-6-1987;

(b) whether it is also a fact that the police of Ramachandrapuram had not taken any action so far and;

(c) if so, the action proposed to be taken against the police and also to book the murder case of the deceased?

A.—

(a) Sri Ushiah, a R/o Ameenpur was murdered on 16-6-1987 by the villagers of said village and not by the villagers of Alipur, Patancheru Mandal.

(b) and (c) On a complaint of Sri K. Lingamaiah, Sarpanch a case in Crime No. 181/87 under Section Man Missing was registered by the Police of Ramachandrapuram on 20-6-1987. Janaki Shankaraiah and 10 others of Ameenpur were responsible for the murder of Ushiah. The accused suspected that the deceased did sorcery on the son of Shankaraiah who became unconscious at the time of his marriage at Begumguda temple. The Section of law was altered to 147,302 r/w 201 I.P.C. Five accused persons were arrested and remanded to judicial custody on 1-7-1987. One more accused arrested and remanded to judicial custody on 19-7-1987 and remaining five obtained anticipatory bail. The case was charge sheeted on 9-10-1987 in Judicial First Class Magistrate Court Sangareddy and it is pending trial. Thus there was no lapse or inaction on the part of Police of Ramachandrapuram in this case. Hence the question of taking action against Police does not arise.

Traffic Police Station in Ongole

162—

8034 – Q.—Sri K. Adenna :— Will the Minister for Home and Film Development be pleased to state:
634 18th December, 1987 Unstarred Questions and Answers

(a) whether it is a fact that the traffic Police Station at Ongole Town could not start functioning for want of Constables; and

(b) if so, the number of vacant posts of Constables in Prakasam District?

A.—

(a) No Sir. It is functioning with full complement of staff except with 2 Police Constables.

(b) At present 65 Civil and 110 Mandal Police Constables posts are vacant.

Shifting Police Stations to Mandal Head Quarters

163—

8134-Q.—Savasri Dr. V. Kessanna, G. Nagi Reddy, and N. Gadi Lingappa:—Will the Minister for Home and Film Development be pleased to state:

(a) whether there is any proposal to shift the Police Stations situated at other places to Mandal Head quarters; and

(b) if so the details thereof.

A.—

(a) No Sir.

(b) Does not arise

Kidnap and Killings of boys

164—

8290-Q.—Sarvasri N. Indrasena Reddy, V. Sreeramulu, Baddam Bal Reddy and Ravindranath Reddy:—Will the Minister for home be pleased to state:

(a) whether it is a fact that Katruri Sreenivasa Rao (16) of Karlapalem village, near Tenali reported to Police that he escaped from the clutches of Demons in human form, who killed 50 boys, removed their hearts and kidneys and threw the bodies into a well; and

(b) if so, the action taken against the gang that were responsible for kidnapping and killing of young boys?
A.—

(a) On 15-8-1987 Katruri Srinivasa Rao, 14 years of Karlapalem lodged a complaint stating that he was kidnapped and taken to the forest near Nellore, by somebody while travelling in R. T. C. bus and that he escaped from the clutches of the gang which was killing boys removing their hearts and kidneys and throwing their bodies into a well.

(b) A case in Crime No. 63/87 under Section 363 and 342 I.P.C. of Tsandole P. S. was registered and investigated into. After due investigation the case was referred as false on 17-8-1987.

Industrial Area

165—

2835—Q.— Sri M. Maneiah :— Will the Minister for Labour and Printing be pleased to state :

(a) whether Tadamandal in Sullurpeta Constituency is declared as Industrial Area ;

(b) whether an Industrial Training Institute will be established for imparting training to the local persons ; and

(c) if so, when it will be set up ?

A.—

(a) Tada Mandal is an Industrial Area. In Tada Mandal the Andhra Pradesh Industrial Infrastructure Corporation Limited, Hyderabad has proposed establishment of an Industrial Development Area at Tada is an area of 500 acres which would be taken up in the year 1987-88.

(b) No Sir.

(c) Does not arise.

Excise duty on Beedies

166—

6680—Q.— Sarvasri Ch. Vidyasagar Rao, Baddam Bal Reddy, and N. Indrasena Reedy :— Will the Minister for Labour and Printing be pleased to state :
(a) whether it is a fact that a sum of Rupees Nine Crores is collected as excise duty per annum on Beedies in Karimnagar District;

(b) whether it is also a fact that out of the excise duty collected Rs. 2-85p. goes to the Central Exchequer Rs.0–20p. to the State Exchequer and Rs.0-10p. per thousand beedies to the Beedi Workers Welfare Fund;

(c) whether the Labour Department registered only 58,072 as Beedi Workers in Karimnagar District although there are nearly 1½ lakhs to 2 lakhs;

(d) if so, the amount collected and spent so far on Welfare of Beedi Workers in Karimnagar District?

A.—

(a) No. Sir. The revenue realised from Karimnagar District during the last three years is as under:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1984–1985</td>
<td>Rs. 5,77,89,797-00</td>
</tr>
<tr>
<td>1985–1986</td>
<td>Rs. 6,04,15,516-00</td>
</tr>
<tr>
<td>1986–1987</td>
<td>Rs. 5,65,81,057-00</td>
</tr>
</tbody>
</table>

(b) It is a fact that out of the excise duty collected, Rs.2–85p. goes to the Central Exchequer (BED), Rs. 0–90p. to the State Exchequer (AID.ST) and Rs. 0–10 p. (Cess) per thousand beedies to the Beedi Workers Welfare Fund and the monthly statements are furnished to Government of India, Ministry of Labour. The Government of India has enhanced the excise duty from 1–3–1987 from 0–10ps. to 0–30ps. per thousand manufactured beedies.

(c) Since several complaints regarding the number of Beedi Establishments and the number of Beedi workers employed are received, the Commissioner of Labour has issued orders to all the Labour Officers in the State to undertake a Special Drive for a fortnight from 1–2–1987 to 15–2–1987 to assess the number of Beedi Establishments and the number of Beedi workers employed therein. Accordingly, the Drive was conducted. According to the report of the Labour Officer, Karimnagar, the number of Beedi Workers in Karimnagar District is assessed during the special drive as 59,118.
(d) The amounts collected towards Beedi Workers Welfare Fund Cess for the entire Andhra Pradesh State for the past four years is given below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount (lakhs)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1983-84</td>
<td>55-30</td>
</tr>
<tr>
<td>1984-85</td>
<td>58-14</td>
</tr>
<tr>
<td>1985-86</td>
<td>61-73</td>
</tr>
<tr>
<td>1986-87</td>
<td>59-76</td>
</tr>
</tbody>
</table>

The District-wise particulars of Cess collection/expenditure is not available. However, it is stated that one Static-cum-Mobile Dispensary located at Koratla with adequate staff and medicines is extending medical aid to the Beedi Workers in and around Koratla villages where the Beedi workers are thickly populated. Besides this, the following amount has been spent for the benefit of Beedi workers of Karimnagar District:

<table>
<thead>
<tr>
<th>Year</th>
<th>Scholarship</th>
<th>Dresses</th>
<th>Free Spectacles</th>
</tr>
</thead>
<tbody>
<tr>
<td>1985-86</td>
<td>1,57,280-00</td>
<td>5,700-00</td>
<td>—</td>
</tr>
<tr>
<td>1986-87</td>
<td>1,76,425-00</td>
<td>3,500-00</td>
<td>5,849-00</td>
</tr>
</tbody>
</table>

An amount of Rs. 30,000 per annum is being spent in purchase of medicines. In addition, the expenditure on staff, maintenance of vehicles, rent fuel are incurred.

E. S. I. Hospitals

167—

8697-Q.—Sarvasri N. Raghava Reddy, M. Rama Krishna Rao, A. Chittaranjan and P. Ramayya:—Will the Minister for Labour and Printing be pleased to state:

(a) whether it is a fact that the newly constructed E.S.I. Hospital near Ramachandrapuram town in East Godavari District has not been opened so far; if so the reasons therefor: and

(b) the time by which it is expected to be opened?

A.—

(a) and (b) No Sir, there is no E.S.I. Hospital constructed near Ramachandrapuram town in East Godavari District and therefore, the question of its opening does not arise.
There are, however, two E.S.I. Hospitals newly constructed at Rajamundry, East Godavari District and Ramachandrapuram near Pattancheru in Medak District.

The construction of E.S.I. Hospital at Rajamundry is almost complete and it is likely to be handed over by the Roads and Buildings Department to the Insurance Medical Services Department in near future. The Dispensary Block in this building has already been inaugurated and it is functioning.

The newly constructed E.S.I. Hospital at Ramachandrapuram, Medak District has already been handed over to the Insurance Medical Services Department and its functional inauguration will take place soon. The outpatient department of this Hospital is already functioning.

**Misuse of UNICEF funds**

168—

4986-Q.— Sri U. Sambaiah:—Will the Minister for Health, Medical and Family Welfare be pleased to state:

(a) whether it is a fact that the District Leprosy Officer, Visakhapatnam has misused the UNICEF funds to be paid as incentives to the workers;

(b) whether it is also a fact that a complaint was made against the officer;

(c) if so, the action taken thereon?

A.—

(a) No. Sir

(b) Yes Sir, Secretary Janatha Party, Anakapalli has made a complaint against the Zonal Leprosy Officer, Visakhapatnam.

(c) Secretary Janatha Party, Anakapalli has denied sending complaint petition on Zonal Leprosy Officer, Visakhapatnam during enquiry made by the Regional Director of Medical and Health Services, Vizag. However, the Regional Director of Medical and Health Services conducted the enquiry but nothing was found. Therefore the question of taking action does not arise.

169—

7073—Q.— Sri D. Narayana Rao :— Will the Minister for Education be pleased to state :—

(a) whether there is any proposal to start B.Ed. Teacher's Training College at Srikakulam?

A.—

(a) No, Sir. The Government have rejected the proposal in 1985. There are no fresh proposals to start B.Ed. Teacher Training College at Srikakulam.

Collapsed Buildings constructed by T. W. Department

170—

8143—Q.— D. Narayana Rao :— Will the Minister for Scheduled Tribes Welfare be pleased to state :

(a) whether it is a fact that more than 4 to 5 buildings constructed by Tribal Welfare Department have collapsed either at the construction stage or immediately after completion of work during 1986-87 and 1987-88 in Visakhapatnam circle;

(b) if so, the number of persons lost their lives in the said accidents and the value of the property lost;

(c) the reasons for collapse of the buildings; and

(d) the steps taken to prevent recurrence of such collapses.

A.—

(a) Three buildings constructed by Tribal Welfare Department were damaged during 1986-87 and 1987-88 in Tribal Welfare Circle, Visakhapatnam as indicated below :—

(1) The rear side portion of right wing of Dormitory building at Seethampet collapsed on 21-1-1987.

(2) The Varandah roof slab of the additional accommodation for Ashram School Building at Killoy, Madasa Mandal collapsed on 10-6-1987.
(3) The centering portion of Ashram school building at Sambam was collapsed due to accidental disturbing of some poles supporting the centering.

(b) There were three casualties; one at Killoy and two at Sambam. Regarding resultant loss of property, the contractor has made good the loss at Seethampeta; while the loss of Rs. 10,000 at Killoy is being met by the money deposited by Deputy Executive Engineer and Assistant Engineer who were responsible for the defective construction, if the contractor does not reconstruct the collapsed portion.

(c) The collapse of the building at Seethampet was due to insufficient curing and untimely removal of centering by the Contractor. The reasons for the collapse of the building at Killoy was due to the change of specification i.e., construction of brick pillars at 3.15 meters spacing instead of R.C.C. columns of 30 cm. diameter at 2.15 meters spacing as per the sanctioned estimates. The reasons for the collapse of the building at Sambam was due to disturbing of poles supporting the centering by labourers while carrying the materials to the rear portion of the building. Further the jeep driver of the Deputy Executive Engineer and Assistant Executive Engineer who was taking rest below portico centering got his cot tied to the corner pole, which must have caused disturbing the pole slightly due to the heavy rain of the previous day resulting in the collapse.

(d) The Superintending Engineer (Tribal Welfare), Visakhapatnam has issued following instructions to all the field staff to take precautionary measures for the following items:

(i) Not to remove the centering till the entire curing period is completed.

(ii) Not to allow the workmen to move under the centering.

(iii) Prior approval of the authority should be taken for every deviation from the sanctioned estimate.

(iv) Instructions were issued that R.C.C. Slabs should be laid only in the presence of Deputy Executive Engineer upto a value of Rs. 1.00 lakh and in the presence of Executive Engineer beyond that value.
Community Hall for Harijans at Karimnagar

171—

5299—Q.— Sri U. Sambaiah :— Will the Minister for Social Welfare be pleased to state:

(a) whether it is a fact that a community Hall was constructed for Harijans at Karimnagar;

(b) the reasons for not handing over the said building to the local harijans till now?

A.—

(a) Yes Sir.

(b) One community hall was constructed for Harijans at Karimnagar in the year 1976, but the same was allotted for locating the inmates of Home for Aged and disabled, Karimnagar, for a temporary period for want of accommodation. On the representation of the President Dr. Ambedkar Memorial Club, Karimnagar to the District Collector, Karimnagar and also Scheduled Castes and Harijan M.L.A. to the District Collector, Karimnagar, the Home for Aged and Disabled which was located in the community hall was got vacated on 6-5-1986 and the community hall was handed over to the committee constituted by the District Planning Board, Karimnagar to look after its maintenance and use from 6-5-1986 onwards to locate a library and for celebration of marriages etc.

Cattle Breeding Farm

175—

8160-Q.— Sri P. Venkata Ratnam and Dr. U. Venkateswarlu:— Will the Minister for Animal Husbandry and Fisheries be pleased to state:

(a) whether there is any proposal to establish a “Cattle Breeding Farm” at Kakarla village in Tiruvuru Mandalam; and

(b) if so, the details thereof and the time by which the project is likely to be started?

A.—

(a) Yes Sir.

(b) The Project comprises of (1) National Buffalo Breeding Centre; and (2) Regional Embryo Transfer Centre.

The National Dairy Development Board will finance the project cost of National Buffalo Breeding Centre including cost of construction, equipment, Buffaloes and revolving fund amounting to Rs. 323-57 lakhs, as 100% grant. The entire project cost of Regional Embryo Transfer Centre which includes investment and recurring expenditure for 5 years will be financed by the Government of India as 100% grants. The total cost of this centre is Rs. 135-77 lakhs.

J. No. 33-10
The national Buffalo Breeding Centre will have 2 units each consisting of 250 milch Buffaloes and their followers. The first unit will be established in the first year and the second unit will be established during 4th year.

The project will start its operation during the first year itself and the project period is for 5 years.

The project will help improving the Buffalo Breed of not only Andhra Pradesh State but also other southern States.

The State Government have to provide 1000 acres of land free of cost without any encumbrances, water to the project and 130 prisoners to work in the project, which also provides for an open air prison. This land is being handed over to the National Dairy Development Board. The National Dairy Development Board will start these two works immediately and the project will start functioning in the first year itself.
