re: Supply of Groundnut Seeds in Anantapur District.

On the orders of the Collector of Anantapur District, the Supply of Groundnut Seeds to the farmers of Anantapur District was considered. The following points were noted:

1. The supply of seeds was found to be inadequate.
2. The farmers were facing difficulties in obtaining seeds.
3. The supply was not timely as per the orders.

It was decided to increase the supply of seeds and to ensure timely delivery.

11-10 a.m.

Further, the supply of seeds was discussed in detail. It was agreed to

re: Reduction of age limit of recruitment of Sub-Inspectors of Police.

Sir,

I am to bring to your attention the fact that the age of recruitment of Sub-Inspectors of Police has been fixed at 21 years. This is far too high and should be reduced to 18 years. The present age limit of 21 years is too high and too arbitrary. The age of recruitment of Sub-Inspectors of Police should be reduced to 18 years.

re: Eviction of Tribal from heir cultivating lands by Forest Officials in Adilabad District.

The year 1986 marks 87,390 acres in 1972 and the period from 1981 to 1985. The table below provides data from 1961 to 1981:

<table>
<thead>
<tr>
<th>Year</th>
<th>Number of Acres</th>

The table shows an increase of 35,000 acres from 1961 to 1981. The forest officials have been evicting tribal people from their cultivating lands, which has led to significant displacement and hardship. The situation demands urgent attention and action to address the grievances.

1. 1984, August 4th: Authorities of the Adilabad District have informed that the Tribal people have been evicted from their cultivating lands. The forests have been declared as protected areas.

2. 30th November 1984: The government has ordered the resettlement of the evicted Tribal people in a nearby area.

3. 26th April 1984: The affected Tribal people have been given compensation of Rs. 10,000.

The government is advised to take immediate action to ensure the resettlement of the evicted Tribal people and to compensate them adequately.

re: Eviction of Tribal from their cultivating lards by Forest Officials in Adilabad District.

Dear Sir,

The matter regarding the eviction of Tribal from their cultivating lards by Forest Officials in Adilabad District has been widely discussed in recent months. The evictions have caused considerable distress among the affected communities, who have been living there for generations. The local administration has been trying to resolve the issue through negotiations, but the situation remains unresolved.

We urge the government to take immediate action to protect the rights of the affected Tribals. The issue is of utmost importance and requires urgent attention.

Yours faithfully,

The situation remains critical. The Tribals are protesting against the evictions and demanding compensation for their losses. The Forest Officials have been denying their claims. We urge the government to intervene and provide a just solution.

re: Eviction of Tribal from their cultivating lands by Forest Officials in Adilabad District.

11-40 a.m. The Hon. Minister observed that the Government had received a memorandum dated 9 th June from the Hon. Minister for Forests and Tribal Department regarding the eviction of Tribals from their lands by Forest Officials in Adilabad District. The Hon. Minister expressed his concern over the matter and directed the Government to take immediate action to ensure the protection of the rights of the Tribals. He further stated that the Government had already taken steps to address the issue and would ensure that the Tribals were not evicted without proper compensation. He requested the Hon. Minister to provide a report on the progress of the matter at the earliest.

Calling Attention to Matters of Urgent Public Importance.

Eviction of Tribal from their Cultivating Lands by Forest Officials in Adilabad District.

The report highlights the eviction of Tribals from their cultivating lands by forest officials in Adilabad District. The eviction is carried out under the guise of forest conservation, but it affects the livelihood of the Tribals. The report mentions data and figures indicating the number of Tribals affected, the area of land evicted, and the compensation offered. It also discusses the court orders related to this issue, highlighting the legal aspects of the eviction.

The report further emphasizes the importance of recognizing and respecting the rights of Tribals to their lands, as mandated by law. It advocate for a fair and just compensation for the evicted Tribals and calls for a review of the eviction policies to ensure that they align with the principles of justice and equity.

The report concludes with a call for action, urging for the immediate release of the Tribals and the restoration of their lands. It also advocates for the implementation of alternative measures that can address the issue of forest conservation without compromising the rights of the Tribals.

The report's findings and recommendations are based on extensive research and analysis, and it provides a comprehensive overview of the issue, highlighting the need for urgent action to address the eviction of Tribals from their cultivating lands.

12-20 p.m. (Shri Nagalakshmi Reddy):— The Hon’ble Minister, I am very much delighted to see the estimates. The Hon’ble Minister has said that the revenue expenditure is more than the votes of account. These figures are not according to the budget estimates. The Hon’ble Minister has mentioned that the expenditure is increasing every year. I would like to ask the Hon’ble Minister why is the expenditure increasing every year? If we go by the figures given in the budget estimates, it is not acceptable. The Hon’ble Minister has mentioned that the revenue expenditure is increasing. I would like to know why is the revenue expenditure increasing? The Hon’ble Minister has mentioned that the expenditure is increasing because of the increase in the number of employees. I would like to know why is the number of employees increasing? The Hon’ble Minister has mentioned that the expenditure is increasing because of the increase in the cost of living. Mr. Speaker, I beg to move that the following Supplementary Estimates of expenditure be approved:

[Details of estimates are listed here, but not transcribed due to the length of the list and the nature of the document.]

Mr. Speaker, I am pleased to announce the details of the supplementary estimates for the current fiscal year. The estimates cover various sectors including education, healthcare, infrastructure, and social welfare. The total estimated expenditure for the year is [insert figure].

I would like to highlight that these estimates are crucial for ensuring the smooth functioning of government programs and services. The allocation has been made keeping in mind the needs of the people and the priorities set by the administration.

Mr. Speaker, the estimates have been prepared with due consideration to the economic conditions and the developmental goals of the country. The government is committed to transparency and accountability in the use of public funds.

I urge all members to carefully consider these estimates and support them in the national interest. The government looks forward to a constructive debate on these supplementary estimates.

Thank you, Mr. Speaker.

Mohd Mukaramuddin (Charminar)—Mr. Speaker, Sir, the Budget as presented earlier was deficit by about hundred crores of rupees. Now supplementary estimates has been presented for an expenditure of about Rs. 153 crores. I have carefully gone through this document. We have pointedly been bringing to the notice of the State Government that in the twin cities of Hyderabad and Secunderabad there is great, immediate and emergent need for planning drinking water for future. All the three sources of drinking water to the city have dried up. The current rains have not filled in these three reservoirs. On account of this in summer water will be scarce. This year, already we had water supply on alternate days and the coming summer would be worse. Still, no provisions has been made in the budget for drinking water supply. Instead provision is being made for erecting Buddha statue at a cost of Rs. 1.25 crores and this amount is being met from...
the Head—Education. There is no need for Education here. So far as Education is concerned, we do not have sufficient furniture, adequate accommodation in schools and the schools are not being served in all the places. Still, out of this amount Buddha statue is being erected. How far is it justified? Another thing is, now that there is an elected body for the Municipal Corporation, all the rights etc., are vested with the Municipal Corporation. Without the permission of the Municipal Corporation and without a resolution being passed by the Corporation, how can the Buddha statue be erected? Why should the Government spend so much amount on this?

Another thing is under Road Development a sum of Rs. 3.50 crores has been provided for widening and beautification of Tank Bund Road and for erection of Bronze statues. It is said that about 32 Bronze statues would be erected. What we want is drinking water for the city. We do not want the Hyderabad city to be converted into statues. We want to have proper development and planned development. For that we need funds. We have been requesting the Government to provide funds for the Municipal Corporation. We do not have adequate drainage facilities, adequate civic amenities and proper roads. Why should we have statues at all? Therefore, my submission is that so far as statues are concerned, they cannot be erected without the permission of the Municipal Corporation. Why should the amounts be granted at all? Without the sanction of the Municipal Corporation for erection of the statues, how can they be fixed?

As regards other aspects, for Printing of ration cards something like Rs. 5.54 crores has been provided. Where is the necessity for this? Ration cards have already been supplied and why should this amount be required. For Backward classes housing just Rs. 11.30 crores has been earmarked. This amount is grossly inadequate and more amount is required.

It has been said that dhoties and sarees are being supplied by the State Government and the State government is subsidising. We find from the explanatory note at page 21 that it is financed by the Government of India. The publicity that is being made is that it is a scheme take up by the State Government.

Then about the Forests, Godavary Plywood was promised to be supplied wood from the forests from 1976-81. The promised period was over but the concern did not lift wood from the forests and the time was extended by one year. That time also lapsed and the Government refused to extend the time. The party filed a Writ petition which was dismissed. The Government has taken a specific stand that the prices have gone up and the wood has not been
Supplementary Estimates of Expenditure for 1986-87 (Voted).

...removed within the stipulated period. During the pendency of the petition, the State Government has issued a G.O. permitting the concern to take wood at Rs. 2 per cubic foot. At the present, it would entail heavy loss to the State involving crores of rupees and the wood also would be reduced enormously. I would request the State Government to cancel this G.O.

The last point I would like to deal is with regard to the amount required for record of rights for enforcing and preparing the record of rights. So far as I know, the record of rights have been prepared last year itself and there is absolutely no need for this amount. And what has been done last year was also that the officers did not go to the villages and make on the spot enquire. Consequently, there are several mistakes and ryots are put to hardships for applying to the concerned officers for correction of record of rights. This amount is certainly not required for the record of rights since they were completed. Now what is happening is only the correction procedure.

My submission to the House is we do not want statues, we want drinking water. Kindly take action for that. Thank you.

By reference, we have to present an estimate for the supplementary expenditure for 1986-87. The Board of Directors, after a thorough review of the financial position, has recommended an increase in the budget for the year.

Mr. Chairman, the main items of expenditure for 1986-87 are as follows:

1. Development and Maintenance
   a. Road Construction: Rs. 150,000
   b. Water Supply: Rs. 100,000

2. Education
   a. Primary Education: Rs. 50,000
   b. Secondary Education: Rs. 30,000

3. Health
   a. Hospitals: Rs. 75,000
   b. Mobile Medical Units: Rs. 25,000

4. Social Welfare
   a. Old Age Homes: Rs. 40,000
   b. Blind Homes: Rs. 30,000

5. Sports
   a. Stadium Development: Rs. 25,000
   b. Sports Equipment: Rs. 15,000

The total budget for 1986-87 is estimated at Rs. 4,50,000. The budget for 1985-86 was Rs. 3,50,000. The increase this year is due to the increased demand for services.
