UNSTARRED QUESTIONS AND ANSWERS

Issue of Pattas in Venkatadri Village

1364-(H)-Q.—Sarvasri Ch. Vidyasagar Rao and A. Narendra:—Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that the Government issued patta certificate to all landless poor, in file No. 2270/82 in the land bearing Survey Nos. 20, 22, measuring 8 acres 35 guntas situated in Venkatadri village of Miryalaguda Mandal of Nalgonda district;

(b) whether it is also a fact that in spite of issuing patta certificate possession of the land is not delivered to them;

(c) if so, the action taken by the Government in this regard;

and

(d) if not, the reasons therefor?

A.—

(a) Yes, Sir.

(b), (c) and (d): Possession has since been delivered to all the nine pattadars by the Mandal Revenue Officer, Miryalaguda.

Distribution of Pattas in Anantapur District

2898 Q.—Sri S. Venkata Reddy:—Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that pattas for nearly 200 acres of dry land have not been given to the ryots belonging to Harijans and Birijans of Tangedukunta village of Nallamada Constituency in Anantapur district though they have been cultivating the land since the last 40 to 60 years under the plea that the Survey Settlement in Shrotrayam village is still pending;
(b) if so, by what time the distribution of pattas will be made?

A.—

(a) The village of Tanaadukunta of Nallamada Constituency in Anantapur district is a big village. It was taken over by the Government under the provisions of the E.A. Act, 1948, on 15-4-1978. The village has already been surveyed. However, settlement operations in the village are in progress and will probably be completed within a period of 3 months.

(b) The ryotwari pattas will be issued under Sec. 15 (1) and 11 (a) of the E.A. Act, 1948 in favour of the eligible ryots who are in possession of the land, after examining the nature and history of the lands and the right of the occupiers on the holdings as soon as the settlement operations in the village are completed, the accounts prepared and the notification issued.

Drought in Anantapur

3—

3661.Q.—Sri M.V. Mysoora Reddy.—Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that Anantapur District was reeling under drought for the sixth year in succession; and

(b) if so, the nature of aid provided to the said district during the last six years?

A.—

(a) No, Sir. Anantapur District was affected by drought during 1980-81, 1981-82, 1982-83, 1984-85 and 1985-86.

(b) The following amounts were provided to Anantapur District for drought relief:

entrusted to the contractors under Weaker Sections Housing Programme. In respect of remaining other district's construction work has not been entrusted to the contractors.

(b) The details of such cases and action taken by the Collectors are given below.

Mahaboobnagar District:

The Collector, Mahaboobnagar District has reported that entrustment of two housing colonies at Allapoorn and Alime Likoduru of Panchayat Samithi Bijnampally, Mahaboobnagar District to contractors have come to the notice of the Housing Corporation, for which action has already been initiated against Block Development Officer and Deputy Executive Engineer concerned.

2. Karimnagar District:

It is reported by the Collector, Karimnagar that only one Rural Permanent Housing Colony at Appannaset village of Panchayat Samithi under Rural Permanent Housing 1981-82 at Rs. 6,000 per unit scheme has been entrusted to the contractor and the colony has been completed as per the terms and conditions of agreement and handed over to the beneficiaries without any complications. Except that, no other colonies have been entrusted to the contractors.

3. Warangal District:

The Collector, Warangal has reported that the instance of a contractor being appointed by the colony construction committee has come to the notice in one colony at Govindraopet village in panchayat Samithi, Mulug. But the A.P. State Housing Corporation has not appointed any contractor either for Govindraopet colony or in any other housing colony in the District.

4. Kurnool District:

It is reported by the Collector, Kurnool District that construction work of houses has not been entrusted to contractors. The Collector has further reported that in the past, the beneficiaries in a few colonies have entrusted the construction work to their Sarpanches. In Chabolu village in Nandyal Panchayat Samithi, the beneficiaries have nominated the Sarpanch of the village, for construction of the colony and the Block Development Officer, Nandyal has given advance of Rs. 83,000 and 430 bags of cement to Sarpanch. The Sarpanch has arranged construction up to basement and died. Now the son of late Sarpanch is arranging material for further construction of the colony and the beneficiaries are participating in the construction.
It is also reported by the Collector that at present they are not allowing any contractor to play any role directly or indirectly in Weaker Sections Housing programmes in Kurnool District.

(d) & (e): 4 dependents of deceased employees of Mahaboobnagar District have been appointed as Attenders. Due to non-availability of dependents of deceased employees for Class-IV posts in Mahaboobnagar Dist. and as there are no vacancies, in Rangareddy Hyderabad Districts, 6 dependents of deceased employees of Rangareddy and Hyderabad Districts were appointed against the vacant Attender posts in Mahaboobnagar District, which is also under the control of Superintending Engineer, Operation/Rural, Hyderabad.

Promotion of Engineers

1817 Q—Sri S. Chandramouli:— Will the Minister for Power be pleased to state:

(a) what are the old guidelines for gradation in the Department to be applied to the promotion of Engineer;

(b) when they were revised;

(c) is it a fact that favouritism has been shown to some people and as a result grave injustice has been caused to some who have become juniors to their subordinates; and
(b) is the mode of gradation being applied to all categories; i.e., Chief Engineers, etc?

A.—

(a) As per regulation 24 (1) (b) of Andhra Pradesh State Electricity Board Service Regulations Part-II, promotion in all cases shall be made on grounds of merit and ability, seniority being considered where merit and ability are approximately equal.

Keeping in view the above regulation provision, promotions are being ordered in the Electricity Board based on the recommendations of the Departmental Promotion Committee.

(b) (i) In respect of promotions to the cadre from Assistant Divisional Engineers to Divisional Engineers, Board evolved certain guidelines during February, 1977 to be followed by the Departmental Promotion Committee to ensure uniformity in assessment of merit of the candidates.

(ii) In respect of promotions to the cadre from Divisional Engineers to Superintending Engineers the Board evolved guidelines during May, 1978.

Keeping in view certain observations of the High Court of Andhra Pradesh, guidelines evolved during 5/78 were revised in 5/83 subsequently as there were certain representations from the A.P. State Electricity Board Engineers' Association on the guidelines evolved and taking into consideration the representations of the Association the guidelines were revised again during 1/84 and finally during 9/85, Electricity Board issued an amendment to the regulation prescribing the criteria to be followed for fixing the merit rating of Divisional Engineers/Executive Engineers who are found suitable for promotion as Superintending Engineers.

(c) No, Sir.

(d) The guidelines on merit rating principles were adopted in respect of promotions from the cadre of Assistant Divisional Engineers to Divisional Engineers and from Divisional Engineers to Superintending Engineers. No such guidelines were issued in respect of the cadre of Chief Engineers since at two levels namely at Divisional Engineers and Superintending Engineers level, Engineers are being promoted based on the merit rating principles evolved. As such no specific guidelines are adopted for promotion of Superintending Engineers as Chief Engineers. Promotions are being ordered in respect of this category following the regulation 24 (1) (b) of Andhra Pradesh State Electricity Board Service Regulations, Part-II.

Matters Under Rule 304:
re: Non-starting of Srisailam Left Canal Works.

Rajagopal Reddy, Advocate, for the Petitioner.

Chief Justice:

I. Rule 304—Re: Non-starting of Srisailam Left Canal Works.

There are two main issues before the Court:

1. Whether the petitioner is entitled to compensation for the non-starting of the Srisailam Left Canal Works?

2. Whether the petitioner is entitled to interest on the amount of compensation awarded?

The petitioner has alleged that the defendants have failed to start the Srisailam Left Canal Works within the time period stipulated in the agreement. The petitioner has also claimed compensation for the delay in starting the works.

The defendants have argued that the delay was due to unforeseen circumstances and that the petitioner was not entitled to compensation.

After considering the evidence presented by both parties, the Court has come to the following conclusions:

1. The petitioner is entitled to compensation for the delay in starting the Srisailam Left Canal Works.

2. The petitioner is also entitled to interest on the amount of compensation awarded.

The Court has awarded compensation of Rs. 1,000,000 to the petitioner. The interest on this amount shall be calculated at 10% per annum from the date of the award until the date of payment.

The petitioner is directed to submit further evidence on the amount of compensation and interest due within 30 days from the date of this order.

Order.

The matter is adjourned to the next hearing date.

For the Court:

Registrar.

(v) The following is the summary:

13th July, 1986

Victimisation of Teachers who Participated in the Strike in March, 1986.
Calling Attention to Matters of Urgent Public Importance:

The Hon'ble Member, State Assembly, has drawn my attention to the situation of the victims of the strike which was taken up by the teachers in March, 1986. The teachers were victimised by the authorities for participating in the strike. The education department, through the deputy commissioner, has issued orders that the teachers who took part in the strike must be compellingly transferred to other departments. Special teams have been constituted in their respective districts to verify their attendance. The department has informed that 1,275 teachers had participated in the strike. There have been complaints of the teachers that the verification team has not been genuine. The teachers have expressed that the lists of the participants have been tampered with. The teachers have alleged that the department has been playing politics with them.

It is hereby stated that the strike was a peaceful demonstration and the teachers had no intention of creating any disturbance. The teachers were merely expressing their genuine grievances. The authorities should not harass the teachers in such a manner. The teachers do not need to be compelled to transfer to other departments. The teachers are only seeking justice for their grievances.

The matter was discussed with the local education officer of Ranga Reddy district. The education officer assured that the verification team is genuine and the teachers are being transferred according to their attendance. The teachers have expressed their willingness to continue with their work. However, the teachers have requested the authorities to reconsider the transfer orders and allow them to continue with their duties.

Therefore, it is requested that the authorities should not harass the teachers and should allow them to continue with their duties. The teachers are merely seeking justice for their grievances. The authorities should not take any action that would create any inconvenience to the teachers.

The matter is being closely monitored by the department.

Yours sincerely,

Calling Attention to Matters of Urgent Public Importance:

re Victimization of Teachers who Participated in the Strike in March, 1986

Mr. [Name]

[Address]

Dear Sir,

I am writing to bring to your attention a matter of urgent public importance. During the strike in March, 1986, several teachers were victimized due to their participation in the strike. These teachers have been facing difficulties in their professional lives and have been subjected to harassment and discrimination. It is imperative that we address this issue and provide redress to these teachers.

I urge you to take immediate action to investigate the cases of victimization and to intervene to ensure the protection and rights of these teachers. It is crucial that we support the rights of all teachers to participate in the strike and to demand their rightful demands.

Thank you for your attention to this matter.

Yours sincerely,

Calling Attention to Matters of Urgent Public Importance:

re: Scare of AIDS (Acquired Immuno Deficiency Syndrome) disease in the State.

1. In the recent past a Scare of AIDS (Acquired Immuno Deficiency Syndrome) disease has emerged in the State. It is imperative that we take immediate and effective measures to curb the spread of this disease. The following measures are recommended:
   1. Information campaigns should be conducted to raise awareness among the public about the symptoms and prevention of AIDS.
   2. Health educational seminars and workshops should be organized for health workers and the public to educate them about the disease and how to prevent its spread.
   3. Regular screening and testing of blood donors should be conducted to prevent the transmission of the disease.

2. The government has decided to conduct a mass screening drive in the State. The details are as follows:
   - Date: 11-10 A.M.
   - Venue: District Health Office

3. The public is requested to cooperate with the authorities in this endeavor and take necessary precautions to protect themselves from the disease.

4. The government will also provide medical aid to those who test positive for the disease.

re: Scare of AIDS (Acquired Immuno Deficiency Syndrome) disease in the State.

Mr. Governor, Sir. Re: The recent scare in the State as regards the Acquired Immuno Deficiency Syndrome (AIDS). There has been an increase in the number of cases reported in the media. It is urgent that the public be informed and educated about the disease. The disease is transmitted through sexual contact and blood transfusions. There is no cure for AIDS. People must be made aware of the importance of safe sex and the use of condoms. The government must take steps to control the spread of the disease.

Subject: Attention to Matters of Urgent Public Importance:
re: Scare of AIDs (Acquired Immune Deficiency Syndrome) disease in the State.

The Department of Health, Government of the State, has received reports from various health centers indicating an increase in the number of cases of AIDs (Acquired Immune Deficiency Syndrome) disease. The disease is caused by a virus that severely weakens the immune system, making the person more susceptible to other infections.

The reports suggest that the disease is spreading rapidly in certain areas of the State. There is a need for immediate action to control the spread of the disease and to provide appropriate medical care to those affected.

The Department of Health has launched a comprehensive campaign to educate the public about the disease, its symptoms, and preventive measures. The campaign includes the distribution of brochures, awareness programs, and rallies in affected areas.

The Department of Health requests all health centers to intensify their efforts to identify and treat cases of AIDs. They are also urged to report any new cases to the Department of Health immediately.

The Department of Health also requests all hospitals to ensure that adequate facilities are available to treat AIDs patients. They are requested to report any difficulties in obtaining necessary medical supplies to the Department of Health.

The Department of Health appreciates the efforts of all health centers in addressing the issue of AIDs. They are thanked for their dedication and commitment.

Sincerely,

The Andhra Pradesh Non-Delta Area Drainage
Cess Bill, 1986 (L. A. Bill No. 6 of 1986)—Passed

12-05 p.m.

...
Government Acts:

The Act was passed on 15th July, 1986. It provides for the assessment of a cess on non-delta areas for the purpose of drainage. The cess is levied on agricultural lands, and the amount collected is to be used for the construction of drainage systems in the non-delta areas.

The Act contains provisions for the assessment of the cess, the collection of the cess, and the utilization of the cess for the construction of drainage systems. It also provides for the appointment of an officer to administer the cess.

The Act is an important step towards the development of the non-delta areas of Andhra Pradesh, which have been facing problems of drainage and flooding. The cess will help in the construction of drainage systems, which will improve the living conditions of the people in the non-delta areas.

The Andhra Pradesh Non-Delta Area Drainage Cess Bill, 1986 L. A. Bill No. 6 of 1986—Passed

The Assembly was adjourned at 12.30 p.m.

Mr. R. C. Malhotra:—Mr. Speaker, your Honourable House will remember that on 12th April, 1986, in this House, I had expressed my strong views against this Bill. I had then said that the Bill was against the principle of the law of the land and finality of judgments. I had then pointed out that if this Bill is passed, it will be very difficult for the people to carry forward their cases. I had then pointed out that the Andhra Pradesh Government had been trying to pass Bills under the guise of Cesses, which was not only bad but was also against the principles of law. I had then said that if this Bill is passed, it will be very difficult for the people to carry forward their cases. I had then pointed out that the Andhra Pradesh Government had been trying to pass Bills under the guise of Cesses, which was not only bad but was also against the principles of law.

Government Bills:

Sri Md. Mukarramuddin (Charminar) :- Sir, the avowed object of this Bill is to provide for a drainage system in certain of the rivers. In 1985 also a similar legislation was undertaken and this piece-meal legislation is just intended to multiply the Acts. In fact, in the Andhra Pradesh Krishna, Godavari and Pennar Cess Act itself this provision could have been made for all the areas. One thing which in particular I want to bring to the notice of the House is there are certain other rivers like Manjira which also needs similar drainage system. On the river Manjira three Projects are coming up. One Project is already there viz., Nizamsagar which has got silted. There are other two Projects which are coming up at Sangareddy and Singur which are also getting silted. The point is the State Government should take up drainage schemes in all the areas wherever the rivers flow. This sort of piece-meal legislation is not desirable. This is one submission which I want to make before the House.

The other one is that it is the duty of the State Government to implement such schemes. Certainly, the ryots who do not get much benefit they do cultivation but nobody knows that these days cultivation is not profitable. If more cess is levied and more taxes are imposed, certainly it will be against the interests of the ryots. It is the duty of the State Government to provide the requisite monies for the implementation of the schemes. therefore, my submission is that this Bill should be withdrawn and no taxes should be levied on the ryots who are already not working in profitable conditions. It is in the interest of agriculture that this Bill be withdrawn.
