Matter Under Rule 304

re: Illegal arrest of workers of Kaknada Port

The matter is proceeding on the basis of the illegal arrest of workers of Kaknada Port. The workers were arrested without proper legal authority. The arrest was made on the basis of false information. The workers were not given any reason for their arrest. The workers were not allowed to contact their lawyers. The workers were not allowed to talk to anyone.

I am informed that the workers have been kept in the same place since the day of their arrest. They have been kept in a locked room without any access to the outside world. The workers have not been allowed to eat or drink anything.

I am also informed that the workers have been beaten up and tortured by the police. They have been subjected to cruel and inhuman treatment. The workers have been denied medical attention.

I am concerned about the well-being of the workers. I urge the authorities to take immediate steps to release the workers and to ensure their safety and well-being.

Yours faithfully,

(Interruptions)

There is an unanimous opinion that something has gone wrong there. I am not interfering with the law and order situation. For the purpose of running the trade union movement in a better way, you have to come to certain conclusions. It is not good on your part. I will not say what action you have to take but it is left to the Government. You have to come to a conclusion. You have to see that some steps are taken to release them.

re: Misuse of Power by the Councillors of Rajahmundry Municipality

The Hon'ble High Court of Andhra Pradesh,

In the matter of: Misuse of Power by the Councillors of Rajahmundry Municipality

This is an application filed by the petitioner, Mr. A. B. C., seeking an order for the recovery of funds that were misappropriated by the councillors of Rajahmundry Municipality. The petitioner alleges that the councillors have abused their power by misusing funds intended for public welfare.

It is prayed that the Court may direct the councillors to return the misappropriated funds to the municipality and that the petitioner may be reimbursed for the losses incurred.

The petitioner further requests the Court to issue a writ of mandamus compelling the councillors to perform their duties in a proper manner.

re: Misuse of Power by the Councillors of Rajahmundry Municipality

1st April 1986

The matter relates to the misuse of power by the councillors of Rajahmundry Municipality. The report states that some councillors have been using their power improperly, leading to extortion and other forms of corruption. The investigation has revealed that these councillors have been misusing their power to demand money from local businessmen and contractors. The report also highlights the need for stronger measures to prevent such activities and ensure accountability. The administration has been asked to take action against the erring councillors and to recover the money that has been extorted.

Mr. V. M. — There are in all 18 B.Ed. colleges. The seat allotment was delayed by 27-3-1986, despite the court directions. In 8 of the colleges, the students have not received the seat allotment by 18th. It is a fact that some of the colleges have not fulfilled the conditions. Then why the discrimination between them? Why not consider their explanations fairly?

"Again it is true that some of them have not fulfilled one or more of such conditions and so have others. Then why discrimination as between them? Why not consider their explanations fairly?"

Mr. Secretary,

I would like to bring to your notice the matter of handing over of the Government Distilleries at Chagellu of West Godavari District to a private company. The distilleries are currently operating under the Government and have been in existence for several years.

In view of the current economic scenario, it is important to evaluate the feasibility of handing over these distilleries to a private company. This move would not only generate additional revenue for the Government but also ensure better management and maintenance of the facilities.

I request you to consider this matter and take appropriate action. I am available at your convenience for any further discussion.

Yours faithfully,

Mr. Secretary,

I would like to bring to your notice the matter of handing over of the Government Distilleries at Chagellu of West Godavari District to a private company. The distilleries are currently operating under the Government and have been in existence for several years.

In view of the current economic scenario, it is important to evaluate the feasibility of handing over these distilleries to a private company. This move would not only generate additional revenue for the Government but also ensure better management and maintenance of the facilities.

I request you to consider this matter and take appropriate action. I am available at your convenience for any further discussion.

Yours faithfully,

Sri K.E. Krishna Murthy:— This House while expressing its unequivocal and total opposition to any move to abolish or whittle down the Tungabhadra Board, established under the orders of the President of India, hereby earnestly recommends strengthening of the Tungabhadra Board organisationally, as also by keeping sufficient police force at its disposal to enable the Board to more effectively ensure the distribution of irrigation water and monitor such water releases to the canal systems by firmly dealing with all attempts at unauthorised interference with the irrigation systems.

The House further resolves, that the control and administration of the entire reservoir and the Head Works releasing

water into the canal system on both sides, including that of the Left Bank Main Canal be vested with the Board to facilitate unitary, command and efficient and effective reservoir management, especially, during the periods of deficit storages of the reservoir to ensure equitable distribution of water to all systems drawing from the same reservoir source in accordance with the prescribed allocations and stipulations. Also the draws from all the canals including Left Bank Main Canal from the reservoir shall be accurately and scientifically metered and the discharges measured as per standard accepted practice based on joint gauging under the control of the Board.

The House also resolves that the Board staff pattern shall be in the same ratio as that of sharing of maintenance expenditure or the distribution of water (within the Board jurisdiction) between the two States.

This House in addition resolves that the control and administration of the Rajolibunda Diversion Scheme Head Works together with the common portion of the canal within the Karnataka State limits, shall be vested with the present Tungabhadra Board to ensure just and equitable water supply to the larger irrigation lower down in Andhra Pradesh.
